**Girl:**

This is not an erect,  
all-red neon body.  
Though gathering on  
the edge of a tepid knife,  
Now the park is patrolled.  
My living room watched.  
My policeman's coffee.  
No seeing you again.

**Boy:**

The black list I made.  
The Caesarean section  
of the map

Morning...  
August 8th.  
Morning.  
August 8th...  
Morning...  
I'm still alive.  
Good morning!  
This is the 2nd time  
I've been raped.  
Were you dreaming then?  
No, I wasn't.  
I was just exhausted.  
- I said, "Good Morning!"  
- Good Morning.  
What's wrong?  
Do you want some water?  
Let's go downstairs.  
No, I like it here.  
On the morning of August 8th,  
I was raped again.  
I bled.  
Crimson blood will dry.  
I...I sleep on that  
puddle of blood.  
Sleep...live...  
Hey, wake up!  
Let's go!  
It's morning.  
The bitch's still here?  
Did you fuck her?  
I...  
I want to die.  
So kill me.  
OK, I'll kill you.  
Looks like he's rushing  
to make a deposit.  
Kill me! Kill me!  
Kill me! Kill me!  
He's killing you.  
But he ain't much  
of a killer.  
See ya again.  
Come on, kill me!  
Make him kill you.

Won't you kill me?  
I do want to die.  
- Won't you do it?  
- No, I won't.  
Do you think you could kill  
yourself by jumping?  
No way.  
I wouldn't like ,  
I would not die.  
But it probably feels bad  
when you're falling down  
before you hit.  
I'm 17.  
I'll jump from this floor  
up when I am 20  
It'd take 5 seconds to fall.  
One is fin  
A friend jumped from here  
it took about 3 seconds  
He didn't blink  
the poor guy  
I guess I'll kill you...  
I'm an expert, after all.  
My mother was gang raped.  
And then gave birth to me.  
Are the tears we  
two shed when raped...  
the tears women shed?  
What tears?  
What sadness?  
I'm not a woman.  
I'm not sad...not sad at all.  
I don' cry.  
I'm never sad.  
I...  
I'm...  
not at all sad.  
Fuck you!  
Fuck you!  
Did she do it?  
Whaddya doing?  
"Go, go, second-time virgin.  
"The masterpiece  
picked by men.

"Go, go, second-time virgin.

"Take the bright road

even when a detour."

Here.

Thanks.

- food?

-

"Go, go, second-time virgin.

" of love."

it?

second-

time virgin?

, 17 year old high

school girl.

Why'd you say that you

liked this place?

Because I'm a second-

time virgin.

I don't get it...

I like it here, too.

I guess because it's hot.

Not even the shadows

will disappear.

How many others before me?

They always rape together.

I want to try it.

Why?

Do you want to die because

you were raped?

No, that's not it.

Then why?

Bask in the sun until

you can't sweat.

Get thirsty and

drink up the sun.

Get sleepy and open

your red eyes.

off peeing and shitting

If you want to die...

holding off death.

I'm just sleepy.

Did you enjoy being raped?

I've never done it.

Aren't you going home?

No.  
Go home.  
You wanna be alone?  
It seems I am alone.  
Wanna go?  
No.  
Let's go.  
I won't.  
I'd like to see lightning  
hit that lightning rod.  
But it's never struck here  
because it's so low.  
I won't go.  
Then I won't.  
I won't go.  
I won't.  
Let's go.  
I tried once but failed.  
Leave me alone.  
Let's go.  
No.  
What if I kill you?  
Tell me why you  
want to die...  
and I'll kill you.  
Really?  
Yes.  
OK, I'll tell you.  
I'm just too hopelessly  
unhappy to live.  
Even rape didn't  
erase the sadness.  
Father committed suicide  
with a mistress.  
Mother killed herself  
with I was nine.  
I know that people love  
and kill one another.  
But why did mother  
hang herself?  
I learned that at age 12.  
Mother was just  
sad and lonely.  
She said she killed herself

out of anger at Father.  
You're alone? So am I.  
That's why I don't  
want to kill myself.  
It's too painful...  
Don't you start anything!  
But...  
It'd look like a  
double suicide.  
I really hate lightning.  
Scared?  
I wrote this.  
- sell?  
- They were all returned.  
"eye closed.  
when open, if open  
"Wake up, wake up. Wake up.  
"Open, nose open.  
"Pores open, all open.  
"Choke on air.  
"Eyes open, eyes open.  
"A host opens repeatedly,  
progressing into an open eye.  
"P k woman and  
Open, open your eyes again."  
You can rape me.  
It's really OK.  
What's your name?  
You can't rape without it?  
Yeah.  
I'm Poppo.  
My name's Tsukio.  
I can't do it.  
Impotent?  
No!  
Then why?  
I just cleaned myself.  
That's not it.  
the roof, lying  
concrete...  
it's damp here.  
I hate it!  
thought about  
taking on a trip

A trip?  
Going away or something.  
Hurry up!  
This building's 7 floors,  
plus the roof.  
I live on the 5th,  
so it's a 6-floor trip.  
But the sixth is too high.  
It'd take 4 seconds to fall.  
So a three-story roof  
is closer.  
That's why I like the roof.  
That's the door to my room.  
You want to be killed, right?  
OK.  
I...  
It's OK. They're dead.  
Wonder who they are?  
You wouldn't know.  
Don't think I'm crazy.  
I did kill them,  
but I didn't like it.  
The bastard rented this room  
and did these acts everyday.  
Before I killed them,  
they grabbed me...  
and did "perverted"  
things to me.  
Those fucking pigs!  
Stop it, you bastards!  
Stop it!  
Stop it, dammit!  
Lay off me!  
Stop it!  
Pigs!  
Get your hands off me!  
Fuck off, bastards!  
Pigs!  
I said stop it!  
Stop it!  
Stop it!  
Fuck off!  
Please stop it!  
I didn't mean to upset you.

You can leave if you want.  
When I came to,  
I wanted to die.  
I tried with the knife,  
but it didn't work.  
What?  
I wanna go.  
It's OK to go.  
You can go now.  
It's nice to have  
a place to go back to.  
You want me to kill you.  
It's easy to kill if  
there's a reason.  
I can't kill  
without a reason  
Still want to die?  
These pigs!  
They were pigs to me,  
so I killed them.  
Can you kill the guys  
who raped you?  
No?  
You killed him!  
You'll miss the bus!  
The bus?  
My father locks  
the doors at 7.  
Hey!  
Who's that?  
The chick we did.  
You still here?  
She must like the concrete.  
You can't forget me?  
We went for a walk.  
Liar!  
Do it! Do it!  
Let's do it!  
Stop it!  
She's got big tits!  
Feel good?  
- It hurts!  
- Strip down!  
Stop it! It's painful!

Don't do that!  
Don't bite like that!  
It hurts!  
Why've they gotta be so big?  
Not today, OK?  
Why've your tits  
grown so big?  
That hurts! Stop it!  
Hey, quit it!  
You said you were going  
to throw a party.  
You're having fun.  
This only tires me out.  
Stop it!  
Do it!  
She always says that!  
Quit it!  
That hurts!  
Stop it, ouch!  
The concrete bed...  
Quit it!  
No!  
Stop it!  
Stop!  
Quit it!  
No!  
Get off!  
Stop it, you bastards!  
Stop it!  
Stop it!  
- You can't even kill me!  
- I'd rather do someone big.  
That's just talk.  
I do want to die.  
To die.  
No use playing courageous.  
"Go, go, second-time virgin  
"Your prick,  
it gets protracted  
"An empty flat  
without extension.  
"Like thin soup rising,  
The incest kitchenette.  
"Your swollen abdomen,

"And your cycle,  
bicycle."  
Look, she's a masochist!  
Everybody!  
Look at this!  
It's true!  
She's a pro!  
Why don't you do it?  
OK.  
"Go, go, second-time virgin  
"Riding in your hand  
Like a yellow dream  
"Towards the virgin spring.  
To stash away...  
"Dead birds below a window,  
Like the ultimate thief."  
What're you doing?  
He's crazy!  
"The nitro of love."  
I loved my father...  
even though we had good sex.  
I finally had a reason to  
be killed. I messed up.  
Hurry up!  
It won't be opened  
till morning.  
Fuck you!  
You gonna make us  
accomplices?  
He did it by himself!  
I'll testify!  
I'm scared.  
- I wanna go home.  
- Shut up, bitch!  
When the super comes  
in the morning,  
we'll escape and  
no one will know!  
we'll escape and  
no one will know!  
It's better than  
getting caught now.  
Mama, I'm taking off...  
The tour bus stops...

The cuckoo cries for Mama.  
No seeing you again.  
Everyone betrays me,  
cuts me off.  
Jean, Miller, and Norman  
Mailer, are in the dumps.  
This is not an erect,  
all-red neon body.  
Though gathering on  
the edge of a tepid knife  
Now the park is patrolled...  
My living room watched.  
My policeman's coffee.  
No seeing you again.  
The black list I made.  
The Caesarean section  
of the map.  
Mama, I'm taking off...  
For now, in the city night.  
A naked lunch,  
a blood filled lunch.  
Slit my wrists from  
impotence and drugs.  
Mama, I'm taking off...  
To kill them all...  
To execute all about me.  
Is that your song?  
Yes, but I won't  
sing it again.  
Why?  
Why? Because you heard it.  
Forget it.  
If you're not  
impotent, do it.  
I...I've never done it.  
Please make love to me...  
Or kill me,  
if you want to.  
I hate those punks.  
I'm really the son of the superintendent  
I didn't know the  
people in that room.  
But since they were pigs...  
Want a reason to kill me?

They made a plaything  
out of me,  
so I killed them.  
It's easy to  
make up a reason.  
I...I'll kill you  
and then take off.  
I...I'll murder you.  
I'll murder you.  
Kill me!  
I love you.  
I love you.  
I adore you.  
You love me?  
Yes.  
That's got to be a lie.  
You can't possibly love me.  
But it's true.  
Tell your lies  
to someone else!  
Tell somebody else  
you love him.  
I...I'm the son of this  
building's super.  
I'm the daughter  
of a school janitor.  
Use this if you  
want to leave.  
I love you.  
I do.  
Lies!  
Go away!  
It's true.  
I love you!  
Lies! Lies! Lies!  
I'm not lying.  
I love you.  
You're lying!  
I love you even  
if you say that.  
Isn't that a good  
enough reason to kill?  
It's all a lie!  
It's true.

Liar!  
I love you!  
I've never loved  
anyone in my life.  
I couldn't even love  
my mother or father!  
That's the way it is.  
Stop it!  
You'll be caught!  
Shut up!  
We're done for if  
you're caught.  
Who's done for?  
You killed two people  
and got us involved.  
Involved?  
Please, just stay quiet  
till morning. Please!  
OK, I'll quiet things down.  
I'll quiet you down!  
I'll shut you all up!  
Kill all of you!  
Kill them?  
NO, kill me!  
If you want to go,  
here's the keys.  
You don't want to go?  
Fuck you,  
you impotent bastard!  
Pig!  
Bitch!  
Die you pig!  
Die you bitch!  
You killed them.  
Can you kill me?  
Stop!  
Go away!  
If you don't,  
I'll kill you!  
Please!  
Why kill me?  
It's just because I hate you.  
Stop!  
Police!

I only killed for real  
the first time.  
Kill me!  
If you don't,  
I'll kill you.  
Stop it!  
Quit it!  
I'll kill you!  
Do it quickly!  
I'll murder you!  
I'll kill you!  
Kill me now!  
Kill me!  
I'll kill you now.  
Hurry up!  
Come on!  
I'll murder you!  
Do it now!  
Wait up!  
Wait a minute!  
I got you!  
So kill me.  
Do it!  
I'll kill you.  
One...  
Two...  
Three...  
Four...  
Five...  
More!  
Six...  
You can't kill like that!  
Seven...  
Lucky seven.  
You've killed 7 people.  
So make me the eighth!  
Eight...  
Eight...  
Come on!  
Eight...  
Come on!  
Eight...  
Eight...  
Don't be soft!

Why do you want to die?

You tell me!

- Tell the truth!

- You tell me!

Damn you!

I... I...

Damn you!

I want to die because

I want to kill

Kill me!

Kill me! Stupid!

Idiot! Stupid! Damn You!

- Idiot!

- Kill me!

I...I...

- Kill me!

I...I...

- Murder me!

I...I...

- Kill me!

But...But I...

Kill me!

Even I...

Kill me...

I can't kill you.

I can't kill you.

- Let's not do it.

- What?

I'm not good at that.

Me, too.

I hate crying.

- I wanna read a comic book.

- Me, too.

Are you strong?

No.

The nitro of love.

I'm taking off...

Goodbye.

Did you love me?

Mama, I'm taking off...
