D2: The Mighty Ducks

By Steven Brill

- Bring it in, Gordon.

- Okay, Dad.

All right! Way to shoot, there.

You look good, son.

Thanks.

Listen, i want you

to remember this pond.

No matter how far you go,

don't forget your home.

Here in the third period, where the
Minnehaha Waves led by Gordon Bombay...
are in the lead four to one.

What a story this is.!

He went from a legal career to coach
the Minneapolis Mighty Ducks...

to a State Pee Wee

Championship last year.

And this year, at age 29...

he's one short step away

from the N.H.L.

There's the puck at center ice.

It's intercepted by Gordon Bombay.

Bombay across the blue line. He's in
all alone. Great chance for Bombay.

Dekes once, twice, in front.

He shoots. He scores.!

Yeah!

Gordon Bombay, unassisted,
puts his team up five to one.

Boy, he can still fly.

If he keeps this up, I'd expect to see
him in the National Hockey League...
real soon.

Here's Bombay in his own zone. Comes up the
right wing side, steps away from one check there.

Still has the puck at center ice.

Gets pinned along the boards.

Fights to get free.

Aah! Aah!

Oh, what a hit.!

Bombay goes down hard.

~Like the river flows ~

~Like the snow melts ~

~ You're gonna find your situation ~

~ Changing for the better ~
~Like the melting snow ~
~Just let your troubles go ~
~ 'Cause you and I ~
~ will get through this together ~
- ~Some days seem to drag on forever ~
- it's great to be home.
~ You need all your strength ~
- ~Just to keep your head together ~
- Hello,Jan!

Welcome back, Gordon.

Get in! Get in!

Thanks for comin' down to get me.

Great to see ya.

Hans couldn't make it?

Ah, don't get me

started on that strudel-head.

He went back

to the old country for the summer.

Left me to run

the shop all by myself.

Wanted to visit our mama.

She loves him more, you know.

~ This too will pass ~

~ This too will pass ~~

- Sorry, did i wake you?

- Hey, Charlie.

- Hey, Coach. it's good to see you.

- Good to see you.

We really missed you.

For breakfast, my specialty:

Jan's hasen-

Hasenpfeffer and eggs.

- Yeah.

I thought I smelled

something burning.

i see you've met

my new apprentice.

Jan told me you did

this job when you were my age.

- That's right. i hope he pays you more than he paid me.

- You got paid?

Eat, everybody, before

the hasenpfeffer gets cold.

That was a good day.
Look at Charlie. God, he's grown.
Oh. They do that.
Since his mother remarried, he
started spending a lot of time here.
i just had to hire him.
- i should've kept in touch more.
- But you are here now.
So what's your plan?
Have you talked
to Ducksworth?
No, no. i'm not a lawyer,
Jan, i'm a player.
But your injury,
it requires rest and time.
Yeah, time is something
i don't have a whole lot of.
i was this close to the N.H.L.,Jan.
i was back in the game.
And, man, i was alive.
Have you thought about coaching?
After all, you were
the Minnesota Miracle Man.
Well, coaching the Ducks was one
of the best things in my life...
but i can't make a living
coaching Pee Wee hockey.
Where there's a way,
there must be a will.
My hockey suppliers tell me
Team U.S.A. is still without a coach...
for the
Junior Goodwill Games.
Sounds great. Give 'em
a call for me,Jan.
- Maybe i can sharpen their skates.
- Don't knock skate sharpening.
i know.
it's a great skill,Jan.
But i don't want to spend the rest of my life
sharpening skates in this rinky-dink town.
i want something better.
Something bigger.
Whoa!

- You don't have to do them right now.

- Oh, thanks.

You have a customer.

Go and help him.

Then come back and do them.

- Can i help you?

- Oh!

Oops, sorry.

Got away from me. Hi.

Oh, wow, yeah.

You look great. Yeah.

- Yeah, much better than your pictures.

- Thanks.

i'm, uh, Don Tibbles...

Senior V.P.,

Hendrix Hockey Apparel.

How's the knee? i have a doctor in Los

Angeles i want to take a look at it.

- He's doing great things with baboon ligaments.

- Hendrix Hockey, huh?

What exactly is it that

you want, Mr. Tibbles?

i want you, Gordon.

i want the next coach of U.S.A. to become a household name.

i want you to become

synonymous with winning...

and winning to become

synonymous with Hendrix.

Er, wait a minute.

Y- You're joking, right? i mean...

- this is a joke.

- it's no joke. This is the real thing, Gordon.

You want me to coach

Team U.S.A.?

Your friend Jan's been

pitching you for months.

Gordon, what you did with the

Ducks, there was magic, and we-

and by we, i mean

Hendrix Hockey...

theJunior Goodwill Games and your country

- need that magic.

What do ya say, coach?

Come on.

Let's round up those Ducks.

- Got a lot of work to do.

- Gordon.

Use this.

- Thanks, Jan.

- Go get 'em, Gordon.

Hey, Charlie.!

Hey.!. You wanna
play some hockey?

Watch me go.!

This is your last chance.!

Come on, man! Move it!

Yes! Yeah!

Jesse, we're back!

- Hey, Charlie!

Let's go get Averman.

- Look out!

- You can't-

What are you kids
doin' over there!

- Whoa, hey!

- Cool, man!

- Let's go, Jesse. Over to the left.

- Yeah!

Whoa!

- Averman, let's go!

- Come on! Come on!

- But, but, but-

- Come on, let's go!

Whoo!

- Where we goin' now?

- Gotta get Connie and Guy.

The Quack Attack is back, Jack!

- Come on, let's go!

- Come on!

i was this close.

Whoa! Whoa! Whoa!

Whoa!

- Aah!

- Yeah.!

Oh!

Oh, look.

Goldberg.!

Come on, Goldberg!

- All right!
- All right!
All right, yeah!
- Whoa!
- Yeah!
He's comin' across the goalie,
between his legs- Score!
Hey, cake-eater, you wanna
play some real hockey?
- Yeah, come on!
- Yeah!
Guys, it's an international
competition. It's us against the world.
Hey, man, bring 'em on.
We're ready!
- Oh, Goldberg!
- Whoa!
Ow! Ooh!
Hi.
Ducks!
I still can't believe
they beat us last year.
Well, let's do
somethin' about it.
Yeah.! All right.!
- Come on! Let's go! Let's go! Let's go!
- Hurry up!
- Tighter.! Tighter.! Tighter.! Tighter.!
- Come on.! Get over here.
- Come on. Over here. Over here.
- Shh.
They're sittin' ducks.
- Here they come.
- i love this.
They are so stupid.
One large order of
shredded duck comin' up.
- They won't know what hit 'em.
- i know.
Who said that?
Hi, guys.
Hey, come here!
Hey, get over here, huh?
Come here!

See you later, buddy.!

Gimme.!

Yeah!

Come on, let us go!

My mom's pickin' me up!

That'll teach ya to mess
with the Ducks! Yeah!

- Yeah!

- Yeah!

Ducks! Ducks!

Ducks! Ducks! Ducks!

Ducks! Ducks! Ducks!

Hey!

Okay! All right!

Come on, get back!

Ducks! Ducks! Ducks! Ducks!

Ducks! Ducks! Ducks! Ducks! Ducks!

Welcome back, Ducks. i really missed
you guys. Are you ready to fly?

- Yeah!

- Whoo!

All right! All right!

Awesome.! Wow.! Who's in there?

Can't be from this neighborhood.

Hey, guys! i'm Don Tibbles,
Hendrix Hockey Apparel.
We're your official sponsors.
Anybody want a card?

Yeah, yeah! Absolutely!
i'll take one!

Hey.

Nice wheels. i used to
ride around in one of these.

Well, i got something
to show you.

This is your endorsement
contract with Hendrix.

i been tryin' to figure this out.
What does Hendrix want with me?

- i-i'm just a coach.

- Pat Riley, Bear Bryant...

Mike Ditka,
are theyjust coaches?
Gordon, today coaches have

images. Images mean dollars.

i sell you, you sell the sport.

We both get rich. How's that sound?

- Don't get me wrong. i don't have anything against making money.

- No, Gordon.

A lot of money.

You're gonna pay me that much
to endorse sportswear?

Gordon, life can be great
when you know the right people.

What do you say?

- Got a pen?

- Oh,yeah.

Former Pee Wee coach and minor
league player Gordon Bombay...
makes the move to the national stage as
he steps behind the bench for Team U.S.A.
Coach Bombay's Ducks will bejoined
by some of the top young players...
from around the United States.

Tell me about my new kids.

- That's Luis Mendoza.

He's from our Miami club.

A real speedster. Incredible skater.
I clocked him at 1.9 seconds,
blue line to blue line.

- Good-lookin' skater. - Very
good-lookin'. What do you think, Guy?

- Shut up, Averman.

- Oof!.

He has one minor problem.

Aah!

- Has a little trouble stopping.

- i'd say so.

- Are you okay?

- Need some help?

Yeah. i'm all right.

i almost had it that time.

Yee-haw! How is everyone!

Y'all ready to play some puck?

- Hey, look.

it's Hopalong Gretzky.

That's Dwayne Robertson
from Austin.

He's the best puck handler

I've ever seen.

- You mean for his age.

- No, i don't.

Hey, this is easier than

ropin' hogs! Yee-haw!

- He does have a tendency to showboat.

- Yahoo!

- Wow.

- There's Julie "The Cat" Gaffney.

She won the state championship

for Maine three years in a row.

Well, we have a goalie.

Goldberg.

All right! Bring 'em on, man! i'm ready

for this! i'm the man! i'm the man!

Ohh.!

Uh, help.

Watch this.

Well, we...

could use a backup.

Isn't that that kid from the

Olympics? The figure skater?

Yup. Ken Wu.

What can I say?

I convinced him that hockey

had more of a future.

We put a stick in his hands

and nobody's been able to touch him.

Yeah. Show time!

- That guy's a teenager?

- ~ Don't you know that ~

~ Everything's on fire, yeah ~

- Uh, yeah. Hormones.

- He's a goon.

- Ohh!

- C'mon, Tex! Sing it with me!

- Uh-uh! No!

- ~ Everything ~

- Here ya go, sweetie!

- My kids don't play that kinda hockey.

i believe they're

called enforcers, Gordon.

- When you play iceland, you're gonna need him.

- My little man!
- Who does this guy
think he is?
- All right, that's it!
- Let me take care of this.
Everybody freeze!
Now, we didn't
come here to fight!
We came here to play hockey!
We're Team U.S.A.
You represent your country.
- That's right.
- Now, i want you-
To be all that you
can be, right?
Ya gotta raise yourself up,
guys! Ya got-
- All right, now. Let's
start with the scrimmage.
Great! Scrimmage!
You heard your coach! Now-
Hey. You don't need me here.
i've got an appointment anyway.
i've got to see Miss MacKay.
- She's the team tutor.
- Don?
Come on.
You'll get it back
at the end of the school term.
All right, Ducks.
Show 'em what you got!
Let's scrimmage!
- Great day for hockey, ain't it?
- Sure is, cowboy.
Yee-haw!
- Hey, man, take it easy! Slow down!
- Goldberg, look out!
Oh, no!
This guy's gotta
learn how to stop.
- Thanks for breaking my fall.
- Anytime.
- Let's go, defense!
- Whoa!

Come on!
Dig it out of there!
Let's go! Come on!
Haven't you guys been training
in the off-season?
You know, i knew
we forgot somethin'.
Good shot, Adam.
Way to show 'em.!
- How do you feel,
tough guy?
Ding! Round one.
Wait 'til you meet these kids.
They're just fantastic.
- Look out!
- It's Fulton.! Look out for his shot.!!
What a bunch of wusses!
Oh!
Half of'em are ringers from various
parts of the U.S. Then the other half-
- Duck!
- That's right. The Ducks.
Hello? Mr. Tibbles?
Mr.. Tibbles?
Mr. Tibbles, can you hear me?
Mr. Tibbles, wake up.
Oh, Mr. Tibbles,
are you all right?
Oh, uh, i-i'll have the cheeseburger,
fries, and a chocolate shake, please.
i think he'll be okay.
We'll keep an eye on him.
Oh, i'm sorry. He didn't
have a chance to introduce us.
i'm Michele MacKay,
their tutor.
Hi, i'm Coach Bombay,
their coach.
- Who said we need a tutor? - Yeah.
Really. - i don't need no school.
Now, Miss MacKay,
we're America's team here.
Shouldn't we just
be concentrating on hockey?

May i suggest
optional attendance?

- i agree.
- Yeah. Good idea.
- Well, that's not a bad idea.
- Call me Goldberg.

Goldberg. Yes.

School will be optional.

However-

However, should you not attend,
you will not be eligible to play.

Oh, that's unfair.!

Man, can she do that?

Hey, is that a tattoo?

is it real?

- Get away from me.
- Yes, sir.

Well, i'm just here to tutor the kids and
provide them with a little adult supervision.

- Oh, my gosh!
- Oh!
- That was awesome. Are you okay?
- Yes.

All right.!

- Sorry.
- Yeah, sorry.

We're okay.

This is more crowded than
a truckload of goats.

Somebody better
watch their hands.

Yeah, someone licked me!

- Oh, i smell somethin'. Eewh.
- Eewh.

Goldberg!

- it wasn't me.
- No, it was me!

Thank you.

i don't know how to make
this any clearer.

You are a team.

And to win this thing,
you have to work as one.

Now as one, skate.

Whoa!

Everyone goes their own way,
everyone falls down.

Now get up and try it again.

- All right, all of you move to your right. Now.

- Who made you boss?

- Everyone to the left.

- Yeah, left guys. Come on.

- Aw, man.

- You guys can argue all you want...

but i am not untying you
until you move as one.

Now you're learning!

Communication! That's it!

Good, together.

Move together.

Charge! All right!

- Right turn!

- Turn right.

Yeah, that's it! That's it!

All right! Knock wood, Charlie.

You guys are startin' to look like
hockey players. i'm proud of ya, team.

You worked hard today.

But hockey

should also be fun.

- Rancher Dwayne.

- Yes, sir!

- Round me up some stray
cattle there. - Uh-oh.

- My pleasure!

- Whoa!

~ Together we stand

Divided we fall ~

~ Come on, people

Let's all get on the ball ~

~And work together ~

~ Come on, come on

Let's work together ~

~Now, people ~

~Because together we will stand
every boy, every woman ~

~And man ~

~Make someone happy,y'all

- ~ Ta da ~~
- Oh! That's awesome!
- Hey, y'all. That's us!
- Duh, whatta ya know?
- Today,
it's a Wheaties box.
Tomorrow, it's video games, action
figures, lunch boxes. The sky is the limit.
Now, just to make sure
that everybody knows who you are...
try on one of these.
- Oh, that's so cool!
- Brought to you by those wonderful people at Hendrix...
for all your hockey needs.
Fulton, there you go. Coach.
Everybody take your own. I'm not
gonna give 'em out to everybody.
That's nice, Coach, but we're Ducks.
This stuff says "Hendrix" all over it.
Well, yeah, they're
our sponsors, Charlie.
So what?
Can't we be U.S.A. Ducks?
Or at least
keep our own colors?
it's business stuff, Charlie.
Don't worry about it.
- What'd ya think?
- i love it. it's cool.
Ancient Greece was the beginning
of Western Civilization.
See, in Greece, they didn't
have professional sports...
or Wheaties boxes.

So the athletes competed
for another reason.

- Anybody?
- Falafels?
- Ohh. Greg.
- You wish, Goldberg.
- Charlie?
- Pride.

That's right. The various
city-states waved their flags...
and wore
their home colors proudly.

Did America always dominate?

- Fulton.
- That's a good question.
- No. America wasn't
around back then.
- it's okay.
- Don't forget that compared to other countries...

America is still young,
still forming its own identity.

- America is a teenager just like you.
- Like us?

You bet.

A little awkward at times...
but always right there
on the verge of greatness.

- ~ i don't know but i been told ~

Welcome to Los Angeles, California,
and the Junior Goodwill Games...
as teams from around the world arrive to
compete in both winter and summer events.
The U.S.A. is expected to

score well in the medal count...
especially in basketball,
swimming and hockey.

And there's Team U.S.A. hockey
led by Coach Gordon Bombay.

They're looking fit and anxious
to begin the competition.

Tonight's game matches
the second-seeded Team U.S.A...
against the tenth-seeded team,
Trinidad Tobago.

This marks the first game for U.S.A. in this double-elimination...
winner-take-all
tournament.

Gordon Bombay looks to have his team well
in control here. They lead six to nothing.

This is sewn up tight!

All right! Yeah!

Yeah, high-five some more. Man, my
little brother could score on these guys.

- Go bother him, then. - Ha-ha!

i ain't even got a little brother!

Hey, Jesse.! Quit gabbin'

and get on the ice.

Show me

you want it, son. Go!

Yeah, show us

you want it son. Go!

'Kay.

- Ohh!

Face-off!.

Hey, what's

your problem, man?

Jesse, forget about it.!

Let's go.!

U.S.A. penalty, number nine,

Hall. Two minutes, roughing.

He dissed you bad, G.

- Yeah? Come here, man!

- Ha-ha. Bye-bye.

Have a nice day.

- All right, Fulton, let's have some fun!

- Yeah, Portman, let's do it!

- All right!

- Yeah! Yeah!
- That's it.
- All right, Portman, take it!
- Way to go! Hey, hey!
- Yeah!
- Thank you. Thank you.
- Thank you very much.
- Yeah!
- All right!
- Yeah!
- Look at those guys! Look at 'em!
They're the Bash Brothers!
Hey, ya got a girl
in the stands?
No. Scouts, man.
Look at 'em.
Don't worry about scouts, Adam.
Just play your best.
Team U.S.A. loses the puck
at center ice.
blue line with a great move.
Walks right down in front.
He shoots, he scores.!
Way to go, man!
Way to go!
Nearing the end of the game, U.S.A. with it out at center ice.
Here's Connie Moreau. Moreau
stick-handling in the Trinidad zone.
Moreau still with it, moves around
a pileup, gives it to Kenny Wu.
Wu, the former figure skater, back behind
the net, ducks underneath the check.
Moves around the it.
It's a wraparound. He scores.!
All right, way to go.!
- That wasn't a game,
that was a statement!
Ladies and gentlemen,
Team U.S.A. hockey.
And the man chosen to lead
them to the gold, Gordon Bombay.
- Bring the bear up here. This
is Henry, the Hendrix bear.
- Hello, everyone.!

- Guys, I want you to come in, get some shots with the bear.

Big wave.! Big wave.!

Wave to everybody.!

- Hello, everybody! it's great to be here!

- Got that? Great.

Thanks a lot. Okay, we're gonna

open it up to questions. Yes.

Team U.S.A., how does

it feel competing...

on the international level

here in Los Angeles?

- Um-

- Feels good. Love it.

Coach Bombay, the Vikings from

Iceland are the heavy favorite.

Their coach has already

guaranteed victory.

- How are you gonna handle them?

- Um... hard work.

i think our team is ready to go

up against the best in the world.

We're not worried about 'em.

Iceland may be tough, but, uh...

we're Team U.S.A. and

we're goin' all the way.

- Yeah.! All right, Coach.!

- Okay, that's it.

Thank you very much.

Thank you, everybody.

- Real good. Did good.

- Team U.S.A. 's going down.

That's where

you're going.

See you on the ice, Bombay!

That's, uh, Stansson.

Coach of the Iceland team.

He's wound a little tight.

Stansson from the N.H.L.? Wolf "The

Dentist" Stansson is coaching?

- You didn't tell me that.

- it's all right!

- That guy's a dentist?

- That was his nickname.

Played one year of pro,

collected more teeth than goals.

- He even punched out his coach.

- They ran him out of the league and the country.

What happened to freedom of
speech, huh? isn't this America?

That's his team?

Those guys are huge!

- One more thing- - He's
already told you what he thinks.

- Gordon.

- Thanks. How'd i do?

- Great. it was quite a circus, huh?

- it's all part of the game.

A giant polar bear with sunglasses
is part of hockey now?

i guess the game's
really changed.

Gordon, come on.

CNN, one on one.

CNN.

Gordon.! Just one question.!

One question.!

- Hello, there, missy.

How about a bear hug?

Tibbles, what are we
doin' here in Malibu?

This is your new place, man.

it's our way of saying "Thank you. "

You take care of Hendrix,

Hendrix is gonna take care of you.

i can't help feeling a little guilty.

Shouldn't i be closer to the team?

Whoa.

You know, they don't
need me 24 hours a day.

- i'm sure they're just fine in the dorms.

- Yeah.

Shh. Do it quiet.

All right.

Let me get the hand.

- Hurry.

- i'm hurrying! Shh!

Go ahead.

Okay, that's good.

Feather.

Shh.

Ah.

A little tune-age
to go to sleep by?

- Yeah.

- All right.

- ~ Ain't seen nothin' yet ~

- All right.

~ B-B-Baby, you just

ain't seen nothin' yet ~

~ Here's somethin' Here's somethin'

that you just won't forget ~

Sweet dreams, dude.

What's goin' on?

Yeah! Whoo!

Yeah! Come on! Yeah!

It's great to be here. The guys at Hendrix
Hockey have been absolutely fantastic.

But i got a game against italy, so
i'll talk to you right after we win it.

Thank you.

Thanks, Coach. Good-bye.

Good luck, Coach.

- Get 'em tonight.

- Thank you very much. Thank you.

- Oh. i'm sorry.

- i'm sorry. Uh-

No, it was my fault.

i was clumsy.

- You're Coach Bombay.

- That's right.

You play well.

- Well, thank you.

- i mean your team. Your team plays well.

i- i know

what you meant.

So who are you?

i'm the trainer

for the iceland team.

My name is Marria.

Well, you have a way

with the ladies.

We haven't formally met. i'm

Gordon Bombay, coach of Team U.S.A.
i know my competition.
i know you.
Yeah, but do you know
the real me?
You're full of confidence.
Cocky. American.
i like that.
it will make our triumph
even more enjoyable.
Your triumph?
Lighten up a little bit.
We're all just here to have-
A little fun, right?
Don't you worry.
We will. We will.
It's been all Team U.S.A. tonight.
They lead Italy six to nothing.
They've really dominated this game.
Italy with the puck
across the line.
D'Agistino shoots.
Glove save by Goldberg.
Have no fear!
Goldberg is here!
Hey, man, there was nothing
on that. How about a real shot?
Hey, paisan, meatballs
are slowing you down?
Uh, how do you say,
in italiano, "wussy"?
Break it up! Break it up!
- Goldberg!
- What'd i say?
Hey, look!
Yeah!
Whoo! Yeah! Yeah!
Okay, people.
Come on, let's do this.
- ~ Oh yeah ~
- ~ Oh yeah ~
~ Ooh ~
~Mr. Big Stuff ~
~ Who do you think you are ~

~Mr. Big Stuff ~

~ You're never gonna get my love ~

~Not because you wear ~

- ~All those fancy clothes ~

- ~ Oh yeah ~

~And have a big fine car ~

~ Yes ya do now~~~

Gordon, take a look around you.

You gotta change your thinking.

- What'd ya mean?

- Ya see, in this town, everybody is something other...

- than what they really are.

- Hi, i'm Terry. i'll be your server.

Terry, let me ask you a question.

What do you really want to be?

- Really?

- Yeah, really.

- Head of production for a major studio.

- Yes, perfect.

Thank you. We're done.

See what i mean?

Everybody wants to be
something bigger.

Listen, all i'm saying
is you could be big. i mean Costas big.

N.H.L. stars Neely,

Chelios and Robitaille.

Gordon Bombay, coach of Team U.S.A.

Gordon, Greg Louganis,

Kristi Yamaguchi, our Olympians.

Hello.

Nice to meet you.

Kareem, i'd like you to meet

Gordon Bombay, coach of Team U.S.A.

- Hey, Gordon, how ya doin'?

- Glad to meet ya.

Coaching. Okay,

two words about that: Pat Riley.

What it is, it's a loafer.

And we'll call it

the Air Bombay loafer...

for kids who wanna coach.

You think there's enough kids

out there who wanna... coach?

Absolutely.

This don't look like
no Rodeo Drive to me.

No, that's Ro-day-o Drive.

You can't fool me. i saw it on
the sign. it says Rodeo Drive.

No, see, there's
an accent at- Never mind.

i don't get it. This is Beverly
Hills. Where's all the hills?

- Where's that 90210 school? What about the Hillbillies?

- Where are the movie stars?

Wasn't that the captain
from The Love Boat?

- Let's go check out some stores.

- Great. i gotta buy my mom a T-shirt.

- She'll love it.

- Yeah.

Let's think about it
and go get an espresso, okay?

Maybe they're not open.

Hey, there's a doorbell here.

i'm sorry. We do not allow
unsupervised children into the store.

- Can you make an exception?

- No, now go away or the police will be called.

if we were in Texas,
this wouldn't have happened.

- We'll find some other place.

Step back from the vehicle.

- You have activated
the theft-deterrent device.

- Yes, hello.

- Hi, we'd like four burgers. What do you want to drink?

You kids get outta here!

Quit playin' with that thing!

- I'm sorry.

We do not allow unsupervised-
i'm sure Uncle Aaron will be very upset to
hear we were treated with such disrespect.

Aaron? Aaron Spelling?

No, Hank Aaron.

Of course, Aaron Spelling.

Now, i want you to make yourselves comfortable. Carole, beverages.

And i will be with you in a moment.

- Gosh, this store sure is nice.

- Goldberg, my man.

- Cheers.

- Yeah.

i know you boys.

You're, um-

- Aaron Spelling's nephew.

- No.

- Team U.S.A. hockey.

- You guys are just great!

- Oh, thanks.

- Thanks.

Now, a gift for your mother.

You'll want something light, airy.

it is summer, after all.

i'm going to show you my private collection.

- You little brats don't ever come back into this store.!
Anti-children!
No, no, no. it's not a sneaker,
it's a street shoe.
Like coaches wear.
Yeah, come on in.
Sure, with a pump.
That'll work.
Go ahead, sit down.
We'll talk about it at dinner. Okay.
What's up?
i wanna play.
When am i gonna get my chance?
Julie, Goldberg's
on a hot streak.
i gotta stick with him
as long as we're winning.

the world what i can do.
Just give it time.
You will show the world.
i promise.
Okay?
All right.
Now get outta here.
~ Bom, bom ~
Look at them. Fulton.
Fulton, talk to 'em.

Uh, hey, ladies. Nice night
for a stroll, wouldn't you say?

That was a good one!

No curfew's
gonna keep us down.

- Yeah!

- ice cream.

Wait a minute. I thought
Iceland was covered with ice.

- No, it's very green.

- i thought Greenland was green.

- Greenland is covered with ice, and iceland is very nice.

- Ahh.

i imagine it'd be
like Minnesota, where you're from.

How do you know

where i'm from?

i asked around.

Okay.

Look at this.

She's an iceland chick.

What's he doin'with her?

Great coach we got.

All right, are we ready
for warm-ups?

- Let's go!

- Whoa! He's stylin'! Mr. Coach!

Yeah, all right.

All right.

- Nice jacket. Did you get

- two pairs of pants with that?

- Good night last night, Coach?

- Yeah, it was fine.

What'd ya do?

Oh, i... just watched some TV,
got to bed early.

But not without

a little dessert, right?

A little

ice cream, maybe?

Nice haircut.

What, ya lose a bet?

Live from Los Angeles, welcome
to theJunior Goodwill Games.

Tonight's matchup, Team U.S.A.
faces off against Team iceland.

- Cakewalk.

- We have with us Greg Goldberg, goaltender for Team U.S.A.

Greg, what is it gonna take to beat
these feisty icelanders tonight?

i think it'll take a supreme
individual effort by me, Greg Goldberg.

- Let's play hockey, gentlemen.

- Okay, cut it.

Hi, everybody.

Welcome to today's game.

This is a very important matchup,
Team U.S.A. against Iceland...

in what could be a preview
of the championship game.

Iceland, coached by
Wolf "The Dentist" Stansson.

He'll be taking on

Gordon Bombay.

Good luck, there,

Coach.

You'll sure need it.

What does that mean?

You'll find out.

Come on, fool! Get up!

- You ran at him unprovoked.

- Huh?

- Calm down, son. You're out of the game.

- Give me a break!

You're throwin' him out? You can't do
that! it's three seconds into the game!

Oh, man.

Come and get it.

Wake up, defense.

Can't do this all myself.

Hey, Goldberg! if that puck was a
cheeseburger, you'd stop it! Ha-ha-ha!

Yee-haw!

- Pass the puck, Dwayne! Come on!

- Dwayne, give me the puck.!

- Pass it to Fulton!

- Dwayne, pass it!

- Look out, Dwayne!

- Yee-haw! Aah!

Oh, man!

i can't believe this is
happening! i should be out there!

...missing big Dean Portman,

it's one-nothing iceland.

iceland outhitting and

outskating Team U.S.A...

all over the ice

in the first period.

Here's Gunnar Stahl

again for Iceland.

Team U.S.A. can't stop him.

On the backhand, saved by Goldberg.

Captain Adam Banks has it for U.S.A. He gets knocked head over heels.

Team U.S.A. still with the puck.

Luis Mendoza, he can really fly.

Mendoza across the blue line. He

gets tripped, slides into the boards.

Come on, ref,

call something.

- We're in trouble, Ken. What can you do for us?

- Let's see.

Uh, a triple aerial

with a Double Hamill Camel...

that should split the D, then a

pirouetting half-toe-touch for the goal.

- Show it to me, son.

- Come on, Kenny. Get us back in the game.

i'm sure

you can do it, Ken.

Aah!

Aw, man. Aw.

Aw.

Was that it?

Please give me one more

chance to get those guys!

They've got to get back into

this game. Iceland with the puck.

Here's Olaf Sanderson

right down the middle.

- Sanderson over to Stahl.

He scores.!

Where's our concentration?

You guys are runnin' around like a bunch of chickens with your heads cut off!.

- We're doin' our best.

- Well, your best isn't good enough anymore.

Blow this game and we are one loss away from elimination.

You guys might want to go home early, but i sure as heck don't.

My, that was inspiring.

Four-nothing, Iceland, as we head for the final period.

I hope Bombay's got some magic up his sleeve, because he's getting manhandled tonight.

No! No.

You're off, Goldberg!

Ah, thank you.

- Hey, good luck, goalie. You're gonna need it.

- Thanks, Goldberg.

- Sending in a woman to do a man's job.

- Don't break a nail.

i'm sorry, boys, but can you help me with my pads, please?

Yeah. Oof!.

Intent to injure.!

You're out of the game.!

- See ya around, fellas.

Aw, geez.

Thanks for the breather.

- Fulton! Get out there and blast one!

- Go on in!

Fulton Reed on the ice for Team U.S.A.

- He's open to the blue line.

- Fulton, fire it in there!

Reed winding up-

Whoa.!! Glove save by Seggi.

Oh, what a save.!! He'll have an imprint of a puck in his palm... after that one.!!

- Hi.

- i know how you feel.

Here's Banks,

starts onto the ice...

moves along the left wing side,

now moves into the center, but-
A spinning move.! A great
move to the blue line.
Banks all alone.
He scores.!
Yeah, we got one!
Hey!
Come on! Relax!
Take it easy!
- Calm down, son.
- Are you okay?
- i'm all right. i'm okay.
- Are you sure?
He scored!
- Sit down. Right in there.
- Sanderson!
In my country,
we call that a love tap.
i want a piece of you,
Sanderson! You're mine!
- Oh, you think it's funny?
- Come on, get down!
i want you!
Hey, man, don't touch me.!
C'mon, Charlie!
That's it!
- iceland!
- Olaf.
Ja, Coach.
- Good game, Coach.
- Thanks, ref.
Damn it!
Twelve to one, huh?
Twelve to one.
Ya think Hendrix is interested
in backing a loser?
Hey, how are ya?
You're only good to us
if you win.
Don, i'm- i've-
i- i've been good to you, man.
i gave ya a real shot.
A real shot
to be somebody...

and this is
how you repay me.
We just didn't have
the magic tonight.
Well, you better get the damn
magic, and you better get it fast.
Or i'm out of a job, and you're on your
way back to Palookaville, Minnesota...
shoveling snow
and sharpening skates.
Have a nice night.
Twelve to one.
You know what word comes to
mind when you think of that? Hmm?
Pathetic.!
You guys were brought
here to play hockey.
- What about you?
- What about me, Jesse?
Coach Stansson knew everything
about us. They were ready for us.
And you spend your time driving around in
convertibles talking to those sponsor fools.
Or hanging with the iceland lady.
We saw you two Saturday night.
Eating ice cream with
the enemy, huh, coach?
What? What are you talking
about? What's going on?
Hey. Hey, what i do is none of
your business. is that clear?
Don't take those pads off.
Everyone stay in your gear.
We have practice.
Tonight?
This isn't
very much fun, Coach.
Who said it was
supposed to be fun?
You did, when you
coached the Ducks.
Well, i don't see
any Ducks here, Charlie.
All i see is Team U.S.A.

one loss away from elimination.
Twenty more sprints!
Let's go!
Line up! Come on, let's go!
Line up, Charlie!
Let's go! Keep you here
all night if i have to.
Not my best...
Luis.
Sorry.
All right, let's go!
Team?
Hello!
Hey, guys.
- Hello?
- I canceled their practice.
- What're ya talkin' about? Where are they?
- They needed a day off. Trust me.
i need 'em here
to practice!
Well,
they need to rest.
You've been running
those children ragged.
They can barely stay awake in class.
They're calling you Captain Blood.
i am preparing these kids for
battle. Can you understand that?
We win the gold,
we go on to bigger things.
- Bigger things?
- That's right!
Please!
Gordon, it's a game!
You said it yourself. Games
should be fun. Remember?
- And hold, two, three- - Coach
isn't here. Why do we have to be?
We have a game tonight.
We have to work out.
i say mutiny.
Who's with me?
Goldberg,
i'm too tired to mutiny.

Come on, guys, it's not like we
couldn't use the conditioning.

- Speak for yourself, babe.
- Her name is Julie, not "babe. "
- Don't tell me how to talk, rich boy!
- Hey, Portman, chill!

Hey, you want a piece of this?

Yo, Team U.S.A., what are you gonna
do today, a million jumping jacks?

- This kid's crazier than me. Forget about him. Look, Fulton!
- Hey, chill!

Hey, man,
i'm gettin' sick of you!
i'm gettin' sick of seeing the U.S.A.
represented by a bunch of whining babies.
Too bad you can't back up
that mouth.

Me and my boys can take you
anytime, anywhere.

- i don't see no "boys. "
- i got 'em waitin'.

Grab your gear and let's go play
some schoolyard puck.

- Or maybe you forgot what it's like to play for real pride.
- You got a pass?
- Come on, it's not too far, you little wimps.
- Come on.
- What are you doin'? Get off!. You comin' or not?
- Let's go.

My little brother Russ here has been telling
me that you have been chokin' big time.

Your brother's
got a big mouth.

Uh-oh.

He does, doesn't he?

- Oh, boy.
- We thought we'd call you all to see what you got.

We know you can talk to the
press and sign autographs.

- We can do more than that.
- Yeah? We can teach you to play like the real Team U.S.A.

What would you know
about it?

~Party people ~

You gotta earn every inch.
~ Tag team back again Check
it's a record and let's begin ~
~Party on party people
Let me hear some noise ~
- ~D.C. 's in the house

and do it again!
- ~Let me hear you say ~

Don't mind if i do.

~ Whoomp, there it is ~
Yeah! All right!
Did you see that?
What the heck
kinda shot was that?
- Ah, you like that, huh?
- Yeah.
That's my knucklepuck. it's hard to be
accurate but it drives goalies crazy.
Let's play!
Come on, Danny, come to me.!
Yeah.!
Yeah!
Way to go!
Sweet move, kid.
- All right!
- Aw, you done messed up now. Come here, I'm gonna get you.!
Come here. Come here! Come
here, junior! Come here! No.
i'm just messin'
with you, okay. Listen.
When a guy comes at you
like i just did, you do this:
Stick, gloves...
and shirt.
- Okay?
- Yeah, okay.
My turn.
Stick, gloves,
shirt.
- All right?
- All right.
- All right, you guys,
go get 'em!
- All right!
- Come on, go get 'em. You guys do it, okay?
- All right.!
- Play hard!
Go, U.S.A.
Go get 'em.

This is not a place
for a coach.
So who's looking
after the shop?
We are closed.
First time in ten years.
i saw the iceland game
on television.
- Who was that man in the suit with the wet hair? Was it raining?
- it's a style,Jan.
You looked like
you just got out of the shower.
You came 2,000 miles to make fun of me?
You could have done this over the phone.
On TV, you looked like
a man who needs a friend.
You don't understand.
Gordon...
when i told the Goodwill Committee
who you were...
i did not talk
to them about your good looks.
I didn't tell them
you would win at any cost.
i told them you were a man
who loves the game.
And i told them you were a man
who could teach the kids...
about more than just
winning or losing.
I told them you were
the Minnesota Miracle Man.
And only you
could teach them to fly.
So be that man.
Be that man, Gordon.
Hey, team.! Hey, team.
We're gonna be great today, right?
- Where's Gordon?
- You tell us.
- i don't believe this.
- Team U.S.A. i'm sorry.
Without a coach behind the bench,
you'll forfeit the game.

- But you can't do that.

- We have one.

Miss MacKay.!

Hey, Charlie,

what's up?

You have to pretend you're a coach

or we forfeit the game.

- Where's Coach Bombay?

- Pretend or we're out of the tournament.

But i don't know anything

about coaching.

Here she is, our coach; Coach MacKay.

Yeah.

- Come on, Coach MacKay.

- What are you waitin' for, ice to freeze? Let's play!

Let's go.

Yes!

Face-off at center ice.

Germany wins the draw.

Comes across the U.S.A. blue line.

Germany on the right wing side.

Down to big Klaus Stabias.

He shoots.!

And a save by Goldberg.

Great save by Goldberg.

As Germany is really

throwing their weight around.

Oh! We look tired.

We need to, uh... trade places.

- What?

- New players.

- Oh, say, "Change it up. "

- Change it up.

- Scream it!

- Change it up!

Cool.

- We're late in the period

with a face off coming up.

Look who finally

shows up.

- Just ignore him. Averman,

take the face-off. - All right.

- What do we got to lose?

- Respect. He'll dump us the minute it's all over.

Come on in!
Let's go, come on.
Thanks.
Team.
Guys.
I was wrong.
And i'm sorry.
i forgot about the team.
And the team is all I have.
All I want...
is another chance.
Just one more shot.
i'm back.
Okay?
Believe me.
Together now.
Come on, Jesse.
- Jesse, just do it, man!
- All right, let's go! Flying "V"!
Hall joined by his teammates behind
the Team U.S.A. net in the third period.
They start back out
and they form a "V";
I've heard of this before but I've never
seen it. It's the Flying "V" led by Jesse Hall.
Hall up to center ice. Hall with
it toward the Germany blue line.
Hall
- Shot by Averman. He scores.!
Yes!
i've had a lot of big distractions
since i've been here in L.A.
This is a distraction.
- Nice haircut, Coach.
- Looks familiar. i know that guy.
This is a fire in a barrel.
This is a distraction in a
fire in a barrel. Any questions?
Good job, Coach.
All right!
Wooo!
All right, Coach.!
We've got a lot of work to do. We've gotta
study our opponents and study ourselves.

We have to learn
from our mistakes.
You all have special skills.
Now we have to refine them.
Luis, your speed is a great weapon.
Now you must learn to harness it.
Let's do it.
- Whoa!
- We need to get back to basics.
That's it. Dwayne, hustle. We're gonna
be a lean, mean, fighting machine.
Move that big butt.
Go!
- Hey, how you feelin' today, Goldberg?
- Lean and mean.
Banks.!
Show me something, now.! That's it.!
Good. Good.
Hey, Banks,
let's go!
Comin'.
i'll be right there.
And no matter what, we'll work
together to overcome every obstacle.
- Now just think how you'd play with two good wrists.
- Coach.
it's just a little sore.
i'm okay.
i should have spotted this sooner.
Sorry, man, i wasn't doin' my job.
Coach, i'm fine.
i can play, i swear.
Okay.
Here.
Let's find out.
The other hand.
Now rotate it.
i have to bench you.
No!
You can't do that.
- Adam, you could injure yourself permanently.
- You can't bench me.
i gotta play. All the scouts are
here watching me. This is my shot.

You're young and you're gonna
have plenty of shots, believe me.
But my dad's
counting on me.
I'm sorry.
Hey.
My dad worked a lot
when i was a kid.
So when he made it
to a game...
i wanted so bad
to score 100 goals for him.
i spent half the game a nervous
wreck, my stomach in knots.
That's how i feel.
Before he died,
my dad told me...
that his happiest times...
were watching me skate on this
pond we had behind our house.
He didn't need me
to score 100 goals for him.
He was proud of me
'cause i was his son...
and i did my best.
I'm sure that's how
your dad feels.
i know it is.
Thanks, Coach.
All right. Let's go
get that wrist X-rayed.
Come on.
- That's the way.
- We will work hard and we're gonna succeed.
Nothing will bring us down.
If we fall,
we'll get up and try it again.
Way to get over
on your edge there, Connie!
Good, Portman, good.
Soft hands.
Coach. Coach, i know with Banks
out, we got a roster slot open.
- Yeah?

- You know how I always told you I'd make a better coach than a player?
I did some scouting
for us. Come on in.!

- Russ Tyler. Coach Bombay.

- Hiya, Coach.

Russ Tyler, huh.

Well, Russ,
what can you do for the team?
You never heard
of my knucklepuck?
Knucklepuck?
No.

- U.S.A. leading Russia two-to-one
here in the third period. - Over here.
Russ Tyler, Team U.S.A. 's newest member from
Los Angeles calling for the puck. He gets it.
- it's knucklepuck time.
- He winds up.
He shoots.
He scores.!
Yeah!
- Yeah!
That's my stuff!.
I told him no visitors, but he
wanted to congratulate you anyway.
That's Wayne Gretzky.
Can i shake your hand?
How ya doin'?

- This is The Great One.
- Wayne's fine.
- Say, hockey.
- Hockey!

Powered by a one goal victory
over Russia...

Team U.S.A. hockey advances to the
finals of the Junior Goodwill Games...
where they'll go up against the
top-seeded team from Iceland.

- Coach, shouldn't we have our hockey gear on?
- Yeah?
- Guys, this is our last team practice,
which means- - The return of Captain Blood.
No.
- it means... let's have some fun.

- All right!
- Easy, easy now.
- Whoa.
- Good.
- i love it.
i can skate.
Yes, he can skate.
Oh.
Playtime is over.
We have the ice now.
You and your little rink rats
must leave.
We're right here,
Coach.
The only thing little
was your career in the pros.
Gordon, no,
let's go.
Well, at least I had a shot.
I was there.
You were a disgrace.
All right, team,
we're outta here.
- Let's go, i said! Come on!
- Can you still move on the ice?
Well, please,
play a little with me.
Show me the famous triple deke
your daddy taught you.
Or was it that
old geezer over there?
Marria.
Three bar. First one to hit
both posts and the crossbar.
- Have to take it out past the blue line.
- i know the game.
Come on, Bombay.
Come on!
That's it. That's it.!!
Yeah.!!
News flash.
That wasn't even
my triple deke.
One more post and you go home crying. By

the way, Stansson, you owe me a beach ball.
It's all right.
Get your coach off the ice.
We have to practice now.
Stay back!
Back, back, back.
Live from the Arrowhead Pond
in Anaheim, California...
it's Team U.S.A. versus Iceland in the
hockey finals of the Junior Goodwill Games.
Hi, everybody. This is Bob
Miller along with Jacques Berman.
Nice to have you with us for what
should be an exciting title game tonight.
Coach.
i woke up...
and the pain was gone.
Adam, i'm sorry,
we already have a full roster.
He can have my spot.
it's what i can do
for the team.
Let me do it.
Charlie, i need you on the bench,
+coaching right there with me.
Take a deep breath.
Here we go.
Now the two teams gather
at their respective benches.
In their last meeting,
Iceland crushed Team U.S.A., 12-one.
Heads high.! Stand tall.! Fly straight.!
- U.S.A.!
- All the way!
Wooo!
Wooo!
We're ready for the opening face-off
in tonight's championship game.
Team U.S.A.
against Iceland.
Lester Averman will move in
to take the draw for Team U.S.A.
And off the face-off,
Averman gets knocked down.

Iceland physically dominated
the first game between two teams...
and they'll try
to do it again tonight.
Guy Germaine gets checked down
in the corner.
Behind the net, Goldberg cuts it off
for U.S.A. Here comes Dean Portman.
He's hit hard into the glass
by Gunnar Stahl.
Iceland out to dominate
this game early.
Puck is still in the U.S.A. zone.
There's a shot from the blue line.
Stick save by Goldberg.
Good save.
Held in by Iceland. Goldberg
looks like he got tripped.
Iceland still with it. Back behind the
net. Here's a wraparound by Sanderson.
- He scores.! Iceland gets
an early one-to-nothing lead.
it's all right.
We'll get that one back.
Hey!
Too slow, big boy.
- All right! That's it!
- Don't listen to him.
- That guy'll kill you.
- Well, at least hold me back like i'm gonna kill him.
Come on, man! Let me at him! Let me go!
You want some of this?
Let me at him!
Line change!
Guy, Jesse, Russ.
- You ready? Get out there.
- Yeah.
That's the shooter!
Watch him! Get him!
- There he is.
- There you go. That's my boy!
Cross sticks.
What are you doin'?
Get off me.

Boo!

- Over here, man. Gimme the puck.

- Shooter!

Watch out, boy.

it's knucklepuck time.

Aw, man,

i messed up.

Iceland with a one-nothing lead.

Throwing everything they have at U.S.A.

Team U.S.A. has to find a way

to get back in this game...

because they are being totally dominated

by a bigger, faster Iceland team.

We can't make it. iceland's bigger,

stronger, faster. They got more facial hair.

Banks, you're on.

Hey, be careful

out there.

Sit down. Sit down. Hey, Ref, why don't you

call something? He almost took his arm off!.

- That'll be two minutes.

- Two minutes well worth it.

Get in the box,

you big goon.

- i'm okay.

- You sure?

Yeah. i'm fine. They

just hit the pad. Really.

You'll be okay,

Banks.

Way to hang in there, Adam.

Great playing.

Now the crowd doing the wave, trying

to get Team U.S.A. back in this game.

It may be working.

Team U.S.A. up to center ice.

Moreau to the blue line of Iceland. Drops

it back to Mendoza. Ducks under a check.

Robertson with it now for Team U.S.A.

He's got great moves with the puck.

Robertson still with it. Portman

calling for it in front of the net.

Robertson knocked down from

behind. Iceland will take over.

- Somebody get on him.

- Get him, Luis.!

Here's Luis Mendoza in a
footrace trying to catch Amselik.

Amselik on a breakaway.

He could make it three-nothing.

Mendoza trying

frantically to catch him.

Amselik moving in on Goldberg.

Gets hit from behind.

Taking the puck-

Amselik, Mendoza and the puck

all in the net. It's a goal.

And Iceland leads now...

three-to-nothing.

Show me the Flying "V".

Let's go! Let's go!

Hey!

And here's a four-on-none

break for Iceland.

- Gunnar Stahl to Sanderson.

Wide open net and he scores.

Four-nothing,

Iceland.

And iceland is really taking it

to Team U.S.A.

They are completely

dominating this game.

As we start the second period, you wonder

how is Team U.S.A. going to get back in this.

It's like

David versus Goliath.

Oy, vey.

- You guys wanna ease up a little bit? Just thought i'd ask.

- Come on, guys.

Off the face-off, Averman gets

knocked down by Gunnar Stahl.

And the heavy hitting by Iceland continues.

It's gonna take something drastic...

for Team U.S.A.

to turn this game around.

Party!

Yeah!

Iceland trying to pad their

lead in the second period.
Number 74 spins around.
He's right in the slot.
He shoots.!
And a save by Goldberg.
Kenny Wu picks it up behind the U.S.A.
net. Wu, the former Olympic skater...
weaves his way up to center ice, he's
gonna try and split the Iceland defense.
Get him!
Pretty cool, huh?
Fulton back to Wu.
He shoots.
- He scores.!
- Yeah!
- Yeah! Yeah! Yes!
- Wooo!
Wu.! Wu.! Wu.!!
Kenny Wu...
puts Team U.S.A. on the board.!!
What'd you think of that?
Pretty sweet, huh?
Hey, you wanna piece of me?
Here, take that.
- All right! Yeah! i taught him that.
- Yeah, i know, man!
- Come on! Let's go.
- Take that! What'd i do?
All right. All right. Grim up.
We still got a lot of work to do.
What are you doing out there? Wake up!
- That'll be two minutes, son.
- Two minutes? Well worth it.
- All right, Ken Wu!
- Our little Bash Brother! He's our man!
- Yeah! Get up!
- Come on! Get up!
Hey, you guys, come on, get-
Let's play hockey!
- Yes!
- Yeah! Come on! Yeah!
Yes, let's hear it for the three
Bash Brothers entertaining the crowd.
Yeah!

- Come on!
Let's go, come on.
Fulton and Portman are gonna
get misconduct penalties here.
They're ushered into the penalty box where
they join Wu and they're still going wild.
Now there's
three Bash Brothers.
- Olaf!.
- Ja.!
Destroy!
Connie, be careful out there.
They're gunning for you.
Don't worry.
i'll be fine.
Iceland on the attack again.
Uberjaviik fires the puck in the corner.
Connie Moreau
over to get it.
- Sanderson has her lined up.
- Get out of there.!
Yee-haw!
No, Dwayne!
i'm comin', Connie.
All right!
Get up there! Where i come from,
we treat ladies with respect.
Thank you, Dwayne,
but i'm no lady; i'm a Duck!
- Come on!
- Way to go, you little filly.
i'll get you for th-
Referee taking Robertson
over to the penalty box.
What are they gonna call this
penalty? It's two minutes for roping?
That's a new one on me. We're
at the end of the second period.
Iceland has a commanding
four-to-one lead.
This isn't a hockey game;
it's a circus.
- Did you all enjoy that?
- Yeah!

So did they, because they're still three points up and we're one period away from defeat.

- if we can't beat them, we might as well keep our pride.

- Yeah.

Jesse, that's not pride.

Sure, when Dwayne roped that big oaf, part of me cheered.

But, guys, i've been there.

i know how you feel.

i wanted to cream that jerk that busted my knee when i played in the minors.

And i really, really wanted to go after Stansson for that cheap shot.

But you know what?

My knee will heal.

And if i become someone i'm not...

if i sink

to their level...

well, then,

i lost more than my knee.

You understand?

Yeah.

We're not goons.

We're not bullies.

No matter

what people say or do...

we have to be ourselves.

You.

Who are you?

- Dean Portman.

- From where?

- Chicago, illinois.

- You.

- Guy Germaine. From St. Paul, Minnesota.

- From where?

- You.

- Jesse Hall from Minneapolis, Minnesota.

- Who are you?

- Julie Gaffney from Bangor, Maine.

Luis Mendoza.

Miami, Florida.

Greg Goldberg.

Philadelphia, Pennsylvania.

Les Averman.

Brooklyn Park, Minnesota.

- Fulton Reed. Stillwater, Minnesota.

- That's right!

Russ Tyler.

South Central Los Angeles.

Charlie Conway.

Minneapolis, Minnesota.

Ken Wu.

San Francisco, California.

Connie Moreau.

Minneapolis, Minnesota.

Adam Banks.

Edina, Minnesota.

Dwayne Robertson.

Austin, Texas.

Michele MacKay.

Duluth, Minnesota.

And i'm Gordon Bombay.

Minneapolis, Minnesota.

We're Team U.S.A., gathered

from all across America.

- And we're gonna stick together. You know why?

- Because we are Ducks.

- And ducks fly together.

- That's right, Jan.

- And just when you think they're about
to break apart- - Ducks fly together!

- And when the wind blows hard and
the sky is black- - Ducks fly together!

When the roosters are crowing and the
cows are spinning circles in the pasture-

- Um. Okay.

- Ducks fly together!

And when everyone says it can't be done

- Ducks fly together.

Now, new Ducks...

and old Ducks must unite
under a new banner.

And i thought perhaps
something like this.

Wooo!

Here to start the third period,
what team is this?

It's not Team U.S.A. Yes, it
is. They've got on new uniforms.
They're wearing the logo of the
duck. I've never seen this before.
Yeah! Come on!

I've just gotten word that there is
no rule against changing uniforms.

- Come on. This is ridiculous.

- Well, Gordon Bombay's old team was called the "Ducks";..
and I guess we've got
the U.S.A. Ducks out there now.

Quack! Quack!

Quack!

Go... Ducks!

Germaine gives it to Wu.

Wu back to Germaine.

Germaine slides it to Connie

Moreau. She shoots. She scores.!

Connie Moreau with a lovely move
in front of the net...

pulls Team U.S.A.

to within two goals.

Yes! Yes. All right,

you guys! Way to go!

Team U.S.A. still down by two

goals. Trying to get back in it.

- Shot and a diving save by Goldberg.
- Watch your back!
Averman with it, leads the attack. Comes
right up the middle. Averman lost the puck.
Iceland gets it over Gunnar Stahl.
He's got an open net. He scores.!
- Yes! - Oh, that hurts. The
Ducks trail now, five-to-two.
Okay, Ducks,
take a look here.
- Charlie, this isn't the NBA.
- it's the perfect teamwork play.
Now, cowboy!
Alley-oop, boys.
Yeah!
Wooo!
All right!
Yeah.! Wooo.!
All right!
That's the way,
Dwayne!
Play continues here
in the final period.
The hitting has picked up, but
the Ducks are hanging in there.
However, they're still down by
two goals with time running out.
Bodies flying all over the ice.
The puck is in the Ducks' zone.
Here's Mendoza on a breakaway.
He can really fly.
The speedster
into the Iceland zone.
- i stopped.
- Put it in, Luis!
He scores.!
- Luis Mendoza on a breakaway...
- Yeah!
scores with
two minutes left.
And the Ducks
trail by one.
it's five-four. We are still
in this. Come on, we can do it!

- Russ.
- Yeah, Coach.
- Two minutes left. Can you get your shot off?
- i don't know.
- They're gunning for me.
- Make it happen.
Get off me, man. Get off me!
Time out. Time out. Time
out! Guys, come in. Come on!
Goldberg! Huddle up! Listen up!
This is what i wanna do.
When 56, Tyler's on the ice, he's covered
with three men. Do you understand that?
- Ya.
- Okay. Go!
Go... Ducks.!!
Let's go!
Time running out here
in the third period.
The Ducks with the puck. They're still down
by a goal. They're back in their own zone.
I don't know why they're not moving it
up to center ice. They have to attack.
- The clock is ticking. Iceland with a one goal lead.
- All right! Guy, now!
Here's Germaine in his own zone.
Germaine gives it to Luis Mendoza.
Mendoza goes behind the net.
Starts up on the attack.
Mendoza drops it back
to- to Goldberg?
He gave it to the goaltender
Goldberg. Wait, it's not Goldberg.
- it's Russ. - Here,
take it. - Thanks.
The goalie!
Tyler with it.
Tees up the puck.
- No!
- With the knucklepuck.
- Russ Tyler with the knucklepuck ties the game...
- Yeah!
with no time left
on the clock.

Yeah! That's my boy! That's my boy!
Yeah!
So the championship
comes down to a shootout.
Each team picks five of their
best. One-on-one with the goalie.
No rebounds. Best of
five shots wins it all.
What a way to end it.!

Yeah!
All right!
Yeah!
Yes!
Oh, yes!
Gunnar, you can do it.
Come on.
Go.
Julie, you got the fast glove.
i know this kid's move.
Triple deke, glove side.
Anticipate it and you got him.
- What if he goes stick side?
- He's fancy. He'll go glove.
Don't hesitate.
Let's go.
In a surprise move,
Bombay has gone to his bench.
He's sending out Julie Gaffney to replace
Goldberg. She'll face Gunnar Stahl.
- Go get him, Julie.
- I don't know about this move by Bombay.
Putting in a cold goaltender
to face the leading scorer...
in the tournament.
But hang on to your hats. Here we
go. If Julie "The Cat" Gaffney...
stops Gunnar Stahl,
the U.S.A. wins.
That's one.
Two.
Three.
Ducks win.! Ducks win.!

- Oh, I can't believe it.! The Ducks have come...
- Yes! Yes!

- from behind to beat Iceland...
- Yes! Yes!
in a shootout
in the championship game.!
Nice try.
Bombay, the Minnesota
Miracle Man, has done it again.
Gunnar.
You lost it for me.
You lost it
for yourself.
Let's go shake
their hands.
- Good game.
- Good game.
- Good game.
- Good game, guys.
Good work, Captain Duck.
Thanks, Gunnar.
- Good job, Coach.
- Thanks, Wolf.
We'll see ya again.
U.S.A.! U.S.A.!!
U.S.A.! U.S.A.!!
Ducks! Ducks! Ducks!
Come on, Ducks!
We're goin' home.
- Whoa! Help me!
- You're not supposed to light it on fire.
