Some because they did not do anything all day, and feel bored
And the others, because they are with their friends on this day
And then some, because they are alone, it is true
Why am I thinking?
Because you're waiting for someone to
And the person who waited for him sure that he is waiting for me outside
For both of the two soft drinks
Sorry, you forgot something in this bar?
- Are you expecting these young men
- Yes
What can be the name of a strange man like you?
Do me spark my cigarette please?
- You did not ask me about my name?
- What is the benefit of the question
Your kind of girls who change their names on their clothes as Ibdln
Yes this is true.
This is also the fact that he told her the first time to a strange man; ...
... Those are my parents Smonni Anita
I was really very close to the brink of death. But how do you run away?
I survived once again because of this
Badge No. 786
Vijay, come here
Starting from the day you sit in this chair
- Sir?
- Let me relax a little and I have
And you manage everything anyway. So why should I worry?
Remember, Jaychand this happened years ago
Money thrown towards polisher was rejected is picked up?
Yes, I did, I also said that this boy will move the world in one day
Did not prove I'm wrong Vijay really is the boy
There is a call to you from a girl
You are not related to the past three months and how brings you a call like
that?
Training has finished and tied up in Mumbai will come today
I am very happy, I wish I'd see you here when I hope to see you
So why Thrc in your head? Just look and you'll see
Can a police officer Ravi Varma to enter?
Leave me what to do

Why did not you send a letter coming? I thought it was a police officer
You are great! I'm not a police officer for real? I'll be in Mumbai now
- Ziyi soon you will see where Vijay? What can I say?
Since the beginning of his business, did not enjoy a moment of rest
Comes after midnight, barely eating this if it happened.
That even he does not sleep quietly turning in his sleep forever?
- Does money bring insomnia, my son?
- In all cases
Possession of money brings insomnia and lack of ownership brings a deep
sleep
I think that this is Vijay
- Once it has reached? - Just now my mom says that you come home late
Check it alone in this house but I say that the house is looking great
All of this furniture, decoration ... How Tdbernh so quickly?
Become a policeman, right? Take a bath and change your clothes, come on
Well, Sosthm I'm very hungry, so the feet of our food quickly
Vijay, take a bath, too, will eat together - it's officer
All the difficulties that we experienced Tkasemnaha my mother and I and
Ravi
After the walk this long road together, side by side ...
... I have turned away and Ravi aside much
It is a police officer and you and you ...
I'm afraid I do not have to hear that you are afraid to gird Rafi
What do you think about it?
I think you have given me this apartment, this car
I bought me what I can buy accessories from
Even this did not surprise me, but today ..
... Tell me your life story, you really Ahtmtni
Why?
Are you one of those others who share their joys, but do not share their
grief
I am surprised that your participation today worries me ...
... Why has given me this great honor
I do not know why, but I think you're good Stvhemeni
Give me all the information for those who suspect their police
These are their names, but I'm sorry I do not know much about them
One of them is Mr. Davar for the public is the owner of Hotel
This is just a disguise, since the seventeen-year-old ..
Spent a period of punishment for smuggling
I have concealed himself for several years, but now it is the most
respected among the smugglers
There is another man with him.
For several years he was a porter at the port, but these days ..
Have a large garage ... I know ...

... To the garage only to throw dust in the eyes of the law and police
In fact I'm sure that one of the largest partners Davar ...

What name?

There are some other men there are two other

Such as Jaychand Santosh Mehta ...

... Snganya. There are only a small fish in the lake. Here, keep this

Give this file to another officer

- I can not give this particular case

- What?

What happened? Why can not you taking?

Vijay Varma is my brother

He's my brother, sir

I'm sure you will understand my situation sir

For this reason, please submit this case to another officer, sir

I understand your feelings and I also ...

... And I respect Nzahtk for being very straight in this regard

But despite that, I want you to be different in this case

- But, Sir.

- Yes, I want it this way

We have obtained the highest scores in each test was chosen

Today, you stand in front of the largest test, which

... And who rarely faced a police officer. And you evade?

No, sir I can not bypass this test

- I can not forget he's my brother

- Think of it today

If you do not wish to proceed you will need to take another person

But before making any decision of any kind, just remember ...

... That this is a disease which is addressed by a police officer ...

.. Overcoming all personal feelings, as does the doctor

As of today not being a doctor for the surgery itself

But if I said, it will first be thinking today

Pause, stop, or else I'll shoot

Stop wailing, you will not die, I Ospetk in your leg

Tell me, what is stolen

Only for a loaf of bread?

Summoned an ambulance, what is your name? Where do you live?

- Is it possible to enter?

- Yes you prefer, please

- I'm sorry, but did not know we have not met Aliko never

If you're sure you friend Chander

- Are you his father?

- You see

Chander is not in the House

I know and I know, it's in the hospital

Under arrest, police
If you do not mind ..
... I bought several things
What is it?
You did not say who you are?
Well, I ...
I am the officer, who shot your son?
Get out and take this with you Zakat
Left, man of the law my feet a great justice by
Is Aadaltkm just shoot the poor? What did my son?
I stole some bread for his parents, if you are the protector of justice
such as this ..
Go ... and shot them, who, in the store Seapop Soamahm
Shot Oznehm so steeped in the black market
I know that no one will punish them we just called us from the fire
Ikrah of my house, Get out
I would like to apologize
My wife is educated, so it is ... But I have no complaint
Theft is theft whether pounds or 100,000 rupees
Chander, in fact it was not so
Probably not likely to see us starving
But millions are dying of hunger in India, you should all become thieves?
I have nothing against you Whatever you do it correctly
What have you done for your living?
I was a professor in the school? I retired last year
I give some of the lessons
We have absorbed these lessons, such as only some of the teachers houses
- Yes, Ravi
- I'm ready to receive this issue, Mr.
I give Mr. Aggarwal check your tags
Prefer sir
Keep leaves this building with you
Now that the deal was held Can I say something?
You buy the eighth highest you asked ...
... I have taken you much less say please do not opposed to this
- But you can not make deals
- It's you who can not make deals
Even if you requested a 100,000 increase them, we will pay you
Reality? What is special about it?
Twenty years ago when this building was held ...
... My mother carried bricks on her head
Today I am presenting a gift to my mother
What happened to my mother? Why are there so you Ravi?
Vijay, I want to tell you something

Today the police department gave me a list of
It is a list of those who suspect their police ...
... They are involved in smuggling and illicit trade
One of these names you

Do you have anything else to say to me?

- The impact of this paper?
- Why do it?

It says that you intend to become a prosecution witness
You tell them all about your crimes tainted money, and the names of all
partners

I want your signature on this

Do you remember the nights that we spent on this sidewalk. Starving, and we
children?

- Do you sign or not?
- Do you remember ..

... How my mother must work until the congregation Rubitan for her medicine

- Do you sign or not?
- Do you relive memories of humiliation and ostracism?

Vijay, you will sign or not?

Yes, I will sign

But I will not be alone? I will not be the first to sign?

Otherwise, get the signing of the signing of the man who took my father?
Or the signing of this man who was expelled from her mother?

This man, too, which draw tattoos on my arms?

After all that, will sign any paper required me to my dear brother

Not less than the sins of man when he talks about the sins of others
And prove the crimes of others does not alter the fact that you are a
criminal

This fact is the wall between me and you, my brother ..

... As long as this wall exists, we can not live under one roof

I'm checking for this house is now the moment

- Come on, Mom, you can go, but my mother will not go - Come on, Mom -
- I said that my mother will not go
- My mother would go

No, my mom, can not leave me and go

- I know you loved my mother can not leave me I am going
- No, Mom, you do not - Who was this man who made your father's sign?

No one. It is the same man who testified against me and threw me out of
work

And the man who tattooed your name on your arm also was not something

But are you? You're my son, my flesh and blood

How can Toshm on my forehead that I have a thief?

But I did all this for you?. This villa car, money, all this for you?

All this for you after this Ttkirnni??

A real businessman, I understand. Can I tell you something, in spite of this?

Do not try to buy your mother
You have not become very rich even buy your mother
Let's go, Ravi, Come
Twenty years ago, when it was established this building ...
... My mother carried the bricks on her head for the establishment of foundations
Today I offer this building as a gift to my mother
Vijay, Enter now
Make me a drink
- Is there a cigarette here
- In the closet at home
You also wear a sari
This is not a valid This is a dream hold it in my mind
And that a long time since crash
Dreams, the waves in the sea ...
... Crashing on the rocks of the facts of life
Well, Mom, I'm going to the Office
Can you say something?
I do not have the stomach to see you sad if you would like to return to Vijay ..
... You will not mind Soouselk myself there
No, Ravi, I will stay here
With you, did not always ask ...
... Who was beloved of my heart
Will tell you today, ...
Vijay .. I liked more.
But my love is not blind It can be seen ..
... What good work or bad that I did
Ten minutes later, a shipment from the ship had been sent in this store.
- Two minutes later, two trucks Saudaowin have entered, and this means ...
... That the goods will leave the warehouse within five minutes
This phone is dead go and summoned more police
But what will you do on your own? So that the pistol is not Bhozatk
It is better to speed up and I'll wait here
Stay in your place. I Toguena Location
It would be better if you recognized yourself to us
I do not want any bloodshed and that I came here to Oatqlkm
Before I leave ...
If any one tried to leave the warehouse ...
... It will rain soon to take a shot of the outside
So they threw Bmsdsatkm and stand as one
How do we know that there are no police? Shankar Go and take a look

Wait

Why do not you go and you see yourself? Afraid you get shot?

Go and open the door and see abroad

But if you receive a shot, then you are responsible for the death

I'll give you a minute to think about Are You Ready ...

.. To arrest only, or do you want to ...

... To leave this place Kmassab, Kjtp or dead?

Ponder

We are ready to do as you say, the presence of the Inspector

They gave me Msdsatkm

You will also come

- If there is not any police abroad

- If not as well off Vsaisalon

This is also backed by Ravi Varma was the sixth attack him

Within two months also

In our field sometimes wins, police and other times we win

- This does not continue in this way

- But what about work?

I promised these young men that Ozadeh goods, but ...

.. Thanks to Mr. Ravi Varma ...

- If you can not provide us with goods

... Returned to us our money, we can not wait any longer

- Did you see that?

- This is a simple subject, Mr.

Kill a police officer this is what you say Vijay?

What's the use to kill him? Will last

But he probably would not be smart just like Ravi Varma this

Frankly, alone, without any gun is with him ...

... Arrested eight men, armed with

- I still say, sir ...

... Send this officer to his Creator

- Keep this advice for yourself stupid

He said what could he

But he should think about the consequences before you speak

Each police officer will become a bitter enemy who kills a policeman for each

Is this the only reason that makes you not want to kill

There are not other reasons?

- What do you want to go?

- What is this nonsense, what are the other reasons?

Vijay Well, there are not other reasons, tell us

Yes, he's my brother

And that I spoke with him again will pluck out your tongue

Praise be to God, I thought you were coming here in uniform

- I'm not late, right?

- It does not matter

Those who travel by car is always running late

Do you know why Astdeitk to meet here, Ravi?

It is that Tai Game to my house ..

... And against my principles to come to your home

- We can only meet in another place?

- No, not anywhere else, only here

No matter how much you may disagree

Childhood were not separate from each other

Today, when it crashed all the bridges between us ...

... This was the only one remaining

This bridge Who spent most of our childhood beneath

Here exactly

Before I say anything or ask ... This special moment ...

... Who listens to me? Brother or a police officer?

As long as the brother who speaks Vok listen

When he speaks, and the criminal police will listen Vdhabt

We have created a lot of opponents have stopped by here today ...

But tomorrow maybe I will not be able to do so

Moved from here and go to another place

Is the offender, after renouncing dress brother, to say this?

I think that the wall between us is much higher than the bridge

You do not know what can be output from the road Taktoh

The way you chose, you may be the end of scary

But the path you have chosen does not lead to nothing but misery

I've already played all my papers?

Now may earn or lose

But still you have the time Go and look for some jobs

No, my principles and convictions to do so Tmanani

Your principles and convictions that are useful?

All your principles and convictions can not devour the two meals

Those principles that you are ready to sacrifice your life for it ...

... What they brought?

500 rupees is the salary of the job and a rented apartment and pocket

This khaki uniforms, look at the

I am that same boy, and you also have both of us grew up on the same pavement

But see where I left you and see where I grew up

I have a real real estate, villa, bank account ... Car

What do you have?

I have a mother

Hey, wake up, this is the last station the train will not go further than that, I wake up

- Anonymous? What can I say more

- Body was found on a train

No sign his name did not recognize one of the body, thus, unknown

But he was on a train, so sure that he has some baggage

This hub of some clothes and this is also

The third person is a woman named Jamenbadi Forty year-old

You do not write down this?

Corpse not identified

It is not diagnostic

Is this you? How it happened and I came back early today?

Why are you standing? Go and there is no water today

I could not cook as well. Will be imperative that we eat surplus

What a headache I did not even lit fireplace this morning

Is this what it should be it human to die of thirst?

- Mom

- No, no, Mom, do not

Of not less than this, my son

We must do by decree last spark of the Holocaust, where the eldest son?

Vijay, what should I say to you?

Your brother and your mother may forsaking you angry

Every time I told you ... Does not define that interest in

But today ... How can I tell you that day?

- What happened to you today?

- Nothing happens Anita O?

My father died twenty years ago?

Today Mrasmh held, that's all

Can I tell you something Vijay?

Remove this surgery and beauty but will never forget this

Clear if one of these lines from the comfort of his hands, how will change
the amount of

It's not on my arms only, but is also in my heart ...

... Spirit and mind as well.

Thus it is not plastic surgery on the face of the earth learn to remove

This can not be removed, you can not

- After my mother

- Are you a departing son?

- Did you go to the doctor?

- And when I go? - That's it

I do not like such neglect leave all Hzz, sometimes Rest

Concern that eats the heart is no longer present

Now nothing, but the rest I

- You're

- I will tell the doctor on my way

- Will come and examine you here?

- The concern of you, son?
- Is the recording of such calls?
- Yes, come with me

This is a copy of all calls that are made from these figures

- Are you sure it is not losing any call
- Recording device that automatically

A call is made from these figures are running this operating system

- Of these young men?
- Obviously they are not respected young

These days even the smugglers do not work for them on the phone only
Algramyat

Jaychand? Do you have this Aalmadp

- Yes
- Well, exactly at 4:45 pm ..

... Left the hotel (the sun and the sea) car

In a way, at any intersection of men Dindayal ... - Left ten minutes
before.

- Come, O Ravi
- Jaychand made a confession

I want an arrest warrant on behalf of Mr. Davar and Vijay Varma

I have an arrest warrant in your name

- Can I phone the lawyer?
- From police station

Go up to the pocket, he informed the Commander General of Police, I have
been arrested Davar

Now I'm going to arrest Mr. Vijay Varma

No information yet?

Highways, train stations, airports keep tight control over all of these
Vijay Varma sure to be hiding somewhere in this city

So police are sure that Vijay is hiding somewhere in here

This is what the newspapers say at least

Police should not arrest Vijay I am that you must Hold

I promised him, is the one who started the game ...

Sonhiala ... but if I caught the police ...

... How I'll keep my promise?

Bad news, O Vijay

Every police force in Mumbai, haunt me what the worst of it?

It's sick mother in hospital

There are police on every degree you can not access the hospital never

How is your mother today?

Vera, sometimes there comes once in a lifetime.

... When one can not distinguish what is wrong and what is the correct

I am surprised sometimes how to make my son see his mother

Then I also cordoned off the hospital until the police

If Vijay attended to see his mother will be arrested in the case
You know you for, but this applies where the arteries with the blood of my
father ...
... Flowing milk also my mom and brother race also
But after all this, what I'm doing is correct and I find the right thing
Do you know what Krishna said to him?
I know my son know
But the person who heard the gods was someone other than Arjun
Arjun and I'm not, my dear
I think, it's difficult for you to link to the hospital ..
Police suspect that you will link to here They have cordoned off the area
- And my mother? - I asked the nurse. Very serious condition
And I can not be near my mother?
Is no way for that, Vijay
My mother used to say, when it seems all roads closed ...
... There through Ahdo, and today will try this way
Anita, Wait for you here
You should be very happy today
Look, the person who did not climb grades up to this temple today ...
Which did not bend you up to today ...
The person who did not create his hands for you ... Begging you today
You must be a happy day happy day ... That I come
But you know, I have to stand here this ...
That this woman, which weakened her forehead Attabatk ...
That those women who increased her prayers more sufferings
Which had been oppressed all her life, and still, they kept burning lamp.
That woman
This woman today stands between life and death
They defeated you, yes
Defeat it because of you Makto perpetrated?
What is the sin or crime that I did? Do it my mother?
Is it because they bore me? Do you wrong I loved?
What is a crime punishable by because of them?
We are homeless?
My father became a living body. And my mother ...
... Became a widow after her husband and did not ask you anything you
But today I ask for something
Lost in my mother does not punish crimes committed by that
I submit myself to you Do what you want me, but
Prepared me for my mother
Give me my mother my mother prepared me
My mother used to come to this temple every day
We are brothers and we used to go on our way from here
But Msarena will vary very much ..

... I did not know

Before I go home I would like to go to the temple

Well, my mom

- How are you doing now? Fine

Whatever it takes ... Going to give birth this child

I will and I am life. Like my child ...

... And that compares with my life and your life also ...

... It would be better

Marry thee, O Anita today, in the case

After that the police Sostzlm Yes, my dear

If we have a better life for Oldna time ...

- Everything completed
- What is the time you have now?
- 9 am

The boat had been hired and we all must be that we have left this place
By tomorrow we all will be miles away from this place

You all just go

I come from a place as remote as is the case must go back now

Do not leave me and go, my love, I'll be lonely, alone

We have thought many things in a short time ago

Our child, our house

Ahoudni strongly strongly strongly

I'm scared what might you do?

I am .. Did not tell them something ...

Anita No, no ..

Samant

Samant I want? Where is it?

What would you say? Are you sure it was Vijay Varma?

All this proves that the gold meaning house Samant

Will obstruct house Samant

Police today certainly will find on Vijay Varma

Any price

- Staten Mbarkii to my mother?

- Of course I'll come, my son

Perhaps God, not shaken hands when they shoot him

Are you going?

Yes, the women's duty

Now the mother considered her son

Who is this? The hell are you?

You, why are you here?
I kept on when your distance is not near me
Come up with your men, and you all of you, surrounded the building
Police had taken your
You have no way to escape him yourself to the police
Peace yourself
Stop, my brother, otherwise I'll shoot
Perhaps God, not shaken hands when they shoot him.
- Staten Mbarkii to my mother?
- Of course I'll come, my son
Pause, stop, Vijay
I have come, O my mother, Otren? I'm here
