By Unknown

Hello sweethearts. I am Lucy.
In my hometown
I enjoy the call of a noble tart.
My established clientele meanwhile
has become so big,
that I cannot serve them all.
Then I asked my friends
Claudia, Ulla and Nicole, if she
want work together with me
and satisfy all the big cocks
and besides they
can earn a lot of money.
So we called our club
"Lucy's lsternde Lustftzchen"
One day I waiting for
a new customer at the
Bus station.
Here you are,
and just on time.
What did you expected?
Looking for
"Lucys Lustftzchen".
Damn cool.
I cannot expect it at all, to fuck
you and your girl friends,
Is this ok? - Yes.
- Come in.
You show me the way?
But first we can
have a drink.

you drive me crazy.
- I want to do that.
Do you want a drink Lucy?
Yes.
Do you like a cola?

With two men at the same time
is not bad.

Do not worry,

I will blow him so hard
you have not seen this before yet.

I believe you, but here
it is not so comfortably.

Then let us go home.

- Good idea.
