girls to fall for compliments..
tell her her eyes are cute..
Your smile is nice..
Tell something like
this and flatter her..
Go..
Eyes are cute and smile is nice..
be little far and talk to her..
so that she will not get that bad odor from you..

"We can bring a race bike and give you.."

"It depends on you
how you rise and drive it.."

"We can make you learn the style.."

"But you have to learn
how to impress with smile.."

"But you have to roam like a Doberman
around her and win her.."

"O idiot.."

"Vasopressin hormone has released.."
"Love feeling has generated
like a valentine.."
"Check it out baby.."
"Love chemistry.."
"Love chemistry.."
Hold on..hold on..Hold On..
No change..
I have not come here for a change..
I have come for an exchange..
My name is Sobhan..
All Rayalaseema people with
love call me Soggadu Shoban..
son of the great Veerabhadrappa..
studying Bsc final year..
Why are you telling
me your details..?
Since you are the one who did
disturbing me by coming in my dreams..
Yes..
Coming to the point..
matter is inside and simply
rounding outside..useless you know..
What I am telling is.
From the moment I have seen you..
my heart is Pumping like a race horse..
May be Heart attack..

is very Handsome..
I am always with you like a
OM channel in a condolence tour..
without my knowledge how
come you have such a flash back..
Before sankrathi Holidays you
suffered with small pocks
that time it happened..
So if would have suffered from Chikken
pocks and was bed ridden for a week..
you would have got married directly..
in these four years atleast for formality
not feel like sharing this with me..
Do think this is some T.Subbiramireddt
awards to arrange a press meet and announce

Unnecessarily I did not want
to make that girl unpopular..
Then Why is she
looking at you now..
May be she is testing whether I
forgot or am I still following her..
First love is like birth mark..
he will be there till the end..
What only heros should tell punch
dialouges..should we not say..
Anyway She sneezed away my love..
hope she will say cheers to giris love..
I have already cleaned
the glasses and kept..
How is your exam..I wrote
it well..how was your paper..
That short girl brother..
Hey you short girl..

not require much place..
come and sit in my friends lap..
See how vulgar they are speaking..
Dont see that side..
It will be nice if both of you come..
will you..
Dont go wait..
Hey wait man..you move aside..
What are you seeing..
do we have to speak
you about their rate..?
He is the one..who
hit me the other day..
why..was it not enough..?
Are you so macho..
Come lets see..
if I hit you..
your face will get smashed..
shut up and get lost..
shut up and get lost..
thats it..
you should have that fear..
Why did you pull me back..?
It is better to ignore

the barking Dogs..
Brother..follow them..go..
he is still alive..
lets take him to the hospital..
Should we save such people
and get into courts and cases..
get lost man..
we should win over our rivals.
But should not plead for their death..
listen to me man..
whatever it is I will handle it..
Hold him..hold him..
Open the door..
Be careful..
Make it fast..
Close the door..
Why are you smiling..?
How many of them will have
a heart to save their enemies..
I am having some doubts seeing you..
you are always Doubtful..
What Son-in-law..you have
come early in the morning..
I asked him to come
Father-in-law..
its been One year
that we lost our father..
they say something good should
happen within a year in that house..
so it will be nice if you get
vasanthi married to him..
But some say that we should do before
the first death anniversary to be over..
But some say that we should wait for
the first death anniversary to be over..
we should also see our convenience right..
Jagan is in a hurry..
even we have given our word..
I am not saying no..
We will get them married
once she finishes her studies..
Hope you heard what he said..
if it is river water that will flow away..
but this our well water..will not go

anywhere..it will be in our backyard itself..

Pen..

Come lets go and study..

See..she is so mad about studies..

Very true..Vasanthi is mad..

A youth who saved three
lives in a road accident.

Hey come lets go..bus has come..

Sobhan..Long Live..

Hey stop it..what is all this..?

it is there affection..its ok..

lets go..

it is not a simple thing

to save three people..

i would have expected at least

three garlands for myself..

With this he has become a Hero..

You are really great boss..

That greatness Is not mine brother..

when I was worried

about courts and cases..

he motivated me that we

should win over our rivals..

But should not want their death..

who..?

who else..our friend the great Giri..

why have you put your face as if you
are taking a picture for Aadhar Card..

he is issuing a Credit card..swipe it..

claps..

He does not like anyone praising him..

but considering all the good

deeds he has done..this is nothing..

This is a very big lie..

I am feeling really

proud to be giri's friend..

imagine how lucky is the girl

whom he is going to marry..

what do you say..? What do you say..?

If I have to tell about him..

Sobhan ..you have taken him too high..

this is the correct time

to propose..proceed..

Even after giving such a hype will

not vasanthi come and tell I love you..
he either has inferior complex
or superior complex..
Masala...
What is this masala nonsense..
This is irritation and this is Indonesian..
Problem is a not problem right..I am
saying that he is such a big problem..
what do you..what do you say..?
It is better to propose
her outside the bus..
He and his bloody Sixth sense..
we should not garland him..
we should actually garland his photo..
If you complete your project..
we shall submit it tomorrow..
You should do my project also..
Hey..even mother will not
give you food. until you ask her.
Until unless you order for
Pizza..it will not get delivered..
go and ask her..
Please for once help
me with my project..
You beg for food and Pizza..
go and beg for your love..
If I do your project.. what
will you write in the exam..
I will carry slips to copy..
Hey Sobhan..
Jagan..
Hi giri..
Your name..
Why are you coming so slow..
He is one more
member in Sobhan's Gang..
Its hot..
Is it required for you..
with such a heavy belly..
Dont say anything about it..
how helmet is a safety for the
head. it is safety for my six pack..
Hey Jagan..how are you..
Come.. Come..

He messaged me
that you have come..
Name it self Sobhan gang..
Its been four years that we have
completed our graduation..
but we five did not not
even meet for four times..
What to do..My brother
is in his in-laws house..
I have to take care of the
house work and the mill work
He started..
By the way..why are you
guys still going around college..
For his love only..
We are roaming since months
to help him propose his love..
Nothing will work out
if you get scared..
you should have lot of courage
to take your love till marriage..
In that matter..jagan is top..
if he wants something..he will
not sit quite till he gets that..
By the way..what about your marriage..
What to do..
brother is in his in-laws house..
he has to take care of to take care
of the house work and the mill work
and marriage work..and what not..
Still she is studying..
marriage is only after she
completes her studies..
Brother money..
Wait I will give..I am
talking to them right..
Hey..hey..wait I will give..
its ok..i will pay..
payment is done dude..
My purse
when did you start flicking things..
Dont look at me so cheaply..
Work for food scheme..
if the food scheme succeeds we have

hotel food.otherwise its jail food..
This is very good..
I flicked your purse also..
See..
did he leave his vehicle and go
because it did not start in the first kick..
he keeps trying ..
same way..you have
to try till she responds..
must be going to a mechanic..
Today shall we bunk
college and go for a movie..
They are leaving..
Come here..
You were scared to tell her in bus and college
because there were lot of people around..
there is no one around
here..go and tell her..
what are you doing..go..
Go..
Hey Giri..
Dont know what he is going to say..
Yes..
Why are you getting so tensed..
In a hurry instead of
telling..what if we tells me..
Hello..
As if he is talking over the phone..
he is saying Hello..
Hello..
What man..why are you doing that..
oh please dont get angry..
instead of getting angry..
you expect to cooperate ?
what did I do that you
are shouting so badly..
If we until you do what you
want..after that what can we do..
Do you difference between
fear and sadness ..
If you are sad your eyes become wet
if you fear you legs become wet..
as of now I am wet
in both the places..

I will book you in Nirbhaya Case..
No..no..please..
Shut up..
I cannot..
Huh..he think he
is very Handsome..
you please go and talk
to her on behalf of me..
Me..?
Yes..cant you do so much for a friend..
Tell her that my friends loves you..
and check whether is ok or not..go
What is he saying..
He is like that..
Hey..hey..she is leaving..
please and go and talk to her..
But be careful with that fat soul..
first of all my BP is high..
At this moment i have to take tablet..
Hey..Sobhan is coming..
Sobhan is coming directly..
Let him come..
is he a dinosaur..?
Hey stop there..
I want to talk to her..you go..
When two hands are clapping..
if you put your head in between..
your cheeks will only get hurt..so leave..
Oh..I am not going to eat your friend..go..
Why are walking so slowly..go..
Go..
hey..why are you acting so smart..
do you know that two guys are
following you in the bus..
Yes..
Leave about the rest..
do you know that my friend is following you..
Today your love will get settled..
What is it..
You fat soul..
On my behalf..put this also on her..
you will die..
if I hit you with this..
Go..

Do you giri's issue or not..?
I know..
Tell why cant you tell your opinion
whether you liked him or not..
Why cant He can ask me that..
He is little scared..
thats why I am asking..
tell me ..do you like him or not..?
I like..
Are you telling the truth..?
Yes..
Why did you delay so much to say this..
he wasted six months..
I did not say that I like you friend..
I like you..
Oh..what..
I said I like you..
Why are you behaving so differently..
that day when I proposed you called me uncle..
you said you make a ruckus..
this is not at all good..
When the school bell rings
in the morning kids get worried..
same bell when it rings in the evening
they feel happy..
will I not get tensed if you propose
me for marriage when I was in my 10th class..
Aunty..side please..
See..thats the difference..
now we have the maturity to think..
He will get upset..
I know what all you went thru and
what all you did to make your friend a Hero..
Actually I started travelling
by Premapavuram Bus just to see you..
there is no hurry..
it is not hunger or sleep that both of us
will have the same feeling at the same time..
Love..
think peacefully all night..
and tomorrow morning come
and tell me that you love me..
lets meet..
at the same time..same place..

Ok..

Why are giving me this tension like
elimination round in a Game show..

please tell me what vasanthi told..

Leave it..its not going to work out..

Tell me what actually happened..

He asked you to leave it right..

just leave it..

Oh no..I am getting some doubts on you..

dont you think I should know
what she told..

I dont think he will not keep quite till
we tell him..

I am unable to understand how to tell him..

Do you want me to get a mike set..?

did she say that she does not like me..

She said she likes me..

Oh finally you told him dear..

this is the problem with him..

if we try to tell him slowly
he cannot control his emotions
and if we tell straight he is shocked..

now he has to have the drink..

Hey..

Yes..

Drink..

you guys were trying after
she has come to college..

he is being trying her since she was in 10th..

so he is your senior..

Why you did not tell this in advance..

That time she rejected him..

since you liked her and he did not
want to disappoint you..he helped you.

Your is one side love..

see..tears are coming only from one eye..

Leave about him..what are you
planning to tell vasanthi..?

What should i say..?

Hey..

If boy goes behind a girl they call him a loafer..

but if a girl is behind a boy..its an offer..

All my dresses have become tight..

I should reduce my weight immediately..

It's enough, come.

their parents for this..

any of the two Telugu states..
when our girl is not proper..
why should we take life of others..
Then What should I tell Jagan..
What will you tell..you are the
son and son-in-law of this house..
please keep this matter with yourself..
Then In that case..change her mind
and make her agree to marry jagan..
that should be handled by ladies..
they are capable of doing
anything..call your sister..
What is this..?
why are you showing you anger on the mobile..
Someone like you punchered the
vehicle tyre because of traffic jam..
this is the only source on
which vasanthi can contact us..
If I am unable to reach her on my
mobile..that means she in trouble..

marry anyone other than the person they love..

oh you are thinking who loved me..
thief knows where is purse is and
a man knows what a womens heart is..
the man who is standing near
that shop..he is the one..
both of us liked each
other..few came to know..
and there was fight at home.. and
in there village it was gang war..
they fixed my marriage..
and he lost his leg..
first I used to feel bad..
later I got to fear..
See there..his wife..
if I would have not listened to
elders.. i would have been in her place..
it a lie that you fall in
love only once in a life..
I am living happily
with your uncle now..
Not that Aunt..Sobhan..
I heard he is very hyperactive.
Later if something happens..
and a girl has some
problem in her in-laws house..
she will go her maternal house..
what if she is no
contact with them..
where will she go..tell me..
Careful..
instead of feeling bad for falling

down..think how should you rise.

leg unless there is an Electricity Pole
Stop it..
what is the matter..
He is fallen in love..
Super..
Congrats..
Instead of feeling
shy why is so serious..
Her father has come to
know about love matter..
they are not allowing her
to comeout of the house..
Enough..
As pavan Kalyan got his Aunt back..
I shouls get your lover..is in it..?
No need..its enough if you can go to
their house and give this phone to her..
Simple..Only that much..
where is the girls picture..
you said she was his lover..?
He thought so..
You said she was his lover..
He thought so..
So ow he is thinking
that she is his lover..?
The girl also feels the same..

She is feeling the same..?
I don't understand..they are
changing lovers as easily as TV channels..
There is lot of change in her sister-in-law..
You should say That
I bought the change..
Oh please wait..
where is Mr. Ramacharappas house here..?
Why..
Have a small work with his son..
He does not have a son..
He does not have a son..
oh what do I do now..
There is no doubt..he must
have come for vasanthi madam..
Aa..no..no..I came to buy a land..
Land..
We plan Something and god
creates some twists in that..
Take out your phone..
put it on speaker..
What Brother-in-law..what
happened to the job you went for..?
It has come till my neck..
Brother-in-law..why Is
that shiver in your voice..
you said that factionist fear you so much that they
will throw away their swords and wet there pants..
Why are you giving over
build up in the wrong time..
My situation is like a guy jumping off from a
crashed plane and trying to open his parachute..
put down the phone..
Brother-in-law.
What happened..any problem..
no..just signal problem..
What is the reason for this vibration..
AA..even you are with your in-laws..
Correct Catch..
Same batch. Comrade you are my friend..

so much peace in Andhra and
Telangana after the partition..

Sister-in-law..
Ask her to come..

Since she was a
unmarried girl..just guessed

Hey..where will he come from..

She has changed Completely..
We have to call the priest
and check for an auspicious day..
What are you saying brother-in-law..
Yes..I saw her happily smiling
and serving food to that guy..
May he is related to them..that must
be reason that she was close to him..
I heard the ladies speak
that she agreed to marry him..
Girl feel that boys are like
mobiles available in the market..
which ever new model comes..
they get connected to it..
Vasanthi is not like that..
I still remember those eyes
when we were getting separated..
to smile at someone you just
have to know that person..
but to cry you
should feel real love..
This is the problem in love..
We will not be at peace if the
opposite person is feeling bad nor
do we like if they forget
us and live peacefully..
Dad..
Brother..
What does she want..?
Tomorrow they will issue Hall tickets..
she wants to attend her final exams..
has she not degraded me enough..what
does she want to prove by writing her exams..
please take this..
Even after the pigeon has got used to us..
it is not good to still keep in the cage..
Just with a belief on
you..i am agreeing.
You be with her..
If something goes wrong..
There is no chance when Jhansi is there..

We should keep singing and work..

but he is not listening..
He will understand if we show him practically..
Hold this..
Aunt..Place your hand..it is good luck
Ya I am coming..
You know how tensed I am since one week..
above that my Brother-in-law came and
told me that you have changed..
i did not believe.. even when he told that
you have agreed to marry someone else..
if you keep your mobile switched off..
how will I know what is happening there..
All these days all my family members
were trying to change my mind..
they even took away my phone..
since I did not have any choice I acted
as if I changed just to meet you..
And If I change my mind just because
someone is saying..how come that is love..
either you come and convince my dad
or if you are willing to take me away..
i am okay for anything..
No..you go home without fear..
i will take care..
I am not scared..
Because I have loved..

See now Goddess Lakshmi will do
Gangnam dance in your shop..

No one knows what has to kept as
secret and what needs to be told out..
After so many days our
son has come home..
Instead of asking how is

he..what did he have..
you gathered the whole
villagers for condolences.
You should not shower to love
on the kids for unnecessary things..
when required you should support him.
Cook his favourite chicken curry..
Go and arrange some
hot water for bath..go..
Sorry..
I am going to a senior lawyer to discuss the
case..thats why I could not come to the jail.
Go and take rest.

Doctor is calling you

He is Sobhan..

May be your villagers accept the Justice given
by a culprit..but we Dont accept it here..
kill him..
That is my Village Justice..
Already because of fraction..
we lost so many lives..
we are living in peace since few days..

Instead of showing
your anger on him..
think whether you will be able
to help that family in need..
What ever..berofre taking
decision once ask munnuswamy..
See Munnuswamy..
it is your loss..
so you decide whether you want

to take help from them or not..

her married to a person who she likes..
Dont support your son so much..

Are you unable to see..?
Sir because of your hand..
Ok..ok..take it..
Coffee stain will go if wash it..
whatever we do acid
stains will never go..
May be the fight which happened in your
village because of me was out of anger..

court disputes..no one will come this side..
It is here..we killed a guy who was
behind our girl in the name of love..
Keep these things here..

Brother..his death should not be normal.

Torture him to the core..and
cut his neck like a chicken neck..

death is waiting for him here..

quarry outside their village..

Just till the Gate dad..
You should not go out of
the village before marriage..
Nothing will happen to me..
A stone which hits our feet if it hits
our temple in the head..we will lose life..
why are you talking
such bad omen things..
the way I told may be wrong..
but my intensions were good..
Go and take care of those works..
are you going alone..?
Yes dad..
Take someone along with you..
What They were planning to
get vasanthi married to Jagan..?
Yes..Even I came to know this yesterday..
Without telling us why are
you going alone to meet him..
Oh innocent fellow..first of
all he is so irritated with me..
if he gets angry on me and if you guys
react for that..the issue may become big..
Shall we go..
Lets have tea and go..go and order..

why did you get him along..?
Family members sentiment..could not avoid..
I told him not to tell anyone..
because it a problem between friends..

"The pure friendship which is going
against the knife of the cruel fellow.."
"Will you cool down the
fire of the allegations?"
"See some devils are waiting
for you in this darkness.."
"Don't you recognize the death is arriving?"
"What kind of trap it is?"
"What kind of blood thirsty it is?"
"Time, don't follow us like
destruction as the happiness.."
"The pure friendship which is going
against the knife of the cruel fellow.."
"Will you cool down the
fire of the allegations?"
where is he..?
He was here yesterday..
let me check if he is inside the quarry..
Wait..we will also come..

you are seeing your enemy..

the rituals in your marriage..?
Rey Jagan..please wait..
Leave me..
Please listen to me..
How will I know that she is related to you..
when he came and told
you.. you knew right..
at least then you should have
cancelled your marriage with vasanthi..
Don't talk without meaning..
how can I do that after it
has come this extent..?

I need an answer..not excuses..
Hey jagan..Please listen to me..
Jagan Wait..

betraying his friends..tie him..

Hello..
Come and see the what your
daughter is doing in the Exhibition..
Not four..he can handle 40 at a time..
and no one can do any harm to him..
should I keep quite if you guys tease me by
rubber fellow and take away vasanthi from life..
We will bury him..
Brother..get the shovel and spades..
We are unable to find him..
Where is he..search..
Brother..
Brother..
Brother..
What happened..?
Rey..dont do that..

Hey Madan..

Madan..

where is he..

Love does not mean living together..

it means you cannot live

without each other..

You feel it is right on your part to

marry vasanthi against her wish..

and if I wish to marry a

girl who loves that is wrong..

I know who agitated Chitti

friends and sent them on me..

In Ambulance..

We can give any number of chance

to a foe to become our friend..

but should not give even a single

chance to a friend to turn into foe.

I thought you will change after

knowing that I am helping chitti's family.

You have so much vengeance

on me because I killed your friend..

ask those guys who are standing beside you..

who pushed chitti to death..?

In whatever emotion I am..I am not a

fool..not to realize what I am doing..

I thought you came to help me

and by mistake you pushed him..

thats why I kept quite and went to jail. .

but now I understood..that

you killed him intentionally..

Did I carry the blame of a murderer for

long..that to for a friend like you..

Every time we come out of the house..

they advise us to be careful with strangers.

But people like you who were friends for so

long do such things..whom should we believe..

get lost..

Hey Sobhan..

Why Is he here..

What he is doing here..

Hey Sobhan..what happened..

What is this..what happened..?

Those idiots must have done this..

Lets go to the police station

and lodge a Complaint..
No..
If it is your friend who Stabs you..
no one should hear your scream..
what Friendship..they stabbed you..
Hey..there may be a wrong friend..
but friendship is not wrong..
Come lets take him hospital..
Be care full..
Grandpa..I have come..
Hey..come..come..come..
what is that..
I fell down grandpa..
He is lying..my son hit him
with a bat while playing..
Why did you lie..
If a friend hits you.. no one
should hear your scream..grandpa..
He is just like his father..
He is just like his mother..
Why did you shout..?
If your wife hits you..
you can scream loud..
Just left since it was climax..
