Do I look that foolish to you?  
Am I your slave?  
What do I need to do?  
Think it's easy to live this well?  
I told you not to wear this!  
Why do you keep doing  
the things I hate?  
I'm sorry.  
I'm sorry.  
I don't know why I act this way.

I love you.  
Please make me happy.  
Why? Why do you make  
me feel so wretched?  
For once let me do as I want to!  
Think I'll devour you?  
Am I some insect?  
Just please hold still. Please.  
What the hell?  
Who's playing golf in my yard?  
How'd you get in here?

Hello?  
Hello...  
Dad!  
Father!  
Who are you people?  
What are you doing  
in my father's home?  
Where's father?  
- Father!  
- Father!  
- He's not here.  
- What?  
You two.  
Stay where you are.  
Come outside.  
Hello? This is the police, right?  
Yes, I have a situation here.  
Please come quickly.  
What did you do to the old man?  
Sweetheart, you tell me.  
You killed him, right?  
What's this?  
I see you've broken into  
many other homes.  
So you took pictures  
as if it was your own home.  
Officer Lee, see if their owners  
reported a burglary.  
Yes, sir.  
You two. What did you steal  
from all these homes?  
This punk needs to learn a lesson.

Take the woman outside.  
Sorry to keep you waiting.  
He buried him secretly  
near his apartment.  
What?  
- Officer Lee!  
- Yes, sir!  
Take the CIS team  
to his father's apartment.  
Open the lid.  
Father...  
Father!  
Doesn't look like  
he was buried in secret  
Father.  
Missing Person Report  
This is you, isn't it?  
Yes?  
Yes, I understand.  
Illegal entry. Murder.  
Abandoning a dead body.  
Kidnapping.  
If you have any others,  
tell me now.  
What did you do to that woman?  
What did you do to her  
to keep her so silent?  
Sir, he's clean.  
Also, I called some of the houses  
he shot with the camera,  
and they said nothing was stolen  
Really?  
- Bring her husband when he comes.  
- Yes, sir.  
You even have a college degree.  
So why'd you break into their homes?  
Sir, he's here.  
Tell him to come in.  
Lee Min-kyu, right?  
Yes.  
She's all yours.  
Son of a bitch!  
Stop it!  
Let go!

I'm gonna kill that bastard!

Let's go.

Sir!

The autopsy results  
have come out.

It's not murder, it's lung cancer.

What? Lung cancer?

- Are they sure?

- Yes, I understand.

He was delicately shrouded.

Apart from a real ceremony,  
he buried his body

better than any son could.

He doesn't seem

like a bad person to me.

- Wait outside.

- Yes, sir.

Well, you're free from  
the homicide charge.

So how was she?

You liked forcing her, right?

What are you looking at?

Don't smile.

Your favorite plant over there...

I knew you'd come back  
so I took good care of it.

It looks healthy, doesn't it?

I've thought things out  
and I'd been too much.

I'll be good from now on.

Okay, I won't if

you don't want me to.

I've changed, you see?

Oh yeah, while you were gone,

I sent plenty of money to your folks

If it's that hard to withstand,  
then do what you like.

Isn't he being too harsh?

Smile again.

Let go, you bastard!

Son of a bitch!

Sit down!

Sit down!

Prisoner 2904!

Playing games with me, you punk?  
You scared me!  
Try that again.  
Today. you go hung")!-  
Don't pretend you're sleeping.  
I've been thinking about us,  
and I feel like a real dumb ass.  
Was I that bad to you?  
Tell me!  
I never wanted to ask this,  
but I have to.  
What did he do to you?  
Did he do this?  
He did this, but you stayed still?  
Like this?  
Like this? Like this?  
Prisoner 2904!  
Prisoner 2904!  
You son of a bitch!  
Why do you keep hiding?  
Wanna disappear  
from the world altogether?  
If you pull that again,  
I'll kill you.  
Can I help you?  
Excuse me!  
- You're cleaning it again?  
- Hi, honey.  
Who is she?  
I don't know.  
Let her sleep.  
Where have you been?  
I told you to call me  
if you go out!  
Where have you been?  
You're behind me, aren't you?  
The human eye sees  
within the 180 degree angle.  
So you're hiding  
in the other 180 degrees?  
But that's impossible!  
You bastard!  
You need more practice.  
And take care of the shadow.

And you'll have to calculate  
the human mind, idiot!  
You crazy bastard.  
Even if you cover all that  
what are you gonna do?  
Let's move out of here.  
First thing tomorrow.  
You're waiting for him  
to finish his sentence, aren't you?  
I'm right, aren't I?  
A moving service please.  
Hello?  
What's with you?  
Fine, then.  
Let's wait together for him.  
I dare you to come,  
you son of a bitch.  
Prisoner 2904! Your meal!  
Prisoner 2904!  
When I go in this time,  
I'll kill you for sure!  
You're behind me, aren't you?  
T")/ing to escape?  
Bastard...  
You think you can play with me now,  
don't you?  
You fucking ghost.  
Come out!  
We have a laundry machine.  
Why go through the trouble?  
Hello?  
The police?  
Yes, I understand.  
That bastard is out now.  
Son of a bitch,  
I dare you to show up.  
Tell me.  
Tell me!  
Why'd you turn off your phone?  
- Know how many times I've called you?  
- I told you!  
I told you many times!  
My battery ran out.  
Rotten bastard.

Think I'm that stupid?  
Who did you meet?  
What the hell's wrong with you?  
Are you mentally sick?  
You made me this way.  
Who's the girl who always  
calls late at night?  
Let's stop this.  
Did you just hear something?  
- What are you talking about?  
- Hold on.  
I think someone's in the house.  
Who cares whether  
someone's here or not.  
- I'm the idiot for trusting...  
- No, I'm certain someone's in here.  
- Don't play the psycho act with me.  
- Hold on.  
Someone's here for sure.  
So who's here?  
I swear someone's here.  
I don't wanna hear it!  
I don't trust you at all!  
You see?  
I told you someone was here.  
Oh my goodness!  
You scared me.  
I did? So how was your day?  
Good.  
Why didn't you tidy up the sofa?  
I did this morning.  
But why is it so messy?  
That's strange.  
Can't sleep?  
Want me to sing you a lullaby?  
I miss you, too.  
Wanna come over?  
Hey, it's weird.  
It feels like someone's in my place.  
Yeah.  
Then hurry up.  
So who's in your place?  
I didn't see anyone.  
I just felt it.

That's impossible.

Am I just being too sensitive?

- Isn't this your work?

- You haven't seen it yet?

- Can I look at it?

- Yup.

- Stop it.

- Come on.

- I thought someone was here?

- Let him watch.

- What's wrong?

- I think someone's watching

I'm scared.

You see? What did I tell you?

What is it?

Why'd you hang up an empty frame?

It's creepy.

I think someone's here.

Could it be him?

He's bad luck,

that son of a bitch.

Honey, stay still.

What are you doing up?

I love you.

What?

Honey...

Breakfast is ready!

What's made you so happy?

Stop smiling and eat.

It's strange.

It feels like someone's been here

since last night.

What are you laughing for?

Are you that happy?

Don't open the door

to just anybody.
