It takes you to the floor
where your room is.

What mean, "balls"?

Very nice.

Very nice. How much?

Hello, nice meet you. My name Borat.

Get away!

What are you doing?

Wait, I want to say hello.

What is the problem?

This has been

most happiest day of my lifes.

I was very excite

to start my reportings.

America is known for its

sense of humor.

UN survey say Kazakhstan

have 98th lowest humor.

We must improve.

Hurry, hurry.

Just dry him, no hand relief.

How is my back pussy?

Not bad. Moist.

So what time this interview?

Soon, my friend.

Gently.

Enough!

- Hello. My name's Pat Haggerty.

"PAT HAGGERTY - Humor Coach"

- Nice meet you. Borat.

- Nice to meet you.

Should I make a joke

about my mother-in-law?

Yes. In America,

that's a very popular joke.

- Do you have a mother-in-law joke?

- Yes.

I had sexy-time

with my mother-in-law.

- A what time?

- Sexy-time.

I made sexy-time

with my mother-in-law.

- You had sex with your mother-in-law?

- Yes.

I don't think that Americans
would find that funny.

- No, it is not a joke.

- Yeah.

We're talking about humor.

Yes, you asked me about
my mother-in-law.

Do you have a joke about her?

No, why make a joke
on a mother-in-law?

Do you ever laugh on people
with a retardation?

Here in America

we try not to make fun of...

...or be funny with things
that people don't choose.

But perhaps you have not seen
someone with a very funny retardation.

My brother, Bilu,

have a very funny retardation.

Mental retardation causes a lot of pain
and hardship for a lot of families.

Sometime my sister, she show her
vagina to my brother, Bilu, and say:

"You will never get this!

You will never get this! "

He behind his cage, crazy, crazy.

Everybody laugh.

She go, "You never get this! "

But one time, he break cage
and he get this.

And then we all laugh.

High five!

Now...

No, that would not be funny
in America, okay?

What is "not" jokes?

A "not" joke is when we're trying
to make fun of something...

...and what we do is we make
a statement that we pretend is true...

...but, at the end, we say, "Not,"
which means it's not true.

So teach me how to make one.

- All right, what color is your suit?

- This suit is gray.

Gray, I would call it blue, okay?

- It's gray.

- All right, it's blue-gray.

But it's certainly

not black, right?

- Let's say it's gray, but-

- It is gray.

Okay, so a "not" joke,

I would say:

"That suit is black. Not! "

This suit is not black.

- No, no, "not" has to be the end.

- Oh, okay.

This suit is black not.

This suit is black, pause-

You know what a pause is?

- Yes.

- This suit is black. Not!

This suit is black. Pause. Not.

No, you don't say "pause. "

This suit is black.

That's a pause. Not!

This suit is black.

Okay...

- I don't- I'm not-

- Not!

Everybody say U.S.A. television

much better...

...but this I watch for three hours,

do not change.

There's a remote controI here.

Push these two arrows

to change the channeI.

I got him, I got him, I got him!

I have the urge to

bury something else.

Yes!

- I love you.

- Oh, I love you too, Jamie.

I love you.

- Do you believe in magic, Miss-?

- Parker, C.J.

It's a pleasure to meet you, C.J.

Be careful! Be careful, C.J.!

This C.J. was like no Kazakh woman

I had ever seen.

She had golden hairs,

teeth as white as pearls...

...and the asshole of a 7-year-old.

For the first time in my life...

...I was in love.

Get up! Get up!

Why aren't you ready!

We have people to interview today.

I understand.

Learn what you can from

this women's group.

My hair?

It's beautiful. Don't worry.

In Kazakhstan it is illegal for more than

five women to be in the same place...

...except for in brothel or in grave.

In the U.S. and A., many women meet

in groups called Feminists.

I find more.

"VETERAN FEMINISTS OF AMERICA"

So, what means this feminism?

It's the theory that women

should be equal to men...

...in matters economic, social-

- Now you are laughing.

- Yes.

That is the problem.

Do you think a woman

should be educated?

Definitely.

But is it not a problem that a woman

have a smaller brain than a man?

That is wrong.

But the government scientist,

Dr. Yamak, prove it's the size of squirrel.

Your government's scientist?

- Yes, Dr. Yamak.

- He's wrong. He's wrong.

Give me a smile, baby.

Why angry face?

Well, what you're saying
is very demeaning.

- Do you know the word "demeaning"?

- No.

We are saying to you...

I could not concentrate on what
this old man was saying.

All I could think about was this
lovely woman in her red water-panties.

Who was this C.J.?

Last night I see in my hotel room...

...a woman called C.J.

on the television.

- Do you know her?

- No.

She from a town
called Baywatches.

- She's just on television.

- Her name is Pamela.

- Do she live here in New York City?

- She lives in California.

- In the California.

- He's gonna look her up.

Okay, can we finish now?

Listen, pussycat, smile a bit.

- All right. That's it. I'm done.

- We're finished. We have to leave.

Although I was obsessed by this C.J.,

I could not pursue her...

...or else my wife

would snap off my cock.

Mr. Sagdiyev?

- Yes?

- I have a telegram for you.

- You can read?

- Yes, I can.

"Dear Borat Sagdiyev...

...your wife, Oxna...

...was walking your retarded Bilo
in the woods...

...when a bear attacked
and violated and break her.

She is now dead. "

You say my wife is dead?

This is what it's...

Yes, sir. I'm sorry to inform you,
but that's what the telegram says.

High five! Great!

What do you mean, California?

I have arranged all our filming
for New York.

But we need to leave New York
to find the real America:

Rodeos, cowboys...

It will be better for our documentary.

But why California?

What's there?

Pearl Harbor is there...

And so is Texas.

Eventually, I persuade Azamat
that we would travel to California...

...and make our reportings
along the way.

He insists we not fly in case the Jews
repeated their attack of 9-11.

Okay, I'll find another way
for us to get there.

My name is Mike.

I'm gonna be your driving instructor.

"MICHAEL PSENICSKA, Perry Hall Driving School"

Welcome to our country, okay.

- My name Borat.

- Okay, okay. Good, good.

Well, I'm not used to that,
but that's fine.

Now, you do know

how to drive a little bit?

- Yes.

- Yes. Put it in D.

- What?

- Drive.

Now, wait a second. Wait a second.

- Have you driven a car before?

- Yes, many times.

All right, let's go this way.

I don't want you hitting anybody.

Use two hands, now.

- What?

- Two hands.

But then it look like I am holding
a Gypsy while he eat my chram.

I don't care. You use two hands
when you drive, okay?

Okay.

- Okay.

- Watch the children.

Okay, no problem.

You must not hit the children.

Look, there is a woman in a car.

Can we follow her?

- And maybe make sexy-time with her?

- No, no, no.

- Let's get her. Why not?

- No, no, no.

Because a woman has a right
to choose who she has sex with.

- What? You joke?

- How about that? Isn't that amazing?

There must be consent.

How about that?

That's good, huh?

- Is not good for me.

- It is good.

- Steer the car.

- Okay.

- You want have a drink?

- You can't drink that.

- Why not? What?

- It's against the law.

Who is this car that follow us?

I wish it didn't follow us.

- I don't know.

- Maybe we'll lose them.

No, we better not lose them.

Hey, don't look at me.

Eat my tits!

We'll make a right turn up here.

Don't look at me like that.

I will eat your shit.

- Hey, you fuck my mother!

- Hey, hey.

- No, he do before. He look on me.

- You can't do that.

They're gonna throw us in jaiI,
me with you.

Why in a jaiI? He look on me.

- Behind.

- You can't say that.

I like you, do you like me?

- I do like you.

- You are my friend?

You're nice and I am your friend.

You will be my boyfriend?

- I won't be your boyfriend.

- Why not? You do not like me?

I could be. It depends.

Well, boyfriend, yeah, I can.

Great success.

Now time to make purchase
of motorcars.

I want to have a car that attract
a woman with a shave down below.

Well, that would be a Corvette
or a Hummer.

JIM SELL GM Salesman Well, that
would be a Corvette or a Hummer.

JIM SELL:

GM Salesman

JIM SELL GM Salesman We will
try to help you out here.

We will try to help you out here.

A man yesterday tell me
if I buy a car...

...I must buy one
with a pussy magnet.

He means a car that women will like.

Yes, but where you keep
this magnet?

No, there's no magnet. That was just-
He means the vehicle.

Women love the Hummers.

- Do this have a pussy magnet?

- No.

The vehicle itself will be a magnet.

If I give you good price,
will you please put in pussy magnet?
Yeah, but there's no such thing
in this country as a magnet.
If this car drive into
a group of Gypsy...
...will there be any damage to the car?
- It depends on how hard you hit them.
- Hard.
Yeah, hard. You might...
...if somebody rolls on the windshield,
crack your windshield.
How fast do I need to go
to guarantee I kill him?
Let me tell you something,
with this vehicle, probably doing 35...
- ... 40 miles an hour would do it.
- Great.
When I buy my wife...
...at the start, she was cook good..
...her vagina work well
and she strong on plow.
But after three years,
when she was 15...
...then she become weak, her voice
become deep, "Borat, Borat. "
She receive hair on chest...
...and her vagina
hang like sleeve of wizard.
How do I know that
this will not happen with a car?
Chevrolet guarantees that
with a warranty.
I like very much buy this Hummers.
- How much is it?
- Fifty-two thousand.
I am looking for something between
\$600 to \$650.
We don't have any cars for 650
that you can buy.

a wholesale car.
A car with a lot of miles for 700
with no warranty.

- Okay.

...to the tune of
your national anthem.
Please stand.
We nearly died last night.
This journey is cursed.
We should have stayed in New York.
I was sad.
The rodeo peoples
did not like me.
What if Pamela did
not like me too?
We needed something
to change our fortunes.
Look, Azamat, a Gypsy village.
Let us extract some of their tears
so we can remove the curse.

Do not fear me, Gypsy,
all I want from you is your tears.
Please give them to me
or I will take them.
I'm not a Gypsy.
I'm a Midwestern farmer's daughter.
Americana.

Oh, yes. Yes, definitely.

- Come on in.

- Great.

Your friend also.

A beautiful house, this.

All the paintings
in the house, I did.

What is this man?

This is a Yemenite Jew and
he's working on a piece of jewelry.

They, Yemenites,
were also jewelers.

Why you have a picture of a Jew?

Because I'm Jewish, so I
have lots of pictures of Jews.

This is the room and...

- Do you need two pillows?

- Yes.

Great. Thank you. Lovely place.

They're Jews.

I know that now.

They'll kill us.

We need to escape.

because you're hungry.
Yes.
I don't want to see you go hungry.
What is this picture over here?
Okay...
It is 3 in the morning.
I am in a nest of Jews.
They have cleverly shifted
their shapes.
One of them has taken the form
of a little old woman.
You can barely see her horns.
She have tried to
poison me already.
These rats are very clever.
Look, the Jews have
shifted their shapes.
OK, OK. How much shall
I give them?
I don't know...
More. Give them more.
Go. Go.
Let's go back to New York,
at least there's no Jews there.
Calm down.
We'll keep heading to California.
Why California?
What's so special about California?
We are going to California!
And get killed on the way?!
Relax, Azamat!
I will get us protection.
What is the best gun
to defend from a Jew?
I would recommend
either a 9 millimeter or a .45.
Very nice.
It like I movie star, Dirty Harold.

- Yes, sir.
- Come on and make my day, Jew.
But he would not sell me gun
since I not American.
So I look for other protection.

It's very good you allow retard...
...to eat with you in the same place.
That's not what we're saying
about this man.
He is not what
you would refer to as retard.
- No.
- No, no. Not at all.
Do you have a telephone
in this village?
Of course.

You have a very gentle face...

- ... and a very erotic physique.

- Thank you.

- You're correct.

- Yes.

That's a very good observation.

She is your wife?

Nope. That's my wife.

In my country,

they would go crazy for these two.

Not so much.

What should I say if

I need to go to the shit hole?

You mean to the restroom?

- To the place to make the shit.

- The bathroom? Okay. What you-

Not to bath. To make dirt from anus.

- Not a bath, right. The toilet.

- The brown-

- Where you make- You understand?

- Yes. Yes.

- Bad? Bad thing from it.

- What you do is you say:

- Brown.

"Excuse me,

I need to go to the restroom. "

Excuse me, is it possible
to go and do a, you know...

- To be excused?

- How you say in the, you know...

Upstairs.

Just say, "Excuse me a moment. "

- I need to go, what you say...

- That works. Thank you.

- Can you go upstairs?

- Yes, thank you.

I think that the cultural differences
are vast...

- Exactly.

- ... and I think he's a delightful man..

...and it wouldn't take very much time
for him to really become Americanized.

Thank you very much.

I feel much better.

- Cindy, where shall I put this?

- Just-

Where should I put this?

Maybe in the other restroom
down here.

In the-

Excuse me-

Excuse me for just a moment, please.

You roll off like this...

...and you wipe your bottom

and you put the paper- Look.

- You, wipe mine?

- No, I don't. You do.

- This is a very private thing.

- The host cleans the anus of the other?

No, no, no.

Nobody touches you, except you.

Can I bring a guest to dinner?

If you have been invited

to a home or to a party...

- Yes.

- ... it is acceptable to bring a guest...

- ... if you ask your host in advance.

- Yes.

General Stonewall Jackson,

Robert E. Lee.

I think this my friend.

- This my friend, Luenell.

- Hi.

Oh, okay...

You all having a dinner party.

Well, we were. I don't know exactly
what all that we're doing-

It is getting very, very late.

Excuse me, I'm going to have to go.

- Okay. Very nice.

- It's getting very, very late...

...and it's time that, you know...

...we were ending

our dinner party and everything.

- I apologize-

- But can't she come for desserts?

Absolutely not,

and neither can you.

- The sheriff is on his way.

- I hope so.

I've already called them.

Why you call police?

Have the retard escaped?

I want say I very sorry

how they treat you in this house.

Thank you.

I was thinking

maybe I'd just take the night off.

Why don't we just go out

and have some fun?

What do you think about that?

You want to come with us?

Up yours!

Hi! My name Borat.

- This my friend, Luenell.

- Hi, Luenell.

She is a prostitute.

You were funny on that bull.
Everybody almost
see your underpants.
I never rode a bull before.
Well, you wanna-?
You wanna come in for a little while?
I would like very much...
...but I in love
with a woman in Malibu.
It would not be nice to her
for me to...
Okay, well, if you're ever in town again,
this way, you know, look me up.
If I ever in town again, Luenell...
...I would very much like
to pay you for sex.
Good night, Luenells.
Good night, Borat.
You say my name right. Borat.
People say Borak
or Billy or Bob.
Bye.
"Pamela is a fairly simple girl,
she recently explained.
'There's not a whole lot of logic
in the way I live my life.
I am very spontaneous. ' "
I'm very spontaneous too.
I needed a gift to give to Pamela...
...so that she would grant me
entry into her vagina.
Therefore, I convinced Azamat to let me
film a report in an American store.
Don't spend more than \$3.
We're low on money.
This your shops?
Right, this is my antique shop.
Why do you have so many things
with a flag?
We're honoring our heritage.
Now, what in here? What is this?
These are a number of collectibles.
I mean, this is a lamp that, you know,
you would use in your home.

This is a Chinese cloisonn bell.
And this is a little
decorative duck.
And do you think, you know,
when they-?
I'm sorry. Wait, wait, wait.
- We need help, baby.
- No, it's okay.
I sorry.
Sorry. I will repair all of this.
Don't worry. My friend,
he can make glue and-
I don't think you're gonna be able to
glue it. You're gonna have to pay for it.
Okay, I have a digital watch
from the future.
I will give you.
Is worth more than all of this.
You broke \$425 worth of stuff.
Hundred and sixty, 170, 180.
- That's not enough.
- Do you want hair-?
No, I don't want any damn hair.
This is best hair in Kazakhstan.
Feel the quality.
I don't want your damn hair.
This is hair from pubis.
I can get 2000 bags by next Friday.
We don't use that stuff
in this country.
Have you offered them pubic hair?
Yes!
Just give me another 20.
It was a mistake.
You screwed up again.
I didn't see the truck.
I slipped on it and that was it.
Only an idiot could do this.
Would you have believed this if I
had told you? All right. Go. Go. Go.
You've ruined this documentary
and almost bankrupt us.
So call the ministry
and get more money.

What?! If I did that,
they would kill us!
California had better be as good
as you say, or we're finished.
You bastard.
What's the matter with you?
How dare you make
hand-party over Pamela.
Why do you care who I
pleasure myself to?
Because I love this woman.
She's the reason
we travel to California!
What?
You lied to me!
You lied about California!
Eat my asshole!
Holy...
Okay.
We have a special guest here
this evening. Ruth Feiner is here.
"MORTGAGE BROKERS - ANNUAL BANQUET"
Get the fuck out of here!
So bad news.
Azamat have leave.
I wake up, he disappear...
...and he take Oxana, my bear.
Our bear.
And he also decide
to take all money...
...and also my passport.
And he leave me...
...only this bag, with a hen...
...and ticket to Kazakhstan.
But no passport.
But at least he is...
...man enough to leave me...
...my beautiful.
Which I have cleaned
since last night.
And I have decide to...
...continue making documentary.
Make it without Azamat.
I think it will be better...

...and we will have more
success without him.
I only want 17 cents, please.
I had no car, no money
and no Azamat.
The only thing keep me going...
...was my dream of one day
holding Pamela in my arms...
...and then making romance explosion
on her stomach.
Eventually, I managed to hike a hitchhiking
with group of young scholars...
...also traveling across country.
