Bhaagamathie

By Ashok G.

CBI special director Mr. Dhanunjais waiting for you sir

Ok, send him in

Excuse me sir

Good morning sir

Officer, you have to handle a serious issue from your states

What is such a serious issue sir?

You have to put a scar

On whom sir?

When the state leaders are hiding their face to answer the questions being the Central Minister for Ministry of water resources

Mr. Eswar Prasad representing Telugu states, who brought Pranadhara project for the farmers is before us.

Tell us sir,

During the past 6 months, very ancient idols from 12 of our temples in the Telugu states were robbed.

Are you aware of this?

Does the Chief Minister holding the Endowments Ministry with him know about these robberies or not?

They will not speak up sir, they will not. We voted for such incapable people sir.

We thought just the money of public,

but do you even take money of God too? Take them away

You will not live well Take them away

Yes true, I should answer him

Ten bombs are blasting in this nation by the time a brick is put

Thousands fall on the roads by the time we do good to one

As this is not enough

they are vanishing the God in the time people close their eyes to pray to save them

I am feeling ashamed to be working in a Government having no guts to catch such people.

I am ashamed of that

First, speak about the robbery of idols sir

It is our Chief Minister Sir who should speak about that matter.

But he is not opening his mouth But, I am going to fight for that

I am giving time for 15 days more

and if the Government does not catch the idol thieves by then...

I will resign from my Minister post

Sir, that is a Central Ministry for you to resign. Think well before you say

Here, this is my resignation letter

What sir, is this fight over the Chief Minister or for the post of Chief Minister?

Oh, so that is how you understood it?

Not a resignation then...but I will quit from politics forever

What sir, are you thinking to bring in your son or daughter into politics?

Thank you sister, you reminded me.

I am a guy thinking for the change to start from me.

I am going to first break the system running here to give the post to son after father or wife after husband dies.

I, who entered the politics as an ordinary party worker

will now announce another ordinary party worker as my political heir

That is right now and before you

Ajay...

Ajay

Ajay, Sir is calling. Go!

Ajay is well educated and is clean from any scars.

He is a man with passion to serve all. Majorly, he is son of an ordinary farmer

It is him... He is my political heir

If you like this, I will send him to the legislative Assembly

This decision is not to escape from my responsibilities

For a new blood to cleanse the politics

On Eswar Prasad?

Whatever your approach is, he should come into our grip.

That's it.

Sir, these days where the leaders think the word public representative means eating every public fund present

he is a good leader spending every single pie for the public sir

He is a good person sir

Yes, good person right? Problem lies right there

Even if he quits from politics, public would make him start a new party and make him sit in the CM post

Our party is not ready to let go of another state like that now

I am the CM and if he starts announcing anybody as his political heir without informing me,

how do we make our kids as the political heirs now?

You need not be confused.

The case of idol robberies which he is trying to bring out and become a hero,

push that same case on him and put him in the jail.

That is correct sir.

If the son of a labor becomes a political heir, it becomes a pain for everyone

Sorry sir, I cannot do that mistake.

Hey, what are you man?

Then we shall call those who would do that mistake

Call CBI joint Director Vaishnavi Natarajan

Sir

Welcome to Hyderabad madam, Daruk here
Rest of the team is waiting for you
Jai Hind madam, ACP Sampath reporting
You asked for ACP level assistance from local Police in the matter of idol robbery, right madam?
He is the man dealing the idol robbery case
Switch it on Yes madam
Let us come to the point officers
In the past six months, very ancient idols were robbed from 12 temples in the state
Please give me the View.
Priceless antiques madam
Terrific demand and unimaginable money in foreign countries
Simple, it would be the work of the antique robbers
Simple?
They are not any skins of snakes and frogs to hide as a pile and move out from country at once
They are precious idols
To move all of them at once, that is possible with the help of big hands not smugglers or antique collectors but think freshly
Like I need...
What is your view by the way?
Now, you're on point.
Durga temple in Vijayawada
The Buddha statue on the Undavalli hill near by
Kodumuru and Badrikona statue beside
Ancient Sidha Chamundi idol from Panchavati near Kotappa Konda
Near every place of robbery, either meetings of Minister Eswar Prasad or some openings of some welfare policies took place
My God!
There are no allegations anywhere stating him corrupt and will he eye on properties of God?
Ma'am.. as the police would concentrate only on the places where Ministers stay,
The robbers may have been following the diary of Eswar Prasad
Correct!
Whether robbers are following the program of Eswar Prasad or is Eswar Prasad following the program of robbers, let us pull it out.
Maybe you are thinking wrong about Eswar Prasad?
Hey, get up... Get out... Go...
You seem to be thinking in his favor
I do not like any negative vibrations in my operation
Anyone thinking positive about Eswar Prasad will not be there in my team

Sorry madam, just discussing.

I do not have any opinion about Eswar Prasad

Madam, we can get him. Not a problem

But Eswar Prasad has great name and following everywhere

Public will not like it if we talk anything negative about him

That is why we are not touching him

Then?

Chanchala..

Who is Chanchala?

Year 2003, Civils topper from AP...

Chanchala IAS

Chanchala is the PS to Eswar Prasad allotted for two terms by the Government

In these 10 years...

The only person who knows the every sign, every work and every movement made by Eswar Prasad is...

Chanchala

Officers,

I want her

Not possible madam, she is in remand now

I know

Chanchala is in jail from three months in the case of murdering your brother

That is why I selected her

Because no one would get any doubt even when we interrogate

Madam, interrogating Chanchala inside the jail and thinking no one would know about it is a big imagination

That is why, you decide where the interrogation should happen

Not public places like these hotels or conference halls,

Not even a private place

It should be an ideal place where no public moves around

What name would you say?

Chanchala sir- Good

Cell number 14 and your number is 68, remember

Chanchala

Chanchala

Let us go

Where?

To another cell...

We told you there are repairs to this cell, right? Move..

What is happening officer?

Move, you will know

Where are we going to shift her sir?

Bhagamathi bungalow

Hey, why are you here? Go...

Nothing sir

Go away

Nonsense...

Sir, into that ruined fort in the forest?

Not a fort

Police guest house plus camp office

We can silently finish our work and come back saying that Police drill is happening

Not that sir, that is...Come on

Go and prepare the route map, go

Ok sir

What Lingamurthy? why did you leave the bag like that when said Bhagamathi bungalow?

I just left the bag listening to that name

But many people did not listen to me and left their lives going there

What are you saying?

That is not any ruined bungalow, but Bhagamathi bungalow

That bungalow is 8 Km away from my village

Listening to that name, not just kids but even the elders would pee in fear Bhagamathi? who is that?

Bhagamathi is the queen of that area

She used to imprison those coming in her way and opposing her in that same bungalow

and used to sacrifice them on every new moon day to the Goddess

After finally being killed brutally by her enemies

they say she has been roaming in that room as a ghost

even till date

Sidha babbi...

What is this madam?

This is the lemon given by my Guruji as I fear about devils and dead bodies

Oh no, my lemon

It is enough if you come till the forest area and I will manage from there

Come...

Madam

Hello madam

What Lingamurthy, did you join?

It is all your kindness madam

That is the job of your father, means your job.

Work carefully

Madam, take the sweets

Give them to everyone

Ok madam

There would not be a problem right?

There should not be

Hey stupid, what are you doing there?

Sir...Get in the vehicle

What happened?

Where are you taking me?

I have the right to know where we are going

I doubt that Chanchala is cheating me, brother

Why did you kill Shakti?

Weather report!

Because of the low pressure formed over the Bay of Bengal,

The news ends here

Sidda babbi..

Hey, what are you man?

Sir, he sneezed exactly while entering. Shall we wait and then go?

Hey, get down and see

Is anybody there?

Hey, go and open

Sir

Watch man, sir

Go sir.

Why did you bring me here?

We are going to be here for some days,

not as a prisoner but closely like a house arrest

Few officers are coming for you and your job is to answer the question they will ask

Remember, you have freedom only till you are in the house.

If you try to escape...

Hey, come here.

Where is your duty and where are you?

I stay here all day sir..But in the nights here...

Why, fear?

I have children sir..It is not possible during nights sir

Ok, here...

My people will be here Sir...

She too would be here Ok sir

Tell your wife and make all arrangements for them, go Ok sir

Go...- Sir

Madam, say you will not stay here madam

They are saying something is inside

Yes madam, you do not go into this evil house

Devils?

Are they not there outside

That is...

I do not believe all such

Please madam...Madam

Oh no Madam

Hey, why did you still not go

SirGo

I am Kanchana, wife of watchman

It seems, I should arrange all you need..so brought the clothes

Take bath and come, it seems some officers will come

What is there that she is seeing?

Oh god

Is it just you?

Bathroom...

In that corner

Did you get frightened?

I and fear? No...

Oh god...

Hey, who threw the stone?

Shakti...That fellow

Hey. Who said you to throw stone?I do not know sir

Who asked you to throw stone?I do not know sir

Tell me idiotI really do not know sir

If you try to instigate public throwing the stones...

The properties are ours...

The properties are ours...

The properties are ours...

Stop it

What is all this?

War for a shelter to stand..- Oh..

Are you the one who instigated andbrought all these people here?

Not by instigating but by saying the truth

We were ready to sacrifice the life ofthe public in 135 villages and a river

But we came here to questionas the pay back was not good

When some good is happening to the nation,few people may face trouble

Just because of that, should we stopthis project favoring lakhs of people?

Anyway it is to go good to your peoplethat we are here...

Before the good in your heart reaches us,it is melting down like the ice

Meanwhile their lives are burning like hell

But, it will not happen when I am here

Ahh!Charge!

Hey throw and do not leave anyone

Force.. go other side- Please madam..

Hey...Police...

Hello, Police...

Madam.. Madam..Please have some water

Will the good you said happen...

to these innocent public or to thecontractors who got the stones thrown?

Assistant Commissioner...

Brother

What man, correctly the food...

Hello...

Hi..

You should have at least called me right?

Please come... I will change and come

Hey, atleast you should have told my name to the Police?

Your name?

Police would have just left me if i told them your name but not the villagers right?

After completing MBA in Australia, leaving a job paying lakhs of salary when he came back here saying my place and my nation,

I first felt very bad thinking his career is got spoilt

But after seeing those villages which got better in two years,

I am feeling very proud that my brother could do that

Yes madam,

To make people believe and vacate these villages in your time frame

Shakthi is the only correct person madam.

They all believe him who helps them

Shakthi... He is very short tempered madam.

By chance if something goes wrong...

You are leading us not into the darkness but into the light

For a project that does good to so many, I will be there with you

Let the first rays touch and melt me at the Sunrise

I am witnessing a new friendship getting close

Some unasked question disturbed me deep and will there be an answer found for that?

Will the story happening be understood to my naughty heart and then will the story change?

Walking along with you and observing being your shadow

I am seeing me in you from my past like this

Let the first rays touch and melt me at the Sunrise

I am witnessing a new friendship getting close

Let the first rays touch and melt me at the Sunrise

Why is my breath proving existence too is disturbed?

I never even dreamt this hesitation to be cleared

You are like a sea in me and I being a tide in you Is it the love when we be united?

Forgetting the times and giving happiness

You are being mine as my journey and my destination

Let the first rays touch and melt me at the Sunrise

I am witnessing a new friendship getting close

Why are you like that? feeling nervous?

Relax...

Hello

We did not expect you sir

You are a girl of my family, dear.

Congrats Thank you

Interesting

This place of Nizam times in the thick forest area was...

once a summer holiday spot for Nizam police officers and British officers coming from Lashkar

Not knowing what to do with this after independence, Government gave it off to the Police department

Security wise?

None in the department also knows of something like this existing

All around are feeling this as some Police training camp

So, this is the apt place to interrogate Chanchala as you think

I see

And our hub is that side

We can see everything, in and outside the bungalow from here except the bedroom and bathroom of Chanchala, madam

Not even an ant can go in without my knowledge

Daarukh Madam

Go and get her

Mr. Sampath, thanks for everything

It is my duty madam

Chanchala may hesitate to say a few things if you are inside.

So, your service is enough till here

Mr. Jose, close the gate

Please..

Vaishnavi Natarajan from CBI.

Please...

This way...

We can leave fast from here if you cooperate,

So please

Mr. Darukh, voice clear and recording

Proceed

Can I know why I am brought here?

I think you are not so innocent not to understand,

Chanchala IAS?

I am in situations not able to understand

I see, ok

We need few details in the case of Eswar Prasad into corruption allegations and ready to be jailed

Minister Eswar Prasad?

Yes

Cheating public on the name of good deeds,
his illegal politics, plusses and minuses...

you are going to say it all

Sorry, you are barking at the wrong tree.

I do not have the answer for your question

You will not find it anywhere

and you do not have the right to ask me those questions

No..

What if the court gives me that right, secretary of Eswar Prasad?

Not just the allegations but Eswar Prasad is in our hands along with the proofs.

Proofs about Eswar Prasad?

Come on, it is fake orders man

Chanchala would say the truth only when she believes that Eswar Prasad is into soup, right?

We strongly believe that you are the only person knowing all his secrets

So, you have to answer all our questions

What to say?

I will surely talk about your problems- Sir..

One minute...

I doubt some conspiracy is on about you sir

Conspiracy?

I mean, from when you announced me as your political heir

they are trying to push you into some or the other case sir

I am working for the public and our loyalty is in our support

Even if the God does not save us, these people will save us

Do not fear

Not like that sir

No idea in which matter you got evidence against Eswar Prasad

but I can say all those are false

We will take care whether true or false, enough that you give answers.

Got it?

Why did you think to continue with Eswar Prasad for the second time too as Secretary?

Through which relations is that?

Even I did not like working as secretary with Eswar Prasad as my first posting instead of an administrative job

But I came to know only after I started working with him that..

he is a great person to sacrifice anything for his goals

Eswar Prasad starting his journey from people as a student leader

Seeing the same quality of working hard for the public, people took him as their own and gave him the posts

His personality is to keep his brother away for using his name for recommendations

Though poor that same loyalty is made him Minister thrice
That same character inspired meto work for the second time with him
Did you not find any negatives withEswar Prasad in your ten years of
service?

Why not?

Forgetting wife and kids saying public and service,
unable to earn huge money in wrong ways,
still paying money for bank loan taken for education of son,
thinking all belong to himand that it is all for him and daughter...
Election commission records are saying thathe spent three crores extra than
the election fund

It is all false, check once again.

Then friends...

Who will be there as friends?

PA Chari who travelled from first with him,Ajay and five more followers

These are his army, strength and wealth

Where does he go in his free time?

Swiss, France, Italy...

He keeps visiting all the ancient temples in the country.

If he has very less time, he goes to his favorite farm house

Is God a belief or business for him?

I mean, will your God visit temple in devotionor to make public believe
him?

He goes for the God

Done for the day Chanchala,

take rest and we shall talk tomorrow

Mr. JoseMadam

She knowingly or unknowinglysaid he visits ancient temples

Yes

Enquire the details of all ancient temples visited byEswar Prasad in the
past one year and also the situation there

Ok Madam

Ok ayOk madam.

Goddess...I pray you.

Hey, what is it there?

Sacrifice for the spirits of elders madam.

Bad days right madam?

These are the items for angry devils to take revenge madam

Will they come, eat and go if these are put?

It is the village tradition madamand added today is no moon day and
Wednesday

That demon...

Hey, go away

Sir

HeySir

You be here as security for Chanchala this night

Subba Reddy, you...

Nonsense!

She should not come out or you should go in without my knowledge, clear?

Lock the main door and throw these in my Jeep

Hey..

They kept a lady alone in the house which scares even the ghosts.

Poor lady, no idea how is she?

Ok dude, do devils exist? Yes, they do

I am running family with one and my father in law with another.

Come on drink

Oh no...

Lingamurthy... I thought a devil

Madam... Madam is calling. Lingamurthy.

Madam

Is there no power?

It is a cyclone madam and wires are cut some where

We called the electricity office and they said they would come tomorrow

What about the generator?

Diesel is finished madam, even the cameras are not working

Madam, it seems wife of the watchman cooked food and kept on the table.

Please eat it

Is anybody there?

Coo...

Baa...

Devils it seems...

Rubbish...

Who?

Who?

Who?

Who is there?

Coo...

Baa...

Coo...

Baa...

Coo..baa...

I do not know anything...

Coo..baa...

I do not know anything...

Coo..baa...

Coo..baa...

Listen to what happened when I was going alone in the midnight

I turned my head and saw,

a devil with fire in hand was sitting far away
Fire?
How?
Like this
Fire, how, like this... This idiot is a senior and I should tell him stories
it seems
Come dude...
Hey..
Hey, get up
Hey, is it fire...
Lingamurthy...
Subba Reddy...
Lingamurthy...
open the gate
open the gate
What happened madam, what happened?
There...!There?
Is it? what are you saying madam?Please open the door
Hey, open the lockHey, keys
What I saw outside, she saw it in. Open the lock
He is a retard and we both will lose our jobsif we open the lock
At least make a call
Yes, phone
Self your control madam, wait a minute
Hello
I am Lingamurthy sir calling fromBaghamathi bungalow post sir
It seems there is some smoke inside
Devil
Yes, devil is there it seems sir
You mental idiot
She is a candidate caught red-handedafter committing a murder
She is trying to escape from you playing crazy tricks
It seems there is a devil sir
There is devil nothing,ask her to shut up and sleep
open the door.
Hey, open the lock
He said he will kill us if we open the lock
Damn
Sorry madam
Madam, why did you sleep here?
Madam, madam
Oh no, what are these wounds?
What happened madam, get up. Get up and sit
Oh no, there are wounds even on the face

What man, why are you just standing and staring? Will you not care?

You move in madam

You have seen right madam?

We leave early before it gets dark as it would happen so

There, only that mad fellow moves here without any fear

Still, they brought you and put in such a place

Ok, have this coffee. Take it.

Yes madam, you are scared seeing the smoke, it is unbelievable that you killed a person

Good morning sir

What man, they are now strangely saying she shot in self defense

Reports say finger prints of your guy on the flower vase were in attacking position.

It is difficult for the case to stand if it is so

What are you saying sir?

Sir, she has a big plan. Intelligent..

Sir, my brother called and asked me to come there before dying

But, before I went...

A thousand things might happen before we go

She might escape from the law but not from me.

I will not leave but kill her.

I do not recommend such things much

What happened?

That is...

I fell in the dark

Are all the wounds for sympathy?

Mr. Jose

Ok,

your boss Minister Eswar... Excuse me, my boss is Governor

Okay.

You are saying Minister Eswar Prasad you worked for never makes mistakes

I am saying he used to do mistakes without the knowledge of anyone

Everything I said is true

I would say no

I say Eswar Prasad is a thief

Saying is different and happening is different

You said corruption yesterday and saying he is a thief today

Is the clarity missing in the case? Or is the clarity missing on your side?

Hey, just answer to what is asked

Let us come to the point straight.

Valuable idols are being robbed from the past six months

You know where? In the most ancient temples Eswar Prasad likes

I am saying that your God is in the work of robbing, selling and making money from those gods

Why do you think the money he never needed in the past 29 years and six months suddenly was needed by him in the past six months? Even if it did, nowadays when you can earn crores just for a sign, is the idol robbery required? Still, he does not even have the greed to become the CM by collapsing the Government.

Think big
I will prove that you are wrong.
I have all the proofs
He should be punished for that. Then go arrest him
Sir, this is the second day and I am dealing with an IAS officer
Manhandling is not possible
Is she answering to what is asked? Yes sir
She is giving information for all our questions
But we still did not get the point to trap Eeshwar Prasad in her answers
Try giving her some offer
Ok sir
I will try in that way also. Thank you
Let us think Eswar Prasad is a good man as you said.
But why did he not help in any way when you were in jail for so long?
But, you are thinking of saving him.
I will help you get out of this case
Your life and your job, everything with just one word
Just a word to lock that fellow
For your need
Sorry,
instead of getting out by saying a lie I prefer to be in jail for the truth
I do not like negative vibrations.
There is no chance of leaving you till I get what I want
Anybody prove that she is telling a lie.
Madam, in general a person telling a lie, moves their hands and legs very less
They will not be free.
Their total thought would be on what they say
But Chanchala is not like that, she is very free
No cheating smile, never tried to cross over any troubling question or got angry for anything
One more thing, they do not look into the eyes while talking
But she is..Confident!
She is confidently looking into my eyes and talking
After finishing her verbal statement, giving an expression gesture, sweat or unnaturally touching behind the ear or neck are not present
Answering directly to the questions asked, her body language, by analyzing

all these...

Finally what is she saying?

Truth madam

Unless trained greatly, whatever she is saying is all truth
(Praising God)

Sir, Minister sir you...What is it in the temple?

The one who made me a Minister is inside.

If I pose before him, he would bring me down and send me home

Anytime, one should be going up without all these decorations right?

Go..

Not like that sir...Sir is saying right, go now

Please go..

(Praising God)

Nothing sir

No problem sir, you finish

Oh Goddess!

You remind once sir

Ok, I will see

Move on sir..Who are you talking to for so long on phone?

I was talking as a friend called I said to talk right, you do not worry

Why is this Convoy and all?

You know that I do not like all these right?

Why is she screaming again?Let us see, come

MadamMadam

MadamMadam

Where is she?

Madam, what happened?

Yes Lingamurthy, say

Sir, madam is shouting again from inside

I told you not to bother, right?

It is completely different today sir

Today power has come but still she is not coming out

Not able to understand what is happening to her inside sir

Hey, go into the hub. Quick...

Hey, you keep watching, I will go into the hub

Have you come? I came sir

As there are lights, you can see all the rooms in the bungalow

Yes sir

Say yes if she is in the room, else say no

Interrogation room

No sir

HallNo sir

Hall upstairsNot seen sir

Kitchen
No sir, she is nowhere
Sir, what to do now? One minute, let me think
Do you have the gun I gave you?
Yes sir
Listen to me
It is only her bedroom without a camera in the bungalow
Go inside
Sir
I feel a lot of people are getting involved in this case since the beginning.
If you see anybody like that, kill them
Or if she tries to escape, just shoot her
Sir
Shoot and kill her
Ok sir
Madam
Madam
Madam
Madam
Madam
Madam
Why did the screams stop?
Screams have stopped, shall we go

Come on escape
Come on run, do not stop.
Subba...
Hey, come let us search madam

What is happening here? we will leave
Madam, this is not the right place.We will leave, come on madam
Where would you go, idiots?
What madam?
Where will you go andWhere will you take her?
Is this any cattle shed for anyoneto get in and get out at their will?
This is the abode of Bhagamathi
Please leave me madam, I will go
Madam
(Strange language)
Who are you madam?
Oh no.
Who am I?
This is the burning Bhagamathy...
This is the slashing burning fire...

Accounts need to be settled...

I will not let even one person get out...

Do you not know to arrange lady security for a lady?

Madam, let me remind you.

We have not brought her out of the cell as per the rules

Anyway, Bhramara would be there for this night

How is Lingamurthy?

He looks like about to die, in the hospital

Even Subba Reddy is shivering with fear and is asking to leave madam

Call him

Who is this Bhagamathi?

Maybe the building owner madam

But for Chanchala, this is a drama for escaping from here

and I am very sure about it

Ok, but why did Chanchala not escape though she got a chance from the night?

That is...

Find out

who is this Bhagamathi and what is her link to Chanchala

Shall I wake her up?

No,

Hello madam

Why did you go inside?

We went in as Sir asked to go madam

But I saw death from very near madam.

Madam, I will leave if you relieve me.

Please madam, please

We cannot enter new people into this case

Bhramara will accompany you, you got to stay here if you need the job

Got it?

Madam

I like your proposal, we will definitely discuss it later

Ok thank you sir. Ok.

Nice meeting you

Chari

Sir

He is doing something without my knowledge

Shall I find out?

No, leave it

Sir

Hello sir

Please come sir- No

It is not good for your political career to maintain relations with those I sent out for doing mistakes

Nothing like that sir, as he asked for some gas filling station...

What, is it a recommendation?

No sir

Sir..

You look a bit weak?

Oh no

She is a murderer.

You are showing sympathy?

How did you come into this job?

Paying five lakhs madam

Your name?

Chanchala.

But you said Bhagamathi?

When you were screaming loudly and hitting everyone yesterday night

Do you not remember anything?

Ok,

do you remember how you got all these wounds?

They are hitting me

Who, is it the Police?

I do not know

Someone is hitting me without being seen

I am not understanding what is happening here

Please, take me out from here

Please..

You believe in ghosts?

I do not

Then, do you have any relatives with this name of Bhagamathi...

I mean Aunt, mother in law, grandma,
neighbors, friends or anyone?

Then, in this bungalow?

Do you not know?

Then, shall I say who this Bhagamathi is?

Bhagamathi is a college student

She one day asked her boyfriend to take her for outing.

He brought Bhagamathi to this isolated building

He did not come alone

He came with drink and friends.

Everyone became animals taking the drink

Catching Bhagamathi alone, one after the other, one after the other

So bad you know...

This building resounded with the screams of Bhagamathi becoming bait for
their hunger

Badly she has been exploited.

They left and she was here alone

Bhagamathi who became a bait to others, and whose body was a mass of pain

could not bear the cheating done by her boyfriend on the name of love
She died in that sorrow by hanging herself in this bungalow
She died a worst death
No...
Oh no...
Oh my god!
Yes...
No...
No..
My God...
No...Madam
No...
No...
Everyone believed that dead Bhagamathi has turned into a ghost.
You heard the story too and are believing it.
No, no, no way
Bhagamathi is not an ordinary girl
Then, who is Bhagamathi?
Queen,
queen, the queen of this fort
The queen who ruled the Kalangi area with her finger tips is this Bhagamathi
When the Dynasty of this Gopal Deshmukh Satapatre having no male children,
was being invaded by Nizam to take over into his rule,
showing bravery at the age of 12 and held the sword and like a warrior,
the one who safeguarded this Kalangi dynasty is this Bhagamathi
When Nizam said he had liked her courage and asked her to rule her land,
she gave an assurance that he too will not have the fear of death from her.
That is this Bhagamathi
So, you mean to say you are queen Bhagamathi?
Yes
Kakorrhaphiophobia,
a fear of failure or defeat!
You are going into an imagination without your knowledge Chanchala
Bhagamathi
I do not believe it
Not just me but no one here would believe it
Believe it and you should ultimately believe it...
Ok,
you are Bhagamathi and I believe.
But why did such great dynasty that you safeguarded bravely become an ghost
house now?
They are calling queen Bhagamathi as demon Bhagamathi
Chandrasena
Why are they fearing to look at this bungalow meant for the public?

Chandrasena, Chandrasena, Chandrasena
Chandrsena...?
who is he?
My army head and the reason for downfall
He was a moron named Chandrasena
He aroached pretending as a servant with false thoughts
Believing all that as true,I gave him all my powers and support to him
Even the people...
thinking he was an apt warrior for thisdynasty, made him the leader of the
army
But, what did that fellow do?
He showed up his selfishnessfrom the moment he got onto the post
He looted everything joining hands with the bad guys
With the greed to become the king,
he cheated me and public using his powers
Money, wealth, lands, oh God he did not even you at last
Not just troubling my army,he made my public swallow fire and killed them
He spread gossips that I was sick,made all believe it hiding the truth
and made me a prisoner in that room till death
Unable to see the cruel deeds by him
feeling ashamed of my helplessness unable to do anything...
Here, right here I died hanging myself
But I died and came back to kill that fellow
No one can leave from here till I free my armycaptive in his hands and I
kill him
You still avenge Chandrasena who died long back?
Still, you wish to kill Chandrsena,who does not exist and that is your
disease
He exists, he is alive.
Accounts need to be settled and I will not let go anyone
I got doubted her as a Schizophrenicand did so wantedly
Is it not a ghost Doctor?
Not a devil but madness
Madness?A mental illness
Talking with a changed voice
Assuming some old stories heardto be a truth and getting into them
I mean, getting involved into it, hallucination...
Did she have any personal loss in the recent times
like losing any close people,
work tension or something hurting herheart may have taken place
and that would have led to such wild behavior
I mean that might have triggered to this kind of situation
As far as I know it never happened before to her Doctor
Why do some people get possessedlistening to the sound of drums?

Similarly the negative vibrations or the loneliness in this place may have brought her those remembrances
Better shift her from this place madam
and use medicine for those wounds
You too Doctor
Good sense of humor
Take care Doctor
Hail Lord Siddappa...
You are great madam
You are not running away even after seeing her
I have my Guru Siddappa,
he said he would come down to drive away this devil.
Great man!
It is not me running away, I will make that Bhagamathi run away, keep seeing
He would peel her skin and make her a mess
Bhagamathi...
Chanchala madam
Oh it is you... is she not in you?
Madam that was not what I meant.
I asked is that dirty devil not there.
You should not come without saying ready, right madam?
Sorry, I will leave
This idiot pushed me in and escaped.
What madam, why are you sweating?
It happens before the motion starts for me
Will you drink?
No... system would get speeded up
Why?
No
It is just a chair right, let me sit
I will go, you be careful
Where will you go?
Where will you go idiot?
What happened Reddy?
Will you go?
Will you go?
Will you go now?
Oh no, it has come. Bhagamathi has come.
Hey Siddappa where are you? Come and save me...
Your lemon, your Guru and you stay without fear, what?
You are scared so much when I shouted
and if Chanchala madam comes and shouts Bhagamathi,
you would have died in fear
Come on,

we shall go out and do the duty.

You and your crap build up...

MadamYes

These are the income tax details of Eswar Prasad
and these are the official bio-data acquired by ACB

Did you find out the language spoken by Chanchala?

Yes, it is Arabic madam

Arabic?

Father Venumadhav and mother Madhavi Latha...

Telugu, English and Hindi

Is it possible for a person to speak a language she never knows?

Madam

I enquired in the villages nearby the bungalow

It is true that a queen named Bhagamathi Satapatr ruled from that bungalow
before independence

and also true that she hung herself right there

That old man said a great truth above all

It seems she learnt Arabic to communicate with an Arab secret agent working
with Nizam

Not Chachala but Bhagamathi knows Arabic

Oh, then not just Bhagamathi but some accounts should tally even for me

Maybe we should not be rigid in some matters

What?

There would be few matters even beyond science, right?

What do you mean?

Straightly speaking, how about calling an exorcist and showing?

I do not believe all these Darukh

Whatever it is but good if it helps us madam

Bad omen

Darukh

Swami...

I am saying again

I can find out if there is a bad energy in this house or not but I do not
have the power to drive it away

Another way to this house? No

Yes there is

Though Chanchala knew this way, why did she not escape?

The darkness here will not let her escape

I know that you educated people would ask for proof

Here, this is a shapeless rudraksha.

It does not have faces

It turns red when in contact with positive energy like Yoga fire and
turns black when in contact with negative energy like radiation

Check this after two days,

if the color changes, then there is some power here
This is the scent decorating Ujjaini Kali Goddess
This water does not lose its fragrance unless in supernatural conditions
Hail Goddess Mahankali
You know that condition right? The evil.
Keep this in the room of the girl
If a foul smell comes, understand that it is not just one in that body but
even another
These are the foundation photos of Pranadhara project
A good project making more than six lakh acres of lands fertile
But how did a project getting permissions before six months
come into the hands of Ahluwalia group starting a year back?
What is the interest of Eswar Prasad in that?
The amount quoted by Ahluwalia group
Though the signature on the project is of Eswar Prasad
the decision is of an IAS committee
I was the chief of that committee and it was me who sanctioned that
It was in this project that Surya Prasad, brother of Eswar Prasad did some
management right?
It is true.
Eswar Prasad pushed him out as he asked for commission from that group
Not just in him, but he does not let mistakes be seen even around him
It is impossible to be so perfect being in politics
You are unable to listen to the facts I am saying about him in an attempt of
showing him dirty
Is it?
You are looking at me as a follower of Eswar Prasad
You are forgetting that I am an IAS officer.
Believe me
I will not believe Eswar Prasad and not even you
Consider your life story finished.
Go
You met Shakti in this project right?
Come on dear Old man, tie properly
My dear please come
Hey, where are the belongings of Satyam uncle
You can study well in the village we are going
You say sir
Yes dear
As much as Chanchala sister
Please take her. Come.
Hey, is it moving? Yes
Throw this up Shakti
Where did you get this money from? They gave us all in the night, right sir?

What is this?

Government would either give a cheque or a DD to vacate villages but why are they giving money?

They gave money to everyone sir

What is exactly happening?

Why do you not say? They distributed in the total village asking to vacate fast right?

None should go away from the village till I say

They gave money, right sir? If some problem comes again then...

I said not to cross the village right?

He is saying right?

If Shakti sir says, there would be a truth in that

Sir, we will not move from this village till you say

Hey, bring down all those materials

Who gave the money?

Hello...

Madam, he is beating me. I am scared If he might kill me madam

Who and why?

Shakti madam, Shakti

Shakti? Yes madam

Sir... One minute.

Please give the phone to Shakti once

Tell me

Shakti, whatever is the reason it is not good to manhandle an irrigation office

Do not speak about good, you change to be good first

Who went wrong now?

The time has come to finalize right or wrong

What is this Shakti?

Come, we will talk about the Adavinekkalam.

Shakti, listen I should talk, come down

What happened dear?

Nothing sir, Shakti...

Anything personal?

I am frightened seeing his anger

All these are natural in love dear, you go and talk

Madam, see how he hit me

What is all this Shakti?

Proof for the your cheating by using your power as a chance

What cheating?

Chanchala, public is my family.

You are just a part in that family

I will not forgive anyone if my family is cheated

Shakti, you are speaking in anger. Think and then speak

Oh, are you looting eight villages after thinking?

What are you saying, what is looting?

What exactly do you need?

I need an answer

Madam... Oh Madam...

Kanchana is not coming today it seems. Take medicines and have rest

Ok

Attack of an angry man on an officer... Personal revolver

They said she shot him to save herself,

looks like they will even strike off the case

In four days she would walk back home

Sir...

Sir...

You go fill the diesel and come

But bunk is far away sir Do what I said

Hey Subba Reddy... Give me the keys and go

Go.

This is a shapeless rudraksha without shape.

It turns red when in contact with positive energy like Yoga fire and

turns black when in contact with negative energy like radiation

If color changes then there is some power here

(Strange Voice)

(Strange Voice)

This water does not lose its fragrance unless in supernatural conditions

If a foul smell comes, understand that it is not just one in that body but

even another

Hey Chanchala...

Chanchala...

Chanchala...

Chanchala...

Chanchala...

Please..

Chanchala... Please.

Chanchala...

Chanchala...

Please..

Hey, are you gone any mad?

Chanchala...

Chanchala...

Chanchala...

Chanchala...

Chanchaa fire, move Chanchala

Fire Chanchala...

Chanchala...

For Gods sake...

(Strange Voice)

I have no answer for few instances that took place in Bungalow madam
But seeing her condition and wild behaviour, I had to shift her to
hospital...

To a Mental hospital

Yes madam, Psychiatrist has suggested

Poor girl, we have not believed anything said by Chanchala.

Before something happens to her...

We did not get any information we needed from her.

She is not needed now for the investigation

After recovery, shift her to the jail

Ok madam

Sampath, why is all this not recorded in the cameras fixed in the bungalow?

That is... Power was gone madam

I see

Take care

Madam, phone

Sir

How far have you come Vaishnavi?

No sir, I came back to where I started

So much time for a small thing? Unfit Vaishnavi

Sir, you asked me put a remark on a good man and that is not so easy

Say straight that you cannot

Ok, think the same and try it with some other if you want to

Listen Thank you sir

Listen Vaish...

You said you would tell me a story in the night too... Why did you not?

Sorry dear, will surely tell today ok?

No need, I told it to myself

Oh, you told it to yourself?

Very good, what is that story?

Long ago in a place named Shangrila...

Hey... That is the name of our hotel Come on, listen to what I say

Okay.

A monkey like Abu in the kingdom of Aladdin

Name of that is Pinky and it had huge tummy as it ate a lot of garbage

It met a King named Goutham in the Wonderland kingdom

He was very rich, it seems he had so many servants.

There is a Prince named Khairo as his villain

He was- One phone it seems

Oh no Please dear...

Yes Darukh

God morning Madam. As you have said, we had taken a back up of all the data

We have taken all precautions security wise too
We are all set to wrap up Madam
Do you want the hub to be cleared too?
Ok, clear everything
Ok madam
Name of that is Pinky... In Wonderland kingdom,
There were a lot of servants
it had huge tummy as it ate a lot of garbageIt met a King named Goutham
Pinky.. you saw the wonderland andeverything and told me a story?
I did not lie to you but you could not catch it.
It is your mistake
Jaihind sirWhere is Chanchala?
Sir, why will Chanchala be hereWhere?
Sir, when she slipped in theprison bathroom and had a blood loss...
Will they bring to mental hospital in case of blood loss?
Has your CBI told you to say so?
Sir, not there but this side.
This way sir
Hello sir
Sir....
Hey, see to him.Do you not take care of patients?
Hey...Hey, go fast
Take him away
Sir...
My dear right, please eat a bit
Listen to me dear, please dear
Hey, what is this man?
How was she and now...
Listen to me dear
If you had anger on me why not trap me into some scam?
No, nothing as such sir
That girl had some problem and....No.
Why did you make that poor girl a baitfor a conspiracy on me?
She is already a girl who lost in life
Sir, no please she is unstable and do not go
Oh no
What is this stubbornness dear?
Chanchala dear
It is me dear,
it is me the Minister
I have come dear.
Come dear...
Go out... Take him out
Sir... Please sir

Go man
Please move sir
All of them have left.
Please come out dear,
come
Hunter in waiting for the birds is hiding with a trap.
All birds came together and flew carrying away the net escaping from the
hunter
They took it away
What is this dear?
Why so much of affection dear?
How much good have I done to get people to serve me like you?
You are taking so much pain for me. Why are you doing all this?
By chance, do you have any lust on me?
Enough,
you acted greatly.
Get up now
Chandrasen!
Chandrasena, Chandrasena and Chandrasena!
This Bhagamathi is the queen who ruled Kalangi area
Kalangi
Look here madam
Even Chanchala recited a story just like my daughter.
Bhagamathi is a cooked up story
Were you frightened?
Fear?
Bhagamathi...
Bhagamathi...
Super acting...
You frightened everyone
Everyone who saw you were dead in fear thinking Bhagamathi really came into
you
Those hunters coming to catch me...
I mean those CBI officers and that Sampath...
Poor guys got frightened thinking something may happen to you
Jose often was updating me about things happening there
Manage the same for six months more.
All would completely forget you and me
We too shall fly away like those birds
You saved me from CBI as I asked
and as you asked 300 crores will come into your account
There is nothing we eat in this Pranadhara project.
But on the name of the dam..
The offering they would give to dig and take Bauxite underground from those

vacated eight villages

is these 1800 crores

Many thanks for informing about the CBI interrogation and if we can get some privacy

Sure sir

Chanchala, they would put a CBI enquiry over me it seems

and they are going to corner you for that it seems

They would question you about what all crimes I did,

the answer you should give for everything is...

I am ideal even for those Gods.

The offer I have is 1800 crores.

Tell me how much do you need?

300 crores

300 crores? Ok, take it.

How to believe you?

Okay.

Ok, I will keep you as the keeper of the total 1800 crores.

You give me 1500 crores after what we planned is completed

Ok

Do you still have any work with me?

I should ask that.

Do you still have any work with me?

Find out Eswar Prasad right now Sure madam

There is some registrar who wants to speak to you regarding some farm house

What is this sir?

It seems like she may not come out till six months

You put 1800 crores on her name even though when I was saying no

We now need her signature to get even our 1500 crores right sir?

How much?

1500 crores

1800 crores

Why does someone who is going to spend in jail need money?

I put the total money on her name that day as she should not open the mouth at CBI

That was to state that she did the scam if something negative takes place

But now we just need her sign to change the total money to our name right?

Give it

tell me without any fear

That farm house is on a holder named Ajay.

Not just that but thousands of acres around

that were bought by Mr. Eswar Prasad on the names of his people for low rates as the project is going to come up there

All these lands are in the drowning belt of Pranadhara project

It was again he, who made the Government buy those lands back paying high

price

Except Adavinekalam, all the others gave the landsand fields for the project whole heartedly

Adavinekalam?

Yes madam,

only this villiage has been opposing this project

You just asked whetherI still have any more work with you right?

I forgot the work I have come for

Sign...

Though he has not earned too much money in wrong ways,he has a son studying in America and a favorite farm house

He visits all ancient temples in the country.

He goes only for the Gods.

Robbery of idols...

Greed to become the CM collapsing the Government...

Amount quoted by Ahluwalia...

Crores coming in with just one sign...

You are unable to listen to the truthI say in your intention to show him up dirty

Think big...

Think big...

Think... Big...

He is a moron named Chandrsena

I named Eswar Prasad...

Even the public made him leader of the armythinking him a good leader for this kingdom

As the Minister of irrigation ministry wouldserve for the development of this nation

Believing all that as a truth I gave all my supportand energies in his favor

Chanchala IAS

I am at your service sir

Good, keep it up

But, he showed up his greedthe next moment he took up the post

Money, properties, lands...Oh God, he finally has not leave you too

Double crossed!

What Chanchala told us were not lies.

But the truths about Eswar Prasad

As a PS, you signed for many of my profits

Now the last sign to be done togetherfor the profit of both of us come on

I thought you would sit tight saying loyalty and truth

But did not expect you would come intomy way systematically asking money like this

My work is done...

Completed...

Bhagamathi!

Hey, what is this Bhagamathi?

I am asking, what is this Bhagamathi?

What rascal, are you trying to cheat me?

Hunter putting a trap for the Chief Minister post

All birds coming together escaping from the eyes of hunter flew away with the plan

Plan?

Did you not understand?

All the story you saw till now is just what I lanned to show you

The trap is not yours but mine

Not just resignation

but will quit from politics

I will get out from the post of my Minister if Government does not catch the idol thieves

Yes sir,

this is a big conspiracy by Eswar Prasad to collapse the Government

Why don't we not lock him up?

We shall move it from the Center and that too on the name of CBI

No...

No...

Hey, you cheated my confidence

You cheated the confidence of the public, idiot

I too thought you as a God,

but you made me stand as a victim before public and the Government for a mistake which I never committed

You made me kill my love with my own hands

Madam, see how he hit me

What is all this Shakti?

Proof for your cheating using your power as a chance

Shakti, you are speaking in anger. Think and then speak

Oh, are you looting eight villages after thinking?

what is looting?

What exactly do you need?

I need an answer

The villages to be vacated for Pranadhar project you sanctioned as an IAS are 127

But why are you vacating 135 villages?

Why did you add up 8 villages no way connected with the drowning map in the list and sign?

You used even me on the name of love and got those villages vacated

How will this mistake take place without your knowledge?

Say...

Say Chanchala,

Say..

Sir, you and here?

When your would be husband is doubting you, I do not understand what you are doing behind me

Are you darkening 35 years of my political career?

Sir you too are doubting me?

Yes, i trusted you Chanchala...

You are making public think about my dream of 10 years as greed

What man, you too think the same right?

Chanchala, shall I say the answer as a gift to such a long service from you?

Yes...

I am the face behind that Pranadhara project

It is me who changed 127 villages to 135 and cheated all along with Chanchala

I have been searching where the mistake was happening

But I never expected that mistake to come searching for me

Before I start a work,

Searching for the obstacles that come in the way and finishing them one by one is my habit

Guys like you pretending as God and continuously doing mistakes...

Shakti... Save me Shakti... They will kill me Shakti

Save me Shakti... please..

Why do you see? Finish him

Madam, at least you say madam

Madam, at least you say madam

Public have been waiting that someone might come to do good

But crazy idiots like you are repeatedly cheating them.

Damn it!

Yes Chanchala, crazy!

Every person will have a craze on something.

He is roaming in the craze of doing good for public and you with a craze of love on him

I am roaming with a craze of becoming the CM.

But your craze has no need of money dear.

Money is needed for my craze to become the CM

What idiot, are you getting angry?

I too will get angry if you try to mess with my dream

Stop

All the villages you vacated will come back again if you kill him.

That public will chop you into pieces

Wow, great logic!

Why with my hands then, I will make you kill

What are you seeing?

This is your gun.
Come on kill,
that truth is the justification for the lives of hundreds.
That has already reached to the public of the village needed to reach
Even if you stop this Shakti here, that power will not stop
Who?
Is it your friends whom you sent to stop the other seven villages leaving?
Hey...
Bring it...
See...
Hey...
I will kill you rascal..
This is recorded, will you see live
Hey, you stopped them not to cross the village.
They are now crossing the Universe now
Hey, give it...
Come on kill Chanchala,
murders will continue there, till his breathe stops here
Public of that village losing their lives without their knowledge
and the other seven villages ready to die and this officer knowing the
truth... Say how many lives...
What I asked you in return is just the life of him alone
Come on kill...
Kill
Madam, he will kill Kill Chanchala
Madam, he will kill
I beg you, leave idiots leave
Kill Chanchala, just shoot me
Shoot me Chanchala
Time is passing Chanchala, shoot fast
Hey, give it here
Hey, that pregnant lady out there, kill her
No...
No...
Oh God, dying along with me even before opening the eyes
I beg you, leave her
Oh no, leave
Infant Chanchala, come on kill
Madam, he will kill. Come on kill Chanchala
Good job Chanchala,
take rest in peace inside the jail in the murder case of your lover
If you ever open up your mouth about this before my project completes,
I will put up a live show of the death of the rest of the people of this
wherever you are

I thought to show your face to the public.

I showed it.

What rascal?

You wanted to trap me with CBI and thinking to take away all 1800 crores?

Do not forget about the village public.

You, CBI, Home Minister or no one can do anything to me

You...

By the time you get to know your end, you would half ruined from outside

Sir,

they freed all the public of that village.

They arrested all our guys and the Police might come here any minute

You cheat, I will kill you

The strength of a King is money, public and brain

I looted money from you and made the public go away from you

And your brain, is dead when you lifted this revolver up

Not the ashes but I am going to apply death to your 35 year long political career...

Completely

Hey no... Do not shoot

I do not know anything...

Accounts should tally,

I will not leave anyone

You thought that I killed your brother,

but they took away my life in front of my eyes

These are childhood photos of Chanchala with her parents

Understood how best has she used her talents for what she wished to do

Not just that madam,

seeing the dream of Shakti to save the villagers losing from Pranadhara project

being achieved through this trust by Chanchala I feel happy

Shakti would have felt so proud if he was alive

I never felt the absence of Shakti

Nothing so dear, we are talking about how you played with us through your brains

Everything is fine Chanchala, one small doubt.

That Swamiji and that Rudraksha, how was that?

That is ok, instead of taking so much pain why not tell it to me?

Who believes humans these days madam except either Gods or ghosts?

Your case is the first one I lost in my career.

I thought we had all details about you with us.

But it is not there even in our records that you knew magic and Arabic Arabic?

I do not know to speak Arabic.

You do not know to speak Arabic? Then...
