Are you up here

Coming.

I need my hair done.

What you think?

Hello, can you give me

an address please

- What time are you be back?

- I'm not sure.

- Will you be late?

- No should not be.

I have tried to contact you

All morning, One.

- I know. I am sorry.

- Will you come in the afternoon?

I'm taking my mother

to the doctor. I'll let you know.

Hope you're feeling better.

See you later.

You will be asked

a number of questions

By the solicitor who

is in the court room upstairs.

After each question,

you must answer into the camera.

It that all clear?

- Can you give him a message?

- who?

Ray.

Can you give it a

Message from me

That is completely

out of the question.

Ray ?

Where did you go?

Why did you leave me?

Ray, can you hear me?

Are you spying on us?

You are lost?

I'm looking for Ray.

Do you know him?

No. How does he look like?

What about me?

Young and good-looking

- This man.
- Yeah, this is Pete.
- Pete?
- Yes, he's my boss.
It should be right here somewhere.
- Pete! Peter!
- Yeah.
- Can you take over?
- Yeah.
Come this way, please.
Okay, in here.
Can you close the door?
- I do not want the door closed.
- Close the door!
How did you find me?
- How did you get here?
- I drove from where I live.
Where I still live.
- What do you want?
- To see you.
I can fucking believe you drive here
because of a photo.
What if we just go outside, okay?
You can say what you wanna say
outside.
- What?
- Are you allergic to me?
- Okay, fuck this.
- Dont go.
Fuck this. Stay away of me,
Stay away, you need help.
Ray ... Ray!
I do not know if you are
You, if you are her.
- I am, of course I am.
- No, you are not.
- Yes you did.
- I did not even recognize you ...
- Your face went white
- You could be anyone
You could be a journalist
Your hair is different ... a reporter.
You could be anyone.
How many other thirteen year old

have you had sex with ?

none

Do you want to see my birth mark

you kissed it

What about what you promised on the beach

- a life together just you and me?

none

Are you sure?

- Hello.

- Hello.

Where are you headed?

We are going to Europe, just me and dad.

we are going to catch the ferry.

Yes. Dover to Calais. Then who knows?

- Have a good time.

- Thanks.

none

just me

in that room.

Your smiling, you have forgotten.

Yes.

Yes, I had.

What did you expect?

it should been six months later

youd been on the sex offenders register

Ray would be on it.

you would not be allowed to forget,

you would not have

a new life.

- I served my time.

- 4 years for what you did to me.

My dad could not believe it.

He was never again was the same.

He died a few years after.

- How?

- He fell.

tripped down some steps

He thought of you were his friend.

He tried to find you.

He know where I was for

the first 4 years.

He wanted to hunt you down and kill you.

- Hey, give me that!

Jesus

You thought that
I come to kill you
I borrowed this from your
dad. Can you give it back to him?
You changed your name. Is that difficult?
It was random. Picked it out of a phone
Peter ...
Peter what?
I can ask outside.
Travelian.
Travelian ... Peter Travelian.
Where did you get it?
- By the "T".
- Peter Travelian. Are you fucking serious
Does that command respect?
okay.
What about the photos
you took of me in your house?
I got rid of them,
I burned them all.
I've seen those websites,
those poor kids.
Never.
10, 11, 12
on beds, sofas ...
They are sick bastards.
I was never one of them.
Is everything okay, Pete?
Yeah its all good man
Peter and I just talking.
I leave it to it
I was never one of them,
you know I was not
Do I?
Everyone called me that.
The prisoners, the guards ...
They spat on me, beaten up. I had human
shit putting my face, you know not.
I dont know anything about you except
You abused me
Didnt you?
- Didnt you?
- Yes, but ...
There is no but.

I was never one of them.
You were my neighbors daughter,
not a target.
You were looking at me.
I always just wonder, if
I had not argued with my friend.
it could have been her you chose.
Could have all happened to her and not to me.
You know what you did, then
I'm not going to tell you, okay?

- Where is Lea.
- She went home.

Una ...

I did not choose you.
It is a beautiful day.
The smoke would not kill me?
Should we call
a fire brigade
- Youll be bored out your mind here.
- I ve got bore protection.
I want one.

Give me one, go on.
You're get me in trouble.
How many people were there
barbecue? 10 or 15 people, right?
Why?

Because I had
shorts on that day. I Had...
Yes, they laughed abput this at court.

That you were in shorts? That
Was it your defense at court?

If Ive been aroused,, if Ive
had an erection,
- If I had been turned on ...

- Can You hear yourself?

I stood there next to you,
Drinking my beer in shorts.

I will have walked away,
I would have sat down.

A person knows if
they are aroused by children,
Because they always look
to be near them,
To lure them, deceive them. The greater

the risk, the bigger the thrill.

- You seem to know a lot about it.

- I talked to psychologists.

There are patterns of behavior.

Cycles ... cycles of abuse.

- Were you abused as a child?

- For Gods sake! not.

That is the exactly same thing

that the lawyer asked me.

He claimed the court would be more

lenient if I had been abused.

But I havent

I'm not one of them.

Mark is waiting for you.

I have a meeting

I have to go.

Go away.

Why dont you wait in the car?

- Peter!

- okay!

You know this is

A great deal - yeah

So listen, just dont

fuck it up

We want you moving ahead into

the future with us, yea?

Okay?

Peter, you are okay?

Good

let's go in.

What are you doing here?

You're a good swimmer.

you want a race?

You bet.

- Who was that guy?

- Yes, who was he?

Just someone I know.

- What do you mean?

- around.

- Tell us!

- Tell us!

He is the neighbor, a

Friend of my dads

Let's go

- A cup of tea?
- No thanks.
- Coffee?
- Do not.

We got champagne,
Ice Cream, Caviar
Thank you.

Listen, why dont we go for that meeting
Go at least to the reception.
You should not be here alone.
I am waiting for Peter.
State your full name
To the court, please.

Ray ...

Where did you go?

What happened? By

What did you leave me?

Ray, can you hear me?

I love you.

That does mean we need to
consolidate several positions.

Here at ETHGON

We believe in investing in

Only in ideas,

But in people.

I'll pass you over to

Peter and I thank you.

Right okay so its just like Jen said

Were gonna be moving

To work more

with northwest.

And ... consolidating our futures
together, usually a new beginning.

I cant do this.

They want me...

to give me six names.

They want six

names to tell - Darryl ...

Excuse me. I am
doing this.

Darryl. Darryl,

bye. I am sorry.

And Frank Stokes. The

I'm sorry, mate.

Peter!
Ill fucking kill him. Peter!
Peter.
Peter!
Scott ...
What the fuck is wrong with Peter?
Nothing.
Hey do you think
he is your friend?
You are on his list.
Yeah
You should empty out your locker.
Get up.
How long
you've been married?
I dont have time
for this. Let's go.
Four years.
Do you have children?
No
Poor woman no idea
who shes married to ...
She knows.
She knows?
I have to go.
How did she know?
- How did she know?
- Because I told her.
And she was fine with it ?
Of course not, but I told her
what my life was like then
What was your life like then?
- I had problems. - Did You?
Did you really? What kind of problems?
I did the biggest and most
stupid mistake of my entire life.
Did you tell her it was a
three months stupid mistake ?
- And that you ran away with me?
- I told her everything, because
Because she loves me
What's wrong with her? There must
be something wrong with her
- Why not? What the fuck is wrong with her?

Pete!

This is my life. I had to
fight for this.

I lost everything.

Did you ever think about me?

What was happening to me?

You were left

off after four years.

I have been living

this for 15 years.

Every fucking day! We never

We moved from that house!

I was talked about, pointed out
stared at!

I was attacked by your girlfriend!

I lost my life.

The only thing I did not lose
was my name.

I had to keep my name.

Peter!

Peter?

Pete!

She attacked you?

A couple of years later, I was shopping
with my mother and she slapped me.

pushed me to the ground.

She said silent you glared it up
that you were after me.

You used to hang around in
the street near the car.

You wrote a note - put
it on the windshield wiper.

Your girlfriend is ugly.

Your Girlfriend got a glasseye. "

I'm ashamed of that stupid
girl and the stupid crush.

- You were not stupid.

- I was.

No, you were not.

You do not remember what you were like.

What was I like?

Very strong.

Determined

Wise beyond your years.

- No
- Yes

Yes.

You were so impatient.

Sick of been treated like a child.

Thats what children say

What could I have possibly given you
that was not my body?

What else could you have wanted?

There is nothing else.

There was

For me there was.

Do you remember the codes?

I used to ring your parents' house

- one ring

That meant that she gone out

and you are on your own

Car parked facing right

Meat me in the park.

I could not stop

- I should have stopped.

- But you did not.

Whatever was

Whatever I was thinking,

made me believe ...

That I loved you.

Crawling into

these trees.

Empouring up my top and touching my breasts

and unzipping your trousers

and taking your prick.

telling me to hold it

And on the blanket you brought ...

I thought it was to make

us comfortable, but then

I realized afterwards it wasnt, was it ?

It was so that twigs and earth

would not stick to my clothes.

so no one would suspect.

I did not want us to get caught.

every waking moment was about

How I could get closer to you,

How to talk to you I was

obsessed with you.

I still leave work early,
I come home...
I work on my car,
my car didnt need work
I do it just that
I could be near you.
You remember.
We both knew
the risks.
One of you seen Peter?
Una
- There were twin beds.
- Dont
Why not?
We both know what happened.
We were both there.
We undressed.
We had sex on one of the beds.
I'm not sure how long for.
I saw how much pleasure I gave you.
I liked that I could do that.
We did it twice.
fucked ... twice.
You turned me around
in the second time
We made so much noise.
We lay in each other arms afterward
Then I cried a bit.
My parents were looking for me
They were phoning my friends.
I do not even know if
I came. Did I come?
I thought you did
How could you tell? Did I make a noise?
What did I do?
You - your eyes were closed,
your face was flushed.
You said you wanted cigarettes. Youre
going to look for a shop.
I wanted to go with you but you said
No, I was to wait there.
You touched me and you kissed me
between my legs.
You will be back

in five minutes.
I fell asleep, when
I woke up I did not know what time it was.
I was sober to my legs, but
I felt wonderful. I was ...
I was so happy.
Youll be back soon and
You have chocolates for me.
I did not even have to
tell you I wanted
You know what I wanted and
you bring it to me.
I waited for you in that room,
But you never came back.
What are you doing?
This room is
Private. What are you wanting?
I looked for you in the town.
I looked everywhere.
I could not find you.
Did a man come having cigarettes?
- What? - About an hour ago.
- A man - cigarettes?
- Sorry my love.
- Hey you cant be in here, my love.
- I'm looking for my dad.
- Whats his name?
- Ray.
This girlie looking for
her dad - Ray.
Is there a Ray in the bar?
When did you last
see him, honey?
OMG.
I felt sick, I wanted to die.
I was never going to see you again.
Ray! Ray!
Ray!
I did not say anything to
anyone, I did not say a word.
I told them that you had not
touched me - that I ran away.
They asked me what you have
done to me and when I would not say,

They told me
what have you done to me
They drugged me and held me down and
opened my legs and took out your cum.
They say that you
you only after one thing
And that when you got what
you want, that's why you disappeared.
I hate the life I had.
You would not know any of that, but
I wanted you to know.
Peter?
Peter?
- Can you go out of it, please?
- I am sorry.
I came back.
- What?
- I did not let you.
I came back.
- A chocolate.
- Thank you.
- 25. Thank you very much.
- Thank you. - Lovely
- Thank you.
- Have a good one.
Bye.
I needed a drink,
I needed courage, because ...
We really doing it
We would getting on a
ferry, we are running away
Same again, mate
I just needed
clear my head.
So I went for a walk
around the streets
and then, then I came back
She told me you were gone.
Just run off
I went to the car, yelled at help for you
dark as I thought maybe you were hiding.
But nothing
And I mean ...
I thought in panik

where would you go? Why would you go?
I did not know what the fuck was going on?
It did not make any fucking sense.
Then I thought maybe someone has got you.
That you were being hurt
That I had not protected you.
Can I get a whiskey man - a double?
You got a daughter?
Yeah.
- Why? Have you seen it?
- Have you lost her?
Yes.
What are you doing here for then?
- Did she say where she was going?
- What's your name?
- What's your name, mate?
- Come here! Hey!
No, I did not leave you. That's
What the lawyer said
thats what the laywer said because
he said it might sound better in court
That I was disgusted
with myself and so I ran away.
It is not true. I did not.
I came back for you.
I would like to report a
missing person.
Pardon me?
A missing person
Leaving me there and coming back
there is no difference.
Yes there is
For me there is.
Pete!
Peter!
- What's going on - The lights
- they are locking up for the day.
- We can not stay here.
- Are they expected home?
Yeah. I am.
Did you tell your wife ...
... that you were coming back for me,
You would not have left me there?
No

You have not told her, have you?

- Anything ?

How could I ?

- Dont you think she should be told?

- I do not wish to talk about it.

- Can I meet her?

- Do not be stupid.

How old is she?

- She's a year older than me.

- Is she sexy? Does she turn you on ?

That sagging skin?

What does she like best?

You are not like that.

You need help!

- You are sick!

- no! I'm not!

You're fucking sick.

- no Im not

I'm not sick!

I started at 6:

Have you got a job?

You have work?

Just an office job,

Nothing shattering.

It's not what I wanted to do.

What do you want to do?

I do not know, something else.

Do you still live with your mother? No?

If she knew I was here ...

Do you have a boyfriend?

No

I did think to about you, growing up
what you being like.

I never wanted to hurt you.

Did you think about me then?

So I have of you

hugging you

Touching you.

And fucking me?

Do you masturbate?

Do you come?

Yeah

- I cannot.

- I want you doing it.

No

- Why not?

- I cant be with you.

Am I too old?

Pete?

- Oh

- What the fuck, man?

- What?

- What the fuck?

What the fuck -

You gave them my name

- You got me fired?

- Hold on. Who told you that?

- Fucking Mark!

- He is lying.

- He is lying.

- He told me.

Look - look - Your name
is not on that. Thats the list.
Marks a liar.

Please just get it her
Get her out of here - lock up.
Please. Can you do that?
Just get her out of here.
Look, you got to go.
You cant stay here.
Where is he?

- Ray!

- Hes gone, he just left.

- Ray!

- Hes gone, Ive just seen him!

You got to go,
I need to lock up.
Do you want to go for a drink?
I really do need one.
- I do not know.
- Just one drink. Come on.

Just one.

Is that your?

There it is, do you see it?

Thats our new life.

Yes.

Listen, why do you call him Ray?

It is a long story.
Was there something going on
between you two ?
You got anything to drink at your place?
Hey.
Peter?
A long day?
Almost all - the dirty stuff
Thanks you for doing
all that downstairs.
- Coming here. Why wouldnt you?
- Gonna get ready.
Come on.
- It's not full.
- Oh shit. Sorry.
Very good.
- How is it going? It's good?
You have a little ...
You're good? Una?
It's okay
- I am so sorry.
- Its okay.
Do not be silly, hey.
It's okay
I wanna go home. Would you take me?
I dont think I can drive
Yeah of course.
Where is home?

He's my Dad.
Are you serious?
I need to go home.
He's aspecting me.

I forgot.
You're okay?
I have not eaten anything.
- I mix something.
- I'm fine, it's okay.
Ok i will find to eat something for you
And then I'll get you home.

Yeah?

Una, where are you?

I'm fine.

I was about to

to call the police.

You have no idea at all.

About what?

You were so desperate

hushed all up.

Una

Please come back.

Let me know where you are.

Please, darling.

Una

Wow. It was my girlfriend's.

You look amazing

Are you coming with me?
