Don't know what to say at the moment
Where the defendant refused to make a statement
Nor will it suffer loss of interest
But in the case of making a statement
Its statement may be unfavorable
Do you understand?
Yes
Ok, so please prosecutors state
All public prosecution facts in the indictment
The defendant as a person engaged in animal husbandry
On July 20, 2017
Facing the Public Servants of Paju City Hall, Dangerous Goods are Chairs
Impede the proper execution of official duties
It also leads to
Victim's right hand fracture and other injuries
Recovery requires six weeks of treatment
Ok
Did you receive an indictment that says just now?

Ok
So do you admit everything you wrote above?
If you want to say let's say it
The defendant admitted all public prosecution facts
Good Mr. Li Rongxi. Is the lawyer saying the truth?
Mr. Li Rongxi
Have you graduated
Yes
Haven't you found a job yet
What profession do you read?
I am a literary creative professional graduate
Literary and artistic creation is the profession of writing articles.
What kind of essay do you write?
I want to write a novel
Fiction
What kind of novel do you want to write?
How about writing about your father?
I think your father is the same person as the protagonist of the novel.
His life is plentiful
Really crazy
The madman was originally the protagonist of the novel.
He is the first school in Paju First High School.
Not achievement but self-esteem
He said when he was suffering in the Middle East
Let him use that money to buy an apartment in Jiangnan
This will never make him regret
But he said dont be self-esteem
Later, I said that I would go home and do husbandry.
All the money is lost
So you get this look
This is also the case now
Take care of the victims
Write a penitent book Show a petition to the judge
In this way, it is possible to be sentenced to a suspended sentence.
But he said dont be stubborn
Even the words of a lawyer do not listen
So I met you
Go see your father and convince him
Let him change his temper and write a penitent book
Let's pass tomorrow
Now you know
Hello, I'm coming again
Don't want this today?
After half a month

Hello

Hey

okay

Hey

It's me Haimei

I really have a hard time making a phone call

May break off

I am now at the Nairobi Airport in Kenya

What is it near the airport?

Because the bomb exploded, I was trapped in the airport for three days.

Are you OK

It's okay.

It seems to be like this often

In short, I finally got on the plane.

Tomorrow afternoon at 4 o'clock

Can you come to the airport

Okay, I'll go

Of course going

Hey

Hello Li Zhongxiu

Come

give it to me

Ben Brother

He is my unique friend, Li Zhongxiu

My name is Ben.

We are Comrades of Nairobi.

An uneasy three days spent together in Nairobi

Only two of us are Koreans

hungry

Just sleeping on the plane, nothing was eaten

I really want to eat Korean food quickly

For example, fertilizer hot pot

Do you have to eat hot pot?

I am strangely

I just want to eat hot pot from the very beginning

I know one of Seoul's best hot pot restaurants

really

Zhongxiu ah, lets go and eat the hot pot.

over there

Um, on the way

Take a friend's car

A friend came to pick me up

what

Um, very healthy

Health is born
Because DNA is very good
Really crazy
Why are you so pure?
Age is not small, ah
That should be recorded
Because this is a very important thing
it is good
I miss you too
Um, I'll go back for a trip this week
Good mother
On the way to the Kalahari Desert
There is a route for a sunset tour
Said to see the sunset in the desert
So just go
But that's a place like a parking lot.
Nothing at all
Only a bunch of tourists throw trash
Others are coming together
Only I am a person
Can't wait forever
I always feel that I am alone
Im still thinking about why Im running here alone
But the sun goes down
Near the endless horizon
The sky is full of sunset
It started with orange
Then it becomes blood red
Purple to blue
In the end, the sky became darker and the evening clouds disappeared.
Tears fell suddenly
Ah, it seems that I have reached the end of the world
This idea has emerged
I also want to disappear like the sunset
Very afraid of death
If you can disappear like you dont exist, youll be fine
I think other people's tears are really amazing
Amazing?
why
Because I didnt flow tears
It may be like this when I was very young
But in my memory I didnt flow tears
Really amazing
But you will feel this feeling of sadness

I do not know either
Because there is no evidence of tears
So even if that is not sad, you dont know
Can you ask what job you are doing
Just do it that way
Even if you say that you do not understand
In simple terms, it is playing
Are you playing?
Yes
There is no difference between playing recently and working
Can you ask Zhong Xiu what writer do you like?
William Faulkner
Ah Faulkner
When reading Faulkners novels
Occasionally I feel like I am telling my story
I heard Zhong Xiu you write novels
I just want to talk to you about another day.
I want to tell you my story
Cute, right
If she's sleepy, she can fall asleep anywhere
Do not use 10 seconds
come yet
Big brother car parked in front
Thank you
Wait a moment
Did you go to the car wash?
No
Only from the airport has been following
Nothing at all
Keep pressing the throttle and release it.
I go first
Haimei Haimei Wake up to go home
Do you want me to send you back?
That's it. I'm far behind.
Zhongxiu is very happy to meet you
me too
Please say something
When you call, you must speak.
Who are you? Why don't you say anything?
Defendants

The respected judge must first express his trust and respect for the hard work that the judge has paid for judicial justice.

We wrote this petition in order to request the judge to be obstructed by official duties, violence, and damage to property.

Li Yongxi, the defendant who was detained and tried for trial, was dealt with extensively.

Li Rongxi, the defendant, was usually a simple farmer and was also a neighbor of an affectionate nature.

Hello there

excuse me

Does anyone have anything at home?

Is there a problem

Is your uncle not there?

Not at all

Is there a problem

I want to ask him to sign the petition

he is not here

Then I will come again

Ok

I'm not quite familiar with your father

He doesnt even come to us

He also often works on his own

This is just a petition.

There will not be any loss

Here is written that Li Rongxi is usually a simple farmer

It is also a full of neighbors

Truth is not full of emotions

Sorry

Very well written

I have a calf in my family

Does anyone want it?

Cow?

Yes

Male or female

Is mother

To ask about it

Hey

The next stop is the Tonggu Exhibition Hall.

Is there anyone yet?

Zhongxiu is very happy to meet you

Because Haimei wants to see you

Its the brother whos been saying its coming out

It's not hard to find here
No, I got it from my cell phone.
Here is the cell where my elder brother lives
The district is really beautiful
very quiet
Brother, let's continue
My brother is helping me see my hand
Haimei has something special
what is that
Something in my heart
There are stones in my heart
That stone makes Haimei very hard
Because that you can't be 100% happy
Because it does not feel good to eat
Even if you meet a favorite boy
Can't say like him
What should I do
Need to help me?
Can you come up with her brother?
You just believe me
Holding my hand
Close your eyes
Now open the handle
what is this
What else can it be?
I took it out of your heart
Where does this stone come from?
It was just picked up in the flower bed.
Just to do this?
So did you come from over there?
why
Interesting
As long as it's fun, I can do anything
Zhong Xiu
Do you like spaghetti
what
My elder brother said to give us food to eat at home
-Hello there
-Hello there
Did you come back from the country?
Yes, it's back.
Hello there
Your craft is awesome
I admire the people who will cook

Zhong Xia, can you cook?
Because I live alone
But only a few dishes
The reason why I like to cook
Because I can do whatever I want to cook
And whats even better is that I can eat it myself
It is like offering sacrifices to the human God
I sacrifice for myself and eat it
Are you offering something
The sacrifice is actually a metaphor
What is the metaphor?
You ask Zhongxiu what metaphor it is
Haimei
Where are the restrooms
Where is the toilet?
At the end of the corridor
How old is the man older than me?
6 years old 7 years old
How can we live this way at his age?
Travel leisurely
Driving Porsche
Cooking pasta in the kitchen
Maybe even if he's young, he's very rich.
There are still houses
What does it mean?
Don't know what he is doing
But it is very rich
Really these young people
There are too many such people in Korea.
Have you ever wondered why that person wanted to be with you?
My brother said I like people like me
He said it was fun
Hello there
-Hello there
-Hello there
Hello there
He is my new friend, Li Zhongxiu
He writes novels
Is a writer
No books have been published yet
Just practicing it
The writer is a writer.
Man using a lighter
Just ask it

I advanced to
me too
Provence
Really
I remember clearly
Bushmen will rise to the campfire in the evening
Dancing in a circle
They have been dancing like this since long ago
The oldest and most intelligent grandmother will play drums
Then other people will dance to the rhythm
At the beginning, both hands are facing the ground
such
This is the hungry dance
Hungry man dancing
Jumping and jumping, both hands gradually
Towards the sky
This is the dance of the great hungry
Finding the secret of life
Dancing from late evening to late at night
The hungry dance
Gradually turns into a dance for the great hungry
This can't be expressed in words
To see it with your own eyes
Then you jump to us and have a look
really
Yes
Try it, it should be fun
Then I'll skip it
Have a rhythm
Clap everyone together
such
It gradually became a dance for the great hungry
Little cow
Sitting by the stove
Crying
Oh, ah, haha!
Ass is hot
Little cow sits on ice
Crying
Hello, Hello.
Where is Zhongxiu?
are you at home
Ah at home
-right

-what happened
I think you will be at home
Im going there with Bens brother
What to do here
Just drove past there
I said this is where I used to live
The older brother said he wanted to take a look
Now is passing
Immediately
Ok
Hello there
What is this sound?
Ah, this is North Koreas broadcast for South Korea.
There is North Korea over there.
Ah really interesting
The house I used to live in was gone. It's a pity.
There was once there
No trace was left
I also found that the well was not there
We havent had a well next to our home.
I fell into my childhood
Do you remember
You said you fell into the well
When you are old
Maybe it's seven years old
When you play alone, you fall in.
Looking at the bottom of the well for many hours
Think if no one finds
I'm afraid to die like this
Suddenly he saw his face
At that time, Zhong Xiu found me and was saved.
But he didn't remember it
I bought some food
Ok
It's like returning to my house
My home
The atmosphere is good here
It's a bit of cow dung
that's nice
Today may be the happiest day
I want to smoke a
Do you want to be together
What to smoke
Marijuana

I will laugh when I smoke
I hate my dad
My dad has anger control obstacles
There is always anger in the mind
It will explode like a bomb
As soon as an explosion will destroy everything
Mom left us siblings
Running away from home is also because of this
The day the mother left home
I burned my mother's clothes
In the yard put a fire
This is what Daddy wants me to do
I want to burn my own hands
I still dreamt about things then
I occasionally burn plastic sheds
what did you say
I said that I occasionally burned plastic sheds
I have a good idea of burning a plastic greenhouse
Pick a plastic greenhouse that is discarded on the field
Then burn it
Once in two months
I think this rhythm is just good
to me
Is it rhythm
In other words, will you burn other people's plastic greenhouses?
Of course it is someone else's
Needless to say is crime
Just like Zhongxiu and I'm smoking marijuana now.
Obviously in crime
But it's really simple
Just throw gasoline on a match
It's over
It burned in all in ten minutes
Just like it didn't exist at the beginning
Can make it disappear
What if I get caught?
Will not be caught
South Korean police do not care about these
It is really a lot of plastic sheds in Korea
Not used
Looking at the upset messy plastic greenhouse
They are just waiting for me to burn
Then I looked at the burning plastic greenhouse
Feel joy

That will be from here
Feel the bass from here
Resonate with the bone marrow
Is there any need for you to judge?
No, I dont judge
Just accept reality
Accept the reality that they are waiting for me to burn
It's like rain
It's raining
The river will rise
Floods will occur
People will be washed away
Will rain be judged?
Which does not exist correctly or not
Only the morality of nature
Morality of nature
It is the same time
Is there both
There is also there
There is also in Paju
Panpu also has
Seoul also has
Also in Africa
That's it
It is this balance
When was the last time it was burned?
Thats what happened before going to Africa.
It's about two months
It means it's time to burn it.
The next plastic shed to be burned is already selected.
Well, it's already selected
It is very easy to burn off
There should be a long absence of fun
Actually, today is a pre-examination
Do you visit beforehand?
Is it near here?
Ok
It's close to here
Particularly special near place
I love Haimei
TMD I said I love Haimei
This tree grows a lot
Why do you take your clothes off so easily?
Still in front of men

Only deafness will be undressed like this
I will pay attention to the plastic shed later
whatever
In a very close place

brother

I am sorry

I'm late

Suddenly there is something in the shop

I'm really mad

It's ok

But I'm sorry, because I'm late, I have no time for a cup of tea

Hello

Do you have any connection with Haimei?

I can't contact her for a month

Yeah, I can't contact her.

Haimei she... disappeared like smoke

Haimei, did she tell you anything?

Say what

For example, she wants to travel

or

I don't know but I shouldnt travel

Because she has no money to travel

As far as I know, Haimei is impoverished.

Broken contact with family, no friends around

Haimei is more lonely than you think.

But Zhong Xiu, do you know?

Haimeis feelings for you are very special

She told me

Say you are the only person she trusts in the world

Say you will always be on her side

Listen to her this way

I suddenly gave birth to

Who I have never seen in my life

Zhong Xiu

You are Zhongxiu

Yes

That's right

Exactly the same as a child

Hello

How did you come

Is Haimei letting you come?

Not

With Haimei...

It should not happen to happen

Hurry up

Ok

Show really should get married

The end of the child also has

is it

Are you in touch with your mother?

No

It should be Haimei calling you to come

Help to tell Haimei

I don't want to go home until I finish paying my debt

Ask

Do you remember Haimei's activities in the well when he was a child?

Out of the well

Is there such a thing?

Hai Mei was 7 years old

Fell into the well

Crying for a few hours at the bottom of the hole

While crying, look at the top

Just waiting for someone to appear

Always look at the round sky

Sorry

What was Haimeis mood at that time?

Imagine it casually

Nothing else

If so, how could we not know it?

Is Haimei saying that?

She likes to make stories

It's the same as true

There is no well beside our home

Hello, long

Hello there

- I want to ask you

-Just ask

Will you ever have a well there?

Well

Yes

Deep wells that people can fall into

Unclear

There seems to be no such well

Through Christ With Christ With Christ

By the Holy Spirit as one

The Almighty God Father All Glory is to the Lord

Amen Amen

Amen

Isn't this correct?

Two people have couples

Children like dad

See yourself first

I want to see

How to bring so many things
Buy it and buy it

Close the door or the cat will go out
What to do, cat went out, I'm sorry.
What should I do?
What can I do?
Where did you go
Cats
Cats
Where are you cats
Cats
Ravi
Cats
Cats
Ravi
Cats
do not move
Cats

Cats
Cats
boiler

boiler
Ravi
Wow, find the cat
so amazing
How could you catch it so easily?
It's very agile
Can I hold it?
How did you come down to pick us up?
Specially come to meet you
Together with cats
Hello
-Hello there
-Hello there
- You change your car
-Ok
How are you?
When the Chinese give money, they will throw it directly
like this
Why
Because they think money is dirty
We do not cherish the money
But they are more casual about money
May be strong self-esteem

Chinese peoples self-esteem is particularly strong
Make banknotes wrinkled
Then I spoke to the other party
The feeling of "for you"
Chinese people and Americans are like
Others will think that our country is also a Confucian culture
I thought I was almost like
What do you mean?
It's all mainland China.
That's right
Their focus is on themselves
We dont all care about people in our country
- That's what you said
- That's right
Samples are also justified.
The shop on the street is not just given
But our duty-free shop is to buy high-priced products will give gifts
I clearly said no
Recall that there is no sample
But they have always stood opposite and said
Didn't you guys give me demos?
But honestly
I would like to see Chinese men
Lets socialize
Chinese men are not good for women
Very cherish the woman
The original Chinese cherished women rather than money.
Money is thrown casually
- Rich money
- How good is it for me?
Better than throwing cash or throwing a credit card
And then cherish the woman
Korean men are not even in the kitchen
That's right.
Where do they know what kitchen?
Chi Yings family will enter the kitchen.
What did you do in the kitchen?
In the kitchen...the main thing is to eat
Like me
You can eat too much and you need to control your weight
You see the meat on your stomach
Is it obvious?
Okay
Zhong Xiu, how did you go straight away?

How good is it to play?
Didn't you say something about Haimei to say to me?
It feels unnecessary to say now
Zhong Xiu you too seriously
Seriously boring
To enjoy it
To pass here
Feel the sound
Call out from the depths of your heart
That is really alive
This case is the defendant

administrative sanctions on themselves
The nature of the crime is very poor
Impeding the execution of special duties
Damaged property All guilty
About the victim's thumb fracture
It takes six weeks to recover
Although the defendant said that he did not intend to commit violence
But wielding a chair caused the objects to fall
Injured in that process
Judging it as intentional injury, there is no doubt
The defendant does not reconcile with the victim
The victim wants the defendant to be punished
The defendant had also received similar punishments before
Consider these points
We judge that the defendant needs to be punished accordingly
Will sentence according to the contents of the instrument
Instruments

This concludes the sentence.
Come and come

The plastic greenhouse here is really a lot
Where is Sea Beauty?
