Tom and Jerry & The Wizard of Oz

By Gene Grillo

Ohh.

Come on, Toto.

She isn't coming yet, Toto.

Did she hurt you?

She tried to, didn't she?

Come on, we'll go tell Uncle Henry
and Auntie Em.

Auntie Em. Auntie Em.

Auntie Em. Just listen
to what Miss Gulch did to Toto.

Dorothy, please.

We're trying to count.

But Aunt Em. She hit him over the...

Oh, don't bother us now, honey.

This old incubator's gone bad...

...and we're likely to lose
a lot of our chicks.

Oh, the poor little things.

All right, come on now, let's go.

There you go.

Mm-hm. Mm-hm. Thanks, Jer.

Auntie Em, Miss Gulch said
she was gonna take Toto away.

She said

she was gonna get the sheriff.

- Dorothy, please.

- Oh, all right.

Oh. Oh. Oh!

Dorothy.

Oh, get me out of here.

- Are you all right, Dorothy?

- I'm all right.

Tom, Jerry. Thanks ever so much.

What's all this jabberwopping
when there's work to be done?

Thank you, boys. I'm much obliged.

Auntie Em, you know what Miss Gulch
said she was gonna do to Toto?

Now, Dorothy, dear...

...you always get yourself
into a fret over nothing.

Just help us out today
and find yourself a place...

...where you won't get

into any trouble.
Yes, ma'am. Come on, Toto.
Boys, I know you two like to tussle,
but will you promise me something?
Promise me you'll be friends
and work together...
...to keep an eye on Dorothy.
Please, boys, you're awfully good
at looking after her.
She needs someone to protect her,
and Toto, too.
Promise me you'll do that.
Thank you, boys.
Now, you stay close to Dorothy.
Do you suppose
there is such a place, Toto?
There must be.
It isn't a place you can get to
by a boat or a train.
It's far, far away.
Behind the moon. Beyond the rain.
Somewhere over the rainbow
Way up high
There's a land that I've heard
Of once in a lullaby
Somewhere over the rainbow
Skies are blue
And the dreams that you dare
To dream really do come true
Someday I'll wish upon a star
And wake up where the clouds
Are far behind me
Where troubles melt like lemon drops
Away above the chimney tops
That's where
You'll find me
Somewhere over the rainbow
Bluebirds fly
Birds fly over the rainbow
Why then
Oh, why can't I?
If happy little blue birds fly
Beyond the rainbow
Why, oh, why

Can't I?
Mr. Gale. I want to see you and your wife
right away about Dorothy.
That dog is a menace
to the community.
I'm taking him to the sheriff
to make sure he's destroyed.
No, no. I won't let you take him.
You go away, you wicked old witch.
We can't go against the sheriff,
Dorothy.
Put him in the basket, Henry.
Uncle Henry, Auntie Em,
don't let her take Toto.
Don't let her take him.
What in the world?
I know you two.
You're that Tom and Jerry
from the Gale farm.
I'll teach you to get in my way.
Take that.
And that.
Get off.
I'll get you, Tom and Jerry.
And that little dog, too.
Toto, you came back.
Oh, I'm so glad.
Miss Gulch
will be coming back for you.
We've got to get away.
We've got to run away.
It's a twister, it's a twister.
Get the horses up.
Dorothy.
Jiminy Crickets. Thanks again.
Come on.
Dorothy.
Dorothy, where are you?
It's too late,
we can't look for her now.
Auntie Em. Auntie Em.
You keep trying the door.
Auntie Em. Uncle Henry.
Look out, mouse.

You won't eat me, cat.
Put 'em up, put 'em up.
Watch it.
There's more where that came from.
You mean that thing is with you?
Where did you come from?
Why then, you must know Dorothy.
Well, I'll be.
I'm Tuffy, the Munchkin Mouse.
And I'd like to welcome you
to Munchkin Land.
I'm afraid Dorothy's left hours ago.
The house you and Dorothy came in...
...landed on the Wicked Witch
of The East and crushed her.
Dorothy had freed us
from the Witch...
...and then Glinda,
the Good Witch of the North...
...gave Dorothy the ruby slippers.
But then, the Wicked Witch
of the West showed up...
...to take
the magical ruby slippers.
And she'll do anything to get them.
So Glinda sent Dorothy...
...to the great and powerful
Wizard of Oz in the Emerald City...
...where she's gonna ask the Wizard
to send her home to Kansas.
So she set off
on the yellow brick road.
Follow the yellow brick road.
Stop.
You can't follow Dorothy.
It's too dangerous.
So you two promised
you'd protect Dorothy, huh?
Then take me with you.
I know I can help.
What do you say?
Don't laugh.
I'm very insecure about my size.
Oh, it's sad believe me, mister

When you're tiny as a blister
Without the strength to fight
But I could show my prowess
Though I'm just a humble mouse
If I only had the height
I'm afraid there's no denying
I'm small, but I'm not crying
I'm gonna be all right.
I'd be tall as a giant
I'd be big and self-reliant
If I only had the height
We're off to see the Wizard
The wonderful Wizard of Oz
We hear he is a wiz of a wiz
If ever a wiz there was
If ever, oh, ever a wiz there was
The Wizard of Oz is one because
Because, because, because
Because
Because of the wonderful things
He does
We're off to see the Wizard
The wonderful Wizard of Oz
If ever a wiz there was
If ever, oh, ever a wiz there was
The Wizard of Oz is one because
Because, because, because
Because
Because of the wonderful things he does
Uh-oh. Now which way do we go?
Ho, ho, ho. Look at those.
That's a strange threesome
right there.
Oh, look at them. Yeah, odd.
Yeah, go ahead and do something.
You say something
and I'll say something.
Pardon me,
but that way is very nice.
What are you, nuts?
No one goes that way.
What do you mean?
Lots of people go both ways.
How do you do, Mr. Crows?

I'm Tuffy and these are my friends,
Tom and Jerry.

Did you see a young girl
skip by with a basket and a dog?
Sure did.

- She passed by just a few hours ago.
- Yeah.

She hooked up with the scarecrow and
they went dancing off down that road there.
Thanks, fellers.

We'll catch up to Dorothy
in no time now.

Unless she went skipping down
that road.

You know, I think she did.

Oh, well. At least we helped.

- See you.

- Oh, we sure fooled them.

It's funny. We had to do it.

Hmph!

I don't know, fellers,
this doesn't look right.

What do you think we should do?

Follow the yellow brick road?

Follow the yellow brick road.

Wicked Witch. Hide.

There's that cursed girl.

When I have her ruby slippers...

...my power

will be the greatest in all of Oz.

But how to do it?

Oh, oh, oh.

You could ask her nicely.

Hey.

You could trade her
for a bag of magic beans.

Ahh! Sorry. Wrong story.

Now, quiet, both of you.

I'm trying to think.

I said quiet.

Ah! That's how I'll get that girl.

I'll turn these pretty dandelions
into an avalanche.

We gotta get that wand.

It's the only way to save Dorothy.
Hey! What? Whoa!
- Got it.
- What?
Get that wand.
Jerry, catch.
Give me that wand, little mouse.
It's mine.
Ha, ha!
Enough of this foolishness.
Come on, you two,
quit clowning around.
I'll deal with you
right after I finish that girl. Ha-ha-ha!
Ha, ha... What? Again?
What's that? What's that?
Oh, no.
It's an avalanche.
- We're saved.
- Unusual weather we're having.
Tom, Jerry, look out.
Tom and Jerry, eh?
Well, you've both earned my wrath.
Ahh! This isn't over.
I'll get you Tom and Jerry,
and that little girl, too.
Good work, guys.
Now, come on,
let's catch up to Dorothy.
Someone always helps that girl.
But I'm still great enough
to conquer her.
To the Emerald City,
as fast as lightning.
Oh, Tom, Jerry.
How did you two get here?
The twister brought them here
with you.
Name's Tuffy, Miss Dorothy.
And I came along
because I want the Wizard...
...to give me some height,
on account of I'm so small.
Oh, I see.

Well, my new friends
want to see the Wizard, too.
That's right. I'm hoping the Wizard
will give me some brains.
- I want a heart.
- And I need some courage.
And all Tom, Jerry, Toto and I want
is to get back home to Kansas.
Then what are we waiting for?
Let's get to the Emerald City.
I'm afraid there's no denying
I'm small but I'm not crying
It's gonna be all right
I'd be tall as a giant
I'd be big and self-reliant
I'd be smart and rather pliant
If the Wizard's not defiant
And will serve
Then I'm sure to get a brain
- A heart
- A home
Some height
We're off to see the Wizard
The wonderful Wizard of Oz
We hear he is a wiz of a wiz
If ever a wiz there was
We're off to see the Wizard
The wonderful Wizard of Oz
Look, Emerald City is closer
and prettier than ever.
Oh, my.
Simply amazing.
We're nearly there.
Come on.
I'm feeling smarter already.
Come on, let's go.
Cabby. Cabby.
Just what you're looking for.
Take you anyplace
in the city, we does.
- Will you take us to see the Wizard?
- The Wizard?
I can't.
Well, yes, but first I'll have

to take you to a little place...
...where you can tidy up a bit,
what?
Oh, thank you so much.
We've been gone such a long time.
And we feel so miser...
What kind of a horse is that?
I've never seen a horse
like that before.
No, and never will again, I fancy.
There's only one of him,
and he's it.
He's the horse of a different color
you've heard tale about.
Ha ha ha, ho ho ho
And a couple of tra-la-las
That's how we laugh the day away
In the merry old land of Oz
Buzz buzz buzz, chirp chirp chirp
And a couple of la-di-das
That's how the crickets crick
All day
In the merry old land of Oz
We get up at 12
And start to work at 1
Take an hour for lunch
And then at 2 we're done
Jolly good fun
Ha ha ha, ho ho ho
And a couple of tra-la-las
That's how we laugh the day away
In the merry old land of Oz
Ha ha ha, ho ho ho
Ha ha ha ha ha
That's how we laugh the day away
With a ha ha ha and a ho ho ho
In the merry old land of Oz
Come on along, folks.
Look. "Surrender Dorothy."
Well, at least she's forgotten
about you two.
Oops, my mistake.
She's still pretty mad at you.
Dorothy? Who's Dorothy?

- And who's Tom and Jerry?
- The Wizard will explain it. To the Wizard.
Dorothy, we'd better see
the Wizard right away.
Oh, I think you're right.
Jerry, please find Tom
and follow us.
You can't run away, Tom.
You promised you'd protect Dorothy.
I am Oz, the great and powerful.
Who are you?
Halt. No one can see the great Oz.
But we're with Dorothy.
The... The Witch's Dorothy?
She's already inside
with the Wizard.
Don't worry, now.
I know it sounds bad,
but I assure you...
...the great Oz
is wise and benevolent and kind.
Of course, sometimes
he does get a little ticked off.
What happened inside, Miss Dorothy?
Are you going home?
Will Scarecrow get his brain?
Will I get to be big?
Oh, Tuffy, the Wizard says
he won't do anything for any of us.
Not unless Dorothy brings him
the Wicked Witch's broomstick.
But to do that,
she'd have to kill the Witch.
Oh, this is terrible, terrible.
That's right, Tom.
You give that Wizard
a piece of your mind.
Oh. Tom's a lot braver than I thought.
Okay, let's go get that witch.
"Witches castle, one mile.
I'd turn back if I were you."
At last, I've got that girl
right where I want her.
And Tom and Jerry, too.

Take your army
to the haunted forest...
...and bring me that girl, her dog,
and especially that cat and mouse.
Now, fly. Fly.
Well, what's happened to you?
They took my legs off
and threw them over there.
They took my chest out
and threw it there.
Well, that's you all over.
They sure knocked the stuffings
out of you, didn't they?
They took Dorothy
and Toto and Tom and Jerry...
...and we gotta follow them.
- What a nice little dog.
- No!
Oh, Toto.
And you, my dear,
what an unexpected pleasure.
It's so kind of you
to visit me in my loneliness.
Now, give me those ruby slippers
or your dog goes into the river.
No, please. Take the slippers.
What a good little girl.
I knew you'd listen to reason.
I should have remembered.
Those slippers will never come off
as long as you're alive.
But that's not what's worrying me,
it's how to do it.
These things
must be done delicately...
...or you'll hurt the spell.
- Run, Toto, run.
- Catch him, you fool.
Do you see that?
It's how long you've got to live.
And it isn't long, my dear.
Wanna play ball, Jerry?
Tom, Jerry.
That's the last of them.

I'll come back for you
just as soon as those sands run out.
Yo he ho
Yo ho
And halt.
Excellent work, new guard.
- Any questions so far?
- Yeah.
What does that "Yo He Ho"
song mean?
I have absolutely no idea.
Let's review what we learned today.

"Rule one:

must keep track of their hours...
...and submit a timecard
at the end of the week."
Something wrong, new guard?
Okay, then.

"Rule two:

receive one personal day...
...every 300 years.
Rule three, and this
is the most important rule of all...
..."Guards must keep all water
away from the Wicked Witch.
It's her one weakness."
Got that?
Sir, I think we have a couple
of escaped prisoners.
Well, how about that?
You're having a busy first day,
new guard.
I salute you.
It's them.
Oh, dear. Seize them.
I'm afraid this won't look good
on your personal evaluation.
You know, I'm just a guard...
...but I take my responsibilities
very seriously.
It's not a glamorous job...
...but a good guard

always does the very best he can.

If you come along quietly...

...I'll try to get you
an extra ration of gruel.

- Gotcha.

- Arrest them, old new guard.

You better not

try any of your tricks.

They won't work twice.

Are you sure

you completed basic training?

- Tom, Jerry, it's us.

- Boy, are we glad to see you.

Toto found us and led us back here.

Where's Dorothy?

"Witch." "Slippers." "Ouch."

She's locked in the tower
with only moments left to live.

Auntie Em.

Dorothy, where are you?

It's Aunt Em, we're looking for you.

Oh, Auntie Em, don't go away.

I'm frightened. Come back.

- Come back.

- I'll give you Auntie Em, my pretty.

Toto will find Dorothy. Come on.

There's more?

You mean that water

is the Witch's one weakness?

I'll take that.

You and Tom find some more water.

I'll go with the others and try
to save Dorothy. Good luck, fellers.

This way.

Wait, I have an idea.

Dorothy, are you in there?

I'm here.

Oh, please hurry.

The Witch will be back

when the hourglass is empty.

I'll handle this.

Stand back.

We haven't much time.

Hi.

Oh, Dorothy, we found you.
Oh, thank you. Oh.
Come on, there's no time to lose.
Oh, run.
We're trapped, don't you know?
I'll handle this.
Who dares disturb my cookie time?
That's right.
That's what you get
when you mess with a big munchkin.
Very impressive. Now run.
What are you guys doing?
We need that water, fast.
Come on.
Whoa!
We're safe.
Going so soon?
Why, our little party's
just beginning.
We're trapped.
Trapped like mice, rats.
That's right.
Don't hurt them right away,
let them think about it a little first.
Ha!
Seize them.
Seize them. Seize them.
Stop them, you fools. Seize them.
Seize them.
Guys.
What?
Stop fooling around.
Dorothy needs that water.
Hmm. Ah-ha!
There. Water.
This way. Come on.
Oh, my.
That way.
Hyah!
Whoa!
Well, well.
Ring around the rosie,
a pocket full of spears.
Thought you were pretty foxy,

didn't you?
Ha-ha-ha! Fill it up.
The last to go will see
the first four go before her.
No.
How about a little fire, Scarecrow?
Oh, no.
I'm burning. I'm burning.
Jerry, quick, the water.
I'm burning. Help me.
I'm burning. Help.
Don't throw that water.
You cursed brat,
look what you've done.
I'm melting, melting.
What a world.
Who could have thought
a good little girl like you...
...would destroy
my beautiful wickedness?
Look out. I'm going.
She's dead. You killed her.
I didn't meant to kill her.
Really, I didn't.
It's just that he was on fire.
Hail to Dorothy,
the Wicked Witch is dead.
Hail, hail to Dorothy,
the Wicked Witch is dead.
The broomstick.
- May we have it?
- Of course you can.
You've freed us all
from the Wicked Witch.
Now I can go back
to my old job as a haberdasher.
Hail to Dorothy.
Hail, hail to Dorothy.
The Wicked Witch is dead.
Why have you come back?
Please, sir.
We've done what you told us.
We've brought you the broomstick
of the Wicked Witch of the West.

Dorothy melted her.

You liquidated her, eh?

- Shh!

So you see, sir, we'd like you
to fulfill your promises to us.

Not so fast. Not so fast.

I'll have to give the matter
a little thought.

Go away and come back tomorrow.

What?

But I want to go home now.

Do not arouse the wrath
of the great and powerful Oz.

I said come back tomorrow.

If you were really great
and powerful...

...you'd keep your promises.

Do you presume

to criticize the great Oz?

You ungrateful creatures.

The great Oz has spoken.

What? Hey.

No. Stop th... Stop that. Whoa!

Oh, l...

Pay no attention

to that man behind the curtain.

The great Oz has spoken.

- Who are you?

- I?

Oh, I am the great and powerful...

...Wizard of Oz.

- You humbug.

- Yeah.

I'm afraid you're right.

I am a humbug.

What about the heart

that you promised Tin Man?

And the courage you promised

Cowardly Lion?

Don't forget

the most important thing.

He promised he'd get Dorothy

back home to Kansas.

Yeah.

My diminutive friend, you force me
into a cataclysmic decision.
The only way to get Dorothy
back home to Kansas...
...is for me
to take her there myself.
Oh, will you? Could you?
I will, indeed.
But first, I'll fulfill my promises
to each of you.
Tuffy, too? He was going to ask you
to make him big.
Yes, Tuffy, too.
My friends, I, your wizard...
...am about to embark
upon a hazardous journey...
...into the outer stratosphere.
And I hereby decree
that in my absence...
...the Scarecrow shall rule by
virtue of his highly superior brain.
The sum of the square roots of any two
sides of an isosceles triangle...
...is equal to the square root
of the remaining side.
Oh, joy. Rapture.
Assisted by the Tin Man
by virtue of his heart...
...the Lion,
by virtue of his courage.
Ain't it the truth?
And Tuffy,
by virtue of his enormous height.
I'm huge.
Obey them as you would me.
Oh! Oh, Toto.
Please don't go, I'll be right back.
Oh, but this is a highly
irregular procedure.
This is absolutely unprecedented.
Boys, please. We don't want to keep
the Wizard waiting.
Oh! Oh, my. Come back, come back.
Don't go without me,

please come back.
I can't come back.
I don't know how it works.
Goodbye, folks.
Goodbye, Wizard, goodbye.
Now I'll never get home to Kansas.
Goodbye, Wizard.
Stay with us.
We don't want you to go.
Look, here's someone
who can help you.
Oh, will you send me home?
Can you send me home?
You don't need
to be helped any longer.
You've always had the power
to go back to Kansas.
I have?
Now those ruby slippers
will take you home in two seconds.
Tom and Jerry and Toto, too?
Tom and Jerry and Toto, too.
Just tap your heels three times...
...and think to yourself,
"There's no place like home."
"There's no place like home."
- There's no place like home.
There's no place like home.
There's no place like home.
There's no place like home.
There's no place like home.
- You just had a bad dream.
- Sure you did.
You remember us, don't you?
And you couldn't forget
your old pal Tuffy, could you?
Or me, the local haberdasher.
Well, she's all right now,
thank heaven.
Oh, but I wasn't all right, Aunt Em.
We were in terrible danger.
But we kept asking people
to send us home.
And they sent us home.

Doesn't anyone believe me?
Anyway, it's all right,
because I'm home again...
...and this is my room
and I love you all.
And, oh, Auntie Em,
there's no place like home.
