# Deewane

By Unknown

"O my heart"  
"Tell me"  
"Is this love?"  
"My love..."  
"tell me only so much..."  
"what am I to do?"  
"Nowhere can I find my peace"  
"O my heart"  
"Tell me"  
"Is this love?"  
"Oh what pain is this?"  
"Oh what dream is this?"  
"Oh, what strange thirst is this?"  
"A strange rhythm my heart beats..."  
"overwhelms my emotions,  
oh, what feeling is this?"  
"I am awake, yet in slumber"  
"Oh what am I lost in?"  
"O my heart"  
"Tell me"  
"Is this love?"  
"My love..."  
"tell me only so much..."  
"what am I to do?"  
"Nowhere can I find my peace"  
"O my heart"  
"Tell me"  
"Is this love?"

Nandu. We found him dead.

Come, take a look

Killed this one too?

He was to have exposed everyone

Sir, a message for you. It's important.

We found it in his pocket

Nandu has gone to hell. The police

should've recovered his body

And the videotape he was using

to blackmail you, is with me now

Yes sir, I'm bringing it over

Where's Jimmy?

Do you have a licence for this thing?

Police?

I think you're smart

Shall we go, see Jimmy?

Yes darling, I'll marry both of you  
Two weddings, two honeymoons  
Get going, move it  
You're the one who has been licensed  
to run this casino  
But you don't look like  
you're the real owner  
Tell me, what's the name of this man  
who uses you as a front...  
for these rackets?  
- Rackets? No sir  
It's only gambling here.  
Look, take a look  
Nandu mentioned your casino  
in his dying declaration  
Well?  
- This is an upmarket club  
No limits on the stakes.  
You can play too, sir  
Go on, play.  
It's all free for you  
Come on, let's play the game  
at the police station  
Over there, it's all free for you.  
No limits  
Punches, kicks  
What are you hiding?  
Tape, sir  
What's in the tape?  
Just a recording  
...of the club  
Get lost!  
Boys, kill him!  
Getting worked up in your old age  
is dangerous, Daddy  
You're the one who's old!  
And you are my father!  
- And this is your mother...  
and I'm romancing her!  
Step mother.  
- But she's so nice!  
Lekhraj darling, you see what  
your sons think of me?  
The dresses you wear, you know

He's jealous of me.  
He's a bachelor. Just jealous  
For all those who marry twice over,  
there will be some left bachelors  
Many famous people have  
two wives, yes baby?  
Brother...  
We sport the same hairstyles.  
- Yes  
We sport the same looks.  
- Yes  
We sport the same everything.  
- Yes  
Then why not a woman for me?  
I too am rich  
Because we don't have the same brains.  
Besides, you aren't rich. Get lost  
All this tension makes my hair  
stand on the edge!  
Why worry? Jimmy just said  
he has the tape  
Relax.  
- Blast that tape!  
Are you trying to light a fire  
under my backside?  
Uncle, that was just a sample.  
Good for you, you never took...  
the other chair!  
- You know what'd happen?  
What?  
- Watch!  
You morons, are you trying to?  
You can sit on it.  
No more bombs in it  
You'll drive me nuts!  
This Jimmy always brings bad news.  
- Let's plant a big bomb under him  
That'd be the end of Jimmy.  
And the end of bad news  
Shut up! All the time,  
you fellows are doped  
Get to work. The consignment of bombs  
and arms has to be despatched. Go on  
Sir, bad news

What happened?

Vishal got his hands on the tape  
Destroyed my casino... killed  
200 of my men; the rest arrested  
I'm not letting you get away  
with this alive!

Not even our teamsters have seen  
our real faces... and Vishal knows?  
Listen to me, sir... I threw the tape  
into a fire... maybe it's destroyed  
That means we're saved!

Don't try to mix violence and romance!  
Son...

Don't you touch her!  
Which means that Vishal is going to try  
to rescue the tape!

Vishal, this cassette is badly damaged.

- That's why I've brought it to you  
You can fix it.

Yes, using computer graphics  
But it's going to take time.

- Time is what I don't have  
And I'm sure there's a secret  
hidden away in this tape

I'm proud of you!

You've proved it once again!  
In my thirty years of service,  
I haven't seen a more gutsy officer  
You are an example for the entire  
police force. You are unique!  
You've practically stamped crime  
out of the city

No sir. One syndicate still remains  
But very soon, I'm going  
to arrest them

I've uncovered the first links  
Mummy, give me a cup of tea

- No way

Then, let's have coffee.

- Upto your antics again?

Doing those dangerous things?

The commissioner has put me on a desk.  
He's making me work like a clerk  
Really? And what's this, dear brother?

Why Vishal, why? Enough is enough  
God has given us everything  
we could ask for  
Mummy...  
You know very well why  
I joined the police  
Yes, your father was kidnapped  
for ransom and then killed  
But that doesn't mean that you have  
to go around risking your life and limb  
In the end, those criminals  
were killed, weren't they?  
That's just why this fire  
can never be put out  
In every criminal,  
I see my father's assassin  
Mummy, let me do what I'm doing.  
It gives me a lot of satisfaction  
You do have a way with words  
when it comes to your mother...  
and it's about the same you do  
to criminals... you break them in  
All right, you have your way.  
But don't play with your life  
Nothing's going to happen to me.  
- Mummy, just get someone...  
to take care of my brother,  
and he'll start being careful  
Yes Vishal. You should get married now.  
- Do you think she's going to say yes?  
He has been making her cool her heels  
since five o'clock  
What do you mean?  
Coffee cancelled! I'm taking Sapna  
to the movies. The 6 o'clock show!  
What an outstanding brother!  
He bashes everyone up...  
today, he's going to get bashed up!  
- Hush!  
It must be nearing the interval by now.  
- Don't you add fuel to fire  
There he is... he's here!  
- All this while, she was waiting  
Now that he's here, off she goes

to her bedroom

Coming

Late again, son?

- I was busy chasing thugs

Come with me one of these days.

You're going to enjoy it

Not dangerous, is it?

- Not really

Only you have to drive

at a hundred or two mph

Come an accident, one ends up

with a minor bruise or two

Minor bruise or two? No problem!

- Sometimes the thugs shoot at you

You might take a bullet or two.

- And sustain minor injuries, no?

No, it might cost you a life or two.

But you could get killed...

while crossing a road, right?

- That's why I don't venture out

After you're done with wrecking,

come downstairs

Is Sapna still in a rage?

- Better be wary of women

But don't you tell them that

Try it out sometime.

- Sure! Good tip

Dhanwanti!

- What's it?

Cook up some fries!

Cook yourself some

Doll...

Don't you use my pet name.

- So you're cross

Do you know how to make up?

- I'm not upto the mark in making up

Why don't you fix your mood yourself?

I want to go to the disco. Come on.

- Discos are for kids

For grown-ups too, for those

who are still hot-blooded

Sapna, I don't know how to dance.

- Just do it once with me...

and you'll forget how to walk!

Come on  
If he won't,  
come with me baby!  
Let go!  
- Will you do that ever again?  
Leave me, please!  
What's come over you, Vishal?  
- If anyone even looks at you...  
it sets my blood to boil!  
I'm hot blooded, baby  
Well at least you pass on a bit of  
the warmth to your thugs. Lucky thugs!  
Why not me?  
Flatter me  
Tell me a couplet  
Couplet?  
"You are as pretty as the full Moon"  
"By God, you are..."  
"Beyond compare"?  
No, give me something original.  
The thugs I spend my days with  
don't know a thing about poetry!  
Never mind. I'll teach you some.  
Look into my eyes  
Done  
Now tell me, how much?  
What?  
How much you love me, Vishal!  
"Much as you love me,  
just add another ten percent"  
I don't want to dance!  
- What's up?  
I'll work up a couplet  
that's going to make you swoon!  
Two tight slaps, and  
he'll spill everything  
Rane, your stick  
isn't hard enough anymore  
I'm coming over  
You said we'd have dinner together  
Sapna? Back so soon?  
Time for the fireworks!  
Darling, this reminds me of our days!  
Just go and sit over there

Tyrants never change  
Why don't you talk to Vishal's mother  
about the wedding?  
How could I? I'd be tongue-tied  
Tongue-tied?  
This isn't your marriage.  
I'm talking about Sapna  
Once they are married, Vishal will  
get over his obsession with work  
And he's going to become henpecked.  
Just like me  
What did you say?  
Is there something to eat?  
I'd put on weight  
I'd still go hungry.  
But I guess, it'll have to do  
Sister...  
What's this "love" thing?  
Love? Part of living on thin air.  
And you get to eat nothing  
No  
It's a world of dreams  
What... and what?  
Love makes the heart beat  
And only one name matters  
Really? What else?  
How time flies when you're with him  
...you never know  
And?  
You only wait and wait for him.  
And you like nothing else  
Love takes you to a heaven!  
- One smack...  
and you'll come bouncing back to earth.  
- Why, what's wrong?  
You're reading one too many a novel.  
It happens only in stories and movies  
Nothing of that sort happens!  
Besides, Nimmo...  
Come on, go back to your studies.  
- No!  
Tell me something.  
- What?  
What do you like about Vishal?

You know, love is dying for  
a gallant police officer...  
who dumps his girlfriend  
and off he goes to see a thug!  
Sister!

- Nimmo!

Yes?

- Studies!

Where's your brother?

- Well, he's...

So at last, you remember us!

You never drop by.

So we thought we'd come

Why should he come to see us?

Why, what have we done?

What scares my uncle is the fact that

Vishal works for police intelligence!

Is uncle hiding something?

I'm so straight, I've never married!

- Do you mean to say I'm a thug...

because I married twice over?

- Lekhu darling, forget it

By the way, you haven't thrown

a party for your second wedding

I will! But you'll have to come home.

Say, when?

Uncle, I've found evidence against

these thugs I'm chasing

In a few days, they're

going to be exposed

You and I will have our party once

they've joined the chain gangs

Where are you off to?

- The police conference in Shimla

Excuse me, where's this Anand Hall?

- That way

That way?

- Yes

Thanks

Look, I'm hassled as it is.

Why are you following me?

Get lost!

Get going

This one has a tummy-ache

He swallowed a funny bone  
Now he's a vegetarian  
I don't see patients  
standing on the road  
See me in my dispensary  
I'm going to Anand Hall.  
Pooja has called me over  
What's he... some animal?  
Hey, what was that direction again?  
- First, are you human or animal?  
Strange! Don't you have eyes?  
I'm human. And my name is Okay  
Can't you see?  
- You look more dog than man  
Did you call me a dog?  
- Yes, dog  
You called me a dog!  
- Yes!  
Forget these humans  
We'll take you to Anand Hall  
Dogs are better than you!  
Get lost  
Son of a gun!  
Come on... Pooja!  
What would you like?  
Something hot, cold? Coffee, tea?  
Anything!  
Now I know why you called me over  
...for a dance, no?  
Turn the music on!  
- No, I didn't call you here!  
You just told me to dance!  
- Pooja, I haven't invited him  
She just told me, dance!  
Now she says no?  
Oh yes!  
Back?  
You just told me, dance!  
- I didn't  
"Okay" is his name  
They want me in!  
Who called me... who?  
Why is your name Okay?  
- That's a long story

Before me, my mother gave birth  
to umpteen kids...  
some crippled, some crooked,  
some cracks, some crazies  
When I was born, the doctor took  
a look at me, and said "He is Okay!"  
Ever since, I've been Okay  
Okay, come here  
You want me? Coming  
Why did you call me here?  
- Where's Arun?  
No idea.  
- Meaning what? I must see him today.  
Come what may, get him here  
before the show  
What a show! Had a girl showed  
as much interest in me...  
I would've sat at her door  
like a dog!  
I have to look for him  
May I have a game?  
This being the only table  
with an empty chair...  
Haven't seen you here before  
Arun. That's my name  
Arun who?  
Are you asking my family name?  
I don't even know who my parents were  
Sonofabitch! Here to make money?  
Get up, and get lost  
Don't use foul language.  
- Why not?  
It scares me  
As far as making money is concerned,  
I'm willing to lose...  
for the first half-an-hour.  
- Great!  
Look at our watches. But after  
half an hour, it's me and my luck  
Forty minutes, and still losing?  
Forty minutes!  
Why didn't you tell me earlier?  
Tell me something. How did you  
start winning so suddenly?

I kept losing for the first half hour,  
because I was studying you fellows  
When you get a bad hand,  
you start picking your nose  
You play with your scarf,  
and you take a long drink  
And you... when you get a good hand,  
you start wringing your hands  
And she starts smoking  
Now, in which book is that  
a rule about gambling?  
We're going to deal again.  
I wasn't concentrating  
Your name?  
Sheroo  
Sheroo who?  
In this locality,  
I'm the don  
And I have a couple of guys  
I want to kill  
So I kept thinking about them  
Get it?  
Sheroo... you?!  
Pass the cash  
Stop. First, we collect  
Yesterday, he used the same ploy  
to win against us  
Look Baldie, put that gun away.  
- No!  
Put that gun away.  
- No!  
You know how I react to guns!  
You know how I react!  
Pick him up. Move it!  
When I see a gun...  
That knife!  
It's just a knife!  
Only a little toy!  
I was only joking! The money  
is all yours... take it!  
No, I'm scared.  
You're going to hit me!  
What a thing to say, brother!  
The money is yours, yours!

Take it!

Serious?

- Absolutely!

Lay off man!

- Moolah?

Back to your tricks?

- No. It's a new style

Hey guys!

That baldie has ended up in hospital.

- You beat him to pulp

He had a real gun! It could've

gone off, and I'd be done in

Keep this.

- Hey, some for him too

Let him have 2,000000 extra

- All right

See you

Same time, same place tomorrow.

- Sure

What's this new angle?

- Lay off man. But where have you been?

I'm taking you where I've been. Come

But...

- Lay off man. This is my style

Here you are, Pooja.

I brought him along

How could I not come?

You called!

I can see it in your eyes!

- Have you taken to poetry?

Thanks to your company. Besides,

I'm your fan as far as poetry goes

Before you start badgering me

for a recitation, I'll leave

No!

- Where are you going?

I got work to do.

- I've asked you so many times

But you never tell me

what you're up to

He has told you so many times.

Only, you won't believe

Tell her.

- I steal

Joking, again?  
And what do you steal? Hearts?  
- Were it saleable...  
I'd steal that too  
Say it's saleable.  
Whose will you steal?  
Dream. I have a dream  
Someone you dream of?  
Yes. And I'm going to steal her heart  
Have you ever met her?  
Haven't even seen her  
What if you never find her?  
- Matter of luck  
What about mine?  
I'm off  
Arun, where are you off to?  
Tonight I'm singing the song you wrote  
And I don't know the lines properly!  
That's why I called you here, Arun!  
You'll remember the lines  
as you go through the song  
Is this song necessary?  
"Ensnared in the web of love"  
"When Cupid's arrow strikes deep"  
"Ensnared in the web of love"  
"When Cupid's arrow strikes deep"  
"Try as much as you,  
to hide your eyes"  
"Eyes will meet"  
"Own up, or tell a lie"  
"I always accept what you say"  
"I don't want him to be cross with me"  
"I'd rather be his slave"  
"I'm caught in a web of love"  
"On my say-so, you should be ready  
to forsake everything"  
"The way I like you"  
"You will have to become"  
"Ensnared in the web of love"  
"When Cupid's arrow strikes deep"  
"My love"  
"The girl of my dreams"  
"The one in front of you,  
the one you should see..."

"you never see"  
"The gold you're digging for, you've never found, yet you look for her"  
"He's mad"  
"He's crazy"  
"How do I make him realise?"  
"Love is toxic"  
"Love is madness"  
"Love isn't for everyone"  
"When it happens, it happens.  
It listens to no reason"  
"Unless it comes to happen,  
it never happens"  
"Were it not to have been,  
nothing would've been"  
"Ensnared in the web of love"  
"When Cupid's arrow strikes deep"  
Vishal, we're hoping for the day  
when you'll be transferred here  
Once I've cracked this crime syndicate,  
I'll take a transfer over here  
Did you notice that?  
Tonight?  
- Tonight  
Take care of the lights.  
- You take care of the heist  
Get him!  
Hand him over to the police.  
The thief! He was trying to get away  
From what Vishal says, it's clear  
that the cassette has been given...  
to someone for retrieval. If Vishal  
returns to this city, we are doomed.  
Now, are you going to stand and stare?  
Go and kill him!  
Vishal isn't getting away alive!  
Where violence ends, romance begins!  
Will you treat me to your grapes?  
How was Shimla?  
So what are you doing here?  
- Strange!  
We're here for your wedding.  
- We're headed directly to see...  
the priest. For finalising the date.

- Son, you're willing, aren't you?  
If I refuse, Sapna will break my bones  
Some images on tape are being digitised.  
But I don't recognise the faces  
Maybe I will be able to make out.  
I'm coming over  
Why don't you come along with us too?  
- Oh yes, come along  
One minute! Have you asked Sapna?  
- She's right here. You ask her  
Go on  
Doll, will you marry me?  
- No pet names, at least not now!  
So what do we do?  
When did I say no?  
Something strange happened in Shimla  
There was a thief in this hotel.  
When I flashed my torch in his face...  
he turned around.  
His face was exactly like mine  
I have to tell you about this  
faceless syndicate  
Before he died, Nandu gave me  
some important clues  
What kind of clues?  
A video cassette. I'll get my hands  
on it very soon. The contents...  
What happened?  
Vishal, you were saying something?  
Just tell me Vishal is alive!  
- Yes, he's alive  
But barely alive. He's in coma  
When, if at all, he might come  
out of coma, cannot be said  
No one gets to know what happened  
to Vishal, and what state he's in  
If word gets out, there's going  
to be blood on the streets  
Nothing's going to happen to Vishal.  
He'll be fine. My heart tells me  
I appreciate your sentiments,  
Mr Commissioner  
And miracles do happen. But it's only  
one in a thousand who survives a coma

With Vishal's death, gang wars  
have broken out in the city  
There's fighting all around  
Let it happen! Wipe out the small fry!  
Set the whole town on fire!  
Despatch the consignments of arms.  
And don't worry a bit  
If the cops get in your way,  
blow them up  
Why are these riots happening?  
What is the police doing?  
Do you have anything to say?  
You have to say something!  
Vishal's mother on the line.  
She wants to speak to you  
Tell her I'm in a meeting.  
I'll return her call later  
How long am I going to conceal  
the truth about Vishal?  
Tomorrow, I'm telling his mother  
the truth  
Where's Vishal?  
- No, don't get up  
If something is amiss, you can tell us.  
We can take care of the lady  
Nothing of the sort.  
I just spoke to Vishal this morning  
Meaning, he's all right?  
Yes, he's fine, isn't he?  
He's fine, isn't he?  
- Yes, perfectly all right  
He's fit and fine  
It's just that he isn't allowed to call  
anyone for reasons of security  
Not even you.  
- When is he going to be back?  
It's going to take time. But I'll try  
to bring him back soon enough  
Please take care of yourself  
Goodbye  
Please keep us informed about Vishal  
- Sure  
And us too!  
- Right

Thanks a million, Lord!  
I must go to the temple  
Oh, brother!  
- Not to worry  
Even God is laughing at him.  
Vishal is with him  
That commissioner told lies.  
- But why?  
For the sake of this old hag.  
News of her son's death might kill her  
"Something strange happened in Shimla"  
"There was a thief in this hotel.  
When I flashed my torch in his face..."  
"he turned around.  
His face was exactly like mine"  
Book me on a trip to Shimla  
So what's your decision?  
For a million, I'm even ready to die  
Now even the commissioner  
isn't in town  
I think he has gone  
to bring Vishal back  
I've run ten kilometres!  
- Five more to go  
I can't do it  
One million!  
What else is he going to make me do  
for one million?  
Unless you drive properly,  
how are you going to play Vishal?  
Till yesterday, I was running  
from police cars! Now you got me...  
sitting in one.  
Takes time, doesn't it?  
Arun! Careful!  
Lay off man!  
No, Papa isn't here.  
Please call later  
Sister, you thought it was Vishal?  
- He keeps taking such risks  
At least, he should call.  
One worries...  
I've told you everything  
you need to know about Vishal

I think you are now capable  
of standing in for him  
Arun, what's on your mind?  
This bag, sir. I haven't even seen  
a million. I wonder how it looks...  
You don't touch it till I'm through.  
- Lay off man!  
No Arun! Don't you touch it.  
- But how could you know?  
I can watch you through this mirror  
It's time I told you  
about Vishal's family  
Sir, Sapna wants to see you.  
- All right, send her in  
Arun, you go in there.  
- But...  
You get in there fast!  
Welcome  
Sit down  
Would you like something to drink?  
- I'm not here for drinking  
I want to...  
- I know, Sapna  
Sapna, say nothing!  
He's coming tomorrow  
Really?  
- Absolutely true  
Are you promising me that  
he's coming?  
Promise. Maybe even tonight  
Now that's what you call coincidence  
I was just about to brief you  
about Vishal's family...  
and here comes Sapna.  
She's Vishal's girlfriend  
Vishal's girlfriend?  
Sapna?  
Etch that face inside your head.  
You'll keep seeing her  
I'm afraid you might get caught  
in the act  
Yes. I know nothing about Vishal's  
relationship with Sapna  
She mustn't get to know that

you aren't her boyfriend  
Are you still lost?  
I see. Not until you've  
seen the money, right?  
Vishal is right in front of you.  
Tell me, what do you want done?  
Brother!  
Why is uncle screaming?  
Stop eating her grapes!  
Look at what's happening!  
Are my grapes sour for you?  
Television! It's ruining us!  
- What's up?  
Watch what's happening on tv! Quick!  
Hurry up! Come here  
Look!  
No Daddy. This was recorded earlier.  
- No! It's showing live!  
Pronounced live.  
- Whatever. But our lives are at stake  
It's showing on every channel. Look!  
Who's responsible for the growth  
of crime in the city?  
Where have you been all along?  
Do you feel responsible  
for the spurt in crime?  
As much responsible as you are.  
- What do you mean?  
What you wrote about me drove  
the gangsters into their foxholes  
I had to go into hiding  
to draw them out  
I've been successful  
in my mission  
They have come out in the open, and  
I know each and every one of them  
All I have to tell them is,  
come to the law, and confess  
Else...  
What happened?  
- Uncle, are you all right?  
He isn't about to spare us!  
He's going to kill us!  
You morons! Whom did you kill instead

of Vishal? I can't bear this!  
Dad, this I don't understand.  
I shot him myself  
What's that? His ghost?  
How many times have I told you?  
Don't work when you're doping!  
If you killed him,  
how come he's alive?  
Now that you're here, you should  
give up anything that was Arun  
In there, there's a mother  
waiting for her son to return  
And that son, you are  
Orphans have no relations  
What mother... what sister?  
I've never known these  
I'll give you a signal  
every time you slip up  
Come  
Look who's here!  
Where do you get away... no calls,  
no news! You know what happens to me?  
Brother!  
My brother!  
You mad girl!  
Promise me that you'll never  
leave us again! Not just this!  
Make me a promise!  
- All right. I promise  
I will never leave you.  
- You must make a promise to Sapna too  
You know how much she missed you?  
- Make sure you see her today  
Mummy, today...  
No, son. You don't make someone  
pine like this  
Sapna! Look who's here!  
Good you're here!  
We were dying to see you!  
Where have you been?  
- Home comes my warrior!  
Welcome! Sapna is very angry!  
How about helping me?  
- Help?

Have you forgotten what you told me?

- What I told you?

I don't quite remember.

- Don't quite remember?

My lion turns henpecked! How come?

- Uncle, for women, use poetry

Poetry! What's the matter with you?

Are you all right, son?

I was joking.

- Joking!

Get upstairs, and knock

And don't you show you're scared!

It's nothing

Nimmo, what city in India doesn't have  
long-distance calling nowadays?

I was just asking. I hear the rates  
are halved after seven-thirty pm

**Yes! After 8:**

are one-thirds

I also hear that after eleven,

the rates are one-fourths

But there are these misers who

can't even make a phone call

Forgive me. I couldn't make calls

because of security reasons

Is someone telling me anything?

Will someone ask him...

whether he's taking me somewhere?

- Go on. Get going

Won't you ask me if I'm cross?

- Cross?

Yes, I'm cross. Won't you ask me why?

- Why?

Because I know that you love me,

but you're married already!

Married? To whom?

To your job

How about a divorce?

What?

Whatever comes in the way of my love  
is dispensable

What's come over you?

What are you saying?

Have I said something wrong?  
Tell me, are you drunk?  
Been ages since I saw the bottle.  
Besides, I'm not drinking anymore.  
The trip just happens  
I thought you've changed  
But no!  
Thank God!  
Come off it Vishal!  
Back to the hotel?  
But this is where you and I  
come always  
Oh yes. Shall we?  
- Come  
What's wrong with this one?  
- You nearly killed him  
Let's go  
- Let's?  
Vishal, I don't know why you don't come  
to the disco. You dance well enough  
I sing well enough too.  
- What?  
Just joking  
Let's eat  
What will you have?  
What will you have?  
- I'm not hungry  
I get hungry every half an hour.  
Strange. Why am I not hungry either?  
I've had my fill of love.  
- Where did you learn...  
how to talk like that?  
Did I say something wrong again?  
Keep saying the wrong things.  
They sound nice  
No, it's nothing  
I've never seen such intensity  
in your eyes  
Where is Arun?  
Chavan, some police commissioner has  
taken him away. I got to know it...  
from my dogs.  
- I have a lot of money...  
left over from my shows.

We're going to find Arun  
What about my patients?  
- You'll find dogs and cats everywhere!  
What kind of a friend are you?  
Don't you care for friends?  
Not that. In friendship, I'm more loyal  
than a dog. I'll hunt Arun down  
Vishal! What's up? How come you're  
calling me now... during the day?  
I haven't much work to do.  
So I called you  
Not much work... for you? Where  
are all the thugs in the city?  
They're mourning my return. Besides,  
what will change for the better...  
even if I go hammer and tong?  
So, better than waste my time...  
why not take you out?  
What?  
What's happening?  
Are you listening?  
Yes, I'm listening Vishal  
I just can't believe you're  
the same old Vishal  
Why?  
Yesterday you took me to the disco  
for the first time!  
You even switched off your mobile  
Now you're calling...  
to say that you want to take me out!  
What's come over you, Vishal?!  
I don't know, Sapna  
...what's come over me  
Listen, stay ready  
for seven this evening  
Stop daydreaming. He's apple-polishing  
because he's back after so long  
I'll bet he's going to take you  
to your favourite haunt these days  
What's this place?  
A rose for a rose  
This place and these people  
you will remember forever  
Coming?

Stop, stop!  
Big brother is here  
Nothing sir! Just jesting.  
- Hide that! We don't have a licence  
It's nothing sir!  
- Not to be afraid  
I'm not here to bring you  
to your senses today  
I want to get drunk today  
Drink up! You'll enjoy yourself,  
just like I'm enjoying myself  
For the madam.  
- Enjoy... what?  
Hey, take care of him.  
- Come on, why worry?  
What about you?  
- No!  
It's orange juice.  
- No, I don't drink!  
What are you saying?!"  
"Those eyes"  
"This fun!"  
"The eyelids..."  
"mascareaed"  
"This hair, this fragrance,  
these bracelets, these anklets..."  
"Out of this earth!"  
"Those looks"  
"This style"  
"The killer looks"  
"My lover..."  
"this madman"  
"My passions..."  
"and my love"  
"Out of this earth!"  
"What is a lover?"  
"One who loves you"  
"Who is a poet?"  
"One who writes poetry about you"  
"Have you gone mad?"  
"Or are you trying to work magic?"  
"Oh magic, this magic!"  
"Oh, such colours!"  
"Such glamour..."

"of youth"  
"My heart, my love..."  
"My lover, my friend..."  
"Why are you so changed a man today?"  
"What can I do? No reason works"  
"The heart won't listen"  
"Oh yes, it won't listen!"  
"These waves"  
"These seas"  
"These winds"  
"This season"  
"This party"  
"This song"  
"This revelry"  
"This ambience"  
"Out of this world!"  
I wanted to tell you that  
Vishal is improving  
No, I won't raise hopes.  
But he whispered a name  
Name?  
- Some girl  
Sapna?  
- Yes, maybe  
You mean, now he's...  
- No, no  
Nothing can be said as of now.  
But as long as he lives, hope lives  
"O my heart"  
"Tell me"  
"Is this love?"  
Sister...  
What gives? You look bright today  
Is it the fairness cream?  
Just a dash of love!  
It's as if I've fallen in love  
with Vishal once again!  
Don't you envy me  
Sister!  
Let me have your luggage.  
- Never mind  
This is a police station.  
Not a railway station  
- That's just why...

What?

- No, I've full faith in you!

Come

We're from Shimla. We're looking  
for a friend of ours. Arun

Arun... who?

What with so many people you arrest,  
maybe you don't remember

I don't...

- For us, he's a source of income

Ever since he has disappeared,  
we've been going hungry

Look, I'm telling you...

- What I'm telling you...

Arun isn't that type

Please let him go

I beg of you!

What's your name?

- Okay, sir

Damn okay's, what's your name?

- Okay, sir

What are you okaying?

- My name is Okay

I see, your name's Okay?

- Yes sir

Thank you for calling me!

Look Okay, you've got it all wrong.

This friend of yours...

what's his name?

- Okay...

Damn it! Not yours.

Your friend's name

Look Okay, I don't know your Arun.

Nor have I brought him here from Shimla

Get it?

You don't trust me?

- Not that sir

Please, don't mind this, but  
as for policemen, you can't quite...

I can't quite say it!

You understand, no?

I'm the police commissioner.

You think I'm lying to you?

Nothing like that, sir. But people say,

the higher up they are, the worse...  
I can't quite say it!  
You understand, no?  
We have a huge jail here. And there  
are lots of vacancies in there  
If you mention Arun ever again...  
I can't quite say it!  
I can understand, sir  
I'll send you to jail! Get it?  
Jail me, if you will! I'll ask  
a hundred times where Arun is!  
You're sitting where you are  
to help us, not to boss over us!  
What are you people up to?  
He isn't there in the Shimla jail  
We come here, and you tell us  
you don't even know him!  
If he's a criminal, punish him!  
But at least tell us...  
where he is locked-up.  
How are you related to him?  
I'm no one  
But he means a lot to me  
And I'll raise Cain looking for him!  
She's going to get us jailed!  
They are my guests  
Take them to the police guest house  
I can understand your concerns.  
Just give me a day or two...  
to find out about him.  
I'll tell you  
You may leave now  
Sir, is it really a guest house?  
- Yes  
Your friend in Shimla asked me  
to get your address. Is this it?  
You've changed!  
Lay off man!  
What brings you here all of a sudden?  
- I'm here visiting patients  
So these mutes wrote to you!  
- Pooja was missing you!  
Where's she?  
How are you Pooja?

Now I'm fine  
I had to come here all of a sudden  
...the job, you know  
You won't be uncomfortable  
in this guest house  
Won't you be here?  
- I'll keep coming  
What am I seeing?!  
So much money?  
Arun, what's up?  
- It's all ours  
Here instead of Shimla jail!  
In a suit... what's going on?  
Have you robbed a bank or something?  
Who could've lost this much?  
In wads of five hundreds!  
5000,000000 for Pooja  
I want her to score her music  
...cassettes, music videos  
The other 5000,000000 is for you.  
- No!  
You want to build a hospital  
for animals, don't you?  
My animals will bless you!  
What's going on?  
- The animals are blessing you!  
They are blessing you  
Mahesh speaking  
Mahesh?  
The cassette is ready  
Cassette?  
Videocassette, oh yes!  
Where are you located?  
- What kind of a joke is this?  
You were supposed to buy  
a new shop, weren't you?  
No, it's still the old one  
at the cantonment  
I forget the street name.  
- What's wrong with you?  
You're coming, aren't you?  
- I'll be there in the evening  
Mr Lekhraj, Rane speaking  
Yes, go on.

- The news I have for you...  
What news?  
- I've come to know...  
where your videocassette is.  
- Cassette?  
I know where the videocassette is  
Where is he?  
- I think he ran  
Must be dead!  
I shot him twice.  
Let's go  
He's giving me nightmares!  
That jackal! I'm going to  
have him killed!  
What are you thinking?  
You know, yesterday Mummy and Papa  
were saying that you've changed  
They asked me, and I said  
I think so too  
Why do you think so?  
- Because it's true  
Mummy was about to  
ask the Commissioner...  
what place he sent you to...  
you've left your old self behind  
And now I'm certain too. You aren't  
the same Vishal I once knew  
Hey you're nervous, as if  
you're someone else, not Vishal  
I was just joking  
To tell you the truth, all of us are  
delighted to see you've changed  
Any way out of here?  
No, we're stranded on an island  
...water all around and nothing else  
That's nice!  
The wind is so chilly  
Let me try and light a fire  
What if you can't light it?  
As of now, I can set the water on fire  
For someone who has set my heart  
on fire, what's water? I know  
This lighter is going to be  
my undoing

Bless the lighter, I'd say  
If the lighter doesn't fire,  
how about exploring...  
some other way to drive  
my chill away?  
This is wrong.  
- Waiting till we're married?  
I wouldn't trust it too much.  
- Today, I don't even trust myself  
I can't do this.  
- Didn't you think of it...  
when you proposed to me?  
As of now, my conscience  
won't allow me  
Why don't you understand  
my emotions?  
I'm helpless  
Look, if you make me suffer  
like this any longer...  
What if?  
I'm going to chew you alive!  
"What do I do, my heart won't listen"  
"The heart is crazy.  
Don't let it crave"  
"Don't let the heart slip  
into an obsession..."  
"that you can't dispel"  
"For years, I've hidden the heart  
deep in my chest"  
"It knows nothing..."  
"about love"  
"Don't take my heart away"  
"I know not how these emotions  
come to be"  
"I see you, and my being melts"  
"What makes you so passionate..."  
"is the fire of my love"  
"Why do you make me burn?"  
"Try to understand my yearning"  
"I'm passionate, I'm thirsting"  
"Oh, what am I to do?"  
"Don't take my heart away"  
"Neither your fault nor mine"  
"This is all about love"

"Take me into your arms"  
"Let me cross the limits"  
"What is it, your eyes tell me?"  
"I can rest for not a moment;  
what ecstasy is this?"  
"No, don't take my heart away"  
What's this?  
- I'm perfectly all right!  
But why are you panting?  
I'm flying!  
What's up?  
- You were right, Nimmo!  
You were right about everything!  
- About what?  
About love Nimmo, about love!  
Everything in your novels is true!  
All the stories, all the tales,  
everything is true!  
Love is Heaven!  
A world of dreams!  
In every beat, my heart speaks  
only his name  
The madness in his eyes!  
Why did I not see it before?  
Why didn't I see it before Nimmo, why?  
Two days passed like two moments  
All I can do now  
is wait for him...  
when is he going to come  
...when?  
Did you ask for me, sir?  
- I have great news for you!  
Vishal has come out of the coma  
You can't believe it, can you?  
Arun, but this is true!  
It's true!  
God has heard our prayers!  
The doctors say it's a miracle!  
At heart, I knew it! Nothing  
could happen to Vishal!  
He even won a battle against death!  
You won't have to play Vishal  
for very long now  
This is where I've kept Vishal,

far away from prying eyes  
So how do you do, Mr Thief?  
The Commissioner told me everything.  
I must commend your courage  
To risk your own life,  
to become Vishal!  
I have great respect  
for men who are brave  
Don't pay me such compliments...  
I used to be a wastrel  
For a while, I got this opportunity  
to be you  
And in the interregnum,  
I even forgot my own self  
Shall we go home, Vishal?  
What's the matter?  
I hope Mummy isn't shocked  
to hear the truth  
That's why I've invited  
Sapna and her family in  
To cheer her up  
What happened, Vishal?  
You're behaving as if you're seeing me  
after months  
He's seeing you after months.  
- Meaning?  
And not only you.  
Everyone  
Vishal, what is he saying?  
Three months ago,  
he was attacked and injured  
Vishal went into a coma  
Coma? But he was seeing me everyday  
He wasn't Vishal  
But this stays between us  
For three months Arun  
has been standing in...  
to rein in the criminals.  
To strike fear as Vishal...  
I made Arun impersonate Vishal  
All of you were fooled, weren't you?  
Wonderful, Arun  
There are no dreams in coma  
But Sapna, I dreamt of you a lot,

even when I was comatose  
How are you, Doll?  
Madam, this is a moment of joy!  
Whatever had to happen, has happened  
Now Vishal is all right, isn't he?  
And I was wondering...  
how come he doesn't remember  
our conversations?  
I was talking prose,  
and he was talking poetry  
You do put in a good act  
Anyway, I would like to thank Arun  
In Vishal's absence, you took  
very good care of us  
Yes Arun, I'm grateful to you  
My son-in-law to-be has come back  
from the jaws of death!  
Let the champagne flow!  
You're stuffing him!  
I'll end up back in the hospital!  
- Don't talk about the hospital!  
Where's Arun? He isn't yet  
back with the plates...  
Madam, how about some sour  
after the sweets?  
Sapna, the champagne glasses  
Will you...  
- Mind your language  
You will be formal with me  
How dare you even look up at me?  
What did you take me for?  
I have loved Vishal with all my heart.  
I worship him, for his principles  
And a nobody like you  
wanted to become Vishal!  
I don't even want to know who you are  
For me, there's only Vishal.  
For me, you don't even exist  
Out of this world  
Out of this world  
What was that about?  
The anthem of love  
I want to tell you  
...about love

What is love?  
No one knows more than I do  
Go on, tell me  
Love  
Love...  
- Love!  
Love is Sapna  
Sapna?  
Yes, first I was damned.  
And then she said...  
"Take my heart"  
I said...  
"Don't take my heart"  
But she took mine  
And today, the way she spurned me...  
Oh, it was fun!  
Say nothing  
Your pain...  
You cannot understand  
Only someone who has been in love  
can understand  
Yes. I have never been in love  
And don't you ever  
"A word amiss from my lover..."  
"hurts me, my soul weeps"  
"For all the miseries of life..."  
"I feel no pain"  
"Oh God! Let no lover  
ever stand at these crossroads"  
"Try as much as I want  
to forget her..."  
"the heart cannot"  
"The pain that has been mine..."  
"may none else suffer"  
Once more Vishal, once more!  
Please teach me  
Teach me like you taught Babli  
You always...  
I've come to bid you goodbye  
Goodbye?  
I'm leaving this city  
And going back to thieving?  
No. Now I've come to my senses  
Even if someone were to tell me

"Take what is mine", I wouldn't  
I've come to know that mere taking away  
isn't going to make anything mine  
Sapna, what do you think?  
Should he be allowed to leave?  
Well, yes. His job is over.  
Now he should be leaving  
You're heartless! He has done  
so much for us, and you...  
No Mr Vishal, it makes no difference.  
I'm used to merciless beatings  
Unless someone kicks me around  
like a football...  
I don't quite feel alive.  
You're quite a crazy fellow  
Very well, speak to the Commissioner.  
He's the one who enlisted you  
I'll tell the Commissioner  
to hold him back  
Why?  
- He has done me a great favour  
I want him to do well in life  
Else, he'll drown himself in drink  
That cassette must be somewhere here  
Doesn't Mahesh have any relatives  
who might have news of him?  
He's a distant relative  
Mahesh has been missing. And the shop  
has been shut for quite long  
Is his life in danger?  
Mahesh had come across a secret.  
And some people didn't want him...  
to pass the secret on to me.  
If they could shoot me...  
they could shoot Mahesh too  
Fathering the two of you  
was a big mistake!  
Ammunition worth millions  
has been squandered  
And yet Vishal lives!  
We showed you the video  
of Vishal's car sinking  
With the scene of his survival  
censored!

While you kick the stools,  
I'll feed the lady some grapes  
Darling, while you're at the grapes  
I'll kick the stools  
How about letting me  
feed you some grapes?  
Scoundrels!  
You're about to hang, but  
you won't give up on bombs!  
Will you kill your mother too?  
- Kill them brother, kill them!  
The other night when  
the lights went out...  
d'you know what this one did?  
- I was the one  
You?  
You stay away!  
Come here, darling  
Your brother's wife is supposed  
to be like a mother to you  
Spare your mother at least!  
- I thought it was Raja's hand  
What? Is my hand like Raja's?  
- How would I know?  
It's been ages since  
I held a woman's hand  
I'll fix you after  
I've taken care of them  
Daddy, if you do this,  
you stand to lose lots!  
Lose what?  
- Put us down first. Quick!  
Tell me, what do I stand to lose?  
- Look in here  
An invitation to Vishal's  
birthday party! You!  
Dad! Dad, listen to me  
Ammunition worth millions  
is lying in the godowns  
Stuff that you want to sell off.  
While Vishal is busy...  
celebrating his birthday,  
we'll make the shipments  
How's the idea, Dad?

Now ask me why I slapped you

Why?

- Why didn't you wisen up earlier?

Work?

You have to leave?

No problem. Let's leave

What a bomb!

Sir, your car

Not a good match

Had the car been ours...

They were eyeing you

No! You can't do this!

- What am I doing?

Whatever is happening

is all this dog's doing

After you're dead, he's the one

who's going to be hauled up

But... this is illegal

Yes, I know that and you know that.

But the dog doesn't

The dog has never read the law

But...

- Bloody dog!

Why are you so nervous?

This clock ticks off in one minute

The decision is in your hands.

You want to talk to me?

Or the dog?

I'll tell you everything!

I'll tell everything

The owner of the casino...

- Jimmy?

No, the owner is someone else.

- Who is it?

I don't know any of them.

I only work for Jimmy

We had worked out this plan

for the day after tomorrow...

when you'd be at your birthday party.

We'd ship out all our stocks

Back?

- Yes

Where's Arun?

- What a joke!

It's God's own joke.

I'm Vishal

May I sit?

Arun has told me about you

You bloody fool, where the hell  
have you been?

Do you realise how much  
we worry about you?

Okay, listen to me.

This is Mr Vishal

What a wonder!

This is Arun! From tip to toe!

I'm Arun's childhood friend.

If I could be foxed, anyone could be!

Forgive me. I've been rude to you.

My name is Okay

You've made Arun a rich man!

Can you make me just a constable?

I'll make the money on my own.

You see, I have a speciality

I can understand dogs.

I know everything about dogs

That dog is hurting in the tummy.

He's asking for me

I just told him, I'm coming.

The police needs dogs

I can enlist the help of every dog  
in town. Not a thug will get away!

Do something for me, please!

- All right. I'll recommend you

Arun is here. I'll call him over

I'm the one who needs him.

I'll go to him

You... here?

Tomorrow is my birthday.

It's going to be a big party

You have to come. It's your birthday  
that's going to be celebrated

Not mine.

- Mine?

I don't even know when I was born.

- For a while...

you will have to play Vishal again

The goons will keep an eye

on the birthday party

I'll be elsewhere,

nailing them

For my sake, please.

- All right

Felicitations

You should congratulate him too.

- Me... what for?

The lady is Vishal's mother.

And for this town, you're the Dad!

What he means is, after all, today

is your protege's birthday

And till Vishal is with us,

no criminal will breathe in peace

Uncle is getting hiccups again.

- Or is your fiancée missing you?

I'll marry her out of my grave!

Let's congratulate Vishal

Someday, your hiccups

will take me to the gallows

I say, let's blow up Uncle someday.

- Let's see you blow him up

Someday, I must celebrate his death

Felicitations on your birthday!

Vishal, my son!

- Hello Aunt

Me too

At least spare your mother

on an auspicious day

A man has even to be wary

of his family

What is the matter?

Why are you staring at me?

After so long...

After so long? What?

You've dressed to kill

after such a long time

Why not? It's your birthday

Say that again

Say it aloud

How about you saying something?

- What am I to say?

All I have in my eyes

is Sapna

And in my eyes?  
"You light up my life"  
"I'm in lost in the ecstasy  
of your love"  
"Golden girl!"  
"You are my golden girl"  
"I fear this desire  
will drive me mad"  
"I'm with you, yet I'm afraid  
of losing my way"  
"I'm not willing to stay away  
from you anymore"  
"One has to be in love to understand  
what mad lovers speak"  
"One has to be in love to understand  
the pangs of love"  
"I swear I cannot stay away  
from you for a moment"  
What is the matter?  
Sapna just told me  
she loves me  
I was playing Vishal  
Arun, stop playing Vishal.  
This game is going to kill you  
Arun doesn't die  
Sapna isn't going to let Arun die  
And what can I do? Try as much  
as I will, to say no to my heart...  
my eyes still wander. I shut my eyes,  
and my dreams go wandering  
If I shatter my dreams, I won't  
be able to control this hand  
I don't know Pooja,  
why this hand  
How do I tell her?  
I'm not evil  
It's just that I have no hold  
on myself  
Who is this?  
Who else is going to call you  
at this hour?  
Vishal, I have to speak to you.  
It's important  
Look, I want to see you.

Right now  
That's just why I called you.  
I'm outside your house. Come out  
What?  
Vishal, I'm very upset with you.  
At least you should've phoned  
I've been dying to see you.  
- At least, not today!  
There's something very important  
I want to discuss with you  
Not just this way  
I've decided that every year  
on my birthday...  
you will blow out the candles,  
and we'll cut my cakes together...  
at least in this lifetime.  
I can't say much about later  
What's this?  
- The tv. Fantastic picture!  
At Vishal's birthday party  
this evening  
Play the other cassette  
That's Vishal too! He blew up  
our entire ammunition dump!  
How can one man be present  
at two places at the same time?  
That wasn't Vishal.  
Must've been a ghost  
Looks like Vishal  
has got himself cloned  
Now we have to kill two Vishals  
instead of one  
One wouldn't die!  
Now two?  
We'll bomb both of them  
When they are together. The original  
must die in front of our eyes  
If your violence is over,  
shall we start on romance?  
No! No romancing for me till  
I've killed both of them, I swear!  
"Here stands the seeker at your door  
with a question. Whom do you love?"  
I read the couplet off the fenders

on trucks. Now it's writ on my heart  
Tell me Pooja, whom does Sapna love?  
You?

- But I'm an image, not reality  
You are Arun. Sapna's Arun.

- Why does she speak Vishal's name?  
A woman always conceals her true love.

- But why don't I trust her?  
Had she not been in love with you,  
at the party...

would she have danced so gaily to  
the beat you played on the percussions?

Why did it send her tapping her feet?  
Arun, you have permeated her very self  
You have such a deep understanding

of the matters of the heart  
Surely you too have been in love  
with someone

What is the matter?

Do you have to go somewhere?

No. Would you like to eat something?

- No, later

Vishal, something is weighing  
on my conscience

Weighing?

Vishal, we've known each other  
ever since we were children

There is nothing we have  
ever hidden from each other

So?

- I want to tell you something, Vishal

When you were in coma, I was stranded  
on an island with Arun

Two days and two nights  
we lived there

No, he kept his distance

Even before that, he took me out  
on several occasions...

to places I had never been before.

In his eyes, in his words...

there was a strange obsession

He has never touched me.

He has been a gentleman

But... but Vishal...

What?

But, somewhere deep in my heart,

he struck a chord

Who he was, I did not know

But I...

I was just drifting away

Do you...

Love him too?

Maybe

I don't know

But Vishal, I'm yours.

And I'll remain yours

Between us, we should be as candid,  
shouldn't we?

If I am to even admire anyone,

I should be able to tell you about it

I had mistaken him for you. But I did  
spend those times in his company

I'll be back

Vishal, you can't leave me!

Back in a moment

She didn't make out, did she?

Maybe she didn't

Why haven't you ordered something?

I tell you something like this  
and it has no effect on you?

Effect... yes it had an effect.

But Sapna, repeat it once

This time, I'll listen seriously.

- For a girl it's impossible...

to reiterate something like this.

- I can understand

Just tell me, once more.

Come on, Doll!

You weren't!

You can't do this to me!

I got caught. I was getting late  
and Arun was at hand

It was for fear of your wrath

You're in high spirits! What gives?

You're even smiling! Why are  
you smiling? What gives?

Got it! Sapna has said  
she loves you!

Yes? Maybe?  
You don't know?  
Hey, I didn't get it  
Hey tell me before  
my trip wears off  
Out of this world!  
What's up?  
Being in love is a wonderful thing!  
These lovers live in a world  
of their own  
No, I'll manage  
Somewhere deep in your heart...  
someone has struck a chord  
What are you doing here?  
- Just looking  
And I wish I'd die!  
Why are you doing this with me?  
Go away from this city. Please!  
Will it make you happy?  
- Yes!  
Strange! You tell me to go away,  
and Vishal won't let me go  
What am I to do?  
- Whatever you like  
As for me, I wish this elevator  
stops here for an eternity  
And no one else gets to see you.  
No one but I  
For that, I'd give a lifetime  
Don't do this with me!  
Start the elevator. Please!  
Arun should be here by now.  
- Vishal, you're impossible  
Why did you have to call Arun?  
Can't we just be together  
He has done us a great favour.  
Here he is. Fix that mood  
How are you?  
"The pangs of love strike deep"  
"The pain has to be felt  
in whatever measure"  
I called you over for drinks.  
And here you are, drunk already  
This ecstasy isn't alcohol-induced.

It's something else  
You're in love, and I know who it is  
If you know, then tell me  
We policemen have very sharp eyes.  
You can't hide anything from us  
Sit  
If you say so, I'll tell him her name.  
- What do I know?  
Her name...  
is Pooja. She lives in his house.  
Say, haven't I caught you out?  
Right.  
- She loves you too, doesn't she?  
Not a one-sided affair, is it?  
I hope it's like...  
it's between the two of us  
She does. But she won't own up  
What kind of a girl is this?  
She is one of a kind  
I've impersonated Vishal  
for long enough  
How about you playing Arun  
for a while?  
There's such frenzy in your beat!  
But I think you lack the drive in  
your love life. Maybe that's why...  
"Who loves whom..."  
"who loves how much"  
"No one knows"  
"Crazy"  
"We're crazy about love"  
"The heart won't listen"  
"Without love, hearts won't listen"  
"Where has she come to stand?"  
"The one in her heart  
Is not the one on her lips"  
"What a life of mistakes this is"  
"All I know is that I trust you"  
"My body, my being..."  
"my heart, my faith is all  
reposed in you"  
"The flame is crazed.  
She will never understand..."  
"why fireflies burn"

"Crazed"  
"We're all crazy about love"  
"The lines on her own palm  
she has never seen"  
"Surely mine is entwined with hers  
however faintly"  
"This is the season of love"  
"A season of madness"  
"I am not in my senses"  
"This is my passion for you"  
"Cool blows the breeze  
even in this season"  
"The chill burns me"  
"Crazed"  
"We're crazy for love"  
Arun, you were right  
Every visitor remembers  
this place forever  
You asked me whom I love  
Today, I'm going to tell you  
Sapna  
We've played our games. I won't  
keep you in the dark any longer  
Sapna loves me too  
Tell the truth, Sapna.  
How long will you hide it?  
If this is true, I'll shoot myself.  
If this is a lie...  
No! This can't be true!  
I must be dreaming!  
No! I don't love Arun!  
Take Sapna, and get out of here.  
I'll hold them  
I'll give you covering fire.  
Take Sapna and get out  
They went that way! Follow them!  
I'm your enemy  
Shoot me  
All right. You die first.  
Your clone comes later  
Why did you do this?  
Why did you risk your life for me?  
If you can risk your life for my love,  
why can't I risk mine for you?

Use this salve

Enough is enough. I won't have you  
gallivanting around anymore

Mummy, you don't understand...

- I don't want to hear anything

I'm taking the priest to Sapna's house  
to finalise the wedding

Mummy, this is no time for a wedding.

- I don't want to hear anything

You're getting married right away.

Besides, before this incident...

you were supposed to marry,  
weren't you?

Arun, you better tell her.

- What is Arun going to tell me?

I'm taking Arun along with me to  
Sapna's house. Arun, come with me  
So it's fixed for the sixth.

- It's an auspicious day

Let's tie Vishal to Sapna  
We've waited long enough.

- Yes

At least for Sapna's sake,  
he will change

You are right.

That's what I want too

Thinking about Arun?

- What?

Of course, every moment you miss  
the man you've fallen in love with  
Sister, I'm the only one who knows  
everything in your heart

It's Arun you're in love with.

Marry, and you ruin three lives. Don't!

In your heart you know the answer  
to this question

Refuse to hear it, you may,

but don't you blame your heart

With Vishal came the feeling of love.

But Arun explored the depths of love

You?

You're Sapna, aren't you?

- Yes...

but how do you know?

I have seen you in Arun's eyes  
You?  
I...  
For him, I'm no one  
Come, he has been waiting  
for you for ages. Come  
Surprised, aren't you?  
If not Arun, I was certain...  
you would come  
What do you want?  
What d'you want?  
You want me to admit that  
I'm in love with you?  
Yes, I am in love. Is that enough?  
Are you happy now?  
Why did you bring so much love  
into my simple life?  
I can bear it no more!  
Tell me, what am I to do?  
My life...  
my heart...  
I give you  
I was the one who lost my mooring  
Now it's you  
No fault of yours  
It was my madness, my intensity  
that you drifted away  
I am selfish. I am scum  
No one can be as big-hearted as Vishal  
He even risks his own life for others  
I have seen it in his eyes  
...how much he loves you  
And I was trying to steal you  
away from him  
Go away, Sapna. Go away  
You are so lucky to be near him!  
Take care of him  
Arun, what have you done?  
The lesson of sacrificing for love  
I have learnt from you  
We're going back.  
This city isn't for us  
So at last Arun knows  
that you love him!

His eyes were blinkered,  
for his obsession with Sapna  
Arun has accepted you. Why else would  
he tell you that we're going back?  
Your love has been requited, Pooja  
Now madness I've seen,  
but not madness like this  
You're smiling through your tears  
I'm smiling because I'm overjoyed  
I have got what I wanted  
But I weep because...  
he will remember Sapna all his life  
and he will be miserable  
Prakash, you have been very kind to me.  
- Yes Mahesh?  
Mr Lekhraj?  
- Speaking.  
I've done it!  
At last, I've found you!  
Who is this?  
- I have a certain video cassette  
And the scenes it contains!  
In it, you kill someone  
If the videocassette reaches  
the police...  
Name your price.  
- Ten million  
Done. Where do I meet you?  
- Sunset Point. At eleven  
Stop! Where are you going?  
Give me that cassette!  
Who is this?  
Nandu, are you trying to strip me  
before the police, in front of Vishal?  
Bullets are expensive these days.  
Give me a knife  
Strip me before Vishal?  
No! He is to be told nothing  
If he gets to know, he's going to  
enter the fray  
After all, he's getting married today  
Put it down here  
You didn't get the sweets?  
- It's all in place

Are you all right?  
- Now what's wrong with me?  
Come on, give us a hand. Move it  
Pull it up... from both sides  
Where's the stuff for the rites?  
- The priest is getting it  
But where are the garlands?  
- Sorry, I forgot. I'll get it  
Pooja! You... here?  
Come on, help Sapna dress  
The bride must look exotic!  
I can understand your sense of loss.  
- Pooja, come on!  
Will you go on talking?  
When is it going to begin?  
Priest, please begin.  
The auspicious time is passing  
Sure  
Babli...  
- Yes?  
Take this to your mother  
Where's Uncle?  
- Looking for an Aunt  
Call the bridegroom  
Arun, bring Vishal here  
The police has your cassette.  
- What are you saying?  
Arun, there's something to do  
Dad, I say let's run!  
- The police have the place surrounded  
If I'm about to hang,  
I'd rather kill!  
Dad, he's unarmed.  
Let's ruin his wedding  
Your uncle runs the syndicate  
Your life is in danger.  
He is attending your wedding  
Be careful  
No Vishal!  
Arun, what are you thinking?  
Till now, I have kept a hold  
on my emotions  
But now I'm afraid  
and Sapna and Vishal

will live in hell  
Vishal and the others  
are coming to take you  
Let's go  
Stop the car  
Did you think you could get away with  
heaping favour upon favour on me?  
I just want to go back  
This wedding isn't happening  
without you  
Don't force me, not this time  
How can the wedding happen  
without the bridegroom?  
Aren't the two of you ashamed?  
Are you mad?  
You wanted to hide it from me?  
"Here stands the seeker at your door  
with a question. Whom do you love?"  
But this couplet...  
- I read it off the fenders of trucks  
Now it's writ on my heart  
Tell me Pooja, whom does Sapna love?  
It was you?!  
If he can play Vishal,  
why can't I play Arun?  
Once my suspicions were confirmed,  
I gave you so many chances...  
to get together. But the two of you  
were trying to make a sacrifice  
Mr Vishal, I've no right over Sapna.  
Lay off man!  
Day before yesterday,  
I told everyone else but Sapna  
I was supposed to turn you in  
at the altar  
You ruined my surprise  
Doll, I always took you for a doll  
I forgot that the doll has a heart too,  
she has her wishes, her emotions  
The one who can peep inside  
a woman's heart...  
the one who can see what she dreams,  
is the one who deserves her  
And you are the one, Arun

Don't stop me. Let me go away  
But Pooja...  
To each her own luck.  
I must be on my way  
Sapna, take care of Arun  
Mr Vishal, how about getting together  
for a Broken Hearts' Club someday?  
More than half the world  
will be with us  
She's gone. Time for me to go too  
I've been transferred  
The king had a queen.  
That's old hat  
Two crazy lovers have each other.  
That's today's story
