I recall..
mother every day just doing one thing
endlessly knitting
Dad says
artificial coat mother enough for him to wear it to death.
Enough for him to wear it until I get married
One day, I suddenly realized
I can make a creature to die, come back to life
But after the mother know, be very afraid
Since that..
I just know, my mother and I are descendants of the demons
Blood tainted demon nations have policies that shut down
We could at some point in life turns into fire
Since then, the father decided to open a curse in me
In the end, he found you
I do not know why he wants us open tower

I just know he wanted to save me
Mom says, our demonic spirits have supernatural powers
And I have more lives than humans
Supposed to yourself
In the cave, I use all the luck
I do not regret
For you kindly
The Good people
The Funny
You are the person I love most
Please help me find my father.
He is still alive.
When the days are cold
And the cards all fold
And the saints we see
Are all made of gold
When your dreams all fail
And the ones we hail
Are the worst of all
And the blood's run stale
I want to hide the truth
I want to shelter you
But with the beast inside
There's nowhere we can hide
No matter what we breed
We still are made of greed
This is my kingdom come
When you feel my heat
Look into my eyes
It's where my demons hide
Don't get too close
It's dark inside
It's where my demons hide
When the curtain's call
Is the last of all
When the lights fade out
All the sinners crawl
So they dug your grave
And the masquerade
Will come calling out
At the mess you made
Don't want to let you down
But I am hell bound
Though this is all for you

Don't want to hide the truth
