Bangkok Love Story

By Poj Arnon

Have you ever had this feeling?
when you saw someone happily together
yet you are all alone by yourself walking
on the street....in the car....or on a boat
or wherever you are
I always think
this world is far too lonely, too sad
my life is just like a drifting cloud
without destination just floating around
my job....is to be employed by someone
doing thing nobody else wants to do
killing people becomes a very normal affair
to survive, I have to do it
Maek(Cloud)----is my name
How you doing?
about your sickness....
gradually it got better
How about mum?
same as before
sleeping in brother's room
She stays in there from the day you moved out
Mhok, please don't tell mum
that I dropped by
Brother, do you remember? You said,
you want to bring me here
wait till I finished this job
We will bring mum along
Brother, you swear
Take this
Bangkok Love Story
You are late again!
Traffic jam
traffic jam?
hum
Iht...Iht!!!
Lock up
Who is your boss?
What can you do if you know?
Just want to know...
Lock yourself up
I said lock yourself up!
want to die?
Doctor said that I have Aids...
you are the one..

who passed it to me!
It was you! you!
What are you doing?
leave my room
Dad Misses you
What are you doing? Get out!
get out of my room!!!
get lost!
Ah, here you are,
I've been waiting for you
This is the guy I wanted you to capture?
rather good looking
You haven't told me why you wanted him alive
Later he will be dead!
You don't have to know so much
Just do whatever you were told to do,
don't you want the money?
Sir, here he comes
So? Are you ok?
Why you do this to me?
Because you know too much about me?
Tell me, who else knows about this?
You really think the matter will
end after I told you?
you destroyed the evidence for
the sake of yourself
You think it is correct to do so?
No matter what....It ends as
I wanted it to be
You are the only one who doesn't want it to end
Why did you tell me that he is the bad guy?
Who told you? me?
stupid
Sir, what we do now? kill him?
Kill him
I said I want you to kill him
No, I won't do it
You know that I don't kill innocent people
I kill only bad guy, like this old bastard
Well, if you don't do it, I will
Kill both of them, I pay more
Kill him, kill him. what are you waiting for?
what are you waiting for? Kill them, kill them!
Kill them!

You still haven't told me, why didn't you kill me?
Don't ask, stop the car right in front there
Are you hurt? How are you able drive the car?
Not your problem, stop here
You can go now
I said go!
You are injured, how can you make it to go away?
I said go, you must go!
You....
Get lost, you want to die?
eh, you....
You are still bleeding
Where you want to go? I send you
Tell me, where you intend to go?
send me to....my mum and my brother
where ?
Go straight and I will lead you the way
Hi
Is Mhok?
Maek wanted me to tell that
he is going to stay away for sometime
he asked you to take care of mum...and yourself

Maek asked me to give this to you
In case anyone ask about Maek
Just tell them that Maek has not been

....becasue I am worry about you

You can go now
Mum, where are you going?
To get the medicine
Let me get it for you
NILaman clinic

Remember, don't let me see you again!
Mum!

You have been out?
I told you, is not safe outside
Don't go out again
If I don't go out,
where can we get food?

Have you found the two bastards?
More or less I know where they are
Should be able to get them this time
Have to find them!
because that guy knows too much about me
What have you done to let him knows about you?
just because I trusted that group of people
and let them killed the general
but then that guy started to investigate on the case
Don't worry, these two guys will be dead!
Sha? Is me, Iht
Iht, how are you now?
Where are you now?
Sha, don't worry about me
I am fine
What happened to you?
Iht, where exactly are you now?
Sha...if the minister asks about me,
just tell him that I have lost contact
Why? Something must has happened!
Iht, I am very worry about you!
How are you now?
Sha, please don't ask me now
I will contact you later
Iht! Iht!
You are the one?
Hit me??? Ah!!!

I will show you some colors!
Are you afraid? Ah??
Asshole! Let me go!
Bastard! let me go...let me go...
dead?
I asked you to finish him
but they finished you now
Seems to you just like nothing has happened
Good, kill them both
Be neat, just do it
Maek, I apology for what happened last night
I never thought that this would happened
Please don't be angry with me
I trust you next time
Forgive me, Maek
Please forgive me!
Ok?
Maek, have you ever thought of running away?
You think I can get rid of them?
At least, better than sitting around waiting to die
Shut up!
Um
How many people have you killed?
If I have the choice, I won't kill anyone
Because of money? Is money so important?
Money? Never important to me
But I have to
Have you ever thought of quitting?
You think that is easy to do so?
If I dont kill him, he will kill me
Maek, do you believe?
Dressed up in attractive clothings
doesn't mean he is a good person
Heart is the most important
Start to smoke?
Time for medicine
Let me rub your back
Maek, I am sorry
If it is about what happened today
-I upset you...
-Shut up!!
Get out of my room

Maek, if you want to kill me, do it now
Then I can die together with our relationship
I asked you to shut up
Get out!
You can get lost
Maek, don't lie to yourself
ask yourself, what exactly you want?
Get lost!
Get lost!
Get lost!
Get lost...
Maek, are you ok?
Someone....tried to hurt you?
Don't ask me now...I am tired
Iht, Iht
Eat Faster, lets go to Wansalong to look for MB
Very cheap, just 500 baht
Real or fake? The one I saw last time was only 300
The price of petrol has increased.
the price of MB increased too

Put the money there
Eat faster, too late there won't be anyone there
Fuck,! fucking Aids carrier!
What are you looking at?
Thank for your 1000 baht the other 1000 baht

[My love]
Please don't tell anyone I am back
Don't forget, thanks!
Please pick up the call
Please pick up the call, Iht
Pick up
Why don't you pick up the call?
Maek, Maek
Maek, I know that you are here
Why are you hiding from me?
Maek, have you ever think of someone?
till the point of not able to
describe the feeling with words
Have you?
Maek, I miss you!
I miss you, Maek

Maek, I miss you!
Maek
Maek...Maek...I miss you!!
Don't hide from me
Maek!! I miss you!!!
What's wrong with you?
Why you treated me this way?
Don't treat me this way ever again, ok?
Don't hide from me
Maek
I love you!
Maek, actually I don't understand myself
Why I have to love you
Loving someone don't have to have a reason
You know? I love you so much
That's why I hate myself
Maek, you? have you ever love me?
Maek, don't go
If you love me, put this ring on
But...if you don't love me, just throw it away
Maek!
Maek! Maek....
Don't go, don't go!
I told you to stay home
Don't go around and harm people!
remember!
Mhok, eat more
Don't worry, my treat
eh....you always get bullied by them?
Why don't you react?
I don't know why I have to react
Get beaten too if I react
This is my fate
You know what sickness I have, do you?
I know
They should know it too
This isn't sickness that can be transmitted easily
right
but they still hate it
afraid, dare not to let us get near
Just my bad luck
Don't you afraid?
Mhok
Has Maek back yet?

You were not with him?
Mhok, if you need my help
call me
If you see Maek, give this to him for me
Maek
Why don't you want to see me?
You know?
I miss you!
Mum
I am here to take you and Mhok
We are going to stay together
Um
Are you happy, Mum?
Um
So...lets pack
Mhok? Where is he?
I go upstairs and get him
Why stay under the rain?
you will get cold
Go, go and pack
You still worry about me and Mum?
Why you said that?
Where did you get the money for the clothings and the fishes?
I sold myself
What do you know?
Me and Mum, how much we have suffered?
Each time, I went out to buy food for Mum
The people on this street....
they bullied me
Why you do that?
Why you wanted to pass the disease to others?
Who? Who is the one who made me into this?
It was that fucking foster father...
who made me into this...
what have I done wrong??
Mum
Mum
Mum...Mum
Mum
I am here to take you to stay with me....Mum
Mum...MUm...
Mum...Mum...
Iht
The future of us

can't go on together
you go the way you want to
do whatever you want to do
As for me....
I will go on my way
About our marriage....
just forget it....
-But...
-Enough
Iht? I am Mhok
I am going to 'MayHongSun' with Maek
I waited for Maek at the station
He said he have to go by the boss to settle something
I have been waiting for him since long
Iht, do you know where Maek is now?
The train is departing at 10 o'clock
I am worry that Maek....
ah...Maek...ah...
Ah....
newspaper?
Newspaper?
Newspaper?
Get lost! kid
Hello? Guo?
Do you know where that scarface lives?
Wrong...you know that you are wrong?
I let you kill Maek
Is he dead?
-No
-You bastard
you said you are the best?
Here he is
He is alive and is coming to kill me
You get down and kill him now
-He is here
-Who?
Maek, he is here!
-What you want?
-I want gun
Don't....shoot....shoot...
Didn't you hate killing good guys?
Shoot! you shoot!
Fuck...don't move...
You shoot! fuck

Maek, any problem in there?
No, from the day I started to kill....
I have prepared to get caught
Maek, I am worry about you
And, about Mhok, you don't have to worry
I will take good care of him
I will see him later
Don't you like to tell him anything?
Iht
What happened to your eyes?
Nothing, don't worry
I asked what happened to your eyes?
You remember the day you went to kill your boss?
I wanted to stop you
But when I reached there, you had already gone
Started from that day, I can't see anymore
Maek, you don't have to worry about me
The doctor said it can be cured
I just have to wait for the donor
I don't think I have to wait long
Someone will donate his eyes to me
Maek, did you bring the ring I gave you?
meaning....you...
I placed it here
nearest to my heart
Maek, you have to keep it well
Maek, I love you!
Mhok, how are you?
Why put the fighting fishes in the same tank?
I like to see them fight
the strongest one
is the winner
the weakest one.....the loser
just like me
In this case, you have to be stronger
ah....is you, Iht
Please
Thanks!
How you doing, Mhok?
I thought you won't come and see me anymore
I will, I promised that I will come
I won't leave you alone
Mhok! Mhok!
Sir, Mhok is gone....

Before he left, he asked me to pass this letter
to someone named Maek
I give it to you, please pass it to Maek
Maek, I feel that I am lucky
to be your brother
even though we can't be together
but I have many wonderful memories of you
Maek, you always worry about me
always protecting me
but happiness is too short
I never thought that the sad thing....
will come upon to our family
The thing foster father did to me on that day
let me and Mum suffered a lot
if not because of that damn foster father
we would had a very happy life together
Our family wouldn't ended this way
Starting from that day,
my life had already came to the end
To be able to come till here,
I have to endure the pain that foster father placed on me
endure the discrimination from others
Maek, now I know
It is really hard
I have decided
I will go to Mum
we will wait for you there
wait for you at the place far far away
here we can live together
please tell Iht
I am very thankful of the help he had given me
Maek, Iht love you very much
Iht is a good man
Don't worry about me, don't be angry with me
I am going....
Maek, I am going first....
Lovely yours, Mhok
year 2032
I thought no one will come and pick me up
There is always me
Lets go
Come, Iht
From now on, I am your eyes
Still decided to stay oversea?

lets first stay a while in bangkok, then we will see
in the meantime you can stay in my house
you want to be my eyes
And you? Don't you come with me to oversea?
Why not?
didn't your swear
to be my eyes for the rest of your life?
deal
to be together....
Wherever you are, I will be with you
in whichever places you are
Maek, how you feeling?
Do you....love me now?
You love me, do you?
