The Iron Heel of Oligarchy

By Aleksandr Bashirov

1

A warm summer evening in the Pines resorts
Butterfly sun rise in price by
It's already raised with Anzhi
Have nowhere
All is calm all
beautiful world
When I sit and think of letters
And do not have any
This silence worries
I think it is unrealistic
Not too quiet
Too soft
I know that this is the calm before the storm
For Democracy
I do not think that that should come
Involuntarily thinking about
what was and what is already
No
I think it's my
body
Rushing immense spaces of its
Tireless stones
Great rushing forward to what was
His sun
Planinic ideal of human freedom
He dedicated the best years of the case
My life
Now nationality
life air plane
Now when I remember it seems to me
Horrible dream
But then it was the easiest thing
Do
Plate
years never had never experienced such a
Universal destruction
Then this loneliness
During this time of death then for me
Abstract theory
But then again
but was not ever
Very simple fact
But nothing meaningful

And again experiencing all lytvyn
Now which way we
veins suicide
Nuzhdin go to his purpose
Now how valuable placement
Securities mosque there
Next day
I alone of all living Mongolian
Some type
It was not brought
And I do not think that my personal grief
More just regret that it
No
To see tomorrow's flight
Defeat can not be
Very thorough
Too hard they

So you will look at

Dark eyes watching movies
Too bold
It was just straight
afraid of nothing
Here achievements
wanted to waste time
Conventions Krivichy
He loved to read
I have three of these
areas
Despite all efforts he did not
Managed to find a poem in general
No one knew even uncomfortable
That produced the impression
Directly merry boy
Liked or they hate
I felt that under the guise of
Presumptuous upstart
Hidden
Tender
Children susceptible soul
I do not know where
excluded
It seems it was just on women's
Intuition
If such a person has not met
May very well be that this is why
Or no though for 24 years

I was forced to confess
Internet

But what question still
And I asked for our identity

Bothered me every time when I take the newspaper
How do you know
