# Zeus and Roxanne

By Tom Benedek

Woof, woof!  
Woof, woof, woof!  
Nice try, fleabag.  
Zeus!  
Get outta here!  
Blcch,  
Dog germs!  
Do I smell  
some dinner?!  
Breakfast.  
I knew that.  
You've been up  
all night again, huh?  
Sorry,  
it's just that  
I've been working  
on this Melody  
And it's somewhere in there.  
I just can't find it.  
What's this?  
Breakfast burrito.  
Cool, thanks.  
Let me see  
your face.  
Excellent, b+.  
So, what's in  
this burrito?  
Eggs, refried beans,  
onions, jalapeos,  
Peanut butter, mozzarella  
cheese, pineapple chunks.  
Oh, yeah,  
and lettuce.  
So it's nutritionally  
balanced.  
Oh, shoot!  
My burrito!  
Ugh!  
Zeus, psst.  
C'mon, c'mon.  
Good boy,  
eat it up.  
Thank you,  
thank you.

Oh, good,  
you finished yours.  
I'll go get you  
another one.  
Woof!  
And you two stay  
At the enrichment program  
all day, okay?  
you-are-understood-mother.  
Ditto.  
I'm not in the mood for  
the principal calling me  
Telling me  
that you two-  
What is that?  
Lovely.  
Jordan, cow bone!  
Woof, woof, woof!  
Hey!  
Ahh!  
Cow bone.  
Cow bone,  
cow bone!  
Zeus, cow bone!  
Zeus!  
Zeus, cow bone!  
Zeus, cow bone!  
Cow bone!  
C'mon, go on!  
Go on!  
Pfft...  
I'm so sorry.  
Let me help.  
No, that's okay.  
Oh, jeez.  
Here, let me help.  
Just how do you  
propose to do that?  
I'll put your flowers  
back in the ground here.  
Wait, wait, no.  
Actually, I have a very  
particular way of doing this.  
I like to put the roots

in the ground.  
Oh...  
Very...  
You new in  
the neighborhood?  
Yeah.  
Just renting  
for the week?  
Actually we'll be here  
'till the end of July.  
Great!  
I'm Terry Barnett.  
Mary Beth...  
Dunhill.  
Mary Beth.  
Right.  
I'd love to stay and chat  
in my present state  
But I'm late  
for work.  
That's okay,  
I'll just replant  
your flowers.  
Oh, no, that's alright.  
Is there anything  
I can do?  
Uh, no.  
How 'bout  
your laundry?  
I'm a great  
ironer.  
If you can just  
restrain that...  
Zeus.  
Yes!  
Thank you.  
Me, Terry, you?  
Judith.  
You?  
Nora.  
You're late.  
I've been frantic,  
don't ask.  
What if Roxannes

not there?  
We've never been  
late before.  
What if she gets  
eaten by a shark  
Sitting there  
waiting for us?  
What if I'm sorry, Becky,  
I had a rough morning?  
Oh, yeah?  
Well, it's about  
to get rougher.  
We've been rejected  
by the Pason Foundation,  
And the manheim,  
And the delphi.  
Great!  
That leaves  
the Rockland Grant.  
If I don't get that,  
I'll be-  
Stocking goldfish  
at the local store.  
Very funny,  
Claude.  
I wasn't joking.  
Perhaps we should strive  
for that grant together.  
"the sum of the parts  
being greater than the whole."  
I don't think so.  
Somehow I think our research  
philosophies are slightly different.  
Oh, I didn't know  
I ever had one.  
Let me know  
if you change your mind.  
He should be  
working with sharks.  
He'd feel  
more at home.  
If I don't get  
major funding soon  
Roxanne's gonna

be in a pool  
Doing sound recognition tests  
for the rest of her life,  
Probably for him.  
Good morning, guys.  
Hey, Phil.  
Let's play the sounds of  
the other dolphins for Roxanne  
And see if  
she runs away.  
Okay, Roxanne,  
I'm comin', sweetheart.  
We'll do a body check,  
check for rake marks.  
We'll see if she's been  
playing with other dolphins.  
These are from our  
last session, right?  
Right.  
Burritos?  
Do you smell  
burritos?  
Yeah.  
You.  
You're so cute!  
No, this dog  
is not cute.  
This dog is  
the hound from hell.  
C'mon, you Zeus,  
whatever your name is.  
Get up here,  
sit down, sit!  
Sit, stay.  
Stay.  
Zeus!  
Yo, Zeus!  
Zeus!  
Zeus!  
I think  
I got Roxanne.  
Great!  
I'm cursed.  
He's so cute.

He's not cute.  
You stay  
right there  
Or you're gonna get  
a free swimming lesson!  
He's giving me  
a face like that.  
Zeus!  
We've got her.  
Roxanne,  
sorry I'm late.  
C'mon,  
that's a girl.  
Good morning  
to you too, Roxanne.  
How are you?  
C'mon.  
Very good.  
Woof, woof!  
Thanks a lot, Zeus!  
Maybe if we give him  
some food he'll calm down.  
Maybe if he becomes food  
he'll calm down.  
She did not  
mean that.  
Yes, I did.  
we're outta here.  
Zeus,  
where are you?  
C'mon, Zeus!  
Zeus!  
Zeus?  
Zeus?  
Lost the dog.  
Great.  
My new neighbor's  
gonna think  
I've shanghaied his dog  
and fed him to the sharks.  
Zeus?!  
Zeus?!  
C'mon.  
Oh, my gosh.

C'mere!  
Get the camera.  
I got it.

**7:**

**2:**

Off location six.  
We have a canine Zeus,  
we have Roxanne.  
Woof, woof, woof!  
What are  
they doing?  
Talking to  
each other.  
They're  
communicating.  
They are talkin'.  
I think...  
We're witnessing  
Inter-species  
communication.  
Mary Beth.  
What?  
You're gonna get  
that Rockland Grant.  
Yes!  
I love this dog.  
I've always  
loved this dog  
From the minute  
I saw that dog.  
Linda, what have  
you got?  
Mother and calf.  
Mother and calf.  
Yes.  
Let's separate these two  
for the next 24 hours.  
Begin the sonar  
recognition test series  
And increase the volume  
of the masking sounds  
Until mother and calf

can no longer communicate.  
The baby  
needs to feed.  
"the baby  
needs to feed."  
The sacrifice is for  
the good for all mankind.  
For science.  
Yeah, for  
Dr. Claude carver.  
Swing it around.  
You got it?  
Hold it steady.  
great submersible.  
Look at that.  
I could really use  
something like that.  
How'd you get it?  
Oh, I pulled  
a few strings.  
Perhaps you'd like to  
take her down sometime.  
Oh, yeah, sure!  
Solo.  
I keep telling you  
Two keen scientific minds  
are better than one.  
Yes, but neither  
are any good  
Without the  
essential ingredient.  
What might  
that be?  
Heart.  
Sure.  
Hey, hey!  
I'll drop kick you  
from here to Miami!  
no, you will not.  
C'mon, Zeus,  
let's get outta here.  
Phil, get my bag,  
will you?  
There you go.

You deserve it.  
let's go!  
Great.  
Okay, so let me  
get this straight.  
You don't want us to have  
any fun over the Summer.  
I don't want you hanging  
out with borderlines.  
Craig isn't  
borderline, mom.  
And ditching your  
enrichment classes.  
Well, we're just-  
We were just-  
Rescheduling.  
Yes, right.  
Grounded.  
This block,  
one week.  
Oh, no, mom.  
Zeus!  
Zeus.  
Where'd you guys  
find him?  
Actually he found me,  
and you are?  
I'm Jordan Barnett.  
I'm with him.  
I see you and Zeus  
have become friends.  
Well, miracles  
sometimes happen.  
What's that?  
Some photos  
I took this morning.  
What?  
I can't  
believe-  
Oh, my God!  
charming.  
Looking good, mom!  
Working on  
two weeks.

Here.

Your house has a  
satellite dish, doesn't it?

Yeah.

Mom?

Okay, but not  
all the channels.

C'mon, Zeus!

Your dog was on the boat  
with me all day.

Really?

I'm sorry, I won't  
let that happen again.

No, actually it sort of  
seemed to suit him.

Really.

I'd like to  
take him out again if -  
Sure, you can take him  
on a cruise to Antarctica,  
But he's Jordan's dog.

Would you mind

If I just ask  
him something?

Go right ahead.

Gimme that!

Can I just watch this  
for a minute?

Girls, girls,  
time out.

Where's Jordan?

In there.

What are you  
watching?

hello.

Oh, hi.

Hi, can I come in?

Yeah, sure.

"braveheart".

Wow!

Did you do  
all these?

Yeah.

That one's gonna be the cover

for my dad's opera score.  
Your dad  
writes opera?  
It's a rock opera.  
Most of the time  
he does music  
For commercials  
and really tall elevators.  
It's only  
to pay the bills.  
we have now brought the  
psychic friends network...  
Love that  
satellite dish, huh?  
This is gonna  
sound really lame,  
But we don't even  
have one TV in our house.  
We're like a media  
impaired family.  
Oh.  
Hey, is this  
your mom?  
Yeah... She died.  
Sorry to hear that.  
You must miss her a lot.  
Can I talk to you  
for a minute?  
Yeah.  
I think Zeus is  
a very special dog.  
What do  
you mean?  
Well...  
I think that Zeus  
is capable of-  
Inter-species  
communication.  
What's the big deal?  
I talk to Zeus all the time.  
Ah,  
But Zeus is talking  
with my dolphin.  
You own

a dolphin?  
I don't own her,  
Roxanne lives in the bay,  
But I kinda  
take care of her.  
She used to  
live in a tank.  
We're reintroducing her  
into the ocean.  
Now the problem is,  
That she doesn't really  
take to other dolphins.  
But she seems  
to like your Zeus.  
So I was thinking,  
It might be  
really interesting  
To get the two together,  
Zeus and Roxanne,  
And just see how things  
go from there.  
What do  
you think?  
Well, this has to be  
Zeus' decision.  
Alright.  
So, Zeus, would you like  
to go out with Roxanne?  
Woof, woof!  
Is that  
a "yes"?  
Woof!  
Yeah.  
Great.  
You like  
our mom?  
Yeah, sure I do.  
Enough to  
go out with her?  
How 'bout  
Saturday?  
Alright.  
It's okay.  
Okay,

new behavior.  
That's it.  
What is she doing out there  
with that dog?  
Havin' fun.  
No.  
I'll tell you  
what she's doing.  
She's trying to  
steal my grant.  
That's just not  
gonna happen.  
No, sir!  
Hey, watch where  
you're going!  
I was and I am.  
You're driving too fast.  
There are kids around.  
Oh, I'm sorry.  
I was in a hurry  
to visit with Miss Dunhill.  
Apparently  
so were you,  
And failed to look both ways  
before crossing the street.  
Thank God  
for anti-lock brakes.  
What are you  
doing here?  
These are the manuals  
for the submersible.  
It's yours whenever  
you want it.  
Really?  
invite me in,  
I'll go over them with you.  
Alright.  
Terry, did you  
need something?  
Oh, no,  
it's not important.  
Alright.  
Never is.  
So, this is

a surprise.  
It is?  
Bye, mom.  
We're goin'  
for a test ride.  
I thought you two  
were grounded.  
Just around  
the block.  
With Zeus  
and Jordan.  
Please, mom?  
Come on mom!  
One block.  
I love you!  
Thank you,  
mommy.  
Bye, mom!  
You should think about  
boarding school for those two.  
Now, where were we?  
The catch.  
No catch.  
Boy.  
This is it?  
This is it.  
I don't know  
about this.  
Woof, woof!  
Hey, get out  
of there!  
This is definitely  
getting out of hand.  
Okay, hold it  
right there.  
Judith?  
What's going on?  
Judith and Nora  
are getting busted.  
This is probably  
their first offense.  
I can probably get them off  
with a stern warning.  
Mm-hmm.

C'mon.

So, am I

to believe

That cute little dog

and your dolphin

Are actually talking?

Incessantly.

Wow.

I have all this communication

skills data on file.

Perhaps you might

wanna reconsider

About pooling

our research

And applying for that

Rockland Mammal Grant together?

The catch!

What, what catch?

I'm sorry,

I'm sorry.

I already applied

for my grant.

But thanks

for the mini sub.

It was very

unselfish of you.

Hey, thanks for

talking deputy dog

Out of serious

jail time.

You're welcome,

youngster.

What's

the catch?

Probably a lecture,

right, Jordan?

No, he's not

too good at those.

But, I'm gonna try.

that's it, all off

who are gettin' off!

Just around

the block?

Do you two girls even know

what time it is?  
Yeah.  
It's time for the  
marlins-reds game.  
Huh?  
On your  
satellite dish.  
It's been real!  
did I miss something?  
Tell me they weren't  
robbing a bank?  
They weren't  
robbing a bank.  
Thank you.  
They're still  
talking?  
Probably  
busting us.  
Not Terry.  
Give me those!  
I can read lips.  
"live to ride."  
"ride to live."  
A way of life.  
"a way of life"?  
That's just a logo  
they use to sell the bike.  
Who cares about reading lips?  
I'm reading body language.  
And they are talking  
a mile a minute.  
Oh, yeah.  
What are  
they saying?  
She's asking  
him out.  
no way.  
Way.  
Woof, woof!  
Whoa.  
Okay.  
You can-  
Right.  
it was

a teen-age wedding  
and the old folks  
wished them well  
we could see  
that Pierre  
did truly love  
the mademoiselle  
Wow.  
Killer.  
Cool, mom.  
See, mom?  
You can look good when you try.  
Dad.  
Yes.  
Terrence Barnett.  
It won't bite.  
c'est la vie  
say the old folks  
it goes to show  
you never can tell  
they had  
a hi-fi phono  
Put your feet on.  
If you'd like,  
you can hang onto the back  
Or you can put your hands  
around my waist.  
Okay.  
Whatever you like.  
Jordy, you listen to  
Mrs. Rice, okay?!  
Yes, father, sir!  
You okay?  
Woof, woof!  
We are good.  
c'est la vie  
say the old folks  
it goes to show  
you never can tell  
we think you spend too much  
time alone, Jordan.  
We've gotta do  
something about it.  
Oh, he put it-

I don't know  
how to play poker.  
That's okay, Jordan,  
we'll teach you.  
The main thing  
you need to know  
Is you have to  
bet something.  
But I don't  
have any money.  
That's okay, too.  
I'm sure we can  
think of something.  
Maybe we can  
bet chores?  
Chores!  
What kind of chores?  
Stuff your parents make  
you do around the house  
So they feel  
you're useful.  
You know,  
chores.  
I do all the chores  
around here.  
You won't have to.  
If you win, that is.  
Deal.  
This Claude guy-  
Do you see him?  
Every day.  
Oh, really?  
Really and  
unfortunately.  
He's the head honcho  
at the institute.  
I used to be  
his assistant,  
But we had  
a parting of the ways.  
Oh. Would it be tactless  
to ask over what?  
Third party.  
Oh, I apologize,

never mind-

A dolphin.

"a dolphin."

I happened to think  
that the dolphin  
was more important  
than his career.

I agree.

hey, c'mon,  
join us!

C'mon!

You have three of a kind.

That's excellent.

Yeah, but I have  
the two of clubs.

Two of clubs  
beats anything.

Sorry, man.

Gonna have to  
clean my room for a month.  
sorry.

Whoa!

Let's see, Jordan,  
you've got tens and jacks.

That's two pair.

That's real good-

But, I have a three,  
a five,

A seven, a Jack  
and a Queen.

Cutthroat straight.

That beats you, sorry.

You're gonna have to  
water our plants for...

Two weeks.

We better  
get going.

We will...

Eventually.

You said that dolphins  
are telepathic.

How about people?

Some people.

Your bet.

Double  
or nothing.  
I'm your slave  
for the rest of the Summer  
Or we're back  
to even.  
You sure?  
I like to live  
on the edge.  
Well, you just  
crashed and burned.  
I have  
a straight flush.  
Oh, yeah,  
oh, yeah.  
And you know what?  
This is  
the two of clubs.  
No.  
How'd you  
do that?  
It's all  
in the wrist.  
I had  
a great time.  
You sound  
surprised.  
I am.  
I mean,  
no, no, no,  
Please,  
I don't mean  
That I'm surprised  
that I had a good time.  
I'm...  
For...  
She's really  
into it.  
give him a break,  
he's a little Rusty.  
More than  
a little.  
Yes!  
Woof, woof,

woof, woof, woof!  
Hey!  
Shh!  
Shut up!  
Get outta here!  
You get, get!  
Get out!  
Stop it, stop it,  
stop it, stop it!  
Woof, woof, woof,  
woof, woof!  
Zeus!  
Zeus?  
Damn.  
Okay, here I come.  
Zeus.  
What are  
you doing?  
Okay,  
You're a weird dog.  
It's the creature  
from the black lagoon.  
Yeah, dressed  
like Dr. Carver.  
Get me a towel!  
Creature, sir!  
I think  
they hear you.  
That's where  
Roxanne should be.  
With them.  
Cool fish.  
I think you've  
got yourself a band.  
Good job, mates!  
Rehearsal tomorrow,  
same place, same time!  
Everybody sober!  
You know  
dolphins.  
Yeah.  
I don't wanna  
lose you, Terry.  
I don't wanna

lose me either.  
When are  
you leaving?  
I gotta go  
to Boca Raton...  
For a week,  
mix my tracks,  
Then it's off  
to Boston  
And a regular job,  
Jordan's in school.  
How 'bout you?  
I'm here through the Summer  
if I get my grant.  
And if you don't  
get the grant?  
Minnesota aquarium  
tour guide.  
Ugh!  
Mary Beth won't share,  
will she?  
Neither will I!  
Inter-species  
communication.  
I'll show her  
inter-species communication!  
Let's start with her.  
She looks sickeningly  
cute enough.  
See ya.  
See ya.  
I'd like to  
thank you.  
Really, for what?  
'cause we're going  
down in the sub?  
I should be  
thanking you.  
No, I mean thanks  
for helping Terry.  
He hasn't been able  
to write in a long time.  
Roxannes  
so graceful.

oh, cool.  
uh-oh, drift nets.  
They kill thousands  
of dolphins every year.  
Where do they  
come from?  
Illegal fishermen.  
C'mon, let's lead  
Roxanne outta here.  
we're gonna have to  
leave next week.  
There's a new  
family moving in.  
You could stay  
at our house.  
What about my dad?  
we have two extra rooms.  
Perfect.  
Hey girls,  
what brings you here?  
You've burned  
the school down.  
Then, why are  
you here?  
Thank you.  
Thank you.  
This looks good.  
Thank you.  
Okay, why are you two  
eating salads?  
You always  
eat salad, mom.  
Why can't we  
eat salad?  
I'm sorry,  
no satellite dish.  
They're too expensive,  
we can't afford it-  
No, mom,  
it's not a satellite dish.  
It's really that  
Terry and Jordan  
Need a place  
to live for a while.

We want them at our house.  
We have two extra rooms.  
Yeah,  
c'mon, mom.  
Whoa, whoa.  
Why do you think they're even  
interested in staying at our house?  
Well, Jordan does.  
And so  
does Terry.  
Says who?  
Jordan told us.  
He told us  
lots of stuff.  
Curious  
to know, mom?  
What exactly  
did they say?  
Okay, well-  
It started out...  
The rest of  
the Summer?  
You sure this was  
Mary Beths idea?  
And where are  
my Twinkies?!  
I made you  
a fruit salad.  
It's in  
the refrigerator.  
And of course,  
it was her idea.  
You're sure.  
Absolutely.  
And dad,  
use a spoon?  
Mm-hmm.  
Right here,  
I knew that.  
Now, before  
we do this,  
There's a few things  
you gotta know about me.  
Uh-oh.

You one of these guys that  
howls at the full Moon?  
I'm afraid so.  
Oh, dear.  
It's a little late  
to be reticent now.  
After all,  
this was your idea.  
My idea?  
Mm-hmm.  
Jordan said  
it was-  
Jordan said  
it was your idea for-  
No, the girls told me  
that you said-  
No, I-  
We've been set up.  
By world-class  
professionals.  
Well?  
What are we gonna do,  
professor?  
Well...  
I suppose...  
If you stayed that I could  
continue my work with Zeus.  
Mm-hmm, and...  
I could finish  
my second act.  
So, I guess we'll  
just have to  
Make the best of it.  
Man, we're good.  
Woof, woof!  
Should I take this stuff  
next door now?  
Just put it  
outside first.  
Why?  
'cause I said so.  
Jeesh!  
Lemonade?  
No, thank you.

What happened?  
Nothing.  
What didn't happen?  
Jordan?  
It's gone south.  
What are we doing this for?  
Are we doing this for us?  
Are we doing this for  
the Rockland foundation?  
Are we doing it  
for the kids?  
What?  
All of the above.  
I don't know.  
I don't know.  
It's okay, just-  
Take as much time  
as you need.  
it's time  
to go, Zeus.  
I don't  
understand.  
If a dog and a dolphin  
can get along  
Why can't our mom  
and his dad?  
Woof, woof!  
Zeus, please.  
I feel  
badly enough.  
Then why don't you  
turn around?  
I wish I could.  
I don't see  
anyone else driving.  
Jordan!  
Hey,  
good morning, boss.  
Hey, you alright?  
What's wrong?  
They're gone.  
So is Zeus.  
They're just gone.  
Men and dogs, huh?

C'mere.  
It's okay.  
Oh.  
I could almost cry.  
Tears of Joy.  
That dolphin  
is fair game now,  
Track her.  
C'mon, Zeus.  
Zeus, c'mon.  
Zeus.  
C'mon.  
What is she doing?  
I don't know.  
She's running away.  
She won't let us  
near her anymore.  
So much for inter-species  
communication.  
That's what happens  
When you work with these  
animals in the wild.  
They can walk out on you  
whenever they want to.  
If we can bring Roxanne  
back into the lab-  
Dr. Carver,  
It's illegal to catch  
a dolphin in the open sea.  
Excuse me, Phil.  
You know  
he's right.  
I'll replace Roxanne  
with one of the simpletons,  
Perhaps even two.  
As scientists  
we have to circumvent  
These ridiculous  
bureaucratic regulations.  
Girls, dinner!  
Feeding time at  
the enrichment program.  
I resent that.  
Why do you treat us

like your little Einsteins?

What do

you mean?

Did your parents

ever send you

To an enrichment

program?

No.

C'mon, mom,

it's the Summer.

Enjoy it!

You're right.

I guess I'm just trying

to rush everything too much.

I'm trying to rush you

into being little adults,

I'm rushing Roxanne

back to the wild.

Probably rushing Terry into

I don't know what.

Oh, no, mom,

We'll take

Some of the blame

for Terry.

Actually, mom...

We'll take

most of the blame.

alright,

all of the blame.

I was so close.

I was so close

To reintroducing

Roxanne into a pod.

And then-

What happened

to Roxanne?

She's gone.

She'll be back,

don't worry.

No, she won't.

She misses Zeus

too much.

Mom.

Zeus!

Zeus!  
Hello?  
It's me.  
Yes?  
I see.  
anything?  
Nope, nothing.  
I just know he's  
trying to go back.  
That is  
unbelievable.  
That's like scary.  
I think it's time to take  
Jurassic measures.  
I agree.  
What do we have to lose?  
Alright,  
who is that?  
Hi.  
Can you please  
hold on a second?  
Dad.  
It's for you, mom.  
Who is it?  
It's Jane freeman  
From the  
record company.  
It's somebody selling  
cemetery plots.  
Mom, get the phone.  
Hello?  
Hello, gorgeous.  
I had a dream about you  
last night.  
You did?  
Oh, yeah.  
We went all the way,  
positively platinum.  
Oh.  
I had a dream about  
you too last night  
And we went  
resoundingly tin.  
Hello, Terry.

They don't give up  
too easily, do they?  
No, they do not.  
I heard about Zeus.  
I heard  
about Roxanne.  
She's pretty hurt.  
So is he.  
I mean, I think  
she'll get over it.  
Maybe...  
We can give it  
a little more time.  
We'll talk.  
Yeah.  
Tomorrow?  
Yeah.  
Yeah, tomorrow  
would be great.  
Alright.  
Okay.  
Bye.  
Hello?  
Hello?  
Goodbye.  
Okay, bye.  
Hello.  
Alright,  
you hang up first.  
Mm-mm.  
How 'bout we  
hang up together?  
I'll say bye  
And on one, two, three,  
we hang up.  
Okay, bye.  
One, two,  
Three.  
Hello?  
She hung up on me.  
Breakfast.  
Jordy!  
I woke up and  
I wanna smell the coffee!

Jordy?  
hi, dad, it's me.  
I've gone to  
look for Zeus.  
Hi, dad, it's me.  
I've gone to  
look for Zeus.  
the white zone is for  
Loading and unloading  
of passengers...  
Oh, shoot.  
Hello.  
Mary Beth,  
it's Becky.  
I know it's Sunday but I thought  
you should know about this.  
Know what?  
I came to the office to  
check up on a few things and-  
And what, Becky?  
Claude carver  
was just in.  
He said they found a dolphin  
caught in drift nets...  
Dead.  
It's not Roxanne.  
I've gotta  
find her, Becky.  
Right.  
No more  
Mr. Nice guy.  
Look who's back.  
Now Roxanne  
is ours.  
No, Dr. Carver.  
Yours.  
We quit.  
No, you don't.  
You're fired!  
We got a date  
with a dolphin.  
Excuse me, sir!  
How would you like to be part  
of scientific history?!

Can I interest you  
in a case of rum?  
Enjoy your flight.  
Next in line.  
do you have  
standby?  
What?  
Do you have  
standby?  
And do you have a good reason  
for being here?  
Uh-oh.  
Take us to 0-3-5  
full throttle!  
This mongrel  
is the perfect bait!  
Roxanne will  
come to us!  
Yes!  
We got her!  
Ah, my foot!  
You know, Jordy,  
We're gonna do everything  
we can to find Zeus  
But it's extremely unlikely  
he made it down here.  
Dad,  
Zeus is an  
extremely extreme dog.  
That he is.  
he's also in love.  
an extreme emotion.  
Why don't you  
try it sometime, dad?  
It's okay.  
Jordan!  
Jordan!  
C'mon!  
Cab's waiting.  
Let's go.  
Mind if I  
tag along?  
C'mon!  
Becky.

There's something  
you should know.  
It's about  
Dr. Carver.  
Hey, girls,  
Terry,  
What are you  
guys doing here?  
Where's my mom?  
Her boat's gone.  
She's out  
looking for Roxanne.  
C'mon, Roxanne.  
Ready the net.  
Ready...  
Now!  
You missed,  
you idiot!  
Get it back up!  
Get it up, fool!  
C'mon, move, move!  
Get me out!  
You stupid dog.  
Mom?  
Mom!  
mom!  
Mom!  
flags up,  
she's down in the sub.  
How long can she  
stay down there?  
45 minutes  
I think.  
Roxanne.  
yes, Roxanne.  
I think she wants you  
to follow her.  
Get me a knife!  
You okay?  
Roxanne.  
c'mon!  
good dog,  
yes, yes,  
That's a good dog.

No!  
you mongrel!  
Stay, stay.  
What are you doing?  
No, no, no!  
Officer,  
arrest this dog!  
Oh, we will.  
Free Dr. Carver,  
and then arrest him.  
I confess,  
it was all him!  
What are you talking about,  
you idiot?!  
I'll kill you!  
Atta boy, Zeus.  
I'm waiting!  
How do you like  
your new neighbors?  
I liked the  
old ones better.  
I'm gonna  
take a shower.  
I'm gonna  
make some coffee.  
Don't do that  
again, okay?  
We believe that with  
all that's happened  
It's clearly  
established that  
You do  
like our mom.  
Of course I do.  
Enough to marry her?  
How 'bout  
next Sunday?  
Where do you  
keep the coffee?  
At this point,  
if there's anyone here  
That has any reason  
that this marriage  
Between Mary Beth Dunhill

and Terrence Paul Barnett  
Shall not  
take place,  
Speak now or forever  
hold your peace.  
wait!  
Wait!  
Sorry, they told me to bring  
this down here right away.  
Better offer?  
It's the grant!  
good going, Mary Beth-  
I mean mom.  
Now I suppose  
you can kiss the bride.  
What's going on?  
I think...  
He's telling her  
it's time.  
Go on, girl.  
It's your turn.
