Dans la nuit

By Charles Vanel

whereas...

Love, Confidence, Happiness

months pass by...

You can connect it!

...after weeks of separation

and suffering...

After three days... when you

remove the bandage...

After three days... when you

remove the bandage...

but life goes on...

it will do...

he works at night again.

Tonight:

Great Performance!

But life...

Stop thinking... don't refuse...

Come! Let's go away!

You have the right to be

as happy as anyone else.

Come... let's go!

I'll work somewhere else.

We'll love each other.

We will be happy!

We will be happy!

They mustn't catch us!

You promised, we would go

somewhere else!

You promised, we would

be happy!

You can't let me down now!

Yes, yes... it's me!

Dreams are so foolish!

The End
