Then the beast comes up,
who comes once In 26 years..
It's the royal rules that the bride
of royal family goes to her test.
She's to go to temple bear foot
toward the beast holding re

She rejected the kingdom
If I can't fulll his small desire,
so what kinda mother I am.
Send the gold to dev battalion
and also send the gold threat cloths
to royal family..
The royal sword of bhalladev.
Arrange the marriage with this sword.
Start preparafi'on for welcoming
the bride of our family.
The great queen writes to jaysena..
Handsome like kamdev..
Talented like great dev..
In ght..the great warrior..
For my son..
I've selected your sister
as life partner for my son.

Send your sister to my kingdom

To shivgami devi..
The queen of kundaldev...

Tell our commander that prepare

Why to use sword for killing bird,

Take devsena as prisoner.
Send this message to bahubali.

I heard that queen Is singing
the love song..
That moron.
There's good and bad news..
What do I give?
Both..what Is good, I'll tell you

You used to walk like moron,
but today like brave.
Where're you going.?
To princess.
How dare you go to meet
devsenā In midnight.
Our kingdom Is In trouble,
do what I say.
It's not fi'me to explain you.
you're touching me.?
Time gives chance once to
become the great warrior.
The god gives life, physician saves
the life, and warrior protects life
princess...

It's not fi'me to tell you
we're peacefull people we can't battle,
Ifthe thinking Is strong you can
your battalion are few..
Success Is low, are you ready
I couldn't know who are you.
I said to you rubbish.
I kicked you....
when you kicked me, I felt your power.
It's not blood, but the vermillion
who says you're worrior.
You saved us like demi god.
Who're you?
Where you from?

Let It go who am I ..
I come here because you can help us.
What can we help to so great warrior.
He's In love with a girl of your kingdom
who Is the lucky girl..
Your princess.
What else can be so happiness.
The relafi'ves hugs each other,
never bow to each other.
The queen sent the purposal
for this great warrior..
Bahubali loves princess..
Queen never know that.
When you refused so she told
to take you as prisoner
my mother can't make mistake,
there's always reason what she says.
Come with me as a prisoner..
You're my lover.. If you take me as
a slave, I'll live with you all life.
Is everything ne princess?
Your intenfi'on Is somewhere else
you don't worry, queen will look after
you like a daughter..
I insulted you sending orders
sent you answer with anger
and hurt your feeling
can you forgive my anger?
The anger on daughter-in-law
of shivgami looks good.
Stand by your future husband..
My decision Is right or wrong,
maheswafi' will see It.
I've promised bhallal to mary devsenā.
Who're you to arrange my marriage
with someone with my permission
an adult girl has right to choose
his husband..
Don't you have brain?
How dare you talk to me like this
make this angry girl like slave on knees.
If anyone touch devsenā..
So think you touch bahubali's sword.
I've promised to protect devsenā.

You're going against the queen.
For the promise, and for truth and justice.
If you've to go against anybody
even the demi god..
It's a true religion.
It's wrong to promise your son
without knowing girl's decision.
You made mistake.
Shivgami made mistake?
You swallowed your mother when born.
She grew up like her own son.
To announce you prince?
Is that her mistake?
You want the kingdom..
Or that devsena?
For the kingdom, I break my promise,
It's insult of your education.
The child of devgami..
Who's known as bhallaldev
I'll protect this kingdom..
By taking oath of god
bhallaldev...
Ionglive..
Bahubali means me..
The protector of kingdom and princess.
And the member of battalion
of bhallaldev
If I may lose my life while
protecting...
so I'll not think
I'm taking oath of great queen.
Maheshmafi', since I'm adult,
my heart throbs for you
In every dream I saw you
on my head like crown.
After so many years and wars.
You've come to me,
why're you running away from me.
I loved you, and you refused me
and embraced bahubali
the sun rise on or not,
I'll set it down on west.
You feeded an snake.
One day he will sting you..

You've never gone against me ever
because of me, you've crush In your family
I'm vey sad about It..mother Is sad
fi'll we give her grandson.
You have not bring gift for me?
I'm the slave who has no right
to bless you..
What can I give you..
I ask you what you can give me.
We've tradifi'on that grandpa hold
the son when It born..
Will you take my son on your lap?
The female fi'ger born the cub..
Kumar hunted the fi'ger..
Is It true?
When I've sword of bahubali In hand.
So an kid can kill the fi'ger.
This Is happening In front ofyou
and you're seeing It like idol?
It seems that you don't know
our tradifi'on..
It's the right of king that to whome
he has to give designafi'on
It's all excuses..
It's the harmfull thing for kingdom
don't you know that..
Removing the designafi'on of bahubali
and giving to a an dog..
Whoever comes here with gift for me.
You have not give anything,
will you give me what I ask for?
You've to sit on the maheswafi''s seat.
It's the wish of mine and people..
And It Is said, to fulll
the desire of people Is religion
the wife of bahubali devsena Is accused
that she cutted ofthe ngers
ofthe commander..
On the order ofgreat queen shivgami
this hearing Is decided.
Do you want to say something
about your felony?
Without any hearing I've hand coughs,
and declared me a culprit.

What kind of justice is it?
You're culprit, you'll prove innocent.
Put your justice in river,
and execute your judgment
If you say a word against so...
with the pride and tall building,
the kingdom never builds up.
It's time to come..
So I said..

J:

Come from the other door.
not front door.
What is the behavior, you're threatening
the victim.
You're crossing limits,
this guy crossed the limits to caught
a pregnant woman
whatever... the justice
is equal for everyone.
Do you know what'd happened?
What'd happened Devsena?
Shiva called all the woman a side..
He was trying to rape me..
So I cut off his fingers..
You did wrong..
You should know cut off his finger
but you should behead him
one side is your education
and one side your religious preaching.
The war been both,
and in middle my sword.
I'll always be ready to protect
the maheshwari
If he stayed alive..
Will live like king.
How can you sleep, he's provoking the
people to come if you've problem
we don't need king.
Someone is playing game there,
I'm afraid..
What're you doing here alone?
Why he has come here/
forgive me lord, today he manage to escape.

Till tomorrow, I want his head In my hand.
Or your head will be on your hand.
Who's head?
Bahubali's head
are you gone mad?
You want to kill him?
I'll kill his wife and kid too
If you come been me,
so I'll forget that you're my father.
I know my son very well.
If he thinks about something,
he'll do it done
we should tell this to bahubali
he won't believe that his
brother is so mean.
There's only a way..
What?
It's In your hand.
You've to kill bhallal dev.
For bahubali and devsena.
I don't understand what's happening.
The great order for kill bahubali
by the shivgami's hand.
You're a small challenge.
Kumar and his people killed our
body guards
and injured the king too
after all this, now what're you thinking?
What're you thinking shivgami,
do your duty as a queen.
Bhallaldev is not your son only,
but the king of this county
whoever tries to kill king..
He should be punished to death.
Your ancestors took oath that
they'll be always servant of kingdom
and they'll follow the orders of king.
Are you still on that oath.
Yes..
Order me.
Kill bahubali
what're you saying?
But why?
Do what you're said..

I beg of you, take your words back.
Bahubali can't make this mistake.
You feeded her ..
Now you've to kill him
I can't do this..
Will you kill him..
Or want me to kill him
this sin shouldn't be done
by your hands..
I'll kill him..
Kattapa is being punished for betraying.
Have you seen?
He promised me to take our
kid in his lap.
Bring him safely..
Leave me here..
Try to understand me.
Let me die..
You promised my wife that
you'll take my son in your lap.
And I promised my wife to
bring you safely
let me do my work..
I beg of you..
Go from here.
It was order to kill you
take care of mother.
I doubt on you for nothing katappa.
You're my dog..
Now I'm bahubali..
I'm the king of maheshwafi's people
I'm taking oath of shivgami.
Moron queen.
You're going to kill me,
I made their trust..
And I made write your death by her.
And you were taking her oath
mOfOn aUeen..
When he was dieing, he was thinking
about his wife and kid
do you know what he said?
Take care of mother.
He asked for give bless
these hands snatch your husband.

Nafi'on Is cying because you've
not annouced the death of bahubali
now come and announce..
l'll take care ofthis kid.
Call the iusfi'ce iuy, the culprits
will be executed
the bahubali you loved alot,
you nd him guilty and killed him
and l'm so mean, why will you forgive me.
Kill that kid..
lfyou will save my son, so l'll think
that my husband Is alive.
You've to come back..
l'll wait for you
will you come?
There was no stop on the cruelty
of bhallal on kingdom.
Because of his anger on devsena,
he destroyed her county
lf any left for you In this world
so It's me..
We thought that you're dead,
but your grandma kept you alive.
Make your hands like weapons..
The kingdom of maheswafi'..
And the previlages
unfi'll l was thinking that..
l get safi'sed by It..
The iron made this chain..
Will punish devsena..
l want devsena..
Whoever supported her should
be beheaded..
Or l'll behead you
10 thousand family will scream
and you'll be reach to death
he lived with you for 9 months
In your womb..
And you lived with me
for 25 years..
So after his coming how
can you leave me alone.
Stop, how can l endure
that my mother Is In his prison

let me die ...let me go.
Did your mother waited for your death?
For his death.
You're the son of bahubali
think like your father.
Like bahubali
and those soldiers..
What're you doing kattappa.
For so long your ancesstors
were loyal to kingdom..
By destroying kingdom do you
want to break your promise
x up your mistake.
Kill his son like you
killed bahubali..
Go kattappa, kill him
25 years ago, queen declared
bahubali our king.
Believing him dead,
I hid the truth.
Today our truth has come back.
Kattappa never breaks promise.
Before you nish the third round, I'll
keep ready creamafi'on to burn him alive.
Till you will come back,
I'll keep your son's head on your hand.
Whoever completed It.
Can't be succesful
stop It... devsenas
foot should be stopped.
Before complefi'ng temple stairs,
burn It down.
I thought you're dead,
but you came back
I can't tell you how happy I am..
Why are you running away..
I couldn't kill you
you've come back having
that face..
You gived me chance to
tear apart your chest.
How do I thank you
when he'll scream by the pain
of the death

so maheshwafi' castle's wall
will be shrived..
It's my first order after taking
the oath with queen shivgami.
Every person who works with
justice, honestly, good intention
will live with proudly..
If someone did injustice,
so he'll be beheaded in hell
It's my promise...
my promise is my proud.
