# **Scooby-Doo! And the Legend of the Vampire**

By Unknown

**00:**

Just a little to the left,  
a little more. Perfect.

2

**00:**

Daniel...

3

**00:**

this concert is not a good idea.

4

**00:**

Relax, Grandfather, everything will be fine.

5

**00:**

Come on, we're ready for Matt Marvelous'  
sound check. You'll love him.

6

**00:**

Well, I don't know...

7

**00:**

Rock our world, Matt.

8

**00:**

iOh, okay./i

9

**00:**

Matt Marvelous?

Well, I can barely hear him.

10

**00:**

Just wait.

11

**00:**

See? This guy rocks.

12

**00:**

Well, if you say so.

13

**00:**

If he didn't rock, he wouldn't be  
a finalist in the contest.

14

**00:**

Oh, no. Daniel!

15

**00:**

What the...

16

**00:**

What's going on?

17

**00:**

Incredible.

18

**00:**

Let me go!

19

**00:**

The vampire legend is true.

20

**00:**

This is the life.

21

**00:**

Yeah, it sure is.

22

**00:**

Now that the mystery  
of the sea serpent smugglers is solved...  
23

**00:**

our vacation should be smooth sailing.  
24

**00:**

Great form, Daphne.  
25

**00:**

Yeah, I'll say.  
26

**00:**

Oh, boy, this should do for an appetizer.  
27

**00:**

Hey, everybody. Come take a look.  
28

**00:**

Sydney Harbor.  
29

**00:**

Wow! We're finally in Australia.  
30

**00:**

This is going to be the best vacation ever.  
31

**00:**

Uh-huh!  
32

**00:**

And no vacation would be complete

without the Mystery Machine.

33

**00:**

This guidebook says Sydney  
has the best restaurants...

34

**00:**

in the entire southern hemisphere.

35

**00:**

Like, that's great, Velma, but Scoob  
and I have got the food situation covered.

36

**00:**

Uh-huh.

37

**00:**

Doggie bags.

38

**00:**

That's right, Scoob. Doggie bags.

39

**00:**

Better eat now, guys.  
We've got sightseeing to do...

40

**00:**

and pictures to take. Say "Vegemite."

41

**00:**

Vegemite.

42

**00:**

What an incredible view.

43

**00:**

You can see the whole continent up here.

44

**00:**

The Sydney Harbor Bridge  
is the world's largest free-standing bridge.

45

**00:**

Like, that's a long way down, huh, Scoob?

46

**00:**

What's with the groovy ceiling  
on that place?

47

**00:**

That's the Sydney Opera House.  
It's the city's most famous landmark.

48

**00:**

It looks like an old-fashioned sailing ship.

49

**00:**

That's the idea, Shaggy.

50

**00:**

Oh, wow!

51

**00:**

What is it, Daphne?

52

**00:**

I finally found what I've been looking for.  
Bondi Beach.

53

**00:**

Lunch is served!

54

**00:**

Be right there, Freddie.

55

**00:**

Come on, gang!

Everything's going to get cold.

56

**00:**

Let's catch this wave.

57

**00:**

I'm hungry.

58

**00:**

What a sheila.

59

**00:**

I'll say, mate.

60

**00:**

Come on, Scoob, he's just a little guy.

No need to get all crabby.

61

**00:**

Come here, you guys. I've got a great idea.

62

**00:**

How do you guys feel  
about exploring the outback?

63

**00:**

Outback?

64

**00:**

Sure, Australia's not all beach.

The outback's the wild, inland part.

65

**00:**

My guidebook says it makes up  
almost 85 percent of the continent.

66

**00:**

Like, I know what the outback is...

67

**00:**

and I don't want to go "out back"  
to look at dust and trees.

68

**00:**

Come on, Shaggy, I'm sure  
there's more to see than that.

69

**00:**

And I've got 17 rolls of film  
to capture it all.

70

**00:**

What if you could hear great music  
while you were there?

71

**00:**

In the middle of nowhere?

72

**00:**

Not "nowhere." There, look.

73

**00:**

The Vampire Rock Music Festival!

74

**00:**

Vampire?

75

**00:**

That sounds like a lot of fun, Freddie!

76

**00:**

Vampire Rock is located right  
in the middle of Australia.

77

**00:**

We can see a lot of the outback  
on our way there.

78

**00:**

Scoob and I don't think it's a good idea...

79

**00:**

going to a place where vampires rock.

80

**00:**

That's asking for trouble.

81

**00:**

That's just the name of the place.

82

**00:**

And there's no such thing as vampires.

83

**00:**

And I'm sure a festival that big...

84

**00:**

will have every  
concession stand imaginable.

85

**00:**

Licorice pizza, chocolate-covered  
corn on the cob, tutti-frutti ice cream...

86

**00:**

not to mention some great local food.

87

**00:**

Ready.

88

**00:**

Real music lovers.

89

**00:**

Like, who ever heard  
of Australian vampires, anyway?

90

**00:**

The rules of the contest are very simple.

91

**00:**

It's for unsigned bands,  
no one can enter more than once.

92

**00:**

And as I've told you again and again,  
each contestant only gets three minutes.

93

**00:**

But the Bad Omens' best song lasts five.

94

**00:**

Daniel and I have set the rules,  
and rules are rules, Jasper.

95

**00:**

Can't you bend the rules a little?

96

**00:**

Especially for such an upstanding group  
of young people?

97

**00:**

This better be important.

98

**00:**

I've got things to pierce.

99

**00:**

I'm trying to find a new shade of eyeliner.

100

**00:**

You were saying?

101

**00:**

Come on, Russell,  
now that Matt Marvelous is gone...

102

**00:**

it's obvious the Bad Omens  
are the best in the contest.

103

**00:**

Why not just declare us the winner now?

104

**00:**

Yeah, obviously.

105

**00:**

Jasper, get out of my face  
or the Bad Omens won't perform at all.

106

**00:**

You're making a big mistake, Russell.

107

**00:**

I didn't have to come back here.

108

**00:**

Especially after what happened  
to Wildwind last year.

109

**00:**

But I am back. And I intend  
to have my group win this time.

110

**00:**

I'm warning you.

111

**00:**

Let's get out of here.

112

**00:**

- How much of that did you hear, partner?  
- Enough.

113

**00:**

Jasper's never going to get over  
what happened to Wildwind.

114

**00:**

I can't believe it's been almost a year  
since they disappeared.

115

**00:**

From what you said about last night,  
it sounds like they're making a comeback.

116

**00:**

Maybe it's true what they say.

117

**00:**

About Wildwind being turned  
into vampires?

118

**00:**

Come on, that's just a local myth.

119

**00:**

What do you think happened  
to Matt Marvelous then?

120

**00:**

You saw the vampires  
with your own two eyes.

121

**00:**

I don't know what I saw, Russell.

122

**00:**

Well, the crew looked  
all over Vampire Rock.

123

**00:**

There's no sign of Matt or your vampires.

124

**00:**

Maybe my grandfather was right.

125

**00:**

Maybe we should postpone the festival.

126

**00:**

No way. We've both worked too hard  
to quit now, Daniel.

127

**00:**

You're right. And the show must go on.

128

**00:**

This kidnapping makes me nervous,  
Russell. Very nervous.

129

**00:**

There are the Scooby Snacks!

130

**00:**

Aren't you guys ever going to stop  
playing that game?

131

**00:**

Like I said before, nothing to look at  
but dust and trees.

132

**00:**

You'd be surprised, Shaggy,  
the outback is full of life.

133

**00:**

Oh, boy, I'll believe it when I see it.

134

**00:**

Just a few more miles, I mean kilometers.

135

**00:**

Anyway, we're almost there.

136

**00:**

It's amazing that they're having  
a music festival way out here.

137

**00:**

There it is, Vampire Rock.

138

**00:**

- Wow!

- It's spectacular.

139

**00:**

Man, we really are  
in the middle of nowhere.

140

**00:**

It says the locals call it Vampire Rock  
because they believe the Yowie Yahoo...

141

**00:**

lives in the rock's caves.

142

**00:**

The Yowie Yahoo?

143

**00:**

An ancient Australian vampire.

144

**00:**

We were wrong, Scoob.

There are Australian vampires.

145

**00:**

Next time I agree to go to a place  
named after a vampire...

146

**00:**

I need you to do me a favor, Scoob.

147

**00:**

What?

148

**00:**

Like, talk me out of it.

149

**00:**

Are we in the right place, Freddie?

150

**00:**

Uh-huh. This is it.

151

**00:**

What is it, Scoob?

152

**00:**

Like, very funny, Scoob.  
You almost had me going there.

153

**00:**

Like, what is it now?

154

**00:**

It's the Yowie Yahoo!

155

**00:**

Where?

156

**00:**

Come on, you two.  
We don't have time for games.

157

**00:**

It's no game. Scoob and I saw  
the Yowie Yahoo right over there.

158

**00:**

I already told you guys,  
there's no such thing as a vampire.

159

**00:**

Then what's making all that noise?

160

**00:**

Whatever it is, it's moving closer.

161

**00:**

Well, do something, Freddie.

162

**00:**  
It's the vampire!  
163

**00:**  
Do you guys hear that?  
164

**00:**  
Come on, gang, there must be  
somebody else around here.  
165

**00:**  
This way.  
166

**00:**  
Hey, the Hex Girls!  
167

**00:**  
I knew those tunes sounded familiar.  
168

**00:**  
It is you.  
169

**00:**  
Boy, are we glad to see you.  
170

**00:**  
What are you doing here?  
171

**00:**  
Well, we were on vacation.  
172

**00:**  
And we thought  
we'd check out the festival.

173

**00:**

Cool. We're opening the festival.

174

**00:**

How long have you guys been here?

175

**00:**

A couple of days. Why?

176

**00:**

Have you seen anything strange  
since you arrived?

177

**00:**

Strange?

178

**00:**

Like what?

179

**00:**

Like what? How about big,  
creepy and scary...

180

**00:**

I was wondering why the music stopped.

181

**00:**

We came to make sure you were all right.

182

**00:**

Of course we're all right.

183

**00:**

Why wouldn't we be?

184

**00:**

Just checking.

185

**00:**

Are you going to introduce us  
to your friends?

186

**00:**

Yeah. Daniel and Russell,  
these are our friends from America:

187

**00:**

- Fred, Daphne, Velma, Shaggy...  
- And Scooby-Doo.

188

**00:**

G'day.

189

**00:**

Welcome. Sorry we interrupted.

190

**00:**

We're trying to clear up some trouble  
before the festival starts.

191

**00:**

What's going on?

192

**00:**

The finalists in our unsigned-band  
contest are disappearing.

193

**00:**

Well, that's not good.

194

**00:**

Did you say, "disappeared"?

195

**00:**

The groups are bailing  
as quickly as they arrive.

196

**00:**

They hear Matt Marvelous  
has been kidnapped and go...

197

**00:**

from "g'day" to "good-bye."

198

**00:**

Kidnapped? By who?

199

**00:**

Maybe by a big, creepy and scary...

200

**00:**

Vampire.

201

**00:**

Daniel, I warned you  
terrible things would happen.

202

**00:**

Who was that spooky old man?

203

**00:**

That was my grandfather,  
Malcolm Illiwara.

204

**00:**

I meant spooky in a good way.

205

**00:**

You'll have to forgive him. He's very upset.

206

**00:**

I understand.

I'm pretty upset myself right now.

207

**00:**

What did your grandfather mean  
by "terrible things"?

208

**00:**

The Yowie Yahoo.

209

**00:**

You mean the vampire who lives in there?

210

**00:**

Yeah. Him and his vampire minions.

211

**00:**

Minions? You mean he has help?

212

**00:**

Well, so they say.

But there's no such thing as vampires.

213

**00:**

Don't you mean rock star vampires?

214

**00:**

That's Wildwind.

215

**00:**

I've seen groups like Wildwind  
in my parents' record collection.

216

**00:**

Yeah. Check out  
the makeup and costumes.

217

**00:**

This poster must be from a long time ago.

218

**00:**

Nope. The members of Wildwind are  
only a couple of years older than you.

219

**00:**

Wildwind wanted to bring glam rock back.

220

**00:**

They did an amazing song  
at last year's unsigned-band contest.

221

**00:**

Dark Skull played guitar,  
Stormy Weathers played bass...

222

**00:**

and Lightning Strikes was on drums.

223

**00:**

Wow! So you saw them perform?

224

**00:**

I sure did.

They deserved better than third place.

225

**00:**

What happened to them?

226

**00:**

After they lost the contest,  
they went up to Vampire Rock to camp.

227

**00:**

They were never heard from again.

228

**00:**

They just disappeared?

229

**00:**

The locals believe the Yowie Yahoo  
turned them into vampires.

230

**00:**

I'm with the locals.

231

**00:**

That would explain  
the big, creepy, and scary...

232

**00:**

All right, Shaggy, we get your point.

233

**00:**

There's no such thing as vampires.  
You said it yourself, Daniel.  
234

**00:**

Well, maybe not.  
But Daniel says he saw Matt Marvelous...  
235

**00:**

get kidnapped by three vampires  
who looked like Wildwind.  
236

**00:**

I never actually said, "vampires."  
237

**00:**

Do you have a better explanation?  
238

**00:**

Whoever or whatever they were,  
they were pretty convincing.  
239

**00:**

Now I don't know what to think.  
240

**00:**

When did this all start, Daniel?  
241

**00:**

Ever since I was a boy, my grandfather  
told me the Yowie Yahoo...  
242

**00:**

lived in Vampire Rock.

I never believed him.

243

**00:**

But in the past few months...

244

**00:**

there have been a lot of strange lights  
and sounds coming from up there.

245

**00:**

I'd love to find out what's really going on.

246

**00:**

Well, gang, it looks like we have  
another mystery on our hands.

247

**00:**

A mystery?

248

**00:**

We'll need to investigate this  
from the inside.

249

**00:**

And the best way to do that  
is to go undercover as a rock band.

250

**00:**

If we're lucky, the Wildwind vampires  
will try to kidnap us next.

251

**00:**

I don't want to be that lucky.

252

**00:**

That's a great idea, Freddie.

253

**00:**

I'm not so sure about this.

254

**00:**

They may be our only hope.

255

**00:**

I guess it could work.

Especially if it keeps...

256

**00:**

my pick to win the contest  
from getting kidnapped.

257

**00:**

And who's that?

258

**00:**

Two Skinny Dudes.

They haven't shown up yet.

259

**00:**

I know you've never seen them perform,  
but trust me, they're the real deal.

260

**00:**

So what do you say?

261

**00:**

Well, okay. But don't say I didn't warn you.

262

**00:**

Scoob and I wouldn't mind  
sitting this one out.

263

**00:**

Maybe the group should be a trio.

264

**00:**

Come on, you chickens.

265

**00:**

Luna, Dusk and I will help you  
look the part.

266

**00:**

Yeah, there's a wardrobe room backstage.

267

**00:**

This is going to be fun.

268

**00:**

I knew coming to a place  
called Vampire Rock was a bad idea.

269

**00:**

How do rock stars walk in these?

270

**00:**

Pretend they're high heels.

271

**00:**

I'm not good at those either.

272

**00:**

I don't know how well we'll play,  
but at least we look the part.

273

**00:**

I hope we don't have to play at all.

274

**00:**

I thought you loved to sing, Velma.

275

**00:**

Not in front of so many people.

I get stage fright.

276

**00:**

Well, I get vampire fright.

277

**00:**

Hey, look at this.

278

**00:**

Makeup?

279

**00:**

Stage makeup, actually.

So the audience can see you better.

280

**00:**

Matt Marvelous was a musician.

281

**00:**

Even so, I doubt he'd wear this color.

It's glowing white.

282

**00:**

And look at this, it's a footprint.

From a hiking boot to be exact.

283

**00:**

Wow, that's strange.

284

**00:**

How so?

285

**00:**

The print is sticky like glue.

But it's not glue exactly.

286

**00:**

I don't know what it is.

287

**00:**

You're the new competition?

288

**00:**

Yeah, we're taking Matt Marvelous'  
place in the contest.

289

**00:**

You must be Jasper Ridgeway.

290

**00:**

And you must be the Bad Omens.

291

**00:**

Russell warned, I mean, told us about you.

292

**00:**

Whoever heard of band with a dog in it?

293

**00:**

Why don't you amateurs take a break?

294

**00:**

Yeah, it's time for a real band to play.

295

**00:**

Let's go, gang, we need to set up camp  
for the night anyway.

296

**00:**

Camping? How primitive.

I choose to travel...

297

**00:**

in a fully furnished, air-conditioned trailer.

298

**00:**

Russell told us about another band  
you used to manage, Wildwind.

299

**00:**

Yes, they were true superstars.

300

**00:**

I had such high hopes for them.

301

**00:**

Until that fateful night last year.

302

**00:**

I don't like to talk about it.

It's just too upsetting.

303

**00:**

Well, back to the trailer.  
I can't take this heat any longer.

304

**00:**

Enjoy your rehearsal.

305

**00:**

Stupid golf cart!

306

**00:**

Nice to meet you, too.

307

**00:**

Let's get out of these costumes  
and start looking for clues.

308

**00:**

And get you into more comfortable shoes.

309

**00:**

I think we may have just met  
our so-called vampires.

310

**00:**

The Bad Omens?

311

**00:**

Exactly.

312

**00:**

Jasper Ridgeway seems the kind of guy  
who'd do anything to have his band win.

313

**00:**

You think he put them up to it?

314

**00:**

The makeup the Bad Omens were wearing  
looks like the stage makeup I found.

315

**00:**

Maybe we should talk to Daniel  
and Russell and find out more about them.

316

**00:**

I bet Jasper's trailer could tell us  
a thing or two.

317

**00:**

Yeah, let's check it out.

318

**00:**

Shaggy and Scooby, you see  
what you can dig up around here.

319

**00:**

We'll leave no snow cone,  
I mean, stone unturned.

320

**00:**

Jasper wasn't kidding when he said  
he travels in style.

321

**00:**

We've got to get a look inside.

322

**00:**

How are we going to do that?

323

**00:**

We need to lure him out.

And I've got a plan.

324

**00:**

Fred?

325

**00:**

Wait, this is brilliant.

326

**00:**

I'm going to go off  
into those bushes over there...

327

**00:**

and imitate the call  
of the wild kookaburra.

328

**00:**

But, Fred...

329

**00:**

Hold on, Velma, I'm on a roll.

330

**00:**

Now, Daphne, I want you  
to disguise yourself...

331

**00:**

as an aboriginal medicine woman and...

332

**00:**

- Fred!

- What?

333

**00:**

Or, we could just use the front door.

334

**00:**

Or that.

335

**00:**

All clear.

336

**00:**

This is better than a museum.

337

**00:**

Whoa. Totally retro.

338

**00:**

You're telling me.

339

**00:**

Look, it's a waterbed.

340

**00:**

Seems like Jasper can't let go of the past.

341

**00:**

In more ways than one.

342

**00:**

Come on, girls, we've got to work fast.

Jasper could show up at any minute.

343

**00:**

There's so much stuff in here...

344

**00:**

it's going to be hard to tell the clues  
from the collectibles.

345

**00:**

Jinkies! I think I already found one.

346

**00:**

Great work, Velma.

347

**00:**

This looks exactly like the costume...

348

**00:**

Dark Skull of Wildwind wore  
in that poster.

349

**00:**

The costumes for Lightning Strikes  
and Stormy Weathers are in here, too.

350

**00:**

So Jasper Ridgeway has reproductions  
of all the Wildwind costumes.

351

**00:**

Interesting.

352

**00:**

They call this Australian bread "damper."

353

**00:**

But it's sure not putting  
a damper on my appetite.

354

**00:**

What's next, old buddy?

355

**00:**

Vampires.

356

**00:**

Now I'm not hungry at all!

357

**00:**

What the...

358

**00:**

What is that?

359

**00:**

Gosh, what happened here?

360

**00:**

What's with all this smoke?

361

**00:**

It burns my eyes.

362

**00:**

It smells so sweet, like cotton candy.

363

**00:**

Cotton candy?

364

**00:**

Shaggy and Scooby?

365

**00:**

What happened to the Bad Omens?

366

**00:**

The Yowie Yahoo and  
the Wildwind vampires...

367

**00:**

showed up and band-napped them.

368

**00:**

Scoob and I thought we were next.

369

**00:**

There goes our prime suspects.

370

**00:**

You actually saw  
the Wildwind vampires, Shaggy?

371

**00:**

We both did.

372

**00:**

What did they look like?

373

**00:**

Exactly like the guys on that poster,  
only scarier.

374

**00:**

And they had those creepy red eyes.

375

**00:**

Yeah, red.

376

**00:**

Well, whoever it was,  
they kidnapped the Bad Omens.

377

**00:**

Kidnapped? Not again.

378

**00:**

The Bad Omens can't be kidnapped.  
They need to win the contest.

379

**00:**

It's a good thing you weren't here.

380

**00:**

Those vampires would have flown off  
with you, too.

381

**00:**

I wish they had.  
Now I'll be plagued by guilt.

382

**00:**

I should have stayed with them  
instead of going back to my trailer.

383

**00:**

Trailer...

384

**00:**

What happened here?

385

**00:**

My band is gone!

What are we going to do?

386

**00:**

There's strength in numbers.

387

**00:**

Let's get the Hex Girls and Russell,  
and then camp in one group.

388

**00:**

Russell already went home,  
along with all the other festival staff.

389

**00:**

I wish I could say the same thing.

390

**00:**

And if the vampires come back  
when we're sleeping, what then?

391

**00:**

We can take turns standing watch.

392

**00:**

And you guys have the first tour of duty...

393

**00:**

which starts now.

394

**00:**

Would you each do it for a Scooby Snack?

395

**00:**

Or maybe two Scooby Snacks?

396

**00:**

There might be room in my tummy  
for a Scooby Snack or two.

397

**00:**

How about you, Scoob?

398

**00:**

Yeah, Scooby Snack!

399

**00:**

Everyone get some rest, because  
you're being watched over by the best.

400

**00:**

Not again!

401

**00:**

It's the vampires!

402

**00:**

Run!

403

**00:**

The vampires are in a motorcycle gang?

404

**00:**

You're not vampires. Who are you?

405

**00:**

Two Skinny Dudes.

406

**00:**

Like, me, too.

407

**00:**

We're the band Two Skinny Dudes.

I'm Barry and this is my brother Harry.

408

**00:**

Finally. I've heard so much  
about you from Russell.

409

**00:**

Glad you made it here all right.

410

**00:**

Why wouldn't we?

411

**00:**

Some of the other bands  
have been kidnapped.

412

**00:**

By vampires.

413

**00:**

If you weren't kidnapped,  
where have you been?

414

**00:**

Exploring Vampire Rock.

415

**00:**

We liked it so much,  
we decided to camp up there.

416

**00:**

But we didn't see a single vampire.

417

**00:**

Matt Marvelous and  
the Bad Omens sure did.

418

**00:**

The other finalists got so scared  
they all drove back to Sydney.

419

**00:**

That means we're the only ones left?

420

**00:**

Does this mean we win the contest?

421

**00:**

Not quite. We had a last minute entry.

422

**00:**

What do you think?

423

**00:**

Keep working on it.

424

**00:**

What's all the racket?

Did you find my band?

425

**00:**

No, but we found another one.

426

**00:**

Jasper, meet Two Skinny Dudes.

427

**00:**

Two Skinny Dudes.

428

**00:**

Russell tells me you're the next big thing.

429

**00:**

You boys have a manager?

430

**00:**

No.

431

**00:**

Groovy.

432

**00:**

Why don't you come into my trailer...

433

**00:**

and let me tell you what I can do  
for your careers.

434

**00:**

Jeepers. He works fast.

435

**00:**

Jasper seemed to forget about  
the Bad Omens pretty quickly.

436

**00:**

We should get going.

437

**00:**

We've still got two missing bands  
out there...

438

**00:**

and the concert starts tonight at 6:00.

439

**00:**

What's with all the noise?

440

**00:**

How are we supposed to rest  
for the show tonight?

441

**00:**

In other words, would you mind?

442

**00:**

Divas.

443

**00:**

I pulled up more research on vampires.

444

**00:**

Anything on how to avoid them?

445

00:

You can ask my grandfather.  
He knows all about the local legends.

446

00:

Especially the Yowie Yahoo.

447

00:

Let's see.

448

00:

"Vampires hate sunlight.

449

00:

"They can't cross running water."

450

00:

**And get this:**

puts under his control...

451

00:

"the greater his power becomes."

452

00:

That would explain why the Yowie Yahoo  
is having Wildwind kidnap people.

453

00:

That is, if you believe he's real.

454

00:

It also says, "Vampires don't appear  
on film when their pictures are taken."

455

**00:**

Maybe they're just camera shy.

456

**00:**

Here we are, Fred. Up there.

Ahead on the left.

457

**00:**

Grandfather, these are  
some friends of mine.

458

**00:**

Fred, Daphne, Velma, Shaggy and Scooby.

459

**00:**

Yes, I saw you at the festival.

460

**00:**

They're here to help with our problem.

461

**00:**

What's the deal with the smoke signals?

462

**00:**

There's a tribal council meeting  
later today.

463

**00:**

I'm letting the others know.

464

**00:**

You could just use the phone, Grandfather.

465

**00:**

We've always used smoke signals  
to announce tribal council meetings.  
466

**00:**

The smoke smells really good.  
What are you burning?  
467

**00:**

The wood is from the red gum tree.  
We use its flowers to make honey.  
468

**00:**

That red gum over there is in full bloom.  
469

**00:**

It is good of all of you  
to take me to the council meeting.  
470

**00:**

Daniel was telling us that you know...  
471

**00:**

all about the Yowie Yahoo legend,  
Mr. Illiwara.  
472

**00:**

Please, call me Malcolm.  
473

**00:**

I can tell you many things  
about the Yowie Yahoo, young lady.  
474

**00:**

But, you may not like what you hear.

475

**00:**

Can you tell us what happened  
to Wildwind?

476

**00:**

Wildwind foolishly went up  
to Vampire Rock after dark.

477

**00:**

They were easy prey for the Yowie Yahoo.

478

**00:**

Just like all the people attending  
the festival will be.

479

**00:**

So what can we do to keep him and  
his rock-star pals away?

480

**00:**

According to legend, the only thing  
that can destroy a vampire is sunlight.

481

**00:**

According to legends, Grandfather.

482

**00:**

It's believed they also fear the dingo.

483

**00:**

They could be your distant cousins,  
Scoob. See if they'll help us out.

484

**00:**

Don't bother me, Scoob!

485

**00:**

Looks like vampires aren't  
the only monsters around here.

486

**00:**

That crocodile almost had  
his very own Scooby Snack.

487

**00:**

Thank goodness he didn't.

488

**00:**

I scheduled your group to perform tonight.

489

**00:**

Perform?

490

**00:**

Right after the Hex Girls.

491

**00:**

We hope you'll come, Malcolm.

492

**00:**

I can't.

493

**00:**

Not when I believe the festival  
shouldn't take place at all.

494

**00:**

I know how you feel, Grandfather.

But I've got a show to do.

495

**00:**

Smoke!

496

**00:**

They're answering

one of my smoke signals.

497

**00:**

It's my friend on the other side

of Vampire Rock.

498

**00:**

We're almost there.

499

**00:**

Can you show me how to do that?

500

**00:**

If the vampires come back, I want

to send an S.O.S. "Save our Shaggy."

501

**00:**

iOne, two, three, four!/i

502

**00:**

- Jinkies!

- There really is a Yowie Yahoo.

503

**00:**

That's what I've been trying to tell you.

504

**00:**

No. Not now!

505

**00:**

You're ruining our encore.

506

**00:**

The Hex Girls are in trouble!

507

**00:**

Now what?

508

**00:**

They must be heading to Vampire Rock.

509

**00:**

We need to go after them.

510

**00:**

Great idea, Fred!

511

**00:**

While you're gone, Scoob and I  
will practice our number.

512

**00:**

iWeren't the Hex Girls terrific?/i

513

**00:**

iWe'll be taking a short break./i

iSee you real soon./i

514

**00:**

What are we going to do?

515

**00:**

Maybe my grandfather was right.

Where's Russell?

516

**00:**

We've got to cancel the rest of the show.

517

**00:**

Not yet.

518

**00:**

I've got a plan that will end this  
once and for all.

519

**00:**

Now here's what we do.

520

**00:**

I knew Vampire Rock was big,  
but not this big.

521

**00:**

It's going to be harder finding  
the Hex Girls than we thought.

522

**00:**

We need to split up.

523

**00:**

Daphne, Velma, and I will head this way.

524

**00:**

Shaggy and Scooby,  
you circle around in the other direction.  
525

**00:**  
Vacation has really brought us  
closer together.  
526

**00:**  
It's a shame to split up now.  
527

**00:**  
Vampire Rock seems to be just that.  
Solid rock.  
528

**00:**  
There's got to be a way in somehow.  
529

**00:**  
You were saying?  
530

**00:**  
We've walked all the way  
around this creepy rock.  
531

**00:**  
What was that?  
532

**00:**  
Quit kidding around, Scoob.  
533

**00:**  
Dingo dogs!  
534

**00:**

Secret passages always lead somewhere.

535

**00:**

Right now, we should be experiencing  
total cave darkness.

536

**00:**

But we're not, so...

537

**00:**

There must be light coming  
from inside the cave.

538

**00:**

Over there!

539

**00:**

Wow! I was expecting a vampire's lair  
to be more...

540

**00:**

I don't know, spooky.

541

**00:**

It's like an underground warehouse.

542

**00:**

These lanterns didn't light themselves.

543

**00:**

Right, Velma.

544

**00:**

They're only big enough

to hold a few hours worth of oil.

545

**00:**

That means, someone had to be here  
a little while ago.

546

**00:**

They also used the equipment.  
This fan is still warm.

547

**00:**

And so is this light.

548

**00:**

This equipment's been used all right.

549

**00:**

The question is why?

550

**00:**

And where?

551

**00:**

And by who?

552

**00:**

No coffins?

553

**00:**

Fred! Velma!

554

**00:**

We can't run. We can't climb.

555

**00:**

How are we going to get out of here?

556

**00:**

Good try, buddy, but we need a miracle.

557

**00:**

Like I said, a miracle.

558

**00:**

Or Daphne doing a dive off a cliff.

559

**00:**

- That's a 10!

- Thanks, guys.

560

**00:**

What a mess.

561

**00:**

You think Daphne's in here?

562

**00:**

If she is, she's not alone.

563

**00:**

I'm going to check down here.

564

**00:**

Daphne!

565

**00:**

My glasses.

566

**00:**

I lost my glasses.

567

**00:**

Thanks, Freddie.

568

**00:**

I was getting worried.

569

**00:**

Now I am worried.

570

**00:**

Velma! Did you find Daphne?

571

**00:**

Wherever Daphne is...

572

**00:**

she's a lot safer than we are.

573

**00:**

Run!

574

**00:**

And he was hanging upside down.

Then he took off after me.

575

**00:**

Come on,

we've got to find Fred and Velma.

576

**00:**

Or they could find us.

577

**00:**

Fred! Velma! You're all right.

578

**00:**

Not if we don't get out of here.

579

**00:**

I need a vacation from this vacation.

580

**00:**

It's the Yowie Yahoo!

581

**00:**

Come on! Everyone over the bridge!

582

**00:**

If there was ever a time  
not to be calm, this is it!

583

**00:**

Scooby! Get back here!

584

**00:**

The Yowie Yahoo sure is full of hot air.

585

**00:**

Freddie, are you okay?

586

**00:**

Now I know how my socks feel  
in the dryer.

587

**00:**

I feel the same way, Scooby.

588

**00:**

It's the dingo dogs!

589

**00:**

They're getting away!

590

**00:**

They've got to get inside  
before the sun comes out.

591

**00:**

Scoob, tell your cousins,  
"Don't leave us here with the..."

592

**00:**

Yowie Yahoo!

593

**00:**

Hang on tight, guys.

594

**00:**

Fred, do we have a choice?

595

**00:**

The sun is almost up.

596

**00:**

The Yowie Yahoo has to get inside  
Vampire Rock, too.

597

**00:**

If he doesn't, the sun will destroy him.

598

**00:**

Scooby, you did it!

599

**00:**

You defeated the Yowie Yahoo.

600

**00:**

He sure didn't go quietly.

601

**00:**

How about that, Scooby?

You're an honorary dingo.

602

**00:**

Dingo? Hooray!

603

**00:**

But what about the Hex Girls?

604

**00:**

We could just ask the vampires  
where they are.

605

**00:**

Quick! Over the bridge!

606

**00:**

Don't worry, gang. I've got you!

607

**00:**

As long as you've got us and they don't!  
608

**00:**  
The sunlight destroyed the Yowie Yahoo.  
Why isn't it destroying Wildwind?  
609

**00:**  
You want to stop and ask them  
or keep on running?  
610

**00:**  
No thanks.  
611

**00:**  
We just crossed running water.  
612

**00:**  
The vampires shouldn't be able  
to follow us.  
613

**00:**  
Didn't those vampires read the rule book?  
614

**00:**  
Now!  
615

**01:**  
Nice work, Daniel.  
616

**01:**  
I didn't think anything  
would stop those vampires.  
617

**01:**

That's because they're not real vampires.

618

**01:**

If they were,  
they wouldn't have been captured on film.

619

**01:**

Jolly good work.

620

**01:**

You've snared the vampires.

621

**01:**

Now we can find out  
what happened to the bands.

622

**01:**

At first we thought  
the Bad Omens were behind all this.

623

**01:**

But when they disappeared,  
we had to search for new suspects.

624

**01:**

Well, I'll be. Two Skinny Dudes.

625

**01:**

That's two vampires. Who's the third?

626

**01:**

Russell!

627

**01:**

Russell, you were my partner.

This doesn't make any sense.

628

**01:**

I'm with Daniel.

629

**01:**

Nobody say anything.

630

**01:**

That's fine.

631

**01:**

We can do all the talking and still  
get to the bottom of this mystery.

632

**01:**

It took us a while  
to put all the pieces together.

633

**01:**

When we saw Jasper getting so chummy  
with the Two Skinny Dudes...

634

**01:**

we thought he might be the third vampire.

635

**01:**

Me?

636

**01:**

I could never wear all that makeup.

637

**01:**

I've got very sensitive skin.

638

**01:**

You managed the Bad Omens, Jasper.

639

**01:**

We thought you took  
some of their makeup...

640

**01:**

so you and the Two Skinny Dudes  
could copy Wildwind's glam rock look.

641

**01:**

We also paid a visit to your trailer  
when you said you'd be there.

642

**01:**

You were nowhere to be found.

643

**01:**

That's not a crime.

644

**01:**

Okay. Confession time.

645

**01:**

I wasn't in my trailer...

646

**01:**

because I was meeting with  
the Hex Girls about being their manager.

647

**01:**

I didn't want the Bad Omens  
to find out what I was doing.

648

**01:**

But that doesn't explain why you have  
costumes like the ones Wildwind wore.

649

**01:**

Wildwind was the greatest band  
I ever managed.

650

**01:**

I had those costumes made to remind me  
of all the good times we had together.

651

**01:**

I wish I knew what happened to them.

652

**01:**

Why don't you ask them yourself?

653

**01:**

What the...

654

**01:**

Okay. Now I'm really confused.

655

**01:**

Me, too.

656

**01:**

Recognize them now?

657

**01:**

I don't believe it. Wildwind, you're alive.

658

**01:**

We should have won  
that contest last year.

659

**01:**

When we didn't, we decided to disappear.

660

**01:**

iWe thought disappearing mysteriously/i  
iwould help our careers./i

661

**01:**

iThen we remembered the contest rules.../i

662

**01:**

imeant we couldn't enter again./i

663

**01:**

iWe planned on making/i  
ia triumphant return.../i

664

**01:**

iat this year's unsigned-band contest./i

665

**01:**

Right. That's when you made  
a plan to get around those rules...

666

**01:**

and make sure you'd win  
this year's contest.

667

**01:**

iWith Dark Skull already posing/i

ias Russell.../i

668

**01:**

iStormy Weathers and Lightning Strikes/i

ibecame the Two Skinny Dudes.../i

669

**01:**

ian unsigned band in the contest./i

670

**01:**

iThe three of them took advantage/i

iof the local legend surrounding them.../i

671

**01:**

iand disguised themselves as vampires./i

672

**01:**

iThey planned to kidnap/i

iall the other bands in the contest./i

673

**01:**

iThen, Two Skinny Dudes/i

iwould be declared the winner./i

674

**01:**

iBut the crowd wouldn't see/i

iTwo Skinny Dudes close out the festival./i

675

**01:**

iInstead, Wildwind would come on stage/i

iand perform./i

676

**01:**

They hoped the attention  
from closing the show at Vampire Rock...

677

**01:**

would make their careers take off.

678

**01:**

I'm starting to get it.

679

**01:**

But if they're not vampires,  
how did they fly?

680

**01:**

Easy, Shaggy.  
Their mountain-climbing equipment.

681

**01:**

iThey rigged it to the stage so they could/i  
iswoop down and kidnap the acts./i

682

**01:**

This is all very interesting.

683

**01:**

But will somebody please tell me  
where the Bad Omens are?

684

**01:**

That's one answer we don't have.

685

**01:**

We sent them and Matt Marvelous  
on diving trips to the Great Barrier Reef.

686

**01:**

All expenses paid. They were thrilled.

687

**01:**

You should have just asked us.

I've been wanting to leave since I got here.

688

**01:**

We didn't really kidnap anybody.

689

**01:**

What about the Hex Girls?

They weren't your competition.

690

**01:**

But you were.

691

**01:**

We knew you would come after them...

692

**01:**

giving us the chance

to send you on your way as well.

693

**01:**

Where are the Hex Girls now?

694

**01:**

Don't worry.

695

**01:**

We're fine.

696

**01:**

Thorn, Dusk, Luna! You're all right.

697

**01:**

Those creepy guys took us back  
to their hideout in Vampire Rock.

698

**01:**

They offered us a free trip if we  
would leave the festival, but we refused.

699

**01:**

So they took us into the outback  
and left us there.

700

**01:**

They knew we'd keep looking  
until we found you...

701

**01:**

making us miss our chance to perform.

702

**01:**

And leave Two Skinny Dudes  
as the only group left in the contest.

703

**01:**

How did you find your way back here?

704

**01:**

We wandered around the outback  
for hours, until Malcolm found us.

705

**01:**

The way they were dressed,

I first thought they were vampires, too.  
706

**01:**  
There are no vampires, Grandfather.  
707

**01:**  
Daniel's right, Mr. Illiwara.  
Wildwind is definitely human.  
708

**01:**  
They used smoke whenever they flew,  
so no one could see their climbing ropes.  
709

**01:**  
You helped us figure that part out, sir.  
710

**01:**  
They burned wood from the red gum tree,  
making sweet smoke like your signals.  
711

**01:**  
And like, that's why we also found  
a boot print made from red gum on stage.  
712

**01:**  
What about the Yowie Yahoo?  
713

**01:**  
iWe've got an explanation for that, too./i  
714

**01:**  
iI'm sure you do./i  
715

**01:**

iWildwind spent a lot of time/i  
iperfecting their act./i  
716

**01:**  
iThey're masters of special effects./i  
717

**01:**  
iThey used pictures of the Yowie Yahoo/i  
ito help pull off their hoax./i  
718

**01:**  
iThey placed the pictures/i  
ion holographic disks./i  
719

**01:**  
iWhen light was shined through the disks.../i  
720

**01:**  
ithree-dimensional images/i  
iof the Yowie Yahoo were created./i  
721

**01:**  
iThese images could be beamed anywhere/i  
ito help Wildwind with their plan./i  
722

**01:**  
iTo make the Yowie Yahoo/i  
ieven more realistic.../i  
723

**01:**  
ithey added fire, wind and explosions./i  
724

**01:**  
So because he was just a projection...  
725

**01:**

the sunlight reflecting off Scooby's tag  
made the Yowie Yahoo disappear.

726

**01:**

Bingo, Shaggy.

727

**01:**

Thanks to Scooby,  
we were able to solve the mystery.

728

**01:**

I'm sorry, Daniel...

729

**01:**

for letting my belief in the vampire legend  
get in the way of your show.

730

**01:**

Wildwind had us all fooled, Grandfather.

731

**01:**

And we would have gotten away with it,  
too, if it weren't for you meddling kids.

732

**01:**

Since all the other bands in the contest  
are eliminated...

733

**01:**

that makes you guys the winner.

734

**01:**

Does that mean what I think it means?

735

**01:**

iAnd now I'd like to introduce the final act/i  
iin this year's Vampire Rock Music Festival./i

736

**01:**

iBut first, did everyone have a good time?/i

737

**01:**

iI said, did everybody have a good time?/i

738

**01:**

I'm not having a good time.

739

**01:**

Come on, Velma, this is going to be fun.

740

**01:**

But there's so many people. Besides,  
we don't even have a name for our group.

741

**01:**

Name?

742

**01:**

iAnd now, help me welcome/i  
ithe Meddling Kids!/i

743

**01:**

Meddling Kids?

744

**01:**

Works for me!
