# **iCarly- iWant More Viewers**

By Dan Schneider

**Carly:**

Which is why I say, the potato is superior to the sports bra!

**Sam:**

And if you don't believe us, try making French fries out of a sports bra!

**Carly:**

OK, next on iCarly, we're gonna the door man who lives in the lobby of this building. His name's Lewbert!

**Sam:**

The meanest man alive!

**Carly:**

We hate his guts!

**Sam:**

And so you can hate Lewbert's guts just as much as us!

**Carly:**

We asked our technical producer, Freddie

**Sam:**

Say yo to the people, Freddie.

**Freddie:**

Yo to the people! How ya'll doing out there?

**Sam:**

That's enough, Freddie.

**Carly:**

Anyway, we've been secretly videotaping Lewbert for almost a week!

**Sam:**

So let's take a look at some of the highlights!

**Carly:**

Freddie, roll the clip!

**Freddie:**

Playback!

**Carly:**

OK, that's Lewbert sitting at his desk.

**Sam:**

Just a nasty little man working in the lobby.

**Carly:**

And if you look real close, you can see his wart! Zoom in on it, Freddie!

**Freddie:**

Digital zoom!

**Carly:**

There it is, living happily on Lewbert's face.

**Sam:**

I call that wart, little lewb.

**Carly:**

Zoom out! Oh, see that lady? Watch what happens!

**Lewbert:**

Out!

**Lady:**

I just need to check my mail!

**Lewbert:**

No dogs in my lobby!

**Lady:**

I will leave in a minute!

**Lewbert:**

Now! Out! (Argues with dog)

**Sam:**

**Carly:**

Pomeranian!

**Sam:**

Whatever.

**Carly:**

OK, OK, now watch Lewbert closely!

**Sam:**

See that kid with the balloon right next to him?

**Boy:**

Mommy! That man ate my cookie!

**Lady:**

You took my sons cookie?

**Lewbert:**

No!

**Lady:**

You are so cruel! (Argues with him) That man took my sons cookie, what are you gonna do about it?

**Boy:**

Waaaaaaa!!!!

**Sam:**

See what he did!

**Carly:**

You see that? As you can see, Lewbert's a bad person!

**Sam:**

Not a good dude! Which is why we are introducing a new segment on iCarly which we call.

**Carly and Sam:**

Messin' with Lewbert!

**Carly:**

And there's Lewbert live!

**Sam:**

I'll dial the lobby downstairs!

**Lewbert:**

Main lobby. (Carly blows air horn) AHFFF!

**Carly:**

And that concludes this segment of.

**Carly and Sam:**

Messin' with Lewbert!

**Lewbert:**

Who is this? (Carly blows air horn) AHHH!!

Scene 2

**Freddie:**

What up, my peeps?

**Sam:**

Wow, that greeting was uncool in so many ways!

**Freddie:**

Oh yeah? Well uncool is the new cool!

**Sam:**

Wow, that comeback was uncool in so many ways!

**Freddie:**

You know what, Sam?

**Sam:**

What, Freddie? (They argue) You deserve a brain!

**Freddie:**

At least I have a brain!

**Sam:**

No, you don't have a brain, you have nose hairs! What did you just do?

**Freddie:**

What was that?

**Carly:**

See when you have a cat, that's how you get them to stoop misbehaving! You just spray them with some water!

**Sam:**

You can't do that to us!

Freddie;

We're not cats!

**Sam:**

Yeah, just put your little-

**Carly:**

Spencer, dinner time! You guys staying for dinner?

**Sam:**

I got no place to go!

**Spencer:**

I'm here! One sec. What's for dinner?

**Carly:**

We're having my special spaghetti!

**All:**

Mmmmm.

**Freddie:**

Nice looking meatballs!

**Spencer:**

Your guy's web show was pretty awesome tonight! I love how you zoomed in on Lewbert's big, old wart! I wonder what would happen if you squeeze that thing! Do you think some kind of Lewberty-goo would squirt out of it?

**Sam:**

I just wish I could get more people watching the show.

**Freddie:**

The same number of people watched iCarly this week as last week!

**Sam:**

That's the problem! Our shows getting better and better, so more people should be watching!

**Spencer:**

Why do you people care how many people are watching?

**Freddie:**

Why do we care?

**Sam:**

You're an artist! When you create a new sculpture, do you want 2 people to see it or do you want 2 million people to see it?

**Spencer:**

2 million...

**Carly:**

So, ideas?

**Sam:**

Yeah, this spaghetti could use more garlic!

**Freddie:**

I think Carly's spaghetti is great!

**Sam:**

Then why don't you put some down your pants!

**Freddie:**

Cause maybe I don't wanna put pasta down my pants! Maybe I wanna-

**Carly:**

Alright, look. We all know that making a good show is important!

**Sam:**

So is getting more people to watch!

**Carly:**

What if we each come up with a cool way of getting more people to watch!

**Sam:**

Then we show our ideas to the iCarly audience.

**Freddie:**

And let them vote on who came up with the best idea?

**Carly:**

Right, like a contest! That way we do a good show and get more viewers!

**Sam:**

I'm on Carly's team!

**Freddie:**

Teams? She said each! And why do you get to be on Carly's team?

**Sam:**

Cause each sounds like a lot of work!

**Spencer:**

Relax buddy, I'll be on your team!

**Carly:**

Seriously?

**Spencer:**

Yeah, I got time.

**Sam:**

You're not still dating that girl?

**Spencer:**

Na, she only liked me for my socks.

**Sam:**

That's weird.

**Spencer:**

Is it?

**Freddie:**

Well, OK then, we're partners!

**Spencer:**

**Carly:**

Great, so it's me and Sam vs Freddie and Spencer! Team with the best idea to get more viewers wins!

**Freddie:**

OK, but I think the losers should have some kind of penalty!

**Sam:**

Hasn't live already penalised you enough?

**Carly:**

That's for being mean.

**Sam:**

It was worth it.

**Spencer:**

OK come on, what should the losers have to do?

**Carly:**

I'm gonna say, losing team has to... Touch Lewbert's wart!

**Spencer:**

Yeah! I mean ewww!

Scene 3

**Spencer:**

Hey, Freddie!

**Freddie:**

Ow! Man!

**Spencer:**

What ya doing?

**Freddie:**

Bleeding! Why are you here?

**Spencer:**

We are gonna win the competition! I found an insanely awesome way to get more people watching your guy's web cast!

**Freddie:**

Tell me!

**Spencer:**

We get a bunch of fireworks, right? Enough to light wave consumer stuff. I'm talking 4th of July razzle dazzle!

**Freddie:**

Razzle dazzle?

**Spencer:**

Yes! Then, at night, we launch the fireworks off the roof of our building, they explode, spelling out iCarly.com in the sky!

**Freddie:**

Can we really do that?

**Spencer:**

No! So I came up with something else! A sign?

**Freddie:**

A sign?

**Spencer:**

please go online to iCarly.com!

**Freddie:**

Yeah, yeah, that's good! And we should hang it someplace, like over a really busy highway! Thousands of people will see when they drive by!

**Spencer:**

You are a tiny genius!

**Miss Ridges:**

Well, well, look what the janitor swept up! Spencer Shay! I thought I saw the last of you years ago when you graduated, but sadly your back!

**Spencer:**

Nice to see you, Miss Ridges! Or now that I'm older may I call you Margaret?

**Miss Ridges:**

No you may not!

**Spencer:**

Why?

**Miss Ridges:**

My name is Francine! Get out before I give you detention!

**Spencer:**

I'm 26, you can't give me detention!

**Miss Ridges:**

Then I give you detention, one week!

**Freddie:**

WHAT?!

**Spencer:**

You don't scare him!

**Freddie:**

Yes she does!

**Miss Ridges:**

GET OUT!

**Spencer:**

No!

**Miss Ridges:**

Two weeks detention!

**Freddie:**

Dude, get out of here!

**Spencer:**

No, no, no, no, no, no, no, I am not letting this lady-

**Miss Ridges:**

Spencer Shay, you have 30 seconds to leave or else Freddie gets expelled!

**Freddie:**

GO!

Scene 3

**Sam:**

I got it! I got it!

**Carly:**

You thought of an idea for the contest?

**Sam:**

No! You remember that piece of corn I got stuck in my teeth?

**Carly:**

No.

**Sam:**

Well, here it is!

**Carly:**

And thank you for flicking your used corn onto my floor! Give me that, you gotta help me think of an idea!

**Sam:**

Alright, right after we watch Seattle beat.

**Carly:**

No!

**Sam:**

Please?

**Carly:**

No.

**Sam:**

Oh come on, we're watching Seattle beat! (They argue)

**Carly:**

OK, fine!

**Sam:**

YAY!

**Girl:**

OK, you may like the old band better, but I still say there's a best band happening in Seattle today, and to prove it, your gonna see them right here live coming for you in less than a half hour! Is that cool?

**Carly and Sam:**

WHOOO!

**Girl:**

Let's take a look out the Seattle beat window!

**Carly:**

I got it! I know how we're gonna get a ton more people to watch our webcast!

**Sam:**

Does it involve dental floss?

**Carly:**

No, why?

**Sam:**

**Carly:**

beat?

**Sam:**

Yeah?

**Carly:**

You and I are gonna make a big banner.

**Sam:**

I enjoy big banners!

**Carly:**

And we're gonna take it down to Seattle beat and hold it up right in front of that window for this whole city to see!

**Sam:**

That's brilliant! Everybody watches Seattle beat!

**Carly:**

Uh huh!

**Sam:**

Well, say thank you!

**Carly:**

Why I thought of it!

**Sam:**

Yeah, but I thought of watching TV!

**Carly:**

Let's go make the banner!

**Sam:**

Alright, let's banner it up! OK, OK, I'm going, I'm going, I'm going upstairs!

**Carly:**

Hurry, hurry!

**Sam:**

Hey, that's my butt!

Scene 4

**Carly:**

Hurry before it starts raining!

**Sam:**

I'm right behind you and it's already raining!

**Carly:**

Come on! Excuse me, can we come through, thanks. Sorry.

**Sam:**

Move we're from the internet, could you just move, thank you! We need to get through so just move, yeah.

**Carly:**

Hold it up high.

**Sam:**

Lets spread the word, baby! Move, we're from the internet!

**Carly:**

Get ready, Seattle!

**Girl:**

And if you like what you just heard, you catch that band live at the show bots! That sign is messed up!

**Carly and Sam:**

Awwwww!!

**Carly:**

We're gonna have to touch Lewbert's wart!

Scene 5

**Freddie:**

OK, we got the ground wire attached; let's see if we got a hit circuit!

**Spencer:**

No, no, no, no, no, no, no!

**Freddie:**

Why no, 7 times?

**Spencer:**

Cause you're a child and this is high voltage stuff, and you're not even wearing safety goggles! See, you gotta be extra careful when you're trying to- Ahhhh!! Ohhh!! Ahhh!! And that is why we wear safety goggles!

**Carly:**

Hey. Do I smell barbeque?

**Spencer:**

No, that's my burning flesh!

**Freddie:**

What's that?

**Carly:**

Soggy banner. Our plans to get more viewers didn't go too well.

**Sam:**

Yeah, like how the titanic staying afloat didn't go too well!

**Carly:**

Oh come on! Maybe a few people read our sign! Before the rain ruined our hard work and made us sad.

**Sam:**

Yeah, we can still win!

**Freddie:**

No, I don't think so! I think me and Spencer are gonna win and you two girls are gonna have to touch Lewbert's wart! Feel bad for you, not for you.

**Freddie:**

Sour loser!

**Sam:**

We haven't won yet!

**Carly:**

What are you guys planning to do?

**Spencer:**

Oh, you'll find out.

**Freddie:**

Now if you excuse us, we have a contest to win! No offence, Carly.

**Carly:**

Come on, let's go dry off! Remember, iCarly goes live in 3 hours!

**Spencer:**

We'll be ready.

**Freddie:**

To win! Still no offence, Carly.

**Spencer:**

All right kid, help me get this puppy down to the lobby.

**Freddie:**

K. Then I'm gonna come back up her and help get ready for the show.

**Spencer:**

I understand!

**Freddie:**

Who's that?

**Spencer:**

My bubby with the truck. Are you downstairs? K, we'll bring it downstairs and meet you at the truck, see you down there, bye. Ok, let's get this sign on the road. Freddie? Yo, Freddo?

**Freddie:**

Help... Me...

Scene 6

**Carly:**

OK, on our last webcast Sam and I told you to go to iCarly.com and click that feedback button!

**Sam:**

Man, you people clicked on that sucker like it was your job!

**Carly:**

So first we wanna say thanks.

**Carly and Sam:**

THANKS!

**Carly:**

And second we wanna show you a video clip of three iCarly viewers from Denver, Colorado!

**Sam:**

Ready? Play that clip!

**Freddie:**

Some people might say please!

**Sam:**

Yeah, I didn't!

**Freddie:**

Playback!

**Boy 1:**

Hey Carly, Sam, we love your guy's web show!

**Boy 1 and 2:**

(Words of agreement)

**Boy 1:**

OK, we have a very import question for you! Can you drink spaghetti and meatballs? Spaghetti and meatballs!

**Carly:**

OK, we have no idea why that guy in the middle was wearing a bunny suit!

**Sam:**

But it did get our attention!

**Carly:**

And so did the question, can you drink spaghetti and meatballs?

**Sam:**

We gone find out!

**Carly:**

OK, we invited a little boy who lives 2 floors down to come up here and be

our little tester!

**Sam:**

So get out here, Emmitt!

**Carly:**

Yeah! This is Emmitt, he doesn't talk much.

**Sam:**

Isn't that right? See?

**Carly:**

Luckily, Emmitt will eat or drink ANYTHING! Seriously, one time Sam dropped a quarter, Emmitt ate it!

**Sam:**

I got it back 3 days later!

**Carly:**

OK, Emmitt. We wanna know, can you drink spaghetti and meatballs?

**Sam:**

First, we take this spaghetti.

**Carly:**

And a meatball. You gotta love spiracle meat!

**Sam:**

We put it in the blender!

**Carly:**

There we go!

**Sam:**

Ready?

**Carly:**

And we press ra-play!

**Sam:**

You ready kid?

**Carly:**

Go for it!

**Sam:**

And there you have it!

**Carly:**

You can drink spaghetti and meatballs!

**Sam:**

Now get out of here Emmitt, you creep me out!

**Carly:**

Yes, you can have the rest! OK, now we're gonna do something we've never done before!

**Sam:**

Tell us what it is, Carly!

**Carly:**

We thought it would be fun to have a contest!

**Sam:**

Me and Carly against our technical producer, Freddie.

**Carly:**

Who teamed up with my older brother, Spencer!

**Sam:**

To see which team could come up with the best way to get more people to watch iCarly!

**Carly:**

Sadly, our plan didn't go too great!

**Sam:**

Check it out!

**Girl:**

And if you like what you just heard, you can catch that band at the show bots this weekend so be sure- That sign is messed up!

**Carly and Sam:**

Awwwww!!

**Carly:**

OK, obviously that sign won't be getting us any more viewers!

**Sam:**

Our project failed! Luckily we won't be the only one with a plan this week!

**Carly:**

So let's go to my brother, Spencer, live at a remote camera to tell us about his and Freddie's idea!

**Freddie:**

OK, going to Spencer live!

**Carly:**

Hey Spencer, how's it going out there?

**Sam:**

Sup, Spence?

**Carly:**

Spencer?

**Sam:**

Uh, hello?

**Carly:**

Put the taco down!

**Sam:**

Are you there?

**Carly:**

Can he hear us?

**Freddie:**

**Carly:**

Hey, Spencer!

**Spencer:**

AHHH!! Hey, Carly, Sam! You guys owe me half a taco!

**Carly:**

Tell us what you're planning to do out there!

**Spencer:**

Well, I currently standing by the interstate near Unford, Onrafe in downtown Seattle! And as you can see, there are literally many cars, I'll show you! Literally, many cars passing by every minute! Which makes this the perfect place to hang a gigantic, luminescent sign like this! Behold, the sign! Are you beholding it?

**Carly:**

Oh, we're beholding it!

**Sam:**

And since we're good sport, I have to say that sign deserves a, YAY!

**Carly:**

Good job Spencer, you too Freddie!

**Freddie:**

Thank you, Carly. In your face, Sam!

**Spencer:**

Carly, Sam! You cannot understand how awesome this sign looks from out here! It's so dazzlingly bright, I swear it's like-

**Carly:**

What's going on out there, Spencer?

**Spencer:**

Well, it seems our sign is so bright and dazzling; it distracted one of the drivers below. Actually, two of the drivers below- Three of the dri- Literally many of the drivers below are being distracted by our extremely dazzling sign!

**Freddie:**

Quick, turn it off!

**Carly:**

Turn it off!

**Sam:**

Quickly!

**Spencer:**

OK, I will now turn off the sign!

**Freddie:**

That's not off!

**Carly:**

Spencer!

**Sam:**

Dude!

**Spencer:**

Oh man, I am pressing the button! Literally all of them, trying to turn off the sign!

**Freddie:**

You're gonna overload the circuit!

**Sam:**

Pee on Carl?

**Carly:**

Turn that off!

**Spencer:**

I am trying! Stupid cars! Don't look at the sign! Stop beholding the sign- I stepped on my taco!

Scene 7

**Sam:**

Wait, wait, and read this one!

**Freddie:**

Ha ha! Unbelievable!

**Carly:**

Insane!

**Sam:**

I know, can you guys believe this?

**Freddie:**

I said unbelievable!

**Sam:**

Oh, I'm sorry! I thought you said you were dopey and annoying!

**Freddie:**

OK, one more comment like that-

**Carly:**

Try not to kill each other while I get the door!

**Officer Carl:**

He belong to you?

**Carly:**

Yes, sir, he's my brother!

**Spencer:**

That you, officer. Do you have any lotion?

**Officer Carl:**

No! Now, I'm letting you off with a warning, but the next time you cause one of the worst traffic jams in Seattle history, you will get arrested!

**Carly:**

I think that sounds fair!

**Officer Carl:**

What were you thinking? Putting up a sign telling people to pee on Carl!

**Spencer:**

It was a terrible mistake officer... Carl...

**Spencer:**

Well, that was-

**Officer Carl:**

And just so you know, I did have lotion! Cucumber melon!

**Spencer:**

That was weird!

Carly, Sam and Freddie:

Yeah!

**Spencer:**

Anyway, I'm sorry I kinda ruined your webcast tonight.

**Freddie:**

You didn't!

**Sam:**

Come here!

**Spencer:**

What?

**Carly:**

We were just reading the comments board! Listen to this one: the spaghetti and the blender made me LOL, but I swear, when your brother's banner said pee on Carl, I almost peed myself!

**Sam:**

Now read the one below it about Seattle beat!

**Carly:**

**Oh yeah, uh:**

about the wet banner but that was hilarious! I'm gonna forward that clip to every kid in my school! Rock on, iCarly!

**Spencer:**

Sweet, how many comments like that?

**Sam:**

Tons!

**Freddie:**

People are linking to us!

**Sam:**

Telling their friends!

**Spencer:**

OK, so, wait, wait, wait! We all failed miserably trying to get you guys more views for iCarly, and yet it is precisely those miserable failures that are getting you guys more viewers for iCarly!

Carly, Sam and Freddie:

(Words of agreement)

**Spencer:**

Insanity!

**Carly:**

Oh hey, we almost forgot the best part!

**Sam:**

Yeah?

**Freddie:**

What?

**Carly:**

Since all of us pretty much lost the contest, none of us have to touch Lewbert's wart!

**Freddie:**

Oh, yeah!

**Sam:**

That's right!

**Spencer:**

Well I say, let's go get us some low fat, vegetarian pizza!

**All:**

Yeah, woo!!

**Carly:**

And some cucumber melon lotion?

**Spencer:**

Please!
