Mom...

Mom.

"Jang-Jin tried to kill himself"

"In hansung prison

at 7am this morning."

"Jang-Jin, who's on death row,
is currently under medical care."

"We now take you to the scene."

"Jang-Jin stabbed his neck twice
with a sharp object."

"He was immediately taken to

"A hospital under restraint."

"Jang-Jin's second

suicide attempt"

"Stemmed from his extreme fear"

"Over his soon-To-Come execution."

"In january of 2005,"

"Jang-Jin tried to kill himself

with a sharp object,"

"And woke up several months later

after being in a coma."

"This time at hansung prison..."

"Death row inmate

"From the hospital today."

"After a three-Hour surgery,"

an unconscious state."

"His doctor said that his throat

was seriously damaged,"

"To speak for some time."

"Back in december 9, 2005,

jang-Jin..."

Watch soap operas

instead of this stuff.

Instead of making sculptures

all day.

Go out and

meet some people...

"Jang-Jin, who attempted

suicide yesterday,"

"Returned back to

prison this afternoon"

"After his treatment."
"Prison officials say that since
he will attempt another suicide,"
"They hope his execution
will come earlier."
"A law official who
wish to remain anonymous"
"Said that his sentence will most likely
be carried out this month."
"Lee hyun-Sun reporting
for mbs."
"Back in november, 2005, jang-Jin..."
What are you doing?
That's not yours.
Take it off!
I said take it off!
Take it off!
Death row inmate jang-Jin
attempts second suicide
Welcome.
Where would you like to go?
Anywhere is fine.
Anywhere?
To hansung prison.
Prison?
At this hour?
Yes, to hansung prison.
Sure.
I'm here to visit jang-Jin.
What is your relationship with him?
He's my ex-Boyfriend.
How can i trust that?
We can't let you in
without clearing your relationship.
I have to meet him.
Please.
Okay, hold on.
Sir, someone wants to
see jang-Jin.
Yes, sir.
I'm sorry, we can't
accept any visitors.
Yes, sir.
Yes... yes, i understand.

Excuse me!
Excuse me!
Don't be scared.
It's a woman.
She said she's your ex-Girlfriend.
I was dead once for five minutes.
When i was nine...
My friends and i held
our breaths underwater for fun.
I opened my eyes underwater,
And they were holding
their breaths for a long time.
But the more time had passed,
I felt like dying.
But still,
I held on till the end.
My chest felt stuffy and
my body felt like exploding.
Then all of a sudden,
My head was spinning
And my body was floating
like a balloon.
I felt weird for a moment.
I opened my eyes and my friends
Were crying while
looking down on me.
They said i was dead
for five minutes.
I don't remember
how exactly i felt then.
Sometimes i remember clearly.
It's not bad...
Tell me if there's anything
i can do.
Although i don't know
if i can...
Whatever you want to do.
Don't injure yourself
any more.
Huh, ouch
- It hurts, huh?
- Yeah.
This is the liver.
Really?

I'll make it feel a lot better.
How is it?
Yeah, just wait.
- Do this side, too.
- Yes.
Do it softer.
How does it feel now?
It's nice, but be gentle.
Now for the stomach.
This part is the stomach, this part is...
Well, this is...
What's wrong?
Hey.
Where did you sleep?
I asked, where did you sleep?
Hello?
Yeah, hold on.
What are you doing?
Spring's far away.
Aren't you cold in that?
Where did mommy go?
Eat. And get ready
for school.
Dad, i have to buy
crayons on the way.
Okay.
Go ahead and eat.
Please come in.
What are you doing?
You can't set up anything in here.
Yes, sir, yes.
Pardon?
Yes, i understand.
Do as you like.
Spring, spring, spring is here
Even in our hearts
Spring, spring, spring
spring is here
It's here in the vast field
So green
A new spring is here
Even below the street
lantern shade
A new spring is here

Everyone is so happy
A new wind is blowing
Let's hold hands and
See the flowers
One drop, two drops
Getting wet from
the spring rain
Flowers awake here and there
They all sing along
Spring, spring, spring
spring is here
Even in our hearts
Spring, spring, spring
spring is here
Spring is here
This is an azalea flower that
blossomed at my country home.
I hated them back then.
During elementary school,
Every saturday my father
checked my books and notes.
I liked to draw in my book
And i did it many times.
My father used the branch
Of an azalea tree to whip me.
Despite him hitting me,
i still drew in my books.
So whenever i'd see
an azalea tree,
I'd visualize my father's
scary face.
You have such pretty eyes.
It's okay.
Leave him.
It's over, let's go.
Wait!
Where have you been?
Aren't you cold wearing just that?
What the hell?
Damn it.
Is it summer this time?
You want time to
go by that quickly?
What's with the fan?

What's this?
Where are you going?
Look at her.
- She must be crazy.
- You are right.
Where the stars shine like crazy
let's go to the beach
Let's go to the beach
Where youth overflows
let's go to the beach
Let's go to the beach
Whisper sweet love to me
Let's go to the lover's beach
To the beach
Even though you don't
say you love me
Even though you don't say it
I'll bury myself in love
Those flaming lips
When i first felt them
Leaving love's footprints
infinitely behind
Where the stars shine like crazy
let's go to the beach
Let's go to the beach
Where youth overflows
let's go to the beach
Let's go to the beach
I'm going to bury
myself in love
I get that feeling when i die.
My body suddenly
Swells up like a balloon.
This sound fills my ears.
My eyes hurt.
All i see is yellow.
Oh no.
I'm not here.
I've become a bird.
I've become the wind.
I see all around.
I've disappeared.
I see myself from far away.
There're...

Thousands of me.
Wait, wait, wait.
Wait! It'll be over soon.
Wait.
Wait!
What did i say?
Sometimes i do this.
I want to go into the water
To feel this again.
But i'm too scared to.
It's very nice.
I'm scared.
It's possible only
when there's no choice.
When my will doesn't matter.
It's only possible then.
When my will doesn't matter.
When i stand before death...
That's enough.
It's over.
Wait!
Where have you been?
Are you seeing someone?
Are you getting back at me
by seeing another man?
You should at least
Have done the housework!
And you've neglected
our daughter!
And what's with these clothes?
Where have you been going?
I did my part at least
when i was cheating!
Feels good?
Yeah, it feels good.
This is really important.
- It feels good there.
- Yes.
You idiots.
Excuse me.
My wife just went inside.
Can you tell me
who she's visiting?
A road blooming with

swaying cosmos flowers
I walk on this fragrant
autumn road
I wait anxiously
With the heart of tinged
autumn leaves i sing
A long sigh forms
on the leaves
Hiding in the flower
For hating the cold wind
A road blooming
With swaying cosmos flowers
I walk on this fragrant
autumn road
I walk
Fall really excites
people's hearts.
Just watching the red leaves
of the trees
Makes me burst into flames.
Feels like a vague dream.
This is seorak mountain.
I'm fascinated while watching
The autumn trees
at seorak mountain.
Standing on the other side, a man
was looking at the autumn trees,
Like you are now.
I loved that man.
That's enough!
Stop it!
I said stop it!
Wait...
Wait!
That visiting room looked like
Seorak mountain,
where we first met.
It's been ten years already...
Not again!
Let's just go to sleep.
What the hell is this?
Just die instead.
Yeah.
Not now.

I said no,
so stop pushing it.
Not even tomorrow and
next week, bye.
I said not now!
I'm sorry, but it's over.
I won't meet her anymore,
So you do the same.
Why the hell are you seeing
a prisoner on death row?
Are you trying to blow
my self-Esteem?
You can't go to
the prison anymore.
She won't come anymore.
Don't wait for her.
I'll be good to her.
I told you that it's over...
Now go.
Don't go.
I said don't go!
Stop it!
I've been patient enough.
You've done enough now.
You saw me end it.
I'm sorry.
I did a terrible thing.
Know who that bastard killed?
I can't let you meet
that brutal bastard!
Why him of all people?
Did i do such
a cruel thing?
You can't go over
my dead body.
You want to see me
go crazy?
If you go,
Who knows what i'll do.
Let's stop.
Let's stop for our kid's sake.
Why are you doing this?
Are you crazy...
Are you crazy?

Come here!

Come outside!

Damn idiot.

You bastard!

"Death row inmate jang-Jin tried to
commit suicide again today."

"We take you to the scene."

"At 1 o'clock this afternoon,"

"Death row inmate jang-Jin stabbed
his neck with a sharp object."

"He is currently undergoing
surgery at a hospital."

"According to sources,"

"Jang-Jin was to be
executed tomorrow,"

"And the date will be
extended a day"

"Due to his suicide attempt."

"On december 9, 2005,"

"Jang-Jin murdered his wife and
two daughters at his home."

"He was given the death
sentence for his crime,"

"But his motivation for the murders
has yet to be revealed."

"Until jang-Jin was arrested,"

"He was sleeping"

"Together with his dead family..."

Myung-Hee,

it's snowing outside.

Hurry and look.

Stop it!

That's enough!

The snow is falling

As you've now gone away

The snow is falling

My heart grows lonely

Painted in my dream

The warm smile

It's covered in the white snow

I can't see it

As i get hit by the white snow

Seeing you walk away

Even though i call with sorrow

Only the white snow falls
As i get hit by the white snow
Seeing you walk away
Even though i call with sorrow
Only the white snow falls
Even though i call with sorrow
Only the white snow falls
