Afsana Pyar Ka

By Bono Deb

AFSANA PYAR KA:

(A Love Story)

"I'm a crazy Iover...

I'm Iike the mad moth.."

"Whom wiII I give my heart?

God aIone knows"

I'm a tramp, Iike my heart..."

Love"s wayward too

"Those tresses that you toss around

Those embracing arms"

"Your intoxicating eyes...

take away my heart"

"Your mischievousness

drives my heart crazy"

"It torments me so...

it won"t Iet me Iive"

"I'm a tramp...

my heart makes me one"

"That which is in my heart;

that which Iingers in my breath..."

"the one I dream of...

I find not"

"Which is that beautifui face

among these..."

"that which belongs to me...?

I can"t say"

"I'm a tramp...

Iike my heart"

"I'm a crazy Iover...

Iike the mad moth"

"Whom wiII I give my heart to?

God aIone knows"

"I'm a tramp...

Iike my heart"

Haven"t you gone to sIeep?

I I wanted to meet you today.

We rarely meet each other despite
staying under one roof.

You are fast asleep

when I go to office...

"and by the time you return,

I'm fast asleep."

"Son, I need your signature here.

I My signature?" "

"Yes, the new company
is in your name." "

It will have its branches in
the three metropolitan cities.
And can you guess what
our yearly profit will be?
200 million!

How many companies will you
open in my name?
What will you do with
so much of money?
I'm used to making money.
Only money can turn all your dreams
and ambitions into reality.
You don't know how
important money is.
Go and ask those who have lost
their dreams in the maze of poverty.

"Deepa, suggest a number
between 7 and 249." "

Forty nine.

I What's your birth date?
"Seventh July.
I Divide forty nine by seven,..." "
what's the answer?
I Seven.
Seven and seventh July
makes fourteen.
There are twelve months in a year.
What is fourteen minus twelve?
Two.
I You are very fortunate.
"What do you mean?
I I mean, you are now alone..." "
but very soon there will be
someone special in your life.
Really? Can you tell his name
with the help of numerology?
"The naming was done by
the parents, Deepa, and..." "
I think your times are not good.
Meet me after this lecture.
I'll see if I can do something.

Go on now.
Where were you? You are
late even today.
Deepa was getting on my nerves.
She was talking about the journals.
That's fine. I didn't even
demand those explanations.
That means you can
ask for explanations.
"At least till she's not married,
she can't trust her boyfriend..."
.... who always claims to
lay down his life for you.
There comes the one
we have been waiting for.
You haven't answered me...
I will meet later.
Vikram is a good boy.
I But you are the best
I will meet sometime later.
It's not my fault.
She came here on her own.
No problem.
But you didn't take
advantage of the opportunity.
That's exactly the difference
between you and me.
"For you, a girl is
just an opportunity."
But I only prefer the one
who is the best.
This technique of trying to score
with a girl has become outdated.
I just wanted to know your name.
It's enough to know that
I am new to this college.
But I am not new to the
atmosphere in colleges.
"As far as my name is concerned,
you look like a Romeo to me..."
but I'm definitely not Juliet.
That was a nice move.
I But it didn't work.
What now?

How do you know?

I Simple.

Every new entry is made
in the last page.

I found out as soon
as she had left.

Then you must be knowing that
she is not only Raj's classmate...
but she's also his batch mate.

It will be more fun to be
in two different batches.

I'll take her away and
Raj will be left alone.

Is that a bet?

I Yes.

How much for a day?

I Hundred.

For how many days?

I Fifteen days.

"Else, it will be double.

I Double."

Won't you shake hands?

I After I win the bet.

The operation starts
this very moment.

Which is the next lecture?

I Physics.

That means light.

The speed of light is one million
eighty six lakhs miles per second.

But the speed of sound is
negligible as compared to light.

It must be about 750 miles.

That's the reason why we hear
thunder after we see lightning.

"Why did you stand up?

I Sir, that..."

The lightning, Sir."

Now you tell me the answer.

How long does it take the ...
sun's rays to reach the earth?

You sat down without
answering my question!

"Sir, maybe he was trying

to give a demonstration." "
The time he took to sit
must be the answer.
I asked the question to Vineet.
Why did you interfere?
Now you give the reply.
I Three to four minutes.
Five and a half minutes.
You've studied all this
in Junior college.
It's really surprising how you
have reached third year.
From where did the high
frequency sound ensue?
Come on, tell me." "
"Two apologizing for one mistake?
And that too, together?" "
It gives rise to a short circuit
when opposite signs come together.
Now sit down or I'll
lose my cool.
So you have come.
Do come in.
Light is of two kinds.
"Warm and cool. For example, the
rays of the sun and the moon." "
One makes you warm and the
other gives you solace.
The romance of the
moonlit night...
is far from the
reach of Physics.
I think it is a perfect
topic for research.
"I don't know Russian,
but I'm sure ..."
that light must be called
Nikita in that language too.
Today the classroom is so bright.
As if thousands of
lamps are burning.
"This is because of the
new student, Nikita." "
What can it be other than light?

Your presence has added
radiance to my life.
My heart was filled
with the light of joy.
There's just one wish
left to be fulfilled...
that Nikita should be mine.
This is romance.
This is poetic philosophy.
But it is definitely not Physics.
Who wrote this letter?
"I don't know, sir.
It came from behind."
Did the wall write this letter?
I I didn't write this note.
So why point to the wall?
Does the wall write letters?
I am asking you for the last time.
Did you write this letter?
"Haven't you left?
I Sir, maybe he was telling the truth."
Someone else must have
written that letter.
I know that boy very well.
This is your first day
in this college.
I'm feeling bad that a fellow student
had to go out of the class...
because of me on
the very first day.
Give his Identity Card to him.
I think you have come for this.
"Was this with you?
I Yes, I took it from the lecturer."
Now I will give this
to the principal.
He'll decide the punishment for
writing love letters in class.
Please don't do that.
I'll be expelled.
That will be good.
I I love this college.
That is quite obvious.
But I'll see that you are punished.

"Okay. If you want to spoil my life,
you may do whatever you want."

"If I'm expelled from this
college, I won't be able..."

to complete my studies.

My life will be ruined.

Nothing can be worse.

I'm enough of your acting.

I'll give your identity
card on one condition.

I am ready to accept
all your conditions.

You won't write love letters
to girls again.

That means I can write
letters just for you.

What?

I won't write letters to anyone.

"I will surely write letters, but
I won't sit in the last bench."

But it still isn't the same.

"It's lovely, Uncle.

I Yes,..."

but she's not fit to be your aunt.

Twenty years ago I
had dreamt of a girl.

"I never met her, neither
could I paint her properly."

Why don't you forget
that dream?

"I'll try to, but actually
I was thinking about you."

"When your parents left you alone,
I loved you as much as I could."

But now I feel I should have
given you a mother's affection too.

"Uncle, you are much more
than a mother to me."

Even my parents couldn't
have loved me any more.

You mean everything to me.

"Tell me, how was your first
day in college?"

"Very nice. The college is surely

good, even the professors are good."

Now comes the students.

Did you make any friends?

How can I make friends
on the very first day?

Okay. But you must have found
some boy who's special.

"Yes, there is one. He's so special
that he sits in the last bench."

That means a last bencher?

The Computer firm's plan
has come for approval.

If you...

I return that plan.

I've made the plan myself.

Just send the contractor here.

My dear child.

"Raju, my son...

Let's go to our new house."

What happened?

I told you to get ready.

To the house which got its
existence from a girl's death?

You married a girl suffering
from cancer for the sake of money.

And you forgot your
own wife and child?

"I wouldn't have come back,
had I forgotten you."

I have done everything
for your sake.

I have done this for the
benefit of our family.

I did this to save ourselves
from the constant need for money.

I did this so that we can
lead a comfortable life.

It's very important to be rich
to fulfill all these wishes.

By deceiving people?

I didn't deceive anybody.

Raj Bahadur's daughter was
on the threshold of death.

He wanted to see her

married before she died.
He himself wanted me
to marry her.
If I had refused someone else
would have taken advantage.
But that man wouldn't
have been my husband.
I am still your husband.
I forget it.
Our relationship has lost its meaning.
I What?
I have no place
for you in my life.
I have taken this decision
after a lot of introspection.
Is it your decision or
your arrogance?
Both. Because my principles and
your thinking can never be the same.
Even then we have to
live with each other...
because you are my child's mother.
I won't let you come near my child.
"I am educated, I can very
well take care of my child."
"But you forgot one thing,
you'll need my name every moment."
What will you say if the people
asks you the father's name?
What's this?
I take him with you too.
Now no one will ask me anything.
I'll think that I had never
given birth to any child.
What's the matter?
"Mr. Anand Verma,
I am taking my son with me."
I am not your tenant any longer.
And you need not know
anything more than this.
"Bina, what have you done?
How can you live without your child?"
"Brother, people never ask
a child his mother's name."

She was a stubborn woman.
I wonder where and how she is.
"Ladies and gentleman,
this is Bina."
The new principal of our college.
He is Mr. Chavan...
We'll meet later.
Now I'll take you to the office
where I've worked for 15 years.
Keep that for tomorrow.
I'm here today only to meet you.
My experience tells me that
the canteen is the best place...
to know how disciplined
the college is.
What are you doing here?
Won't you go to the class?
She's the new principal
of our college.
I was writing my Physics journal.
In the clamor of the canteen?
This chaos gives me space
and the crowd gives me privacy.
Really? But usually the students
write their journal either in...
the library or from their home.
Don't you get space
in your own home?
Wealth stinks in my house.
Even books feel stifled there.
Very strange. Don't you think that
money is everything in this world?
A man with principles is much
more important than money...
and who can sacrifice anything
for the sake of his principles.
"Vineet, your friend
is staring at you."
"I know that, let it be.
I call her to this table."
"No, I won't call her.
I Okay, then get up from there."
What are you doing here? Have you
finished your experiment so soon?

I didn't even start it.
It's a boring experiment.
ActuaIIy I hate physics.
Why didn't you take up
some other subject?
I wanted to be with my friends.
All my best friends have taken Physics.
That means you are not at
all interested in studies.
Then what's need to
come to the college?
It gives me happiness
and new friends.
"And sometimes good things
happen to you, like you."
We are meeting each other
only for the third time.
That means I'm late. Beauty should
be praised the very first moment.
It doesn't matter if it
is a girl or just a flower.
That's enough. I hope the professor
hasn't heard you.
But I heard him and I know
very well what he meant.
Do you know what I want now?
Give me just one chance.
Why are you following me?
I Who is following you?
Just give me a chance
to approach you.
Such chances are not
given in the library.
Such chances are not given.
They are taken...
wherever you find the opportunity.
I You seem to be very determined.
Leave my hand.
I I'm not one of those...
who holds a girl's hand
to let go.
I know very well how
to make you leave my hand.
What happened?

Have these professors
never been students?
They don't understand. Colleges
are not just meant for studies.
"Of course, we come here
to make friends too."
All of you come here
just to have fun.
You seem to be in a hurry.
I Any problem?
"Of course not, but you
will surely land in trouble."
The boy whom you've started
liking is a playboy.
He's an expert in fooling innocent
and beautiful girls like you.
Anything else?
I So you don't trust me?
Then listen to me. Raj has
wagered a bet with me.
And that too for
hundred rupees a day.
That he'll kiss you
within fifteen days.
Thank you very much
for being my guardian.
I am quite capable of
taking care of myself.
We couldn't talk in the lab.
I Talking is forbidden here.
Rules are meant to be broken.
But I am not interested
in breaking rules.
But I am interested in
everything that interests you.
What will you take
to leave me alone?
A few moments with you.
I The exit is in that direction.
If you don't mind coming with me.
I I don't feel like talking to you.
I know your reputation very well.
I My reputation?
Don't try to act innocent.

Vikram has told me what
a big flirt you are.
Do you know as much about
Vikram's reputation...
as you know about mine?
I What do you mean?
Every student can tell you
about his reputation.
I never thought that a girl like
you would believe in idle gossip.
"Anyway, I won't try to
meet you again."
I'll leave now.
I Excuse me.
I didn't mean to hurt you.
That doesn't make a difference.
It is your own fate.
Do you leave
everything to destiny?
Only if the other person
is not ready to trust you.
You can try to convince
the other person.
You can trust another person
only if you trust yourself.
I have the confidence.
Then can you walk with
me in front of that person...
who tried to tarnish my image.
I Why not?
"Vikram, look, Nikita is
coming with Raj."
Raj, you do boxing?"
"Yes, I told you Vikram
is a good friend."
That's right and he loves
being beaten up by me.
He is talking about himself.
I I wish you good luck.
Shall we move?
I Of course.
"I'll go with the girl,
you go on and stick the posters."
Do come in. Uncle.

Uncle, this is my classmate, Raj." "
Now he doesn't sit on
the last bench.
That's quite obvious.
You came home early today.
"Yes, he gave me a
lift in his car." "
And you agreed. One of her
positive points is that she...
is never wrong in
judging a gentleman.
Especially my dear Uncle.
Didn't I tell you?
Why are you standing?
Sit down.
Even you sit down.
"Raj, what do you think
about this painting?" "
Beautiful! Wonderful.
The artist must be really great.
"I don't know if he is great, but
the artist is present before you." "
"You are a great artist, Uncle!
I Uncle?" "
You are Nikita's Uncle...
I So you made me your uncle too.
Great. You are prompt
at making relationships.
"Uncle, you'll bore him in
the very first meeting." "
Am I a girl to take a liking
for him in the first moment?
So you think girls are like that?
I I should be asking that to you.
What's your opinion
in matters of love?
I have yet to form an opinion.
I That means you are just like me.
Can you see anything in this?
Yes, of course." "
This is the painting of someone
who has not yet experienced love.
Excellent! I have my way with
colors but you are good with words.

You can impress anyone
with flattery.
"Not anyone, I want to impress a girl
who is different from the others."
A girl who is most enchanting.
A girl whose beauty is bewitching.
I You wanted to reach home early.
Oh yes, I just forgot about that."
There's surely something
magical about this place.
It was really nice meeting you.
I'll have to visit you frequently.
Why don't you come tomorrow?
Nikita is celebrating
her birthday tomorrow.
See you tomorrow.
I'll take your leave now.
There's no use venting your
anger on the punching bag.
Everything that had to
happen has happened.
He took Nikita away today.
He has almost won the bet.
I'll smash his face
when I get the chance!
Then he won't be able to
recognise his own reflection.
Many happy returns of the day
"I hope these flowers bring
happiness in your life"
"I want to tell you something
important today..."
"which can't be expressed in
the confines of your house"
Now tell me why you
have called me here.
What is it? What did you
want to tell me?
It's a bit difficult to speak here.
Let's go somewhere else.
Don't you think the
weather is pleasant today?
Let's go somewhere else.
Well? Why don't

you say something?
I...
Let's go elsewhere.
This place isn't very nice either.
Let's go.
Shall I say something
if you don't mind?
May we walk some more?
I What do you want to say?
Come with me.
I Tell me what you wish to say.
Right now. Or I'm leaving.
Why say it so slowly?
Say it aloud.
Say that again, from there."
Not from there. Go there.
My heart is crazily in love
Your heart is crazily in love
We were destined to meet
That has spawned off...
a love story
A love story
My heart is crazily in love
Your heart is crazily in love
We were destined to meet
That has spawned off...
a love story
A love story
Ever since I have seen you...
I have been restless
"This is the first time
I have spoken of love"
"It seems as if I have always
been waiting for you"
"You were the one who
speak up first..."
but I loved you first
"Never will the world
forget us..."
such is the way we will love
Love, as no one has ever done"
"When two young hearts meet
like this"
"May the dream not break;

may Iove never end""
A Iove story
A Iove story
So have you won the bet?
I What?
Isn't that the truth?
I Yes.
Vikram had warned me against this.
But I didn't trust him.
"TiII a few moments ago, I was
sure that you Ioved me."
But it"s true that I Iove you.
I Just shut up!
What was the amount of the bet?
Hundred? Two hundred?
Five hundred or a thousand?
Forget that name! Don't ever
try to meet me again.
I hate you!
Nikita, pIease wait!""
Nikita, I need to taIk to you.""
PIease give me a chance
to say what I want to.
I"II go away after that.
"Nikita, I think you
have misunderstood me."
I agree that I had a bet with him.
I agree that what I did was wrong.
I agree that I have hurt you.
"But I didn't even know you then.
But now, trust me, I reaIIy Iove you."
PeopIe say that a man"s Iife
is most precious to him.
You are more precious
to me than my Iife.
Nikita, Iove is eternaI.""
"Ask yourseIf,
you"II find the answer.""
That you shouIdn't repeat
the mistake you committed once.
Now you can go.
HeIIo, Raj.""
What happened to Raj?
He didn't even taIk to me.

I told him to get
out of the house.
But why?
I He has deceived me.
That is just not possible.
You surely must have
some misunderstandings.
Even he said that.
I He was perfectly right.
Even I committed the same
mistake in my youth.
I didn't trust the person I loved.
So I am still a bachelor.
You don't know that he had
a bet with his friend...
.... that he'll make me
fall in love with him.
Did he lose the bet?
I No. He won the bet.
Then you should have
married him.
"But you drove him out, which
means you have ruined everything."
History has been a witness
to such incidents.
"That's enough, Uncle! I don't
want to hear anything about him."
There he is. What kind of
a friend are you?
"We were waiting for you,
but you didn't come."
"We went to the club,
you didn't come there either."
What's wrong with you?
"Raj, you have met many
girls in your life."
But you were never so
interested in any of them.
But this girl's refusal seems
to have ruined your life.
That girl is just a bet
between you and Vikram.
She means much more to me.
She has become a part of my life.

I can't live without her.
I can't bear to see Raj
in this state.
We'll have to bring Nikita
to the jam session somehow.
Very well.
"Our eyes met...
and the gaze was lowered"
We went crazy
"We meet again to be
lost in each other"
"Our eyes met...
and the gaze was lowered"
We went crazy
"We meet again to be
lost in each other"
"Do not go far away...
come closer"
"Come into my arms.
Come to me"
"Let me embrace you today
and let me touch your eyes"
"You, I look at.
You, I seek"
"You are the one I must
always desire"
"Now that we have met,
may we never be separated again"
May we spend every moment together
"May we never be driven
to separation again"
"Let's do away with
the distances now."
"Come into my arms.
Come to me"
"I have known today,
I understand now..."
what love is worth
"Love is life...
love is happiness"
"With difficulty you fall in love;
but when you do, you do, darling"
"Whatever happens then,
even after ages go by..."

Love never lessens
"Whatever I possess
is all yours"
"Come into my arms.
Come to me"
"Our eyes met...
and the gaze was lowered"
We went crazy
"We meet again to
be lost in each other"
"Do not go far away...
come close to me"
Come into my arms
Come to me
Come to me
Come to me
"I must say, Raj, you do have
a way with girls."
You have finally won the bet.
Here's your prize money.
Nikita, please listen!"
Not here. I don't want
to create a scene here.
I'll see you in the boxing ring.
Oh God! What's happening?
There's nothing to worry Mr. Behl.
The ammonia was very diluted.
"Else, it could've harmed his eyes.
I When will he be alright?"
He'll be fine in
a couple of days.
"Raj, do you need anything else?
I No, dad."
Inform me if you need anything.
I'll keep enquiring about you.
"Uncle, can we meet Raj?
I Yes, but don't take much time."
He needs rest.
"Is everybody there?
I Yes, we all were here."
"Raj, we'll surely punish Vikram
for doing this."
Deepak, I've hurt Nikita a lot."
I'm being punished for that.

I God will pardon you for that.
Yes. But she didn't even give me
a chance to apologize.
But even we were
a part of that mistake.
"So why are you alone being punished?
I No, it was my mistake."
I hurt her a lot.
But do tell her that
I've realised my mistake.
Who's that?
Nikita?
You cannot be forgiven!
We have proof that you have cheated.
You both will be debarred
from this term.
"But we will lose
a whole year, madam."
Only then will you understand
that evil begets evil.
Is that you, Nikita?"
Won't you ever forgive me?
I can't bear to live without you.
Who's that?
I Deepak.
Come in.
How come you are here?
Didn't you go to college?
There's no lecture today.
Our class is going to Goa for
The Discovery of India project.
Everybody's going but I'm not going.
I Is she going?
Yes. Maybe her friends forced her.
I How are they going?
By bus.
I When will it leave?
"Evening, 4 p.m."
I You go with them too."
I'll come there as soon
as I'm fine.
"But Raj...
I Please, Deepak!"
Maybe our love will

blossom again in Goa.
Can anyone help this blind man?
Where do you want to go?
I Take me near the shores.
Come on.
I Girls are not compassionate anymore.
But you are so kind.
Look at that. Rajesh is
trying to woo that girl.
He'll get beaten up.
I What happened to your eyes?
I've been blind right from my birth.
I'll teach him a lesson.
What are you doing?
Do you think I'm blind?
"I'm blind.
I swear, I'm blind!"
Stupid fellow!
What's the matter? Your cheeks
look rosy today.
He got just one slap.
I Just shut up!
You don't like girls neither
do you let others have fun.
There's nothing new about that.
"Just a moment. All this is
fine, but where's Nikita?"
She'll come.
She maybe somewhere.
Your memories haunt me...
they torment me
All night, I stay awake"
They make me weep
"I never thought I'd
fall in love like this"
"That two strangers would meet
and fall in love"
"My heart knows no peace anywhere
without you, my love"
"I pine for you...
what spell have you cast on me?"
Your memories haunt me
They torment me
All night, I stay awake"

They make me weep
Your words, I remember,..."
and I shed tears
How can anyone bear...
the pangs of separation
"What is my state...?
How do I tell you?"
"This love story, how
will I narrate to you?"
"Your memories haunt me;
they torment me"
All night, I stay awake"
They make me weep
"Rajesh, where's Deepak?
He must be with some girl."
You guys are all alike.
Don't you think this
juice is not very sweet?
"No, how can it be when
you are touching the glass?"
"You have a good sense of humour.
I'm not joking,..."
...it's my love for you.
I What?
I can show you how deeply
I love you.
What are you doing?
You are there...
in my dreams and my thoughts.
What nonsense?!
This is just my love for you.
I'm in love with you.
"What happened?
I Nothing, buddy."
I was slapped in my dreams too.
Look, Raj is here."
When did you come?
I Just now.
How are your eyes now?
I Can't you see?
He drove his car till Goa
with his eyes blinded.
But I think you are
searching for someone.

How's Nikita?
I He's so worried about her!
Won't a man enquire
about his destination?
"Raj, she stays away from us.
She seems to be very tense."
Joy and sorrows are
two faces of love.
You should be prepared for both.
And the joy of meeting
will be much greater than the...
sorrow of separation.
"If my love is true, she'll
definitely be my love."
"Friends, you must have never
played such an interesting game."
There are chits of each boy's
name in this.
Every girl will pick a chit.
The boy whose name is...
in the chit will
be the girl's partner.
There are candles
kept on the table.
"The girl will light it from one
end, the boy from other."
But there's a condition
that one matchstick should...
.... light all the candles.
Pick up the chit.
Deepak. Your boyfriend.
I He's your partner for now.
So shall we start the game
with Raj and Nikita?
No!
Start the game.
What's wrong with you?
Why did you come away?
Because that was not a game
but your plan...
to make me and Raj meet.
I Yes it was...
because he loves you and
even you love him.

Don't you love him?
You don't want to
accept that fact.
You behave like this just
but that pains you too.
You hurt him deliberately
but that pains you too.
What do you want him to do?
Die for you?
"If you want that, you surely
have a cruel heart."
I've said whatever I had to.
It's your own wish now.
I belong to you...
You belong to me
I'm all yours...
and you're mine
Tip, tip... falls the rain"
"Whether you agree or not,
you belong to me"
I belong to you
And you belong to me
"Your refusal actually
means yes"
I have read that in your eyes
Your face has given you away
"It's I who lives
in your heart"
Whether you agree or not...
I'm all yours
And you're mine
"I have taken you
for my life"
"In my breath,
you linger"
"I'm not the kind of man
you think I am"
You will believe that soon
"I could lay down my life for you,
if you wish"
"Tip, tip... where
are the rains?"
I agree, I belong to you"
I agree, I'm all yours"

I'm all yours
You're mine
Your madness has won me over
"Our attitudes have changed;
the season of love is here"
"We dance and so do our hearts
and the earth"
"The earth appears more
beautiful than the heavens"
So say it again...
Yes, I'm all yours"
What turn has my life taken?
I agree, I'm all yours"
I'm all yours
I'm all yours
Did anyone of you see Nikita?
She's not in her room.
Strange, even Raj is not to be seen."
What?
I That's strange.
Where have they gone?
Where have you brought me?
I Are you scared?
Not at all.
I It's quite an interesting place.
This statue has been here since
the days of Raja Chandragupt.
There's a myth that this
statue is an abode to a demon.
Your wish is fulfilled if you put
your hand in its mouth and make a wish
"But if you have some
evil intentions,..."
the demon will bite off your hands.
I Really? Is that the truth?
Let's try it out.
Why don't you make a wish?
I Okay.
First you make a wish.
I What happened?
Nikita, my hand!"
Were you scared?
I Never do that again.
"Shall we go?

I Yes, let's go." "
"Rakesh, the bus
is about to come."
But Raj and Nikita are
not to be seen anywhere.
"Don't worry, they'll be here
by the time the bus comes."
"Nikita, I still feel that
all this is a dream."
It was proved wrong that
dreams never come true.
I feel as if I am the
happiest person in this world.
You said you hated me.
I was wrong. Please forgive
me if you can.
It was my mistake. You had
just punished me for my deeds.
I had tormented you a lot.
Didn't you ever
feel like hating me?
How can I ever forget
my first love in life?
"Had I forgotten you,
I wouldn't have got you back."
Today I realise how lucky I am.
I am fortunate that you
have become mine forever.
Promise that you will be
with me for my entire life.
I want to ask something else from God.
I What?
To be yours
in all my births.
"Has everybody come?
I No, two are yet to come."
It's already late.
I won't wait a minute longer.
Please wait for a few moments.
What shall we do now?
I The bus must have gone too.
What will others think about us?
I There'll be stories to tell.
Everybody will be talking about us.

I What will uncle think?
What's there to think?
He'll just fix our marriage.
"Mr. Burma, I'm sorry,
I couldn't recognize you."
Even I couldn't recognize you.
We are meeting after so long.
I've tried very hard
to forget those days.
Please don't remind me
of those days.
But what brings you here?
Please have a seat.
"Actually, my niece Nikita
studies in your college."
And a boy called Raj
studies in her class.
"Do you know him?
I Yes, very well."
He has come to our house.
He's a very good boy.
You are right. I know
why you've come here.
What about the trip?
I All students have come back...
except for Raj and Nikita.
I That's why I'm worried.
"Nikita is only my niece,
but I love her like a daughter."
"Don't worry. I assure you,
she'll reach home alright."
You have put me at ease.
I wonder how long we'll
have to wait for them.
It may be possible that
Raj has informed his family.
"Do you have his address?
I No, but we'll get it from office."
I'll find it out.
I You need not do that.
I'll go to the office myself.
We've met after so long.
Why don't you come home
with Nikita sometimes?

I'll surely come.
"Sir, Mr. Anand Burma
wants to meet you."
Did he take an appointment?
I He has some personal work.
He'll take just five minutes.
I Okay. Send him in.
"Do you find it hard to
recognize me, Mr. Mahinder?"
I recognised you as soon as I
saw you even after so many years.
Yes, I remember you."
"Yes, the very same man,
whose tenant you were."
I was.
I That's right.
Take a seat.
Come to the point.
I don't have time to waste.
Even I don't have time to waste.
You had better warn your son
not to meet Nikita again.
Yes, Nikita. She's my niece."
They both are in
the same college.
They both are good friends.
You should congratulate
your niece on having chosen...
Mahinder Behl's only son
as her friend.
He's the only heir
to all my riches.
That's enough, Mahinder!"
Call me Mr. Mahindra Behl.
Mind your language.
Just tell your son
what I told you.
Because he is your son.
I don't want him to repeat
what you did to your wife.
And you better tell your
niece that the poor always...
dream of riches which
are never to be fulfilled.

You may go now.
A man like you
will never change.
So you have got here finally.
I Uncle...
We're sorry for being late.
The college bus had already
left when we reached there.
It was my duty to bring her home.
"Which you have fulfilled,
thank you very much."
I am sure that my niece
will never do anything wrong.
You're right. I'll go now.
Wait!
Don't ever come here again.
I What?
And forget that you
had ever known my niece.
What are you saying, Uncle?"
You need not know
the reason for this.
I've always done everything
for your well being.
But we love each other.
And we want to marry as soon
as we finish our studies.
That's impossible!
I'm old enough to make
my own decisions.
But Raj can never be
part of your life.
What's wrong with Raj?
How dare you talk
to me like that?
No one can separate
us without any reason.
Even you have no
right to do that.
Uncle!
I You better not interfere.
But I should know what has
made you hate me so much?
Why can't we marry?

I don't want to insult you
in Nikita's presence.
"But if you really want
to know, I'll tell you."
You are not fit to
be married to my niece...
because notoriety
runs in your family.
You are insulting my father.
He is fit to be insulted.
He left his wife for
the sake of riches.
What? But I was told
she was dead.
Your father must have
told you this lie.
So that his image
is not tarnished.
But your mother is still alive.
She is a very respectable lady.
"Who is she?
The principal of your college, Bina."
Go and ask her if
you don't trust me.
And don't try to come here again.
Forget him. You are no
longer concerned with him.
"I No!
Trust me, no one can separate us."
Do wait for me.
Please uncle!
I can't live without him.
Please don't do this, Uncle!"
I don't want you
to ruin your life.
"You won't go out of this room,
not even for going to college."
I want to meet Mrs. Behl.
Madam, he wants to meet you."
You? You can meet me
in the office tomorrow.
I have come here
to ask something...
which can't be asked

in the office.
I need the reply
this moment itself.
What do you want to ask?
It's an old thing.
A woman had sacrificed her son
for the sake of her principles.
You have no right to interfere
in my personal matters.
"I am sorry, but your
principles meant more for you."
Your husband was busy
accumulating riches...
and the two of you were separated.
But you forgot that
you had a child too...
who craved for his parent's
love throughout his life.
When a ray of hope
entered his life...
even that was snatched away
from him.
The world said that notoriety
runs in his family.
"Who is responsible for this,
his mother or father?"
How can I tell you that?
You have to give me
a reply for that.
Because Mahindra Behl's
son is asking you this.
You are Raj?
The two of you led your lives
on your own terms.
Don't I have the right
to ask why neither of you...
ever thought about
your son's life...?
who was more like an orphan
in spite of having parents.
Do you have anything else to say?
There's nothing left to say.
I just have one reply for...
all your accusations.

The society or the world which...
makes life a hell for those who
don't know their father's name.
I didn't want you to face
any such situation.
That's the reason why I
sacrificed a mother's affection.
Didn't you ever think about me?
This sorrow remained with me
as your remembrance.
Don't open my wounds.
"Mother!
I Raj, my son!"
Please don't cry mother.
Let me cry to my heart's content.
It will give me solace.
"No one has ever seen me
cry, but you."
These are the tears of
the joy of a mother.
I've found everything today.
Mother, you will never cry again."
Your son gives you this promise.
Raj, where are you going?"
There's just a thing
left to be done...
.... which is very important.
Uncle, where's daddy?"
So you have finally come?
Perhaps you don't find it
important to give a reply.
Neither would you be interested
in knowing why I am awake.
I have worked for years
to attain this fame.
But your single deed
has spoiled everything.
An ordinary man
insulted me today.
I feel like striking
like the lightning on you.
But I can't do that.
Can I ask you why you
did such a thing?

Why did you insult your
father in this manner?

Answer me.

I have an answer for
every question of yours.

But first you have
to give me a reply.

Where is my mother?

I need an answer.

"Now say that she is dead.

I Yes, your mother is dead."

The mother who had
given birth to me?

Or the one whom you had
married for the sake of money?

"Now I understand, Anand Verma
has instigated you against me."

"No, he just told me the truth.

I Which truth?"

The truth which you had
hidden from me...

and kept me in the dark
for so many years.

It was your own decision
to leave your wife.

But you had no right to
separate a child from his mother.

She is dead as far as
I am concerned.

You told this for
the first time today.

You have always told me that
my mother died on my birth.

"Yes, that is the truth.

I I know the truth."

The means you employed to
gain wealth in those days...

"... were really cheap.

I Raj, what do you want to say?"

My mother is alive.

And she is the principal
of my college.

In spite of staying away from
her husband for the sake...

"of her principles, she is leading a respectable life."
And you are letting your emotions get the better of you.
You don't know what such emotions mean.
I don't need to know.
"In today's world, money is more important than anything else."
Not more important than a mother's affection.
Listen to this before you put a step forward.
If you think that your separation will change me...
then you are terribly wrong.
You won't even get a single penny from me.
Long before you had left my mother for money.
But today I shun you and your riches for my mother.
I have no place for you in my life.
I have taken this decision after lots of introspection.
You don't know what such emotions mean.
Evil will always remain evil.
Because my principles can never be one with your ideology.
Long ago you had left my mother for the sake of money.
Today I shun all your riches for the sake of my mother.
Uncle.
Now we can't even meet in the college.
Uncle has locked her in her room.
I can't live without Nikita.
Her uncle can't force her like that.
Even the law doesn't permit this.

You both are adults and
Love each other too.
Nobody can stop you
from getting married.
How can the marriage take place
without the bride's presence?
Her uncle is himself
keeping a watch on her.
There's only one way. We'll
have to bring her out once.
"Once you get married, then
there's no problem at all."
Are you all ready to help me?
I Do you have to ask that?
Is there any doubt about that?
Then it's decided. Tonight
Nikita will be with us.
"Raj?
I Nikita, open the window."
I can't live without you, Raj."
"Neither can I live
without you, Nikita."
I've decided that nothing
can separate us now.
Who's there in the garden?
Raj, I'm very scared."
You have to come with me.
I But where?
The place where we'll be
married tomorrow.
Marriage? But uncle?
I This is our last chance.
No one can separate us
after marriage.
We'll come to seek his
blessings later.
Let's go.
Who's there?
I'm Anand Burma.
Your son ran away with
my niece just now.
Come to the point. I don't
have time to waste.
"Then listen, I'll not spare

you if any harm befalls her." "

Do you understand?

We've reached the marriage hall.

I You guys go and bring a priest.

We can't leave you both alone here.

A couple can never be alone.

It's already very late. We can

come back only by dawn.

Doesn't matter. You go

and do call my mother.

Go on.

I Let's go.

"Nikita, why have you

become so silent?" "

Now what are you worried about?

We just have to wait till dawn.

Had your father and my uncle

agreed for our wedding...

we would have been so happy.

I Yes.

Then we wouldn't have

taken all these troubles.

Neither the priest would

have had to be called here.

But we'll be married

according to the rituals...

so that no one can

point fingers on us.

Rituals also include the

blessings of our elders.

My mother will bless us.

I respect her more than anyone.

She will not only bless you

but will also love you.

Anything else?

Yes, I know where to come." "

"Yes, I'll reach there.

I Come as soon as you can." "

Raj and Nikita want to

take your blessings.

Alright. I'll be there.

Mr. Burma?

I've come here with a complaint

against your son.

"Last night, he
kidnapped my niece."
I know and they ran away
because of you.
They love each other and
they want to marry too.
But I don't want that to happen.
I just because you hate Raj's father?
Yes, because he's Raj's father."
I don't want to see Nikita
suffer like you did.
And she will not. Raj is
surely his father's son...
but I gave birth to him.
He has inherited my principles.
But I don't want my niece
to be the daughter-in-law...
.... of a man full of avarice.
Just don't think about
that because my son...
has shunned his father's
riches for Nikita and me.
"It's your wish now, but
I'm going to bless..."
my son and my daughter-in-law
at this moment itself.
But how can it be possible.
I why not?
How can it be possible
without my presence?
Follow that car.
I think they have come.
Thanks a lot, Raj."
For what?
I for making it easier for me.
You brought Nikita here.
Now I'll take her away.
I'll not spare even if
you try to touch her.
"Don't try to act smart,
or else you will regret it."
I have suffered a lot
because of you.
Today I will take

revenge for everything.
And that too a very
beautiful revenge.
"Raj, what's going on?
Who's this?"
Enemies of love.
My child!
I Uncle!
"Are you alright?
I Yes, I'm fine..."
"but I tried to cheat you.
I Forget all that, my child."
Even I became an enemy
for both of you.
But now I won't stop you.
You're bleeding a lot.
Let my evil intentions
flow away.
Are you Nikita?
I Yes and she's my fiancée.
Is all this violence
just for her sake?
"If saving my wife's honour
is violence, then it is."
But you won't understand this.
"This is a question of
experience, Raj."
Three examples of which
are present here.
This woman sacrificed her husband
and her son for her principles.
"And the two of you,
young and ignorant..."
who think love is the
greatest achievement in life.
And I...
who can die...
but cannot face defeat.
But why are you telling
us all this?
Because now you have
defeated me...
"yes, you have
done that Raj."

"When you went away
from me, I felt as if..."
nothing was left
in my life.
I hated my own riches.
You made me realise
that my life was...
just a series of mistakes.
Today I can't even
apologize for my sins.
When a man realises
his mistakes...
even God forgives him.
I am just your wife.
You are very fortunate.
You lost everything years ago...
and you got everything
back in a moment...
"your wife, your son and
a daughter in law."
Come here.
