What happened to the Grandmothers?
Leave me alone.
For some time there another guy and go with it.
And what else?
Nothing more.
I left and did not know what happened to her.
Always a happy ending.
Oh, I see. As an abandoned puppy.
He thought they would not find it?
Do not be sorry.
Aceh, Aceh!
Coat will stain!
It will not happen.
Come on!
But nope!
I only drive this wonderful car.
Aceh, I bought it a month ago.
Well you are hooked, man.
More than fine, really.
Here I put some of your things.
I tried to line up, but gave up.
I assumed that you want to keep.
If you want, put it back in the box.
It's just a picture.
Yes.
Who is this?
I know you.
The same.
Well, I'm coming.
Aceh!
Hey, Aceh!
Yes.
Things here are pretty boring.
Finally you came back?

Yep.

Welcome!

We have someone who they have replaced the motors.

I invited them to dinner, but it is crowded.

Do not go again! Right?

Yes.

Beware. Wait they duel.

I'm sorry.

Are you the one who wrote the bridge "At three meters above the sky"?

Katina!

How Much changed during the year.

Who gave you my number?

Who can?

Do not lie!

Have you heard with it?

Ever since I left - not once.

Do not tell me that in London at least not called.

Swear.

Katina, why do I talk about it?

But I met her once.

As always, very kind.

But it is changed.

All changed.

Look what happened with the band ...

I think it should go. Go.

We'll meet again.

Come here!

What are you doing, fool?

You owe 3.50.

Damn!

How? - 3.50.

Lady with you?

No.

What makes this crazy.

Hey!

What are you doing?

Boo!

Damn!

What we have here? A beauty.

You know the legend of the sirens? Beautiful, but nasasyat damage.

Give me the keys.

First I explain.

I wanted to park, but my bike I stood.

What did for my bike?

What have I done, and my push bike?

I was not.

Indeed, it was an accident.

Can I return my keys?

Call the police, come on!

I want to tell them how it came here to my forehead straight bike.

These are fictions.

That there is my only friend.

You ruined it.

I got here and now back to my damn keys.

Everything is paid.

What are you doing?

Hey, what are you doing? Exit the car!

Leave the damn car!

Go! Hey, thief! Get back here!

Stop!

Open the door! Open.

Shsh, calm down!

Povtyaray after me and I'll return the keys.

"Steal me."

I repeat it?

Repeat it.

Look, this is my ring. If you open will break the window and get acquainted with your face.

What do you say I, you, your car and one dinner?

I hate guys like you!

Irreplaceable.

From what year is your underwear? From the '80s?

I see. You think it'll show inspired by bad jokes?

Waiting time when you and your bike will you away from me.

By the way, my name is Aceh.

What is it?
It may just be his client.

Look!
See printout from the credit card!

I had to leave the number as a departure, band with your brother.
I needed to be alone for a minute, Dad.
Well, the important thing is to stay here now.
I have a job offer.
Lads have created a factory?
How are you?
Fortunately, good. Have you talked with your mother?
Why insist to have a relationship with her? I do not care.
Anyway, I do not quarrel.
Really? He kissed her?
Yes.
Wait to run away.
I can not believe it.
Of course it will come.
It will be amazing.

Every night I wake up and find you in bed ...
And you're gone, but I know that tomorrow I will show up around me.
You say something nice, and I will smile.
You tell me that you love to be here with me.
Did you like the effect with the lights?
It was me.
I have not noticed.
I did my best.
At least a little?

Now you can back my keys.
What is this picture?
This is a map of the city.

Nothing happened.
Destroyed down to a photographer.
No.
Nothing like that.
This photo is carnival.
It was for a contest.
That there is my brother Violin.
When I'm sad, I love to photograph.
This is the famous Carnival in Argentina.

Kidding.
You were there? Really?
Were you there?
The truth is that I love carnivals.
You leave me?
Say ... We'll meet again.
What?
How pretentious.
Sorry, I thought nobody.
We were just leaving.
This is my brother ... Put your headphones!
Aceh.
It's nice to meet you.
All right.
We will see.
See you soon.
We work out together?
Who is this Dzhinebra? You look in love?
Where are the keys to the house.
Here there are stubborn.
How could you forget me?
Just ask.
For the first time you come here?
This is amazing, look at it?
I love it here.
I love this song!
Run, run!
I thought it would come.
What happened here? There are a lot of people.
This is after the repair.
Hey Katina!
Grandmothers!
Grandmothers!
Are you okay?
Come!
I want to dance as my sister.
We go to the toilet.

Nothing happened.
Hey!
Are you okay?
Hey! Danny!
I want to forget.

It's okay, sweetie.
Easy, Danny.
I met a girl, Jenny.
What kind of name is that?
Name crazy.
Do what you want, without giving any explanations.
You generally.
Jin.
Even her name makes me laugh.
What do you say?
To me I would love to start over.
You always wanted a different girl.
Katina very sad, but it shows.
Internal suffering for you.
So what? She did not here a year.
Do not want to go back in the past.
People continue with their lives.

Time and you can do it!
Think about the girl with alcoholic name, it may be your chance to be
happy.
Choose the best for yourself.
But hurry, because everything is changing so fast ...
Falling, watch it to himself and at one point it disappears.
And goes.
They were my best years.
The best ...
And never to return.
Keep an eye on Katina.
Amazing girl. I will never forget.
Well Grannies?
Have you seen it?
Do not laugh.
You must forgive her.
Of myself.
Keep Katina!
Do not let anything happen to her!
Never, my friend.
I will never forget you, buddy.
Aceh!
Girl you asked is below.
You're very good.
Will you autograph?
Gone.
Try to hit above.
Exactly.
What Saget for a meeting?
How about a fight?
No.
Do not hit girls.
That it be ...
Sometimes girls can be women.
Fight with me.
Stay in the two corners.
If I win, will go with you.
If you lose, you can not see.
Let's see.
We will chase you?
Many speak.
Give serious then.
You like pain?
It was disgusting.

Yes.
What do you think you're doing?
This is not allowed.
Aceh, let me land.
Stop this nonsense!
Let me finish it.
Go outside!
Do not have won, Aceh!
I'd smash.
I do not believe.
Get out of here!
Looking for something?
Excuse me.
But I will not get out of here until this girl agreed to come with me.
Then I'll help you.
Get out of here!
We're leaving you!
I'm sorry.
Guys, guys, please.
Calm ball.
Let the negotiations ... I will go with you, but not because its better
than me, but because you're lucky.
Wake up, Danny!
Where were you tonight?
Please pull the curtain!
They are looking for a few hours!
Why you went alone? Alone I took charge, Danny?
I was with the company.
What is achieved with this release?
I do not think they can endure more!
Guys, let me please!
I have shampoo in your eyes, please to meet ...
Okay, today at 10.
In 10. All right.
Not a minute later.
Grandmothers.
I must tell you something.
Better not.
I just remembered and I am sure that you want to know.
Aceh is Grannies! Aceh is back!
When I was in a taxi, he passed me with the bike.
Well this car?
Someone was robbed?
My brother is,

Hurry, the morning will turn into a pumpkin.
And where will you take me?
A place that you'll like.
Jump into the game.
Everything continues. I played on the aperitifs and sweets.
First a bermut but well chosen.
Cheers, Miss!
Then in a gazpacho. Green tomatoes and juice.
Gazpacho is great.
And a wild girl ... but strong!
Pour into my arm!
Don't mention it.
Put a little in my hand.
All right.
Embarrassing moment for former boyfriends ...
- How long?
What?
With that you slept?
Three.
What?
Three. - Can not be!
Now follows a triptych.
A what?
Triptych / three parts /
Do you close your eyes?
Cake, Tortelyonya and glasses of champagne.
What is it?
And a white wine.
"Farfadina"
I have no idea what you mean.
What is "Farfadina"?
Brand tonic "Farfadina."
Go straight.
Now, toss a coin into the water.
Wish.
The car does not turn into a pumpkin.
Maybe finally realize that you fell in love again ...
Please do not run after all meals ...
Stop, please.
You are different. The first and last ...
Think about it, right?
What do you want?
It told you everything.
I slept with a boy.

With a boy?
I took some drugs ...
And I do not remember everything ...
Come here.
Why?
I wanted a love story ...
As with your Aceh.
Love does not seek, Danny.
I know. Do not you remember him?
Do not you miss?
Go to sleep, do you?
Step!
Step!
One more step!
One more step!
One more step!
Now you can open your eyes.
You cold?
No. Not?
Son.
Mother.
My dear boy, take long.
We need to talk.
If you want to.
We life to blame, right?
Well, everyone at the table.
I can not stay.
Mom, stay, please.
It is not the time will come another time.
See you soon.
Do you?
Why not be queued?
I do not wait in lines.
And why so?
Want to go now or. . ?
Excuse me!
Excuse me!
A Coke.
You can tell that he did not expect to see me.
How are you?
I'm fine.
And you?
All right.
Who are you? - Hugo Olivera.

What's wrong with you, bitch!
I will not say that, you bastard, this is me!
Let me kill him, Hugo!
Enough Jin!
Go to hell!
Is it true that he has returned?
Yes.
Maybe someday you can go three?
I keep my number?
Do you change it?
No.
Then you will hear.
Grandmothers!
I really missed, you know?
When he died Poyo ...
I.
Povtyaray after me. "I will not deal with this type."
I will not repeat anything after you. I was right.
Katina.
At last came.
Katina, this is Gene, my new friend.
Pleased that is - How are you, Kathy?
Do you drink?
No thanks!
Drink something beautiful.
You know who I came across?
I do not like to guess.
Grandparents were here.
Before two minutes.
Where is it?
Where is Kathy?
Get out.
Before a minute.
Sorry.
What is this?
I don't know ...
Where is Hugo? - Went to see a friend.
Hello, I'm her boyfriend
Not my boyfriend and my little brother.
Is there a difference? Again to me snore.
What?
Can you give me?
Grannies Who is this?
One of my past.

Is it important to you?
I don't know ...
Hugo!
Late, bad ...
Watch the show, but without giving orders.
Jin will open the show with a song.
Are you listening?
Watch that wrong somewhere or not.
This girl is amazing.
You must be there.
Do you like red?
I took these because they are not my size.
Wait, wait, wait!
Can I come over there?
As if my answer is important.
When will I see you again?
We'll meet again?
Another meeting ...
I want another meeting with you.
All right.
Do you know when a couple is perfect?
When?
When the girl can be romantic.
In my house, I'll cook something.
I agree.
It is not what it seems.
See you soon.
To 9. Be precise and very beautiful.
When I was?
Try harder.
Do you want your jacket?
Keep it.
I feel good.
Girls, I need help.
I'm coming, Mom.
Tell Mama.
Help me with aperitifs.
Sister you ready?
Relax, everything is perfect.
Gene, I did a song for Love's sister.
Grandmothers, give it your father, please.
Very precise gift favorite.
It seems quite expensive.
No pains had to be so.

Let me see, Dad.
Beautifully f
Look what a nice gift.
Yes, that is nice
I also got you something.
Give it to your mother.
Chesita twentieth anniversary, Rafaela. I love you.
Discs.
How nice.
He told me he liked the movie and decided that it should have a keepsake.
Open it. Inside there are three discs.
Expected it?
No, never.
What, honey?
I'm sorry, Dad.
I'm sorry, Mom.
Sorry Grannies.
I am pregnant.
What do you mean, Daniel?
I was drugged, I do not remember anything.
Who is it?
Do not know.
Yes.
Welcome.
Can you talk to Aceh?
Who is this?
A friend.
I just wanted to congratulate him.
It is still working.
I'll call another time.
Alex, what happened?
Nothing serious.
Nothing happened.
Mom is a little weak.
You can go and see how it
Be kind to her.
Mom!
Son.
Are you okay?
What happened?
Nothing, do not worry, son.
Fatigue spoken.
I studied them for something?
They took samples.

But I know that everything is okay.
I feel it.
Promise?
Of course, my child.
How nice.
Try to sleep.
Do you need anything?
Of course.
What do you want?
Forgive me everything.
We catch up with everything. We have so much time.
So it
I'll be fine.
Everything is just beginning.
You know what is most important? Love.
Trust ... Right?
Of course.
Your brother wants you.
I needed to stay alone.
To explain some things.
Why not come?
I'm sorry.
What happened?
I told you, but will not believe me.
Just trust me, Gin.
Well you ... Do you believe in me?
You're with me, right?
And now what?
I think I answered your question.
Why?
Because you're the first person, which would give to ride my motorcycle.
Come on.
You need to go first.
All right.
Slowly.
Not so fast!
Next.
Slower, slower.
Would you hit it?
Slower, slower.
More slowly.
Just to hear the side.
It was good for the first time, beautiful.
Not my first drive motor.

Really?
Drive straight ahead.
Straight.
Ride in a straight line.
You're crazy, Hugo!
I want you! !
What?
I want you! !
What are these?
Come locked pairs and love with a padlock to the bridge forever.
They say that nothing can separate them.
Think well.
Forever is no turning back.
I can not believe it.
Sometimes I'm unpredictable.
So it
Your brother is a little strange.
Sometimes.
Grandmothers?
What do you want?
Well, I accept. We'll talk later.
But I promise something will not return my calls.
This is the bike of my friend who died in a race, why is it you?
I found it up.
Return it to me immediately! - Aceh! Aceh!
Katina, the motor of Poyo in him.
No, not worth it.
Look at me, look at me!
Hugo, please!
I have something for you.
I'll give it if I win.
Where are we?
I welcome you to my private beach.
Works only for important visitors. / We /
And where we can enjoy the beautiful music of our DJ.
Did you do it?
Yes.
Not ideal, but for special moments.
What is this beach without some water?
The bike was a friend.
My brother.
He left this world.
We lost him to a race.
Was girlfriend Kathy.

For it was also difficult.
The last thing I said was, "These girls are amazing."
Then he died.
I have not competed.
I do not do it.
You can burn memory.
How so?
Yes, someone out of your life ...
And you know you will never see it.
You can write all the things that you could not say, but you wanted.
You take paper and pencil and write a letter.
It can be long and can be one word.
You write it to the man who is gone but not send him.
When I write, burn it.
Exempt from all feelings and emotions.
Katina! No!
Do not do crap!
Pass me the candle.
Goodbye.
Come on!
All places!
Katina.
More slowly, they do not understand.
Hugo, you need to talk.
The main producer wants to invite your friend to a meeting.
I need your help.
I'll come as soon as possible.
Listen to me, must come immediately.
If it was not important, I would not bother, Aceh.
Listen to me, damn it!
Along with you head?
Well, I'm coming.
I'm waiting for you.
What should I tell him?
Sorry, but a friend needs me.
Do not you hear me?
Stay at least initially.
Do what you want.
But no longer turn to me for nothing.
Come on, all on the ground.
Hugo, please, I'm afraid, can not live without you.
Gene, please.
But I'll make it up.
Tomorrow.

Will not you come on the show?

I will try.

Hugo is inside.

Please? When he came?

I do not know, ask him.

Stop here.

I'm sorry.

I wanted to feel as before.

We will get married ... After months.

Why not me?

For a moment I wanted everything to be the same.

And the rain ... As if winter comes again.

Where is Gene?

Down the corridors.

I've been completely crazy.

Excuse me!

Do you, bitch what?

Go.

This SOB!

Son of a bitch!

Hugo, stop!

Leave it!

Chill out!

Chill out!

Look at me, that's enough, right?

Where were you?

Faster, please!

One race.

If you win, you return the bike.

Open!

Neeeeeeeeeee!

What are you doing? Stop, stop!

Enough!

Enough!

Not without me.

I am very sorry.

I thought I should see it last to go.

Screwed up everything, right?

Yes.

Mom?

What's up? Do not raining outside?

Bathing in the sea.
What luck.
Yes.
Mom, Mom, please.

You will see things clearly.
/ All over between us. /
I'll be a fool if you do not admit wrong. With you.
What can I write ...
Nobody is numb.
But the pain goes away.
Looking back, wanting to forget the first thing I remembered.
How sound only.
I decided to stay here.
/ Let's go outside? - Yes. - No, Mom. /
Changed and now I'm another.
Not to forgive. Not to forgive.
Without moving on.
Where am I in the future you Jin?
You can get better.
And to move forward.
I am close.
Closer.
So close that you feel me.
Of course, there are things that happened long ago.
But not even felt.
Just know that The moment always passes.
HE. but. .
And now there is nothing to release.
But it depends on me.
And you.
I love you.
You can help me if you want.
It depends only on me.
It depends on us.

And either.

Will not be easy.

He knew it from the outset.

But nothing good is not easy, Hugo.

Alone I will not.
