So I'll show this to you...  
He said, "Lord Schafer, I do  
not ask for close photos."  
It is said that this is the  
best surveillance photo.  
- Does that mean my salary goes up?  
- Good work  
Do you have a family, Schafer?  
Strong Push!  
Already.  
Your wife Children?  
I did not tell Lucy  
that I was out of TWA.  
You serve your country.  
I need extra money.  
You will succeed.  
Come on.  
We will send them

At that time there were  
only three entrepreneurs  
who is looking for a way to ship  
their products to the United States.

There is only one small problem.

The pilots were killed as they  
tried to get out of there.

I see other pilots  
trying to fly from here

Yes.

Poor pilot

Well, yeah...

I'm sure the plane is hard...

brings a lot of fuel to  
America, products and...

The airport is in a high  
position and the lane is short.

Both sides have trees  
and mountains.

Is there another  
place to take off?

Soldiers are seen everywhere.

Can we extend the trajectory?

That's crazy

Does he think everything  
is beautiful and nice?  
It's like this for the first time.  
No, we have to kill him...  
I told you I had to kill you  
You can not do that  
- We have people in Miami.  
- Yeah.  
You will land at Okeechobee  
Airport between 2:00 and 6:00.  
Listen to me...  
It was a change of plans because  
we did not land in Miami.  
thanks.  
I can not land with this package.  
That's your problem  
Listen.  
I know in Louisiana, I have a map.  
I will bring the product  
into the "X" sign.  
Okay Anyway...  
- What do you mean you can not land?  
- OK  
Listen, anyway...  
Hey, come here.  
Check it out.  
Visible.  
See it Is it visible?  
It's for millions of dollars.  
I give it with scotch...  
... around it. On each side.  
But strong.  
No, no, no.  
No longer...  
I say no more....  
That does not fit anymore.  
But there is plenty of space, gringo.  
No, no It's okay Boys, boys  
It's not about space.  
It's a tough problem.  
We agreed for 200 pounds,  
even we took 300 pounds.  
No, no, no.  
Dude, calm down and listen.

That does not fit anymore.  
Encourage. Come on.  
I need a good track.  
Continue. Continue.  
Wait...  
Stop! Stop!  
Good.  
thanks.  
thanks.  
Where did you go, fat?  
Come on. Out.  
He will be careful  
of our package  
This guy is fat. They're  
over 680 pounds.  
Choose... or go fat  
or your package.  
Good luck  
God looks after you  
He can not make any more songs.  
Hey, Jorge.  
Come here, give it.  
Let's bet Come on! How much  
we bet It's okay Come on!  
What it does  
What do you see Let's play...  
Come on.  
Come on!  
He got through it.  
Bravo. Pay, Carlos.  
It is possible to head north...  
40 kilometers from the beach.  
This is an oil foundation 14.  
This is one of the Shell helicopters.  
Ignore it.  
Autopilot  
Autopilot  
Good luck!  
Barry.  
It's for you Woah!  
Did she tell me on Wednesday?  
- He asked me to leave on Wednesday?  
- Yeah. next Wednesday  
Basics...?

This is not a problem.

Soldiers come here...

Pablo, Jorge!

Yes!

We want to run away?

Want to wait here?

Pablo?

Oh, hell.

- Do not shoot - no.

Barry?

Barry Seal

Schafer?

- Barry Seal?

- Schafer?

Oh, my God!

You look bad

Nice to meet you

- Are your teeth open?

- Yeah.

What the heck

- Look at these guys?

- Yeah.

I think I know I'm a CIA.

You're not a CIA

You're a drug dealer, Barry.

I want to let the Colombian

police take you.

They will attack your

**house at 6:**

They will take Lucy

for interrogation.

He can keep it all night.

**OK:**

Fuck you you have to

get me out of here

They gather strength and set it in control

of a small country called Nicaragua.

Sorry, that's El Salvador.

This is Nicaragua.

This is the first successful  
revolution in Central America.

Maybe that's bad  
news for some people  
but not for me There's  
a new sheriff in town.

Dear Americans,

I want to talk tonight  
about the increasing  
danger in Central America.

After all that happened, I  
still love Ronnie Reagan.

Anyone who can get out of that monkey  
movie... gets to the White House.

- What is wrong with her?

- He needs to know what he's doing.

He wants to pursue the Communist  
Sandinistas of Nicaragua.

He wanted a Nicaraguan freedom fighter  
named Contras who could do it.

He must have known that the  
United States supported them  
more than sweet words  
and good wishes.

But Congress is worried about  
Vietnam's recurring incident.

So I forbid Ronnie to fight.

But do you think politicians  
can lead the Gipper?

No.

He asked for help from the CIA.

And the CIA asked for my help.

Schafer, there was a morning  
raid on my family...

- is not it?

- no. Everything is done

- What?

- 6:

The basis of this country!

- Wait a minute.

Stop!

I agree

I'm not a cop, Barry!  
I can not undo the search  
- She's in the process - Come on.  
What should I do?  
Get your family  
out of Louisiana.  
- Where will I get it?  
- We have a place for you  
Mena.  
Arkansas.  
Arkansas?  
Hey.  
Hey, Luce.  
- Hey, baby - hey  
- God, what are you saying?  
- I am fine  
Barry, your teeth are ugly.  
Hey... we move  
We have to pack everything up.  
We must leave before sunrise.  
We carry clothes and...  
Do you still need  
all these shoes?  
Hi, dear  
How are you?  
Dad will give you a plastic bag.  
Go and put all your  
favorite toys...  
- go back to sleep.  
- Your dad's crazy  
- Do it, we want to adventure.  
- We are not adventurous.  
- Just like camping in the countryside?  
- Not exactly the same...  
- Because every adventure is different.  
- God, you're serious

**Barry, at 4:**

do not want to go.  
Tomorrow, this will be a drama at  
school for Christine. Trust me?  
No.  
But you love me  
Of course I love you.

Then we have to go.  
We must leave before sunrise.  
Mena 1980  
Look at this There  
is a barbecue.  
Many things.  
I take a lot of things.  
But there is only a  
toilet in the back  
I think it's a cruel  
and unusual punishment  
I will scold them on Monday.  
Do you agree  
thanks.  
The front door opened.  
It is okay  
Easy to fix.  
You must...  
Get on. Come on.  
Shit.  
We need to hurry.  
Maybe he'll leave  
before I get back.  
All this is yours  
Include everything between  
here and your home.  
Nearly 8 square kilometers.  
What do you say  
Is this all mine?  
Yes.  
All these airports?  
Yes. Congratulations.  
AK-47.  
Soviet to PLO.  
Israel confiscates this  
and sells us secretly.  
You will take him to Nicaragua.  
Weapons do not agree.  
It's a war, Barry.  
Elite fighters can not  
fight without weapons.  
That's the deal.  
Or do you prefer to go  
to a Colombian prison?

That's the whole law  
enforcement on the East Coast.  
FBI, ATF, DEA, customs clearance.  
This map is to avoid it.  
Oh, shit.  
You fly to a place  
you can not reach.  
This hangar is mine.  
Yes.  
The truck is mine  
- Instruments - Yeah.  
This plane is mine.  
This bag is mine  
What bag  
Children eat.  
They sleep.  
I pulled my luggage  
out of the car.  
That is good  
I fix the sink.  
The pipe was broken.  
I told you it would  
be easy to overcome.  
Damn it, Barry!  
Good. Good.  
I need time  
I no longer work for TWA.  
Be embarrassed, Barry!  
You want to say something to me?  
Do not love  
You have to be careful  
by this family  
Or I'll get the kids.  
I'm going back to work at KFC.  
Luce, what do I do...  
- Barry, I'm pregnant in six months.  
- This is a secret  
I need a refrigerator.  
I need a crib.  
I need combo, washing machine.  
The washing machine is there.  
Let me show you...  
Is that illegal?  
What will I tell you...

You swear you will not  
tell anyone, Lucy.  
Do you understand  
I work... for CIA.  
Hello, buddy  
I came to represent the  
American government.  
Listen, Schafer.  
I am not a military expert,  
but are you sure  
you are not wrong  
Because they're more interested  
in my shoes than your weapons.  
Listen.  
This is very important.  
Scahfer, I'm not  
the right person.  
Keep going to them.  
Keep going.  
Good.  
This is a gift.  
Good.  
Do you understand the Prize?  
Back. Back.  
This weapon is a gift  
from the US government.  
We are all friends  
Jorge.  
What are you doing here  
This is Adolfo Calero.  
He works for your government  
during the revolution  
handled the Sandinista.  
Jorge says you're a crazy  
person who can bring anything  
We have a new business  
offer for you, Barry.  
Bring American  
weapons to Colombia,  
crossing cocaine in Contras,  
then Contras took them to  
a fishing boat in Miami,  
and everyone is happy  
This is for the preparation of war.

It seems Contras does  
not want to fight.  
They just want to make money.  
Just like us.  
Meanwhile, Cartel wants weapons.  
So we are trading.  
I am a messenger.  
This is the pattern of operation.  
I import weapons from Mena,  
Then, with Schafer's information,  
avoid applying the law...  
... and I went straight  
to Cartel Air Base.  
Colombians love guns  
Then they brought cocaine and me I  
headed to the exchange location.  
Contras brings cocaine to  
a fishing boat to Miami.  
While we are loading cocaine,  
back to America and stop  
taking fuel from Panama,  
under the protection  
of Colonel, Noriego.  
Congratulations on your  
promotion, General.  
Of course he can also  
separate himself.  
On the way I was treated by DEA,  
Then we dropped the cargo  
into the Louisiana swamp.  
The job is so huge that  
I have to ask for help.  
Pete Dubois, shoot  
until he realizes...  
he is interested in selling cocaine.  
Stan Mason flies from  
Mexico to Arizona.  
Bil Cooper,  
flew opium around Southeast  
Asia during the Vietnam War.  
Then Bob.  
I do not know much about  
Bob, but he's a good pilot.  
I call them boys...

We can fly with anything.  
Schafer.  
Barry.  
How are you?  
Hey Boss.  
You're crazy, man!  
How Business Works?  
You know...  
Busy.  
You?  
Yes.  
Busy.  
Where is he going  
We have to borrow some  
of our countries.  
They want you to bring  
him here to practice.  
Who?  
Contrast.  
Are you telling me to bring them here?  
We created the training ground.  
- Am I - Yeah.  
Start as soon as possible.  
That is good  
Is that a problem?  
Not Hey.  
Whatever you say, boss.  
Wait! The sehraus is 15.  
Only here 12  
Contras is very excited  
both in the United States.  
He flew faster than  
when brought here.  
You two go where you go  
Do you want four?  
We think Contras will  
win this summer...  
if their needs are met  
Indeed  
How much can you get  
from your man in Mena?  
We will get everything from him.  
That's what I want to hear.  
We are developing our operations, Barry.

Come on. One person One by one!  
Hey, wait!  
No, no  
We will take care of you.  
Back! Do not touch  
Help back!  
All of you please calm down!  
Cheers.  
- Hey, Barry - huh?  
Do you think Contras can win?  
No  
Good.  
- This is the latest news.  
- Come on, Razorbacks, Barry.  
Ticket of the middle row season.  
This is very nice.  
How much land did Chief  
buy when he arrived?  
I do not know, 2 square kilometers?  
Eight square kilometers.  
From airport to Ouachita.  
What does he want to do with him?  
It's not your job.  
He's a good guy.  
He has contributed a lot  
to this environment.  
I want to open an account.  
Thank you!  
I will be right back.  
David!  
Come on, Christina!  
Your game is great  
- Great, Christina!  
- Come on, come on!  
Do you want oranges  
I have a pizza  
Do you want pizza  
That's it Let me put...  
That is all  
- The car is great!  
- Do you like it?  
Yes.  
This car has everything.  
First in Arkansas,

and that's yours.

Mine?

That's yours

Oh, my God, Barry!

Thank you!

Any other.

Mrs. Barry!

Why?

You have to be careful  
of your attitude

I brought you a light  
snack, Christine.

In the summer of 1982,  
business goes well.

There's a meeting on Tuesday at three o'clock.

Tuesday at three o'clock.

We need to improve shipping.

Can you add Friday delivery?

Friday? Good. Wait.

Yes?

We want to double the  
number of weapons.

- Duplicate?

- The next delivery is Friday.

Wait, what to do on Friday?

I've opened several companies.

I can not wait to learn the  
identity tag business, CEO.

I also

I was 30 years old when I was  
working at the gas station.

He's afraid you're on your way.

But the money was so fast that  
I was overwhelmed to wash it.

I take pictures...

gun shipping...

take and take

We built air force.

New toys, kids.

- I want to buy a  
new book - really

What are you doing Barry!

Smile, Barry.

Jorge!

Lobster!  
You remember  
What do they say What  
do you think I forgot?  
Your husband is a genius.  
When to send in good condition.  
My wife, Lucy.  
No, no  
Its influence is everywhere.  
\$ 10 Million in  
National Currency...  
\$ 12 Million in the  
State of Mena...  
\$ 15 million at the Mena Trust.  
I have 40 million  
dollars in Miami...  
\$ 20 million in Panama, \$ 7  
million in grass pocket...  
\$ 8 million in Samsonites, \$ 4 million  
buried in the back of the house...  
and 40 pounds of gold in my closet.  
Impressive!  
Honey, keep the lever.  
It's the best country  
in the world  
JB.  
Yes.  
- Hey, brother - JB!  
What the heck  
Look at you  
- Look at you - God!  
Please come in.  
Look at this house.  
Chevy parking is harder  
than it looks, Luce.  
- Do not swear in front of children.  
- Forgive me  
Truly?  
Yes.  
They made me squeeze  
S-10 every inch...  
I heard you  
I am sorry  
The cars were very close.

- They have to blister do not you?

- Yeah.

Then they cut my salary  
to replace the blisters.

- Hey! JB!

- Forgive me

Somehow, you can handle it, JB.

You stay here and find something.

Or I can give you money and

you can do what you love.

Do not look at him like that.

You will find a job,

JB, not a donation.

My brother is looking

for a job, Barry.

You will work.

That's how it should be.

Have you heard This is the law.

You have to work.

- You have to work

- That's right

What is my job

Hey, Barry!

Hey, Barry!

Barry!

Say, JB?

This hangar is good, I'm

tired of wiping it off.

You can rest after it's done.

Come on. Try!

I have a new job for you.

Give me some beer

He goes

- Barry - huh?

Roscoe dug this in the yard.

There is money

scattered everywhere.

Tomorrow morning I'll take care of it.

We found three more

near the fireplace.

Shit.

Tickets flowed from all directions.

Who would have thought it would be a problem?

I mean...

I do not have money anymore.

Quiet.

It did not happen behind him.

They are dangerous animals.

- We recommend calling the coach.

- Not under any circumstances. I can

Come on.

Wait.

JB has a new car.

Did you raise his salary?

Hey, Barry, Luce.

Fuck?

The girl is only 15 years old.

- That's right - I told you

- do you live here - Yeah.

Hey. Can you talk to

you for a minute?

Yes.

- Why?

- Come here

- What, JB?

- Why?

- I'm not wrong - JB.

- JB. Come on.

- Hi, madam

We just want to swim.

Come here

- Do not tell my parents

- Come on.

Where did you get the

money to buy a car?

I'll be honest with you, Barry.

I will not lie to you.

I stole them from the hangar.

I opened one of the Samson people.

I found a lot of money there.

So much money.

JB, you can not do that

Not permitted

500 to 300.

Beware of the trees at the end.

I remember

Pete, you have to stop him.

I can not see anything

Good.  
75. 50.  
Good.  
Did you see that?  
God!  
This is the US Drug Administration.  
Still opposed defense  
of the region.  
We immediately ordered to land.  
Follow us at Air Base.

war on the government.

Due to Pablo Escobar's  
unique management style...

the cartel was expelled  
from Colombia.

The only place the  
DEA can not reach?

It is true.

Nicaragua.

I'm thinking about it.

Twice we broke the law  
and did not understand.  
He does not understand.  
- Do what he asks - He  
does not understand

can go to prison...

Some people want to talk.

No, do not talk to  
anyone about anything.

Attorney's order Dan  
shut his mouth.

- All right - all right

- Should we break?

- The rest?

- We'll talk later.

- Jorge

Barry, they do not know  
about your suitcase.

or the contents of aircraft, weapons.

They do not know everything.

We're safe

I can not finish this.

You will be punished for  
10 years to not speak.

That means 10 people are  
worried about talking.

But I do not open my mouth!

Talk to a lawyer.

Where are we going, man?

God!

I want family

We are Family!  
You are right We are family.  
- what's that - Inside  
is a passport...  
... first class tickets to  
Bora Bora and enough money.  
Enough to live comfortably.  
Log in to car...  
and go to Dallas airport  
Fort Worth Airport.  
You do not go anywhere  
You do not stop rubbing.

Hell, man!  
You and my fucking brother!

What if he talks?  
- He does not want to talk, Bill.  
- How do you know?  
I am very confident  
Good.  
I trust you for that.  
Good.  
In calendar year, will your operation

take 10,500 AK from Rus to Contras? Yes.

5000 of which fell into the hands of the Colombian cartel.

- Yes, but...

- From 916 Contras brings...

... in America for practice, only half of them...

... in Nicaragua, half...

Once again half...

What is wrong

Yes, we must return.

- Going home?

- Yeah.

- Do not you fight

- It's a reality.

There is no point in their weapons in Colombia.

Is that right, Barry?

So...

- Now what do we do?

- We will contact you

Did you contact me Schafer?

- Hey, Schafer - Who's Schafer?

You know the manufacturer, all the envelopes.

Put everything related to Barry Seal...

Come on, we have to hurry.

We have to take all of this.

- Pete. What, everything -

Come on, we gotta move this

Come on! Come on!

Put it in a bag, fast!

Supply order, aircraft invoice

- Let us work together. Clear everything

- God, look at all these weapons.

- We can not move - Where

do you want to put it?

Take it from me.

Anything with the word "Mena".

Fuel payments, notes, names, indications, photos...

... all things like that,

anything can connect with  
him, put in a bag...

- what is it - Burn it, burn it.
- Bob, I need help here - back
- I need help - okay

Wait! DEA!

- Get back from the truck, raise your hand
- Place the box!
- Show me your hand!
- Put the box!

ATF!

Drop your weapons!

- Hey! DEA!
- Drop your weapons!

Everything is quiet!

DEA, okay?

It's our business.

- Nonsense - No, no, no

Police! Why you guys...

... misery on my birthday?

do not move

FBI!

Hey, everyone.

How about my phone?

I am sorry,

the number you have dialed

does not work. Nonsense.

Please leave message

recording device.

Come on...!

You know who I am, Mr. Seal?

- Tell me - I'm Dennis Debora

Attorney, you are with DEA, ATF...

..FBI, in their catch list.

- good - Yes, you're involved  
in everything, are not you?

I mean, guns, drugs,

money laundering.

Arkansas State...

... will give you severe punishment, we  
will hold you in a small cell for life.

- Mom, that's a long time ago.

- Yeah.

Miss Sibota, the governor summoned.

He said it was important.

Reply.

Reply.

Connect, empty the camera.

Yes?

What do you need, Bill?

Luggage from an older Cadillac.

I will give each Cadillac.

- Will you do it for us all?

- Yes, sir I want to.

I'll give you all the Cadillacs.

- What do you want, seal?

- Shoot again? No, no, no.

Give your Cadillac a problem.

What's the problem, Seal?

Because he brought me here.

I'm gonna get out of here

And you can not do

anything for that.

Good.

Do it.

- Wait a minute.

- No, it works

- What do you mean, "can he go?"

- It might work

You should have

received a Cadillac.

See you soon, Seal.

Mom.

Nice to meet you

I am not lying.

No exaggeration, Schafer

knows this, does not he?

Who is Schafer?

All right, serious.

Who are you

I usually talk to you from the office

of the Western White House, but...

... tonight should we talk

about something special...

... and ask someone

who wants to join.

Where are we going...

Oh, I see.

Not long ago, I was asked that  
a bunch of kids do what...  
... will if they  
are offered drugs.  
And I replied, "Say no".  
Doctor, a lot of meaning.  
So we must be smarter  
and stronger than us.  
That's in your life.  
As for drugs and alcohol...  
... just say no  
Are you a pilot?  
- I'm driving the plane - me too  
National Guard  
from 1968 to 1969.  
Junior?  
All right, I see you, pilot?  
Good.  
Sandinista burns...  
... the American flag on the street.  
- Please.  
- No deal if you do not...  
... grab the Sandinista.  
Then we do nothing.  
Do not understand  
Can you think why I  
am not incarcerated?  
- This is disgusting.  
- To be honest, that's true.  
This guy is from DEA.  
And this is a colonel  
named Olie Nord.  
- He is the Reagan's messenger.  
- DEA just wants to complete...  
... the Medellin cartel.  
At the same time, the  
Northern Colonel wanted it  
to prove that Communists in Central  
America are involved in drug trafficking.  
- Let me repeat it, this is disgusting!  
- North Colonel wants to prove...  
... Communists are in  
circulation with drugs  
Why am I in this room?

Because I am a messenger.  
Do you want to continue?  
For my country  
We will win them!  
You will become a hero  
Good.  
They told me to go  
back in business,  
Now I work for the White House.  
You have three rooms.  
Every 50 images.  
You have it in your bag.  
Her room leads to a bag.  
There were two monkeys  
on each door.  
The room pointed to the door  
Each room has coordinates.  
Just press this button  
to take a picture.  
That is all  
Let's go  
I can see the coordinates.  
Yes.  
You can see the coordinates,  
which means I can see you.  
- We'll hide - I'm  
not a photographer.  
- Does your finger work?  
- Just press the button. Yes.  
When should I press the button?  
While staying here.  
Let me take a picture.  
Listen, then do we  
have that photo?  
Who will see it?  
This photo is worth noting.  
Should they be classified?  
They will be set at the  
highest level, Barry.  
- Dad!  
- complicated?  
We are aware of the  
dangers that will occur.  
Okay, I do.

You can go and spend the  
next 13 years in 11 prisons.

Come on Boss!

We must go!

I'll see you soon!

- Smile, Barry - Goodbye, Dad

There are soldiers there.

They will torture us.

They will release us from the tongue.

- That does not help, Pete.

- They will attract us...

... to be fodder I do not  
want to be food, Barry.

We can not panic!

Hello!

We take cocaine...

- Take a picture and get out of here

- We can not panic

Raise your hand!

No, no

Raise your hand!

What about the camera, Barry?

Hello.

Escobar, Ochoa.

Raise your hand!

Hey, hello.

Hello.

What is that

This is Escobar's stuff.

All.

Hey, Jorge!

Jorge, shit!

Come on.

A little help Shoot them.

- What?

- Shoot!

- what do you say - Shoot!

- Shoot!

- No, no

You bastards

- They're my friends - Ochoa!

Sir.

Why are you calling me

I'm here, sir

- what for?  
- Shut up.  
[INGUSSIBLE]  
What is shaking?  
She gets wet.  
You succeeded in deceiving me, okay.  
What happened  
I saved you, Barry!  
- I saved you -  
Remember that Yes.  
Remember.  
Come here, Barry.  
Hey, Jorge.  
Let's take him with Pablo.  
- Is Pablo here?  
- Yes, it's paranoid.  
- He thought everyone caught him.  
- Hi, Pablo.  
let's do it  
let's do it  
What?

**OK:**

All right, Barry?  
Let me see  
I am here  
I am here  
And I brought you to Harley.  
Are we still friends?  
That is good  
What you do there,  
you really cheat me.  
- Are we still friends?  
- I'll take you back  
What did he say? He wants to  
meet him at Pablo. Which says...  
Jorge...  
Look at this, mate.  
We will make history.  
- Seal Barry He's a genius!  
- Yes!  
There seems to be no murder  
that Sandisnitas does not have.  
This is a criminal regime.

Even Sandisnistas is involved in  
international drug trafficking.  
I know every parent in America who  
is worried about a cruel drug.  
As soon as Nicaraguan  
government officials know,  
They are also involved  
in drug trafficking.  
This photo was taken secretly  
at an air base outside Managua.  
Show Federico Voun,  
the main advocate for one of  
nine commanders in Nicaragua.  
Shit!  
Loading drugs on  
board to America.  
That bastard!  
That's your face, Barry!  
- This is a dirty regime!  
- Oh, my God  
It betrays us.  
Pablo, we must face  
it immediately.  
Pablo, if we do not take care of  
clients, others will accept it.  
I'm sorry, Barry.  
- North acts quickly.  
- You just make the boys in trouble.  
We're all in trouble.  
Photos can not be circulated.  
Not before you catch  
the Colombians.  
- They'll hunt you - Barry...  
... You know the risks  
when you're shooting.  
You know what you do.  
Barry?  
Barry, are you there  
Let's buy ice cream.  
The FBI will take everything.  
When I come...  
... you wear all the gems.  
Do you understand All songs.  
Bracelet.

And the necklace.  
Because if you wear them, I  
can not take them from me.  
Do you understand  
That's a guarantee for you  
Children, do you understand?  
Yes. Okay, do not forget,  
all will, all right.  
- Everything will be fine, I love you  
- I love you  
As expected, they came.  
They took everything.  
Hey, Luce, baby  
I think...  
... maybe you want to  
go back to Baton Rouge.  
Nothing in the drawer.  
Check the lid box, third  
holder at the bottom.  
You're happy there  
How about you  
I mean, I...  
I...  
Looking around...  
If I run...  
They will also catch the children.  
That's what happened.  
But in Rouge, you're safe.  
No.  
No, I'm not going anywhere.  
We are family, we live together.  
- I know, but...  
- I do not want  
Honey, do not do this now  
- Honey, do not do this now  
- No, sir, I'm sorry, sir.  
Excuse him for wearing it.  
Luce, stop, you know...  
- sorry, hey - Can  
you take a moment?  
Can you take a  
minute with my wife?  
This is a tough day.  
- All right, Barry.

- Yeah.  
You have a minute  
All right, Luce?  
- Honey, listen to me  
- Give it time.  
Okay, get out.  
I'm going to jail.  
I'll be in prison...  
... briefly.  
I'll be fine there.  
And we'll take care of everything.  
But I need to know that you will be safe.  
Everything will be alright.  
Trust me.  
You believe me, do not you?  
There is no!  
Good.  
Finally, Luce and the children  
moved to Baton Rouge.  
Where can we fight drugs?  
If the defeated enemy can be  
protected by the parties.  
Prosecutor.  
She never gave up...  
... wrong operation  
is in process.  
Defendant, please pick up.  
- Barry Seal - Honor you  
You are sentenced to a thousand  
hours of communication.  
You can go  
- This is nonsense. Hold your mouth, Mom.  
- He's a drug dealer.  
- Evidence D!  
- The Seal Master Plan...  
- I'm sick of this nonsense  
- Shut up!  
So can I go?  
- now - Arkansas State speaks...  
Mr. Seal.  
- Do I have to go?  
- See you later  
They stopped in the west.  
All right, see you later.

Hey.

I like to go before I think.

Maybe...

Maybe I should have  
asked for more.

Excuse me, sir, madam?

Can you stay away?

I want to start...

... my car!

Yes, I really appreciate it.

thanks.

You locked my car.

I appreciate.

I spend every day  
at various motels.

Get out of there

thanks.

A different motel.

Every day

For the safety of children.

thanks.

But I have to come to  
the military house,  
every afternoon  
at the same time.

The order of the judge

Same time, same place.

I'm sorry, what's your name, sir?

- Louis.

- Louis? Barry Seal

- Nice to meet you, -

Nice to meet you.

Sign here

- 120 days indoors.

- this

- Better move the truck.

- Conrtas is happy to be here.

Hi, Barry.

When did you invite me to fly?

- Thank you, Barry.

- Do not tell me what I give you

Day 36.

Actually, I helped  
set up an army.

Defend a country.  
And he created the biggest  
drug cartel ever.  
DEA.  
CIA, the White House.  
This is a great adventure.  
More than I expected.  
I mean...  
... the largest country in...  
Let's face it.  
Trusted authorities have  
involved Barry Seal...  
... driven by drug cartels.  
You lied to me  
They carry uranium from the Contras.  
"Schafer" was promoted  
After being released,  
Pete is not against God  
and became a pastor in Alabama.  
Other pilots are  
no longer visible  
The CIA continues to use  
Barry Air Force Contrast.  
Shit!  
Come on! Laugh!  
Until one of them was  
shot in Nicaragua  
The case in which he was released is  
known in the Iran-Contras scandal  
Mr President, what do you know  
about funding for Contras?  
All I know is that he will taste  
delicious and can not wait for tomorrow.  
Vice President Bush, Do You Know  
About Removing Cons or Not?  
Luci and the kids will  
return to Louisiana  
Here is your command  
thanks.
