Weenie

By Ken Daurio

1

Whoo-hoo!

Geronimo!

Cannonball!

Come on, Timmy.

Hurry up!

I can't...

I can't do it.

Ah, Timmy,

don't be such a weenie.

Yeah, what a weenie.

I blew it.

Oh. Hey there, Timmy.

Why so sad?

Hey, Mr. Mayor.

They called me a weenie.

Why, you're acting

like that's a bad thing.

Isn't it?

Oh, Timmy.

Now, some may say

that "weenie"

Is a bad thing to be called

When they hear

someone say it

They are terribly appalled

But I'm of the opinion

One hundred percent

That being called a weenie

Is the greatest compliment

'Cause every one

of us is a weenie

A weenie!

A weenie is

an awesome thing to be

Some of us are big

some are teeny

Teeny!

If you're feeling flustered

Just add a little mustard

Oh, yeah!

You can call us hot dogs

Or you can call us franks

You can call us anything

As long as you give thanks
That every one
of us is a weenie
A weenie is
an awesome thing to be
Wait a minute, so you mean...
Every one of
us is a weenie
That's right!
A weenie is
an awesome thing to be
What about
the girl in the bikini?
Ooh.
You may think I'm jestin'
But her skin is pig intestine
Weenies can be broiled or
fried Or if you're really brave
Wow!
You could spend a couple
minutes In a microwave
Too long?
Every one of
us is a weenie
A weenie!
A weenie is
an awesome thing to be
Oh, sure,
maybe some of us are kosher
The British
have their bangers
Hello!
The Germans have their brats

ALL:

The Poles have their kielbasa
Always boiling in their pots
The Spanish have chorizo
Ol!
The Italians have salami
Ciao!
But where do we all come from?
Ask your daddy
or your mommy

Every one of us
is a weenie
A weenie!
A weenie is
an awesome thing to be
This one over
here is a genie
I can grant your wishes
Because I'm so delicious
Each of us is different
It doesn't really matter
If we're sliced up in a can
Or on a stick
and dipped in batter
Every one of
us is a weenie
A weenie!
A weenie is
an awesome thing to be
Yeah!
It's a thrill on a grill
So much fun in a bun
When you're
a weenie you are number one
Yes, every one
of us is a weenie
A weenie!
A weenie is
an awesome thing to be
Is that Timmy?
Whoo-hoo!
I'm a weenie!
