By Paul Caimi

CHRISTMAS EVE, 1971

there will be a full moon,
and a starry sky for

The temperature in this
time is - 21, brrrr.
Well let's hear "The Christmas Fever".
Mommy, what time is it?

It's almost 4:

First we see the grandfather.

- Mom?

- Yes, Billy.

What time santa claus come?

Not before we are all in bed asleep.

I can not stay awake to see it?

I would not do if I were you.

It is bad to stay awake after bedtime.

The Santa Claus does not bring gifts for the bad boys.

And if you get home

before my bedtime?

We, dear.

Do not worry.

Santa Claus will bring you a big surprise tonight.

Wait and see.

This has always been

one of my favorites.

Call us if you want to ask some topic

special that we have not played for you.

CLINICAL MENTAL UTAH

I already took your father

to the recreation room.

Here.

Father?

Can you hear me?

It's me, Dad,

Jimmy.

Daddy, I am. Ellie.

We brought Billy and the little Ricky too.

Because the grandmother did not say anything?

He does not hear us, dear.

Nobody knows

we are here.

So what we came here?
Billy ...
He is much worse.
I have the data from your father, Mr. Chapman.
We review them in my office.
Awaits us here, okay, honey?
The father and I went back quickly.
Do not worry.
The grandfather is not going to hurt you.
Grandpa?
Mommy!
Silence.
For the want?
She can help you.
Nobody can.
You asustado, are not you?
And you should be.
Christmas Eve is the night
most terrifying of the year.
I would also be
if you scared.
You know what happens
on Christmas Eve?
Know who is Santa Claus?
He brings presents to all
boys and girls good.
Your father told you that, right?
Well, let me tell you something ...
The only Santa Claus brings gifts ..
who has been good throughout the year.
Those who have done nothing wrong.
To all others ...
The all bad ...
he punishes them.
And you my little?
You've been good all year?
If you see Santa Claus tonight
be better that you run, boy.
It is best that you run for your life!
It's time to go home, Billy.
Papa ...
We have to go. Nodes ..
Come back soon to see it.
Come on, son.

From now on I am more careful. Promise.
Mom, did you ever misbehave when you were little?
Once or twice.
And ever the father chastised you care?
- ?De Where did you get that idea?
- Do grandfather.
Grandfather?
The grandfather said that Santa Claus will punish me.
Do you think the father spoke to him?
I do not see why Billy mentir?a.
Perhaps we should call Dr. Conway.
Not want him to come!
I'm afraid!
- Who, dear?
- Santa Claus!
Honey, you have nothing to fear.
The grandfather said that Santa Claus would punish me.
Billy, calm down.
The grandfather is just an old fool.
Mom, you should not have said it.
It is bad to say bad things about older people.
Santa Claus will punish thysself.
Ho, ho, ho. It is not enough that crap on the radio ...
now I have even come to my store.
What is the problem? Not like Santa Claus?
It's good for business
and bad for my stomach.
I'm not very sentimental, you know?
What parish are you?
Because rays do it?
I'm robbing you, asshole!
Put the money in the bag.
Okay.
So it's all just sentimentality, right?
There are also genuine greed. Not?
\$ 31.
Merry fucking Christmas!

I think I saw something there,
the edge of the road.

It's there again. See?

There is someone there, that's right.

What would someone standing
here in the middle of ...?

- Are in disguise.

- You should go the way of a party.

DECEMBER 1974

SANTA MARIA:

Home for orphan boys

Well, gora,

Who's next?

Oh, yes.

We have not seen the

your drawing, Billy.

Billy.

Billy!

Answer me!

- There.

- Come on, Billy.

Come here and put your design
in the table with others.

Put it in position and

I put scotch tape.

Sister, look!

Billy, now that low!

Young, goes to Mother Superior
and shows you what you did.

Walking!

Explain this to me, do you want?

- Sorry, Mother Superior.

- Really?

Not believe it, but you will feel.

You'll learn what it means to feel something.

- Now go to the room and stay there.

- Yes, Mother Superior.

Until I tell you that you can leave.

Well ..

Finally got it desired

Abbess.

Evidence.

- Of what, sister. Margaret?

- From what I have been saying.

What does it

remains inside.

All that violence

terrible that he saw.

- The drawing shows clearly that.

- I do not care what you think.

I thought I had finally

understood it.

Just because something bad

happened to their parents,

that he knows nothing,

is no reason to allow it

do what you want.

He must be taught!

But the memory is still there,

Abbess. Waiting to leave.

And if it does, it has received

training appropriate

he knows how to handle it.

But if it continues,

may be too late.

It seems to be worse for him
each Christmas that passes.

Well ..

Is it not more so.

I will take care of
boy personally.

- He needs help, Mother Superior.

- And will have it!

That has a good day, sister.

Good morning, Mother Superior.

I think you have closed
here too long.

Why not salts and helps us
build a snowman?

No, I can not.

Look, Billy.

Mother Superior only
the best for you.

And I think the best for you is out
and play with other kids, yes?

- Yes, sister.

- Okay.

You, your dirty devil!

They will pay for it.

Do not go away.

Demon, you will receive your punishment.

- Devil! Toma!

Sorry,

- Toma! Toma!

- Please do not

Toma! Notes

William!

Do not blame Mother Superior.

I told him that he could ...

Do not mess, sister Margaret.

William, come here.

Billy! What happened?

- Your brother is crazy, is it.

- There is nothing! Remove what you said!

Boys!

What you saw up there, William?

Nothing, Mother Superior.

- You know what they were doing?

- No, Mother Superior.

Boem.

What were doing is something
very, very bad.

They thought they could do it
without being discovered.

But when we do something bad,
are always discovered.

And then we are punished.

The punishment is absolute.

The punishment is necessary.

- The punishment is good.

- Yes, Mother Superior.

- Given away your room, William.

- Yes, Mother Superior.

Very, very bad.

Now go to bed
and stays there.

Daddy!

Please let me out.

Sister Margaret.

- Let me out!

- Leave him alone.

Please let me out.

Let me out!

Sister Margaret.

Let me out of here!

Let me out of here.

Let me out of here!

Let me out of here!

Please let me out of here!

Sister Margaret.

Let me out of here!

Please!

Sister Margaret ...

I only see where greed
should be gratitude.

Are you ready to behave
appropriately, William?

Yes, Mother Superior.

Go get your gift.

No more
problems with it.

You will see that although

Work my methods.
And it will improve when the Christmas spending?
Always happens.
But is not over, sister.
There is still a home visit

William will sit

What the hell is going on
with that kid?

Did not want ...
I do not want to misbehave.

There must be some work
that can give this guy.

not for a boy.
It is in the warehouse, loading boxes.
It is a work
for a boy.
I guess not.
I regret not having been able to help.

Well, do not expect a boy

Glad you understood.
