# Zui jia sun you chuang qing guan (The Crazy Companies 2)

By Jing Wong

It's here  
Hey, Kwai  
Do we let Dorina trap Horny?  
We can't let Dorina torture Horny  
It's really a waste  
What can we do?  
They're getting married today  
Well, If Horny marries Dorlina  
He is really in trouble  
He'll be trouble  
He will be exhausted  
Don't be silly  
Stop day-dreaming  
You are right  
I am not day dreaming  
Let's talk to Horny  
We still have time  
Wait What?  
There could be an ambush  
Let me try  
Hello...  
I have got them  
That was Horny, damn it  
Who threw at me?  
That was a naughty boy  
I had told him off  
Okay...  
What's wrong with you?  
I am burning my ex-girl friends' photos  
So hot, I go washing my face  
My darlings, goodbye now  
Moleen, how can I burn you...  
Better Maggie first, she left me  
You're very good to your ex-girlfriends  
Of course  
I used to take one of their hairs...  
when I broke up with each of them  
And I have knitted a towel with the hair  
A Towel?  
This is made of eye-brow  
Eye-brow  
Where did you get these?  
I lost it last night  
Tell me if you love Dorlina

If not, you better hide away  
And we will support you  
It's very kind of you  
But it's too ruthless if I leave now  
If you marry her, that's the end for you  
Right, so many nice girls in the world  
Let's go  
Go  
Go  
My God, Dorlina is coming  
Come with me  
Open up  
We need \$999,999.99 to open up  
What? He's not a billionaire  
Open up or I smash you  
Let me try  
What  
Dorlina, don't argue today  
Don't worry  
your pal is a good bargainer  
\$99.90  
What? Say \$990,000.00  
Through the window  
But here is 24/F  
Mind your words or  
I'll burn up your house  
Dorlina may not agree  
to burn her husband  
No  
I've bought a \$5M life insurance policy  
for Horny yesterday  
The money will go to me  
What's up?  
Her pal said to set fire  
Set fire?  
If there's a fire on 24/F  
The highest chance to survive  
is going to the roof  
How high?  
Go to hell  
I tell you what  
You have to deal with Dorlina  
Me?  
I pass some of my energy to you

Are you all right?  
Ready  
Let them in  
Dorlina, I want to talk to you  
Say it  
I love you very much  
Into the room  
Oh  
No, there're so many people outside  
Sign it  
What is it?  
Sign it first  
This contract says as from today  
All your income  
It means your total income  
Which includes all sorts  
will all belong to me  
I've quitted my job and  
started enjoying my life  
It leaves 10% to me only  
Wrong  
The 10% goes to my parents  
and my relatives  
Undress yourself  
Be mercy to me  
What's the noise?  
Dorlina is not using the drill  
Turn around  
Take away your hand  
You can't fool around anymore  
I hate you for the rest of my life  
Even though you've got my body  
but you can never have my heart  
Look at here please  
Smile, don't move  
One more please  
Are you insane? \$200 for two?  
Try your luck, the loser has to go  
Go ahead You're crazy  
Let's go...  
\$200 more  
Just pick up one of the dishes  
And get lost right away  
What do we have?

Red bean sweet soup  
Someone is having it  
Go to get an orange  
Have dinner at my place tomorrow night  
No  
Let's dine outside  
No  
They will ask you to give cash instead  
My dad is greedy  
And don't buy too many gifts  
Just fruits  
Don't be silly, I won't get broke  
Mind your words  
It may bring bad luck  
Do I look better  
with the contact lenses?  
Look carefully  
Nice  
It's hard lens  
Let's play the game  
I don't play wine games  
Come on  
I don't know how to play  
Don't fool me  
Do you really want to play? Yes  
All right  
Uncle, this is my pal Robert Cheung  
I have heard a lot about you Mr. Tsui  
Kwai, come over  
My younger brother Tsui Ting Kwai  
this is Mr. Cheung  
My brother is very smart  
He got a MBA from HKU  
That's great  
Thank you  
You work for Fok's  
we have business deals  
To be exact  
it should be the Tsui's syndicate  
owes us \$2 million  
Big business always has big loans  
And when the mall in Canada  
were completed  
Our capital return will be quick

Robert and I are good friends  
He was really poor in University  
I even lent him my under  
And you are after my loan?  
Yes  
We've got no reply for postponing...  
the debt payment date  
Don't talk about business tonight  
And Fu and I are good friends for years  
Money is nothing compare  
with our friendship  
That's good  
Be seated  
Boss, seems that Robert Cheung  
is very interested in Fok's  
He wants to merge  
the middle size syndicate  
He forced Fok Ka Tung  
to make him be Deputy Director  
I know he is a problem  
He's real pal  
If Robert wants me dead  
it's the end of the world  
Are you talking about me?  
Robert, want to play some golf?  
No, it's business  
they are from the court  
The court has the writ  
Fok now controls  
Tsui's capital  
Damn it, it's not April Fool's Day  
Don't fool me  
It's a true, you see yourself  
Good  
you die really fooled me last night  
This's my job  
Fok's has been trying to merge you  
You shouldn't owe us money  
But I treat Fu as my boss  
You are my brother and  
I tell you the truth  
And, why didn't you help me?  
My brother is in trouble  
My younger brother is in hospital

My Dad also needs a heart operation  
So you have to many problems  
I don't blame you  
No, I want to tell you  
I didn't help them at all  
And why should I help you?  
Fine  
And your personal loan of \$3.2M  
It has expired long ago  
And you are broke now  
I know you have a golden toilet  
Don't take it away  
Go to get it Yes  
Do you remember we shared underwears?  
I gave you the best ones  
I hate you mentioning this  
But you keep saying it all the time  
I am wrong, I change yours with mine  
Boss, just ignore him  
No, Elizabeth Taylor had sat here  
I can't make it without her  
No, no  
Boss  
Give it back to me  
Give it back to me  
Boss, don't be like this  
Hey, what's up?  
Well, Tsui's is under my control  
My temporary office is Mr. Tsui's office  
Come to see me now  
Stop  
Robert Cheng, let's wait and see  
I started from the bottom  
I can start again  
I may be richer  
You were rich when you were born  
If you didn't have a rich father  
You couldn't be promoted so fast  
Let me tell you  
I have 3 months holiday  
starting tomorrow  
Go to work for Fok's if you can  
I'm a Deputy Director, remember  
If you can come over me

I lick your toes  
and run naked in Central  
Go  
What? What we have is true friendship  
We won't work for the Fok's  
I heard that you are the best friends  
Yes  
Good, I have the purge once for all  
I give you 15 minutes to pack  
or I send the security  
Pal  
Gee, he's sick again  
Send him home first  
Where can we go?  
They will take over our house too  
Let's send him to the hospital  
See if we still have personal assets  
Kwai, don't be like that  
Kwai, keep calm  
We have to be tough and strong  
What do you want, sir?  
Let me have a look  
Fatty  
are you going to buy something or what?  
Of course, but I have to check  
See if it is a nice one  
I want nice ones  
Pay for this one first  
\$1? It costs \$4.00  
I only ate one quarter  
How can it be?  
I buy some more then  
Good  
Which ones?  
These...  
The two dollar ones don't have that big  
The apples are not big but your eyes  
Wrap them  
Hey, the mango costs \$8.00 each  
It's not a good one  
Don't follow if it's a bad one  
How do I know it's rotten or not  
It may have worms in there  
It smells cat shit

It's cheap stuff  
\$1 for two and I buy them all  
You are wrong, they are nice fruit  
Even though it smells cat shit  
But it is juicy  
I saw this costs \$12.00  
yesterday somewhere  
You are an expert  
\$8 for twenty  
Thanks  
OK \$4.00 each for you  
You don't look like a rich man  
Stop taking them away  
Can I try it?  
That's OK  
But you shouldn't bring it home to try  
You stole the fruit  
What... I only forgot to pay  
No wonder the fruits are gone everyday  
You are the one stealing them  
Arrest him  
Don't go  
Arrest him  
Bastard, don't let me see you again  
Mom, what's wrong with Kwai?  
I think the relatives are welcoming him  
I do the cooking first  
Kwai, come in, I want to talk to you  
When my Dad comes back later  
Don't tell him that you have broken  
I can't hide it  
Let's wait and see  
Don't smoke too much  
I can't stop it  
You are back Yes  
That bastard tricked me  
And I ended up going to  
the police station  
Dad, luckily I bailed you out  
Or you'll be beaten up  
It's your fault to let people  
know I'm your dad  
It should be a \$1,000 bail  
now it \$5,000

Why turn on all the lights?  
Because we become rich  
What, a barstard tricked my Dad?  
That bastard  
It's me  
Amy's boy friend is here  
Yeah?  
What does he do?  
He's the big boss of Tsui's syndicate  
Honey, go get some roast pork  
Put it on the credit  
Fine, I have the shark fin  
and some seafood  
Don't spend too much money  
Where is he?  
In Amy's room  
The door is shut  
Ask Amy to behave  
Open the door, Amy  
What are you doing?  
Dad  
What's going on?  
Nothing  
Having facial treatment  
Yes, I am learning  
I try it on him, wash it back home  
My Dad, and Mr. Tsui Ting Kwai  
Honey  
did you see Amy and Kwai's photos?  
They look good  
What's wrong with you?  
A big spider, did you see it?  
Are you sure? Did you see it?  
Let's have dinner  
Come on  
To enjoy to eat little  
Our family has been  
financially well balanced  
We only spend money when it's necessary  
Let me open it  
What can I do for you, sir?  
Is it your photo album?  
I think it's you who dropped this  
I didn't do it, he did it

He threw it, arrest him  
Look, do I look handsome  
Quite  
Look at my face now  
I was careless when cleaning the toilet  
I was burnt by the acid  
My mom cried for the whole week  
and she used the herbs to cure me  
Yes, I was wrong  
I shouldn't throw things down the street  
But don't arrest me, go get my Dad  
Otherwise, my Mom would be hurt  
Let him go  
Don't do this next time  
Remember  
Sir, please take it with you  
Go  
Don't do this next time  
Go as far as you can  
It's fine now  
What's the matter?  
It's you, bastard  
Dad  
So what?  
Let's talk over there  
Go  
Don't know what would happen  
I know you are clever  
the first time I saw you  
Thanks  
Let's eat  
Okay  
Help yourself  
I go to get the Brandy  
You don't have to  
How did you settle it?  
I told him I'll give him a unit  
in Kowloon Tong on 32/F  
And that's settled  
You still have money?  
No, I just fooled him  
Come  
That's it  
Amy

do you know Kwai firm has closed down?  
Who is broke?  
Kwai, take it easy  
We will support you  
You can start all over again  
So you are broke  
Darling, take away all the food  
You can really act  
You said top floor and roof  
why just roof?  
The roof is the only place  
that isn't taken by the authority  
Uncle  
Kwai  
Uncle  
How can you let uncle  
live in such place?  
It's fine  
Right, it's a nice place  
There was the seashore  
there not long ago  
And water supply from the tank  
Two hours walk to the bus station  
It is really an enjoyable place to live  
Let's have our dinner  
Go in  
Where is the T.V.?  
Next door  
We can't just let  
Robert Cheng be so vain  
So?  
Don't worry  
I'll fix him up tonight  
How is my night suit?  
You must be reading too much  
Insane  
I have some news  
Fok's is looking for office boy  
& an assistant administrator  
Let's go to apply  
Silly boy  
Wait  
Robert is having three months holiday  
And nobody will recognize us

We look for his mistakes  
And teach him a real good lesson  
Make it the end of him  
Good idea  
We can steal the capital money  
and fool his girls  
and ruin his business  
You may have to spend years in jail  
Go to hell  
Get him broke  
Don't let Amy and Uncle know about it  
Thanks  
Miss  
I want to apply for asst. Administrator  
Wait  
I reserve this one for you  
There are more than 3000 people  
after this post  
Hey, let's have a deal  
If you are late for home  
say that you are with me  
I know you are impartial  
Those poor ones  
are still waiting out there  
The world is unfair  
How much longer do we have to wait?  
We are office boys  
I'm looking for an office boy  
for more than 4 months  
Now I hired four of them  
I treat you guys in order to  
welcome to join us  
Sit down  
Please feel free, Mr. Wong  
I am so glad today  
I must order the best food  
Does that girl with glasses have AIDS?  
Don't look, she's also known as cobra  
She is our president's cousin  
and secretary  
She is something  
Is she even more bitchy than Dorlina  
She' s even more bitchy than  
Ngor Fai's mother

She always talks behind people's back  
All the co-workers scare her  
The president must trust her a lot  
Yes  
He let her handle all the business  
in our company  
even buying toilet paper  
I go to check it out

**OK:**

It is too bad if you take this  
Those are okay  
Remember, we come here for destruction  
Yes, ruin their virginity  
They are coming  
It's great  
Cattle-stomach on rice  
is the best already?  
I've told the chef  
to do something special  
Whatever you like to eat  
I like it to go with chili sauce  
I want to put some sugar on it  
It will be good to go  
with salt & soy sauce  
White pepper too  
Will you get diarrhea?  
I don't know, but this is yours  
Stealing  
I recognized him, he is Fo Ca Tung  
Our president?  
Yes  
Then we don't have to search his drawer  
with all this effort  
I want to know what is in there  
and whether he has the sense of  
belonging to this company  
If the drawer is empty  
That means he doesn't plan to stay long  
If there are lots of private stuffs  
That means he will stay  
as long as he can  
and pay more attention on the business  
That's right

Young man, why don't you go to lunch?  
It saves time if I have bread here  
Save some more time for studying  
You are real working hard  
I'm new here, I should work harder  
Want some?  
No thanks  
you've brought a sleeping bag?  
Yes, I also have toothpaste  
and tooth brush  
and all kinds of drugs  
I am prepared for O.T.  
You are interested in stock?  
No, I don't have the money  
I tell you something  
The share prices of our firm will rise  
Really? Yes  
But it didn't go up for a long time  
It's OK, as long as the chart indicates  
Just buy some, trust me  
Just buy a few shares  
Good lad, you can read my mind  
Do work hard  
Take a good seat  
You can sleep here  
What is it?  
What is it?  
It's heard that we make robots  
with some Japanese  
These three look real  
I don't think so  
It's quite funny  
Cantonese machine?  
It can talk, come massage me  
Come over  
Massage me  
Mandarin version?  
You speak Mandarin?  
Massage me  
Just massage, don't tickle me  
Massage the head  
Don't tickle me  
Massage the head  
Go over and tickle him

Go over, but don't tickle him  
No... no...  
Smelly King, you are pal  
Hold his hands, let them tickle him  
Leave me alone, please  
That's funny  
You two are bastards  
No, help me fix them up  
What a funny game  
Press the head in the stool  
You deserve it  
My God  
Everything is broken  
So what? It's our job  
They must know it was us  
They are not that smart  
How can they know it was us?  
Because we look bad  
I don't look bad  
Honey, when you see the 3 robots  
You will admire them  
If the experience works and  
it becomes a hot stuff in Japan  
We will be rich then  
The Japanese will come at 2  
it's almost time  
I show you something  
I tell them to move together  
Watch  
We have done something touchy  
No  
We are here to demolish  
There is only demolition  
I have another idea  
Mr. Fok, we are in a hurry  
Can we look at the robots first?  
Please wait  
We have some electrical problem here  
and we can't show you the robots  
No, the power supple is fine  
Great  
Nice  
come out  
The 3 robots have something fantastic

They have the ability to learn  
You can teach him to do the house work  
and serve you the best way you like  
Let me demonstrate  
Do as I say  
Put up the left hand, right hand  
Jump... dance  
Hit yourself 80 times, harder...  
You hit me  
Mal-function, we try another day  
Sorry, I am late  
Go back first  
For compensation  
It'll be fine, director  
Your robots are a mess  
We are not interested  
Wait till I finish my demo  
They are not common robots  
They are future warriors  
Their main function is for security  
Miss, come over  
Me? Please  
Thanks  
When you are back home exhausted  
Just press the door bell  
The robot recognizes its master  
it will embrace you  
and massage you  
And all your tiredness will be gone  
If he's not living in this house  
The robot, when seeing him...  
Bruce Lee is amazing  
Everybody, this type of robot  
has some special skill  
Miss, please come around  
Hello, I am Mr. Fok  
I'm going to get some girls tonight  
Just tell Mr. Fok  
Understood  
Mr. Fok is having a meeting tonight  
Men do work hard  
What a nice thing  
Great  
Mr. Fok, we want 10,000 robots

It has to be fast  
We need more promotion later on  
Mr. Fok, what does this new guy do?  
I am the office boy  
Yes, he likes telling jokes  
He's our senior asst administrator  
I'm not, Mr. Fok  
Mr. Fok said you are  
Thanks, Mr. Fok  
And my friends...  
All the same  
We sign the contract tomorrow?  
Good Please  
What a world, office boys in suits  
Mr. Fok hires them personally  
Do advise me please  
Mr. Fok hires them personally  
They should be closer  
Do advise me please  
Here is the lift I know  
Which floor? 15th  
You may go now  
Yes sir  
Brother  
It is a touchy one  
We have to pretend till the end  
We have to learn from him  
When I ask yes or no, you say yes, ok?  
That's easy  
May I sit down?  
No seats?  
I am Andy Tsui  
the new assistant administrator  
I know, promoting you is Mr. Fok's  
biggest mistake of this year  
I will try hard  
There are at least 30 people like you...  
say this to me each year  
I hope I can change your impression  
They said you should wear contact lens  
What do you think?  
Yes  
Nonsense, I am not that kind of woman  
Who cares only about the look

Of course not, otherwise Horny  
I can't say it  
A young man should be honest  
I am not a big mouth  
He said you are most charming  
Horny, did you mean it?  
Of course, she's the only one  
He's too flamboyant  
That's why I shouldn't say it  
Excuse me, I have to go  
Beauty  
It's yours  
This one is better  
Sorry Miss Cher, all gone  
What day is today?  
Valentine's day  
Why people must send flowers  
on Valentine's Day?  
Bad taste  
Valentine's day doesn't mean  
to be lovers  
It also means you are someone respectful  
One of the 30 hard work youths  
Miss Cher, the flowers are beautiful  
I told him not to send to the office  
But I have too many at home  
Take it out and put it just wherever  
Ok  
See who hasn't got any flower  
and give her one  
It feels bad without some flowers today  
Yes  
How can it be?  
Michael, change the tyres for me  
I have an appointment! Sorry  
You bastard, don't give me a hand  
If you make any mistakes  
I will pay it back  
Miss Cher, still here?  
How nice you are still here  
Help me to change the tyres  
Some bastard stole my tyres  
Do you have four spare tyres?  
No

I can't help  
Let me see  
Nice idea, huh?  
You help her find the tyres  
he'll treat you well  
Where can I find them?  
Don't count me in  
This's Dorlina's favourite car  
We're friends, aren't we?  
Fine  
Thanks Andy  
That's all right, Miss Cher  
Just call me Feliciana  
Fel... oh never mind  
Cher is my Mom's family name  
Really?  
I should call you sister  
It's not too late  
But you could be younger  
Don't flatter me  
I think I am older  
Really?  
Horny is a nice guy  
He gave me everything on his cars  
You really don't know?  
What?  
He's been dreaming of loving you  
When he'd first seen you...  
He stopped all contacts with other women  
and said he had to keep  
a pure body for you  
He's crazy  
That's dumb  
You will never choose him  
Or else he's lucky  
He really means it  
Don't be too cruel  
A little bit  
Well, to be a little bit kind  
I try going out with him  
Are you serious? Don't tell him  
I am afraid he'd be shocked  
What if we go out in groups  
We go to the disco together

OK, I will tell him  
This's excited?  
I had tried the toughest one  
and now one more for me  
Dorlina won't let me go out at night  
Let me do it  
Women have no right to decide  
We pick you up now  
Whom are you talking to?  
Just the weather report  
Wash it carefully  
it is worth a few thousands  
Why so expensive, you don't need it  
So you don't need to  
wear underwear then?  
Horny, we are sorry  
What?  
Horny, we are sorry this time  
We missed your dad at the border  
The sneaker has got him

Anyway  
you work a little bit harder than me  
Yes, it's ok that you asked someone  
to do the work for you

We get in Fok's to destroy his business  
What else is it for then?  
We want to take revenge  
If you go out with Nicole  
that means you're running over Robert  
We can do whatever we want by then  
It means I have to lie to Amy?  
No one knows if we don't say a word  
It means we lie to Nicole  
Hey, we only have a month left  
If you still can't get Nicole  
you can't be the executive committee  
We can't take revenge once  
Robert is back  
It is never too late to take revenge  
I must get rich by myself  
Is that true?

Don't dream too much  
I don't think so  
I have a friend, who want to get rich  
in his early twenties  
He didn't go out with rich girls  
And make his own effort  
He almost succeeds after 15 years  
and almost get rich  
No, he sells richness candy  
on the street

You always say whatever you want  
I don't know what're you talking about  
Just save it  
let's see if we can get her  
I can't think of any plans  
The atmosphere is very important  
for romance

Scattering flowers all over  
It's cost much  
Today is pay-day

I'll do it nice for you  
Bill  
Where are you going?  
That's him  
What happened?  
I bet all the money on the horse racing  
Hey, you put all the money on gambling?  
Everyone said the horse must win  
If it loses, I chop my head off  
I am going to chop you off into pieces  
Revenge for our money  
You hit me  
So what?  
Then I'm not gonna  
share the money with you  
Don't you know the bet that I made  
Win, double, place

Coming  
There is pretty good  
But, I can only afford it once a month  
We try South Sea Chicken with rice  
I treat you next time  
I'm a man of the man  
Show me your hand  
It has no fun if you know everything  
Ok, we wear gloves next time  
Stop, what kind of music is it?  
You don't like it  
let's play another one  
The flowers are very interesting  
How do you like it?  
How come it's only us here?  
You reserve the whole restaurant?  
No, no  
It's over luxurious  
Hey, I really don't have so much money  
What happened?

What is going on?

There's a war going on upstairs  
Let's go  
Do you know who I am?  
I am Marker, the younger brother of Mark  
What a coincidence  
I am the older brother of PC  
This time we're really asking for it  
Sir, this's just a joke  
Yes  
Yes, we're just kidding

Get lost now!  
Yes, sir  
Shit, let's go in  
Uncle, the food here is good  
Really?  
Why don't you go in?

How are you?  
I don't feel well  
I get to go to the rest room  
Go quickly...  
Why all the lights are off?  
Happy birthday, lady  
Today is not my birthday  
It may be one  
of your girl friends' birthday

No, you are my only girl friend  
There are more than thirty candles  
You...  
Though I lie to you I am twenty nine  
You don't have to tease me like that  
You told me to buy the birthday cake  
Don't worry, I will take all the shit  
I got in first, talk to you later  
Don't tell Kwai I've come  
Sure...  
You know what to do, right?  
Amy, could you be away for a while?  
I'm very lonely  
You see how much he loves you  
Amy is here? Oh shit  
Why can't she be here?  
You are her father  
we are on the same boat  
Why?  
Kwai said that you're having dinner  
with Shou Yai  
And called Fan come and beat him up  
Are you threatening me?  
No, Fan's brought us help here  
Don't you know he's a triad member?  
How many people?  
Don't ask! We're looking for someone  
Oh, God, they're coming  
What should we do, uncle?  
Amy goes to rest room, quick  
Amy  
Amy  
He is Bad Temper Fan

Please calm down  
Don't you stop me  
I got to kill him  
He comes to kill  
I don't think so

I got you, I know you  
You are Amy's father?  
You come with Amy?  
No, I didn't come with her  
What should we do?  
It's OK  
someone gave me wrong information  
saying a fucker messed with Amy  
I killed a couple people last year  
I chopped one's leg off  
But he still stucked with Amy  
So, I chopped off his arm  
Why?  
I also found the man  
introducing Amy to him  
I took all his teeth  
Uncle, I get to go  
Pay the bill first  
What is the matter?  
Amy  
No, is not  
Where is that thousand dollar?  
I don't know, check the bill first  
I didn't eat anything  
I didn't eat anything  
That means we don't have to pay  
let's go  
That's great  
It's fixed  
Fan  
Fan's best friend is Amy's boyfriend  
Horny told us Amy went to the bathroom  
No wonder I saw Horny  
We better go now  
No, you deal with Fan  
I go and tell Amy better stay there  
That's no use  
So, you and Ken deal with Fan

It's really you  
I am sorry Kwai  
What a surprise, don't say a word

I am a poor men now

It's ok that you like someone else  
It is my dad who forced me to do so  
This is the first time  
Once you have the first time  
second time is following  
Ok, whatever you say  
But I tell you, I didn't betray you  
I got nothing to say  
if you think you're right  
Really  
It's you who always lies  
What about Joanna, did I forgive you?  
It is my fault, I misunderstood you  
I am sorry  
Hey, brother  
Bye-bye  
Bye-bye  
Well, everything's fine now  
Andy is very smart  
Come in, I have to talk to you  
What?  
I heard some news  
What news?  
Mr. Lau gets bribed  
We can fire him if we have the evidence  
Fire him  
How do we get the evidence?  
He had Robert Cheng's support  
The evidence could be in the office  
Come in  
He looks like dreaming  
Prince Valiant  
Help  
Don't wake him up  
She has bad breath  
It is better than yours  
Quick  
Find it?  
Yes  
Which one should it be?  
They're all in English  
Let me see

Which one?  
You bastard, go to hell  
Don't wake her up  
Better let her have a kiss  
We are in trouble if he wakes up  
I go to find the proof  
Damn...  
Quiet, take it easy  
Pal, it is catus  
You want the whole lot  
Pull them out first, please  
The accounts record  
That's great  
You deserve it  
Help  
I'm beaten up in both dream and reality  
This firm has the potential  
If we work hard  
It would have a bright future  
You are sick or what?  
We are here to destroy  
And now you want to help them  
What's on your mind?  
Listen to me  
I have finished reading the files  
It was Robert Cheng  
who made us become bankrupted  
I have read the information  
of the Board of Directors  
No one made us purge  
Robert Cheng is our only enemy  
He will report duty in two weeks  
Do you think he will come back earlier?  
Yes  
Mind your words  
Good boy  
I'm surprised that You'd be promoted  
as managers in 10 weeks  
But I don't think you'd expect that  
We come back 2 weeks earlier  
Hell, I nearly had to lick your toes  
What do you want then?  
You want to resign or get fired?  
Well, starting from this afternoon

I don't want to see you  
in the office anymore  
Mr. Vick  
Yes, Manager  
Keep an eye on them  
they can only take away their belongings  
Yes  
You can find another job  
I'm sure you will survive  
Don't give up, you still have chances  
I'll beat you  
Don't you dare!  
We are 2 bodies in 1 soul  
What?  
Stop  
Stop  
Stop  
Stop  
Let's go  
Don't move  
Watch out, you bastard  
Andy, we will support you  
Robert Cheng is right  
I am Tsui's second son  
I don't care who you are  
Since you have joined Fok's  
Everything you do is  
for the company's own good  
Horny, I'll miss you  
Me too  
I'll miss you too  
We have to stop Robert Cheng  
We work to rule  
Work to rule?  
Yes, we lanuch a half-work campaign  
We'll only do half of the work  
What? Only half of a bowl left?  
It's not cooked yet  
It's only halfly-cooked  
It's called the half-work campaign  
I have been eating a lot of meals  
Give me a cup of coffee  
Mr. Cheng  
Morning Mrs. Fok

Morning  
Robert, what do you think?  
Fire those troublemakers  
Or pay them half  
See who's tough  
Shit What does it mean?  
We should further our action  
We speak half of the words  
So I say shit  
This's not the problem  
Everybody loves Andy  
We can't fire them on behalf of Andy  
You are the General Manager  
You have the authority  
But they are the assistants  
to the director  
And responsible for  
finance and development  
Andy  
They may fight back  
I think we are all mature  
I don't agree to close them down  
I'll tell them to start all over again  
Brother, do advice for me  
Right, shit  
What do you mean?  
Say half of the sentence  
Mr. Fok, if you want to hire him  
You quit?  
No, I welcome Mr. Tsui  
Thanks  
The company will be even better  
if you guys work together  
It's Nicole's birthday the day  
after tomorrow  
I want you all to come  
to my villa in Lantau  
Don't be late  
Sure  
Is Amy's birthday on the same day?  
What shall me do?  
Buy some flower first  
Let them choose  
I know

Miss, 3 dozens roses  
Two bundles and two cards please  
Okay  
Hey Kwai, it's Amy  
Nicole invites me  
to a party at her villa  
Our birthday is on the same day  
She asks me to go with my boyfriend  
Her boy friend will be there too  
I said yes, and tomorrow at 9:00am  
Boyfriend? Listen to me, Amy  
Listen to me, Amy  
Shit  
For you, like it?  
It'll be ready  
Amy, where's your boyfriend?  
He'll be late, he has something to do  
Men are always like this  
Where's your boyfriend?  
He has to meet someone, he's coming  
Make a phone call to Amy  
And I'll tell Kwai  
Amy, your call  
We have the mobile phone  
Thanks  
Hello Guess who I am?  
Who is that?  
I know your family, your dad and mom  
I give you three minutes  
and guess who am I  
Tell me who you are?  
Hello, who's there?  
What a big mosquito  
My god, my contact lens  
I can't see  
Help me find it  
Nothing  
Why are you so late?  
Amy, my boyfriend Andy  
We've met last time, but it was dark  
Good afternoon  
Why Japanese?  
I have to practice  
Come on, dad is over there

Hello, who are you?  
I am Chow Yun Fat  
Horny, help me into the room  
I can't see  
Don't tell anyone  
Daddy You are so late  
I have to go out later  
The Japanese are hard to deal with  
We have to distinguish work and play  
Just ignore them  
Daddy said so, don't go  
But...  
I know you have learnt Kung Fu  
I learnt it too, let's practise  
Practice? No...  
Let's try  
Not bad  
How can we get rid of him?  
Fool him  
Get a bucket of water  
Your kung fu is real good  
Are you all right?  
I need a rest  
You can, you are young  
Again?  
Just a while Okay  
What's matter?  
I have to make an important call  
Let's stop  
Here I am  
I have lost my glasses Really?  
Why are you all wet?  
It's raining out there Really?  
It was fine just now  
It is occasional Yes  
Let's go home and get the glasses  
I had told Dorlina to get it for me  
Dorlina?  
Horny, are you all right?  
End of the world  
Amy, can I come in?  
I'm changing clothes  
Amy  
What a ball

Well, my boyfriend has come  
Kwai...  
How are you?  
How are you?  
Did you see Andy? No  
I look for him Fine  
See if there's a hair-dryer  
You're looking for me?  
Yes, where have you been?  
I was looking for my enemy  
He made me all wet  
He's Amy's boyfriend?  
Amy, which Amy?  
The one I saved last time  
Now I regret  
Her boy-friend is a real villain  
He looks like me and his name is Kwai  
He's fooling around with my face  
Really? Yes  
So?  
He tricked me once and I have to revenge  
So Fan is his pal  
I am Fan's pal too  
He said he would stay neutral  
Don't worry, it'll be all right  
Don't make any trouble  
It's all because of you  
Happy birthday  
Thanks  
Better to put some brandy  
in the champagne  
And some beer  
And some rum  
It'll easily get drunk  
I'll be with you  
Dorlina will kill me  
I got you  
No next time  
What's wrong with you?  
There are no cops around  
Cops? Good idea  
Police station?  
This is a secret information  
I know a drug trafficker Dorlina

She's coming in to Lautau  
She's got a lot of heroin, right  
She likes digging nose  
She'll come, just keep her detained  
Better have a body search too  
And a thorough slaecken  
I am playing a game  
on radio called Bullshit  
I am sorry, I have to go now  
You don't believe me, you too?  
Go to hell  
You villain, want to get me drunk  
Get you drunk?  
That's the only way  
So hot here, no fresh air  
What are you doing, Andy?  
Andy?  
Thank god  
Kwai, big trouble  
Dorlina has got Horny  
Nicole is a good drinker  
I am so drunk  
Drunk?  
Any way to get recovered?  
I have an idea  
Isn't it quick?  
And Robert Cheng knows we are here  
and asked Mr. Vick come and fix us  
We are in big trouble  
Yes, a very big one actually  
What is it to call us all out?  
Well, it's a real ball tonight  
and it's better to join together  
So we asked every one out  
Amy's boyfriend, Andy...  
We can play card and mahjong  
Then it is a real ball  
Aunty, did you see my friend Dorlina  
No  
She disappeared after  
giving me the glasses  
Mummy  
Nicole, where is Andy?  
I don't know where he has gone

Amy, where is your boyfriend?  
I don't know  
Stop, please...  
No  
Stop fighting...  
Stop...  
Let's talk, don't fight  
Stop  
Kwai  
Andy hits Kwai  
Why were you fighting?  
Let's have a look  
Stop...  
Stop  
Kwai Andy  
It's (Andy's Kwai) fault  
Let's call the police  
What're you doing? Don't come any closer  
You're crazy  
Give me back my pants  
It may not be yours  
How can I go out without pants?  
So do I  
Take off your pants now  
Take it off No  
Take it off  
What happened? Listen  
I am the General Manager, do what I said  
How can I go out without pants?  
Only if you pay  
How much? \$1,000  
I owe you that  
No credit  
No, never  
What are you doing? No...  
I do it if you don't  
Kick it off, rush in  
Don't get me wrong  
Mr. Tsui  
Please put away the umbrella  
Is it raining out there  
Yes, signal number 3 is hoisted  
It may change to number 8  
Weather's changing so fast

I get you a cup of coffee  
Thanks  
I've just received some belated flowers  
Let me give him a call  
No need, it was a mistake  
I want a happy birthday  
My god, what a bad mistake  
You are smart to hide this from us  
But you made that big mistake  
What about Amy?  
Of course I have got Nicole's card  
You promised you won't lie to me again  
and you disappoint me  
I don't want to see you anymore  
Amy...  
Andy  
Andy or Kwai?  
Whatever  
I want to ask you a question  
Who do you like more? Amy or I?

**Tonight 7:**

Number 10 signal is hoisted  
Stay home if possible  
Be prepared for the typhoon  
I lost everything  
I'm worse, I can't go home  
Dorlina will kill me  
No, she can't get the premium  
if she kills you  
She'll ask you to commit suicide  
Go to hell  
It is fate  
But I feel sorry for Amy

**A movie says:**

Love means never have to say  
you're sorry  
It must not be a blockbuster  
Uncle told me everything  
I was wrong  
You should give me up  
for the sake of the Tusi's  
Don't be silly, I feel sorry

It's much better now  
What a nice couple  
Sis, you are pleasing him again  
Why are you here?  
To congratulate you  
Love is the only thing you want  
Get out, all of you  
We deliver the invitation card  
Robert and I are getting engaged  
next week  
You'll never be so lucky  
My father-in-law  
agreed to help you before  
but now he has to think about it  
You son of the bitch, go to hell  
What? What?  
What...  
I help you  
I should help myself off this  
What are you doing?  
It can't settle out there  
What happened?  
Don't worry, I go to the penthouse first  
What's going on?  
Will the house fall on the street?  
Nonsense, to win mark six is easier  
This house is tough as rock  
Press it hard  
Stop, help him first  
It is the best thing you've ever said  
Coming  
Be calm, climb up  
Hurry... ready?  
Robert, get the two girls out  
You bastard  
Leave him, save them first  
Kwai...  
Give me your hand  
You bastard, I got you at last  
Where have you been for these 10 days?  
Bitch  
Help me to save them  
The only way is to climb up there  
It's ok now

No, we'll be all dead  
Mind your words  
What are friends for then?  
Be quick  
You have big butt  
Better go in pairs, or we'll fall...  
I didn't know that I was still strong  
Try harder  
My pants, they are falling  
Kwai, hold me tight  
Kwai, don't give up  
They are pulling me up  
Don't speak and save your energy  
Pull me up quick  
Kwai, be quick  
Good, it's over now  
Kwai  
Let's go  
Go down  
Watch out Quick  
Kwai  
It stops raining  
What happened?  
Dad, Mom  
Nicole  
Mr. Fok, they beat me  
Nicole, let's go  
You nearly killed me, why should I?  
I am here to ask you to calm down  
I know you love Andy but not Robert  
I just knew that Andy loves Amy  
Andy and Amy belong together  
Mr. Fok, I was wrong to hide everything  
I am sorry  
Don't be silly, you help us a lot  
I support you to start again  
Mr. Fok, what about me?  
You resign tomorrow  
To help us start again?  
Pal, you deserve it  
Beat him  
No... leave me alone  
Help me beat him down and  
I'll give you \$200,000

\$200,000?

\$300,000

\$300,000? \$300,000

Go to hell

For your medical treatment

So you know who the devil is

It feels so good to be good guy

Yes

Horny, is she your wife?

Horny

Shut up, quiet

I care about you all the time

I know if you told me so

She's my wife

But if you love me

I'll treat you very good too

Are you out of your mind?

What could I hang out with?

She's for you

Thank you

That's not too bad

You don't have the right to say

Dreams are always better than reality
