But Deliver Us from Evil

By Joshua Coates

[WIND WHISTLING SOUND EFFECT]

[SCREAMING SOUND EFFECT]

CINEMATIC DRAMATIC

MUSIC BEGINS:

PROFESSOR HABERMAN: Wickedness had overtaken the people of Sodom & Gomorrah to a point of no return. Its people were seduced, possessed and controlled by an ancient evil. This angered God. God's only choice was to destroy these cities to preserve mankind and all that is good. A man named Lot, considered by God to be the last of the righteous, abided in these wicked cities. God would not destroy the cities with this righteous man dwelling within. Lot and his family were visited by two strangers... men, not of this world. These men were to rescue Lot and those with him before God destroyed the cities. Word spread throughout Sodom & Gomorrah of the visitors' presence at the home of Lot. Discerning the impending danger a visitor signaled Lot. The wicked men of Sodom and Gomorrah surrounded the house and demanded that the two visitors be released to them, they may take them and have them... sexually. Perceiving the men to be holy angels sent by God, did all he could to protect them; even offering his two daughters instead. Lilith, the ancient evil spoke saying...
"Join me
and I will let these men go

freely." One of the visitors quickly grabbed Lot, "We must leave now, there is no redemption for these cities." As the men of Sodom & Gomorrah rushed the home the visitors unleashed blinding rays of light, enough for Lot and his family to escape safely as God completely destroyed the cities.

GAME SHOW LIKE MUSIC BEGINS

LEIGH WARRING:

Leigh Warring and, thank you for joining me. For over 2000 years, Christians have been trying to convince the world that their belief is the only way. You know every religion has a salesman. I'm referring to it's religious leaders. The kickbacks are out of this world, thanks to you, the followers.

TV SEGMENT REPORTER: Arrested tonight in downtown Atlanta, Pastor Avery Malone of Christlike Ministries. The married father of 4 was caught drunk driving on route 402 with an unidentified woman.

LEIGH WARRING:

you an invisible product. Something that can't actually be verified until the day you die.

NEWS ANCHOR ARIEL WINTERS: 12 prominent church leaders from surrounding counties are under federal investigation.

These allegations include money laundering and mail fraud.

But by that time, if

it's proven not to be true...
Sorry no refunds. You're going
to a... paradise, a heaven...
Really?

SHEILAH BELLE:

Albert Charles is lying about you
being addicted to
prescription drugs...

PASTOR JACOB ALEXANDER: Absolutely and I
have said it time over and over again...

SHEILAH BELLE:

He even claims when high, you
- participated in sexual acts...
- No...
- With other men...
- No.

...since the early 90's.
No he's trippin'... I've only
had affairs with three women...
Three!?

FIRST LADY ALEXANDER:

What!?

Oh I'm sorry, did I say
three I meant one...

From childhood, we've
been taught over and over again
about fictional stories of men
who knew nothing about science,
chemistry, the solar system or
better yet where the sun goes
at night. Yet, they can tell you
about the afterlife.

Another prominent church leader
in the city of Atlanta has
resigned today over allegations
of hiring male prostitutes.

These places, they
create fear in people, mass
delusion, and we need to rid
ourselves and generations to
come of these fairy tales.

SPORTS REPORTER KATHLEEN: That's

your 3 minute update for sports!

MEGAN STONE:

Well, there seems to be brighter days for the church community at-large especially here in Atlanta. Despite multiple scandals that have rocked the core of the Christian community, a beacon of light shines bright.

His name,

Pastor Robert J. Knight.

He is the founding Pastor of abundant life Ministries of Atlanta. The Pastor and his wife Tammy Knight's outreach ministry has been serving the community with food banks, after school programs as well as job training centers throughout the city.

Despite the scandals that are plaguing the church community, their membership is up to an astonishing 6500 and growing.

They're up there dusting for

We've been down this road before. You just gotta go back to the group home, just for a little while. I was hoping Ms. Morris would reconsider before you started at UMT but...

We try so hard to fit in, but maybe we aren't supposed to.

We're not weird, they are.

There have been several internal leaks to the media regarding a murder of a high profile person.

And I'm here to confirm the victim is Pastor Robert J. Knight of Abundant Life Ministries.

This is a homicide, so, I must be careful what I share.

REPORTER #1:

Reid, I heard the crime scene was horrific...

Could you comment on that?

No.

REPORTER #2:

be the work of a serial killer your department lost track of years ago.

We can't comment on that.

Is this murder related in anyway?

What can you answer Detective?

Why was the Pastor there
when he was supposed to be on a

Cool, yeah cool... respect.
PROFESSOR HABERMAN: Faith and religion.
Faith and religion that's the
same thing isn't it... no?
Well what's the difference?
Is there a difference? Welcome
to Religion 101 where we'll
discuss that and
other aspects of Christianity.
Now most people and I'm sure
that includes some of us, have a
tough time with the
concept of Faith and Religion.
I don't know maybe it's because
all we see are pagan rituals.
We don't see a lifestyle, we
don't see a way of life.
So what do we know
really, what do we know?
Let's see, we know that
Christians believe that God or a
form of God was born to a virgin
and then later was crucified.
Jesus died on the cross or in
faith terms gave his life to
save a dying world... and that
ladies and gentleman, that,
has empowered mankind to destroy
evil.

I'm... I'm alright. I just, uhh,
have a little bit of a headache.
We can prescribe
something for that?
No I don't... I don't need
anything I'm good.
Well, the important
thing is the police officers are
willing to drop the charges if
your willing to get some help,
because evidently
you've had some, episode.

A couple of students have gone missing.

You've got to be kidding me.

Everyone inside alright.

Yes, sir.

No new leads but new victims. I got the chief up on my back and God knows how far this has reached in the media.

Any day now the US Attorney General will walk through these doors and nobodies job is safe! We're... we're trying to narrow down the connections now.

We don't have anything Dahistrom!

Every lead we had went cold.

It's been 10 years and this monster decides to show up again.

Hey... hey Reid, I left that file on your desk.

Alright but what about the female clothing we found at the crime scene?

I'm not counting it out but there's no way a woman can rip apart a man like this.

I think it's to throw us off.

Yeah, well we can't rule out copycats either.

That could complicate the situation even more.

POLICE OFFICER ON CALL: Ah yeah, the suspect is a white male, approximately 5...

Reid, listen...

We all know you've been

I personally hate to

It took your joy of

All I'm saying is... there's
something happening
in this city that is
just plain scary.

No, no

I'm not physic I just...

I just had this overwhelming urge to tell you that everything was gonna be ok and to say what I said thats all and now I'm glad I said it.

Do you believe in God Jeremiah?

Like God has this ultimate secret plan that no one knows about. I like to think of it as backup plan when things go wrong.

I know he does because he sent you.

What's up boo?

Oh hey, Jason.

I've been calling you and texting you, why can't you hit me back?

I was just having lunch.

Sweetheart, sweetheart.
It's okay. It's okay.
Helps here.
She's right here, right here.

Oh my God... radio
in for medics.

This is UNIT 167.

We gonna need a medic.

Help is here...

- No, no...

- Who did this?

- No..

- Did you see who did this?

Basement level...

Who did this?

Sa... Satan. Satan.

Satan. Satan. Satan!

Now we all know the story of
Adam and Eve right?

Genesis,

paradise you got

the snake, the apple, paradise
lost, what if there's more? What
if something was left out? The
book of Genesis verse 27, 28.

- Hey do you mind?

- Yeah.

Now pay close
attention, 27...

STUDENT READER #1:

So God created man in
his own image, in the image of
God created he him; male and
female create he them.

Huh. Alright, that's nice.

Makes sense, ok. 28?

God commands them to be
fruitful and multiply.

Commands them to be fruitful

and multiply. Ok, thank you.

Now let's go to chapter 2.

Do you mind?

Thank you.

18 and 23

impart. 18 go...

God said it is not good

for man to be alone?

I will make

an helper fit for him?

God caused a deep

sleep to fall upon Adam.

He took one of his

ribs and made a woman and

brought her unto man.

23, go.

It is now bone of my bone,

flesh of my flesh and she shall

be called woman because

she was taken out of man.

Wait a minute, wait a minute.

Let me. So what happened

here? What happen? What happened

to the first woman? The woman we

just read about in chapter 1?

The one that wasn't made from

Adam's rib? Let's talk about

that for a minute, let's talk

about the theory of

Adam's first wife.

Now there are two texts

in history that talk about her

in great detail. One is Zohar or

the Splendor written in the 13th

century and the other one... the

Alphabet of Ben Sira.

A collection of writings

compiled in the middle ages.

Now, according

to these writings,

Lilith... was

Adam's first wife.

And Adam and Lilith were made

of the same ground the same dust

and time were
separate and equal.
Well guess what Adam didn't want
that, no he wanted his wife to
be subservient.
"Lie beneath me
women as we mate"...
What a guy, huh?
Well Lilith refused, she wanted
to be on top... she wanted
position of power
dominance and authority.
But Adam wasn't up for that.
So, Lilith in anger cursed
the God of creation and fled
paradise. And God in-turn...
cursed her womb and banished her
from the Garden of Eden forever.
Ohhh Lilith, now she's a Godless
demon filled with venomous
hatred and rage toward God. She
turned her fury to the one she
believes caused
her demise... man.
She seeks to destroy him
with his own sexual desires
the very thing that
caused her fate.
She got some
interesting titles out of it.
They called her "The
seducer of the night",
"The blood thirsty demon" "The
succubus" that only preys on
men. Well all this is open for
discussion. The floors yours...
tomorrow. Class dismissed.
Hey I didn't think you would be
here. Bro I didn't sleep a wink
last night man. I mean this
whole vision thing has got me
paranoid I'm like looking over
my shoulders every five seconds.
But like that thing you were

saying about it being real...

Yo, yeah it... it felt real.

It actually happened.

Well was anybody hurt?

Pete?

- Yeah that is her.

- What?

There's that girl.

What girl?

Hey, Pete, Pete, Pete!

Was... was anybody hurt?

Yo yo, ahhh Mike

Mike ahhh excuse me for a

second, I hope you block

better than you talk to girls

Come on man.

Excuse me?

It's me, I found you!

Umm, I don't know you.

Fantasy, right?

Fantasy?

Yeah that's your name.

That's what you told me?

No I'm sorry, I think you have

the wrong girl I'm sorry...

You don't remember me?

I meet a lot of guys so...

No we were talking at Club

Shrine the other night.

LILITH (V.O):

you from a mile away.

I have been thinking

about you....for a real...

For a real... hey hey!

Listen you scumbag you should've

died with the rest of them!

Peter Johnson?

Hey what's up fellas?

POLICE OFFICER #1:

You need to come with us.

For what?

POLICE OFFICER #1 We need to ask

you a few questions, Peter.

I'm sorry.

I saw it happening.

What?

I... I had one of them ahhh, those
vision things again.

Like a premonition
thing and...

Why, why didn't you warn them?

I... I...I mean, I...

I just... it was different
this time because it
it happened before hand and
it's, it's never it's never been
like that...

Where did you come from?

Where did you come from!?

INTENSE INTERROGATION

MUSIC BEGINS:

Ay I mean, I don't even
know what I'm doing here man.
So what happen after you left?
I went back to the
apartment, ummm looked over my
play book. Obviously you guys
don't know who I am you know...

I know my arms broken but you
know you guys are going to be
seeing me in the NFL.

Wow, impressive, huh?

But I made some phone calls.

Who did you call?

Man I don't know I don't
remember... Some girls?

Guys, what am I doing
here what is this about?

Huh? Am I in some
kind of trouble?

Man you didn't hear anybody
say that did you?

Listen I'm going to
get straight to the point.

Get to it then...

I got 9 of your friends dead and

you were the last to see them
alive.

You need to start talking.

What, wait a minute,
what are you talking about?

Who helped ya?

What, no no, you
you said dead?

Go ahead.

It ain't gonna bite you.

Oh!

Jason...

You were there that night. I
need to hear your story Pete.

Nobody can tell your
story like you can.

Jason...

Don't make the mistake of
letting someone else write it.

This can't be happening.

Those pictures ain't gonna
change. As a matter of fact they
might get a little worst though.

We have a big
game this weekend.

Looks like you're gonna
be playing by yourself.

Did you drink too much, man?

What happened?

Hundreds of students are
gathered this evening outside of
UMT ATLANTA. To mourn the deaths
of members of the university's
football team who were brutally
murdered last week off campus.

Authorities are asking for
anyone with information to
please come forward...

Hey, there you are...

Jeremiah! Jeremiah!

I thought I lost you.

Can you walk me back to my dorm?

Huh, huh?

Can you walk me back to my dorm.

Yeah. Yeah, yeah...

Thanks.

[CELL PHONE BUTTON SOUND EFFECT]

DRAMATIC:

MUSIC CONTINUES:

TAMMY KNIGHT:

not know who I am but I know
who you are.

My name is Tammy Knight.

Hi.

Before I continue you
must tell me how much you know?

What do you...

What do you mean what I know?

What does that mean?

Do you know who your
parents are Jeremiah?

No.

My husband was Pastor
Robert J. Knight.

He built this place
from the ground up...

Every part of it. But my
husband became very distracted
with the success of the
ministry. I believe we simply
got too big too soon.

Many in this city depended on my
husband's work and dedication to
God but like the
others he would fail.

Jeremiah, my husband was
different, chosen among the
chosen. He possessed
unique gifts. Without a moments
notice he would have these open
visions, premonitions of danger
he would then warn others.

This gift was pass down from
generation to generation.

From his fathers father

to him, and now...

Lot in

the Bible was a righteous man.

The only one left in the city
of Sodom and Gomorrah. Evil had
besieged the city but it could
not fully prosper until all the
bloodline of the
righteous were destroyed.

My husband Robert

Jeremiah Knight because of his
bloodline was

that man, your father.

What are you saying?

Your father...

You mean, you mean to
tell me, you expect me to
believe...

You must. People are dying.

Forget forget forget the
people!? You mean to tell me

that the guy you been
telling me about is my dad?

I'm sorry that you had
to find out this way.

[OMINOUS SYMPHONIC
AMBIENCE ENSUES]

The same evil I spoke about in
Sodom and Gomorrah is here.

Here in this city.

It's what killed your father.

This doesn't make any sense.

Alright if this guy's my father
then whose whose
whose my mother? Hm?

I hate to be the
bearer of bad news.

Your mother Sarah wasn't
well before you were born.

She suffered from
a serious case of depression.

Your father, new
to the ministry tried his
best to help Sarah

overcome her illness.

Months had past and then

she found out about you.

She was pregnant.

[LIGHT BELL-LIKE

AMBIENCE ENSUES]

What should of been a joyous

occasion turned quickly into

sadness, anxiously... guilt.

Robert feared that soon your

mother would be at a breaking

point... but that changed

briefly once you were born.

Sarah for once

was happy... but then...

It would be that phone call that

would haunt your father up until

the day he died.

Sarah, please honey honey honey

honey honey... please just calm

down, calm down, I'm almost

done, I'll be, no no... don't...

Hey! I'm coming home right now

alright I'm coming home right

now!

Where she go!?

FAMILY FRIEND:

with the baby I couldn't stop her!

Ohh shoot!!!

RADIO:

alright alright please please!
[BOAT HORN CAN BE HEARD
AS WELL AS WAVES SOUNDS]
Alright I'm here aren't I, so
how am I alive... huh!?
I don't know. That is a
question I can't answer.
After several years you were
declared dead, your body was
never found.
[BABY CRYING AND PIANO

LIGHT PIANO MUSIC

That's crazy, that's
crazy, that's crazy...
But you're here now and you
can't run away from this
Jeremiah.
I... I, I, I don't... I don't know
what to believe alright.
I'm sorry Tammy
but... this is...
C'mon you feel it. You feel it
deep down inside of you.
God has chosen you and only
you for this hour. You are the
last of his bloodline. You will
need to be ready because evil is
after you.
[DOOR KNOCKING SOUND EFFECT]
Can I help you?
Can I help you?
You troubled little girl.
Excuse me?
My stomach...
You're in the way.
Oh my, God.
What are you?
Look what we have here.
It must be Jason's or is it your
father's?
Please don't hurt me.

If you want to ever live to give
birth to this bastard of a child
you better leave this
city and never return.

Do you understand!?

Do you understand!?

Yes yes!

Please God...

[BIRDS CHIRPING SOUND EFFECT]

No your not your not listening
to me your not listening to
me... Charlie. Charlie
you're not listening to me!
Look they they they lied to
me I'm telling you they lied to
me the agency lied to me!

No, no, no,

no, look it's like...

It's like I'm in a maze and and
and I don't know which way to go
and, and, and, and, and it's
only getting worse...

Char... Char... Charlie who's

Robert Knight? Who... who... who's...

who's Sarah Knight?

Who is she, Charlie?

I plead with you to seek God for
his understanding and trust
me you shall find it.

You will need to be ready
because evil is after you.

I want to show you something.

Now our victim was seen at a
downtown strip club about 6
hours before he reported to
work. Excuse me.

Show him what you got.

OFFICER BEN:

This what we have so far.

There's our victim...

But who was he with?

OFFICER ESPINOZA:

Wait for it... Look at the door.

There you go Reid.
That's who we need to talk to.
That there might be
our first real lead.

TEACHER:

Yeah ummm unfortunately,
She has her ways about her if

I love her to pieces though.
I offered to help her pack.
What do you mean pack?
What do you mean?
You know her mom
struggled with uhm...
- Naw yeah, yeah she...
- Yeah.

I was gonna run to the student
union, you want to walk with me?
Yeah, yeah.

I could walk with you.
Let me grab my purse. Okay.
My name's Jessica by the way.
You attract a lot
of attention.
Tell me about it.
You guys are terrible.
Maybe they'll think you're my
boyfriend and back off.
No, no, I don't... I don't
know about that.
What, I'm not your type?
No no no you... you... no, no, it's
not that you're not my type,
you're very beautiful and I
don't think that people would
believe that... that you were my
girlfriend or anything like that.
Awww that's so sweet.
Don't be like that.
Listen, we all have a story
looking to find ourselves but
sometimes we find ourselves in
others. And that's attractive.
By the way, You are my type.
I have to go that way.
We should connect again.
It would be fun.
Sonja told me about what a great
guy you are. That's what
really counts.
Are you serious, Are you kidding

As I was saying. You may know
there have been multiple
homicides throughout the city
over the past few months.
It's so sad and It must be so
stressful. Pulling you away from
your friends and family
requiring so much attention.
I bet you do have a
lot of lady friends.
I appreciate it, but the real
reason I came tonight was to ask
you about this man...
Look familiar?
Not off hand.
He was seen leaving your place
of employment after a session
you had with him?
Uhh... I might of
dealt with him.
Just take another look. You know
as beautiful as you are I still
have to press the issue.
You know... there's something
about your eyes Detective,
that keeps calling me over.
You must be so tired of this cat
and mouse game, that you
sacrifice so much for, friends,
family. You must be suffering

from a broken heart.
When was the last time
you been with a woman?
It's been awhile.
Your nights must be so
cold and lonely.
You're so beautiful.
Yeah...
We can't do this
we can't do this!
Why?
I have to go...
Just stay a little longer.
I have to go...

You haven't even touched your

it?

Uhh, no no no, uhm... just...
I... I got to be honest I don't...
I don't really drink.
Why?
I just, I don't know I should
have said something when you
ordered this for me but, I don't
even know what to do with this
so I... I don't...
No you're
making me feel bad.
No don't feel bad don't feel
bad, I should of said
something...
I don't really drink.
Jeremiah, you're really
interesting. Your parents must
be really proud.
Should I have not said that,
about your parents?
No no not I mean...
c'mon, like, like you said,
it's uh... everyone's got
their story you know.
And I would love to know
more about yours.
I never knew my parents. I spent
most of my life in foster homes
in group homes, like in Atlanta
Missouri New England all over
the place.
I had no clue.
Yeah, yeah so that's why I don't
really know anybody or have any
friends or anything like that.
I call them temporaries, the
people that worked at the foster
homes, that's what I called them
because they were like your
family and they took care of you
and did everything like that
but as soon as you became to
complicated or to difficult to
understand or anything like that

they make a phone call and send you packing like you never even existed, so that's why I call them that.

My uhh...

I just found out that, my mother my real mother my biological mother she...

Yeah...

she was, some kind of head case, I guess. Like not right, you know.

And uhm...

I found out that my father he was uh... he was like some prominent pastor at some church in Atlanta or something,

It's quite the combination, right?

Oh. Jesus, are you... are you ok!?

Did... let me... are you ok?

I'm fine.

You think you're slick.

You won't with this one.

I'll show you.

Is she ok? Looked like she was bleeding?

You can take this too. I don't...

Honey, are you ok?

[OMINOUS AMBIENCE ENSUES]

Are you ok?

Yeah I'm fine.

Are you... are you cut?

No silly it was just the wine. Look.

You want to get out of here, my dress is ruined.

There was some kind of... coming out of her hands...

I like this place more, it's quiet.

Relaxing?

Yeah.

Jeremiah?

Yeah.

Are you scared of me?

No.

Everytime I try to get
close to you, It's like your
uncomfortable or something.

To be honest with you,
I've been having these,
like... like visions and like
these hallucinations and they
seem very real

Whatever it is I hope it doesn't
get in between what we have,
that would be devastating.

but my time is short.

Who are you?

Reid.

This doesn't make any sense.

PASTOR ROBERT J. KNIGHT: I thought you
were dead, I thought you were dead son.

All these years I never
stop thinking of you.

Like the others,
he would fail.

The victim is Pastor
Robert J. Knight.

Who are you who are you!?

Your father.

You have to listen to me right
now. I failed at my mission.

I was blinded.

This demon is powerful

It wants total domination.

She's already begun building a
nest to create an offspring of
her own.

Jeremiah her eggs will hatch.

It will be the beginning of the
apocalypse and God would be
force to destroy mankind.

Wait wait wait tell me what to
do tell me what to do?

I need more time, more time!!!

ORGAN MUSIC BEGINS TO PLAY

That's it... that's it, Jeremiah.

Do you believe in God, Jeremiah?

Because he sent you.

I... I don't know

what to believe...

You can't run away from this Jeremiah.

Everytime I try to get close to you its like your uncomfortable or something.

I saw it happen...

Why didn't you warn them...

I, I...
Almost there
Jeremiah, that's it, you got it.
Yes, yes...
There is a great
evil that's present in our city.
Yes, yes, yes, yes yes...
I failed at my mission...
Without a moments notice he
would have these premonitions of
danger.
I had to see Jeremiah because I
don't think that he's crazy.
You were, you
were dead...
I was blinded...
The succubus that only
preys on men...
Your mine Jeremiah!
Charlie?
How did you get here?
And what is that... what're
you... are you... are you...
what is... are you bleeding?
Fear not Jeremiah, I'm
your guardian angel.
I'm the one who pulled you from
the river and hid you until now.
I was assigned to you to
make sure you fulfill your
mission.
This... this is too much, this is
too much, this is...
this is crazy...
Well I know it's hard
for you to process.
She's not even a human. She's
like a monster or something she
was trying to kill me. Charlie
did you see that is this
happening?
It's... it's Lilith. She's after
you and she wants to destroy
you.

I don't... I don't want anything to do with this I never wanted this. The only thing close to a girlfriend I ever had and now she trying to like kill me she's like a monster.

You have to tell her that I don't wanna die I don't want anything to do with this.

It doesn't work like that. It's who you are and what you will become that Lilith fears.

Okay. I didn't, I didn't do it with her so, so she can't kill me right?

I, I don't know...

But she is very very angry.

Wait wait wait, wait wait wait Charlie no no no, don't don't don't... Charlie!!!

TANK OFFICER #2:

Lieutenant Dahistrom, sector 7!
No, no...
Jeremiah!
Behold, I give unto you power to tread over the enemy.
There is a power in the word that every demon must be subject, that at the name of

Jesus, every knee shall bow of
things in heaven
of things in earth.
Come on you feel it, you feel it
deep down inside you, God has
chosen you
and only you for this hour.
[SNARLING AND GROWLING SOUNDS
CAN BE HEARD FROM LILLITH]
Everybody hold your fire
until I give a signal.
These signs follow
those who believe!
Stop!
Every demon must be subject that
at the name of the crucified
one.
Every knee shall bow, of things
in heaven and things in earth.
I cast you away from here
in the name of JESUS!
What in God's name... Drop it!

PATHOLOGIST #2:

PATHOLOGIST #1:

PATHOLOGIST #2:

PATHOLOGIST #1:

Whatever, let's get this
done so we can go to lunch.
Alrighty sounds good,
how bout sushi today?
So we almost come to the
conclusion on the chapter on
Lilith, the succubus that hunts
men for her revenge toward God.

But I got to tell you I think
we're missing something.

What about women?

Do women have a so
called demon that wants to
destroy their species?

You do anything fun last night?

No, just the usual.

As always...

Well let's take a
look at our beauty queen.

The answer is yes. Because just
like every other coin in life
ladies and gentleman this one
to has more then one side.

Scholars believed that when the
succubus has to escape danger
she turns herself into her male
counter part. The one that comes
in the shadow of darkness, the
nightmare that lies upon you
when you sleep.

What?

The
incubus.
