APPOINTMENTS DURING THE WEEK

Gretchen Gregorski, known
as a film critic,
pronaena was brutally murdered in
his office early this morning.

The report found nepotvrenom,
body parts that are not pronaeni.

It is still neuraunjivo.

Indeed uznemirujue.

- They want us utkaju, do you know?

- Yes.

Because we artists, telling the truth.

They want to make us
to fight for
with capitalism crumble
their table.

Yes, they only care about
para. Do not appreciate real art.

What are you working in your movie?

Actually I shoot video.

Video?

- Experimentally.

It's about television,
as the present's largest
Time Wasters.

Moan and influential medium,
that attacks almost every home.
My film is a collage of pictures
proves the thesis that up.

- Collage?

- What are you working in your film?

The eerie study abundantly watered
blood. My best work ever.

I will not allow
me that you sputava!

Now, we start with
eliminating suspects.

What the heck you svemonog
do you think? Get out!

Honey, get up. Our
confession is interrupted.

Get out of my

Limo! Get out!

Believe me when I say:

We do not want to spend time with
you more than necessary.

Just answer a few
questions to our satisfaction,
and we go our way.

- For news, Mr. Boone...

Reverend Boone. That

I want to say...

Wait a minute. News? You
the reporter from the channel...

With channels "Reverend Boone
enjoys smoking, in a limo
by strippers, on account.

The Church. "If you do not respond
questions.

- Oh, wait a little child...

- I...

- Concentrate, Reverend.

- To concentrate...?

Where were you in the past
uvea Tuesday at 23:00 pm?

I was right here, on this street!

Brought God's word, those
most in need.
You can ask anyone
from members of my flock.
Or any client temple harlotry.
I looked at all the eyes,
that came out of the house of shame.
Sublime is ridiculous.
Proveriamo your story.
Thank you for your
time, Reverend.
I go the hang of this.
I think now should I say,
You can scream
as much as you want.
Lonako you will not hear none.
The walls are thick, the room has
own ventilation system.
In addition...
The only person who has
I come here just me.
All recorded through
video camera today.
You know, those little tapes...
Without imagination, without
shape, composition.
This is really real.
I will not be detained by
by a patriot!
Show you for this!
It can not be...
I can not believe...
"Trillion Kosih Tower".
Einsporough Gordon, 1943.
He died at the premiere.
They said it was
pubuna, and he was killed.
Apparently the film
potstakao audience on crime.
And there is.
I thought they were
all copies destroyed.
But, that is.
Something we were together.

Thank you, Mitsy.

This is...

Ah, Able. Genius,
that I was looking for.

Come with me.

- Able, what do you think about karate?

- Well...

Yes. Larly exotic is exciting
is NEXT big thing.

Able, do you know the number of
karate school in America?

No.

- Of course you do not know.

It's my job.

But listen... Complete
this bad situation...

Breaking bricks on his head
situation, great for kids.

We have to razmiljmo
the public tomorrow.

Able, the casting I razmiljao
the "deadly toy 2".

- We already produced by Ozzie.

- Of course, this is a creative challenge.

- But the kid...

- A child?

Prior will be a nine-year
karate champion.

Won competitions all over. His
parents are my friends.

Believe me the word: the
kid's gonna be something big.

I think it's "Deadly
Toy 2 "be a good start
for his career.

Ozzie, in this film

There is no room for the boy.

I do not want to do that!

Able, does not make yourself replaceable.

I think I understand, is
not? Or do you want in writing?

You can not do that. It
my film. This is my movie!

There should be less that

You read "film" or "Cinema"
You read a longer contract.
You see... I'm not your friend.
I'm not your partner.
I am your boss.
Why am I doing, Ozzie?
Because I can.
You need to hit his fist on the
table, to change a bit, Able.
People will even forget that you can.
When uem the room, people
should worship.
So, if a kid
remains in the film?
Morau to talk with the writer.
It's true spirit, Able!
Forget the awards. Just
Give something to fill coffers.
Move out of the way!
Able, we need to talk.
Ugi.
- You can not just let go
me and my team!
- We have a contract!
- Calm down, sit down.
Do not let the door,
to bite your ass.
And then we'll talk.
Able, for what would you get that
knife. Able? Able? Ableee!
As for the subject Grobera...
Is it a first or last name?
- Odkud I know?
- Never mind.
It seems that Grober,
if so called,
suffer from some type
post-war trauma.
From the war.
- What kind of war?
- Shit, gospoo. From the war.
It looks like a single
habit of fallen soldiers plastics,
which is actually a kind of

traumatic recreation.
What do you say?
I heard that he burned his
People after they died.
He used the petrol which
They burned wood, and lit them.
Do they not be cold.
I heard that he spent the whole night
spaljivajui outside bodies.
Only he and a bunch of burned corpses.
After all this crazy
to burn something.
Returns from kenjare and
something you can be sure.
Only we had done
service, I do not mix.
Smithy, watch out
bar. I have to serem.
Doors, gospoice Carson!
What is it? You play with
soldiers as a little child?
Skrivajui of eyes
the world with fire!
You are a coward! Come on,
guy! Cry! So, whether you crying?
We eliminate the certainty
Grobera from the list of suspects.
- And where it leads us?
- Originally, anywhere.
But we have a new candidate
directors of all this.
It is called extreme
unusual. Able Whitman?
Let's go to it naemo!
I'm going to be naem,
gospoice Carson.
As long as more than
help behind the scenes.

KILL OZZIJA:

(/ Script describes a scene from
club, as it was before /)
I got some ideas
Recently, Alan.

I see, Able.
It's pretty big changes here.
I think here
missing bit of text...
Everything stems from one another,
After a lot of things become important.
This is called "inspiration", Alan.
Well, I guess I would
could prepare myself to do.
I'm sure you can.
It'll be fucked in
makeup department.
I'll take care of it.
Good. It seems that
I have a lot of reading.
- Oh .. And, Alan...
- Yes, Able?
We share the credit.
Of course, Able. Of course.
So, do little
casting, Mr. Whitman?
- What happened to the star?
- Do you know me?
- I am a fan of your work.
- Really?
No. Nobody
admirer of your work.
I doubt that you are involved
in abduction. Perhaps the killing.
What?
- You are the last person
who saw the victim.
- What kind of sacrifice?
- Georgina Carson.
It is probably better know under

umetnikim name:

- Gigi? Gigi, was, was...
- It was, Mr. Whitman?
You said, "was". It's time.
Is there a reason why you
me about it in the past tense?
You see, we have not
let me finish.

Last time I saw
Gigi, it was on Tuesday night.
Finally around neega agree.
Now, as you should
time after left the club
for gentlemen, to be killed?
Everything I did,
is that I drove.
My guess is that this is a euphemism.
I am not a murderer. I am an artist.
That creates a violent art.
While reading the scenarios that can
to doubt your involvement.
Come now, Mr.

"Co-year-to-you"...

- Isaac Beaumonde.
- In neijoj other services.
- Well, sir Beaumonde.

Certainly not enough sitniavi,
to think that violent art
naturally creates violence.
You did not answer the question.
Will you and do the job
for you, sir Beaumonde?
If you want to admit
Now, certainly I will not complain.
No?

OK then.

- Vratiu it.
- What if I'm not here?
- Ye here.
- Really?

Why?

You have to finish the film.

He's right! He's right!

I have a movie to finish!

Alan? I need advice.

Good. What?

Killer... The murderer osimnjien
for murder by detectives.

It can not simply
to escape, because
then it would not be a
movie, right?

So, how to remove suspicion from himself?

This should do:

There is a poison that is activated under the influence of heat.

Kane's few drops of

bulb and when the victim turns light

activates the gas, and

spread throughout the room.

- He's gone in minutes.

- Can this really be?

Yes. But that is part

holes in the plot, right?

How about this:

Murderer kills someone else.

Pretpostavljaui have a motive.

If he comes, right?

So it can kill someone else,

to look like suicide,

and to turn the accusations

to a dead man.

To make a farewell message. Or

better recognition. What do you think?

I like it. I like it.

Is there something that I could

to work on the script, or...?

Let me worry about it.

So, you might suspect. What else you got?

- Small plan.

- Plan?

- No, more like a trap.

- The bait is...?

Audition for his new film.

We need a new face.

18 auditions in a row, Gigi.

And the only thing that qualifies them

for the film, any of them, is

the fact that a good look at

light cameras. What should I do...?

Am I in the right place?

I hope so. If not, then

you are a lunatic old man,

who talks to dead bodies.

Yes, yes, the bodies...

This is false. False corpse.

You are here because
auditions? Tell me you did!

- Yeah, totally!

- Wait, you are...

April Carson. Television WKY.

- And do you do with...?

- Human interests.

We are all people, right?

The weekend forecast.

Weather forecast for
those who care.

But to tell you the truth, I am
fully integrates full accident
on his contract on television.

Trzim little more...

Inspiring.

- Can you odradi reading?

- Totally.

Excellent. Excellent.

You swept the script?

Yes, but... To play Hamlet?

What?

- Is not it a bit pretentious?

This is the role
in horror, right?

My dear,

"Hamlet" is the greatest work in
history of English literature.

Murder. Incest. Fear. Madness.

Suicide. Murder for murder,
while the stage is full bodies!

Do you know what is the greatest work
in the history of English literature?

Fucking horror movie!

Well then.

- Nesreni, poor Yor...

- Wait!

Here. Use this.

What is that smell?

Oh, latex. Decays.

And any such blood is fake.

I just feel so.

- Please, continue.
- Are you sure...?
- It seems quite right.
- No, it's a doll. Just a doll.

I...

Action!

Nesreni, poor Yorick.

I knew him, Horatio.

He was a man stackless
spirituality and the best concept.

I was conveyed through their
lega a thousand and one times...

Now, how boring is my imagination,
cliffs rising out of it...

Here are the lips that I
Ijubio, not so often...

Cut!

The camera is you waited.

And what happened then?

Suddenly, he said

the day has to go

have an important meeting
with the investor.

But... You have a role?

They called me to the doem

Early morning shooting right.

Perfect. Raspitau the

Investors around the...

Do not eat...?

Really something... I am not hungry.

CRUISE BUS:

Is not this great, small?

I invested in

tons of these things.

Soon I'll have a whole

a fleet of these things.

Kohlberg Ozzija luxury line.

Pravie trips and tours through here.

That all can see

Ozzijev city, and Ozzijev time.

That'll be really

classy. As in Europe.

Our guides will be

sexy red uniform

And I think that you are

Stay here. It is time,
to expel the waiter.

Driver! Driver?

- Where do you gig?

- The store with harpoons.

For shops with harpoons?

But I took it at the expense of the company.

So, technically

I bought it. You are.

- Ozzie And...

- What?

You'll be stabbed!

Shit! Shit!

Shit! Shit! Shit!

It took me to the heart!

It took me to the heart!

What I thought...!?

What I thought...!?

And what if they fall on
that is suicide?

- Alan? - Yes?

- Able said. Yes...

I have little to doem itself.

Killer earns some more
murder, to remove doubt.

But what happens if
earns killer murder
and the audience simply to
fall that is suicide.

What should we do about it?

Well, if satirina

Party concerned,

killer can leave your farewell,

he was living at the expense of society

it is not able to accept.

- And before everyone goes home.

- Good.

You probably will need more murders

to cover the murder and so on.

Probably the killer will...

Able? Able, are you there? Hello?

Cut!

Very good.

April, you are mighty.

You brought new life into the scene.

Able, Mr. Farmsworth

and wants to

seen in the office.

He says it is urgent.

5 minute break.

Ugi, Able. I have to

talk to you.

Ozzie is gone.

- Gone...?

- Yes. He stood me up,

does not occur to any of th

numbers... No it is not

Video from yesterday.

I do not know if I should do that

I say, but Ozzie is odd behavior

lately.

He called me several times and

asked to naemo private.

- What is wanted?

- I'm not sure.

I think... that

wanted to confess something.

What do you think this might be?

I do not know... I have no idea.

I do not know what to tell you...

Without Ozzija not be able to

to finish your film.

If you want think again

proposals on distributor...
They will not dictate my brains pilei

Simply will not!
Now, I have some really
good news.
Sea whether competition

Yes.
- Well, no one came. Therefore,
continues to record.
Able, you did it. Really

Are you still alive?
Maybe you have something
in itself, which
can become large
umetnika blood.
It's time to saseemo budget...
Try to find out what
zakljanuh behind the door.
I know that Whitman is hiding something.
Investor?
Yes, I found Mr. Kohlberg.
No.
No, I think we have benefit.
I can not live with
The fact that I did.
Therefore I kill myself.
SA harpoons.
Action.

Cut! Very good.
Everything else we shot today.
I want to see you
here all morning.
Early in the morning? But
already too late, Alba!
Nonsense. It's not too late.
This is a magical hour.
This is great! One of
yours, the best part!
I knew I had to have
in it from day one!
It's really something, right? I think
I finally went to Bobo's head.
- Able, I have to say something to you.
- What is it?
It is about Ozzie.
Police it is pronata
together with a girl
dead.
They say that murder,
to suicide.
- This is horrible! -
But there's more! - More?
It appears that Ozzie
any such killing more people.
No...
Yes.
Stripper.
One critic, Gregorski.
The majority of our team
the specials effects.
I still find them
only in pieces.
And I have just received the account
the harpoon, which Ozzie...
He killed himself!
Here, everything is here, in
today's edition of the newspaper!
DOUBLE FATAL massacred MODELS!

STOPS SUICIDE:

MURDER?

He used the money Firmin.

Police say it's proof!
I would say it would endanger
our record. I'm not sure.
But since it would
made an excellent film.
As for the reminder...
I would like to organize
recording
film, which I found
in our archives.

It's called:

- We do not have a copy of it...
- Yes, we have.
I thought it was just a legend!
No, really. I
we must show...
Indeed we must show people,
what is called the filming!
What is called the capture
true films.
What is the art of shooting
movies!
We need to shake them out of ignorance!
We have to show them the suffering, sweat
and pain resulting from recording!
We need to really shake them!
Can we take advantage of this popularity
the "deadly toy 2".
I have the exclusive Mozam
April as a leader!
This is a fantastic idea.
It'll be quite popular.
Especially after neega
like this!
- What should I do?
- Only Book Theatre.
I will make sure the film personally.
- Bah!
- Bah!
The case is zakljuen.
Suicide is obviously false.
You Are Not required intelligence
Beaumont, in order to see.

Police have accepted it,
and everyone's gone home earlier.
Kohlberg is not a murderer?
No, Kohlberg is not a murderer.
A man who killed Gigi,
is still out there.
Yes. It was Whitman!
I knew it. Just
should have some proof,
something that neither the police
could not ignore.
Are you sure? Only...
I find it hard to believe.
There is so much passion...
Passion is just madness
dressed in a cashmere sweater.
Well, sure, it's too late.
The station does not reward us more.
They said that the case is closed.
It's over.
- When Isaac Beaumonde
water case,
no it is not removed from the
case. In addition...
We Unovili Stanicin
eek a few days ago.
So what shall we do now?
You go on record Next scene.
And I'm going to talk to mrtvakom.
You not have to throw, Alan...
- I listened to your advice Alan.
- My advice?
Yes, your advice. Kill
someone, record it,
Police removed from my neck...
- You mean your characters?
And then I realized that
my perfect alibi,
only needs to solve only
person who could finger pointing.
Able to have more
talk about the script?
I get the script from
your hands, Alan!

Blood gushing out of your hands,
Alan! Blood gushing out of your hands!
Svia me how it sounds.
