Does that mean you want
not go to the ball?
You need to
worry again about something.
What do you think
from a partner?
They said I can
not take care of myself.
How am I supposed responsibility
take over for another?
Exactly!
What?
One Moment ...
Yes? ... No, I'm not doing anything. Oh ...
Yeah, yeah sure it's him?
No, I'll do it, thank you Audrey!

No! Hey, you're a very rude guest
What do you do?
Ok, you think you're very clever, huh?
Did I like. Ok, how's that?
Here we are, come now '!
All right. All aboard
for the washing machine Express.
I'm gonna make you no doors.
I'm too dirty for you?
This means that you and your new, expensive necklace ...
... Can sleep here, ok?
What do you think about?
Good night .. go '!
Hey, I thought you're so smart ...
... 'Let's see how you open the door without a thumb?
As I said, I'm the man,
You dog. I am the supervisor.
No, no, too late! You had
Your chance to behave.
What is now? You are very loud ...
Ok, what is it?
Shut up, I'm working.
Had I merely paying attention in school.
You do not only with
whom you play here ...
Who is your boss?
- Princess! No!
Why did not police fish?
Hear finally on it. What's happening?
Everything OK?
Would you like your baby? I'll get it to you.
Not good at all! Here, I'm sorry.
Detective Dancer, it's late.

Yes I know. I'm so sorry,
but today we were at home 'evening.
We ate and
we looked Housewives, ...
... Everything was good. When we went to sleep,
wanted it in my bed.
So I had it on a
Ceiling pull down the hall.
Then I in the washroom
accidentally bleach ...
... In the washing machine
done and it bleached the thing.
I do not know what's going on,
but she does not stop crying.
Princess to me.
Hey, my baby, you're home,
OK, come on in.
Hey, Princess, good girl.
Nice to have you here.
Princess come, 'her.
You two know each other.
Because, you see? The
comical behavior. What is wrong with her?
Baby, look at me,
whether Princess wants to get out.
Princess to me.
I believe that she is looking for my husband.
Oh, it's so late. I'm so sorry.
I hope I do not disturb you.
No, no not at all.
My husband died.
Oh I'm sorry.
Dancer is in this house.
Let 'to find out who lives here.
Ruby asks if Princess
today is allowed to stay here.
Sure, you can keep from me.
I'll get up tomorrow morning.
Good Idea.
Hey, listen, then,
when I was here, when I asked you ...
... If you ever had a loss
and, I did not realize ...
I'm so sorry.

I did not know your husband but
I've heard nothing but good from him.
He was a good cop ...
- Thanks.
Have you ever found out who it was?
Unclear ...
- Hmm.
Can I get you 'get what? ..
Water? Soda? Tea?
A Tea ...
- Ok.
So what about Princess?
I think she is struggling with
post-traumatic stress.
This is normal after a big loss.
You must really miss him, huh?
Well, she was with Kyle when he died.
These police dogs are trained to ...
that they sacrifice themselves for
their two-legged partner.
I truly believe that they
themselves are to blame for it.
Why can not they live here?
They seem to be happy here.
Yes, and we love them. She is so cute.
It's just, it is not a pet.
She has been a Police Officer.
She needs a job, to be happy.
And you know, I think
she is tonight freaky, ...
... Because when washing her baby,
Kyle's have washed smell.
That was the last link to him.
Seems as though I have much in common and the dog.
We're both crazy.
I do not know, at least when it comes to the dog.
Hey.
Oh. Excuse me, that's my
Emergency telephone number. Hello There?
Yes, Mrs. Corso ok.
We do now again the breathing exercise.
Four times, and four times from.
Can I get a glass of water?
Your mother is on the phone.

I do not know where their water have.
It is in the sink.
Right.
Thanks.
So good night, all right?
Will you tell me a story?
I'm a cop.
I should chase criminals ...
Honestly,
I mean, I do not know ...
Well ... 'let's see.
Long ago, led the
Great Wolf only evil design ...
He was addicted to gambling and drinking alcohol ...
... And that's why he could
not pay his mortgage.
So he set off with the seven dwarfs.
One of them gave him a tip,
that Cinderella ...
... A new pair of glass slippers,
which were very expensive.
I think it was Seppel ...
- I do not think that was so.
Who told here, me or you?
But the shoes were stolen.
But Cinderella knew it was the
bad wolf and she was lucky.
She had a policeman as a friend,
Detective Charming.
Well, he's not the typical Prince Charming.
He gave himself a
little hang, ...
... But he still looks good.
He wears only no cape and tights ok?
He followed the great wolf to
the house and looked through his ...
... Special camera and he saw,
that the shoes were on the table.
He grabbed a megaphone
and shouted, "Bring out the shoes, ...
... Or I arrest you. "
And the great Wolf said:
"First you have to catch me, cop."
Gets Detective Charming

the shoes the princess?
Waiting still.
So Detective Charming knew ...
... He has to go in there,
but he not only did it.
He got support.
Go 'never pure unaided.
The SEK team cruised.
They surrounded the house of the wicked wolf.
They pumped three cans of tear gas into the house.
The Wolf stifled. He came out and
fell on the grass, she slapped him ...
He now sits 3 - 5 years in state prison.
Detective Charming brought the shoes back to ...
... Cinderella and she was overjoyed.
They went to eat something and to the movies.
End, good night.
Ok, ok, good night Mrs. Corso.
Excuse me, some of my former clients ...
... Are a little difficult.
Listen, this Regulation
you have taken ...
... To help me or the dog?
You should ... well, you're Princess's last chance.
She has bitten people, she is moody ...
... And they should be put to sleep.
I know how she feels.
Moment, you know, we must
make even the assessment completed.
You know Doc, in your
To sit Office makes me sick.
Then I do what I can.
You should feel less sick.
OK thank you.
Good Night.
Thank you for coming earlier.
I come into trouble,
if I help you?
Yes.
Is it true you have a six
Types finished with five shots?
Do not believe everything
what you hear, kiddo.
You see, that's what came with me.

What is that?
Hey, you have a bit of
Your friend at the FBI heard?
He says Poochareli is in town.
You have listened to his phone, he meets up with
someone's lunch. I have the address here.
That's federal business.
You have no authority.
It is encrypted.
You need a key.
A Key?
A companion piece of software,
that matches this.
Fetch the Bassett Act.
I need the number ...
... Kenny's girlfriend, Shawna.
I've never been here.
Hey kid, there were four shots.
Hey. Excuse the new look, ...
... But Ruby thought,
it's time for a little change.
You look very unprofessional.
So I thought,
after all the drama last night ...
... We could maybe your
Assessment in the city to carry out?
How about eating lunch with?
Ok. I'll just quickly get Ruby
and you write me where I meet you.
Perfect. Come on '.
So that's what we know so far:
Poochareli is here eating lunch ...
... And buy exactly \$ 3,000,001 bills.
Skanz was beating Kenny and the
Hospital bring ...
... Because of a software.
Since there is a correlation and
if we continue to go about it ...
... We will probably
thereby killed.
Are you in? Me too.
Do not forget it. It was your decision.
Hey Princess, which was a good choice.
That's one of my favorite places.

Sir, dogs are only

There are no exceptions.
I'll handle that. You know,
Whoever sits in front of you?
This is the greatest
Dogs star on the planet.
We turn here with her

I I explain it to you like this:

Restaurant of your choice is.
Yeah, well, I have to restrain myself.
The FBI is after me,
and ticks behind dead dogs.
Irritating, but I can understand ...
... For my part I
a similar problem.
Sir, your dog!
Princess!
Ehm, where was I? Oh yes.
Yes, that does not work.
Sir, are you all right?
Why the unexpected visit?
There was a change of plan.
The deal will take place today evening.
That's impossible.
The money is not finished.
The whole thing boils already.
I get the money tonight.
Or what?
Or no deal.
Do something with this man.
I have a sinking feeling in my stomach.
You expect me to eat this poison.
Look at what it with the
Idiot did over there.
Need anything?
A glass of water perhaps?
Give us a minute?
Just a minute?
Is it perhaps,
allergic to good food?
Let us order.

I just had a
Conversation with Captain Murray ...
... And he asks for your progress.
Well, in this regard
What exactly am I supposed to tell him?
That was Skanz there.
You're right. I'm so sorry.
I ... I did not want ...
Transfer me and
my daughter ever again in danger.
You must take responsibility
to take responsibility for your actions, Detective.
What are you looking at? Here we go.

Who is a good detective?
Ok, look out, the great thing about
a Icee is simplicity.
There is ice and cherry juice.
Ok, Come on ', I'll show it to you.
You'll probably not like ...
It does not consist of
distilled water ...
... And the cherries

have not been previously polished.
Hey, you want to try? Hm?
Ok, here, only a small sip.
That's enough then but.
A bit - Hey, ahh, damn,
You ruined a perfect Icee.
Get down!
Ah, Princess!
Oh, that looks bad, huh?
Just wait, until the boys learn from the cell block, ...

no elite team are.
Oh, you have the guy

So if Poochareli and

Yet another reason for
