Almighty! The saviour.

An application has been kept  
at the entrance.

Kanimangalam's temple trustee and  
some idiots have come.

They're requesting to permit them to  
perform the temple festival, at least now.

Temple festival hasn't  
performed since 16 yrs.

I saw the ruination of  
the Kanimangalam.

It isn't the end of  
Kanimangalam.

I've to occupy  
the Kovilagam.

I want to see the annihilation  
of that also.

I've the support of my God  
whom I worship with devotion.

I've that strength.

Please sit there.

People should've little courage.

Hey, I'll prove my courage  
as soon as you step out.

I'll prove it.

He's after me for  
a long time.

I'm afraid,  
that's true.

Aren't you afraid?

Do you mean  
courage or fear?

How do you feel now?

Tell us.

It's not the fear,  
but the hallucination.

A hallucination!

Don't say it in Sanskrit.

We Malayalees call this  
as fear.

Did we come here to  
steal or kill anyone?

We came here to see him. That's all.

What's there to fear?  
Is he a big shot?  
Yes, he's.....  
Is there any man in KanimangaIam  
to engage us in sword fight?  
Why're you aII siIent?  
This isn't the thing  
to agree so easiIy.  
You're the master in KaraIi.  
Forgive us.  
It's not KaraIi,  
but KaIari(sword fight).  
How come KanimangaIam peopIe  
are here earIy in the morning?  
I couIdn't find anyone  
suitabIe to enter inside.  
That's why, I've asked  
them to stand out.  
TeII him, whatever you  
want to say.  
You get in and teII him.  
You know the reason for  
us to come here.  
Please, show us some mercy...  
Please permit us to perform the tempIe festivaI.  
It's the 16th year, since tempIe  
festivaI hasn't been performed.  
And for that, caIamity has  
befaIIen us so far.  
Each and every person here  
were punished by God.  
You can understand our pIight who  
take care of the tempIe,  
Without us teIIing you.  
Now, the heir Lord & his wife have been  
settIed in the town permanentIy.  
TempIe got ruined without  
worship & divine recitations.  
It has become deserted.  
On the whoIe, that's the  
pIace without protector.  
It'II resurrect the tempIe,  
if you do the needfuI.  
We know about the past, Lord.

We can still know from your  
face what Lord Rathan did...  
Wasn't he punished  
for that?  
Now, it's been 10-15 yrs. Since  
he left the place after becoming mad.  
Now, who knows whether  
he's alive or not?  
You people should  
forget & forgive.  
You should give permission  
to Edathikanu to give us the ornaments.  
Enough, stop it.  
16yrs. back, when I fell near the  
river, bloodied, I took an Oath.  
Sun hasn't risen on West  
to change my mind.  
Please go.  
Don't step in here  
for this purpose.  
Let KanimangaIam get  
annihilated completely.  
Let the koviIagam  
be occupied.  
Then, I'll think about  
giving up my Oath.  
You can go...There's nothing  
to say as well as to hear.  
Didn't you people hear?  
- We heard.  
If you've anything to say,  
we'll hear that also & leave.  
Go...  
Enough.  
Fever hasn't come down.  
I'm unable to get up.  
That's why, I had called you  
brother....  
What's it?  
I heard that some people  
have come from KanimangaIam.  
At least this time, allow  
them to perform.- Don't...  
You needn't say

anything, Subathra.  
Women needn't take care of  
things & give their opinion,  
Koilapu's men's haven't  
died yet.  
Do you've anything  
else to say?  
Nothing.  
This's wrong...You shouldn't  
be so adamant.  
You needn't teach me  
what's wrong & right.  
I've done only one mistake  
in my life.  
Since, I couldn't bear to  
see you crying & feeling pity..  
I got you married to a  
rogue of Kanimangalam.  
In spite of many good proposals, I  
married you to this fellow & got punished.  
Not only for 16yrs....  
Even, if it becomes 16000 yrs..  
My animus towards Koviagam &  
that land on that side will continue.  
You know me, right?  
So, please mind your business.  
Temple festival will be performed only  
if Koilapu's gives us the ornaments.  
Yes, that's the custom.  
That custom is prevalent  
from our ancestors.  
We can't relinquish it.  
I heard that Kanimangalam's  
Koviagam is for sale.  
Our MLA told me.  
Long back, late queen Lakshmi's  
children have decided about that.  
Many people had approached  
for that.  
Many turned their back when they found  
temple non-functional and deserted.  
Those who came here without  
bothering about that,  
Were stopped by

KoIIapuIII Appan.  
Late queen Lakshmi's brother  
Lord Rathan's wife is Subathra.  
KoIIapuIII Appan's sister.  
Even she's its heir.  
That's why he's very  
adamant about it.  
Assume, someone  
has bought it.  
Then, what'II happen to  
Krishna Varma's?  
You mean that Great Musician.  
- Yes.  
What is his status there?  
- Zero.  
EarIier, Lakshmi was running a  
school of Music & dance there.  
He came to teach music.  
Then, why did he continue to stay here  
even after the death of Lakshmi?  
They caII  
it duty bound.  
Rathan's daughter Unni maya's  
birth is very strange.  
Don't know who's her mother.  
On a dusk, Rathan brought a  
baby which was covered fuIIy.  
' 'Baby was born to me &  
her mother has died''.  
' 'Please bring her up aIso'' so saying  
he handed her over to his sister.  
Since everyone knew Rathan's temper,  
nobody asked him.  
Nobody knows where she was  
born & what is her caste.  
Krishna Varma brought  
her up.  
Did you understand the bounden duty  
which I had toId you earIier?  
If KoviIagam is soId then  
these 2 orphans'II be thrown out.  
I've not seen that  
girI anywhere.  
She's a nice sober girI.

She's clever.  
They're satiating their hunger by  
teaching music & dance to small children.  
What a fate!  
Her father became mad &  
left the place.  
Only God knows who's  
her mother...Poor girl.  
Musician, have you started?  
Oh, did you get a person  
to hear you?  
Only it could be  
found for it.  
Earlier, there were people  
addicted to my music.  
No...Stop...Don't start  
your old stories.  
Which place did those  
addicted belong to?  
Get lost.  
I was a good disciple  
of Chembai Vaithi.  
Even Calicut King presented me this  
Harmonium after listening to my programme,  
And Rs.500.  
Rs.500 of those days are  
equal to Rs.50,000 now.  
There's no need for me to  
tell this & get your certificate.  
You've told this story to  
me 3000 times including this one.  
You're inciting me  
to tell this.  
Oh! What a great music teacher!  
Are you the singer  
M.S.Subbhulakshmi?  
You can impress only  
the children.  
It's enough...I'm singing  
at least to the children.  
But, I've not face the dilemma of  
singing in front of cat or dog.  
But shit! Why do you talk  
like that at dusk?

Did you light the lamp  
in the garden?- Yes.  
Did you pour oil in the  
lamp in the prayer room?  
I'll do it.  
Then, do it Subbhulakshmi.  
- I'll do it.  
He'll definitely sell it.  
Baladevar has no other go  
than selling it.  
His Bangalore business isn't good.  
He needs a good sum for his wife  
to lead a luxurious life.  
I heard that he has  
lot of debts.  
Even, her other children are  
also like this only.  
We can't stop this.  
They've the right to do  
anything with their property.  
Let them do it.  
But Unni maya is their  
uncle's daughter.  
We would be lucky if  
they don't forget that.  
Everybody likes only  
to forget things.  
Only that's easier.  
They'll be profited only  
if they forget things.  
Who's buying it?- We don't  
know exactly who it's.  
He's a stranger.  
Will that person perform  
the temple festival?  
Does that person believe that?  
Don't expect.  
Person will do it.  
Rich people think  
only that way.  
Is the temple  
festival important?  
We both've to stand  
on the street.

Don't think we'll be on  
the street.  
Even, I've a right in  
my father's property.  
I want to see the people  
who's objecting to it.  
Do you people doubt that  
I'm not Lord Rathan's daughter.  
We don't have any evidence to  
prove that in the court.  
I know who I'm,  
that's the evidence.  
Father, you don't worry,  
I'll answer the one whom I should.  
Didn't you hear her  
calling me father?  
She knows that I'm nobody  
to her.  
But she started calling me  
so from her childhood,  
That made me stay here.  
Oh Goddess Bhagavathi! Please  
save us without making us to beg.  
I'm unable to leave this land &  
Goddess of protector.  
Where's Jagan?  
He was here, but now  
I couldn't find him.  
I don't have an idea  
as to where he would've gone.  
It has become a  
bunker now.  
That thief Abey Mathew  
deceived us.  
Now, he's changing statements.  
He says that, he's going to collaborate  
with Australian Ramasamy Associates.  
Idiot!  
Search the whole city,  
I want Jagan.  
I can't move a step  
further without Jagan.  
Oh Jagan! Where're you  
calling from?

I came to know that you won't sleep  
if you don't see me tonight.  
Hey, where're you calling from?  
There's a big problem, man.  
Hey, I'm.....  
Our Denmark Erick John...  
That mad Violinist.  
He came here from Manila.  
He has brought good brands of liquor.  
I'm you calling you from  
the way.  
On the way, I met one of my friend.  
We're in a small discussion now.  
Pour.  
After that, I'm going to listen to  
the Gaze on Habibuillah street.  
Kishan Mathur is singing,  
are you coming?  
Hey, don't make me mad,  
I'm in a fix.  
'Charus'' is best for that.  
If we mix rum to it, it'll  
give a good taste.  
That idiot Abey gave  
me work.  
That one is going to collaborate  
with Australian Ramasamy Associates.  
Do you know that?  
- I know everything.  
O Lord be praised!  
Hey, everything'll work out  
only if you step out.  
I shouldn't lose  
that contract.  
A death which is going to occur  
on a very good night.  
You go & have liquor.  
Keep a count.  
On the 4th peg, before  
you drop the ice cubes,  
I'll reach there.  
If you go alone...  
I'll take Erick John & some  
of our friends with me.

Let the foreigners also  
get some beatings.  
This's 50th year of Independence.  
Jai Hind.  
Go...Go man.  
You sit, I'll ride it.  
O Lord be praised.  
I want to see  
Mr. Abey Mathew.  
You can't go  
inside now.  
I've some urgent problem.  
Mr. Didn't he say that  
you can't meet him now?  
Didn't you get him?  
Come out man.  
As soon as you saw the foreigners  
you played the fool with us.  
If you were born to a father  
then you won't change words.  
You had finalized that  
contract with Nandakumar.  
Now, you're dealing in that  
with those foreigners downstairs.  
Your uncle who was from Chaiasheri  
was dealing in BuIs.  
He was famous at the  
market place.  
He's dead now.  
That's why, or else  
I would've taken you to him,  
And made him explain how a  
true businessman should deal.  
As you said, this deal is  
for Nandakumar.  
You can even ask him for more  
commission if you want.  
But he should get  
the contract.  
Leave me...I'll tell everything.  
If I push you down, you'll be  
broken up into pieces.  
Coffin won't be needed  
to take your body,

A polythene bag will do.  
Tell me.  
Business Admn. & business pimping which  
you learnt in America can't save you.  
Promise me that you won't  
change your words.  
That deal is for Nandakumar,  
come on say.  
Okay I promise, I won't  
change my words.  
If you change your words,  
I'll come to your house & chop you.  
You've reached here  
before the 4th peg.  
Only Jagan can do it.  
That idiot Abey Mathew called me up now,  
Regarding signing the contract  
with Australian party tomorrow.  
He's....stupid...  
Sit down.  
Do you know how much we've gained  
for the thing which you did?  
In Crores!  
Not 1 or 2 crores,  
but 50 crores.  
Tell me, how much you want?  
5 or 10?  
Hey, thief!  
Don't refuse it.  
I'll give you the thing  
which you wish for.  
You're my luck.  
I could multiply my money  
only after I got you.  
Tell me, how much  
you want.  
It's your purse, right?  
This is enough.  
Tonight, I want to have a bottle of  
rum, 2 packs of cigarette,  
And roam around the city  
by a taxi.  
Don't tell me about the huge  
calculations of money.

I don't like to hear that.  
I hate seeing money in abundance.  
Impossible! I want to  
celebrate this.  
Tell me, what else do you want  
other than money?  
Do you want to fly to Paris tomorrow?  
- Why?  
To trap girls..  
To have arrack.  
Or else we'll spend the money  
in gambling there.  
Tell me, I'll buy you anything whatever  
is available in the world.  
Anything...? - Yes.  
Then, buy me this.  
What's this?  
An old house?  
Where's it?  
In Kerala, Kovalagam is near the  
bank of River Bharatham.  
I don't know its cost.  
I've property worth  
Rs.250 crores.  
Give me some time if it  
costs more than that.  
We can buy the whole Kerala  
for 250 crores.  
I want only this...  
You've heard, right? Tomorrow itself  
you've to finalize this deal.  
You draw the needed money  
from the bank.- Okay.  
What relationship do  
you've with that?  
A desire...Craziness.  
Or else may be pity affection  
towards the antique.  
You can call it  
anything you like.  
Don't buy that in my name,  
but in Nandan's name.  
Let him buy it in your name...  
How am I related with this?

No Nandan, I'll lose my throne  
if it's in my name.  
I can go there like  
your benami(proxy).  
I want to stay there like  
a tenant till I die.  
I don't want to own anything.  
I want to end my  
play like that.  
This isn't crazy  
but madness.  
Even, I'll come to see your Koviagam  
after my European trip.  
Today, you're not  
going anywhere.  
We'll sleep together after  
having liquor.  
If you want, I'll ask  
for 2 costly blankets.  
We'll cover ourselves  
alternately.  
O Lord be praised.  
You've checked the paper, right?  
Then, why're you so confused?  
On one point, we've  
some suspicions.  
Lawyer says....  
If we get no objection letter  
from that party for our safer side,  
My uncle's wife doesn't have  
any claim on this property.  
Since, they don't have  
any children,  
Then, what right does the  
wife has on that property?  
But there isn't any evidence  
that your uncle is dead.  
He's missing, right?  
We didn't get any details  
about him since 15 yrs.  
He would've died.  
Just a surmise,  
but no evidence.  
In future, if Subathra moves the court,

then it'll become problematic.  
Open the door.  
Why did you come here?  
Get out.  
Shut up, man.  
Who came here to buy  
the property?  
You? - Yes.  
I don't know who you're.  
You needn't know me.  
But, you've to get the  
consent of Lord Appan's.  
We came here to  
take you there.  
Hey, don't create a problem,  
please go.  
He's going to be  
in a problem.  
Come and meet him  
to get rid of that.  
I can't....you can go.  
Do you know what type of  
place is this!  
Your trousers will get loosened.  
This is a vile place.  
Don't frighten me. Go and  
attend to some work.  
I'm not frightening you,  
I'll smash your face.  
What's this Govindakutty?- What're you  
doing? Don't hit him. - Get lost.  
Tell him.  
Govindakutty, what're you doing?  
- Leave me.  
I'll call the Police.  
You won't listen to me,  
right?  
You don't know about  
Kollappu people.  
I'll show you.  
- Hit him....hit him.  
Why're you bashing that  
innocent like this?  
Hit him.

Leave him.  
Who're you?- Me?  
I'm Bappu.  
From ThangaI Angadi.  
You're his man, right?  
Then, even you'II be bashed.  
No....I don't have the habit  
of getting beaten up.  
If you're in the team which is  
buying this property,  
And have stepped into this land for  
that sake, I'II chop your legs.  
You would've seen  
that so far  
I'm buying the KoviIagam  
of KanimangaIam.  
If there's a person who can dare to  
pluck 2 hairs from my leg here,  
Then, please come.  
You're the vagabond.  
Did you hit James?  
Go, man...get lost.  
Very good!  
Are you Mr.Kerala to show off  
your muscles?  
Don't show it man....go.  
I'm SomapiIIai, Guest House Manager,  
Let's go.- Welcome.  
Bappu, come.  
It isn't good to hide other  
owners of your property from us.  
I didn't even expect  
you're of such type.  
That's Lord KoiIapuIII  
Appan's adamancy.  
He stalls it by saying that even his  
sister has a right on it.  
Like the dog in the manger...  
Neither he eats nor  
allows others to eat.  
Did you opt out to  
buy KoviIagam?  
It isn't the matter  
to opt out so easily.

Can I meet Kollappu Appan?  
I'll talk to him.  
He's very poisonous.  
We've to be very poisonous  
while playing with the snake.  
Only then, it'll  
be thrilling.  
What do you say, Bappu?  
Yes Lord, even you belong  
to that violent class.  
Bad won't befall you.  
So, is he the Lord?...  
Of which year?  
I'll tell you that later.  
We've to send a lawyer  
to Palakkad.  
We've to collect the sale deed  
of the property from the Cochin court.  
What do you say?  
Hey, get out quickly.  
I think you didn't hear me.  
I heard.  
We'll arrange for a lawyer.  
But before that, the one who's going  
to buy Kovilagam will come here.  
My satan will bring  
him here.  
I won't come inside.  
It seems, Kanimangalam people  
are prohibited to enter.  
That was earlier,  
Now you come inside.  
Nobody'll stop you, come.  
You go...I needn't get in  
and spoil the sanctity.  
MARTIAL ARTS!  
Do it like that.  
Is he the one?  
The weapon once thrown &  
the words once spoken,  
Can't be taken back, remember that.  
Then, it'll be good.  
I'm Jaganathan, I came to  
meet you Lord.

I want to tell you something personally. Please listen to me. I deal in buying old houses, demolish and sell them. One of my friend said that there's a beautiful Teak wood KoviIagam here. That's why I came here. I gave them some money also as advance. Only you can save me. This's the big business which I'm dealing in for the 1st time. If there's lot of wood work there & according to brokers, They've used teak, ebony and cedar and no other woods. It'll give me profit. In Bangalore we get good price for our old doors & windows. I'll sell the bricks & huts in the local market. I'll sell that land to you for you to get a better price, if you help me. I'm not interested in that. You're going to demolish that & sell, right? Yes, then am I going to stay here? What am I to do in this village? If you want to demolish that building. then, why do you buy it? I've made such an arrangement. I can do anything once I own it, right? And its an old KoviIagam. If I find any treasure while demolishing. Even history says that treasures were found earlier. If that's what you want, You go....Registration won't be stopped. Start demolishing it as early as possible, understood? Then, what?

Little time is enough for me & workers for that, after registration. I can go with hope. right?- Yes. Cheap. Cent percent cheap. That's why, I fooled him like that. Registration is over, right? Why do you worry about Appan and his appan (father). Play begins only now, Bappu. When he comes to know that I'm not going to demolish Koviagam, He'll come there. Bappu, when're you going to Dubai? I'll be here. You phone me up whenever you need me. I'll respond to your call immediately. Mr.Nandakumar called me up yesterday also. He has ordered me to be always with you. There is nothing else to be done, Shall I go.....? You can go. I & Nandan won't be there, so you've to be in Bangalore during our absence. Phone up Nandan and inform him about the affairs here.- Okay. I'll shift to Koviagam tomorrow itself. Why? Don't you like the comforts in the guest house? No Pillai, that's my desire. I like to stay here for few days. Let me spend them there. Who's that? Govindakutty? What's the matter? Did you come to hit me? - No. I had 2 pegs. It has become a problem for you.

If I become angry,  
then I won't spare anyone.  
I'll start bashing  
them severely.  
Did you feel anything?  
Forgive me.  
Just because of the pride that  
I'm the man of Kollapu, I  
behaved foolishly.  
That won't be repeated.  
Lord, I would be with you  
till you chase me out.  
Don't leave me.  
Hey, I'm not like your  
Royal Lord Appan.  
So, I don't need any security.  
Don't..consider me  
as your friend.  
Kanimangalam people have got  
a person to support them.  
Now, we can walk with our heads high  
in front of Kollapu people.  
I feared for their beatings & joined  
the Kollapu people's association.  
Even he's right, sir.  
Now, we've got a Lord  
for Kanimangalam.  
Our Lord.  
Who're you?  
Who're you?  
Don't you hear me?  
Who're you?  
I'm a passer by.  
What work do you've in  
this temple?  
This isn't the  
way for the public.  
Who're you?  
That's not the answer  
for my question.  
What's this? Did I see the  
Goddess Bhagavathi here?  
Yes...Earlier you've not seen the  
Goddess Bhagavathi to say no.

Is it?- I swear.  
That cherished face of yours,  
Your loose hair lock.  
Divine movements of  
your leg and tongue.  
The one who describe  
so must be blind.  
You look like a scare crow.  
Are you the maid in KoviIagam?  
I'm sparing you just because  
I'm in the temple.  
Maid? I'm the queen of  
this KoviIagam.  
How's it that, I'm unaware  
of this fact?  
Who're you?  
Lord! I'm the Lord Jaganathan  
of KoviIagam.  
It can be revealed by  
your face itself.  
O Great Lord.  
Are you the friend of the one  
who bought the KoviIagam?  
May be.  
Nowadays Priests are more powerful  
than the idoli.  
Lord, move away from my way.  
Then, inform the owner of the KoviIagam  
that I want to meet him if he has come.  
I've something to tell him.  
She's arrogant & calling  
herself to be a woman.  
I'll teach you a lesson, wait.  
What's it?- I mean, O Lord be praised.  
He's not only the Lord, But  
an extra-ordinary person.  
He's like the elephant  
of Lord Indra.  
Dear, it has become a  
problem for us.  
What's it?  
The Lord who bought the  
KoviIagam has come.  
When he came to know that you

people hadn't quit this place yet.  
He showed his true colours.  
He's very angry. Now what's the way?  
I know the way out, let me meet him.  
Then?  
Then, I'll tell him that we've  
decided not to quit the place.  
Dear, wait.  
Unni maya is going. Don't know  
what she's going to do?  
A problem.  
What?  
Hey, what's it? Sister?  
Call the owner of Koviagam.  
What's the matter?  
- I'll tell him directly.  
Is that the secret's  
which I'm unaware of?  
Don't make me shout at you.  
Do what I say.  
What name should I tell him?  
Mango....  
Don't shout.  
Will he understand, if I say so?  
- Tell him that.  
A girl named Unni maya  
has come to meet you.  
Mangalam is in a fix, man.  
I'm that one who bought  
this Koviagam.  
What do you want? Tell me.  
Greetings, Lord  
what's your intention?  
You both won't quit this place.  
Don't you know this place  
has some status?  
I know, I don't know  
where to go.  
I'm least bothered about that.  
According to me, I've settled  
everything in this Koviagam.  
This Koviagam, the surrounding places  
& the movable & immovable things.  
Hello, look at me.

That means, furniture, utensils,  
copper pots, lamps, etc.

I've the detailed list  
of those items.

I've even paid the price for all  
the things which they had quoted.

Then, problem'll lead to the  
police station or the court.

Neither, I like nor  
I've time for that.

If she has a right on this  
property, then fight in the court.

But do that after you  
quit this place.

We've decided not to  
quit the place so easily.

Dear, don't....

They've deceived us &  
you also supported them.

What foolish thing  
is she talking?

That I've betrayed.

Don't talk like that dear.

What else will he do if they've betrayed you?

Oh! Are you fighting with the  
innocent instead of fighting with them?

You can be saved only  
if Lord shows you some mercy.

It's impossible.

They've to quit this place  
without further talk.

My behaviour is very bad sometimes.

Don't threaten me, I won't quit,  
what'll you do?

What to do?

Have you heard about Bombay?

Now, they call it Mumbai.

The slums.

There's a slum Dharavi, which's filled  
with Goondas, Terrorists, Dadas.

I've force them to vacate  
within a night.

So, it's very easy for me to  
force you to vacate this place.

Oh God!  
She spoke in that vein, since  
she had no other alternative.  
Forgive her, she's a poor girl.  
She isn't like that.  
She talks too much.  
Give them 1 or 2 days time.  
We'll find a way, within that time.  
You please come, come dear.  
You baII eyed, are you frightening  
me with your looks?  
Simply.  
Look at the noise outside.  
May be he's a drunkard.  
Shut your ears and sit.  
It would be good, if you  
don't mind all these things.  
They say he's a Lord. Don't know  
which place he belongs to?  
He looks like the head of some  
local place.  
This's the day of celebration?  
Nobody, should leave this  
place upright.  
Let's drink till we get intoxicated.  
Otherwise don't stop.  
What's this?  
What's this?  
Crown. Crown of the Lord VI.  
Lord VI?- Yes.  
After the period of Lord V &  
Lord Rathan, all others were corn bobs.  
All were like eunuchs.  
Only now we've found a Lord here.  
You're our Lord VI.  
This's the crowning ceremony.  
Not today but its tonight.  
Is it okay?  
You'll leave us & go, right?  
You said, you'll not stay  
here permanently.  
By God's grace, he came here.  
So Goddess won't,  
let him go so easily.

Some of the Koliapuu  
people have come here.  
From Koliapuu...- Some have  
come here?  
Call them.  
Who could it be? May be Lord Appan.  
It may not be the elephant  
but its dung.  
Sit down.  
You sit down.  
They're my guests!  
I've to hospitalize them.  
Why've you come here  
during this late hour?  
I came to meet you.  
What happen to the demolition?  
When're you planning to do it?  
Lord Appan had sent us  
to enquire about that.  
Tell him that, I'm in a confusion.  
Does that mean, you're not  
going to demolish it?  
Not that, I've to demolish it.  
But I don't know which  
method I should use.  
I thought of blasting it  
with the bomb.  
Now the labour charges  
are very high.  
Bomb blast'll be very easy.  
Materials are available in Malapuram.  
I've another idea...Burn it.  
During that, we can remove  
the sticks.  
When its gets burnt completely  
we'll plant plantain.  
And some of other programmes.  
We'll show them to the public.  
You're welcome to give if  
there're any other suggestions.  
Are you fooling us?  
You think we're women?  
We're making them as men.  
Do you've any objection to it?

Friend, couldn't your Lord Appan  
sleep peacefully without demolishing it?  
That's a big disease.  
For the time being.  
We're not going to demolish it.  
You're not the deciding authority.  
Enjoy it, if you get anything  
to eat or lick free of cost.  
But don't try to face us.  
Did anyone come to your wife's  
house to eat free of cost?  
You the defiled dog of  
Koilapuili Appan.  
Don't.  
Don't fight...Please leave  
the place.  
I've decided to stay here  
for sometime.  
When I get bored, we'll do  
anything to this.  
We'll demolish or burn it.  
I'll inform you, now you go.  
Don't try to change your decision  
based on the support of these people.  
You can live here only with  
the support of Koilapuili Appan.  
Whoever it's....  
In this world, every country  
& land are equal for me.  
I don't need anyone support  
it's very easy to demolish.  
But very difficult to build it.  
Don't threaten me to demolish.  
That won't be good for anyone.  
If I start destroying then, I won't  
give up. I'll destroy everything.  
I've shackled another  
Jagnathan in me.  
Beast. Don't try to wake up  
that dormant Jagnathan.  
If you do so, then it's as good  
as digging your own grave.  
Don't ever come here crossing the  
ocean with the orders from higher persons.

You can leave, if you've understood.  
Stunned? I just threatened  
them , so....  
Word'II work instead of beating.  
Am I right Govindakutty?  
O Lord be praised!  
Pour it, PiIIai.  
I aAlways remember Lord Krishna,  
Who's handsome and steaIs Gopika's heart.  
What's this? Music practice.  
This won't work here.  
Why do you sing when a person is  
sleEeping peacefuI earIy in the morning?  
CIassicaI music is an aIIergy to me.  
Woman screaming at the  
top of her voice.  
And the chiIdren singing  
Iike shouting sIogans.  
I don't Iike those things.  
These chiIdren have many other  
good things to Iearn at this age.  
ChiIdren, did you come here  
after informing your parents?  
Parents have sent us for music  
Oh! That's aIright.  
So, it's the tuition.  
She must be the teacher &  
she must be coIIecting fees too.  
Not onIy money....  
We're giving them jack fruits  
mangoes and coconuts aIso.  
That's the custom of GurukuIam.  
Oh! So this's a side  
business here, right?  
It's not Iike that.  
We're satiating our  
hunger onIy by this.  
Okay, no problEm.  
I've something to teII you  
as the owner of this buiIding.  
First, we'II decide the rent of  
the pIace where cIasses are heId.  
What teacher, that's  
justified, isn't it?

Don't we've to discuss this &  
finalize the matter?  
Let's discuss. You all, please go.  
No...You people be seated. Now I'll  
take leave. Let the class go on.  
I don't like to hurt you children.  
She's receiving jack fruits & mangoes  
in the name of fees, isn't it?  
Let her teach you.  
Teach them properly.  
I'll kill him and I'll die.  
Unni maya, do you know us?  
I'll show you.  
You?  
Is there anybody here  
who doesn't know you?  
Even though, its been so long  
you both are living here.  
I came to know that,  
when I met Varsiyar.  
You don't know where to go,  
right? What a calamity?  
I used to tell about  
your fate often.  
You're there to worry about me.  
It'll be better if you bother about these  
girls future.  
I don't want to fight with you.  
Where're you going?  
I want to meet Lord Jaganathan.  
You be here, I won't let you inside.  
What right do you've to stop me?  
Kovilagam belongs to Lord  
Jaganathan, right?  
It may belong to anyone, but I won't  
let you people to step on this land.  
Only that much  
I can say.  
She has come to meet the Lord. Don't  
stop her. Let them come inside.  
Oh! So you've invited them?  
Tell them, it would be better  
to quit without delaying further.  
Did you invite me to

get scoldings from her?  
Aunty...  
Don't, we're leaving.  
I can understand her.  
She has some purpose to stay here.  
You lock him up.  
From your appearance I can guess  
how your mother would've been.  
Go...I say go.  
I'll take the broom stick  
if you talk anything further.  
Aunty.  
Now you please leave.  
Don't create problem.  
Definitely, I'll teach you a  
lesson for slapping me.  
She'll get it from me, if my  
name is Meenakshi.  
What's this?  
Who gave her that right? When  
I've asked them to quit the place...  
Who gave her the right  
to chase away my guests?  
Govindakutty, why's she silent?  
Even, if I don't have the right.  
I don't like such type of wicked people.  
That's why, I prohibited  
them to enter.  
Is your wish important or the  
owner's wish? Tell me.  
Govindakutty, she's not  
talking anything.  
She says they're wicked.  
Even, I'm so.  
Didn't I tell her that  
I'm also wicked?  
So my friends also would  
be the same.  
I've not allowed anyone to criticize  
about the people who visits me.  
Can anyone take that privilege  
on their own? No...  
She's not talking.  
Forgive me. If I'm wrong.

Forgive me.  
In spite of chasing her out,  
Govindakutty said that  
you've insulted her.  
Do you think it's right to  
slap an elderly woman?  
Govindakutty, why've you  
also become silent?  
She's not talking anything.  
That's...When she badmouthed  
my mother...  
My mother died when  
I was a baby.  
I don't know her name  
as well as her native place.  
Even then, I love my mother  
very much.  
If anybody badmouths my mother,  
I'll be upset and get angry.  
So, I slapped her.  
Don't...Don't cry.  
Govindakutty, she's crying.  
Hey...Hey, listen to me.  
Hey, don't cry unnecessarily.  
What happened?  
- She and her father...  
We'll throw them out, I'll make  
arrangements for that.  
Don't...I don't have any problem.  
Let them stay here.  
Do you've any problem?  
Don't throw them out,  
let them stay here.  
Lord.  
May you get the  
good deeds.  
I don't want...You give  
them to her.  
What about aunty? Her...  
But shit. I'll kick you if you  
talk about that further.  
Did I tell you that  
desperate?  
Or did you realise it

when you saw me?  
What? Go man...  
Simply.  
Oh Lord!  
I let off the steam when I heard that  
he said not to throw us out.  
He's a kind hearted person.  
Oh God! I couldn't bear the pain.  
If I had extracted the 2 teeth,  
I would....  
What?  
Did you've liquor? Words are slipping  
or did you sing?  
I'll give you nicely.  
I'm unable to bear the pain.  
I want to go to Palakkad or  
Pattambi to extract them.  
But I don't have money.  
Do you've anything with you?  
Couldn't you tell me this yesterday?  
I deposited 20 lakhs in the bank.  
It'll be disgraceful, if I go there  
immediately to withdraw the money.  
What's this? My bad time.  
Even, Subbhulakshmi doesn't  
have any money...  
Oh, it's been 1 yr. since I've lost  
my nose pin in the pond.  
Home is closed now.  
I couldn't make a gold  
nose pin for me.  
And he's talking about extracting  
his teeth.  
I'll extract them if  
I get a gripper.  
You needn't go to Palakkad  
nor Pattambi.  
What's going on there?  
Cocktail party is going  
on at Lord's Court.  
Now the problem is not that Mangalam  
loved somebody or somebody loved him.  
We'll forget that now.  
Now the problem is that

MangaIam should sing.  
MangaIam, better sing.  
I'll bash you up  
if you don't...Sing....  
I'll sing....I'll sing Lord.  
Everybody maintain silence,  
now MangaIam is going to sing.  
Where's the box?  
- Box? What do you mean?  
I mean the Harmonium.  
- Why do you need that now?  
What? I can't sing  
without that.  
There're songs which are  
sung without Harmonium.  
That type of song I do.  
Hey, don't talk nonsense,  
I can't sing without Harmonium.  
And I'll not sing also.  
Okay, where can we find  
a Harmonium now?  
Where can we get it now?  
It's too late now.  
So, I'll sing tomorrow.  
- I'll give you a kick.  
Can't you sing without a Harmonium?  
- It's little difficult.  
Look at me, I'll  
give you a Harmonium.  
From where I'll you get it?  
Lord, Krishna Varma has  
a Harmonium. I'll bring it.  
Oh God! That won't work,  
that's an old one.  
That'll work.  
You're old and even your  
song is old.  
I'll spare you only  
after you sing.  
You go & tell him that  
I've asked for it.  
Where're you running?  
- For the Harmonium.  
You'll get it now.

Oh God! Don't ask me for this,  
please I can't give it.  
I'm safeguarding it  
like my precious life.  
Lord VI had sent me here.  
Do you want to disappoint him?  
Oh! Have you all made  
him as Lord VI?  
Don't kid.  
He's Lord VI for  
Kanimangalam people.  
He's not bad like  
your family.  
So you won't give the  
Harmonium, will you?  
Tell him not to get angry  
with me. Excluding this...  
Who plays Harmonium there?  
You don't stand here.  
You won't get his Harmonium  
for that liquor party.  
Oh! So she said so,  
Okay Lord! I'll go there  
& get it.- Don't....  
Now Mangalam has escaped,  
that's my worry.  
Nambhisa, we'll buy a new  
one, right?  
Look at Krishna Varma's arrogance.  
Look at the gratitude he showed  
for letting him stay here.  
His Harmonium!  
Okay leave that. Let's  
have another round.  
Pillai, come on.  
I don't want to deck myself  
with gold & look beautiful.  
What's the use of wishing for it  
when I'm starving?  
I know everything.  
I toiled hard & made  
a beautiful nose pin.  
It was my bad time that  
I lost it in the pond.

Now, I can't afford  
to make another one.  
Then also, thinking that  
the hole shouldn't get closed,  
I inserted a stick  
into it.  
Don't know how that Chandri  
found that?  
And she's enquiring,  
Why've I inserted a  
stick instead of nose pin?  
Isn't this enough for the ladies  
at the pond to laugh at?  
Oh God! I felt very ashamed  
due to that insult.  
Don't say like that?  
- How should I say then?  
You don't know its value?- Value?  
I gave him the money  
which he quoted.  
According to the account,  
he has to pay me Rs.100.  
It has some value beyond  
the monetary terms.  
What's that? Beyond the  
Monetary terms...  
Eagle, crow etc. Some things  
which flies, so....  
May be some bird.  
- Do you mean that?  
I want to go, now...  
I want to give back that  
Harmonium to my father.  
I told you clearly in Malayalam  
that I can't give it back.  
Do you want me to  
tell you in Hindi?  
I won't give this Harmonium.  
- What're you going to do?  
I'll play like this &  
admire the sound.  
Then, I'll break it after  
I get bored.  
I'll even mince it like

this and eat it.  
I can use my thing  
in whichever way I like.  
Even Indian law permits,  
so....  
Okay...Do as you like.  
I know what'll happen to the  
garden if a monkey gets it?  
You don't know the meaning of music?  
This may be a showcase for you.  
You can buy Koviagam, harmonium  
by money.  
There're many things in the world  
which you can't buy by money.  
Greatest one among them is  
inborn talents.  
Even if you do penance for 100 years,  
you'll not be able to sing properly.  
You'll regret when you  
realise that.  
As you explore, you'll find  
Music is a deep ocean.  
I've searched for it.  
In the moon, on the  
shore of Yamuna river,  
In the person, who was facing the  
stars, its an outlet,  
To reach Gwalior! Why?  
To learn Hindustani music.  
He reached the old Lion's den to know  
about Kurana's magic peacock.  
He was in a full intoxication.  
Reason 'bhang'.  
Requirement was told to him.  
He had asked for teacher's fee.  
What do I have? Nothing!  
Since I prayed to my mother in my  
mind who taught me music,  
I sang a rhythm according to  
the Darbari tune.  
He didn't allow me to sing it fully,  
he hugged me tightly & became flat.  
With music in my heart and  
intoxication in my nerve...

UltimateIy on a fine day, I started my  
journey after putting sand on his grave.  
StiII it isn't over.  
The journey of Iife which  
never ends.  
O Lord be praised!  
Oh Lord Krishna!  
The music of Hari's fIute  
in the Garden of Brindavan.  
And the Sweet song of Iove.  
In search of Sweet Radha,  
In search of Sweet Radha,  
Madhava's Iife is wandering.  
Understanding her heart.  
SiIence drenched in saffron,  
Infront of God's presence,  
He's burning himseIf as  
a goIden fIame.  
Woken up by the movements  
of your ankIet,  
He's meItIng himseIf as  
a sand grain.  
On the cheeks of River Yamuna..  
Oh God, you...Lord KoIIapuIIi..  
Greetings.  
So you remember me, right?  
What a siIIy question!  
how can I forget you?  
If You remember me, you wouId've  
remembered your promise too.  
Regarding the demoIishment, right?  
I've not given up that idea.  
Did you see him Bappu, he's from  
Thandan Angadi? He came and saw.  
But the price for the wood  
isn't favourabIe.  
But, I've not given up that idea.  
He promised to give me a non-veg feast  
if I go to Shornoor town with him.  
I became a strict vegetarian after  
shifting here.  
Because peopIe foIIow some customs  
and the tempIe is aIso here.  
So non-vegetarian is

banned here.

They said that you were drinking arrack  
along with some beggars.

Oh God! It was scotch and  
not arrack.

That's vegetarian.

They've prepared it from  
fruits, haven't they?

In the epic, they say kings  
had that habit?

I know that you can talk  
anything as you like.

Don't give a lecture,  
what's your decision?

I want to know that.

I know that you're living  
there as lord.

Who're you? Why did you buy  
the Koviagam? I want to know the truth.

You want the answers for  
your 2 questions.

Your 1st question is that who am I?

There's no answer for that.

Person who climbs the Mountain  
of knowledge,

This is the question which rises in him  
for which there's no answer.

Buddha and Sankaran searched  
the answer for the same question,

'Who am I'. Even they couldn't find it.

The purpose of every human beings

life is to search for it.

Your 2nd question is that why

I bought the Koviagam?

It's a simple answer.

I was interested, just for a joke...

It's just like following  
a mad dream.

I'll come to your palace whenever

I get time. I like philosophies.

Hey, move your car from  
the way.

If you park it in the middle of the  
road, I'll bash you all.

You rogue.

You go.

It may be disgraceful for you if  
we talk in the middle of the road.

I'll come to your place whenever  
I get time. Please go.

Bappu, start the car.

Simply!

We've to keep an eye on him!

Some fire is burning in his eyes.

His words are sharp

like needles.

My God's glow isn't there.

I don't know the  
reason, so I'm worried.

He has reached here with steady steps.

There must be some purpose.

Something is fishy there.
