your backyard, please don't use it as a

Until an official government announcement
is forthcoming, please DO NOT go outside .
At this point, all highways have been
closed by the National Guard.
All public transportation, including
trains, subway lines, and buses,
has been cancelled.
Numerous UFOs have been sighted flying
above cities all over the world.
Investigations are underway
at this time.
Until an official government
announcement is forthcoming,
please DO NOT go outside...
Check this out !
Guess it's over when this happens !

Gross! There's no head!
-Disgusting!
Toshi !
Friend of yours?
It's the Yakuza I was supposed to be
doing business with today
Really? !

Something you'll never understand
I'm not afraid to die
Because I'll be with Toshi
even after death

Playing tough , huh?
Look at yourself .
All you've got is a gun
You'll never know real love
I feel sorry for you

We could make a lot of money !

From that day on ,
I never saw Guitar Wolf again .
What happened on that night I'm still not
sure of-was it a dream or reality or what?
Courage and Rock'n'Roll.
That's what he taught me on that night .
Love has no boundaries, nationalities ,
or genders .

That's what he said .
And he was right.
And me ,
from now on ,
I'll be with Tobio .
The two of us forever .
