Class Act

By John Semper

TROUBLE IN CLASS

Jo! I mean, hey! Look, this is not me!

I am Duncan Pinderhjuze.

Watch out, I was a genius.

I mean, I am a genius.

-They housed me.

-Oh, and I Pi-you Herman.

Haha, that's ridiculous. No, no, I do not understand.

You see, I was on the way to college.

Vukovac, average 5.00, you know,

I get a degree in biochemistry.

Or applied mathematics.

But things did not turn out like that.

I come from a good, healthy,
intellectually stimulating environment.

A Blade, it's another character about whom I will
talk ... Well, he ... It is the end ...

-I see it, our lives have been opposed.

-Yeah ...

Wait, start from the beginning.

Maybe this will help to clarify things.

Duncan Piskila in the nose.

While I looked on good behavior,
Blade is free to let yellow streams.

How many times have I told you so
the refuge that matter!

I was a real human sponge, absorbing
wealth of knowledge that our world offers.

Blade became the king of pornography.

I was the perfect child
who has learned to share.

While he calls himself became
hardened criminal.

I have always looked
in the future ... continue ...

He has watched the neighborhood.

I was on the right track
the academic home of glory.

Blade was on the right
Road to Alcatraz.

It was the summer before my senior year
and we were moved to a new area.

Can you forsake us. There are good
candidates for strumming there in the corner.

I was wrong. But one of us
spent the summer with his brothers at his favorite resort.
Be good to me, Blade!
Dick Rijkaard, what a pleasant
surprise. What's up, bro?
Still trying to reduce your crime?
And when I'm going to smoke here?
When you solve to be
nice guy, Michael.
Stop with the "Michael" shit,
You can not hold me here.
I would not need to be here,
whatever the law that I violated.
Shut up!
I'm a minor ...
I am a black juvenile ...
It starts me a headache,
my ears bleed!
Give more shut up.
Just to let you know.
Farkon not come here to pay bail
for a small car thief.
And I ask you to stay here
as long as this figure does not look good.
Hey, do not look at me like that!
But I do wonder,
a judge and let it out.
You see, I'm talking about.
Raise your tone and the people and listen.
I am a free man.
Power to the people!
Wait, wait, wait.
Not so fast.
-Judge and let it out under certain
conditions. -What kind of conditions?
First, you have to go to school
and to have good grades.
Come on, man. Me and schools.
It's like oil and vinegar. Do not mix up.
-Oil and water.
-No matter ...
Watch out, it is very simple. You want to get out
here, you have to go to school.
You go to school, filled with 18 to the end of term.

This means that you will not be minor.
So, If you will not have good grades,
or catch you in a fight
or even how visi with his brothers, or how
wipe your butt to the side, buddy ...
It would be a violation of your probation
and arrest him, and as an adult.
How to wipe your butt to the side? What
talk bre? Dude, you just do not love me?
And, yes, I almost forgot. Judge you
prepared a special gift before you go.
That's what I'm talking about. That's all I wanted.
Some respect. What is it?
Fuck you!
-Next it was ... The burger well
looks. -And it tastes good, punk.
Doctor Oppenheimer, Dr. Martin,
from the heart
I speak as a third Pinderhjuza generation.
This is the culmination of his life's dream.

Next:

Duncan, Haford has the most
criteria for admission to the world.
And the fact that you are perfectly
did the entrance, had on average 5.00
what concerns us Hafordu,
is not enough.
-Excuse me! -Will to say that all
Your achievements fall into the water
If you have passed a physical in order to fulfill
requirements for a diploma in high school.
No diploma, no Haforda.
We moved because we found a school
that assesses physical only "pass / fail".
-So I will not have to play the asthma.
-Duncan has never been spotski type.
As you can see, everything went well-oiled ...
... Until the first day of school.
Mmm, ass bonus.
Herman! Damn kids
we are going to damn nerves.
Jail bird.
And that was it.

The mistake that will change my life.
-What do you say, how big were the boobs?
Oh, they were ... Bre Wait a minute.
To get back to the story. OK?
-Quite a record, a young man.
-Oh seriously?
Profilina rights.
And the result at the reception.
Yes, at least I wrote the name correctly.
-Crime ... What a crime!
-What?
The crime is that there is above average
5.00. Obviously you need a bigger challenge.
-Challenge?
-Yes.
-Someone like you smori in a place like this.
-There you are right, boy.
-Excellent. So I thought of something
further for you. -What further?
How would you like to show what you know
on TV?
Where? To "high in America?
Very funny. No, no, it is a local TV
competition called "Cup of Knowledge".
TV competition?
In fact, it's a competition between
students from rival schools.
Strong shocks, one on one,
Man to Man.
That's it. When I heard that you
final year to spend with us
I was free enough to report
Higgins High School for the show.
I want to predvodi our team against
and other schools and to break a.
I know you can do it, you write the file.
-To them smash?
Yes, to razvali.
-To kill them, send them to sleep.
-To sleep, yes.
-Do they dig hands.
-Yes, exactly that.
I'm looking for this school all his life,
who knows how to use my skills.

I think I understand.

Just rely on me, brother.

You, there!

Now!

-This is the nepoverovati.

-Thanks directors less.

-This you call a score in the entrance?

-They told me I was unique in history.

Well, not joking.

It seems to me ...

It seems to me that unless you should have average of at least 3.50, are in great problem.

I hope to average 5.00, sir.

Hey, stop acting smart,

I know you think you're one in a million.

I actually statistically

one in 3.75 million.

Hurts me what you think you are, prikane.

You will not scare me, and now is lost

before I call security.

"But, sir!

-Hey, hey, move away from me!

If we pretend the problems, immediately call police. And now back to class!

So, we took the schedules and went his way.

Shut up, baby!

-Welcome to Advanced Latin.

Advanced-what?

-It is an honor to have you in class.

-Yeah, what's the deal? Where is Rijkaard?

You know Rijkaard? He was a brilliant poet.

-Is that it?

I am Miss Simpson.

Joan.

If you be patient with me I will try to

I am a professor. As if you need a teacher.

Yes, imagine that ...

Please, sit.

Hey, hey, hey, man, I know not to sit at my favorite place. Move up.

Sorry.

Hey, dude, I know not to sit on my second favorite place.

"But I thought you said ...
-Shut up, give a lemma, gunpowder, tail, top dollar ...
You want to pay you to sit here?
-Are you crazy?
-Of course I'm crazy!
That's why I'm here. Wrong to me
suneroglavi realized.
Will you pay me for the privilege
I do not sit down on the floor.
In fact, irrelevant. Save money, buy
yourself 'policy, as well as what you got sick ...
Pencil, crayons, markers ...
I do not care. I'm easy.
Amor omnia vincit.
Love conquers all.
Latin, the father of all the Romance languages.
'You sure you're in the right place?
Let me see your card.
By that I'm here.
Well, since I will molest the whole
six months, you should at least know my name.
Hello, my name is Lollipop.
Mosa.
-Why do they call you Lollipop?
-Wedge said because I'm cool
but I'm sloppy, I do not agree with him.
-What is Wedge?
-This thing is Wedge.
-Where is my Kinta?
-I have nothing, man.
I'll give you this, deny!
I said, deny!
Give me the gun!
-What are you doing with my a she?
-Wedge, iskuliraj, I'm fine.
Give me one reason why you
is broken nose, faco.
Well, because you are really good man
and we should be friends.
Hey, Wedge, I think you should
to think about it.
Tell him to the last character you have been touched.
Say what you do to him.
I did his homework?

That's my man.
No, no. Do these words
"Intensive care" mean anything?
-No.
A multi-con ... con ...
Contusions.
Contusion and fractions with serious
internal injuries and the conclusion ...
That's a lot of pain.
Your days of beatings have passed.
I want to introduce to you my man
2 teeth, one leg longer than the others.
Hurricane-Hugo-cool-suit, all-my-children
it-looking, none-our-children-it-no
Bla-bla-bla-bla-bla ...
My man, that is. Michael Charles
so. Blade Brown.
ikam and that it hit.
So you're the Blade Brown. Well, listen
Blade, do not stop me on the road. Get it?
-Get it?
-I have my head around.
Sit!
Lift to all!
And now, reading is the foundation.
So to continue with this
school joke.
You, give!
Oh yeah, reading is the foundation.
OK, kids, now we have
20 minutes of free time.
So, you're a Blade.
Well, I heard about you and Sarel of Luanda
who said Devon, who said Sisiliji
who told me to let you know knowledge.
I think not a good idea
that you and I talk.
I said Sarel Luanda,
who said Devon, who said Aliti
who told me that you know how to do
things we never dreamed.
Is that correct?
Well, I know how to do certain things ...
I have never met a guy who ...

I did not even ...

-Bye. My name is Ellen. Ellen Grove.

-What 's the heart?

I read your discussion on
Lipopolysaccharides and induced modulation
creation and conduct of human monocyte
urokinase at the national competition.

-What one go, girl?

-It was excellent.

Good morning, students.

This is your manager, Mr. Short.

I want everyone to welcome you

to another great year

here in high school Higgins.

We will start with traditional rally against

Drugs and hope you will all join

in great time.

What makes me proud as a director

this school is that I joined newcomer

and probably the smartest of students who

I have ever met to lead a team

representing our school in the Cup

Knowledge. Pinderhjuza Lord Duncan.

Who?

Duncan this morning I was personally convinced

that they will tear your hands.

Well ... Go back to work ...

-Duncan, you're so intellectually aggressive.

-Wait a minute, I did not ...

And maybe I am ...

-Do you I look stupid?

-Is this a trick question?

I told you to keep away from

my shit. And she is my shit.

You, me, park, after school.

I would like, Mr. Wedge, but I

to do homework after school.

I do not care, just drag

Get your ass over there. Come on, baby.

Do I look stupid to you?

'You see the Blade?

Blade Brown?

'You see the Blade,

Is that someone saw Blade?

Hey, Blade, how?
My main man.
-Well, I guess ...
-OK, see you later, brother.
Directors less.
There was a terrible mistake ...
-You must be Blade Brown.
-No, that's the error ... I am Duncan ...
No, no, no ...
I am Duncan Pinderhjuz. You think
this is funny? That was a joke? Come here!
-What's wrong, brother?
-Something tells me that you are the Blade Brown.
-Where are you going? Do not move there.
-Look, today I really was not given.
First, someone wants me beats that I have.
Then you want to beat me up for not you.
And then you want to be you.
What do you really want?
No, do not be me.
Be you, but for me.
Go to my classes this half of
and I will let you live.
If not, then you can die.
Look, today after school mountain named
Wedge wants to drill a tunnel in my head.
How to fake such a fight?
-Leave it to me.
You better be on that role or will odglumi
a label on cars for the disabled.
Got it. And do not you say
anyone, anyone about this!
And you will be in the parking lot after school.
Konta?
OK, now it is finished.
You are free.
Prepare for a fight.
Go away go, man!
Hey, everything is taken care of.
We will take top dollar for this fight.
Good boy ...
Sorry, damn freak.
It's me, Duncan Pincus.
Pinderhjuz!

I just saw that escapes Wedge
home mommy. Blade is the winner.
I have to turn on,
I have to smash some homework.
That's right, you heard a geek.
Worth of man.
Jo, Blade, you broke that Wedge,
and did not even sweat. You're the king.
Here's your part,
80-20% right? Yes.
Can I blejim with you?
-To bleji?
To blejim with you, that senior to you,
you keep your back to me, I keep you back.
Of course ... I guess ...
Be careful, move up, one goes.
Move!
Get out of the way, pussies.
Poploajte way for the king.
Poploajte way for my man.
Hey, Blade, which this time you too
do not give a phone number.
Will my phone number?
I have no paper.
Never mind, just write it here.
Seeking Blade Brown
"Is it a video?
Tell him to Rijkaard asks Dick.
Is that you remember?
These are two words, Dick Rijkaard.
Will and my address?
Pinhed (iodina heads)
get over here! Now!
I have to go.
Later, DaSisa ... Damita.
-Can I go home now, please.
-O how we need to talk, komo.
-People must think you're me.
So I thought. -Oh, no.
-I want to drive home Lucille.
-Lucille? And my parents?
Dad would I be if I brought logirao
girl home. Not pregnant, right?
-This is Lucille, I personally was nabudio.

-Are you crazy? I do not know how to drive.
-I do not have permission.
-Me neither. You'll learn.
Because, if destroy, I mean, if it
you make the slightest scratch on the paint.
Back at the workshop, Jack.
Go ahead, enter inside.
Lucille has one of the most sophisticated
hydraulic systems of combustion in the world.
And I will not even mention the high-tech,
lubrikacioni, liquid, rotating design.
-Brother, the wicked!
-And my bike is a killer, if you're going downhill.
-Is that it? Where is it?
-There he is there.
It's not bike, it's bajjs.
-Cool, huh?
Get out, Pinderpiako.
I do that sjebe. Delete!
-Get away from the foot brake!
-Slowly, Lucille.
Girl, it's Blade Brown.
So good!
-Are you okay?
-Reject!
-I went.
-Hello!
It was Duncan Pinderhjuz.
It is wonderful.
-Not mine.
-Wow, dangerous wheelchair.
... Even if it was the last thing ...
I mean, Blade ... How Blade can drive ...
Curb, the curb!
Pinderpovraka damned.
-Who?
"I am a mom, Michael.
Sounds like you have added a couple of lock ...
I went out. Home alone.
Are not you glad to see me?
The judge says I have to take care
about you. Do me a favor. Stay out of trouble.
I hope you paid for that haircut.
You know, Duncan. Maybe you could

to take off 6-7 cm hair.

Dad, we've already talked about that.

Just express aerodynamics.

Have you met someone at school today who
on your social and intellectual level.

-Well, actually I did not.

-Duncan, not just a matter of what you know.

But who you know.

-I fully agree, dear.

I will.

Fuck, where are you so far?

Do you deaf?

-Can I help you?

-Yes, I ask Duncan.

-Blade, what a surprise.

-Good crate.

-Mom, Dad, this is my friend Blade.

-Blade (blade), it is your name?

Dad, is not it your name?

-Blade came to help him around
home. -Really? What's the problem?

Is that you have a problem?

Is not it funny? It requires many
to do, Blade, AJDEMO up.

We'll be back.

-Invaded this. It took me years
to build a reputation and I will not allow
to ruin a pussy like you.

All right, what is so special to you?

-First you have to oblai properly.

Style is more than a state of mind, my brother
so I have brought some equipment to wear.

Here.

Oh, yes.

Yes, and you can not be a soul player.

-What are you talking about, these things are the eggs.

I do not like these things to market what you're wearing.

-With the market? This is not the market.

This is the best of JCPenney-I, buddy.

-Loose, do not shout.

And now, to start
to get rid of this.

Here, take this.

It's not hygienic.

I'll give you hygiene, take!
Oh, yes. It fits perfectly.
-We have to settle one more thing.
-What?
-It.
What's going on up there?
Better to go to check.
You'll like it, stop it vrpolti
or I'll have to hold.
Stop me blow my back.
Too hot for me.
Honey, what's wrong?
Julie, did you ever think
about the sexual orientation of our son?
Well, the right to tell you,
I thought he was gone.
Blade brand in all its glory.
Hi, Dad.
-Hi, Dad.
Is that was our son?
Like how to move the roof,
like Legos.
-Shut up.
-Wind in the hair. Breeze through the locks.
Shut up!
-What do we ask here?
-If you're going to be Blade Brown
You have to know where Blade Brown is coming.
I thought you izmileo under a rock.
I injured my tooth. No gold, but I did
premolar. Front-grinder ...
How's the tooth now?
-God, but you're sensitive.
You have to follow me leader.
Come on, do not be udaljvaj.
-You want to dance, baby?
-Come on, sexy.
To check whether (svrava) often?
I mean, do you come here often?
You know, as soon as I saw
I thought you and me ...
You want to play with me?
You know what I think when I see you?
Skiing down the slopes of Blue Ridge Mountains.

Where have you been all my life?
Well, what do you say?
Double fun.
How are you?
Oh, sorry.
Simon, brother,
This night is crazy.
Lisa was?
What is it? Got a problem?
Hey, hey, Iskulirajte, he was with me!
-What's up?
-Nothing special, bro.
Frutti, Gogo, this is my nigger D.
He is good with me.
-Where is your party, brother? When you went out?
-Do not worry and talk later about a job.
Now we need to turn on.
-Wait, I just entered the TRICK.
Retard, how could you mix that brother
and retard. -I call that retardo?
-Dumb are you, brother.
-You are stupid.
-Can we go home now?
-Sit down here!
Let me explain a few things.
You have to throw lingo like you're in the story.
You know, as a program.
-The Word on my computer?
No, brother. Listen to me.
You have to talk like they're in no mood.
Like you this is not new.
OK, look ...
No prebije someone
but he razvali oil for bunja.
No muva girl
but startuje ubu to your native.
OK, I understand. The second part of the words
add in, and the first syllable of it.
You know, like, fallen ujbi for tment.
Or I will have a good ransom for onje this' year.
-Yes, it is doajjno.
-What?
Doajjno, sick mom, too ...
One by one thing. To return to that

"It" things. Whether it is used with verbs.
Let's say I have a plane to New York.

Is it:

-Well, it depends ...

-What.

-From how you're dressed.

-But for the lazy if I wear something specific?

That's right. -This is sick.

-Thanks.

-Did you hear me? I said that it was
sick. -And you? I said thank you!

-Are you deaf (cool)?

-Dude, I'm the most cool character in the whole region.

-You're deaf?

That's right.

I think that the Blade Brown

You're not deaf. -If you do not quit
I disuje, utnuu and in the mouth.

Thanks for that walks around the wild side.

I think we should ugnem for the lazy.

And I appreciate that, but in addition, have
to help me pass a physical.

And sports. No problem.

Do I have eggs in sports.

Man, if I did not take off ... -Just

One more thing. You will need my clothes.

The shirt is here ...

And the shoes, to complete ...

I would not say ...

I'll manage.

OK, but do not forget shoes.

Nice shoes ...

Hey, your child will become a partner

Is he to say fag?

Open the door, man.
What happens here?
Back off, man!

Gentlemen, I will say this only once.
No cheating, no fights, no biting
no spitting or anything unsportsmanlike.
OK, listen. This will tell
only once, because you tomorrow
Weak you come running here with certificates of
doctor for all of the sensitive skin and asthma.
I want to see good, clean sport

Catch-it, man.
What next?
-Run!
Merry Christmas, Wedge.
-What are you doing, man?
Pleasant, boy.
-Order it, brother.
Are we ...?
Thanks ...
Mommy ...
Sorry, man ...
Hey, Coach. It was a tough nut to crack.
I did not know how to fix it, but ...
1, 2, 3, ispada.
Blade, is not it? Come on, get over here.
I want to see how utira ball.
-Do I have to, sir?
-Yes, you, sir.
-Where do you want to kick?
-How about between the two pillars?
-It is a blow to the 50 yard line.
-Come on, brother.
How did you do that?
In fact, it is very simple. Need only
include wind speed, gravitational force,
angle of rejection, symmetry and weight
ball. -Do it again!
Izvale this.
You go to football. You'll be my secret

weapons. The two of us will be very close.
Mr. Frog, will you liz?
Will liz Mr. Frog?
You know, this is a very
interesting species of frogs.
Yes, I know.
Thus, the wet and slippery.
Biology is so real.
Hey, Damita, I thought it will be
play with my frog.
Your frog does not jump in my direction.
New tadpole in the city.
Here's my address. I picked up tonight
about 8 to organize everything to biology.
Hey, Damita, I thought it will be
play with my frog.
Duncan Pinderhjuz.
Duncan!
Are you ready to explain your
dissertation? Mag-what?
Thesis on human
sexuality and reproduction.
You are asking the wrong student, professor.
I'm not ready to present disermaciju.
-Dissertation. Why? It was in the syllabus.
-What bus?
Syllabus (curriculum).
Because we need help, and the only sister
smart enough to help it.
-OK, I'll give you another day.
-Thank you very much, Professor.
-My name is Mrs. Ipswich.
-Whatever ...
-Duncan. -Hey, hi.
-Bye.
My address. Why do not you invite

-Yes, of course.
-Okay, bye.
Hey, how do you think? Hey, baby, what do you think
of Brooks Brothers. Brooks Brothers.
I'll just go home to start
dissecting the text on its database.
See you tonight, right?

Hello.

You took your shit at football
to see you now.

Thanks for telling me to pay bail, Mink.

-You will return my money.

Let us go from here.

You look like a piece of meat in the Rocky.

So, you've got problems at school?

-Ma jok, Mink. Everything is cool.

Cool ...

Well, I hear different.

I hear that for some Blade Brown

You look like a fool.

Is that correct?

I hear that the whole school saw it.

My brother ', it's bad for business.

Sorry Mink ...

You should look up to you

and only to you, and if that's the problem ...

I need to get rid of.

Come on guys.

There she is ...

Limpa, alac.

Duncan ...

-Jo, Ellen. What's up?

I'm glad you're Chilling, come on.

Of course.

Little Red Riding Hood, where are you going?

To grandma's house?

Little Red Riding Hood,

are not you at the wrong end, Jack?

Where were you referred? I do not belong here.

-Is this 6714?

-What do you mean, brother?

It's about time.

I went, dad.

Are you ready?

-Ready?

I thought we going to do

Domestic biology.

Sugar, we must

do a little research.

Oh, it's fresh. Kotrlja at large.

Let me see how fast to go.

Wait a minute, has a very sophisticated hydraulic system of fuel combustion.

-Are there any dogs?

-No, we do not have a dog.

You are sure that the neighbors do not have a dog or something?

Because if you destroy these shoes ...

I gave a lot of money for these shoes, girl.

I felt something, something wet.

-So this is one garbonzo?

-Gazebo. -Whatever ...

You know what I like with you, Duncan?

You may be a serious student, but you some wild brook hidden in it.

-No shit?

-You see. I love you so swear. God.

Duncan ... I want to find your wild side.

No, not you. Can not

I believe you have it?

-Yes, I have it.

-No, no, no. See, I do not understand.

You see the flower there?

You're like this flower.

All delicate ... and beautiful.

Respectable. Get it?

-And what are you?

-I am like the other flower.

All rough and ugly. Would not it like to ukrasi living room.

Dies.

How is that sexy.

Sexy?

What's sexy about that?

In "Much Ado About Nothing", Shakespeare

wrote:

die in your lap,
and be buried in your eyes. "

Yeah, so?

Well, in his time "to die", as
as he put it, meant

"To experience sexual orgasm.
-Hey, wait a minute.
My nigger Shakespeare rapped
splashing on some wool?
-Well, I guess, and so can be said.
-Sorry, I thought about making love.
Yes.
-You really are wild in some way.
-Is that it?
Listen, I have something to tell you.
It does not matter. Let's go.
I know a place nearby.
Miss vain, how are you?
You look like Robin Givens, baby.
Call me Mike Tyson, where are you going?
My eyes have seen the glue.
I'm not lying.
I have to have.
Do not they zamera, Damita.
We'll take the food and left here.
Hey, you do not mind if one of my
partner dancing with your girlfriend, right?
-Look, Kais up with the wrong bitch.
-Honey, I love women with long tongue.
Pull your slimy hair perm ...
Perm? Wait a minute, I do not have perm.
This is the natural hair.
You do not know me, you will not pick on me.
My man will not suffer.
Who he? What will Mr. oiani
to do? Us soaked with tears?
-Looks like Lenny Kravitz.
-I say we throw a coin.

What is the meaning of the word "die" the way he has used?

Tell your response, please.

What are you doing? -A?

-What are you doing?

Telling his version of the story.

-I have already told the story.

Not all of this to watch again.

-It was your story, mine is much better.

It has plenty of sex, chases
cars and sex, hip-hop and more sex.

It's over.

-Did I mention sex?

Pack up the screen!
