All the villagers see it.
What human actions?
Is this not tantamount to rebel?
This person really did not leave
the road retreat for yourself.
But the other dead game,
Although the tiger dead.
Should have died at the hands

Animal's nest must be around this, we

need to cover only sure way impassable.
The entire mountain is the nest,
Where might find that easy.
Although he was the king of the
mountain definitely also has its own
area , not possible to go to the
Unlike humans.

- Still ..

- After having to go looking for Man Duk.

What did you say? Sister did

not like so, Do not do it.

The problem up here,

There is no other way.

It still can not, do not do it! His
wife went away, How brother survive?

Because that should
catch the animal.

Now you have to forget about it,

Why always go disturb ..

You think it could be forgotten?

Sister and I wanted to explore the
heart of the beast out to eat.

Not be forgotten.

Brother Man Duk,

Long time no see.

Skin wolf sell expensive
sold recently?

Certainly, there can be
sold at a fur expensive.

Even so, 10 tail like this also
can not be compared to a tiger.

So as king tiger can
be sold how many?

King mountain needless to say, at least
can build a house and still have some
left.

That's right, the King of the mountain
here is also a king in the world Korean
tigers.

You want to catch it?

No.

This kid seems to think so.

Stop it, you can
use this pistol?

After all I was a
child my father.

Bloodline will not
be able to run.

Now in Korea, Tiger rest
of some of the tail.

The payoff is not playing.

You also beware, already entered cold
season, hunt the tiger is not easy
anymore.

Because of the time constraint.

It's too late,

two days it will be snowing.

- Do not say it like that.

How can I stop, Korea From now on
we can not have a gun himself again.

Catchers do not hunt are still able to
do what? Sitting waiting to die? Do not
say like that.

If you do not want
to go with us.

Point road for us,

You know the way out of the tiger.

Forget it.

Quick slow to die, Although it is
not us, He also can not live long.

Quick die a slow death,

Could be better to die in our hands?

Is not sister also

wanted to revenge him?

- What do you say?

- Go home if no other problems.

- Brother, not the intention of Goo Gyeong.

Not the wife's brother

Am I wrong? It was not one brother,
All because of the animal.

Then say bad.
As a child if the father
becomes replace catcher.
I told you not nonsense.
You know what place is it?
Basic do not know themselves.
You every day say
it useless. Why?
Why? Child catcher said he
wanted to be captors so what?
Is it because the catcher is pressed by

the Japanese? Now it is the world of
strangers.

How can we eat if
not follow them?

That's not all.

I know this is not all, Until when
are we going to live like this?

Father had done so when
young So now live like this.

What about me? What did I do wrong?
Why should live like this?

I want to go hunting with them, not
want to live like this with my father.

Children disobedience.

I understand you.

Mother went away,
father blames himself.

I understand.

How do you know?

The whole village knows,

What is this? Children

- I started hunting 10 years of age.

You okay ..

Brother Man Duk would not

live if there is no son.

After his wife died, if not her son.

He will not live.

Do you know?

Not every hunter will

get into trouble.

You should be careful.

Unlike the others,

this including the army.

Remember this is not

the place out at will?

Course understand.

Because including the army,

So there salary.

Hunting results will also be able

to return. I joined because I know.

You said you could use a gun?

All right.
- Goo Gyeong, What you have to do this?
- Do not say continue.
It's no use other
than dangerous.
Could team leader hunters bring Suk Yi
came because they do not know the
reason for this?
What does this mean?
It's for brother Man
Duk forced to join.
Demi Suk Yi,
He will not stay silent.
What if something
happens to him?
You really .. If you're worried,
You hug him alone.
Children's brash crazy.
It must have been crazy ..
Suk Yi, Come.
You do not come with us.
Walk together with

Together with the leaders,

This opportunity must be captured.

But it may be the number

of hunters present.

Hunting is not a war.

Could attacked so?

- Because it would not be enough with
ordinary soldiers.

- What does it mean?

That must use artillery?

- Right.

- You crazy?

It's really impossible
with ordinary soldiers.

Must use a large
number of troops.

Soon winter, If you want to
catch it before it snowed.

- Did not have to do anything?

- That is true.

If using artillery previously succeeded
in stopping the rebellion Jinyi
mountain.

- Might also be successful.

- But, Your Majesty ..

One-eyed tiger.

Can not be faced by a team
tiger catchers that exist here.

He is the king of Korean tigers.
Then to deal with it ..
Must be served with a large.
Well, as you say.
Suk.
Finally caught.
This child, almost dead tigers.
You quickly go looking for your mother.

If it is true to say tiger catchers.
This tiger must be in this.
Although this does not fit the

traditional hunting methods.
In china forest,
The soldiers also hunt like this.
In other words is eliminate

True! Completely lost.

How could something like this happen?

Could fly to the sky?

There is a legend of the tiger could
turn into a god. So maybe because of
this.

Nonsense.
