southern parts of the city.

Right.

- Probably the high altitude.

Suspected presence has no description.

Keep your eyes open.

Investigate the area.

We see an empty building, Mount Lavinia.

Coastal plain to the east.

His position may be

to the south of you.

Right.

We do not see anything in the building.

He may be to the south of you.

What?
- There were probably a bomb.
It exploded.
Three prisoners were killed.
What do you mean three?
Master, Gopinath and Kumar have died
.
Akthul Majood live.
We bring her there.
What the hell did you do?
No. No.
What the hell did you do?
You made a big mistake.
You will replace it.
Enter Akthulin to hear this.

Intention was to release all the four prisoners of this world.
The work was never completed. Officers,
you will take care of it in the end.
What do you mean?
If the kitchen is cockroach -

Who are you?
Do you have a name?
Why is it interesting?
You know me very well.
I am afraid to get on a train or a bus.
My wife thinks that I go to
for the war, when I go to work.
He plays every couple of hours, it
afraid that I will not return.
call to hear if I'm alive. If I want to open a shop -
I do not dare to name it, because it can be burned
brawler.
Fought anyone,
I'm always the first victim.
Choose someone in the crowd.
I am he.
Sri Lankan citizen.
Fallen in love with the country.
Why do you have a nice special occasion?
We all love our country.
What kind of man are you?
Who do you think you are? Superman?
I'm not Superman.
Rather, the Invisible Man.
I have even removed
voting register.
I do not exist.
So, Mr. AP... In order to purchase
-
heksogeenipommiin materials need not be Tersmies.
It manages the invisible man.
Take a look at the internet.
Hundreds of pages will guide in making bombs.
Do not ask me how, ask us why!
Why? Focus on the present moment,

Mr. AP.

One of the cockroach still have to whack.

Then tell you where the bombs are.

If we do not kill Majoodia,
you are going to blow up the bombs.

You're killing innocent people.

Right. If he is released, he will kill thousands of

.

I ask only one person.

He would have to death.

Compare the alternatives.

This is a good bargain.

Why are these four
so many terrorists?

These four held a lottery happiness.

Do not you dare to tell your name?

- Do not worry about it.

You should have to destroy these creatures
after the attacks.

Sessions were several
but did not do anything.

Causes of terrorism does not matter.

The same place where they are from.

Causes need to be addressed, but not
at the expense of innocent lives.

They hit the train station.

We cried a couple of days.

Then they hit the holy city.

Then to the airport.

How many were killed? Have you already forgotten?

Forgetting is a national sicknesses.

Terrorism must be destroyed.

A quick right.

- Why not? Terrorism is urgent.

If we wait, it just evolves.

New names, new shapes.

The core remains the same. Terrorism.

You want to destroy terrorism but to terrorize us!

What religion you belong to?

Religion? There is...

This is not about religion.

Gopinath was a Hindu. Murderer.

I killed him. So am I a Muslim?

Sarath Master, a Buddhist.

Thousands killer. I killed him.
Does that make me a Christian?
You may argue religions attributed
unsuspecting people.
It is up to you.
You can push out the lies on TV
and brainwash the gullible.
Do not join together by me to any group.
I am an ordinary citizen,
which went into action.
Maybe I'm just a Christian or a Buddhist.
Communist or an atheist.
Do not we have the right to get angry?
Right to say that enough is enough.
This is not about race, religion or politics,
.
You'll need to know
that the people will be angry.
Do not tempt the patience.
I do not know what you're trying to prove,
but you will not succeed.
I'll find you.
I have already succeeded, Mr. AP.
I got your attention.
Tell me something.
Someone close to you he dead in bomb attacks?
Why should I wait
that anyone close die?
I'll tell you one thing.
There was someone on the train.
Approximately twenty-something man.
I do not know his name.
He always greeted me with a,
when the boarded the train.
I salute him.
We did not know each other's names.
We said only "hello" to each other.
He showed me the engagement rings
previous day.
He was happy.
The next day
missed the train, and I cheated death.
He did not.
After the train was no longer the familiar words.

Wagons full of the unknown.
What does it matter who I am?
When you leave home,
may not be able to return.
When the children go to school,
not be able to see them ever again.
Akthul, Gopinath and Sarath
may be a crossroads -
bomb.
He will blow your dreams.
They kill anyone.
Terrorism must be crushed as soon as it starts.
You behave like a crazy terrorist.
Let me explain.
If they killed 300 - 400 people -
you expect the court.
I'll kill four terrorists,
and you are panicking.
I do not blame you.
You decided that we need to
wait for court action.
Too little, too late.
Am I crazy?
Perhaps, perhaps, perhaps.
Three bombs explode at exactly six.
The clock is ticking. You run out of time.
Officer Mohideen,
you decide whether this is the last call.
Supplier Thenuwara
arrives there in ten minutes.
He may look like on TV,
that Akthul Majood is dead.
You know what is at stake.
Then I'll tell where the bombs are.
Deputy Chief.
The situation is not under control.
Should I call the Prime Minister?
This will be the consequences.
It's too late to worry about it.
Sir.
What if something goes wrong?
Right.
These are going to a funeral.
I have been here since the beginning.

The feeling is mutual.
Forgot your cell phone.
Take it for him, Victor.
Wipe it.
Prime Minister's hands must remain clean.
Hello.
