# Brother Nature

By Taran Killam

1

Wow.

The inset is perfect.

All right, it's ready.

And you're positive?

Yes, thank you

for your Patience.

I know I've sent it back a  
few times for adjustments...

Five.

Five times.

Yeah.

Well, I hope you and your future  
bride will live happily ever after.

I hope you live happily  
ever after yourself.

Nothing's gonna happen for me until  
I get these bangs figured out.

- Roger!

- Hey.

Congressman McClaren  
should be here at 11:41.

Is this the rewrite on his speech?

Yeah.

Good. Good.

Let's cut this section. Start  
with "born in Seattle"  
and go into the  
dedication of troops.

Okay so, wait...

Actually no, I'll do that. Okay.

Do you want me

to run a sound check?

Already did that. Are there too  
many red balloons on this side?

Um. Maybe. Do you want  
me to do something?

Yeah. Grab the raw veggies out  
of my car and put them on ice?

Okay.

Roger.

Hey, Riggleman,  
are these balloons symmetrical?

We have a situation.

This is the a Cappella  
group, the founding fathers.  
They're the opening act  
for frank.  
Ah. Gentlemen,  
I'm Roger Fellner,  
congressman McClaren's  
chief of staff.  
What seems to be the problem?  
Well, our bass is drunk.  
If it's talk about me,  
I'm right here.  
You have a problem, Gabe!  
Don't provoke him, please.  
Uh, if I may suggest something?  
If you three switch your  
baritone to a bassitone  
and then you transpose  
it up half a step,  
you'll still have a nice,  
clean three-part Harmony.  
It's not going to be perfect, but  
they won't know the difference.  
I see why one of  
them had to drink.  
I've been coming  
to this festival  
for longer than I can remember,  
but somehow the funnel cake  
keeps getting tastier.  
I was born and raised  
here in Seattle...  
Whoo!  
No, no, no.  
Guess what?  
I'm the best!  
Cowabunga!  
Oh!  
Is he okay?  
Might be time to check the  
prescription on those bifocals, Ben.  
Frank, I take  
full responsibility.  
I don't think any clips

will end up on YouTube...  
Roger, lighten up.  
I recovered. That  
bifocal line destroyed.  
And just off the top of  
your head I was like,  
"am I watching  
whose line is it anyway?"  
Oh. Thank you.  
That's my favorite show.  
I've decided not to  
run for re-election.  
Oh, my... are you okay?  
Is it your health or...  
I'm fine.  
My wife left me...  
Oh! That bitch!  
...A note, Roger.  
She left me a note  
saying that she missed me.  
You know, it made me  
realize I miss her, too.  
Now, I know it doesn't  
give you much time...  
You've given me more than  
time, you've given me...  
You need to let me complete  
my sentences, Roger.  
Time to campaign.  
I think that you  
should run for my seat.  
There's no one more qualified...  
Yes. I will do it.  
You don't need to  
give me an answer now.  
You can discuss it with your family.  
I'll do it. I want it.  
I'm definitely prepared. I think  
education reform should be my...  
Roger, take a deep breath.  
I want you to really  
think about this.  
This job consumes  
every part of you.

Now, I'm telling you now so you  
have the vacation to consider.  
And when we get back,  
if you still want it,  
you have my full endorsement.  
Sir, I cannot thank you enough.  
This is my dream... My whole life...  
since fifth-grade student council  
I knew that...

I'm sorry if I seem a little distracted  
but drunk Ben Franklin is back,  
and I just want to make sure that  
baby he's holding is his baby.  
Yes, you should do that. Okay!  
See you in a week.

So grateful. Thank you!  
Hey, is that your baby?  
Yes, it is.

Is that your baby?

This is my baby.

I am speechless. Come on. I  
couldn't do it without you.

That's not true. No,  
that's not entirely true.

I could probably do  
a fair amount, but...

Riggleman, will you  
be my campaign manager?

Of course, Roger! Yes.

A hundred times, yes!

Sure, sure. I'll get  
started right away.

I'll get a scout,  
get headquarters...

Well don't break your back, you  
know, enjoy your vacation.

Uh, all I have planned  
is mother's birthday.

Well, that's nice.

No, it's not nice.

All she wanted this year was  
to take me to get a haircut.

Which means we will go to  
a salon, of her choosing,

and she will watch me receive  
a haircut, of her choosing.  
Moms, gotta love them, right?  
I don't love my mom.  
I fear her.  
Uh-huh. Well,  
I gotta go. I'm late.  
...and because  
of your generous donations,  
the read the world foundation  
can continue its work  
traveling the globe,  
and building libraries  
in under-developed countries.  
This year, we're asking for  
your help to raise money  
for our trip to Bangladesh,  
where we'll spend three months  
establishing literacy programs  
in the sundarbans.  
Thank you for the \$5.  
Great to see you!  
Okay, take care. Bye.  
So great, start to finish...  
I saw you come in late.  
I know. I'm sorry. Drunk  
Ben Franklin stole a baby.  
That old excuse?  
I know.  
But I would like to make a very  
generous donation as an apology.  
Ooh! Accepted. Now we only  
mostly didn't reach our goal.  
Oh, no, is it bad?  
Well, we have a big  
fundraiser next month,  
but we are so far behind.  
Well, I guess maybe  
you just don't leave your  
boyfriend for three months?  
Maybe you come with me?  
Will you settle for a week  
with your folks at the lake?  
I can't wait for you to see

it, it's so wonderful there.  
And we deserve a break.  
Absolutely. Yes.  
Is now a bad time to tell you  
I'm running for congress?  
Hi, Gwennie!  
Hi, guys! Hi,  
kiddo, how are you?  
Ew! Dad, what are you chewing on?  
Back away from the camera!  
Melon.  
What are you packing for?  
Come on, get here!  
Did you get my email  
about packing your own towels?  
Because for some reason the only  
ones that aren't being used  
have these weird stains on them.  
- I packed towels.  
- Oh! Hi, Roger!  
Hey, guys.  
Hi!  
Guys, Roger is running for congress!  
Oh...  
Congratulations!  
Oh, my god!  
Mr. president in the making!  
You're the man!  
Oh!  
I gotta go get the stuff out of the dryer.  
I love you guys, I'll see you tomorrow!  
No, don't, uh, hang up.  
I just got to ask them...  
Just about, um... Because  
the weather was, uh...  
Hey, guys. Um, actually,  
when we get up there,  
I would love to find a moment  
alone with the two of you  
to discuss something.  
You're going down!  
Oh, my god, we're under attack!  
Gotta go. Under attack!  
Ow! Ow! Ow!

That one hit my boob, Todd!  
Oh, man, it's a war zone  
over there  
uh...  
Hello.  
Who is this?  
Tomorrow, you're mine.  
Hey, Gwen...  
Mmm-hmm.  
Your sister's boyfriend Todd  
sent me a friend request on Facebook.  
Oh. That's nice.  
I mean, we haven't  
met before, right?  
No, because  
they live in Colorado  
and he wasn't at Thanksgiving because  
he had something at the camp.  
"The camp"? Yeah, he's a counselor.  
You knew that.  
I just didn't realize it was  
like a year-round thing.  
I mean, he seems like a fun guy.  
Are you ready for your first political  
scandal, Mr. future-congressman?  
I love you so much.  
No, don't get romantic because then  
I'm going to get self-conscious.  
Sorry. Keep the fantasy.  
Get over here.  
Mmm. Scandal me!  
Mom! Mom!  
What now? Mom, I got a splinter.  
Oh! Jesus, Spencer,  
that looks awful.  
Probably going to scar.  
I'm going to get some disinfectant.  
Mel, watch them.  
Love you too, babe.  
Oh! It's so cute!  
Are you in love already or what?  
I am. I am.  
They're here!  
Hey, Roger!

How are you?  
Good. Good.  
So good to see you!  
Tell me everything.  
What's going on?  
Okay. Well, aunt Pam is  
going through menopause...  
Roger!  
Hi, Roger.  
How are you? Very good.  
Very happy to be here.  
So are we, hon. And  
dinner's almost ready.  
Oh! You're not  
a vegetarian, are you?  
Oh! No.  
Okay, good.  
Because look at this beast.  
It looks so good I could nut!  
Right.  
Did your mom just  
say, "I could nut"?  
Yeah. It's her fun spin  
on "I'm going nuts."  
She's said it  
since we were kids.  
Don't worry, she doesn't  
mean it the other way.  
Ugh!  
Great. I have lake hair. I  
just threw on this sweatshirt.  
I look freakish. I didn't realize  
I'd be meeting him like this, Gwen.  
You look great to me.  
Okay, well, that's a lie.  
I'm Pam.  
Hi. Roger.  
Of course he's lying,  
he's a politician.  
Gwen. What are you doing  
with all my taxes?  
Just lining the pockets  
of corporate America.  
Oh, yeah? More like...

Should be cargo pants.  
I'm sorry?  
You said "pockets"...  
I thought... A lot of...  
I'm Mel.  
Hey. Roger.  
Hey, little man.  
What is wrong with you?  
He got a splinter, guy!  
I'm so sorry. Come on,  
honey, let's go inside.  
- He's only 11, guy.  
- I mean, really!  
I didn't see the splinter. I thought  
he was going for like a low five...  
I thought he was  
going for a low five.  
So did I.  
Should I go in there?  
No. No. No. Give them  
a moment to cool down.  
Because Mel and Pam are kind of  
angry people. They're hateful.  
No way!  
He's here!  
He's here!  
Don't leave!  
I'm coming!  
Oh, yeah!  
Hey, man.  
He's here! Whoo!  
Watch your feet,  
you've got open toes on.  
Hey, buddy, I'm Roger.  
Yes! I knew it!  
I'm so happy you're here!  
Hi, Gwen.  
Thank you for bringing me  
a new toy to play with.  
Okay!  
Man, I'm so happy you're here!  
I'm doing it again!  
I know. Just go easy.  
Sorry. They haven't

even unpacked yet.  
On it.  
You, with me. We carry heavy  
things, for this is man's work.  
It's Tim Allen.  
Home improvement?  
Oh! Sure. "I don't  
think so, Tim."  
You're my Al.  
Let's do this. Come on!  
Great show.  
Oh, yeah!  
Hey, did you get  
my friend request?  
Yeah.  
I noticed you didn't accept it.  
Oh, yeah. I haven't  
really had a chance.  
You got time now.  
Yeah. Can we  
unpack first?  
Totally.  
I love unpacking.  
Oh, man, it's just so good to finally  
meet you, you know. I got that.  
How long have you and Gwen  
been together now?  
Uh. Almost two years.  
Two years!  
Oh, wow!  
And at last we are united.  
Good things take time, I guess.  
I got that.  
Sorry. I should know, man. I've been  
dating Margie for what, five years now?  
Still don't see a ring on it.  
Hey, man, just don't beat me  
to the proposal punch. Okay?  
Because I got seniority.  
And it'll make me  
look Nada so good.  
Spanish.  
You speak Spanish?  
It was. Yeah.

And then I went like that...  
For the sombrero.  
Yeah.  
Don't get me wrong. Margie  
is most def the one.  
Them Turley girls, they yummy.  
They're lovely women.  
I just want to do  
it right, you know?  
I think everybody has to propose  
when it feels best for them.  
Beautiful.  
I'll dap on that.  
Whoa!  
No, man. Dap it.  
I'm a dapper.  
Pew, pew!  
Oh!  
You got me.  
Shot you in the face.  
Would never do it.  
Would never do it.  
Hey, let me grab that for you.  
No, I got it.  
No, let me grab it.  
Okay. Thank you.  
Okay, everyone, meat's ready!  
Whoa!  
Look at this. Honey, it's so good.  
Beautiful!  
Salt and pepper.  
Dibs on the seat next to Roger!  
It's only a week.  
It's only a week.  
Baby Gwen!  
Oh! Don't look  
at that. Oh, god!  
No!  
You're so cute though,  
I want to kiss it.  
Hey, Rog.  
Hey, Jerry. Great.  
Oh! I see you found  
the wall of Gill.

Oh, yeah, Gill is the fish.  
Oh! Largest trout in the lake.  
He's kind of an unofficial  
town mascot, too. Oh!  
Everybody in the family's  
caught him. Look.  
There's Melster  
and Todd. Pam.  
He's gigantic!  
Yeah.  
I mean, he's like  
the size of a small...  
'84 Olympics.  
Is that you?  
Mmm-hmm.  
Looking good, Jerry.  
Almost medaled but  
the French beat us.  
Ah.  
They were kind of so  
smug about it, too.  
They started kissing their  
medals in front of me. Uh...  
You aren't French, are you?  
No, sir.  
Attaboy.  
Yeah.  
Hey, let's eat.  
Check this out.  
I also prefer to  
eat my dessert first.  
No, actually, grandma Hibby  
has severe sciatica. Oh.  
So I put together a completely  
legal "herbal" snack pack.  
Special candy bars and  
chips and stuff, you know.  
All with a little THC,  
a little...  
You feeling good, Hibby?  
Flyin'.  
I saw her talking to an  
old boot the other day.  
Nah, I'm just kidding.

Gwen, how'd you meet  
the high-five king?  
It was new year's Eve. Neither  
one of us had anyone to kiss.  
So I told him if we started at 11:59, our  
first kiss would last for two years.  
How could I say no?  
Yeah, but it wasn't a two-year kiss,  
it was probably like a minute.  
Hey, everybody,  
can I have the floor?  
Uh...  
Being the baby in a family  
of six sisters, you know,  
I've always wanted a brother.  
I guess I was a good boy, because  
my wish finally came true.  
Roger rabbit over here.  
Uno more thing, sir.  
Rich Spanish guy, um...  
I actually have some big news.  
Margie's pregnant. I told  
you she was showing.  
No, Pam.  
I'm not pregnant.  
No. Guys, I'm leaving  
my job at the camp.  
What? But it's for  
a good reason.  
I'm going to be taking  
a higher paying gig  
as a program director  
at the new youth center...  
In Seattle!  
What? Are you moving  
to Seattle?  
Yes. It was so hard  
not to say anything.  
You're dead to me.  
You're dead to me.  
Get used to seeing  
this face, sir.  
Because you are going to  
be seeing it all the time!

All the time!  
All the time!  
Everybody!  
All the time!  
All the time!  
So, you guys are in this cabin.  
And that one is  
Todd and Margie's.  
You know, I forgot my satchel back  
in the house, I'll be right back.  
Did he just say "satchel"?  
Unfortunately, yes.  
Ooh!  
Oh, no.  
My god. Look,  
they're so cute.  
Oh! I want to hold  
them close to my face.  
No, you do not.  
You know that their sacks  
are primed to spray  
and that scent can  
linger for months!  
Todd, go get a box  
and some syrup.  
Got it. Look at the little one.  
He's my friend.  
Ooh!  
His name's Langdon.  
No. Don't name them.  
Don't get attached.  
I'm not naming them.  
That is his name.  
I'm sensing it.  
Oh, no, it's the mom.  
Nobody. Move.  
Got the satchel!  
Okay, on three. Jerry, I'm  
standing right here, buddy.  
Cathy, I am so sorry.  
I will pay for whatever cleaning  
service you need for the cabin...  
Oh! Stop it, please. That thing  
needed renovating anyway.

- Luckily, we have two.

- Look!

- Dream phone!

- Oh, my god.

Does that thing still work?

You tell me.

- Phone call.

- I think your face is cute.

Well, your room is all set.

And if you need anything,  
you know where to find us.

Thank you so much. Yeah.

Actually, uh, Cathy, sorry.

I would love to find that moment  
alone with you and Jerry,  
sometime tomorrow, maybe  
just the three of us.

Oh! Absolutely. Jerry and I  
always go for a morning hike.

Oh! That's great. Consider  
me your co-hiker.

It's early.

**7:**

That's okay. I am an early bird.

I will be there.

All right, I can't wait.

I'm gonna nut! Me too.

**7:**

**7:**

Nutting.

Welcome to the free hostel.

It's Todd.

Yeah, I recognized you from  
the denim pajama pants.

Mmm. Thank you,

they're pa-Jean-as! Ooh!

I see you brought the camping  
essentials of wig and funny glasses.

Wrong-o. I brought  
a bunch of them.

Behold the wig museum.

Seriously though, they're communal. So,  
feel free to take whatever you want.

I highly suggest raptor head.

Oh! Thank goodness, because I  
left my raptor head at home.

You have a raptor head at home?

Shut it down.

You got me, bro.

Gwen, I think we're  
going to keep this one.

Let me get that for you,  
clear a little space.

Sorry. It's my  
white noise machine.

Need this bad boy to sleep.

My roommate had one of those.

She played forest sounds.

Oh, nice.

I use casino floor.

"Casino floor"?

Yeah. I grew up in Reno. My  
mom was a Blackjack dealer,  
so I spent a lot  
of time at casinees.

The sounds are just  
soothing to me I guess.

I hated it when he first  
started staying over,  
but now I can't  
sleep without it.

Yeah.

Oh. Is this going to bother you?

I didn't even think of asking.

I'm a heavy sleeper, so I'm fine,  
but did you bring earplugs?

I did not.

Rog-Mahal,  
trust me.

This thing is going to  
conk your butt right out!

Need I say more?

No more bets.

Mommy!

No!

...flying home, 'cause I  
got a text on my pager...

...oh, this is not  
my mess.

- It was so his mess!

- It was so his mess!

Hey, Roger!

- I slept in.

- Don't worry about it.

You're on vacation.

Not a problem.

I'm so sorry. I just... I had a hard  
time falling asleep last night.

Oh, Rog, if you want to switch beds,  
man, you just let me know. Okay?

Aw, beautiful.

Hey, Rog...

I got the squirrel bite  
on my nuts to prove it.

Oh! Oh!

That's why the walks are fun.

I'm gonna go check on Margie.

I feel awful that

I missed this hike,  
just because it would have been  
a better setting than this.

I want to talk to you  
about something important...

Good morning, Turleys!

Good morning!

Miesha! This is Gwen's  
boyfriend, Roger.

Welcome.

Magic is real.

And it lives right here.

You know, Miesha lives  
here all year long  
and he takes care of the  
place when we're gone.

And that's Laerke.

It's a pleasure  
to meet both of you.

And that's a lovely  
painting, Laerke.

Oh, Laerke speaks no English.  
But I will relay your kindness.  
Please believe me.  
Have a good one!  
What were you saying?  
He interrupted.  
Well, yeah, actually,  
if you're free right now  
I'd love to take  
you out to breakfast.  
You guys want waffles  
or French toast?  
Oh! You've got to try  
his legendary French toast.  
Jer, can I put you  
on the crumble topping?  
I've been summoned.  
Hey, listen, don't worry about it.  
We'll find some time. We have all day.  
Sure, totally. No, I just would  
love to find a moment...  
Because it's important.  
Whoa! Mel magic!  
Good morning.  
I made you breakfast in bed.  
Oh! Oh!  
Oh!  
Roger? Oh!  
Yeah.  
I am so sorry.  
I saw someone standing over us.  
I didn't mean to throw  
shogun at your face.  
Oh. That's okay. It's paperback.  
Come on. Are you okay, honey?  
I didn't mean to scare you,  
I just literally don't think  
there will be another moment for  
the three of us to be alone.  
But I'll keep it brief.  
Okay.  
I love your daughter.  
I think she is the most  
extraordinary, strong, intelligent,

fun person I know,  
and I live to make her happy.  
So, I wanted to ask you two  
for your blessing  
to ask her to marry me.  
Of course, yes.  
Of course, honey.  
That means a lot.  
I would be misty right now, but I  
really can't get my eyes open.  
Okay, I'm going to get out of your hair.  
You guys get back to sleep.  
Oh, uh, and if you wouldn't  
mind keeping it under wraps,  
because I have a whole thing planned,  
so maybe don't say anything.  
Our lips are zipped, Rog.  
Okay, thank you.  
Thank you. Thank you.  
Get some sleep.  
Sweet dreams.  
Oh.  
I got your book...  
Oh, my god!  
Roger, you have to knock!  
Yeah. God,  
that was so fast.  
That's how we do  
it in this family.  
Oh! Hubba Hubba!  
Where you going?  
I'm going swimming.  
You want to come?  
I do. Let me grab  
my trunks.  
Why are you in such a good mood?  
I'm on vacation.  
And when I'm on vacation, I, uh,  
kind of turn into Dr. happy.  
Do you also turn into an idiot?  
Okay, well, that's your opinion.  
Hey, what do you think about you  
and me going on a date this week?  
When was the last time

we went on a date?  
Yeah. That's what  
I'm saying.  
So, how about Thursday  
I take you out for  
the night of your life?  
All right.  
I think I like Dr. happy.  
I mean, he's kind of  
the best, right?  
And he's a doctor so  
you've got to trust him.  
You know what's the worst though?  
What?  
Whatever those are on your feet.  
They're my aqua-toesies.  
That's a deal-breaker  
as hell!  
They're sleek, what are  
you talking about?  
They're for balance and traction.  
They're hideous.  
I don't know what's at  
the bottom of that lake.  
They're useless.  
Yeah, and you can't push me over  
because I'm sturdy as heck.  
Yes, I can.  
Super grip!  
Here, feel the super  
grip on the bottom.  
No, don't put those near me.  
Feel the super grip.  
That feels terrible. No. No.  
Here, just try them on.  
Kiss my toesies. No! I'm  
not gonna kiss your...  
Daddy, what're you  
doing to mommy?  
Ohh.  
Hi, Todd.  
Hey.  
Sorry to interrupt. Roy Rogers,  
you've got a phone call.

Whoa!  
To be continued.  
Okay.  
I can smell it  
through my mask, dude.  
Get right down those edges.  
Oh. This smells like  
this inside of a butt.  
Hello? Ah! You're a  
hard man to reach.  
Hey, yes, sorry.  
Reception sucks up here.  
What's going on?  
Bit of a crisis.  
It got out.  
What got out?  
Frank's retirement.  
His daughter  
freaking tweeted it.  
And now I'm getting phone calls  
asking if frank is dying.  
Okay. I'll call frank  
right now.  
I just talked to him,  
he's getting on a plane.  
But he wants to call you  
today or tomorrow.  
Can I give him this phone number?  
Yes. Yes, please.  
Did he sound upset? No. He  
was actually pretty chill.  
You know, I like about-to- retire frank.  
He doesn't give a...  
Anwar!  
Yes, mother?  
That's gutter language!  
You are an educated man.  
Not a gangbanger.  
"Gangbanger"?  
What, are you listening to NPR?  
Sounds like you're getting the haircut.  
Uh-huh. Yeah.  
It's her birthday.  
Which is why none of the

birds are singing today.  
How are things over there?  
Great. Great. Yeah.  
Gwen's family  
is fantastic. Um...  
Her sister's boyfriend  
is a little...  
A little what?  
Well, right now he has a  
face painted on his belly.  
He's laughing hysterically  
and he's all by himself.  
Wow. You really  
hate this guy.  
Yeah, but, uh, keep me updated.  
And tell your  
mother I say hello.  
I will not do that.  
Thank you.  
In the back, do you want  
it straight across or a v?  
Let's go with a v.  
Straight across!  
Straight across...  
No. It's my head.  
V? No... I guess... Let's  
go straight across.  
That's fine.  
Do it! Do it!  
Hi, Roger!  
Come on in!  
Isn't this the life?  
You get a chance to accept  
my friend request yet?  
No. Not yet. I'm actually just  
doing a little work here.  
Understood.  
Hey, can I talk to  
you about something?  
I thought you weren't  
gonna propose before me.  
And I heard that you were thinking  
about asking Gwen, and I just...  
Got confused, I guess.

Where did you hear that?

On the roof.

I was up there  
watching the sunrise  
and I heard something  
through the window.

I'm a curious little monkey.

Listen, Todd, I've had this proposal  
planned since before I even met you.

So, I am gonna do it.

Yeah. I get it.

Yeah.

I just have a really fun idea  
that I think you'd like.

Hear me out. What about  
a dual proposal?

We could even like, make a  
suit with two heads in it...

We could be like one  
person but with two heads.

Uh...

No.

Just because it's  
kind of a whole thing.

I planned for us to  
go horseback riding,  
a sunset picnic with champagne  
on her favorite bluff  
where she used  
to hike to as a kid.

What's a bluff? It's  
kind of like a cliff.

You can kind of  
see it from there.

You could just call it a cliff.

You know...

I even hired a caterer to have a  
dessert reception for the family.

There's going to be  
vintage port, so... Mmm.

Sounds classy as fug.

I could go halvies?

That's not going to work,  
because it's very, very specifically

designed to Gwen and I.  
You know, she's leaving soon,  
so I would really like it  
to go as planned.  
I get it.  
You just want to get married  
to her before she gets away.  
I got it.  
I just figured since we were gonna  
spend the rest of our lives together,  
that we could propose  
to our girls together.  
What do you mean, we're spending  
the rest of our lives together?  
Look at them, man,  
they're inseparable.  
And when we move  
next to each other  
they're going to be  
even more inseparable.  
We're gonna to be doing  
everything together.  
We're gonna be  
brother-in-laws.  
Brothers-in-law.  
"Brothers" is plural.  
It's one "law".  
Exactly.  
We are brothers now.  
Technically,  
we're not even that yet.  
Tell that to my heart.  
Oh, my god.  
I can't wait.  
Ooh!  
My lady, I lick you very much.  
Stop, you're getting it  
on the goatee.  
Belly Bob Thornton!  
When did you get here?  
Can I get some French fry potatoes?  
Mmm-hmm.  
Give me a kiss, Roger.  
Give me a kiss.

No, thank you.  
I'm spoken for.  
Give me a kiss, Roger.  
I'll blow you one.  
You'll blow me?  
Belly Bob Thornton  
want a kiss from you.  
You kissed  
my belly! Ew!  
You know, I'm glad we can all laugh  
about this because as we all know  
this lake was the site  
of a horrific tragedy.  
Todd, if you talk  
about scary stuff  
I'm going to have  
nightmares and I'm leaving.  
Fraidy cat!  
Meow.  
What was it,  
13, 14 years ago now?  
What happened?  
A whole family was murdered  
right here on this lake.  
By a crazy person  
with a chainsaw.  
One by one in the dark.  
That is not true.  
Stop.  
It is true, Pam.  
Bing it.  
I'm not going to Bing it.  
And the scary thing is,  
they never found the guy.  
Last thing I heard, they  
found him hiding under a...  
Did you hear that?  
Hibby, you heard that, right?  
I'm going to go check this out.  
Spencer, maybe you  
should go with him?  
No way!  
Go on. Go.  
No! Please!

Help me.  
I loved you.  
Todd, that is even better  
than last year!  
He got blood on my sweater.  
Roger! Roger,  
stop! It's me!  
It's me. Margie.  
Dude. We got you!  
He screamed so high.  
Oh. Spencer.  
Oh, I'm so sorry.  
You broke a table with my son.  
So, how's little Spencer doing?  
He's got a really bad sprain.  
Pam's putting a bandage  
on him right now.  
What a putz!  
Now, your entire family  
hates me.  
Spencer does hate you, but  
he has a pretty good reason.  
I'm pretty sure  
Cody hates me, too.  
Wow, he's giving you the double.  
Todd did that to make  
me look like an idiot.  
But that wasn't just for you.  
That was for everybody.  
No, he said... remember,  
he said, "we got you."  
Because he did. Because you  
screamed like a little girl.  
No, he's trying  
to get back at me.  
For what?  
I don't know what.  
He's been combative with me  
since we got here.  
Todd is a lot of things, but  
combative is not one of them.  
You got to relax.  
Remember, that's why  
we came up here.

That, and so you could bond with  
my family, but you've tanked that.  
I'm trying to be... It's a joke, Roger.  
It's a joke.  
Hey,  
why don't you come with me?  
Where are we going?  
I'm going to take you  
to a pet cemetery.  
Come on, you big puss.  
Can you see where  
you're stepping?  
Shh. Why don't you  
just relax?  
You might actually have  
a really good time.  
What does that mean?  
I think you'll  
find out soon enough.  
Oh! There's mud here.  
Be careful.  
What am I gonna... Oh. This mud?  
Yeah, found it.  
It's the sticky kind.  
Gwen?  
Gwen?  
Where did you go?  
Gwen?  
What are you doing?  
What do you think I'm doing?  
Come on in, you creep.  
Roger.  
Come out and play.  
Faster.  
Here I come.  
Stop it. Stop it.  
Stop it!  
Stop fighting!  
This is why we don't have  
candy for breakfast.  
Maybe today we give each other  
a little breathing room.  
What do you think?  
Let's go. Let's go.

Hey there, early bird. Hey, you.  
Hey. Morning.  
Hey, dad. You going to  
go catch us some dinner?  
No. I'm just going to throw a  
couple of lines out from the dock.  
Catch and release, you know.  
Roger, you want to join me?  
Um...  
Yeah. I've never  
done it before.  
Oh! It's a blast.  
I'll show you the ropes.  
Great. Let me  
get changed.  
Come on, Gill.  
Where are you?  
Hey, gentlemen.  
Hey.  
Is this seat taken?  
No. Just for you.  
No, Rog. Join us.  
Grab that pole.  
Thank you, Jer.  
Thanks so much, Jerry.  
This is the life.  
I'm glad you guys could make it.  
Both of you.  
It's kind of a tricky thing, a father  
meets his daughter's boyfriends.  
You know, after all, you're  
sexing up my little girls.  
What? No, me and Margie  
just hold hands.  
Nice try. Roger?  
Oh, I...  
I promise, I'm the  
most respectful, um...  
Hey, godspeed.  
Because at a certain moment  
you got to just trust that you've  
raised your kids to have good taste.  
And I think mine do.  
I really appreciate that, Jerry.

It means a lot.  
Choosing who to  
share your life with,  
that's the most important decision  
you'll ever make in your whole lives.  
I remember me, it was  
after the '84 Olympics,  
I flipped this super-charged golf cart  
and completely destroyed my shoulder.  
Cath came down to the hospital.  
I said, "what now?"  
She said,  
"we'll figure it out."  
And then, right there,  
in the hospital...  
She tugged it.  
Yeah.  
That's beautiful.  
Your father is probably telling  
the hospital tugged-it story.  
I love that story.  
It's so romantic.  
Yeah, it's a beautiful story.  
Now the left side.  
It just stinks that you're  
gonna be gone for three months  
the second I move to Seattle.  
It'll be over  
before you know it.  
Hey, honey, where are you  
going again? Bulgaria?  
Bangladesh.  
Oh! Bangladesh is gorgeous  
in the summertime.  
You must avoid eating  
the Dolpudi fish though.  
It causes insanity.  
And circle the hips.  
Wow. Gwen, you know,  
if Roger gets elected,  
you're gonna be  
dating a public figure.  
That's a lot of pressure.  
You know, when Todd

was head camp counselor  
I had to share the spotlight  
with him, it was so hard on us.  
We almost broke up.  
And now squat position.  
Use your Bo for balance.  
I don't know. We haven't  
even really talked about it.  
What does a congressman's  
girlfriend do?  
All right. Are we all  
loose and ready?  
Yeah.  
Begin!  
Well, guess what, guys?  
I had these two beers,  
and now I've got to pee.  
Need anything?  
Anybody?  
I'm good. I'll take a hot milk.  
Thank you.  
You know, I didn't get  
a lot of this growing up.  
Fishing?  
No. Guy time.  
With six sisters, you'd think I'd get at  
least a boyfriend or a brother-in-law.  
But, alas, all lesbians.  
All six of your  
sisters are lesbians?  
Indeed. But I got my  
little bros at camp. So...  
They keep me going.  
Check this out.  
That's Oscar.  
He's got like  
a really sucky home life.  
But he's an amazing artist.  
I told him if he drew me a picture  
every day for the whole summer  
I would get him  
off of cleaning duty.  
By the end of the summer  
he had a whole portfolio.

Now, he's going to art school on a scholarship.

Wow.

Yeah.

He drew that for me.

Isn't that amazing? Oh!

That's great.

That's you?

Yeah. He got the neck just right.

Looks just like it.

Yeah. That's incredible.

Are those grenades?

Yeah.

I have a grenade collection at home.

So he's just working from real life, he's amazing.

He made me a superhero.

Busting through a wall like the Kool-aid man.

"Oh, yeah!"

More precious than gold.

Todd, that's... oh.

Oh!

Here we go. I think

I caught a fish!

Yeah, you did.

Okay. So what do I do?

Reel that bitch in. Come on.

Just keep turning?

Yeah. Just reel it for three seconds then pull real hard to set the hook.

Reel, reel, reel.

Pull.

Reel... oh, boy.

Oh, man!

That is a big one, huh?

Oh! No way.

That stripe...

Gill! That's Gill!

That's Gill?

You caught Gill!

I caught Gill!

Jerry!  
Roger got Gill!  
I got Gill! All right.  
I'll get everybody.  
Oh! There he is!  
There he is!  
Okay, I got it.  
Yes, it's Gill!  
You put on some pounds,  
you big fat bastard.  
Good job, honey.  
I'm so proud of you.  
Gilly boy, good to see you.  
Good job, Roger!  
Thanks, buddy.  
Triumphant smile.  
It's going on the wall!  
All right, now we've  
got to put him back.  
Okay, so I just...  
Pull the hook out?  
Yeah. Take the hook out  
and send him home.  
Okay. He's not going to bite me, right?  
You got it, man.  
No. Come on, Rog, just grab it.  
Yeah, come on, just  
pull back real hard.  
You just got to  
finesse it a little bit.  
Let's go. Take it out.  
Take it out.  
It's stuck in there really good.  
Okay, man, you just got to give it a  
quick up-shimmy and then pull back.  
What is an  
up-shimmy?  
Up-shimmy,  
it's an up-shimmy...  
Down, and then  
up-shimmy!  
Up-shimmy, Roger.  
Up-shimmy.  
It's stuck on a bone.

Roger, please...  
You please! You please!  
You're killing him!  
Take it out!  
Just give it an up-shimmy and  
then pull it as hard as you can!  
I am up-shimmying!  
Oh! Oh! Oh!  
Stop it! We can  
stop the bleeding!  
We can save...  
He's okay. He's okay!  
He's gonna be fine.  
Gill...  
Please, will you just kick  
that into the water. Please.  
It's on my foot.  
I can't...  
I'm going to expel.  
Out of my way!  
Here, here, here!  
Get it off!  
Get it off!  
Gill.  
Good night, sweet prince.  
Was that my fault?  
No, Roger.  
It was Gill's fault.  
Todd said to just pull  
as hard as I could...  
Well, after  
an up-shimmy.  
Boys, boys, boys.  
It was nobody's fault.  
It was just a very, very, very,  
tragic accident.  
And, uh, we don't blame  
you, Roger, at all.  
Maybe... maybe that  
wasn't Gill.  
Maybe Gill had a twin.  
No. Gill's  
an only child.  
Roger, telephone call.

It's frank.

Frank.

I got to take this call.

Right now?

I'm so sorry.

I'll come back to clean.

Take your call, Roger.

Take your phone call.

Say goodbye.

Hello?

Roger, it's frank.

Is there any possible way I could call you back in 30 minutes?

Nope. The party is pressing me to make a statement.

The media thinks a scandal is involved.

"McClaren dick pic"

is trending on Twitter.

Sir, please tell me

there's no such picture.

Oh! Of course not!

But the party's not going to wait until next week and they are understandably forcing my hand.

Which means I have to force yours.

So, are you in?

Yes. Yes, of course.

I'm in.

Fantastic!

Hey look, channel 3 is interviewing me on the 4th and I'd like you here with me to announce that you're running for my seat.

Well, I'm actually still up at trout lake.

And I'm planning on proposing tomorrow...

You know what, this could work in our favor.

Newly engaged family man.

Beautiful outdoor setting  
in Washington state.  
I mean, it's a nice  
introduction.  
Are you saying we  
should do it up here?  
Of course. We'll send  
a camera crew to you.  
We'll satellite you in.  
Um...  
I think I could make that work.  
Your life is going to change.  
Thank you, sir.  
I'll talk to you soon.  
Where are Pam and the boys?  
Oh! They just decided to have  
a little quiet night in.  
You know, little Spencer  
was still pretty upset  
about the whole Gill thing.  
Yeah.  
That was rough.  
Gill would not want us to  
be a bunch of mopey dopes.  
I think he would  
want us to celebrate.  
To future congressman Roger!  
All right. A celebration.  
Absolutely.  
I can't thank you enough  
for being so supportive.  
And particularly for  
allowing a camera crew  
to come crash your vacation.  
Listen, we weren't going  
to let you leave.  
And now we get to be a  
part of this big moment.  
We're excited.  
And I know this goes  
without saying, but,  
please don't say anything to anyone  
before the announcement because...  
Ladies and gentlemen. Tonight

is a very special night.  
I won't say who because  
it's not official yet,  
but someone here, Roger Fellner,  
is running for congress.  
So I'd like you all to put  
your hands together like this,  
and help me get him on up here.  
Roger!  
Roger! Roger! Roger!  
We'd like to dedicate this song  
to two very special ladies.  
It's deuce princes  
by spin doctors.  
- Come on, Roger!  
- Sing it, Rog!  
Look at him go!  
He's on fire!  
Yeah, baby!  
Move the strawberry  
into the cart.  
No. That's...  
No. No.  
Hey! Hey, hey, um...  
Hey.  
Are we still on for our date tonight?  
Mmm-hmm.  
I was thinking pizza  
on main street.  
Awesome. How about 5:30,  
but, like, be ready at 5:00?  
What is that?  
Let's get ready to go tubing!  
Oh, my god!  
You two. On here.  
Pronto.  
Yeah, I'll go grab  
our bathing suits.  
How long do you think we'll be?  
Once you get on this ride,  
you ain't never gonna  
want to come back.  
Yes, I want a goddamn  
glass of wine!

I've got you, brother.  
Yeah, I really was happy  
just sitting on the boat.  
But you're going to love it.  
Whoo!  
All right.  
Whoo!  
You trying to bump me?  
You're going down!  
I'm coming for you, Rog.  
Oh! This is so much fun!  
Roger! Roger!  
Look out, Roger!  
No! No! No!  
Oh! Oh!  
Roger, are you okay?  
Hey, sorry about your mug, bro.  
It'll be better by Friday.  
Hey, for what it's worth... Before you  
ate it, you hit some serious air.  
You looked like a rock skipped  
a human across the lake.  
You were like...  
Speaking of big splashes, um,  
how are you going to  
make your announcement?  
What do you mean?  
I mean, you gotta make a good  
first impression, you know.  
You've got to wow the voters.  
Get them to remember you.  
Well, I'm going to  
announce that I'm running  
and then the endorsement  
from congressman McClaren  
should be more than enough.  
Bro, hear me out.  
All right?  
What if you like... What if you  
like rose out of the lake,  
you know, like, "people of Washington,  
I am here to lead you, you, you..."  
Well, I'm going to say no  
to that for two reasons.

One, I'm not here to lead them,  
I'm here to represent them.  
That's how government works.  
And two, how would I  
rise out of the water?  
I know a guy. His name's Makeev. I  
could have him here in an hour.  
Forty-five minutes if you've  
got some cash on you.  
It's not going to happen.  
Well, I know you've got  
a lot of work to do,  
so maybe this will turn  
that frown upside down.  
Todd, where'd you get that? You  
got a speech to write, man!  
Put that down, Todd!  
You've gotta write...  
No! No! No!  
No...  
No, please...  
I'm so sorry, honey.  
I gotta ask, though, why  
was that bag on the boat?  
Ask him that.  
Still want to go  
on our date night?  
I don't know.  
I think I just need  
a moment alone.  
Okay.  
Right.  
Careful.  
Hey, Roger, I'm sorry, man.  
I'll replace the satchel.  
The engagement ring  
was in the satchel.  
The engagement ring that I was  
going to use to propose to Gwen,  
right now, is now at  
the bottom of the lake,  
because of you!  
Shit.  
Oh! What's this?

A horse.  
He was supposed  
to wait out front.  
He's beautiful.  
Honey, are you okay?  
Duder...  
Oh. Honey,  
you woke up!  
Well...  
What happened?  
You ate an entire bag of  
grandma Hibby's THC chips.  
Todd said it was the equivalent of  
nine joints hitting you at once.  
I'm so sorry, Roger.  
Those weren't potato chips.  
They were pot-ate-o chips.  
It says so right on the bag.  
What was I thinking?  
Where is Todd?  
You really don't remember?  
Remember what?  
It is me or is he talking?  
Hello, Roger.  
High-five, horse.  
High-five, horse!  
Whoa. Whoa, Roger! You're  
going to spook the horse.  
Please, Artax!  
You have to try.  
Look out!  
Margie!  
Are you okay? I'm okay.  
Are you okay?  
Oh, my god, I thought I  
was going to lose you!  
Oh, my god, Todd.  
You just saved my life!  
Margie, I love you so much.  
I love you, Todd.  
Will you marry me?  
Yes! Yes! Yes!  
Yes, I'll marry you! I want  
an army of your babies!

Oh, Margie.  
I'm glad we sat in the front!  
Yeah, why sit in the back?  
Roger dodger, hey.  
Oh, Roger, our evening  
was so romantic.  
We had champagne and strawberries  
and we saw the most perfect,  
beautiful sunset ever.  
Beautiful.  
I mean, just amazing.  
How could it not be?  
Gwen and I are going to  
sleep in the house tonight  
because we thought the two of  
you would like to be alone.  
Being newly engaged and all.  
Oh! Roger,  
you're the best!  
Hey, I'll meet you inside.  
I'm just going to talk  
to the r man for a sec.  
Yeah, that'll be fine. It  
will give me time to prepare.  
Plug your ears, Roger.  
Didn't hear a thing.  
Oh, you will.  
Tonight on dotch TV, dotch  
is going to touch a butt.  
You okay, brother?  
I am not your brother.  
I am not your friend.  
I am not your anything.  
And after this trip, I hope I  
never have to see you again.  
Okay, um, you seem upset.  
Because you sabotaged  
and then stole my proposal.  
I didn't steal your proposal.  
You gave it to me.  
Are you delusional?  
You don't remember?  
Cowabunga!  
You okay, buddy?

Good.  
Do you still want to do your thing?  
I don't know  
if you're up for it, but...  
Ben, what do you say, man?  
No way, man.  
No way!  
Are you joking me?  
You can't propose now!  
If you do it, you'll regret  
it for the rest of your life.  
Take it from me,  
I'm rock bottom, Hoss.  
Dude, check this out.  
No. No. No.  
Just hear me out, okay.  
I'm just saying I don't want  
this all to go to waste.  
There's a horse here.  
I can't believe I'm saying  
this, would you mind  
if Margie and I go instead?  
I won't do it if  
you don't want me to.  
Yeah, let him take the horse.  
What are you going to do with it?  
Nothing.  
You look like junk!  
You look like some jerk-off  
socked you right in the face!  
Let him take it, man.  
Yes! Yes! Yes!  
I didn't know what I was  
saying because you drugged me!  
I did not drug you.  
The bag clearly said "pot-ate-o"...  
I know what the bag said!  
But you got what you  
wanted, didn't you, Todd?  
You got to propose first.  
I didn't get...  
It just happened, Roger.  
I'm so sorry.  
No more words.

No more anything.  
For the rest of this trip,  
you stay away from me.  
Oh.  
And I'm declining  
your friend request.  
No, don't do that.  
Ah! He's here!  
Oh! Hugs. That's new.  
I have literally never been more  
happy to see you in my life.  
Don't worry, Riggy's here. He's  
going to make everything okay.  
The news gets in

**tomorrow at 3:**

I brought blazer options.  
I like Navy, it's powerful.  
But...  
You know what?  
I can handle all of that now.  
What I need you to do,  
your sole purpose in being here,  
is to keep Todd away  
from me all the time.  
Belly-man? You won't know he's here.  
Thank you.  
Riggleman!  
Hey! Gwen!  
Oh, my god!  
Congratulations!  
On what?  
On your... English-style  
vacation home.  
The architecture... I've  
seen that in England.  
You're holding swords.  
Oh, yeah.  
Miesha is teaching us  
combat yoga.  
It's stretching  
but with weapons.  
He's a free thinker. Sounds great.  
Sounds great.

Honey, Margie and I are going to go into town to give you time to focus. Thank you so much.

If you forget anything, just let me know and I'll pick it up.

Same goes for you, Riggleman. Thank you so much.

It's great to see you. Oh. Great to see you. You're a treasure.

I'm afraid to ask.

Why did you not propose to that exceptional woman?

I'm coming to get you!

Because of that.

That's him?

He literally has been ruining my life all week.

And last night he stole my proposal to Gwen.

Please, keep him out of my hair.

All right, you go.

I'll take care of this thing.

I am the king!

Whoo!

This is the most scared I've ever been in my life.

And I grew up in Pakistan.

The little mermaid.

Part of your world now.

Hey, you must be Todd.

You're Roger's best friend, huh?

What's your name?

I'm Riggleman. I said how much do you bench?

I don't work out, so I wouldn't...

Me neither.

Great. Glad that's out of the way.

Whoa!

I don't know what you're going for, but there doesn't seem to be much definition there.

I'm not a dictionary

so I don't need definition.  
That word means a few things.  
So does "thesaurus".  
Thesaurus means different things?  
I think it just means one thing.  
Prove it.  
I'm in town for a few days  
and Roger said you're the  
man to show me around.  
Roger said I was the man?  
To show me around.  
I am the man.  
To show me around.  
I feel like there's a part of the  
sentence you're not listening to.  
I am the man.  
To show me around.  
Let's do it!  
Just let me bust  
a piss right quick.  
Oh. You're...  
Going right now.  
What's up?  
Um. It's just the un-breaking eye  
contact is a little off-putting.  
That's also  
off-putting.  
Let me just go  
get my wrist-cuffs.  
Oh, boy.  
Poor Roger.  
Ripped his head right off.  
- Murderer.  
- What a bastard.  
Who murders a fish?  
Roger does.  
Hey, Roger?  
Hey, Cathy.  
Hey. We're making  
beer-garitas.  
They're margaritas with beer in them.  
You want one?  
No, I'm all right,  
but thank you, Cathy.

Okay. Hey, how are  
you holding up?  
Not bad.  
No, I think pretty good.  
You know, just going  
over the speech.  
Making sure I say everything  
I want to say. Oh.  
Well, yeah, you know, I know  
that that's going to be fine.  
But I meant, how are you holding  
up with the whole Todd thing?  
What do you mean?  
It's pretty clear  
that he took your proposal  
or maybe you gave it to him?  
But dessert and port  
aren't exactly Todd's style.  
A ball-pit, maybe.  
But not port.  
You know, when I first met him  
I thought, "this guy has got to  
take it down all the notches."  
But then I realized, you know, that  
the reason he's got that much energy  
is because he's  
got such a big heart.  
And I guess  
a guy with a big heart  
isn't the worst thing  
you could wish  
for your daughter.  
Yeah, sure. Of course.  
This is probably  
none of my business,  
but can I give you  
some friendly advice?  
Certainly.  
Okay.  
As someone who has known  
Gwen her entire life,  
she really loves you.  
You could ask her to marry you  
in a parking lot and she'd nut.

So, try not to put too much  
pressure on the "how" of it.  
Thank you, Cathy.  
Oh!  
Well, excuse you!  
I'm a little buzzed.  
That burp smelled delicious.  
Can I get a beer-garita?  
You sold me.  
The burp sold me.  
You're going to be good  
in this family. Come on.  
Hey, honey, look. I got  
a giant donut! Whoa!  
That's amazing.  
Aw!  
My ice cream! She  
dropped her ice cream.  
How do we clean it?  
It's okay.  
Problem solved.  
Wash it away.  
It's okay.  
Todd cleaned the ice cream with  
soda and his shoe. It's all better.  
I'll get you more ice cream.  
Good as new.  
Hello, "Giggleman."  
Oh. Yeah. Todd gave it to me.  
The nickname and the shirt.  
I assumed.  
That guy is pure  
good times, man.  
We met up with Gwen and Margie.  
We went go-kart racing.  
Except he called it  
"go-fart racing".  
'Cause it's powered by gas.  
Do you get it?  
It really was  
just go-kart racing.  
Oh! We did a Chinese fire  
drill, check this out.  
He did, like, a Chinese

accent the whole time.  
But it didn't feel racist.  
It felt more like a tribute  
to an ancient culture.  
He got to you, too.  
You really got to give him  
another chance, man.  
It feels good  
to do this. Try it.  
All right. Well, I'm  
going to go inside.  
Apparently, I'm  
staying here tonight.  
Todd would not let me  
stay at a motel.  
Classic Todd.  
So, you and Gwen are back rooming  
with Todd and Margie, okay?  
Todd, do you want to  
teach me how to swim?  
Cool.  
Roger? Roger, wake up!  
You're covered in ants!  
They're biting!  
They're biting!  
Ew! I can see his butt.  
That's what they want.  
That's my ice cream.  
Oh. Look, he's skinny-dipping!  
Good for him.  
Dad, the news Van is here.  
Shut up!  
Hi there. Dana Curlman. Hi.  
I feel like I might be  
wearing too much makeup.  
No, Margie did a great job. You  
can't see any of the bites, honey.  
I look like a peach mime.  
I think it's going to read  
differently on camera, okay?  
God, they really got in here.  
I know.  
Thank you for doing this.  
It's not my first time.

Remember when I got  
attacked by all those mites  
when we were building  
that library in Peru?

Yeah. Hey.

I'm really gonna miss you  
when you leave.

I'm going to miss you, too.  
And I'm very sorry for how  
this week has panned out.

I wanted things to  
go very differently.

And I actually was  
planning to ask you to...

Hey, Roger. Oh.

Was I interrupting?

Um. No? No. We should  
get you mic'd up.

All right. Um.

Wish me luck?

Good luck!

Wait, where's Todd?

I don't know. He said he  
knew this was big for you,  
so he had to get out of here.

Good.

Kind of miss him.

Hi. Dana Curlman.

Cascade news 3.

Let's hit it. I'm jazzed and we're  
going to be live very, very soon.

Can I ask you, is the  
makeup intentional?

Do you think it's too much?

Yes, it is.

But it is too late. Here we go, guys.

Let's do this dang thing.

We're live. Go.

Welcome, Roger.

Hi, tom. Hi, Jules.

Ooh! Look at Roger. He looks good.

Well, thanks for having me.

Does he look too orange?

His face looks like it's

covered in Cheetos dust.  
There's an ant coming out of his nose!  
What? Oh, my god...  
There's an ant...  
Uh.  
Do you need a tissue?  
Sorry.  
No. Just an ant.  
No. He's done.  
With the ant thing, it's over.  
I grew up in Seattle.  
It's a city I love.  
It's a city I know. I've been  
working with congressman McClaren  
these last five years and in that  
time unemployment has dropped 2%.  
High school graduation rates  
are at an all-time high.  
Wait, is that Todd?  
Is that Todd?  
Yeah. That's Todd.  
Wow! He's got some height.  
Roger Fellner for congress!  
America loves this man!  
America needs this man!  
I can't even dream this stuff,  
get the freak in the back.  
Roger! It's me, Todd!  
Roger Fellner for congress!  
Just having fun up here  
on vacation with the fam.  
Leave! Leave!  
I can't hear you  
over the jet shoes.  
I said turn it off!  
Turn that off!  
You're ruining it!  
Do you hate this?  
Yes!  
The innovation of the  
people of Washington.  
If you don't leave I'm going to kill you!  
I'm gonna kill you!  
Leave!

Makev! Let's go!  
Okay, he is going to hit him.  
Roger, I'm sorry!  
Watch out!  
Roger, I'm sorry!  
Roger!  
Whoa!  
Roger!  
Roger Fellner  
is now unconscious.  
He's like iron man.  
This is amazing!  
All right!  
Now that's news!  
Roger Fellner.  
Guy worth saving.  
Guy worth voting for.  
Hell of a tagline.  
I felt like a superhero!  
God, Todd!  
It was the best, it was...  
I don't even know where it came from.  
I don't know how I did it.  
I mean, that was awesome.  
And I gotta tell you,  
seeing your face now.  
It is busted. Honestly,  
that makeup was not that bad.  
Well, thank you for today  
and we will catch you later.  
Todd, you my dude!  
Roger, are you okay?  
All things considered,  
that went okay.  
And Todd said we can try  
his water boots.  
This is even worse than  
ripping off Gill's head.  
I'm just glad he had clothes on.  
Roger, I wouldn't go to sleep tonight.  
I'm sure you're concussed.  
You know I can't vote for  
you now, guy. Right?  
How many times did I tell

you to leave me alone?  
How many times  
did I say stay away?  
Easy. Easy.  
You punched me?  
Yes, and it felt wonderful!  
What is wrong with you?  
What is wrong with me?  
Him! He just destroyed my political  
career on live television!  
Looks to me like  
he saved your ass.  
That's because you're an idiot!  
You're out of line, Roger.  
I'm the only one  
being honest, Jerry!  
You should not be content with  
this man marrying your daughter.  
She could do so much better.  
You need to apologize  
to Todd right now.  
How are you not on my side?  
I am on your side, but it is  
not okay to assault people!  
Gwen, if anything,  
he should apologize to me!  
I'm sorry. I don't  
want your apology!  
Do you hear yourself right now?  
You've completely  
lost your mind!  
He knocked me into the water! He  
didn't save me! He caused it!  
I know, but that  
was an accident.  
He doesn't have  
a mean bone in his body.  
He is a menace!  
There's one person right now who's  
a screaming, raving lunatic  
and that is you.  
Why would that be?  
Do you understand  
what I am going through?

Gwen, you don't know half  
of what's transpired, okay?  
Well, why don't you tell me!  
No. You don't tell me  
anything that's going on.  
I can't tell you everything!  
Things affect me, too!  
And when you decide out of the blue  
that you're gonna run for congress  
that has an effect on me!  
And so does you leaving the country  
for three months at a time!  
Have you communicated with me,  
or asked how I feel about that?  
Well, how do you feel about it?  
I hate it!  
I think if you really  
want to help people  
you should give them something  
like food, not young-adult novels.  
All right.  
Gwen...  
No. I hear you.  
I'm sorry.  
You think I'm a joke,  
and you hate my family.  
I'm really glad to know,  
a couple of years in,  
that this whole time  
you thought I'm a fool.  
I don't...  
So I think,  
now would be a perfect  
time for you to go.  
You want me to go home?  
Great.  
That's great.  
Oh. And by the way,  
"I'm gonna nut" means ejaculate!  
Let's go.  
That's disgusting.  
Why would he say that?  
Cathy, that part's true.  
Hey, Roger.

I just want to say thank you for  
a wonderful couple of days.  
Switching gears  
a little bit, um,  
I lost my cell  
phone charger in there.  
It's a Samsung android s3.  
It's like the s4  
but a fewer prongs.  
You know how they just change  
the chargers for no reason.  
I know this is a weird time to bring  
it up, but it is a discontinued model.  
It's got metal gray...  
It's our candidate, folks!  
I just want to thank all of  
you for all your hard work.  
I really appreciate it.  
Place isn't much, but it's the  
best I could do on short notice.  
No. No, the place  
is wonderful.  
I just hope everyone realizes  
I'm going to lose.  
Why would you say that?  
I fell into a lake  
on live television.  
Yeah. People love it. It's gone viral.  
Where have you been?  
Purposely avoiding all media.  
Look at this.  
It's got three  
million views on YouTube.  
Roger Fellner.  
Guy worth saving.  
Guy worth voting for.  
And you've become a meme, look.  
There's you being rescued  
from the Titanic.  
There's you with  
the water-skiing squirrel.  
Your own commemorative cereal.  
That's just you  
coming out of a toilet.

That's also... A bunch of  
just different toilets.  
It's really so flattering to have the  
entire country making fun of me.  
Roger, this is a good thing.  
This is a real human moment.  
People look at this and go,  
"well, I could fall into a lake."  
"I should vote  
for this guy."  
Hey, Pete, play  
the Maddow piece.  
And finally tonight,  
I'm sure you've all seen the Seattle  
politician fall into a lake  
while announcing his run  
for a congressional seat.  
Yes, a near-drowning on live  
TV is a bit of a blunder,  
but the quick thinking of a  
family member saved his life,  
and with it, his chance  
at public office.  
Well, now, new footage has surfaced  
of the accident-prone candidate  
and his rescuer just crushing  
the spin doctors on karaoke.  
Somebody smart once said,  
"judge a person's character by  
who he surrounds himself with."  
Well, with friends like these,  
Roger Fellner seems like  
a stand-up guy.  
Or rather, "a guy worth saving.  
A guy worth voting for."  
So, we are all set for the  
fundraiser on Friday.  
And this is for you,  
it was sent to my house.  
Good night, Roger.  
Is that your boyfriend?  
Oh. Hey, man, sorry. I didn't  
realize anyone was still here.  
You look happy.

You and your boyfriend.  
No. He's not my boyfriend.  
No, no. He's, um...  
He's a...  
Do you want me to move?  
No. No. No. You're good.  
All right, ready, zip!  
What is it?  
"Cabbie penny  
needs a potty."  
Wait, what did it start as?  
"Katy Perry's  
a hottie."  
Yeah, she is!  
Don't tell your parents  
I said that, okay?  
'Cause I could  
get in big trouble.  
Hi.  
Do you think I could  
talk to you for a second?  
Hey, Micah.  
Can you please tell our guest that  
these are not visiting hours?  
These are not visiting hours.  
Thank you, Micah.  
I can hear him.  
I just need two minutes.  
Hear me out.  
And if you don't want to see me  
again, I'll leave you alone.  
Hey, Micah.  
Can you please tell our guest  
that if he would like to arrange a time  
to talk that's not during our hang time  
that would be much better?  
He said... Yeah, I heard him, Micah.  
Thank you.  
Um...  
Okay.  
Okay, little homies.  
Where were we?  
Red-hair Ralph.  
Mickey got another one.

Give it to me, brother.  
Hey, Micah.  
Can you please tell our guest  
that if he would like  
to talk to me right now  
that he could call me up  
on the telephone.  
Todd, I've tried calling...  
"Limes harden in a lunch room.  
Nine times a night."  
What did it start as?  
"I'm sorry that I punched you.  
I had no right."  
I acted like such a jerk  
and there are no excuses,  
but if you give me a second  
chance I would love...  
Your round is over.  
Okay. Guys, thank you very  
much for letting me interrupt.  
I hope you have fun.  
You deserve a better  
brother-in-law than me.  
You're not safe here.  
None of you are!  
That beam is the safe zone.  
And he is it!  
Freeze tag!  
It's on!  
Hit him.  
I take it you got my package.  
I did. Todd, that was amazing.  
Thank you so much.  
Though I don't know if I'll  
have much use for it now.  
Gwen won't even return my calls.  
Come on, buddy. You know  
she still loves you.  
She's been moping around the  
house for like two weeks.  
Makes for an awful roommate.  
You know, her big  
fundraiser's tomorrow night.  
I do know this.

In fact, part of the reason I came here...

Is I need your help.

Say it again.

I need your help. Say  
it real loud this time.

I need your help!

Now, say it... Say it  
like a weird baby.

I need your help!

Let's do it!

Without funding, thousands of  
people won't have access to books  
and the priceless knowledge  
contained within their pages.

We view every book in our  
libraries as a chance.

A chance to learn.

Help give that chance to the  
people of the sundarbans.

Because when a book is in your hands,  
the world is at your fingertips.

All right, I would like to call  
upon our pledge donations.

Can I get the house  
lights up, please?

Let's start with our golden  
bookmark donors.

Who here is willing  
to pledge \$10,000?

Really? Nobody?

Oh! We have one.

Yes! Thank you so much.

No, you are a waiter.

Um. Okay, let's move  
on to our next...

What just happened?

This is ridiculous.

Aw, yeah, give it up for books!

Put your hands in your  
pockets, get the cash out!

Put your hands in your  
pockets, get the cash out!

Yo, these kids are books!

Ladies and gentlemen,

the actual spin doctors!  
That's not the spin doctors.  
Now we're talking.  
Hey.  
I don't know when I started  
taking you for granted,  
but shame on me.  
I don't hate that you do this.  
I don't.  
I love you because you do this.  
What I hate is  
being away from you.  
Being with you will always be  
my greatest accomplishment.  
I love being with you so much, I am willing  
to say in front of all these people,  
that I am okay with having  
him for a brother-in-law.  
It's me.  
Gwen Elaine Turley,  
will you marry me?  
Yes!  
Now, I'm going  
to ask one more time.  
Who here is now willing  
to pledge \$10,000  
for some literacy?  
If you think just because you had the  
spin doctors play a hit from 1993  
that's suddenly going to inspire  
me to write a check for \$10,000  
I have one question  
for you, sir.  
Do you have a pen?  
Oh, my god!  
Thank you.  
I now pronounce  
you husband and wife.  
I also now pronounce you  
husband and wife.  
You may kiss the brides.  
Oh, oh!  
You've got an ant...  
Now, can we please go party?

Guys, she's all mine!  
She's all mine!  
Hey, I like the facial  
adjustments, uncle Mel.  
Thanks. It's easier to maintain,  
and it's a little more classy.  
More handsome.  
You think so?  
Uh-huh.  
Mel! Oh!  
Whoa!  
Ooh! Careful, Spencer!  
Thanks, Roger.  
No problem.  
Hey, Roger?  
They tell a story.  
Go, Giggleman!  
Go, Giggleman! Go, Giggleman!  
How was Bangladesh, guys?  
Oh, I think it was  
the trip we needed.  
Yeah, we helped a lot of people.  
We built a school  
and we dug a well.  
And we put in  
a Wi-Fi tower.  
Now, they have a full,  
electronic library.  
This guy thinks of everything.  
I feel sort of guilty  
that you lost the election.  
No.  
It was pretty hard to come back once  
it came out that I murdered Gill.  
Yeah. People loved  
that fish.  
Todd!  
I owed you one. It's just  
like the one we had.  
Get on up there, man.  
Ride off into the sunset.  
Actually just to the end  
of the driveway  
'cause that horse

isn't allowed on the street.  
But I did get you a limo to  
take you to the airport, so...  
There you go.  
Thank you, brother.  
Come here.  
Oh. I have  
something for you.  
I love you.  
I know. Just let the moment happen.  
There's no words...  
We'll see you when we get back.  
Adorable. You'll see  
me on the plane.  
The plane?  
Surprise!  
Dual honeymoon! We booked the  
room right next to yours!  
Oh!  
The party continues.  
It always does.  
We can get walkie talkies.  
We can do everything together.  
Do you like pizza? I can't believe  
I've never asked you that before.  
Roger.  
Look at me.  
Mmm-hmm.  
Sorry. Sorry.  
I'm doing it, Roger!  
Roger! I'm helping!  
You're not helping.  
Do you hate this?  
Come on, Pam.  
Ow!  
It's been two years, which  
is a very acceptable time.  
Two years is nothing. I could  
sit on one box for two years  
and it wouldn't phase me... You  
will sit on a box for two years?  
I have done it.  
Where were you when you sat  
on a box for two years?

Cleveland.

Yes!

Oh!

Nobody gets Dana Curlman wet.

Unless I want them to.

Be the Rigglesman that  
you've always wanted to be.

'Cause that's what you deserve.

Every day look at yourself  
and go, "I did it."

Oh. You dropped  
your ice cream!

Okay. Bye.

What are you doing?

Making a movie?

How did you...

What just happened?
