- Rita.

Rita!

Aw come on, guys!

Come on, I'm not in the mood!

This isn't funny!

This isn't even clever!

Dammit Randy, I'll buy you  
a new carpet all right?

Sorry.

Hey if you wanted to scare me  
you could've tied me up better.

Okay.

Okay.

Come on.

Hello?

Hello?

Can anyone hear me?

I'm trapped in a  
cabin somewhere,  
I don't really know where it is.  
I'm uh, surrounded by...

Trees.

Uh, mayday.

I don't know where I am, please,  
if anyone can hear  
me, please help.

Think, think, okay.

Picked up Rita,  
okay, I had a drink.

I had two drinks.

Then uh, then I came home.

Did I get home?

Was I drunk?

No, no, no, no, no, no,  
come on, come on, come on.

Don't lose it, all right?

Okay, all right.

Okay, good.

Let's see what...

Okay.

Of course.

Hello?

Hello?

- Lester.

- Who is this?

- Your friends call you les.

- Who is this?

Look mister, please, I need  
help, I'm trapped in a cabin  
and I have no idea where I am.

I think maybe if  
you GPS it, though,  
you'll be able to find me.

- It's

going to be very difficult  
if you keep interruptin', les.  
Now calm down, can you do that?

- Yes, yes.

- Good, now

how 'bout you take a seat  
right there?

- Yes.

- You know

all about comfort, don't you?  
Complacency, ease,  
goin' out on the town  
dressed to the nines and such.  
Allow me to introduce myself.  
You may call me wolf.

- Wolf?

Wolf like the guy on CNN?

- Yeah, just

like the guy on CNN.

I have brought you here, Lester.

- You brought me here?

You brought me here?

What the hell for?

- Would you hush up?

I know we about your situation.

- Look, I'll pay you

whatever you want.

My family will give  
you whatever you want.

Hello?

Wolf?

- I was hopin'

I wouldn't have to pull

some cuyon parlor trick  
to keep ya here, Lester.  
You rushed my hand.  
As I was sayin' before  
you interrupted,  
it makes conversation  
very difficult.

- Just tell me what you want.  
- That's the first time  
you ever been scared for your  
life, isn't it silver spoon?  
- Silver spoon?  
I'll give you silver  
spoon, you psycho.  
Why don't you come in here  
and I'll knock you so hard.  
My family is going  
to sue your ass.  
Do you get that?  
My uncle is a Jewish  
lawyer, my friend,  
that means jail time!  
You could get real  
acquainted with bubba.

- Feel like a big man now?  
Now you tried to rush off before  
I could tell you the rules.  
Now in ever sport,  
there's rules.  
Ready to listen?  
- Yes.  
- Tres bon.  
You are here les  
because you have sinned.  
Well you committed the  
worst sin a boy like you  
can commit.  
Irre-sponsi-bili-Ty.  
You've wasted your life.  
That's all you is,  
a middle manager  
at papa's company.  
Still livin' in the glory  
days of your frat house.

Women's objects, classic  
that's an awful nice  
watch you're wearin'.  
Daddy get that, too?  
When a boy like you  
lives the way he does,  
there's poison in his life.  
I'm the anti-venom.  
- What are you talking about?  
- Manhood.  
Les, you know the Indians,  
they had these rituals  
where they send their boys  
off in the woods to survive.  
And when they came back  
and if they came back,  
they earned the right  
to be called a man.  
- You've gotta be kidding me.  
- You will learn les.  
Sacrifice, honor, pain...  
These ain't catch  
phrases no more.  
It is your new life.  
- What is this?  
- Les, if you try to  
leave the cabin, I'll kill you.  
And if by some miracle  
you get past me,  
the wilderness will kill you.  
Now there's only one  
way off this mountain,  
so you best listen closely.  
You have to man-up les, not  
a mindless, wanna-be jock,  
but a real man, a  
who can take care of hisself.  
A man who can take a  
hit and keep moving.  
Oh I will help you do that, les.  
I will help.  
I will just as  
soon end you, too.  
You see, I am the hunter...

But I dare not even call  
you prey, no, not yet.  
Prey presents a challenge.  
So help me god, by  
the end of this,  
you will present me  
with a challenge.  
Try to break the rules  
and I'll end you.  
Run down that path  
again, find out.  
Now, you have the rest  
of the day to settle in.  
Use it.  
The hunt is on.  
- Come on, can do this.  
If anyone is out  
there, please respond.  
If anyone is out  
there, please respond.  
If anyone can hear  
me, please respond.  
Wolf!  
Where are the boots?  
What?  
- You did a very  
bad thing yesterday,  
tryin' to escape.  
- You tried to shoot me.  
- I shot at you.  
Big difference,  
let me assure you.  
- You were here last night.  
Why didn't you just  
finish it then, tough guy?  
If you're some hotshot hunter,  
why didn't you just kill me?  
- Listen, you find  
yourself in a tootaloo,  
you ain't gotta call nobody.  
It's up to you to figure it out.  
- I find myself in a what?  
- You're gonna  
slowly freeze to death.

Now shut up and listen to me.

- Okay.

- There's a safe, no  
doubt you found it by now.

- I saw it, yeah.

- Inside the cabin  
somewhere is the combination.  
You oughtta get to gettin'.

- Find the combo?

All right and after  
you amuse yourself  
watching me tear this  
place apart, what then?  
What are you gonna do?  
Kill me?

Why don't you just come in  
here and face me like a man?  
Or are you too scared, huh?  
Why don't you come in here  
so that I can pound  
your little face in?  
I'm tired of your game, asshole.  
Run, run, run, run.

- Les?

If you're there, pick up.

- I'm here, wolf.

Where are you friend?

I've got my gun back.

- I have to admit,

I'm right proud of you, boy.  
You must feel like a big boy,  
goin' break the eggs and such.

- Come on wolf, let's do this.

Let's do this, I'm  
waitin' for you, wolf.

Come on, come and kill me!

- Well,

- what's your endgame, wolf?

Do you honestly think  
you can just keep me here  
and get away with it?

- How's Rita?

- Rita?

- Your girlfriend?

- You have her?  
- Relax, I'm  
askin' about her, ain't I?  
How is she, doin' good?  
- Shut up.  
- Yeah, that's the  
twisted thing about our culture,  
we don't believe in honor.  
It's a word without meanin'  
that some of the marines use  
in their commercials.  
That's about it.  
- Rita's just fine.  
- Don't kid yourself.  
She just busted into tears  
just a few night ago.  
- When I get out of here,  
I'm gonna put a bullet  
through your skull.  
- That's a bold assumption.  
When you get out?  
Try if.  
The wolf ain't done hurtin'.  
- I don't think so.  
I'll sit right here  
and wait for you.  
- That's too bad.  
I just left a little  
present for you by the shed.  
- Oh, come on baby.  
That's good.  
That's good, that's good.  
Yes!  
Yes!  
Hey!  
Okay, okay.  
Fire.  
Fire.  
The ability to  
start and maintain a fire  
is crucial to a  
marine's survival  
in the cold weather theater.  
Too bad I'm not a marine.

You will need kindling,  
an ignition source,  
fuel for the fire,  
a steady oxygen flow  
and a means by which to...  
I'm gonna die.  
All right, now you listen to me.  
If you want some prey and if  
you're some hotshot hunter,  
then you're gonna  
have to keep me alive.  
Now tell me how  
to start the fire.  
I know you can see me.  
Hey, you see that?  
Tell me how to start the fire.  
- I gave you dinner,  
now you want me to  
cook it for you, too?  
Aren't you so suave?  
- Look, you want  
to keep me alive.  
More sporting.  
- You don't know  
nothin' about sportin'.  
- Maybe, but I can take  
a few guesses about you.  
You aren't from around  
here, I can guess that.  
Not with that stupid  
hillbilly accent of yours  
which means you trained  
to stay up here.  
You're good with  
guns and survival.  
The manual you gave me  
is from the marines,  
not to mention that little  
bit about commercials.  
So you're a marine,  
or were, at least.  
You know you're probably  
some washed out old guy  
talkin' 'bout the

glory days of 'Nam  
who likes stalking rich kids!  
You're just havin' fun  
with me, aren't ya?  
My dad is probably  
dumping ransom money  
into some offshore account  
and any day now a helicopter  
is going to land and save me  
and you're just screwin'  
with me til then.  
Yeah, this, this is  
nothing but a ransom.  
You're a thief and  
that's all that it is.  
- Wanna eat?  
- Oh why yes,  
please, mister wolf.  
I'll jump through whatever  
hoops you want me to.  
I'll sing and I'll  
dance for you, too.  
Hey!  
Hey, stop!  
Hey!  
Hey, stop!  
Stop!  
Wait!  
Hold on a minute.  
Hey, easy.  
Look...  
I was taken.  
I'm just looking for  
a way out of here.  
Do you speak English?  
Easy, easy, easy,  
calm down, calm down.  
All right, all right,  
all right, all right.  
Okay, okay.  
All right.  
Sorry buddy.  
It's all right.  
Do you know English?

- Yes.  
- Oh thank god.  
Okay.  
Okay, I just...  
I'm stuck here.  
I mean I was put here.  
All right.  
I just, there's a cabin.  
Hey, what?  
All right, easy, easy.  
It's cool, it's cool.  
I woke up in a chair and I...  
Do you know how to cook?  
Then I saw a sheep in the tree.  
I tried to cut it  
down the best I could.  
I think I saw you.  
- I was trying to sneak around.  
- Ah, when did you wake up?  
- About two days ago.  
- Sounds about right.  
Do you have your own cabin  
somewhere around here or?  
- No, he made a  
snow shelter for me.  
That's where I've been.  
He told me how to make  
a fire and a spear.  
- Whoa, hold on,  
you can make a fire?  
- Yeah.  
- If you can make  
fire, then we can cook.  
We can eat, come on,  
come on, let's go.  
- Why did he give you a cabin?  
- Well, he wanted to teach me  
to be a real man, you know?  
Be all tough and cool and manly.  
- No, why did he  
give you a cabin  
and I get a hole in the ground?  
- I don't know.  
Maybe he doesn't,

I mean, you know,  
maybe he doesn't like your kind.

- My kind?

- Well yeah, you're  
Mexican, right?

- Are you serious?

- Yeah I'm serious.

Look, he's trying to  
teach you a lesson,  
so what lesson is he  
trying to teach you?

I mean are you  
allowed to be here?

- Oh wow.

- No, it's cool.

I'm cool.

Look, I'm from the OC, I got  
like two Mexican friends,  
they got like a  
hundred legal cousins.

- Oh you have two  
Mexican friends?

Multicultural.

You think I'm here  
because I'm Mexican?

You're a jackass.

He told me that I need  
to stand up for myself.

- Oh.

My bad.

I am starving.

I am sopping wet.

And I am freezing.

Well, start us some fire.

Do you need help?

- I want you to go away.

- What?

- If you see how to make  
fire, I'm not useful to you.

You can throw me out.

- Come on,

you've gotta be kidding.

I'm not going to do  
anything like that.

- Do you want to eat?  
- All right.  
Cool your jets.  
You're out there  
right now, aren't you?  
You're watching us.  
Why'd you send her here, wolf?  
Ah, you can probably  
see me right now.  
Why is she here?  
For whatever reason, she  
isn't gonna stick around long.  
I'll figure it out.  
- It ain't hard.  
- What did you say?  
- I say it ain't  
hard to figure out.  
I sent her there to kill you.  
- Why doesn't that surprise me?  
I can't tell, wolf.  
I can't tell if you're  
trying to kill me  
or tryin' to help me.  
- Well then, I better  
send you a clear message.  
- Yeah, and what's that?  
Wolf?  
Wolf?  
- OC?  
- Hmm?  
- You're from orange county?  
- Yeah.  
- I had family there  
once, they've moved back.  
I was trying to  
get an internship...  
- how did you get my boots?  
- Hmm?  
- You were wearing my boots.  
Those boots.  
How did you get them?  
- I don't understand.  
- You know...  
Two days ago, I was

a different guy.

You see that's the weird thing,

I don't know who I am anymore.

And I sure as hell

don't know who you are.

- My name is Viviana.

- I didn't ask.

I said how did you get my boots?

- Those aren't your boots.

- Why did he send you?

Shut up!

Why did wolf send you?

- He gave me the boots.

- Start talkin' Viviana.

- I told you he

gave me the boots.

- You know I never touched

one of these things,

but I think if I can gut a sheep

then I can gut you, too.

- No!

He told me that I

needed to kill that,

that I need to take your

things and I would die

if I didn't action for myself.

- You?

You kill me?

You kill me?

- No, no I

- ah, shut up!

Are you enjoying the show?

Huh?

- Are you out of your mind?

- Well you're here to kill me,

so I guess it's pretty fair.

We're gonna die out

here, do you know that?

Sorry.

- Yeah, sure, it's all forgiven.

- I see

it, but I don't believe it.

Is that Lester workin'?

I mean is he actually workin'?

- Laugh it up, funny man.  
- Oh I am, I  
am enjoyin' the show.  
Especially the show last night.  
Let me give you some advice  
since you're new to all this.  
Next time you wanna  
scare someone, use fire.  
The thought of their skin  
peelin' back and bubblin' up,  
ah, it's especially effective.  
- You know, I never touched  
a woman until last night?  
You made me do it, wolf.  
- Rita, oh Rita would disagree.  
- I never hit her.  
- Nah, you never  
touched Rita in your life.  
No, it was all them other whores  
you couldn't keep  
your hands off of.  
All them other  
ladies you've been,  
what do your friends call it?  
Stabbin'.  
- It doesn't matter,  
I'm gonna fix it.  
- Well now I guess I shore hope  
you do get off this mountain  
because it would  
be a sight to see.  
You crawlin' back on  
your little worm belly  
oh, beggin' forgiveness.  
Please, baby, please, I swear  
it was a moment of weakness.  
- Well what about you, huh?  
Kidnapping some  
innocent Mexican girl  
and throwing her on  
top of a mountain.  
That isn't too  
gentlemanly, wolf.  
- Touche.

But let's not forget  
that this whole exercise  
we're doin' out here  
is about you growin'.  
- I still think it's a ransom.  
I think my dad is paying you off  
and any day now, a helicopter  
is going to land and save me.  
- Is that so?  
Why you out here  
loppin' up trees  
not a lot definitive 'bout  
what you're doin' out here.  
I spent so much time  
choppin' up wood  
so you could stay warm.  
- I need to be ready  
for my trip back home.  
- Well if that's the case,  
I got a proper pair  
of boots for ya.  
- And I'm sure there's no catch.  
- Just a little walk,  
'bout a mile or so north.  
I left 'em near a cabin.  
- Oh I think I'll  
stay right here.  
- Bon chance.  
- What's all this?  
Expedient snow shoes?  
- Mm-hmm.  
- Let's do it.  
- Just do it.  
Okay here, no, no, no, no.  
Let me...  
- no, we just.  
Just give me one second.  
It's just that you have  
to do a double knot here.  
- Yeah, well there's a  
way of doing a double knot  
and that's just silly.  
- This is another knot.  
- Fine, it's a double knot.

- Hey, so about last night I'm...

- let's try them, okay?

Come on.

- Oh, oh, oh.

Come here.

Come here!

- What is the matter with you?

That was completely unnecessary.

- I'll take the bait.

- I really don't think...

- you don't think what?

All right, I see

that's the place.

- This doesn't feel right.

- Of course it doesn't.

- Please don't go in there.

- Look, I didn't walk

all the way out here

just for the fun

of it, all right?

Just stay down.

- Listen to me.

- What?

What?

Keep a lookout.

- You won't get far.

- I'm not staying here.

- I told you it was a

bad idea to go there

and I'm telling you it's

a bad idea to leave now.

- Look, he can't track us

in the dark, all right?

That gives us the

advantage, okay?

Gives us a head start.

- I don't wanna go.

- Okay, I don't wanna end up

like those guys in the cabin.

You have to tell me

how to make a fire.

Please.

- What's with the watch?

- Viviana, if I

can't make a fire,  
then I'm going to  
freeze to death.

- You will anyway.

You're leaving at night.

This is so stupid.

- No, staying here,  
that is stupid.

- Leaving at night,  
that's worse.

- Tell me how to make a fire.

- Tell me about the watch.

- I don't have time for games.

God!

Why you?

The watch was a present  
from my old man all right?  
When I got my first job, but  
I got fired soon afterwards  
so he let me keep  
it to remind myself.

- As a reminder of what?

- Of the time.

Jesus are you stupid?

As a reminder that  
I screw up everything.

- You have a battery  
in your lantern.

- Yeah.

- I'll give you some of this.

- Steel wool?

- Yeah.

You rub them together.

- That's cool.

- Good luck.

- Thanks.

Come on!

Oh god, no.

Oh god.

I'm sorry, god, for...

Everything.

I'm sorry, dad, for being a...

A terrible son.

I'm sorry Rita.

I'm sorry.  
Screw it.  
Come on.  
Viviana!  
Viviana!  
Help!  
- Oh my god, Lester,  
are you okay?  
- Oh god, it hurts.  
- What hurts?  
Oh!  
- Don't, don't, don't,  
don't, don't, don't.  
I'm freezing, I'm freezing.  
I'm no use.  
- It's okay.  
Oh my god.  
- No, don't  
touch.  
- I'm sorry!  
I'm sorry, I'm so sorry.  
I'm so sorry.  
- Don't, don't  
touch it, all right?  
- I'm sorry.  
Is an idiot.  
- I have no idea what you said,  
but I'm sure that I deserve it.  
All right, you son of a bitch.  
- Busy night?  
- I've learned my lesson.  
- Well mother nature's  
a tough bitch sometimes.  
You gotta watch out for her.  
- Why didn't you shoot me?  
- It takes a  
big man to crawl a mile  
on the snow with  
a hole in his leg.  
Seriously, that's tough.  
How's it treatin' ya?  
- I'm going to strangle you.  
- You got there.  
Now I remember once on a huntin'

trip, I busted my ankle...

- I'm going to enjoy  
the look on your face  
when they shove that  
needle in your arm.

I'm gonna sit back  
with the biggest smile.

- I remember  
once on a huntin' trip,  
I busted my ankle now.  
I was a long shot off in the  
woods with no one around...

- stop with the anecdotes!  
Wolf, I'm sorry.

- How is your supplies doin'?

- I don't know, why?

- Well, you shouldn't  
be worried about threats,  
and much more about a  
certain combination lock.

- Combination?

- There's a safe in the closet.

- And you never  
look how to open it?

Where do you want me to start?

- I don't care.

- Okay.

I'll start outside.

- Viviana!

- Did you find it?

- No, Viviana, get back inside!

- What?

- Just get back inside!

Please, now!

Come on!

- I'm coming.

- Come on, come on, come  
on, come on, come on.

- What happened?

- Nothing, I just I  
had a bad feeling.

What?

- I had a bad feeling  
yesterday and you walked off.

- Really, really?

That's the productive  
thing to say?

- I was trying to help.

- Well, okay then, excuse me.

I'm Viviana, I'm  
so smart and strong  
and I can handle wolf  
by myself, that's fine.

- I was still looking  
for the combo.

- Yep, nice and sturdy,  
just how I like ya.

Viviana!

Oh Viviana.

Look what I got.

Oh no, what am I  
gonna do with this?

Fine.

Guess who found the combination?

Oh, come on.

Oh yes.

Oh my god.

Oh.

Oh Jesus.

Mmm.

Thank you wolf.

- We should have  
opened this sooner.

- Oh yeah.

Ouch.

- You need to take  
off your pants.

- No.

- How am I supposed  
to put the bandage on?

- Just put it on top.

Ow, be careful.

- I'm trying.

- Ah, it hurts!

- Shut up!

- What?

- You hear that?

Do you hear that?

- No way.  
- Yeah!  
- I was right.  
- I don't see anything.  
- Hey!  
- Where is it?  
- Hey!  
Help!  
Wolf!  
Wolf!  
Okay, you said he  
gave you things.  
- He left instructions for me.  
- Did you meet him?  
If we're gonna beat him,  
we have to do it  
at his own game.  
- He's a very dangerous man.  
- He's a dangerous man?  
Get out of town, no kidding.  
- Would you stop doing that?  
- Doing what?  
- Talking like that.  
- All right, all right,  
all right, all right.  
Okay.  
- He thinks that what  
he's doing is right.  
- Yeah, well not  
dying is right for me,  
so I'm gonna do that.  
- I woke up in a snow cave.  
- Okay.  
- That's our exit.  
We need to leave now,  
we'll make a snow shelter.  
- Okay.  
Okay, who built your snow cave?  
- He did.  
- Oh, and how are we  
supposed to build it?  
- We have the manual.  
- Okay, we have the manual.  
All right, now all we

need is 100 marines,  
a pickax, some shovels, a  
bulldozer would be nice.  
Okay, look, he's  
trained, we're not.  
That manual, it might  
as well be in Chinese.  
- It doesn't matter, I  
survived there for two nights.  
I know we can do this.  
- Look, I tried this  
once before, okay?  
Look what happened.  
I almost died and this time,  
we might not be so lucky.  
- You left by yourself  
and you left at night.  
This time we're leaving  
together and it's daytime.  
We can walk as far as we can  
and then we'll find a place  
to build a snow cave.  
- How am I supposed to trudge  
in knee-deep snow with this?  
- I'm gonna help you.  
You have to listen  
to me, Lester.  
This is our only chance.  
For the first time, we're  
gonna be one step ahead of him.  
You said it before, we have  
to beat him at his own game.  
This is it, Lester.  
If someone's in fact  
looking for you,  
he won't let them save you.  
He will kill you.  
And now that the weather is  
changing, we'll have a chance.  
He won't be able to track us.  
- Just give me a minute.  
Okay.  
How do you want to do this?  
- Together.

I though white people  
go camping all the time.

Don't you?

- Racist.

Here you go.

All right, it says that we need  
to Criss-cross the branches  
for the roof.

All right.

- And then we need younger ones.

- More?

- Yeah, and make them longer.

- Longer? Okay.

- So they go from one  
side to the other.

- All right, all right.

- Hey.

You can't.

Tell me about her.

Lester?

- Hmm?

- You have a girlfriend.

- Yeah.

- Is she pretty?

- She's gorgeous.

- Does she take  
good care of you?

- Yeah, she does.

- She's a lucky girl.

- I wouldn't say so.

Viviana!

Viviana!

Viviana wake up!

The fire's almost out!

- What?

- It's almost dead.

- Light the sticks.

- They won't light, they  
won't light, they're too cold.

I need your steel wool.

- We used mine

last, where's yours?

- Oh no.

I left it at the cabin.

Oh sh...

- What does it say?

No, what are you doing?

- Look, we have no choice,  
all right?

- Yeah, we need it!

- We need a fire.

- Is it working?

- There we go.

There we go, it's  
catchin', it's catching.

- Do you hear that?

- Wait, wait, wait, wait.

Our tracks, our tracks

he's spot our tracks.

Okay we need to split up.

Go, go, go, go, go.

Go.

Come on, come on,

come on, come on.

- Lester!

- Look.

- Oh, okay, come on.

- Viviana, hey,  
we gotta Viviana?

Viviana?

Wake up.

Viviana please.

No, no, no, no, no, no.

Please Viviana, wake up.

Viviana!

Viviana wake up!

No, no please.

Please, I don't know what to do.

Please tell me what to do.

Viviana, please don't, please  
don't, please don't go.

Please don't go.

Please I don't know what to do.

I don't know what to do,  
please tell me what to do.

Please.

Please, I don't  
want to be alone.

Please don't leave  
me here alone.  
Oh, boy.  
Oh, no I was only 16.  
And my dad comes  
up to me and says,  
"I worked to build my  
company so you need to learn  
"how to do the same."  
So he made me get a job.  
And I looked and I  
looked and I looked  
and all I could find was  
that stupid hot dog joint.  
With the hats, you know?  
Oh, those stupid,  
stupid hot dog hats.  
And that's where I got a job.  
Oh.  
I was so mad at him about it.  
You know, wasting my time  
wearing a wiener hat.  
Like that was supposed to  
teach me to be a business man.  
And dad's all telling  
me about how I need  
to start from the bottom  
and work my way up  
and how tough he had it  
when he started his company.  
So what I did...  
There was this uh,  
there was this girl  
who worked at the earring shop.  
So I started flirting with her,  
this cute little thing, too.  
And I got her to  
give me a piercing  
for free.  
Just to get  
back at him, you know?  
So I come home with  
this thing in my ear  
and he's all, "what

the hell is that?"  
And I go dad, I'm gay!  
God, you shouldda seen him.  
Oh god.  
He was so pissed,  
he was so pissed.  
Oh, he took away my car  
and my phone  
and I'm all like dad, how am  
I supposed to get to work now?  
Oh, god.  
Pretending I'm gay just  
to get to him, you know?  
So of course I got fired.  
I only worked there a week.  
And I didn't get a job  
until after college.  
I wouldn't even have gotten in  
if it wasn't for the  
strings he pulled.  
Now I'm workin' for him.  
Ah.  
Man.  
Maybe it wasn't  
worth it, you know?  
Maybe it' wasn't.  
Oh god.  
Ah sh...  
Oh  
Ow.  
Dad, please help me!  
Please help me!  
I want to go home.  
I want to go home.  
I wanna go home.  
I want to go home.  
I'm still alive wolf.  
I'm still here.  
- Les.  
She did a number on my  
ribs, I'll tell you what.  
Breathin' gettin' hard.  
- Did you hear me?  
- You know about

Theodore Roosevelt?

- I'm listening.

- 26th president of  
these United States.

He carved the canal at Panama.

Charged San Juan hill.

He was a man's man.

You know what he said, les?

He said if it weren't

for the time he spent

in the wilderness,

he'd never had the courage

to become president.

And mother nature

couldn't even kill him.

It was said death had

to take him sleepin',

'cause otherwise he

wouldda put up a fight.

- And what's this

supposed to teach me?

- You remind me of 'im.

It seems mother nature ain't

gonna kill you, neither.

You crawled back twice now.

That's more than most

folks would ever do.

I figure it's best

time I come around,

stop in for a visit.

- Is that supposed

to scare me, wolf?

- Why's you fightin' so hard

for such a miserable life?

- Because I just

started living it.

- Well Lester,

you can ambush me.

Now Lester, I thought after

all you'd been through,

you'd put up more of a fight.

What a disappointment.

Runnin' ain't gonna

save you, boy!
