# Army

By Sanjeev Duggal

1

Till when will we have to  
stay here, brother Khan?  
Till things don't cool down.  
What?!

Keep brushing your moustache  
with coal, it will grow.

Kartar, I feel  
suffocated over here.

Don't worry.

We'll escape as soon as it is dark.

As it is, we have to leave  
this city anyhow today.

Kishan, where are you going?

I want to enjoy the  
freedom outside.

Kishan, you will  
not open that door!

We are badly trapped, brother Khan!

- What happened?

- The cops have surrounded us!

Kabir, it's the cops!

- Let's get out of here.

- Yes, run.

I am very disappointed, Ranbir.

And I am astonished.

It's the first time that someone  
has escaped from your prison.

And that too, not one  
but five prisoners.

Well done!

You have achieved the impossible.

For the first time in life,  
without my permission...

. Somebody has managed  
to go out of the prison.

Had we taken your permission  
would you've allowed us to go?

No! It wasn't my  
idea... They told me.

Henceforth, not only you will  
stop thinking about escaping...

No prisoner will ever  
dare to think about escaping.

Inspite of being the  
public prosecutor...  
What prompted you to  
resign all of a sudden?  
You did not answer us.  
Have you resigned...  
Because you lost  
that case of homicide?  
Madam, please answer our questions.  
You are wasting my  
time along with yours.  
I am not interested in  
answering any questions.  
I wanted to resign and  
I've done so... That's all.  
What did the doctor say?  
He wants Gayatri to be put in a  
mental asylum for a few days.  
That won't be necessary,  
we can take care of her at home.  
Of course we can... You've ample  
time now that you've resigned.  
I had never contemplated, Geeta.  
Someday you, a devotee of law,  
will consider it your enemy.  
Who made this devotee  
of the law, its enemy?  
You know the answer...  
The law itself is responsible.  
NO!... Save me!  
I am being hanged.  
I am dead.  
I don't want to die, I want to live.  
I am being hanged.  
- What's wrong with you, Kishan?  
- I am being hanged... Help!  
Hey, get hold of yourself, Kishan.  
I was dreaming.  
I am alive!  
The rascal is always crying.  
If you are to be hanged  
then you will be hanged.  
Stop dreaming about it  
28 times in 24 hours.

It seems the cops have falsely implicated them in a case.  
These eunuchs don't seem to be capable of murdering somebody.  
- You dare call us eunuchs!  
- No, Kevin, don't.  
Let go of me!  
I will teach him a lesson.  
I will kill the scoundrel!  
Listen jerk, they didn't kill their wife's lover like you did.  
Do you know why they killed him? Tell him.  
The three of us are orphans belonging to different religions  
We grew up together.  
We shared whatever food we got.  
And do you know what accusations were made against us?  
That we were responsible for the religious riots in our territory.  
We saw devastation all around us.  
We saw huts being burnt.  
We saw tears.  
Widowed women, orphaned children  
Can you see that?... You can't!  
The woman whom we used to call mother...  
Had committed suicide.  
Because She was raped!  
That's when we decided...  
That we'll kill the man clad in white whom you call leader.  
We killed him, we cut him to pieces!  
Were we wrong?  
Speak up!  
Is it a sin to cleanse society?  
If it's a sin then yes,  
we are guilty, we are criminals.  
Till such a leader is not killed during these riots.  
These riots will not stop.  
These riots will happen forever!

Rubbing out these lines on the  
wall won't change your fate.  
And counting days  
won't increase them.  
The 1st of January will  
come when it's supposed to.  
Neither a day earlier,  
nor a day later.  
I don't want to die now.  
I don't want to die... Why now?  
I don't want to die, ever.  
I don't want to die!  
We have hardly seen  
anything in life.  
You are right.  
We have just come of age...  
and are about to die.  
Do something, brother Kabir.  
- Atleast you do something, please!  
- Hey Kishan.  
I am as helpless  
as you are, get it?  
Just think.  
If I could | I've done something,  
I wouldn't be sitting here.  
The jailer has taken strict  
security precautions.  
He has strengthened every  
wall and door of this prison.  
It's not only difficult,  
it's impossible get out of here.  
But I can make the  
impossible... possible!  
Because doors of iron may  
not break by sheer strength.  
But can surely be opened  
by using a bit of wit.  
I will save you from death  
and give you a new lease of life.  
But, in return, you  
will have to do my work.  
I am not obliging you in any way.  
I am helping you because  
I need your help.

Consider it to be a deal.  
Of your helplessness and my need.  
Can I know why you  
need... convicts like us?  
I will let you know that  
when the time is ripe.  
Right now I will tell you that.  
On every 2nd October, there's  
a celebration in this prison.  
This year, it will be  
your last day in prison.  
"Wide streets are absent"  
"Away from the  
tumult of daily life"  
"Nor are there any skyscrapers."  
"No arguments or fights"  
"There's so much of silence here"  
"No riots or fights here"  
"People may call it a jail  
but we are happy here"  
"Come on, give me a hand"  
"People laugh at us"  
"They don't value our words either"  
"Nobody knows what brought us here"  
"We need money to survive"  
"We need money to  
keep ourselves alive."  
"For a job, the  
government demands money"  
"Even you friends need money"  
"The constable demands  
money if we drive the taxi"  
"At home, your family  
needs the money"  
"I don't have an account  
in any of the banks"  
"Neither does anyone  
give you food in charity"  
"We would say, life is  
better inside this jail."  
"Here our life is just  
devoid of tensions"  
"Everybody gets a job here  
even without a degree"

"So do we get the money  
as soon as we do the work"  
"So do we get the food on time"  
"Everyone gets an equal share here"  
"Neither do we have to pay  
the rent for the rooms"  
"Everybody finds a friend here"  
"Today is an auspicious day"  
"There's a need for people  
like you in the outside world"  
"Go and convince  
the people outside"  
"Teach them how to lead their life"  
"The one who goes out  
will repent for life"  
"There's just hatred out there"

Kishan!... Let's go get him.

- Where's he? There he is.

- Over here.

Why did you eat the sweets, Kishan?

- Lift him up.

- Come out I will..

- I want more sweets.

- I will give you sweets too.

- 'Give me a clap'

- I will give you a clap too.

I will give you a clap.

Inspector, not a single car  
should pass unchecked, get it?

Open the gate first.

Constable, open the gate.

What! They are in a police jeep.

Constable, get the  
car, follow them!

After so many days,  
for the first time...

All of us can breathe freely.

God forbid that jailer should  
never be able to catch us again.

You are right... If the  
jailer doesn't catch us.

With God's grace we can live a  
pleasant life, right friend?

Come along, Kishan.

This is the perfect place  
to hide from the cops.  
Nobody frequents this  
place even during daytime.  
The locals say that this  
place is haunted by ghosts.  
Haunted by ghosts!  
I am very scared of ghosts.  
In this world, no ghost,  
no wild animal...  
Is more dangerous  
than the social animal, man.  
Only human beings cause  
loss and suffering.  
That is your room.  
I've made arrangements  
for your food and drink.  
You just have to cook it yourself.  
One more thing. I've got everything  
I might need in my room.  
You need not worry about me.  
Does this not look like a set  
from the movie 'Bees Saal Baad'?  
I just can't understand.  
What's the big secret?  
Why has she brought us here?  
Please explain it, brother Khan.  
She wants to put up a  
factory to make peppermint?  
What was that?  
A peppermint factory!  
What' | | we do in a  
peppermint factory?  
You fool.  
The woman who has taken...  
such a big risk  
and brought us here.  
This place, the food.. Remember  
the car hidden in the shrubs?  
She's planning something big  
and it isn't very simple.  
I think she has saved  
us from being hanged.  
So that she can get us

killed in this open air.

- You are right, Kabir.

- Get up.

I think she has planned  
something dangerous for us.

She has planned  
something... Not us.

Who's that in my truck?

Chotu, check who's there in the truck!

Hey... Stop!

- Somebody took our loaded truck.

- Where have they gone?

- What's this, Kabir?

- Grenades, Kishan!

Open the other box, check it out.

These boxes contain the  
solution to all our troubles.

This gun, so many grenades!

Nobody can touch us now.

Stop talking rubbish.

If the terrorist to whom  
this truck belongs...

finds out what you are doing,  
then we have had it.

You are right, Kevin.

If we fall into the  
hands of terrorists.

While trying to escape from the  
cops. We will be in deep trouble.

Don't shoot!

Run Kishan!

Jump!

Come... Hurry up!

Check everywhere.

They have escaped...

Let's take the truck back.

So you've returned.

Do you think that

because you've escaped...

you've left death far behind?

Perhaps you don't realise that...

Death still looms

large over your head.

There are only two ways

to escape from here.  
One road leads to prison.  
Where the cops are searching  
for you like hunting dogs.  
And the other road leads to death.  
There's so much illegal  
activity going on here.  
That a stranger is shot at sight.  
If you desert me.  
Then life will desert you.  
I freed you from prison  
and brought you here...  
.80 that I can achieve my goal.  
I promise you.  
After I've reached my goal I'll  
see to it that you are set free.  
Give me that gun.  
We will need it in near future.  
By agreeing to an  
engagement, immediately.  
You've won the game of marriage.  
I can't help it. I pity my brother's  
plight as well as yours.  
You can wed my brother only  
after I've married your brother?  
Shut-up.  
I am telling you, forget  
social work and get married.  
Else you will remain a  
spinster all your life.  
I want to get married.  
I am just waiting for...  
that dam to be built  
in Dhanakpur village.  
The work which I've undertaken  
should be completed.  
Stop talking now and come  
out the guests are waiting.  
I can understand why you are  
hastening things, brother.  
But... Atleast let me get dressed.  
No. I am asking you to hurry up as  
the guests are waiting for you.  
So that was the only

reason why you came here?

Yes.

No... Besides that

I also came here.

To check whether the Major has  
come hereto meet my sister.

I was under the impression that  
military men are very punctual.

What's the time?

Where's the major?

What happened to Arjun?

What's wrong with the Major?

- Get the doctor... hurry!

- What happened, brother?

Tell me, brother... Blood!

How did this happen?

- Talk to me, brother!

- Gayatri... My sister.

Ramdheen, get the car. Come.

- Come, let's go to the hospital.

- No... No, Jailer.

It's too late now.

Come here.

Geeta, who can change destiny?

Stop hitting somebody

who's already dead.

Major Arjun's won't die that easily.

I am a gallant man.

And the gallant will

take the bride with him.

Come... Come into my arms.

I am feeling cold.

Arjun, how did you become

a major in the army?

You would be better

off in the theater.

Forgive me, Gayatri.

I beg your forgiveness, Geeta.

I bow to you.

Please forgive me, Geeta.

I couldn't help it.

I would've come on time but

some terrorists confronted me.

And I knew that all of you will

be very upset because I am late.  
Soto reduce your anger  
I enacted this scene.  
Please forgive me.  
Look, everybody is watching us.  
Let's get on with the  
engagement formalities.  
If you ever play such a joke again,  
I will never speak to you.  
Why are you staring at  
the ring repeatedly?  
I am feeling proud of my fate.  
That I am engaged to a sensuous  
and beautiful girl.  
Arjun please speak quietly.  
Why should I speak quietly?  
I am not a Parsee.  
Do you consider us  
Parsees to be cowards?  
Can't you see I am  
the father of three!  
He's telling the truth,  
you are scared of mom.  
I am afraid during the night,  
not during daytime.  
I just can't understand how I  
landed up with somebody like you!  
That's because you are lucky.  
The thing is that there are  
very few valiant men like me.  
Look at that, praising  
your own self!  
I will get it done by others.  
Why don't we ask the people here?  
Everybody is here, we'll ask them.  
My fiancée wants to know  
whether I am handsome or not.  
You are very handsome indeed.  
Did you see that? We will ask him too.  
Please tell her.  
You get drunk after having  
only a glass of beer.  
It's your beauty  
which intoxicates me.

Stop trying to be too romantic.  
Take your seat.  
TryingH am a passionate man.  
I've been romantic since childhood.  
And remember, I'll sing this  
song for you when I am eighty.  
Sing with me.  
Why are you feeling shy?  
You are beautiful indeed.  
As they say in Punjabi.  
What do they say, sir?  
- A beautiful babe!  
- Right on! Beautiful babe.  
'I am a crazy boy and you,  
my beautiful babe'  
"I am a crazy boy and you  
are my beautiful babe"  
"O my love, don't  
steal my heart so"  
"Why do you stop me on my way?"  
"And tell me why  
you are so stubborn?"  
"Why do you always follow me?"  
"You are crazy.  
You make life difficult for me."  
"How gracefully you walk?"  
"Your beauty makes people crazy"  
"And your intoxicating eyes"  
"She seems to be so  
innocent at times"  
"I've never ever seen  
such a crazy man"  
"Who makes a blunder  
every other time"  
"He's unaware of my desires"  
"He never listens to me"  
"He teases me on the roads  
on some or the other pretext"  
"Oh...she's such a sweet girl"  
"How long will you  
remain a spinster?"  
"I'll come as your groom"  
"I'll make you my bride"  
"I'm all yours, O my love"

"I'll be the woman of your dreams"

"Don't be in a hurry.

Don't be so restless"

"I have to spend my  
whole life with you"

- What's this? Let me go.

- I have married you.

You aren't the first man in  
this world to get married.

So what if I am not the first,  
this is my first marriage.

Leave me, let me get dressed.

Why? Where are you going?

I ain't going anywhere,  
someone is coming.

- Who is coming?

- Why should I tell you?

- Who is coming?

- Somebody my own.

Your own! Who's it?

Someone whom I've  
started loving a lot.

Loving! Who's it, Geeta?

The one whose fragrance  
has filled me.

Is this some kind of a joke?

And what if I tell you  
that it's not a joke?

Then I want to know who it is.

I won't tell you.

- Tell me.

- Shall I tell you?

Yes.

What?... No.

- Really?

- Yes.

Let me see.

Is it true, Geeta?

Let's try once more,  
we might get twins.

Hail Lord Shiva!

May you live long.

May you prosper.

- Bless me, Uncle.

- May you live long, Rahul.

Come.

- My greetings, sir.

- Hail Lord Shiva.

Mr. Nagraj, My son is very sick.

The doctor advised me to take  
him to the city for treatment.

Rahul, give him ten  
thousand rupees.

Something was wrong with  
the roof of your house.

Has it been repaired?

Who can tamper with those  
who are protected by you.

Your men came and repaired it.

If we did not have a generous  
man like you in this village.

Then who knows what our  
plight would've been.

Look Bheema, I am not God.

I am an ordinary man like you.

All this is by the  
grace of Lord Shiva.

He's the one who gives,  
I just distribute it.

You aren't that generous with me.

If I could get some finance.

I'd convert my small  
hotel into a bigger one.

This small hotel of yours is  
not a hotel, it's a tavern.

The smaller it remains the better.

Don't hesitate to come when  
your daughter is to be married.

I will send her off  
as a father does.

You will have to do the same  
for this child too, sir.

She has grown-up... I was  
thinking of getting her married.

That's my problem you  
shouldn't worry about it.

Just find a suitable match and  
start preparing for the marriage.

- Yes Sir.  
- Rahul. - Yes, Uncle.  
Rahul, give him twenty  
thousand rupees.  
Take this.  
What's the matter?  
I don't see you around nowadays.  
Come soon, RahuL.  
I've to go to the neighbouring  
village for prayers.  
I am coming.  
Take this.  
Hail Nagraj!  
I hope you had no  
trouble in getting here.  
Nothing untoward happened.  
Rahul, show them the sample.  
Take a look.  
How many of these  
guns can you supply?  
He's the top supplier of arms  
in the international market.  
If he wants, he can give  
a weapon to every one.  
You may deposit the advance.  
You'll get the goods  
by day after tomorrow.  
Pancham, did you get any  
information about the boys...  
Who tried to hijack our truck?  
No, I think they were some small  
time crooks. They escaped.  
All this happened because  
of the truck driver.  
I was bringing him to you.  
But fearing your wrath he  
shot himself on the way.  
And you came to me alive.  
To get the goods to  
the warehouse safely  
was your responsibility,  
not the truck driver's.  
I pay you such a  
big salary for it.

I've made a lot of sacrifices  
to make this place my fort.  
And those who make mistakes  
have to pay the penalty too  
Pancham, get the corpse thrown  
to the other side of the border.  
Rahul, you have to  
go to the airport.  
- Will you not ask why?  
- Why?  
Bobby is returning  
from America today.  
Hey you monkey!  
What pleasure will you get  
from staring at me? Get lost.  
Brother monkey, I was just joking.  
Did I hurt you?  
I just played a joke on you and  
you are playing with my honour.  
Please forgive me.  
Give me my clothes please.  
NO!... Give me my clothes.  
Where are you going?  
I will feed you a dozen bananas.  
How dare you remove the  
scarf from her head!  
It's not out of courage or heroics,  
I did it under duress.  
You will become helpless when  
Nagraj breaks your limbs.  
Take him away.  
Where are you taking me?  
Let me go!  
Do you recognise me, Madam?  
Please save me.  
- Who's this reprobate?  
- Dad...  
He's the one who  
removed Bobby's scarf.  
I did not do it intentionally.  
Sir, I think you are the  
most benign man here.  
Before that butcher,  
Nagraj, cuts me to pieces.

Please save me from that demon.  
I beg of you.  
Please save me.  
Break his limbs and throw  
him out of the palace.  
Yes my boy... I am Nagraj.  
Take his full name.  
Take him away.  
This is injustice, it's atrocious!  
Will you break my  
limbs for a scarf?  
Madam, please tell them not to.  
What are you doing, Dad?  
The position he was in at that  
time, he had no other option.  
Don't break my limbs.  
Please let him go, dad.  
I will leave him  
because you say so.  
Let him go.  
Then what happened?  
What happened! Both of us  
were staring at each other.  
She came near me and said.  
Stop bluffing.  
I ain't lying.  
They were throwing me.  
I mean... They were  
throwing me on that girl.  
I was tried to get up but they  
forced me to sit near her.  
I got bugged... I  
was about to leave.  
Where are you going?  
What happened next?  
- Do you know what happened?  
- What?  
That girl, in her house,  
in front of her dad.  
Gave me her scarf as  
a token of her love.  
This is that scarf!  
All that's fine but  
where's her house?

- What was that?

- Her house.

Follow me.

House... Come here, Kartar.

Coming.

Call it a mansion... A palace!

- Do you want to see it?

- Yes.

Look there.

One day the four of you  
will come to meet me there.

My life is well set now.

Kishanl... You will never  
go towards that mansion.

Why not?

That foundation of that mansion  
is laid on the corpses of the poor.

That isn't light,  
it's the blood of the poor.

You will never go towards  
that mansion again.

Never... Remember.

WOW!

What a girl!

Brother monkey, will you stop  
eating bananas and help me?

Look, it's not very difficult.

Just as you stole Kishan's  
clothes yesterday.

Similarly, you've to  
steal her clothes today.

You steal her clothes  
and I will get mad at you.

I mean I will act like I am mad at you.

Don't get upset.

I will get what I want.

And I will pray to God that you  
find a sweet and beautiful mate.

He seems to like the idea!

My clothes, hey you monkey!

My clothes!

Where are you going? Stop!

StOp!... Where are you going?

Although a monkey,

you do the work of humans!  
Stealing the clothes of an innocent girl!  
Give it to me.  
You dare tease the girls of  
the village while I am around!  
Here you are, wear your clothes.  
I will tie this sari here.  
You may change over here while  
I take care of the monkey.  
Is that okay?  
I have never seen you  
in the village before.  
Are you a foreigner?  
Yes I am... I had  
come for an outing.  
But now I am planning  
to settle here.  
Why?  
Because this village  
is very beautiful.  
And the people here are  
even more beautiful.  
Come... I will accompany  
you to your house.  
No, if someone sees us together  
people will start gossiping.  
And my dad might even shoot you.  
What if I went and asked  
for your hand in matrimony?  
I will surely make you mine.  
I like your family very much.  
As all of us are present why  
don't we finalise something.  
Isn't it, Reeta?  
- Who's it now?  
- Go and see.  
- Who are you?  
- DhanajiRa0 BhikajiRa0 Patil.  
But who are you?  
Me!... Don't you recognise me?  
I am Kevin's father.  
Doesn't even recognise  
the father!  
It's you, Saku!

My lord!  
O God you are still alive!  
And did you think that  
I had gone to hell?  
- What are you saying?  
- That's why you got married again.  
Isn't it?  
What can I say?  
We got separated because of  
the cyclone twenty years ago.  
I was left all alone and  
I was carrying your child.  
To nurture whom god gave  
me a husband like James.  
Because of him I got respect in  
society, he gave me his love.  
He took great care of me.  
If it wasn't for  
him I would be on...  
...the streets along  
with your child.  
Hey Sakubai... Queen of Kolhapur.  
That's enough.  
You thought you could fool  
me once again, did you?  
What do you mean, Pascal?  
Take this, hold it.  
What are you doing?  
Can't you handle one orange?  
How will I get married now?  
A gun!  
Speak up now!  
This is a gun, it's  
not meant for kids.  
If it goes off it can  
make a hole in your head.  
I intend to make a hole in  
a head, not in an orange.  
Drop it quietly.  
The thing is that our friend  
loves your daughter.  
We don't want you to create  
trouble, get it? Let's go.  
Here are your grapes.

This wasn't my idea.  
Please forgive me.  
That's strange!  
They came to ask for my daughter's hand  
and they intimidate me too.  
Brother, I am writing this  
letter to you because...  
The festival of 'Rakhi' is near.  
I know that you must  
be very cross with me.  
Perhaps you may not  
accept my 'Rakhi'  
But you are aware.  
What prompted me to help  
your five prisoners flee.  
But I promise you that...  
If I am alive after  
mission is successful.  
Then I will surely hand  
myself over to the cops.  
Your unfortunate sister, Geeta.  
Where have these fellows gone?  
This file contains  
sufficient evidence.  
To prove that your sister  
helped those prisoners flee.  
And you helped her in it.  
Jailer Raghuveer,  
you aren't fit  
to hold this  
responsible post any longer.  
What are you doing here?  
Get lost!  
I am not going to fall for  
your tricks like those two.  
Get lost or I will bash you up.  
Help!  
So that's it.  
Some girl seems to be in trouble.  
You scoundrel!  
Leave her alone.  
I said leave her alone!  
Who the hell are you?  
Get lost... Don't you know me?

You don't know who I am!  
I am not interested in  
knowing who you are.  
Thanks a million.  
You came in time or else.  
You were fortunate,  
therefore I came.  
Else I had no plans to help you.  
- Then why did you?  
- I may be malevolent.  
But still I can't bear to  
see injustice being done.  
Who says that you are bad?  
For me, you are no less than god.  
"Somethings begun to  
happen in my heart"  
"Let it happen"  
"I've begun to lose my composure"  
"Let it go"  
"My youth has filled with love"  
"Everything seems so beautiful"  
"The cold winds sent a  
wave of heat through me"  
"O this romantic weather!"  
"Somethings begun to happen..."  
"I am your lover,  
you are my beloved"  
"I will roam the streets  
as your lover dazed"  
"Where can one find  
such a crazed lover"  
"Put sense into him,  
he may go crazy"  
"I will do whatever you say"  
"I can even give my life for you"  
"This is the moment of consent"  
"Somethings begun to happen..."  
"I am star number one,  
why do you consider me zero"  
"You are my heroine,  
I am your hero"  
"Stop being obsessed about films"  
"Neither am I an actress,  
nor are you an actor"

"My destiny will shine the day  
I meet a film producer"  
"I assure you that, my beloved"  
"Somethings begun to happen..."  
"I'll hold you in my eyes,  
like my kohl"  
"I will keep you close to  
my body, like my clothes"  
"These magical eyes,  
this beautiful face"  
"I don't like this  
distance between us"  
"I love your romantic talks"  
"How do I spend my nights alone"  
"Please take me in your arms"  
"Somethings begun to happen..."  
What's the matter?  
You are partying during the day?  
Our friend, Kartar was  
planning to leave us.  
But he won't now, that's why.  
Take this.  
Hey, what's all this?  
You have returned back to my pub.  
You snatched my gun  
that day, but today..  
Pascal, we are not here with  
a proposal today, get it?  
We are hereto have a few drinks  
and we will pay cash, get it?  
Cash!... You will pay  
me cash, will you now?  
You don't need to  
pay me cash today.  
Today all the drinks  
are on the house.  
So that everybody drinks  
throughout the year.  
And thus I get all their cash.  
Therefore I forgive my  
enemies too on this day.  
- You mean, you've forgiven me too.  
- Yes.  
You mean you accept our proposal

But why is this day special?  
What a stupid question!  
Today is the first day of the year.  
- Is it?  
- It's the 1st of January.  
Keep drinking, you don't  
know anything about time.  
The 1st of January!  
Yes, the day we were  
supposed to be hanged!  
What would have happened  
if we had been there today?  
Nothing... We would've  
been drinking in heaven.  
That's fine but... Our  
life would've ended.  
You are right, Kevin.  
We should be grateful to Geeta.  
From today, as long as we live,  
we should be grateful to her.  
Gratitude!  
But I won't give you a chance to  
repay this debt of gratitude.  
Beware!... Nobody  
should try to escape.  
Did you think that  
I will let you go?  
I would've come to get you  
even if you had hidden in hell.  
The uniform which was my pride.  
Which meant more to me than life.  
I had to remove it because  
the five of you fled.  
And now I will wear it  
only after you are hanged.  
Sir, will you kill the five of  
us just to wear your uniform.  
Where's my sister?  
I don't know.  
You don't know... Well, no problem.  
I will make you tell me  
once we reach prison.  
Now, move it... Move it!  
Why are you pushing us?

- Open the door.
- I will open it.
- Get inside.
- Shall I close it?

Kartar, the jailer has vanished.

Kevin, open the door, quick.

Yes.

Beware... Don't you try to flee.

Sit where you are.

Yes Jailer, go ahead and shoot.

But remember who ever gets  
shot will fall towards you.

And if the weight on  
your side increases.

Then the van will  
fall in the canyon.

I don't mind losing my  
life while doing my duty.

Today is the 1st, the day you  
are supposed to be executed.

And you will die today.

Your death may be by hanging  
or by falling in this canyon.

Kevin, open the door,  
he won't shoot.

Kevin, open the door!

What nonsense!

If you don't believe me  
ask your man, he was there.

I have made investigations.  
They are the same five who  
tried to hijack your truck.

And one of the five  
took Bobby's scarf.

And Rahul too was beaten  
up by one of them.

They are dangerous criminals  
who escaped from prison.

They have been sentenced to death.

It means that the  
crazy woman Geeta....

...brought them here after  
helping them escape from prison.  
So that she can take her revenge.

A woman craving for revenge is similar to an injured snake.  
Before that poisonous snake tries to bite us.  
She should be crushed.  
Where had you been?  
How many times have I told you that it's dangerous for you to roam around.  
What' | | you do if somebody recognises you or the cops spot you?  
You may even lose your life.  
I've been waiting with this letter and none of you are to be seen.  
Letter, whom have you written to?  
To my brother... The festival of 'Rakhi' is on Sunday.  
Don't worry, I haven't written the address.  
Post it from some other place.  
Take this.  
Where should we post this letter from?  
So that it may reach the Jailer.  
I don't know what to do.  
Geeta, come down quietly, the game is over.  
Guys, I think there's trouble outside.  
We have to stop them.  
Are you coming down or should I come up?  
Madam, throw the gun down!  
Throw the gun, Geeta!  
Throw the gun, Geeta!  
Where are you, Geeta?  
You scoundrel... I will kill you!  
You will be fine, don't worry, nothing will happen to you.  
No, brother Khan!  
Get out of my way, Kevin.  
- No.

- Let me go, Kevin.

NO!

Who does she think she is?

Are we her puppets?

Aren't we humans? Does our  
life not mean anything to her?

Khan is right, Kevin.

We will teach her a lesson today.

- No.

- Get out of my way, Kartar.

Can she do anything with us?

She can leave us unarmed against  
enemies so that we die like dogs  
And we shouldn't retaliate!

Have you gone deaf, you coward?

We have shouted ourselves hoarse

Does she not hear anything?

Does she take us to be

lambs meant for slaughter?

Today I will teach you a lesson.

That you will never

play games with men.

Why did you stop?

What do you intend to do?

You want to kill me!

Do you want to kill me or rape me?!

Do it!... Do whatever

you want to!

You will never get a better chance.

When can a woman be so vulnerable.

I should be punished for

saving you from the gallows.

It wasn't cowardice,

it was my helplessness

That stopped me from

helping you today.

I was about to give

you the gun but...

But at the same time.

Don't come near me!

I brought you here considering

you to be humans, not criminals.

The two of you have

broken my faith.

I don't want to see your faces.  
Go away... Get lost!  
Her condition is very critical.  
We've to get a doctor  
or a midwife soon.  
Are you hurt?  
Does it pain a lot?  
- What makes you so happy?  
- Who, me? I am very unhappy.  
- Then why are you laughing?  
- Laughing, who me?  
I am crying, do I look  
like I am laughing?... No.  
You see I've a  
problem with my face.  
When I am laughing,  
it looks like I am crying.  
When I am crying it  
looks like I am laughing.  
My face is like that.  
When I was born people said....  
What a strange boy!  
He's laughing instead of crying.  
But actually I was crying.  
But whatever happened to you is  
too bad. Does it pain a lot?  
They will face much more than  
what has happened to us, get it?  
Surround them...  
Nobody should escape.  
Dad, there's nobody here.  
It seems they have fled.  
Blow away the place.  
Perhaps it's fate.  
If Pascal hadn't informed  
us and brought us here.  
Then we too might have  
been blown to bits.  
It would've been better that way.  
Atleast we wouldn't have  
to live with such contempt.  
Our anger and emotion has made  
us commit a grave mistake.  
We've made a very big mistake.

See how both of them have  
started staying away from us.  
Kishan is right.  
They are very repentant  
for their mistake.  
Pardon them now.  
Forgive them, how  
can I forgive them.  
I'd never thought...  
that they could commit such  
an ignoble act... Stoop so low.  
We know that they acted  
in the worst fashion.  
But to err is human.  
Yes I thought they were human,  
so I brought them here.  
To seek vengeance from Nagraj.  
Nagraj ruined my happiness.  
I lost all my peace  
and joy because of him.  
After marrying Arjun...  
I was so happy.  
I was so happy.  
Give me half a kilo each of  
brinjals, carrots and cabbage.  
Won't you buy some pumpkins?  
Buy some... Major Arjun  
Singh likes it a lot.  
O wife of Arjun Singh, buy it.  
Arjun...You!  
My darling, I love you a lot!  
Are you crazy?  
If not the pumpkin at least take  
me instead... Oh my sweet-heart!  
- Mother.  
- It's not ma, it's grandma.  
I know that Arjun  
likes pumpkin, right?  
Hello! How are you?  
I am your lover.  
You may take this pumpkin for free.  
Take it away.  
Look at what you've done!  
All the pumpkins have fallen down!

What' | | I tell my wife now!  
Don't touch me.  
My wife will bash me up if  
I don't feed her pumpkin!  
Who's this Arjun?  
I don't know any Arjun!  
- Friends please tell her.  
- Don't you know Arjun?  
I will never speak to you again!  
I was just joking.  
Sorry guys, Please leave,  
she's my wife.  
Go and have your fun in your house!  
Why create a ruckus in the market?  
Don't go away.  
That was the Brigadier.  
He must've asked you to  
join duty immediately.  
Fine, you may 9-  
Hey love...  
Do you think that I feel  
like going away from you?  
What can I do?  
Terrorist activities in  
Dhanakpur have increased again.  
And they have called me urgently.  
My love...  
If you get distraught  
I won't be able to go.  
Look, I will try to  
be back in a week.  
Come now, give me a smile.  
That's better...Take care of my.  
Achiku, 'Bachiku' and  
'Kachiku' while I am gone.  
What's this Achiku, Bachiku,  
and 'Kachiku'  
These are the code  
words of military men.  
'Achiku' means good, like me.  
'Bachiku' means a child, like him.  
And 'Kachiku' means the  
most loved one, like you.  
Enough of jokes, get serious now.

What's it?  
For many months now Gayatri  
has been in Dhanakpur.  
I hope my brother doesn't become  
an old man waiting for her.  
As you are going there, tell her...  
that if the dam  
has been made....  
then she should  
come back home soon.  
Don't listen to her.  
You stand to lose  
everything you have.  
And listen to me, girl.  
There will be no dam  
built in this village,  
understand this properly.  
A dam can't be built!  
After days of hard work...  
I've procured all the  
documents from the government.  
And you say that the  
dam can't be built.  
Why not?  
Don't you want this  
village to prosper?  
The land to yield more grain.  
The farmers get better homes  
instead of the huts they stay in.  
Factories to be built here  
and everybody gets jobs.  
Nobody is denied a means of income.  
Do you mean to say that the  
people here aren't happy?  
Cool down, Rahul, be calm.  
I understand perfectly  
what you are trying to say.  
For the prosperity  
of this village...  
if I've to  
demolish my palace...  
I will do it unhesitatingly.  
But I won't allow this  
age old temple

to be destroyed at any cost.  
But the temple is on a hill-top,  
how can it be destroyed?  
I've no objection to a dam  
being built in this village.  
But do you know what' | | happen  
if the walls of the dam cave in?  
The force of the  
water from the dam  
will wipe out  
the entire village.  
This temple will drown.  
Everybody will be annihilated.  
Do you want this to happen to you?  
No, we don't want the dam,  
we want the temple!  
Yes, we want the temple!  
- Hail Lord Shiva!  
- We want the temple!  
Why are you standing here now?  
Did you hear their decision?  
It's no use breaking  
your head against a wall.  
You will only break your head.  
Go away now.  
If I feared for my head then I  
wouldn't have taken up this work  
Remember this...  
if it's easy to provoke  
the innocent villagers...  
then it's not a difficult  
task to make them see reason.  
A dam will surely be  
built in this village.  
Let go of me... I  
said leave me alone.  
By sending these ruffians to  
forcefully bring me here...  
you've changed my  
doubt into conviction.  
That you are no saint...  
but a devil in the  
guise of a saint...  
who for his own gain

did not let a dam be  
built in this village.  
You speak a lot.  
But I am sorry to say that  
I am not a good listener.  
I am the third eye of Lord Shiva!  
And when the third eye is  
opened... Life turns into death.  
Teach her such a lesson that  
nobody ever dares such impudence  
Build a dam, will you?  
You want the welfare of the  
village at our expense, do you?  
Don't cry, Gayatri.  
Your brother is here now.  
This military man puts his  
life at stake on the border...  
...protects the honour of mothers  
and sisters in this country.  
You dared to molest the  
sister of that very man!  
Don't cry.  
I will spare none of you.  
Brother, you don't know Nagraj is.  
I know it... I know it now.  
He's that traitor...  
That terrorist...  
whose men carry on smuggling  
activities on the border.  
You are not only my sister's...  
you are my mother's  
perpetrator too.  
The mother whom we  
know as Mother India!  
You scoundrel!  
You abuse the very womb  
which gave birth to you!  
Hail Lord Shiva!!!  
Don't move!  
Else I will put a bullet  
through Nagraj's head!  
Don't move else I will kill him!  
Killed him!...  
They have killed my brother!

Nothing will happen to me.  
Get away from here,  
get going, run, run away!  
Blood!  
You want me to hand over the  
terrorists to the police,  
don't you?  
- Yes.  
- They harassed you so much.  
Go and get the cops.  
Nothing will happen to me,  
I will be fine, just go.  
I am fine, go and get the cops.  
I will not die.  
- Yes, I will get the cops.  
- Yes, go.  
They killed my brother!  
Nagraj, don't move.  
He seems to be dead.  
Go and check.  
Check him out... Go.  
He's dead!  
Throw his corpse on the  
other side of the border.  
A true soldier  
has become a martyr while  
fighting with terrorists.  
Hail Lord Shiva!  
The moon is not to be seen today.  
It just won't come  
out of the clouds.  
You should be ashamed  
of playing such a joke.  
He has a habit of harassing me.  
It's 'Karwa Chauth today.  
I've been fasting since morning  
and praying for his long life.  
And all of you too have  
joined in his pranks.  
There's a limit to playing pranks.  
Come on get up Arjun,  
enough of your pranks.  
Arjun, please get up.  
I'd told you that if you

play such a prank  
I will never speak to you.  
What's all this?  
Come on get up.  
I will leave if you don't get up.  
It's 'Karva Chauth today,  
please don't do this today.  
I will start crying now.  
Arjun will never get up again.  
Brother... You too!  
I am not going to  
fall for your tricks.  
- No, Geeta, it's true.  
- Enough... You too.  
I can't bear it anymore, Arjun.  
Come on Arjun.  
The deceased, Major Arjun Singh  
was murdered in Dhanakpur.  
But his corpse was  
found on the border.  
Then how can you say for sure  
that he was murdered by Nagraj?  
Do you have an eye witness  
or any concrete  
evidence to prove it?  
There's proof... This girl.  
She saw Nagraj  
murdering her brother.  
My lord, perhaps counsel  
doesn't realise that  
the court doesn't approbate  
the testimony of lunatics.  
And I've already proved  
that this girl is insane.  
That's a lie.  
She wasn't insane.  
But the murder of her brother  
has turned her insane.  
It's a lie!  
The court isn't concerned  
with whether she was  
or she became insane.  
You just state whether  
this girl is insane or not.

No, Gayatri.  
But this girl can't say anything.  
Her plight says  
everything, my lord.  
But the law doesn't  
examine her plight,  
it looks for conclusive proof.  
The public prosecutor has not  
shown any concrete evidence...  
which proves that Nagraj  
murdered Major Arjun Singh.  
Therefore this court  
dismisses the case.  
This is injustice!  
This verdict is wrong.  
Will you teach me the law?  
If I wish to, I can dismiss you  
from this profession right now!  
That won't be necessary!  
Your decision has broken  
my faith in the law.  
Before you can dismiss me,  
I myself resign  
from this profession.  
Congratulations.  
Calm down, Pancham.  
She's a wild cat... She's  
bound to use her claws.  
She has slapped you today.  
But after a few days  
she will slap herself.  
Why waste your youth behind  
somebody who's already dead?  
Marry me... I will  
make you my queen.  
Don't be happy about  
your false victory.  
You may have escaped  
from the court of law.  
But in my court you were  
and are a criminal.  
Perhaps this court has  
failed to do justice...  
so that I can deliver a

verdict only you by myself.  
You will not die in  
any other manner.  
I will kill you.  
Only I will kill you!  
Are you in your senses?  
What are you doing?!

- Leave me.  
- No, Geeta.  
- Leave me.  
- Your husband is dead.

You can't use this  
Vermilion... You can't!  
Those demons have snatched  
my husband's body only,  
not his memory.  
He's alive!  
He lives in my heart,  
my breath, my soul.  
In every part of my body.  
Do you know what the  
people will say  
if you wear your wedding chain?  
And if I don't wear it the  
very people will say...  
that you're young and beautiful,  
you need support.  
Be my mistress.  
NO!  
Yes, brother.  
Seeing me widowed has corrupted  
the minds of those sinners.  
And till I don't kill the  
people who killed my husband...  
I will not remove  
this wedding chain.  
I will not remove it!  
I still feel the fire of my  
husband's pyre in my heart.  
And now I will not let  
it be extinguished.  
I swear by you today.  
I swear by our child.  
I will reduce those sinners

to ashes with this fire.  
I will incinerate them.  
I wore the wedding chain  
inspite of being a widow.  
And swore to kill Nagraj.  
I saw the five of you in prison.  
I found that you  
too were victimised.  
You hate outlaws.  
I saw a ray of hope  
in the darkness.  
I felt that if my intelligence  
could combine with your strength  
Then we will be an army.  
A powerful army.  
With which I can combat that  
demon, fight him, break him.  
But these two broke me.  
Fate defeated me once again.  
Fate defeated me.  
That woman can prove  
to be dangerous for us.  
Do anything... But find  
out as soon as possible...  
where the hideout of Geeta  
and her accomplices is.  
"Achiku, bachiku, kachiku"  
"You are the best  
baby in the world"  
"The moon has come down on earth"  
"And brightness' spread everywhere"  
"The day is over,  
night has begun"  
"O moon, come!  
Feed us sweet milk"  
"Something new happened today"  
"Make mummy dance,  
you dance for her"  
Look, my dear  
you have cast  
a spell on everyone"  
"Achiku, bachiku, kachiku...."  
"You are my image, fair like me"  
"I will be like papa one day"

"He is with me"  
"There is no other toy like this"  
"Having got you, I have  
found all happiness"  
"I have no control over myself"  
"Achiku, bachiku, kachiku  
I understand the fact...  
that Geeta hates us.  
Therefore she keeps  
that child away from us.  
But I don't understand why  
you're so fond of that child?  
I've never wished to  
hurt anybody, Kabir.  
I've considered truth and  
honesty to be my religion.  
I used to drive a cab.  
I was happy with whatever I earned.  
I just wanted to see my child.  
I was taking my wife  
to the hospital.  
All of a sudden they  
attacked me on the way.  
Because I was going to testify  
against them in court.  
That they murdered Uncle Shankar.  
They cruelly murdered my  
wife in front of my own eyes.  
Yes Kabir... My world was  
shattered in front of my eyes.  
They killed my child  
in his mother's womb.  
I killed those rogues!  
I avenged the death of my wife.  
I handed myself over to the cops.  
I got the death sentence  
but I wasn't unhappy.  
I had never been as  
dejected as I am now.  
I see my child in this child.  
I get furious when that woman  
doesn't allow me to touch him.  
I don't know what to do!  
Am I so bad that I can't

even touch the child.  
No, Khan.  
Calm down.  
Get a hold of yourself.  
You are not a bad man.  
I am a bad man.  
I used to deal in  
death to earn money.  
I used to sell bombs to  
terrorists and enemies  
of this country.  
And one day they used  
the bombs made by me  
to blow up the  
area in which I stayed.  
And the first house  
which blew up was mine.  
There were thirteen  
people in my house.  
But not a single corpse was found.  
Then I realised for  
the first time...  
how it feels when  
one of our family dies.  
If we want to we can  
embrace this child.  
We can play with him.  
How can we do it?  
Tell me once... I can lay  
down my life for this child.  
You don't need to lay down your  
life, you have to kill somebody.  
Yes!  
Let's go.  
Don't move!  
You will not escape now.  
Shoot him, Khan!  
Shoot them!  
Kill both of them!  
Run Khan... Run!  
I had removed the  
bullets from your gun.  
Because that devil will  
be destroyed by me.

Only I will kill him, not you.  
Get in the car.  
I want Geeta and her  
five companions  
in front of me within 24 hours.  
Or else I will be furious.  
And you know very well...  
what happens when  
Nagraj is enraged... Go!  
Oh God, this is outrageous!  
Who's this woman who's broken an  
age old tradition of the village  
Yes, for many years  
now only Nagraj...  
and his ancestors have  
offered prayers at this temple.  
Nobody can save her from  
the wrath of Nagraj.  
Hail Nagraj!  
Hail Lord Shiva!  
Who are you?  
Who dared to step in  
my ancestral temple  
without my permission.  
You!  
Yes, it's me.  
Remember I had told you that you  
are destined to die by my hands?  
That day is here.  
You forgot what I told you.  
Those who try to kill  
Nagraj certainly die.  
You don't know that Nagraj has  
the blessings of Lord Shiva.  
And you came to the temple  
of Shiva to kill Nagraj?!  
I have chosen this place  
for you to die so that...  
the villagers may  
awaken as soon as you die.  
And they realise that the one  
who they considered  
to be a great devotee...  
was in fact a sinner

and an immoral person.  
Arrest this woman.  
I won't spare you!  
Take her away!  
I knew that this woman will  
definitely come here, sir.  
Therefore I came  
here fully prepared.  
You dare attack a benevolent  
person like Mr. Nagraj.  
You are the murderer of  
those four bodyguards.  
You can't escape from here.  
Take her away.  
Think yourself to be fortunate  
that you are saved today,  
but remember... |  
will not let you live.  
You will die at my hands,  
you scoundrel!  
Imprison her!  
Leave with all the  
policemen immediately.  
I want the police  
station to be empty.  
Geeta and her aides are  
my offenders first,  
then that of the law.  
We will settle our  
score with them first.  
They will be punished  
for their infringement.  
And that punishment will  
not be given by the law.  
I will punish them... With my  
own hands I will punish them.  
A woman is my weakness.  
But I won't treat  
you with affection.  
I will shower you with my hatred.  
If you are man enough  
just release me once.  
You will find out....  
whether woman

is your weakness...  
or you are weaker than a woman.  
You bitch!  
Our Mr. Nagraj...  
Do you know who he is?  
The topmost terrorist  
in this country.  
The biggest dealer of  
arms and ammunition.  
And you tried to attack him!  
The wounds which you  
inflicted on him...  
I will give back those  
wounds to you, with interest.  
Tell me, where are the other  
members of your team...Speak up!  
Here we are, you swine!  
Geeta, the child is all alone.  
You saved the child  
from being orphaned.  
Don't you want to embrace him?  
Have you forgiven us?  
If I don't forgive you now  
...God will never forgive me.  
Thanks.  
What happened?  
Why're you crying?  
Today I've come to know what  
type of a person my father is.  
Perhaps to hide this from me,  
he kept me away from  
him since childhood.  
But till date although  
I stayed away,  
I was not as far  
away from him...  
as I am from him now  
although I stay with him.  
I can understand your grief.  
But perhaps this is  
what's known as fate.  
That the person whom one  
can't bear to stay away from.  
It often happens that one has to

stay away from the very person.  
Did you see it, madam?  
See how happy he is.  
He's happy because... For the  
first time his army is ready.  
Perhaps he feels for  
the first time...  
that his father's assassins  
will surely be punished.  
This isn't a smile...  
It's a declaration of war.  
The war which was started by  
his father, Major Arjun Singh.  
And we will finish it.  
"Our Army is ready!"  
"Our Army will not accept defeat!"  
"Our courage is explosive"  
"Our breaths full of fire"  
"Life was unfair to us"  
"But death indulged us"  
"Our Army is ready!"  
"Why are you sitting dejected"  
"Smile, my friend"  
"Pick up a musical instrument"  
"And sing a new song"  
"We can stop a storm,  
divert a tempest"  
"We can defeat the whole world"  
"We will always walk ahead!"  
"Our Army will never stop"  
"Our Army is ready!"  
"More dear than our life  
are dear the  
lives of each other"  
"We will sacrifice our lives  
for each other"  
"We have a dream"  
"And courage in our hearts"  
"it's a night of joy"  
"We are all in a daze"  
"It will never turn back"  
"Our Army will return  
victorious always"  
"Our Army is ready!"

- Beware!

- Don't move.

The boy looks exactly like his father,  
he looks like a Major.

Daddy, I warn you, don't even  
think of harming this child.

A foreign education doesn't mean...

that you forget your manners.

Take her away.

No!

You instigated my  
daughter against me.

You killed my friend's son.

Now it's your son's turn.

If there's a single  
scratch on my son's body...

...then I swear by god,  
whose devotee you are...

I will give you such a death...

that you will die hundred  
times before you pass away.

Those who try to kill  
Nagraj themselves die.

Tie them up and attach  
a time bomb to them.

Throw the others in the  
dark cell, Bobby too.

No dad, let them go, please.

Just shut-up!

If I could get my hands free...

Then I will blow Nagraj  
to bits with this very bomb.

Man proposes...

God disposes.

YOU!

you're alive!

It's my good fortune and  
your bad fortune that I safe.

I have fought death to stay alive,  
you scoundrels!

And wanted to live  
so that I could bring  
scofflaws like you to justice.

We are prepared to hand

ourselves over to the cops.  
But remove this bomb first,  
which has been  
placed here by Nagraj.  
We've to save Geeta and her child.  
- Geeta's child!  
- Yes, Geeta's child.  
The place where Geeta's  
husband met his death...  
at that place,  
was born a child...  
a symbol of her  
husband's love.  
Nagraj has kidnapped  
Geeta and the child.  
We don't have much time, jailer.  
We don't care about our life.  
But in this war...  
The devil, Nagraj, will die,  
not Geeta and her child.  
No, not Geeta and the child!  
Hail Lord Shiva!  
Your army is annihilated.  
But I will find peace...  
Only when she too is  
destroyed along with her army.  
I will squeeze the life out  
of her with my own hands.  
Calm down, Pancham.  
You will get your chance.  
You will kill her.  
But it will not be a simple death.  
We will torture her to death.  
I want to see...  
for how long a  
mother's affection...  
can protect the child  
from the wrath of Nagraj!  
Get her ready and  
bring her to my court.  
"It's an old story"  
"Our enmity is age-old"  
"I have to douse this  
fire of vengeance in me"

"Our enmity is age-old"  
"You have made me cry,  
you have tormented me"  
"I will humble you"  
"I will burn you alive"  
"That's a vow I've taken today!"  
"Our enmity is age-old"  
"I have vowed, and even  
your time has arrived"  
"No one will save you,  
you will die!"  
"I have to cremate you"  
"Our enmity is age-old"  
Hit him, Khan!  
Sister-in-law!  
In this war, this child won't die!  
You scoundrel,  
you killed our friends!  
We won't let you live anymore!  
STOP!  
You will not kill him.  
I will kill him at any cost.  
No, Geeta... He has killed  
our brothers, Khan and Kabir.  
I will not spare him!  
No!... No, Kartar.  
Get back.  
Those who try to kill Nagraj,  
themselves die.  
What can a vulnerable woman,  
a helpless mother, a widow do to me.  
Nobody can face the  
wrath of Nagraj!  
I've the blessings of Lord Shiva!  
I will kill you along  
with your child today.  
This is the sword with  
which he killed my brother.  
You cannot escape today.  
You are an impostor... You don't  
have the blessings of any God.  
I will offer your  
head to God today.  
Nobody can stop her today.

Now this young Major  
is your responsibility.  
Make him fearless  
and courageous like Arjun.  
You were disgraced because of me.  
I am your culprit,  
please forgive me.  
My mission of killing  
this Satan is over.  
Today I hand myself  
over to you and the law.  
How are you, my friend?  
Come my queen!  
Munna, that's your mother.  
- Don't you want to meet her?  
- Yes, I want to meet her.  
Then go.  
What happened?  
What happened, Munna?  
Don't ever play such a joke again.  
I will never speak to you.  
Don't ever do it again.  
'Achiku' 'Bachiku' 'Kachiku' Mother,  
you are the dearest.
