# The Penny Dreadful Picture Show

By Nick Everhart

1

It's done, mum.

We've made the selection and  
it's ready for you.

The perfect edit.

"Pop Goes the Weasel"

This is so amazing, isn't it?

No, it's kind of creepy, honey.

No, just watch.

It's exactly like the kind I had  
as a child,

and the lady, she didn't even  
charge me for it.

She just gave it to me.

No, I'm sorry.

That's just weird.

It's not weirder than your doll  
collection.

My vintage Barbies aren't  
terrifying.

Ken sure is.

"Pop Goes the Weasel"

"Pop Goes the Weasel"

"Pop Goes the Weasel"

Tonight's the big night.

Everything needs to be perfect.

Are you sure this is a good  
idea?

Whatever do you mean?

We've never exactly had guests.

Oh.

It's only been the three of us  
as long as I can remember.

And the girls.

Of course the girls.

The girls.

You're not scared are you,

Neddy?

A little.

Oh.

And, Penny, you know it takes a  
lot frighten me.

Well, don't worry.

Everything will be perfect.

I've waited my whole  
non-existent life for this.  
The excitement, the romance,  
the magical power of true love's  
first kiss.

Oh, it'll be tremendous,  
stupendous,  
spontaneously wonderful.

Penny,  
might ask you, where exactly  
did you find this gentleman?  
The Internet.  
You can find almost anything on  
the internet.

Come on.

Mum,  
what if our guests just don't  
respond well to us?

Well, fiddle-dee-dee.

What's not to love?

Come on, help me get ready.

What if they suspect that we's  
different,  
that we's not normal?

Ah, whew.

Look if he causes any trouble  
and he's not  
the one then well, we'll just  
handle it.

By handle it do you mean  
politely ask him to leave?

No we slit his throat and chop  
him  
into a million pieces and throw  
him  
into the incinerator.

Very good, mum.

How do I look?

You look...

you look...

Oh, he's here!

Bugger.

Yello?

Hello.

You must be Rex.  
Yeah that's me.  
I'm Penny.  
Welcome to my...  
Great! You wanna go grab a taco  
or a drink or something?  
No silly, we're in a movie  
theater,  
we're gonna watch a movie.  
A scary one.  
Now we all have to be on our  
very best behavior.  
Tonight we have a special guest.  
Judith?  
No slouching.  
That's better.  
Ok that's a little strange.  
No talking during the movie.  
Shh.  
Popcorn?  
Sure.  
Actually I'm good.  
Hey you know what? Why don't...  
Shhh, it's starting.  
Oh God.  
It's fine.  
Whatever happened last night,  
it's fine.  
We made it home all in one  
piece.  
Mostly.  
Oh God.  
I ordered the chocolate glaze,  
you can have the one with  
sprinkles.  
Are you telling me  
there's only one chocolate  
doughnut?  
No! Wait! There's...  
one with chocolate glaze.  
And two with chocolate doughnut  
and chocolate glaze.  
Does a doughnut with only  
chocolate glaze

count as a chocolate doughnut?  
I don't know but gimme it.  
Nothing happened.  
I swear.  
Just...  
one innocent flirtation that's  
it.  
Can we at least talk about it?  
Alice please.  
Charlie don't.  
What do you want me to say?  
I'm not a mind reader.  
Well great, this is just great.  
So we're just gonna sit out here  
all night, huh?  
Let's just go inside.  
We'll have a good time,  
then we can work this all out in  
the morning.  
Come on.  
Yeah, then everything will be  
fine right?  
It's weird, I'm not...  
I'm not even jealous or angry.  
I'm just...  
I'm just numb.  
I've been meaning to do this  
for awhile now...  
I just never found the right  
time.  
Would you...  
Alice...  
you just... just put it on.  
I'm, I'm sorry Charlie.  
I can't do this.  
What? Isn't this what you want  
from me?  
What more can I do for you?  
Charlie you're drunk and you're  
confused  
but this isn't a solution to any  
of this.  
Just...  
Take it.

Please?  
Just...  
Think it over.  
Maybe you'll come around.  
I really need to be alone right  
now.  
I'm sorry.  
Please don't follow me.  
What!  
You know, why don't you just  
pawn  
the God damn rock?  
It's okay.  
I had the doughnut.  
Morning.  
You guys seen Theo?  
I'm making art.  
I can see that.  
You missed an amazing party.  
What'd you guys do?  
What is this, a joke?  
We got trashed.  
Sit. Sit!  
Come on!  
Sit.  
That's better.  
I missed you.  
Whoa!  
You are going to need these.  
I'm sorry.  
Now that I think about it.  
I haven't seen the cat.  
That's weird.  
Here kitty, kitty, kitty, kitty,  
kitty.  
Theo.  
Thanks Charlie.  
Here kitty, kitty, kitty,  
kitty.  
So, really, none of us have  
seen the cat?  
Anniversary party.  
Tonight at the lake, if you're  
coming.

Yeah. I remember.  
They're going to be really happy  
to see me.  
I'll be home by seven.  
Who are?  
What do you mean? They love you.  
Besides your drunkenness  
and general lack of pedigree.  
So, where'd you go last night?  
Oh, God, honestly I don't even  
remember.  
It's all kind of a fog.  
Convenient.  
It takes a true drunk to black  
out.  
Alice, you never cease to amaze.  
You should've been there.  
Yeah, you should've been there.  
Um, have you seen the keys?  
Don't you have to work, Angel?  
My world would be so dark and  
lost without you.  
You're pure enlightenment.  
I'm enlightenment.  
Where are my keys?  
Of course.  
I'm, off.  
Great.  
Oh, God.  
Freedom in a bottle.  
All you have to do,  
...is drink.  
Whoa!  
So, of course,  
I called the water company.  
He says he doesn't know how long  
it will take to fix it.  
Can you believe that?  
Not like it's his job or  
anything.  
That is so unprofessional.  
The least they could do  
would be to give us some kind of  
timeframe.

A place like this.  
Almost makes you feel more  
alone.  
It's funny isn't it?  
I'm talking to somebody, am I  
right?  
Maybe it's just some sick joke.  
To making us think that we  
deserve...  
Or really, maybe, maybe,  
maybe...  
This is just all there is.  
You're welcome  
Gosh, I seem to be talking on.  
I'm sorry you don't know me.  
Don't be sorry.  
I think...  
I think it would be nice to get  
to know you.  
Why? You gonna give my ring  
back?  
Oh. Yes.  
I apologize.  
It's not even really mine.  
I'm not married or anything.  
Look. You should probably  
really head home.  
This place can get a little  
rough.  
I thought you said  
you want to get to know me.  
Beside it can't be all bad,  
you're here.  
Can we get another round of what  
ever he's having?  
Clive.  
Alice.  
Hey.  
Sorry, I did it again.  
Remember we've got that meeting  
today at 2.  
Did you do something with your  
hair?  
Hey, Jim, have you ever have

one of those nights where you  
think  
you may have changed your life  
forever,  
but you just cannot  
remember what happened?  
Are you kidding?  
Most patrol nights back in  
Korea.  
Yeah I figured.  
Has charlie been fooling around  
again?  
You know, I'm not sure.  
But thanks for reminding me.  
You've been a big help.  
Anytime sugar.  
So the meeting?  
Be there or be square.  
I'll get ya in on a little  
secret.  
It's Sue's birthday.  
There will be cake.  
I don't think I'm gonna make  
it.  
Actually, I haven't been feeling  
so well.  
I think I'm just gonna pop on  
over  
to the doctors and get a check  
up.  
That's too bad.  
What a bummer you'll miss the  
cake and the streamers.  
I think it's vanilla with  
a butter-cream frosting.  
That's what I'm hoping for.  
Do you want me to save you a  
piece?  
Alice?  
Yes.  
Dizziness?  
Yes.  
Fever?  
Yes.

And memory lapses...

Huh, stomach pain loss of  
appetite?

Yes.

Ok, were gonna need to run a  
few tests.

I'll have the receptionist call  
you in a day or two.

Whats wrong with me?

At this point, there are lots  
of possibilities.

When I get the blood work back  
we'll know more.

So this could just be a really  
bad hangover?

Should it be?

That's the thing, I...

I can't seem to remember.

My memory's a little foggy.

Well, just try and get some  
rest.

Thank you.

Hello.

We really have to do something  
about this heat.

How did you...

I'm special.

But you already knew that.

Look I'm, I'm sorry, is there  
something

I can do for you miss?

Doctors can't help you.

Are you following me?

Ya know,

you pull off decomposition very  
well, I must say.

It's cute and vile all at the  
same time.

It's very sexy.

I know it's silly but I missed  
you

and I'm sure you missed me too.

Look I'm sorry.

I don't know who you think I am

or what you suppose  
happened between us but you're  
imagining it.  
Please leave me alone.  
You're dying inside.  
Every little organ is slowly  
giving out,  
one by one by one.  
You're experiencing life in a  
way  
you never thought possible,  
sounds are heightened,  
reflexes faster,  
touch,  
taste,  
smell...  
Wow look what the cat dragged  
in,  
I have missed you.  
Three shots of Ouzo.  
I'm sorry I didn't mean...  
I'm just...  
You're not going anywhere.  
I'm sorry if you think me rude.  
I'm just not that good with  
strangers.  
What is that perfume you're  
wearing?  
I'm not wearing any perfume.  
Alice, have you ever been with  
a woman?  
You have such a sad, sad look on  
your face.  
Jess, leave her alone.  
So like a man Clive.  
Uninspired.  
So this is what we're going to  
do.  
Your gonna take this,  
and then you're coming with me.  
See that wasn't so bad.  
You are so soft.  
What the hell this is my house,  
how did you?

We have to do something  
about that memory of yours.  
Of course, gallivanting around  
outside all day  
hasn't helped.  
You still have a lot to learn.  
What in God's name are you?  
God?  
God has nothing to do with this.  
I was the one that took a sad,  
pitiful,  
meaningless girl and turned her  
into something truly  
spectacular;  
And now it's your turn  
to return the favor.  
On one hand you can become a  
rotting corpse  
and on another...  
a god among men.  
Oh my God, are you insane?  
Drink.  
Have you listened to yourself?  
Have you looked at yourself?  
Go on take a look.  
You have minutes...  
seconds left on this earth.  
Last night I gave you a vial,  
but it's not  
enough to change you, not  
completely.  
Oh my God.  
Oh my God, oh my God, am I going  
insane?  
Why couldn't you just leave me  
alone to die?  
I could have.  
But for crying out loud.  
There, there.  
Maybe you weren't special in  
this world.  
Maybe you weren't loved the way  
you needed to be loved.  
But you can be with me.

"House of the Risin' Sun"  
You've done this before.  
You are the only thing I'm  
thinking about.  
I want you so bad don't be  
afraid.  
Alice,  
why weren't you at work?  
I've been calling you.  
Jess, please. Let him go.  
What the hell?  
Alice are you okay?  
Listen to me, if you've hurt  
her...  
You're pretty.  
I would have expected you to be  
taller.  
You're kind of cute.  
All talk no bite.  
Jess, don't please.  
Something I forgot to mention  
how is it that humans  
don't know we exist?  
It's strange right?  
See anytime one finds out,  
they cease to exist.  
That's it.  
Do you feel the hunger  
growing inside of you?  
It will only grow and grow until  
you drink.  
Charlie...  
You're a monster  
Watch  
How powerful is a kiss?  
A blending of the minds.  
Charlie dear, why don't you  
go lie down you look tired.  
But I want to be near you.  
Go.  
Yes, of course.  
Charlie... Charlie...  
Alright.  
Charlie.

Charlie.

It's amazing.

It's sexy isn't it.

Power.

So what happens now?

We drink his blood and then  
what?

Do we live together forever?

Well, yes.

Except you will drink.

He's too common for my taste.

Inbred spoiled brats like him  
have such thin blood.

Past this puritanical disguise

I know your true nature.

We will be the perfect match.

Yes but I don't want to  
hurt the people I love.

Oh, for crying out loud, Alice.

How long are you going to keep  
this up.

Theo? Theo?

You... You ate my cat?

Yes.

When we got back I was in the  
mood

for something sweet.

Oh, so you can eat my cat  
but you can't eat my boyfriend?

Are you really surprised?

You know we can do this all day,  
we have an eternity to work  
things out.

Right now, we have a boy that  
needs draining  
and I really think it would be  
better for both of us  
if you did it before he was  
fully conscious.

Don't you?

You're right.

You've been right all along.

I don't know what's wrong with  
me.

I shouldn't be fighting you.  
I should be grateful to you.  
You saved me.  
I always knew you would come  
around.  
You are different.  
I knew it from the moment we  
met.  
Yes, we will always be together.  
Yes, we'll always be together.  
I love you so bad.  
It's ok.  
"When Summer Is Through"  
"Hand In Mine"  
So what's a nice guy like you  
doing in a place like this?  
What do you say you and I get  
out of here?  
Ya hey!  
Wow! Wow, wow...  
Now, as we always do, we shall  
discuss.  
Ladies?  
What do you mean?  
How can you say that?  
Your opinions are so whacky.  
I think we've had enough of your  
negativity.  
Whoa, whoa, Jesus Christ.  
Sorry.  
I'm so sorry you had to see  
that.  
Okay. Put the gun down now,  
psycho.  
Okay?  
Oops.  
Yeah.  
Oh, pointing loaded guns at  
people is rude.  
Yeah.  
Okay, I'm just going to walk out  
of here now.  
Okay? Nice and slow, I'm just  
going to...

No.  
No, wait.  
You're supposed to stay.  
You're supposed to give me a  
kiss,  
a kiss of true love.  
I knew this was going to  
happen.  
Yep.  
Okay, listen, lady.  
This is too much for me, okay?  
The creepy theater, the old  
movie,  
talking to dolls.  
I mean, at first I was like,  
"Hey, cool costume.  
Nice ass. Maybe I could hit  
that."  
You know?  
Okay, look.  
Look, if you want to we can  
still  
go back to my place and get it  
on.  
Just not in front of the freak  
show  
you got going on over here.  
So what do you say?  
We get a nice bottle of booze,  
go back to my place, put on a  
little...  
Dirty, dirty, nasty boy.  
And to think I thought you could  
give me  
my first kiss.  
Help!  
Oh.  
Help me!  
No, no, you keep bleeding.  
You're a very, very bad man.  
I'm so sorry.  
Oh, thanks, Neddy.  
It's okay.  
I double booked just in case

things didn't work out.  
Wolfboy,  
go get the chainsaw  
and the trash bags.  
Do you mind if I snacked a bit  
first?  
We rarely get meals so fresh.  
This is true.  
Oh, go ahead.  
He's here early.  
Hello?  
Hello?  
Welcome.  
My, my, my.  
What perfection.  
It's an amazing look.  
These look so real.  
You're so cold.  
Do you need a jacket or a cape?  
I have something to show you.  
This is so great.  
You know, you should really post  
some tips  
on how to your look on the  
cosplay boards.  
I have a Facebook group too.  
You should...  
...this place. Wow!  
You know, this would really be  
like  
the best date ever.  
Oh!  
Amazing!  
What props, and the makeup?  
You really didn't have to  
do all this for me. I mean  
this...  
It's for true love.  
I mean, that's great.  
I mean, you know I'm into the  
whole  
horror movie thing and  
everything,  
but you didn't have to do all

this.  
This is...  
Okay, this is your seat  
and I'm sitting right here.  
Oh, okay. Yeah, great.  
Let's do this.  
So...  
You talk a lot.  
I'm sorry.  
Am I talking a lot?  
I talk a lot when I get nervous  
and I'm really nervous right now  
because I rarely ever go out on  
dates.  
Rarely.  
I mean, like never,  
and you're so...  
hot!  
If I'm not being too forward.  
I'm really glad we met.  
Okay, it's time for the movie.  
What kind of film is this?  
Is it a creature feature, or a  
slasher,  
or aliens?  
It's a good one.  
Cool!  
Hey, babe.  
I supposed  
old Manna the bear and her cubs  
are about bedded down for the  
winter.  
Yoo-hoo, anyone home?  
Hi, Mr. Ranger.  
Hey, mom, Mr. Ranger's here.  
What's up, man?  
Good morning.  
Fucking cartoons.  
What time is it?  
Three, I think...  
Where's Nancy at?  
She's waking the others.  
Come on guys, we have to hit  
the road.

We're coming.  
Seriously guys come on I know  
what you're doing.  
We have to hit the road.  
I really shouldn't...  
...Betty's going to be pissed.  
Fuck her.  
You guys are seriously toking?  
Don't be mad?  
I won't be mad if you don't  
bogart the thing...  
Pass the Jane.  
My girl is the coolest thing  
in the world.  
Way cool  
Hey baby what's up?  
They're in there doing it  
again.  
You guys what the fuck are you  
doing?  
It's totally Zen baby.  
All aces.  
Really? Well I don't want to  
stay  
another night in this dump.  
We have shit to do.  
You know what? You're right.  
Come on.  
Let's jam brother.  
Upsy daisy.  
Hello. Hello?  
This makes shop lifting easy.  
We really are in the sticks.  
The bathrooms locked.  
How're you all doing?  
Sorry nature called.  
Great do you have the key to  
the bathroom?  
The bathroom ain't worked in  
ten years.  
Should have just boarded it up  
instead of locking it.  
Suggestions then?  
I usually go out back behind

the oil drums.  
You have any cold beers boss?  
Oh yeah sure.  
American beer only.  
None of that European crap.  
Works for me.  
Can I get seven dollars on pump  
2?  
Fillin' er' up. Alright.  
You kids on spring break?  
Something like that.  
Don't get very many vacationers  
up here anymore,  
especially since all the bad  
press  
this place has been getting.  
Oh you are talking about those  
missing persons.  
Serial killers, monsters in the  
woods...  
Some'n like that.  
Oh hey, man.  
Yeah, let me take a couple of  
these.  
Alright.  
Oh honey, I need some Bit O'  
Honey.  
Are you serious.  
We'll take these  
not these.  
Hello?  
Do you want a bag for them?  
No we're drinking in the car.  
Alright, we're jetting!  
Guess what? I'm commandeering  
the 8 track.  
No more of that Captain &  
Tennille bullshit.  
11 missing people  
over the past three years  
all within a sixty mile radius.  
I haven't seen a town for sixty  
miles.  
Yeah seriously, your research

is not exactly spot on...  
the last three hot spots...  
hot spots had nothing, zilch.  
I just read the news.  
How can you read a coloring  
book?  
I vote we keep driving.  
I'll make that call.  
Oh. Oh, okay.  
Make the call.  
Put your foot down. Oooh.  
My van, my road trip, my rules.  
Could someone get their twist  
in a joint,  
and turn up the music please?  
Hey what do you want to listen  
to, Jerry?  
No Doobie Brothers.  
We can't listen to music  
we'll miss the hot spots, right  
guys?  
Could we at least put some  
tunes on?  
There's no power.  
Oh God.  
Hey Jerry, tell us a story?  
You're always so funny.  
Oh. Oh no, Jerry is not very  
entertaining.  
Hey, I resent that.  
I think that you are very  
entertaining  
No, no please don't give him a  
hand job  
in this car. We don't want to  
see that.  
Guys I think someone is coming.  
No shit.  
Not in here out there.  
Hey, pretty thing.  
What seems to be the problem?  
We're stuck can you help us?  
Yeah I'll take a look.  
Lost a spark plug wire.

Well shit fire and save  
matches, boy.  
How long have you been driving?  
- All night at least five hours.  
- Five hours, yeah.  
Deader then a door nail.  
Really?  
I ain't got that part in my  
shop.  
You'll have to wait till  
morning.  
Is there a motel nearby  
or somewhere you can take us?  
Yeah?  
Nearest motel is about 100  
miles back that way.  
Oh. That's where we just came  
from.  
He's not that creepy.  
No, he's...  
he's creepy.  
Are you desperate enough I guess  
I can let you all stay at my  
place.  
Really you'd do that?  
Sure, fix it in the morning.  
It would take me  
fifteen minutes to put the part  
on.  
Take no time at all.  
We don't want to be any  
imposition.  
Ain't no trouble. Just gotta  
give you  
a heads up though,  
my family's a might bit  
eccentric  
if that don't bother you.  
Different strokes for different  
folks, right?  
We just don't want to sleep in  
the van again.  
Why don't you hop in the truck  
there, boy.

And you, pretty little thing,  
hop in the van  
Appreciate it.  
Who would stop in the middle of  
the night?  
He is going to let us stay at  
his house.  
Perfect strangers.  
That's kind of weird.  
Bad idea to talk to strangers.  
Now you all remember now,  
like I said about my family,  
ain't quite typical...  
especially you big city folk,  
you're big city folk right?  
Yeah.  
Brother!  
Hey!  
Sweetheart!  
Good to see ya.  
This here is my baby sister  
Ruth.  
Candy. Everybody calls me  
Candy.  
Incest... check.  
Gosh, Ruth is kind of an old  
sounding name  
don't you think?  
Yeah.  
Hi. June.  
Jay.  
So why do they call you Candy?  
Because I am the sweetest thing  
in this entire county.  
I bet you are.  
Hi. I am Nancy and I am not  
amused.  
Hey.  
Hey.  
Hey, Mama.  
Oh.  
This here is Ron.  
He and his friends,  
they got stuck in route 33.

They going be staying the night,  
if that's okay.

Oh, well how do you do?

Good to meet you Ma'am.

How many friends did you say?

Ah, they'll be six of them.

Six!

Some real good party.

Yeah!

It's my brother's 45th.

Now, I know you can't believe  
that I would have a son that  
old, can you?

I never would've guessed ma'am.

You look great.

Oh well now, aren't you just  
most charming  
little devil, you.

Will you stop that!

Shit fire, Mama!

I'd told you not to get in my  
cooking.

Yes ma'am.

We are gonna have  
some real good party tonight.

Ah, you do like cake don't you?

I love cake.

Oh I hope we have enough...

nice meeting you, I'll be right  
in.

And get that chaw out of your  
mouth.

Yes, ma'am.

Thank you.

One set of lovers campus beds.

These beds are really sturdy.

See, Cody is really good with  
his tools.

Ron and I will take this room.

Great. Okay so there's two more  
rooms

down the hall, so just make  
yourselves at home.

I gotta go get ready for the

show.  
Show?  
You'll see.  
Give that bitch a show.  
Babe, mellow...  
Hello?  
Oh hi, honey, what?  
That's great news, I'll see you  
then.  
That was Papa, so we can start  
the show.  
He said he'd be home in time for  
dinner.  
Cody!  
Are you drinking a Pepsi?  
Have you offer these folks a  
Pepsi  
or a beer?  
Where are your manners?  
When are you gonna learn to be  
hospitable?  
I'm sorry Mama.  
All right well you do the right  
thing now,  
have a beer Pepsi.  
Yes Mama.  
You want Pepsi?  
Hey. Yay!  
Okay guys  
just don't make fun of my  
outfit.  
I grew a bit since I graduated.  
Do you want to tell her that  
her outfit  
isn't a problem or shall I?  
Brady loves my cheers.  
Ruthie and Cody, Candy and all  
of them.  
Candy, Ruthie likes to be called  
Candy now.  
I love Candy!  
Yeah we all love Candy.  
Give me a G.  
Yay!

I don't have a good feeling  
about this.  
Nah this is cool.  
Come on everybody.  
Give me an R, A.  
It's kosher, trust me.  
Okay now give me an S.  
S!  
Okay, that does spells?  
Generals!  
Way to go Brady, Way to go  
Brady.  
Happy birthday.  
Ah...  
I missed the show.  
Honey.  
You wore your apron home again.  
Yeah, I've been busy.  
I can't believe you don't  
know...  
have smell that thing when you  
are driving home.  
Oh stop it, it's just me, I'm a  
butcher.  
Everybody let's eat, we'll ah,  
make  
introductions at the table.  
Now where you kids heading, uh?  
Ran away from home.  
That isn't funny, don't insult  
our guests.  
Really not that insulting.  
No...  
Aren't you guys eating?  
There is plenty of food.  
Yeah go and get you some.  
No, where are not gonna eat,  
because we are not fucking  
cannibals.  
Oh, I'm so sorry.  
You guys are those vegetarians.  
Silly me, I should've of known,  
big city kids.  
I'm sorry I should've made you

more vegetables.  
We're not vegetarians.  
Well then.  
What is it then?  
That you insult our  
intelligence ma'am.  
We know what you inbred  
hillbillies are up to.  
Now that's insulting.  
I'm afraid I'm gonna have to...  
ask you kids to leave.  
Why because we are not falling  
for your  
fucking tricks, not eating your  
poison food?  
Not willing to become your next  
set of victims?  
What in the hell are you  
talking about.  
Don't piss him off lady.  
You are starting to piss him  
off.  
Mama I'm getting scared.  
Shut the fuck up you little  
tramp.  
That's enough!  
I want some salt.  
Where is he, huh?  
The other brother.  
The one with the chain saw,  
power drill,  
you guys keep him locked up in  
the basement,  
waiting for us to get all doped  
up on your  
poison food. Is that it?  
Now listen boy, I've got the  
van,  
I think it's best you all sleep  
outside tonight.  
Okay, I don't want no shit y'all  
happen to be on,  
but you're scaring my family.  
Scared?

And that ain't right.  
You wanna see something really  
scary?  
Yes!  
Ow... Ow...  
You know what pistol whipped  
is?  
Check this shit hole out,  
I'm sure there's place where  
they are  
keeping the bodies, or at least  
all this shit that they jacked.  
Shut up!  
Stand her together; Just in  
case anybody  
gets sloppy I want you to fuss  
them all.  
Whoa...  
Why y'all doing this?  
Justice, payback.  
It's the right thing to do.  
Why are you splitting everybody  
up.  
It's psychological,  
see what you think is going on,  
is almost always worse than  
what's really going on...  
Although we do intend to do  
some pretty wicked shit.  
That sounds gruesome.  
No. God, no.  
Y'all think we killed  
them Potterville kids don't you?  
And the spring break kids  
and the missing girl scouts, or  
the hitch hiker?  
No, I swear we didn't have  
anything to do with it.  
I swear you have the wrong  
people.  
I don't think so.  
I am going to ask you one more  
time.  
You got monogrammed shit

all over the house.  
Okay, you have an extra place  
setting  
at the fuckin table.  
So where is Rusty?  
Rusty is our son.  
He was lost in the war.  
He never came home.  
I always set a place for him.  
Why are you trying my patience.  
Bitch, do you want to die?  
Okay, okay it's your birthday.  
What do you want for your  
birthday?  
It'll be like magic.  
I want my cake.  
Try this. Try this, come on.  
What?  
I'm eating them all night.  
Don't worry about it, man.  
It's your birthday, man.  
You're not getting cake, fuck  
tard.  
You're not getting cake.  
Good girl, one, two.  
Nice, nice.  
Nice little torture chamber we  
have here.  
Okay, okay, okay.  
Calm down, no tears, you want  
cake?  
Yeah.  
Here is the fuckin cake, here  
it is.  
I want cake. Big piece.  
Tell me what are you?  
Necrophiliacs? Pedophiles?  
Not that I have any fucking  
idea.  
Fuckin republicans you son of a  
bitch  
That an old picture of Tricky  
Dick up there.  
I mean, not that that explains

anything at all.  
Even though there are plenty of  
cannibals  
with pictures of Nixon on the  
wall.  
You know what I'm saying?  
I am what you might call a  
nympho.  
I'm always horny.  
I think about sex every second.  
Mmm. Yum. Cake is good!  
Good!  
Do you want some?  
You can have a piece.  
You can have a piece, we can  
share it  
with your friends.  
Wait!  
Cake, you want some?  
Have a piece of cake.  
Hello?  
Shit.  
You all right?  
Yeah, I'm cool.  
Your fella is on fire tonight.  
That's far out.  
Dynamite.  
So you got some dirt, right?  
Man, these people are all good.  
Tight as a drum.  
Even checked back in the shed.  
Nada.  
But they are guilty, you know?  
Who.  
Ronnie is always right.  
Yeah. Ronnie is always right.  
Yeah I do know one thing  
though,  
I am way too sober for this  
shit.  
Wanna rock a speedball?  
Hey,  
just promise you won't touch my  
tits okay?

Promise.

This guy he is a fuckin demon.

Hey get a grip, Hoss.

He is a fuckin demon.

Hey, calm down.

Why you gone like this?

Us?

We're normal, you're the  
weirdoes.

It is 1975,

who the fuck doesn't own a  
television?

We just want to be left alone,  
that's all.

Just want to be left alone.

Too bad, bro. We are all in  
this together.

See what you do effects other  
people.

You know that tow truck out  
there?

It spits shit out into the air.

And that pollution is causing  
the planet to cool.

Yeah that's right fucko.

Another ice age because of  
idiots like you.

It's called global cooling

You serious?

Fuckin right I am!

Why the fuck can't you people  
just be normal?

You know I am a little  
disappointed, I...

thought a hooker like you would  
perform better.

Huh?

Are you itchy, I am itchy.

I'm a little itchy, I'm a little  
itchy.

I got some bug spray.

Does Candy have some crabs.

You got some crabs?

Maybe sweet little Candy has the

crabs.  
Stop it, please.  
Say cheese.  
Birthday Brady, birthday Brady.  
Yeah I am just getting warmed  
up.  
Hey you ready Mamma?  
You ready for the show?  
It's my birthday.  
No cut a piece. Cut a piece. Cut  
a piece.  
Don't take, cut a piece!  
Did we get them little bugs  
out? Hmm?  
Why don't you just chew on  
these for a minute.  
Make yourself useful.  
It's gonna be good.  
Okay, ready?  
Sit tight back there.  
I'll get you all ready.  
Come on, come on.  
No, No.  
Don't waste that good shit.  
You're wasting it.  
Come on.  
It is good.  
I know.  
Wow!  
It's why you married him, you  
know?  
It is good!  
Real beautiful, fucking crazy  
beautiful.  
What?  
What are you saying?  
Yeah, come on.  
Come on.  
No, no, no, my cake.  
What?  
It's mine.  
What?  
Fucking Bitch!  
Fucking shoot in me.

Jesus.  
Fucking Bitch!  
What the fuck happened?  
Why did you do that?  
This is my cake!  
Now what?  
Jesus.  
That bitch has a gun!  
Whew!  
So... fucking pervert.  
Ron?  
Ron, what happened?  
She got all fucked up.  
Where's Nancy?  
Nancy is missing, you go find  
her.  
But first shut that old hag up.  
Okay.  
I'm going to take care of the  
retard.  
Yeah.  
Hey. What happened?  
I want some cake.  
Can I have some more cake?  
Your friend ate my cake, I  
shared.  
I did.  
And he took more.  
Can I have some cake?  
You know maybe at the end of  
the day,  
she really does make sense.  
This isn't like last year.  
I didn't have any friends at my  
party last year.  
Fuck me.  
I just hope this Rusty shows  
up.  
Because I'll be ready for him.  
Rusty can't come home.  
He's with grandma and grandpa  
now.  
Cody? Ooh.  
Maybe we should just leave it

up to fate.  
Can you wake up my brother he  
has to take me  
to the mall on Thursday.  
Okay monkey boy.  
Game. I like games, I play  
games.  
I am good at games.  
Checkers and cards  
and ping pong.  
Since things got a little out  
of hand  
I figure it's the only way to  
keep it fair.  
Pow.  
Look at you super star.  
You got yourself a second  
chance.  
That's a gun.  
A gun.  
And its for you.  
My dad has a gun. He wont let  
me touch it  
He says it's dangerous.  
It is.  
Dangerous. Dangerous.  
That's right, it's time for you  
to exercise  
your second amendment rights  
friend.  
Cody says that  
"Guns don't kill people. People  
kill people."  
We went hunting.  
Cody took me.  
Don't be shy.  
Come on.  
Aim that thing right her.  
And he shot a deer and we ate  
it.  
Shoot me.  
And it was dry, I didn't like  
it.  
Shoot me.

Oh come on and shoot me,  
you retarded mother fucker.  
Okay.  
Did I?  
Did I win?  
Jerry?  
Hey Jerry, Jerry wake up.  
Jerry wake up.  
Where are we?  
I don't know, convenience  
store?  
What happened  
I was passed out.  
Here is some tea  
to warm you up.  
There you go, sport.  
Oh darling let me help you.  
There you go.  
Kind of a rough night up there,  
huh?  
We don't know what you are  
talking about.  
We got real drunk, and...  
Passed out real early.  
Real early.  
Drinks?  
Are you sure about that?  
You still have that rig  
tied around your arm.  
I am sure you don't need that to  
throw back  
a couple of cold ones.  
Shame what happened to the  
Slaughter family.  
Slaughter family?  
Oh yeah.  
Slaughter  
That was their, that's their  
name.  
Kind of ironic seeing as how  
Billy Jack was a butcher.  
Ah, been having a tough time  
last couple of years.  
Rusty and all.

Their son.

It was kinda tough on me too  
being in the middle  
of the family situation like  
that,

having to keep that secret.

How do you mean?

Well, Rusty got a little messed  
up

in Johnson's war over there.

Brutally disfigured, face all  
burnt up.

He didn't want to come back  
to the family looking like that.

He wasn't ready for normal  
society.

So we just decided to tell them  
he's dead.

And I told him he could come  
here and live with me  
and I would help him out with  
his issues.

Jerry?

They turn our boys in to killing  
machines.

It's hard to let go.

Hey, maybe someday

Rusty will just want to stop  
killing.

Could maybe even turn back to be  
normal.

Rusty!

That was great!

I have never seen that one  
before.

And I thought I have seen every  
slasher

especially from the seventies.

Will you stop talking?

You talked through the entire  
film.

Nobody does that not even

Agatha.

And she's crazy.

I'm sorry.  
Maybe we can just be friends.  
I already have the best friends  
in the world.  
I don't need friends.  
What I need is true love's first  
kiss,  
and you are definitely not it.  
Okay, okay, don't have to get  
all crazy.  
Crazy, crazy, psycho?  
The last boy said mean things,  
too.  
No, no, no. This is real?  
This is real?  
Uh, hello? Welcome to the  
undead movie party.  
So do you all think  
we should let him go?  
Probably not a good idea.  
This  
is going  
to be  
harder  
than I  
thought.  
Ah. All better.  
Who's that?  
Hello?  
Is anybody here.  
I am here about the items you  
posted  
on craigslist.  
I didn't post.  
I did.  
Oh  
He was trying to make a little  
extra money.  
Ah. Well this is a great place  
you have here.  
It's a real fixer upper.  
Are you guys putting on a show  
or something?  
Something.

Okay. That is my personal space  
thank you.  
Here we go these are all  
antiques.  
Each one is \$10,  
or you can take the whole box  
for \$100.  
Wow, okay yeah.  
This is actually some great  
stuff here.  
You should take this.  
Okay, but I was thinking more  
about the...  
It's free.  
Free?  
Free?  
Well, great. Okay.  
Yeah, I mean it's just like the  
kind I had as a kid...  
You should really do that at  
home.  
Okay I will do that at home.  
Thank you, for the...  
and let me know about the whole  
show thing I'll buy tickets and  
bring the family.  
Goodbye.  
Should we go after him?  
Oh no I think we got him  
covered.  
Sorry about the lack of  
finances, Wolfboy.  
That's okay I am more worried  
about Penny.  
Oh that's sweet.  
Feels like this true love thing  
is  
right in front of me  
starring me in the face.  
What should we do in the mean  
time?  
Let's watch a movie.  
"Halloween"  
Froggy Fresh

and Money maker Mike, of  
course  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean? It's  
Halloween.  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean.  
It's Halloween.  
It was October 31st  
Me and Mike have walked 10  
miles  
and we were dying of thirst  
Then all of a sudden  
we remembered about the curse  
It was the curse of the  
Birmingham hearse  
On this very night, 20 years  
ago  
A big black hearse went  
spinning off the road  
For no good reason it blew all  
4 tires  
And guess who was inside it?  
Mike Myers  
We heard stories but we knew  
they weren't true  
About the boy who went  
missing,  
They only found his shoes.  
Scary, but it never happened  
to us  
We weren't afraid, we were way  
too tough  
But then we heard a noise,

and then a creepy voice  
Was it a monster?  
Was it James and his boys?  
Then Mike Myers came busting  
out the bush  
We got up on the bike,  
I screamed "Push Mike, push!"  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean.  
It's Halloween.  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean.  
It's Halloween.  
Mike pedaled fast but it  
wasn't fast enough  
Mike Myers never runs but he  
always catches up.  
He knocked us down and we both  
went flying  
The candy sprayed everywhere  
and Mike started crying  
Forget the candy Mike,  
go and grab your stinking bike  
Plus we got a bunch of candy  
I don't even really like  
Mike, he's got a stinking  
knife,  
We're about to loose our life  
Pedal Mike, pedal Mike,  
pedal Mike with all your  
might.  
We pedaled and pedaled,  
it felt like forever  
He said it had never happen,

well... never say never  
I took a look behind me,  
I didn't see a thing  
But then my shoelace  
got caught up in the chain.  
The bike swerved, the bike  
crashed  
And then we both got covered  
in trash  
And right before  
our heads are about to get  
hacked off  
Mike Myers takes his mask off  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean.  
It's Halloween.  
Ghosts, goblins and monsters  
galore  
I don't even wanna trick or  
treat no more.  
Some of the scariest things  
I've ever seen.  
You know what I mean.  
It's Halloween.  
Happy Halloween, everybody.
