Jim, what happens?

Sorry about that.

Can you explain.

Last night I met Kara,

Our neighbor the ...

... And was too drunk to

lead, so I went to my house.

Then started off his

clothes and touch me to ...

Well, I know that does not sound right,

but nothing happened, okay?

- I do not care at all this.

- Thank you ... much.

No, no, no.

Kara, wait, I did not mean that ...

Wait, Michelle. Is not

what do you think, okay?

I swear that I tried

to do the right thing and ...

You must believe me.

Michelle, please.

Not if you believe you or not.

I'm disappointed.

I'll stay in my grandmother.

- Michelle, wait a minute ...

- Jim.

- Ended the fight, children.

- It came about it.

We were on the stolen machine.

Paul Finch was arrested.

- Excellent!

- Sorry, organ.

He won the machine,

betting that

Argentina will take

the World Cup.

- I think you are wrong.

- Paul, what happens?

- What?

- Paul?

- Finch, just tell them it!

- Paul!

Once in the cell game

Tonight, think Kevin!

Michelle, I just

to ... please!

Dad?

- Dad? Dad, what are you doing?

- I do not seen!

I'm here.

I'm not here!

- Is it good?

- I do not know.

- What will we do with Finch?

- Finch Fuck him!

Ashton to pass the
night in jail.

Come now, Stifler.

- What a good friend you are.

- I? But you?

Not my call.

I do not send e-mails.

Not commented on

My page on Facebook.

I do not even told how to
come back for mating!

Because we knew, how
somehow ...

You will find ... somehow
to destroy everything.

Sorry, Jim.

I wanted to have fun this
Sat / kitchen, as we did in high school.

Yes, but we are not
in high school anymore.

You're trapped
in the past.

When you realize that
things is not like it used?

All right.

I guess the party is over.

Assholes.

The party was awesome!

I think a lot of fun.

Well, at least
one of us entertained.

- Nothing new from Michelle?

- No.

- He does not want to talk to me.

- What about coming together tonight?

He said he might come,

but maybe not.

What happens between you? Jim,

is something you want to talk?

All right.

How often do you and mom ...

- You know ...

- This is the problem?

- You and Michelle, you have not ...

- Not lately.

No.

There is an erection problem?

Because sometimes, you

to gain a little time ...

- ... with the thumb of the hand.

- God.

- Just say. Well, is not it?

- No, no, that is.

Then it is good to have you in mind

you, because it never fails.

All right. No, things

in this section are good.

But since Evan was born,

moved away somewhat.

And since then

we found at all.

All right.

This is not a problem.

So do not worry.

- The know?

- Yes. Listen to me, Jim.

Before you were born, we did

with your mother every day.

No need to tell me that.

Sometimes even

and two or three times a day.

You know what happened

the 70s,

where many were

experiments.

Your mother liked to

says:

And that's something ...
No.
Sorry, but no need ...
I understand.
You do not want to go.
Yes, you do not need.
The point is that when you child
become a dad and mom.
But it is very important to
not cease to be spouses.
If you do this,
will come and sex.
This actually has a lot of sense.
Can not wait
until you find yourself alone.
We should make
free time.
Why do you think were going to
Jewish school 3 times a week?
Sundays until 15:00.

Thursdays, 16:

- Okay, I understand.
- Then why do you ask?
You know what you'll do fine.
Sorry to talk to you.
No, I exaggerate.
I'm sorry.
Just ...
... Thank you again.
Frankly I say.
Whenever you want.
Welcome, folks.
You will find tags
with your names.
Enjoy all.
- Ashley, good to see.
- Hey!
My God, Billy.
You look incredible.
Old was like a whale.
Bis, worried.
- Hello, children.
- Hey, Jim.

- Children. Where is A?
- He left this morning.
- Sorry.
- The Michelle?
- Not sure yet?
- Finch?

What happened? I called the department over a thousand times.

I appreciate this a lot, Kevin.

But basically, the mother

I paid the guarantee.

Children, Fuck you.

The machine belonged to my boss.

I had promised to increase

but when I gave ...

So

Simply ... I borrowed.

The truth is that my life

not at all interesting.

I am an assistant director in

Staples / Beyond, in New Jersey.

I lied to the best

My friends and I apologize.

You know, Finch, because you lost all

and you got a boring job ...

Like all of us ... does not mean

that we should feel shame.

- Yes, it does not count any of that.

- Yes.

This means a lot

for me, gentlemen.

What happened to your arm?

Spilled hot coffee on

my time driving.

Hurt too much though!

- Yes.

- Geez, Finch.

See a child here.

So crazy?

Look.

Many memories.

Steve Stifler.

I wish to continue partaroume

with these children.

He showed no sign yet?
I do not occur.
Stifler.
How you found?
We asked your mom.
No, no, I did nothing.
I wanted to apologize.
What we said yesterday
night, do not we meant.
But. And I understand why.
You think I'm an asshole.
All right. In a
how are you little jerk.
But you're funny asshole.
But it ceases to be a jerk.
Yeah dude ...
Were you of the reasons
high school was gamato.
Yes ...
Was in high school fucks.
Yes, it was.
But since the end ...
All began ... to find work,
be married to have children ...
... And other such bullshit.
Look at me now.
I'm the bitch that
Here's part.
Stifler is not
none of us perfect life.
Especially my own.
What do you say to keep the party
and go to intercourse?
Together.
What the hell
going on here? God.
This is the asshole.
You're not even close
to finish
your job ...
Hang out ... and here
talk to your buddies?
Sorry, but
can not explain.

No, Kevin!

- Allow me.

- Yes, Kevin, let's.

I hope you got good
excuse Safler.

Stifler my name, motherfucker!

Who the hell
think you are?

You're the dude
in front of your girlfriend?

Because we both know that
be with you for your money.

Definitely not your dick.

As anyone who has
pee next to you ...

Know ... it's like
little finger of a dwarf.

- This ... not true.

- It is not true ...

Yes it is!

Because you have a luxurious office,
I even chair ...

This does not change ...
they really are.

The truth is that
're still nerd ...

That ... and I can still
to break into the wood.

But I will not do
and you know why?

Because I am
Stifmaister fucking!

You can get
this work and
to put in

Because I have a
Bringing to run!

Incidentally, there
I had a clue what I did here ...

So ... has very

- Surprise.

- You did it!
Of course yes!
How about the Panatha
this year? I get it?
If you make the attack
them something to do.
We go back to "Dancing
With The Stars " ;
I have not thought at all.
But it should!
Sorry, guys, but
have to forgive me.
Can I interrupt?
I do not know. Promise that
will not get undressed?
D Come to tease.
So?
Yes, of course.
- I'm going to get drinks.
- Okay.
- Hello.
- Hello.
How not to dance

Me and A, we are done.
He wanted to be someone else.
Someone who did not want to be.
