Double Dhamaal

By Farhad Bhiwandiwala

00:

A python never toils

2

00:

Nor does a bird work

3

00:

Saint Manuka has said...

4

00:

...Lord Ram is everyone's benefactor

5

00:

Happiness is short lived

6

00:

Life's filled with turmoil

7

00:

The only lucky person in this world

8

00:

Is the one that has the power of green

9

00:

Here the party goes all night long

10

00:

Sing baby, baby, sing this song

11

00:

Chill out

12

00:

At 12 o'clock on those moonlit nights
13

00:

We will gesture you to come closer
14

00:

At 12 o'clock on those moonlit nights
15

00:

We will gesture you to come closer
16

00:

I won't sleep and neither will you
17

00:

We will be lost in each other
18

00:

Come to me home and let things get on
19

00:

Tomorrow I will take you to Hong Kong
20

00:

Sing baby, baby, sing this song
21

00:

Chill out
22

00:

They say nothing's free in this world
23

00:

Take a look at us,
we are completely free
24

00:

They say nothing's free in this world
25

00:

Take a look at us,
we are completely free
26

00:

Some became MA, BA
while some became CA
27

00:

We don't care whether anyone lives or dies
28

00:

We are never wrong
29

00:

Sing baby, baby, sing this song
30

00:

Chill out
31

00:

Stop!
32

00:

Stop scoundrel
33

00:

You dare splash mud on us Rascal

34

00:

We fail to do anything

while we are awake

35

00:

Now that we are having

fun in our dreams...

36

00:

...its making you jealous Rascal

37

00:

Bloody basket

38

00:

When will our dreams come true?

39

00:

For two years...

for the past two years...

40

00:

...we have been standing near this board

41

00:

But there is no trace of

a single accident

42

00:

Boman

- Yes

43

00:

Name is there but there's no trace

44

00:

Excuse me, Adi

45

00:

How will we benefit
from a car accident?

46

00:

You are asking after two years

47

00:

This is the road where
that bald millionaire...

48

00:

...told us the secret of millions

49

00:

'In St Sebastian garden, Goa...'

50

00:

'...under a big W...a big W
there are 100 million hidden'

51

00:

'100 million'

52

00:

Mama will be proud of us

53

00:
You made me donate all the money
54

00:
'Come on, Adi, give the money'
55

00:
'Why should I give the money?'
56

00:
'Am I crazy?'
57

00:
'Give it, Adi, for mama's sake'
58

00:
Since then...day and night
we have been keeping an eye...
59

00:
...on cars passing-by
60

00:
Thinking now there will be an accident
61

00:
Now there will be an accident
62

00:
Not even a single car
63

00:
Disgraceful
64

00:

Hey, brother

65

00:

Bang your car

66

00:

Hey, brother, at least you bang your car

67

00:

Look, I am pleading to you

68

00:

At least listen to me

69

00:

Hey, brother...

70

00:

If you act so badly
people will surely spit on you

71

00:

Yes, no car will
meet with an accident here...

72

00:

...because we are...very unfortunate

73

00:

- Now, there's just one way left
- What way?

74

00:
The devious way
75

00:
Adi, what are we doing at this bar?
76

00:
Oh, we are going to
cook omelet and sell them
77

00:
No omelet, we are
going to knockout people
78

00:
Roy
79

00:
What?
80

00:
Can I sit?
81

00:
What are you going
to do with this egg?
82

00:
Mister, if you can keep
this egg in your mouth...
83

00:
...without breaking it,
I will give you 5000
84

00:

Tony, can keep an entire chicken
inside his mouth...

85

00:

...for 5000 so what's an egg

86

00:

Then...keep this in your mouth

87

00:

Then give me the egg

88

00:

He has done an amazing thing

89

00:

Forget about the egg and chicken...

90

00:

...you have been fooled, Tony

91

00:

Why you...

92

00:

He's coming

93

00:

Check the pocket

94

00:

- Mine's empty

- Check his pocket

95

00:

Yes, Adi, 2000 rupees

96

00:

So what is my share?

97

00:

500 for you and 500 for you

98

00:

Give it here

99

00:

Take him away, take him away

100

00:

Move back

101

00:

Adi, my 500

102

00:

Here

103

00:

Torn note

- Yes

104

00:

So you can't spend without me

105

00:

Wow, Adi, you are so smart

- Yes

106

00:

Run Get ready, get ready

107

00:

Get the money

108

00:

4000 rupees

109

00:

2000 for you

110

00:

2000 for us

111

00:

Take him away

112

00:

- Adi, 2000 rupees

- Give me 1000 rupees

113

00:

Okay, 1000 for you and 1000 for me

114

00:

Forget...forget that fool

115

00:

Look, everyone recognizes me now

116

00:

Now you go inside

- Okay

117

00:

Right

- Take the bag

118

00:

Here

119

00:

Operation, egg...

knockout starts again

120

00:

Yes

121

00:

What?

- Sorry

122

00:

What will you do with this egg?

123

00:

I will put a challenge of

5000 rupees that...

124

00:

...you can't keep this egg in
your mouth without breaking it

125

00:

- Can you do it?
- I can do anything?

126

00:

Fine, first you do it

127

00:

Then I will do it

128

00:

- Promise?
- Promise

129

00:

Swallow the egg

130

00:

Break the egg

131

00:

Save me

132

00:

Adi

133

00:

Hit him, hit him, oh shit!

134

00:

Oh no

135

00:

There they are

136

00:

Beat them

137

00:

Enough Enough

138

00:

No one ever beat us up so badly

139

00:

Adi, be thankful that
at least they didn't rape us

140

00:

Our fate has raped us

141

00:

If we had money...

142

00:

...then we would've
had so many things

143

00:

Yes, car, bungalow,
bank balance and ma...

144

00:

- Mother
- Quiet

145

00:

Mercedes Benz

146

00:

Yes, Mercedes

147

00:

Like the one Kabir's sitting in

148

00:

Kabir!

149

00:

Kabir

150

00:

Kabir

- Kabir

151

00:

Where did that miserable
guy get so much money from?

152

00:

Even he donated his money

153

00:

Run,run, follow him!

154

00:

Such a big car

155

00:

Such a big office

156

00:

How did Kabir become so rich?

157

00:

Loyalty, honesty, dedication
and responsibility

158

00:

Today Kabir Naik is rich
because of these four qualities

159

00:

And I have seen these
four qualities in the four of you

160

00:

Thank you

161

00:

And that is why the four of you are here

162

00:

Sir has appointed you
the chief executive...

163

00:

...of our next multi-million venture

164

00:

- Thank you, sir
- Thank you, sir

165

00:

That's nothing

166

00:

Sir is giving you furnished apartments...

167

00:

...along with fixed salaries

168

00:

And yes, everyone

will have a personal car as well

169

00:

Congratulations

170

00:

Thank you

171

00:

- Sir, how do we thank you?

- Just like you do

172

00:

Look, if the four of

you keep working hard...

173

00:

...then one day I will

make you partners in this company

174

00:

Partners

175

00:

- Thank you, sir

- Thank you

176

00:

It's okay

177

00:

Thank you

178

00:

Instead of us four talented people...

179

00:

...he's making these four fools his partner

180

00:

It should have been us in their place

181

00:

If we become the partners...

182

00:

...then we will have car,
bungalow, bank balance

183

00:

But how will we become partners?

184

00:

- Emotional...
- Torture

185

00:

Yes, let's go

186

00:

Adi

187

00:

Adi, no Adi, no

188

00:

Not this way, Adi

189

00:

Not this way

190

00:

Napkin, sir Napkin

191

00:

Troy

192

00:

Roy

193

00:

Wipe, you rascals, wipe

194

00:

Chaman

- Boman

195

00:

Kabadi

- Adi

196

00:

Tandav

- Manav

197

00:

Yes, yes

198

00:

How are all of you?

199

00:

- What are you doing here?

- Cleaning the toilets

200

00:

What?

- Shocked, aren't you?

201

00:

That why intelligent people like us...

202

00:

...are doing such a backward job

203

00:

Have courage, Roy, have courage

204

00:

We will be successful

205

00:

There's hope in our hearts

206

00:

No matter how much it stinks

207

00:

Cotton... just like there's cotton
stashed in the pillow...

208

00:

...there are four things
stashed in us as well

209

00:

No, no, no, we are born with it

210

00:

- Like...loyalty
- Honesty

211

00:

Dedication

- Deceit

212

00:

No, no, not deceit

213

00:

Responsibility

214

00:

Just a minute

215

00:

That's what I said

- And we heard it

216

00:

Outside the window, covertly

217

00:

Quietly

218

00:

You eavesdropped on my conversation...

219

00:

...and now are putting up a charade here

220

00:

It's not a drama but emotional torture

221

00:

So that you can forget
about those four fools...

222

00:

...and make us your partners

223

00:

Make your four partners

- Yes

224

00:

Good idea

225

00:

If I even appoint you watchmen here...

226

00:

...it will be insulting to them

227

00:

Fools

228

00:

He humiliated us so badly

229

00:

Now no matter what happens...

230

00:

...but we will be your partners, Kabir

- Yes

231

00:

Otherwise I am the son of two fathers

232

00:

And I am the son of three father

233

00:

I am the son of four fathers

234

00:

I am the son of the entire India

235

00:

There's no one in the office

236

00:

Seems like Kabir called us first

237

00:

He ought to, after all we are VLP's

238

00:

Very important person

239

00:

Now we'll have money, position, power

240

00:

- Now everyone will salute us and say...

- Scoundrels!

241

00:

Rascals

242

00:

You will be punished

243

00:

Equally

- Much more than that

244

00:

No

245

00:

You rascals, scoundrels,

fool, stupid, morons...

246

00:

I hadn't slapped you

247

00:

You gave a 100 crores

estimate to Kabir sir...

248

00:
...on month end
249

00:
Yes
250

00:
But the profit was just 99,99,99,000
251

00:
That means there was a loss of 1000 rupees
252

00:
You...you deserve one more slap
253

00:
Slap
- Slap
254

00:
Take them away
- Okay, boss
255

00:
Okay, okay
256

00:
No, no, no
257

00:
Such severe torture for just 1000 rupees
258

00:

Kabir sir has appointed
four new people in your place
259

00:
That means us
260

00:
That's why you are fired
261

00:
Fired!
262

00:
And Kabir sir doesn't just say fire
263

00:
He fires with his gun
264

00:
Give me the gun
265

00:
Give me the gun! Gun!
266

00:
Okay, boss
267

00:
Where is he taking it out from?
268

00:
Jallad
- Yes, boss
269

00:

Close the door

- Okay, boss

270

00:

Don't kill us

- No

271

00:

Don't shoot us

272

00:

Murder Murder

273

00:

Run away

274

00:

You won't get anything
here except for death

275

00:

Run, Arjun, run!

276

00:

Run!

277

00:

Just a minute

278

00:

Kabir sir

279

00:

Look, he is here to kill us

280

00:

Let us go, please

281

00:

I won't let you go like this

282

00:

See, he will kill us

283

00:

- I will kill you?

- See, he is telling us

284

00:

I will kill you

285

00:

Shut up, you idiots

286

00:

Otherwise I will fire you guys

287

00:

See he will fire at us

288

00:

So this is your doing

- Yes

289

00:

Obviously

290

00:

And until you keep calling such idiots...

291

00:

...we will keep driving them away

292

00:

Until you don't make us your partners

293

00:

Understand

- Partners

294

00:

Kabir

295

00:

Nice

296

00:

Darling, what's going on?

297

00:

Is everything alright?

298

00:

Who is she?

299

00:

She is our madam

300

00:

Kabir sir's wife

- Wife?

301

00:

Yes

302

00:

Sister-in-law!

303

00:

Who...who are they, Kabir?

- Kabir?

304

00:

Not, Kabir

305

00:

Ram, and you are Sita

306

00:

And we are Ram's younger brothers

307

00:

So sweet

- Thank you

308

00:

Just a minute

309

00:

Ram only had three younger brothers

310

00:

That's okay Consider

yourself Draupadi...

311

00:

...and us, four plus one, five Pandavas

312

00:

Darling, you go on, I will join you

313

00:

Okay, darling, bye

314

00:

Bye

- Bye

315

00:

The four of you managed
to barge inside my office

316

00:

But if you try to barge in my bungalow...

317

00:

...then I will punch your face in

318

00:

He's very short-tempered

319

00:

Kabir, not just your bungalow...

320

00:

...but we will follow you even to hell

321

00:

Come on, follow him

322

00:

Enough is enough, Kabir

323

00:

There's a limit to everything

324

00:

I don't want to discuss this any more

325

00:

You understand

326

00:

Did you understand anything?

- No

327

00:

I mean yes

328

00:

- But, I need some money...

- I said no means no, Kabir

329

00:

I give you money every month for the
monthly expenses, isn't it?

330

00:

Not a single penny more

331

00:

- If I could get 500,000...

- You won't get five rupees

332

00:

Darling, juice

333

00:

He turned out to be

a poor beggar just like us

334

00:

He's a beggar and she's poor

335

00:

He is living off his wife

336

00:

36 - 24

- 36

337

00:

Seven

338

00:

Shoe size Shoe size

339

00:

You are looking at her shoe size,

aren't you ashamed?

340

00:

She is like our sister-in-law

341

00:

What a sister-in-law!

342

00:

Honey, listen to me

343

00:

Kabir, why don't you understand?

344

00:

I don't want to have
this discussion any more

345

00:

The discussion is over

346

00:

I am going for a shower

347

00:

Hello, Gulabo

- Gulabo

348

00:

My, sugar honey, sugar pie,
sugar doll, sugar bag

349

00:

That scoundrel is having an affair

350

00:

That too so sweet

351

00:

He will die of diabetes

352

00:

Idea! Listen

353

00:

My wife must have been born
after 1000 foxes died

354

00:

I am tolerating my wife for money

355

00:

Otherwise I would have left her long back

356

00:

But don't you worry, baby

357

00:

I will adjust it in the accounts...

358

00:

...and get your set by tomorrow

359

00:

And after that lights off, Jacuzzi on

360

00:

And have some fun in the Jacuzzi

361

00:

Kabir and gulabo will be together

362

00:

Where is my other phone?

363

00:

Kabir

364

00:

Your mobile is right here

365

00:

You here

366

00:

How did all of you come here?

367

00:

- And my mobile

- And this mobile has an MMS clip...

368

00:

...which has Kabir and

Gulabo's conversation

369

00:

'My wife must have been

born after 1000 foxes died'

370

00:

'I am tolerating my wife for money'

371

00:

'Kabir and Gulabo will be together'

372

00:

Adi, what if sister-in-law sees this clip?

373

00:

He will be in trouble

374

00:

Shut up

375

00:

- You are trying to blackmail me

- No

376

00:

We aren't trying we are doing it

377

00:

Quiet!

378

00:

You think I will be scared of you

- No

379

00:

We are sure you will be scared

380

00:

If you don't make us your partner...

381

00:

...then we will send this MMS clip
on sister-in-law's mobile

382

00:

Kabir

383

00:

The button will get pressed

384

00:

Kabir

385

00:

Why am I hiding? You hide

386

00:

Kabir, what have you sent?

387

00:

What a superb joke

you have messaged me? - Joke?

388

00:

Yes

389

00:

Husbands and the sun are so unfaithful

390

00:

They come with 'Kiran' (Ray of light)

391

00:

Stay with 'Roshini' (light)

392

00:

And leave with 'Sandhya' (evening)

393

00:

- This better be a joke, Kabir

- Of course, darling

394

00:

If you don't make us your partner...

395

00:

...then we will make a joke out of
you in front of your wife

396

00:

Yes

397

00:

This isn't how one becomes partners

398

00:

One has to come to the office
and work to become partners

399

00:

We will surely come to the office...

400

00:

...but you will do the work

401

00:

And these goggles are really nice...

402

00:

...to watch you do the work

403

00:

Can I please have it?

Thank you very much

404

00:

Thank you

405

00:

That looks cool

406

00:

And to come to the office,
we need a car

407

00:

The car keys

Because it won't look nice if we walk

408

00:

Yes, this is damn cool

409

00:

This isn't what I thought of you

410

00:

Ma'am, I always doubted sir

411

00:

What did I ever ask for?

412

00:

That there shouldn't be
any dearth in my love

413

00:

Instead I got a rascal

414

00:

But I love this rascal, darling

415

00:

I love you so much

416

00:

My dear sister, do you
know who's responsible...

417

00:

...in making me a con

- Who, brother

418

00:

Bachchan sir

- You mean, Big B

419

00:

Yeah!

420

00:

When the police department

stopped my promotion...

421

00:

...and transferred me to Yavatmal

422

00:

I had nothing to do there

except for watching television

423

00:

And everyday at 9 o'clock Bachchan sir...

424

00:

...would come on television and say...

425

00:

..."Kaun Banega Crorepati,
Kaun Banega Crorepati"

426

00:

That's when I realized...

427

00:

...that it's important to be a
con first to be a millionaire

428

00:

And now with the
two of you supporting me...

429

00:

...we three cons will make their plight bad

430

00:

But, brother, the other
four were really perfect...

431

00:

...for our plan as well

432

00:

We managed to trap
them with difficulty

433

00:

They ran away because of these four
434

00:

And then they came to me and said...
435

00:

...pick us, pick us
436

00:

So what could I do?
437

00:

Last time I was
going to have a great time...
438

00:

...with a huge amount of money
439

00:

But my plan was
foiled because of these four fools
440

00:

But now...no goof ups
441

00:

My dear sister, you keep
playing the role of my secretary
442

00:

And Kamini, you as my strict wife
443

00:

What is this nonsense, Kabir?

444

00:

These four aren't even qualified

445

00:

Kamini, what was that?

446

00:

That's the first dialogue of our next scene

447

00:

What is this nonsense, Kabir?

448

00:

These four don't even look qualified

449

00:

That's exactly what I am saying, ma'am

450

00:

Ask them...who is
most qualified amongst them?

451

00:

Oh, so you are the most qualified one?

452

00:

How educated are you?

- Until 10 o'clock

453

00:

Until 10 o'clock?

454

00:

The school started at 9 o'clock

455

00:

After an hour, the principal understood...

456

00:

...that I can't study anything

457

00:

Did you hear?

- No, no

458

00:

He is just joking

459

00:

We are qualified

460

00:

We also have a degree

- What degree?

461

00:

MMS degree, isn't it, Kabir?

462

00:

Tell sister-in-law

463

00:

Yes, yes, MMS, isn't it?

464

00:

Ya, take me for a ride
465

00:
What?
466

00:
Is there any such degree?
- Ma'am
467

00:
Even if there is such a degree...
468

00:
...then its useless for our company
469

00:
Look, look at their faces
470

00:
They look like crooks
471

00:
Excuse me
- Yes
472

00:
Ma'am, fax
473

00:
Ma'am, our property...
474

00:
...which was stuck in legal matters
for a long time...

475

00:

...has been cleared

476

00:

Now you are the rightful owner, ma'am

477

00:

Kiya, that's great news

478

00:

Kabir, I am so happy

479

00:

It was very important
for this land matter to be cleared

480

00:

But why today? Why?

481

00:

It's all because of these...boys

482

00:

They are so lucky

483

00:

You know something, darling

484

00:

I love them to death

485

00:

You are right, Kabir

486

00:

Why today? Why now?

487

00:

These four are lucky rascals

- Rascals

488

00:

She is calling us rascals

- She is also calling us lucky

489

00:

I have decided

490

00:

These four are now

our company's 20% partners

491

00:

- How much do I get then?

- Shut up, shut up

492

00:

Ma'am, what are you saying?

493

00:

Kiya, arrange for a veneration on the land

494

00:

And invite these four specially

495

00:

After all they are our lucky mascots
496

00:
Oye lucky, oye lucky
497

00:
Oye lucky,
498

00:
Oye ediot oye
499

00:
They are jacked now
500

00:
Come, mister
501

00:
The veneration is complete
502

00:
Now hit the plough
on this field and begin
503

00:
Darling, let these four do it
504

00:
Why these four, ma'am?
505

00:
Your husband should do it?
506

00:

We got this land as soon as
these four stepped in the office
507

00:

So they should do this auspicious deed
508

00:

You are right, dear
509

00:

Come here
510

00:

You are so sweet
511

00:

Thank you
512

00:

Hit it here, here
513

00:

One...two...
514

00:

Wow, Adi
515

00:

What is this?
- Super Vasmol 33 hair dye
516

00:

Shut up, let me check

- Okay

517

00:

Oh my, God! This is oil

518

00:

Oil

519

00:

I can't believe this, Kamini, crude oil

520

00:

Oil! Oil!

521

00:

Oh my, God! Kiya, did you hear?

522

00:

Superb, ma'am, superb

523

00:

Until now, oil was

found only in Arab countries

524

00:

Sharjah, Dubai and now Mumbai

525

00:

Not just Mumbai, it's in

our own land, our land

526

00:

Our land, our land, our land

527

00:

Kabir, raise our percentage to 30%

528

00:

Do it, do it

- Please

529

00:

Listen to me

- Kabir

530

00:

Just a minute Just a minute

531

00:

Darling, I was thinking...

- I have already thought about it

532

00:

From today these four are
our company's 40% partners

533

00:

40

- 40%

534

00:

40%!

- Yes

535

00:

We all will be billionaires now

536

00:
You are right, darling
537

00:

542

00:
Girl you're the bun
543

00:
You're the loving machine
544

00:
There is oil in my viens
545

00:
There is oil running through my body
546

00:
Aalu Bukhara, dig with a
spade, a deadly fountain
547

00:

Wonderful!

- Hey!

548

00:

Marvelous!

- Hey!

549

00:

Moneybox worth millions

- Oye!

550

00:

Papa, you always used to say

551

00:

Son, you will never do anything

552

00:

No matter how hard you try...

553

00:

...but one day you will be flat-broke

554

00:

But now I am rich!

555

00:

I am rich

556

00:

Sorry, sir

557

00:

Secret file

558

00:

She's smiling so much

559

00:

What secret is she hiding?

560

00:

Let's find out

561

00:

Beware of those dogs, sir

- Dogs?

562

00:

They are like stray dogs

- You are right, Kiya

563

00:

Dogs

564

00:

This secret file almost...

565

00:

Softly, sir, the walls have ears

566

00:

The doors don't

- Oh, yes

567

00:

This blue print of your superb idea...

568

00:

...of making a refinery
on the land where you hit oil...

569

00:

...and your mind-blowing plan
of making billions...

570

00:

...- shouldn't reach those four, sir
- It has, it has

571

00:

What if it does?

572

00:

Then they will take this file to ma'am

573

00:

And those rascals...

574

00:

...will be 50% partners of the company

575

00:

Yes

576

00:

Were you secretly overhearing
our conversation?

577

00:

Us? Yes

579

00:

00:

Come on, guys

585

00:

Fantastic boys
- Fantastic

586

00:

The refineries blue print is ready

587

00:

Now only if we can get an investor...

588

00:

...to invest 250 crores in it then...

- Then?

589

00:

Then you will get 50% partnership

590

00:

50% 50%

- Okay

591

00:

50%!

592

00:

You fool, we are not ordinary people

609

00:

Quickly tell us about
the investor otherwise...
610

00:

Hey, don't punch him
611

00:

He is our Kabir
612

00:

He will surely get an investor
613

00:

He will go to Peepli, 'Dhobi-ghat'...
614

00:

but surely get an investor
615

00:

Isn't it, Kabir?
616

00:

Hey you
617

00:

Amitabh Bachchan
618

00:

By relation I am your father
619

00:

And the name is...

00:

You want an investor, that's all

629

00:

Come, come

630

00:

He will say it in our ears

631

00:

Did you get your investor?

632

00:

633

00:

Did you forget?

634

00:

Did you forget Gulabo?

635

00:

636

00:

You are dead, I am going to ruin you

637

00:

Give the phone Give the phone

- Give the phone

638

00:

I don't have the phone

- What?

639

00:

Yes, last evening Kabir

asked for it and I gave him

640

00:

Kabir asked for it and
you gave it to him
641

00:

He wanted to call his mother
642

00:

He was missing her
643

00:

He was missing...his mother...
644

00:

You have ruined us
645

00:

We have lost the phone
646

00:

We have lost the investor
647

00:

We have lost the partnership
648

00:

Adi, I am not so smart
649

00:

I will kill him
650

00:

That's enough

651

00:

Get out Get out Get out

652

00:

Kabir

653

00:

Stop, Kabir

654

00:

I have already made a copy of that Kabir

655

00:

You are not that strong...to suppress us

656

00:

Very smart

657

00:

What now, Kabir?

658

00:

Bata bhai

- We don't want shoes

659

00:

Not shoes

660

00:

Bata bhai, your private investor

661

00:

Investor, yes

662

00:

Glory to...

- Batanand Swami

663

00:

Bata bhai why are you turning
into a saint from an criminal

664

00:

Hey, take it out and give it in my hand

- Yes, boss

665

00:

Here

666

00:

Hey...you idiot

667

00:

...and the entire gang members

668

00:

Open your ears and listen carefully

669

00:

Now Bata bhai's days of crime...

- Out the window

670

00:

But, Bata bhai,
why stop committing crimes?

671

00:

You know yesterday
I called up a party and said...
672

00:

This is the area's bhai (don) speaking
673

00:

And do you know what he replied?
- What?
674

00:

Is your sister's name Area?
675

00:

Really
676

00:

Laugh, laugh, laugh you scoundrels
677

00:

There's no more respect
678

00:

That's why Bata bhai is bidding adieu...
679

00:

...to the world of crimes from today
680

00:

From today, I will only
speak for discourses
681

00:

Devotees, gentlemen

682

00:

Bata bhai greets those...

683

00:

...who have been sitting here
for a long time

684

00:

Sri Ram, the solo hero of Ramayan

685

00:

In the first reel itself he
was banished for 14 years

686

00:

Mother Sita went along for company

687

00:

That's where the villain
made an entry Ravan

688

00:

It rhymes

689

00:

What is he saying?

690

00:

He kidnapped mother Sita from outdoor

691

00:

But right then, Hanuman

made a daring entry...

692

00:

...in the supporting role

693

00:

He took a bus to Lanka...

694

00:

...and disrobed Ravan

- Hello! That's wrong

695

00:

Draupadi was disrobed

696

00:

You are mixing Ramayan
with Mahabharat

697

00:

Basher Bokade, bring him to me

698

00:

Hey, let's go

699

00:

Hey, Ganga Jamuna's Dilip Kumar

700

00:

You are the area's milkman, aren't you?

- Yes

701

00:

So, when you can mix water with milk...

702

00:

...then why can't I
mix Ramayan with Mahabharat

703

00:

Your point is right

704

00:

Kallu Koyle, take him at the
back and disrobe him...

705

00:

...and rectify his point as well

706

00:

Why disrobe me?

707

00:

Leave me

708

00:

The Ramayan and the Mahabharat...

709

00:

...are different scriptures

710

00:

Hey you fool, its people like you...

711

00:

...who don't let us don't
change their profession

712

00:

Don't cry, boss

713

00:

He's no saint, he is an imposter

714

00:

Hey, silent movie's dubbing artist

715

00:

If anyone compliments me now,

I will kill him

716

00:

Understand

717

00:

No, boss No

718

00:

No, boss

719

00:

Did it to quit rowdyism, right?

720

00:

Brother, please listen to me...

721

00:

Hey, catch them

- Brother! Brother!

722

00:

They ran away

723

00:

Scoundrel

724

00:

Calm down, boss

725

00:

Hey...my glasses

- Yes

726

00:

Glasses

727

00:

Here, boss

728

00:

I don't wish to see this sinful world

729

00:

Wow! Wow!

730

00:

Once more

731

00:

Superb

732

00:

Bata bhai

- That's called terror

733

00:

Bata bhai, your intense
voice isn't for preaching
734

00:

It's for threatening
735

00:

Even the most courageous
will feel timid before you
736

00:

And the only thing
he will be left with will be...
737

00:

Bata bhai
738

00:

Bag
- Oh, yes
739

00:

Hey, flop heroes of
single screen, what is this?
740

00:

25 lakhs
- Advance extortion money
741

00:

What?
- Advance extortion money
742

00:

What?

- We have already said it twice

743

00:

Are you deaf?

744

00:

Rascal

- Just like there's advance tax...

745

00:

...this is advance extortion money

746

00:

Bata bhai Bata bhai

747

00:

This is because you don't know us

748

00:

We always think of the future

749

00:

We have...hit a jackpot on our land

750

00:

Yes, jackpot

751

00:

Few days later you

will read in the newspaper...

752

00:

...that we have become millionaires
753

00:
Then you will start calling us
754

00:
Pay us money or else we will kill you
755

00:
Extortion money, etcetera, etcetera
756

00:
And, Bata bhai, Bata bhai
757

00:
You will say seven and we will say five
758

00:
Unwanted bargaining
759

00:
That's why advance extortion money
760

00:
Hey Film Division's gift
761

00:
Your explanation went above my head

764

00:

They are ready to
pay 25 lakh on the basis of the land

789

00:
Hey, side hero of a multi-star cast

00:
What do you think?
791

00:
If Bata bhai asks for money in the market...

971

00:

We can do whatever we like with it

972

00:

You... - Hey, don't you

Can't you smell the stink?
975

00:
Yes It does stink

977

00:
And this land belongs to the government
978

00:
Government?
- Yes
979

00:
We have been cheated
980

00:
We got sewage water instead of oil

1002

01:

The four of you saved me
from the police cleverly

1003

01:

Two lakhs from Mausin bhai
1004

01:
Consider this a token of my appreciation
1005

01:
First let us understand what you just said
1006

01:
Mausin bhai, goons were after us
1007

01:
But why were the police after you?
1008

01:
Actually my partner Shabbir
cheated me in business
1009

01:
He deceived me
1010

01:
There's a Shabbir in his story
1011

01:
And there's a Kabir in our story
1012

01:
He played a big game with me
1013

01:
And you didn't leave him alive
- No
1014

01:

Such a small punishment
for such a big crime
1015

01:

I killed him...but a thousand times
1016

01:

First I ruined his personal life
1017

01:

And then wrecked havoc
on his business
1018

01:

He hates his life much more than
he used to love money
1019

01:

...after snatching his happiness, his wealth
1020

01:

And now I am going out of India...
1021

01:

Goodbye
1022

01:

Two lakhs
- Two lakhs
1023

01:

1032

01:

Heard that

1033

01:

Mausim bhai, we saved your life

1034

01:

So why aren't you
saving our lives now?
1035

01:

out and cut my nerves
1036

01:

Cut it
1037

01:

1041

01:

Did I raise you for this?
- Adi
1042

01:

Mausim bhai has refused to help us
1043

01:

So rather than getting
killed by our enemies...
1044

01:
...it's best that my friends kill me
1045

01:
If it's like that, Adi,
then Boman take this
1046

01:
Hold it
1047

01:
And cut it
1048

01:
Cut it

1083

01:

Kabir will go through a bad time...
1084

01:

...when I get hold of him
1085

01:

01:

Actually you two should get married
1140

01:

And as far as my life-partner is concerned
1141

01:

Rather than being rich,
I am looking for a life-partner...
1142

01:

...that's honest, caring and
loves me very, very much
1143

01:

Did you have these qualities
when you trapped us, witch?
1144

01:

You wretch
1145

01:

But, Kabir, why did you

name this casino, 'The Four Jokers'
1146

01:
Come on, Kamini
1147

01:
We got this casino
because of those four jokers
1148

01:
That's why this casino
is called 'Four Jokers'
1149

01:
No fighting
1150

01:
Adi, no fighting
1151

01:
I will stamp that pest under my feet
1152

01:
Why do you keep calling him pest?
1153

01:
Call him earthworm
1154

01:
It feels good when I call him pest
1155

01:
We'll feel good only
when we ruin those three

1156

01:

But, Adi, they are also very smart

1157

01:

That's why we have to be over-smart

- Yes

1158

01:

Just like they first won

our trust and then broke it - Right

1159

01:

Similarly we will

have to first win their trust...

1160

01:

...and then break it

1161

01:

What are you saying?

1162

01:

That Kabir isn't blind

1163

01:

He will recognize us

1164

01:

He won't recognize us

1165

01:

Because we will don a new look

for every situation

1166

01:

Correct

1167

01:

Yes

1168

01:

But how will we change
the way we look

1169

01:

Get up, get up
- I am already up, what get up

1170

01:

'Hooliya' (getup)

1171

01:

Adi, don't abuse me in a lisp manner

1172

01:

I can do it too

1173

01:

You are a 'Hooliya'

1174

01:

I will kill him first before Kabir

1175

01:

Adi, control, control

- What control?

1176

01:

We are in a pitiful state...

1177

01:

...and those four are having a gala time

1178

01:

Gala time

1179

01:

Let's join them

1180

01:

1181

Stealing
1197

01:

that what a good thief I am
1198

01:
Instead I am trying to say that...
1199

01:
...I will expose the
thieving going on in your casino
1200

01:
Ghanta Singh
- Yes
1201

01:
No one can ever steal in my casino
1202

01:

Amigos, amigos
1227

01:

Oh no
1228

1238

01:

He is dead, forget it

1239

01:

1240

01:

The rascal's on vibrator mode

1241

1242

01:

1243

01:

Kabir I knew it

1244

01:

I knew your short-temper very well

1245

01:

That's why I took

the bullets out of your gun

1246

01:

But don't spare this cheater Lee

1247

01:

Here

1248

01:

Don't spare him

1249

01:

he is a Sardar and also effective

1259

01:
Ghanta Singh, you are hired from today
1260

01:
Thank you, sir
1261

01:
I won't spare you
1262

01:
You threw me down
from a 20 storey building
1263

01:
If I hadn't done that...
1264

01:
...then Kabir would
have shot 20 bullets in you
1265

01:
Look, please
1266

01:
Whatever I did was for your benefit
1267

01:
Don't say that
1268

01:
I hate the word 'Kiya',
I hate that girl Kiya
1269

01:

Then you must also hate that song

1270

01:

Kiya, Kiya, Kiya...kya Kiya

1271

01:

Look, according to the plan...

1272

01:

...you have to make
that girl Kiya fall in love with you

1273

01:

How is that?

1274

01:

Posing as an animal

1275

01:

Listen

- Yes

1276

01:

You have to make
a wild entry just like him

1277

01:

That's fine, Adi

1278

01:

But you tell me...

1279

01:

...why did you get me
a ladies gorilla costume
1280

01:
What difference does it make
whether its ladies or gents
1281

01:
A gorilla is a gorilla
1282

01:
lts time for Kiya to arrive
1283

01:
l will go alert Roy
and you put on your head
1284

01:
Best of luck
1285

01:
Boy, return me the head
1286

01:
Why you...come here
1287

01:
Adi, Boman, where are you two?
1288

01:
Wow, Boman, you are so smart
1289

01:
You also sound like a gorilla

1290

01:

But what are you doing inside?

1291

01:

Seems like some dimwit
put you inside the cage...

1292

01:

...thinking you are a monkey, isn't it?

1293

01:

Don't worry, I will get you out

1294

01:

Okay

1295

01:

Go, go, go

1296

01:

Yes

1297

01:

All the best Boman

1298

01:

All set man

1299

01:

There comes the woman

1300

01:

Go, man, go, go, go

1301

01:

No

1302

01:

Stop

1303

01:

What man?

1304

01:

Are you a gorilla or a jungle idiot?

1305

01:

She is a woman

1306

01:

Women are like Mother India,

Henna, Chandani, Biwi Nol

1307

01:

Women are 'Balika Vadhu',

'Na Aana Iss Desh Mein Laado', 'Uttaran'

1308

01:

Give respect, man, take respect

1309

01:

If you don't respect women...

1310

01:

...then that will be really bad

1311

01:

Seems like you don't understand
1312

01:

Now I will make you...understand
1313

01:

You are black, I am black
1314

01:

Yet you troubled this woman
1315

01:

This isn't possible
as long as Tukya is there
1316

01:

Did you understand?
1317

01:

Good
1318

01:

You are showing your true colors again
1319

01:

You won't understand this way
1320

01:

Take this
1321

01:

Take it, take it, take it

1322

01:

My dear

1323

01:

You are so mischievous

1324

01:

Real gorilla

1325

01:

You monkey, will you kill him?

1326

01:

Stop it

1327

01:

He turned out to be the
Emraan Hashmi of gorillas

1328

01:

He kept kissing me for
two hours Two hours

1329

01:

Be thankful that...

1330

01:

...he didn't turn out to be
the Shakti Kapoor of gorillas

1331

01:

Otherwise something
else would've swelled up...

1332

01:

...instead of your lips

1333

01:

This...this is Manav's fault

1334

01:

He made the real gorilla come after me

1335

01:

Yes, we shouldn't involve him
in any plan

1336

01:

Sorry, guys, I am not so smart

1337

01:

I don't know who and what I start seeing

1338

01:

Look, that girl that's
approaching looks like Kiya

1339

01:

Sister, where is room number 3C

1340

01:

Run Run

- Run

1341

01:

Oh that gorilla killed me!

1342

01:

Hi

- Hi

1343

01:

This is for you

1344

01:

Thank you

- Thank you for saving my life

1345

01:

No, no, it was my duty to rase you

1346

01:

What?

- I mean, save you

1347

01:

Sit down

1348

01:

How can you speak Hindi?

1349

01:

Actually my mother

was Kali and father was Kale

1350

01:

So, how can you speak Hindi?

1351

01:

I mean to say, my mother was Kali...

1352

01:
...and my father was called Kale
1353

01:
Sagaran Kale
1354

01:
He was an Indian
1355

01:
And myself, Tukaram Sagaran Kale
1356

01:
You can call me Tukya, man
1357

01:
Tukya
1358

01:
You landed in a soup because of me
1359

01:
Don't worry, you can compensate for it
1360

01:
Feed me this soup
- Superb
1361

01:
Now I will look after you until
you don't recover completely
1362

01:

Liar
1363

01:
You mean really
1364

01:
No!
1365

01:
No
1366

01:
What happened?
1367

01:
Don't you like me?
- I like you...
1368

01:
...but I already have a
commitment in my life
1369

01:
And once I make a commitment in life...
1370

01:
...then I don't listen to any rascal
1371

01:
Another commitment
- Yes
1372

01:
Who is he?

1373

01:

Tell me who he is?

1374

01:

Him It's him

1375

01:

My younger brother, Dodo

1376

01:

He was affected by chicken guinea...

1377

01:

...since then he lost all his qualities

1378

01:

Since then he keeps
playing with his marbles

1379

01:

He has lost his marbles

1380

01:

This is a realization of dreams

1381

01:

This is the ultimate...

1382

01:

I fulfill his desire of
even swatting a fly

1383

01:
I am scared, Kiya
1384

01:
I am scared that if I don't pay
attention to my only brother...
1385

01:
...then this Dodo might be lost
1386

01:
Tukya, now I respect you much more
1387

01:
Your brother...
- Is right here
1388

01:
Hi
1389

01:
I am Jojo His brother
1390

01:
What is he doing here?
- How do I know?
1391

01:
How sweet!
1392

01:
But, Tukya, you said that
you have only one brother
1393

01:
That's correct
1394

01:
He is my official brother
1395

01:
And he's my unofficial...useless brother
1396

01:
Unofficial
1397

01:
My father had a one night stand
with some black woman
1398

01:
So he is the symbol of that blemished deed
1399

01:
My step-brother
1400

01:
Jojo Kale
1401

01:
But a brother is after all a brother
1402

01:
And these two useless boys...
1403

01:
...are the real treasure of my life
1404

01:

Real treasure

1405

01:

Tukya, now I respect you even more

1406

01:

Now these two are our responsibility

1407

01:

Bye, Dodo

1408

01:

Bye, Jojo

- Bye

1409

01:

Bye, Tukya

1410

01:

Rascal, you were about to ruin our game

1411

01:

I wanted to be your only

insane brother as well

1412

01:

Now only Kabir will go crazy

1413

01:

1414

01:

Ghanta

- Sir

1415

01:

I feel like playing golf today

1416

01:

Great, sir

1417

01:

But, sir, there's only

10 days left for the 31st

1418

01:

And you are playing golf

instead of finding an investor

1419

01:

What do you think, sir?

1420

01:

That the investors

will come dancing to you

1421

01:

Hey, fool

- Who is it?

1422

01:

Hey, hold this, hold it

1423

01:

Rope

1424

01:
I am here for valet parking
1425

01:
Why are you giving me a rope?
1426

01:
Take a look there
1427

01:
Oh sir!
1428

01:
Wow, such a big yacht
- Big
1429

01:
This is the smallest of my five yachts
1430

01:
Sir, that's the smallest one
1431

01:
Sir, he has five more
1432

01:
Stupid, is Tony Bonzela here
- No, sir
1433

01:
No! That rascal
1434

01:
Poor Bonzelo

1435

01:

Bonzela, you fool

1436

01:

I decided to give 1000 crores
with no interest

1437

01:

And I wanted you
to play just one game of golf...

1438

01:

...and you show no interest

1439

01:

No, no, no, no

1440

01:

Our deal is cancelled

1441

01:

Now don't bother me again, understand

1442

01:

Understand, go

- Darling, let it be

1443

01:

Let it be, darling

1444

01:

Let's go fill up some...holes

- Okay, okay

1445

01:

Let's go fill up holes

1446

01:

Sir, the deal's cancelled

1447

01:

Sir, go play a game of golf with him...

1448

01:

...and your game will be fixed

- What do you mean?

1449

01:

I mean your job will be done, sir

1450

01:

Your job will be done

1451

01:

How do you know?

1452

01:

And you can also take this woman

if you want - What?

1504

01:

Brother, she is getting

too close for comfort

1505

01:

I feel like swatting her

1506

01:

So how are you doing?

1507

01:

Guess who is standing behind you?

1508

01:

Pamela

- I know, Nelson Mandela

1509

01:

Johnny Bonzela

1510

01:

Oh shit

1511

01:

Bonzela

1512

01:

You are speaking Tamil

1513

01:

I mean, sir, he is not worth meeting

1514

01:

Yes, why meet him now?

1515

01:

The deal's over and so is the relation

1516

01:

What over?

1517

01:

He should know where

his investors are investing their money

1518

01:

Johnny

- What do you want, Kabir?

1519

01:

I want you to meet my new investor

1520

01:

I bet you know him

1521

01:

Nope, I don't know this Gujarati

- What?

1522

01:

But I know that Gujarati

1523

01:

Oh no, where did he come from?

1524

01:

Hello, Mr Bonzela

- Hello, my dear friend

1525

01:

And you are?

- He's my brother Moti

1526

01:

He knows Bonzela

1527

01:

I only talk to him through phone

1528

01:

And that's why Bonzela
recognizes him and not me
1529

01:
But now Johnny, this deal is over
- Deal
1530

01:
Baldy, to hell with you
1531

01:
Get out
- Nobody talks to Bonzela like that
1532

01:
Hey, Bonzela, nobody talks to
my investors like that, you 'Gandul'
1533

01:
Again 'Gandul'
1534

01:
I will show you
1535

01:
Let's have a drink
1536

01:
Manav, for first time you saved us...
1537

01:
...and didn't land us in trouble
1538

01:

But how do you know Johnny Bonzela?

1539

01:

All of you considered me useless

1540

01:

And it hurt me deeply

1541

01:

It made me furious

1542

01:

I fell at Johnny Bonzela's feet

1543

01:

'Okay'

1544

01:

And I said "Just say hi,
hello, chow" in front of them

1545

01:

And after that you know
what happened now

1546

01:

Wow, wow, wow!

1547

01:

Adi, you are so smart

1548

01:

Mama will be so proud of you

1549

01:

Thank you, Adi

1550

01:

Friends, I have finally found
partners for my casino

1551

01:

And on this happy note,
I would like to propose...

1552

01:

...to my life-partner

1553

01:

Kamini, will you marry me?

1554

01:

The love in my eyes...
is for you, sweetheart

1555

01:

There's no one like you

1556

01:

My heart believes so

1557

01:

When you hug me

1558

01:

When you kiss me

1559

01:

When you hug me

1560

01:

When you kiss me

1561

01:

My heart goes zoom, zoom

1562

01:

Why?

1563

01:

There were many crazy after me

1564

01:

But I fell only for you

1565

01:

Tattoo my name on your arms

1566

01:

So that the world can see it

1567

01:

When you hug me

1568

01:

When you kiss me

1569

01:

When you hug me

1570

01:
When you kiss me
1571

01:
My heart goes zoom, zoom
1572

01:
Why?
1573

01:
I have no regrets in losing my heart
1574

01:
Finding you was real joy
1575

01:
Always stay mine
1576

01:
Otherwise wonder
what will happen to you
1577

01:
When you hug me
1578

01:
When you kiss me
1579

01:
When you hug me
1580

01:
When you kiss me
1581

01:

My heart goes zoom, zoom

1582

01:

Why?

1583

01:

You have seen all the
security arrangements

1584

01:

Now please come with me

1585

01:

On the 31st the money
that you will finance...

1586

01:

...will be kept in this vault
behind this fish tank

1587

01:

That means if someone tries
to deactivate the alarm...

1588

01:

...he still won't be able to steal them

1589

01:

Your 1000 crores will always
stay before my eyes

1590

01:

That was fun, Kabir

1591

01:

Your safe and our money
is absolutely safe

1592

01:

Then how will we be able to get the money

1593

01:

Of course we will

1594

01:

We will get him the 1000 crores finance

1595

01:

1616

01:

Don't forget, Kamini was a bar dancer

1617

01:

Munni is disgraced

because of you, darling

1618

01:

Munni's cheeks are rosy,

eyes are intoxicating

1619

01:

And gait is regal

1620

01:

I became a Zhandu balm

because of you, darling

1621

01:

1622

01:

01:

And gait is regal
1624

01:

Sir, in which bar did she dance?
- Deepali bar
1625

01:

Wow, sir
1626

01:

Sir, should we arrange
for a exotic dance program...
1627

01:

...of sister-in-law
in the casino on the 31st
1628

01:

Of course, of course
- Great, sir
1629

01:

1633

01:
Give me a hug
1634

01:
Hi, Dodo Hi, Jojo
- Hi
1635

01:
What a beautiful house!
1636

01:
The rascal built such
a big home with our money
1637

01:
He means to say that...
1638

01:
...he built such a big house
with hard earned money
1639

01:
Brother is here too
1640

01:

Come on, come on

1641

01:

1643

01:

People must call you Tukya, isn't it?

1644

01:

How did you know, brother?

1645

01:

Because he looks like a Tukya

- Kabir

1646

01:

Please come take a seat

1647

01:

No, no, first I will see Priya's bed

- What?

1648

01:

Bed, bedroom, kitchen

The courtyard

1649

01:

Show me

1650

01:

Brother, I will...

- Take him, take him

1651

01:

Dodo, Jojo, Don't trouble, uncle

- Tukya

1652

01:

Don't worry about them

1653

01:

I will look after them

1654

01:

You Tukya

1655

01:

Who pinched me?

1656

01:

You did?

1657

01:

He did

- Not me, he did

1658

01:

He did

- He did

1659

01:

You did

- You did

1660

01:

Stop, stop
1661

01:
Dodo, Jojo
1662

01:
You shouldn't fight amongst yourselves
1663

01:
You are good boys, aren't you?
- Yes
1664

01:
Brothers shouldn't fight
- No
1665

01:
Now shake hands
- Okay
1666

01:
Not mine
1667

01:
Shake your hands
1668

01:
Come on
- Okay
1669

01:
Good boys, good boys, good boys
1670

01:

Wow, sir

1671

01:

Correct, sir

- The solution to everything...

1672

01:

You are right, uncle

1673

01:

As brothers we cannot
fight amongst ourselves

1674

01:

But we can fight with you

1675

01:

Stop

1676

01:

Stop, stop

1677

01:

You shouldn't raise
your hands on elders

1678

01:

This is my last warning

1679

01:

Would you like to eat something?

1680

01:

No, we want to drink

1681

01:

Milk

- Milk

1682

01:

Milk

1683

01:

Your milk is very nice

1684

01:

See, there's a slight
problem in the beginning

1685

01:

But this is a child's job for me

1686

01:

Uncle, uncle, should I read your palm

1687

01:

Sir, he's just a child, let him

- Go ahead

1688

01:

Jojo

- Dodo

1689

01:

Look at this line

1690

01:

It says that he is going to be a pauper
1691

01:
A pauper!
1692

01:
You are going to be ruined
- What are you saying?
1693

01:
We will have to erase this line
1694

01:
What is he saying, sir?
1695

01:
Can anyone ever erase the lines?
1696

01:
What the...
1697

01:
How dare you?
1698

01:
The younger brother can't do it
before the elder brother
1699

01:
Yes
1700

01:
Now you do it
1701

01:

Why you... What are you saying?

1702

01:

Why you...

1703

01:

You rascal!

1704

01:

Sir

- Yes

1705

01:

Let's do it, sir

- Let's do it today

1706

01:

Why the...

1707

01:

Brother

1708

01:

Beat them

1709

01:

Beat them some more, beat them

1710

01:

Sir, he's saying beat them

1711

01:

Sorry, sir
1712

01:
Tukya
- What Tukya?
1713

01:
Your brother spit on them
- Not me, they did
1714

01:
Instead of tearing down this difference...
1715

01:
...you broke their lovely hearts
1716

01:
Let's go, come on
1717

01:
Tukya, wait
1718

01:
Brother, these innocent boys...
1719

01:
How could you?
1720

01:
They aren't innocent...
1721

01:
Now I disgrace you just
as much as I respect Tukya

1722

01:

Enough, now Kiya goes where Tukya does

1723

01:

You mean you will

marry this black ghost...

1724

01:

...against brother's permission

1725

01:

Yes

- What?

1726

01:

Sir, sir, don't murder her in a fit of rage

1727

01:

I will kill...

- Try it

1728

01:

Mr Kabir Naik,

you are not my family anymore

1729

01:

We are family, let's go

1730

01:

Black and white family, sir

1731

01:

I pronounce you man and wife

1732

01:

You may now kiss the bride

1733

01:

1739

01:

G for Gulgul apple

1740

01:

Dodo, Jojo

1741

01:

Why are you two playing with the apple?

1742

01:

Adam and Eve ate an apple
before their wedding night

1743

01:

That's why we are playing with the apple...

1744

01:

...because we want to play
wedding night with sister-in-law

1745

01:

No, no, Dodo

1746

01:

Only I can play this game
with your sister-in-law

1747

01:

You two take your marbles out

1748

01:

Come on, come on

Get it out, get it out

1749

01:

What, man?

1750

01:

Who are you?

1751

01:

Who sent you and for what?

1752

01:

Why do I tell you that
my name is Milan Supari

1753

01:

The famous super hit-man
- Hit-man

1754

01:

Yes And why should I tell you...

1755

01:

...that your brother Kabir
sent me to kill your husband

1756

01:

Brother

1757

01:

Okay, Tukya, get ready

1758

01:

Get ready

1759

01:

Wait

- What?

1760

01:

You will have to kill me
before you kill my brother - Okay

1761

01:

Oh my, God!

1762

01:

Dodo

1763

01:

Whose turn is it now?

1764

01:

You or you?

1765

01:

You will shoot your brother, Adi

1766

01:

Adi?

1767

01:

No, I will shoot you completely

1768

01:

Jojo

1769

01:

You cannot leave us

1770

01:

Kiya, your brother shot both my brothers

1771

01:

Not two, Tukya, three

1772

01:

Kiya
- Tukya
1773

01:
Your brother killed me as well
1774

01:
Dodo, Jojo, I am coming
1775

01:
Tukya Tukya
1776

01:
Avenge my death, Kiya
- Tukya
1777

01:
Avenge our death, Kiya
1778

01:
Tukya!
1779

01:
Ghanta Singh
- Yes
1780

01:
What is happening?
1781

01:
What spell has that
black guy cast on Kiya?
1782

01:

Sir, it must be black magic
1783

01:
Sorry, sir
1784

01:
But, sir, don't drink
anymore alcohol in your tension
1785

01:
Sorry, sir
1786

01:
Sir
1787

01:
You are a Sardar
- Yes
1788

01:
You are a Sardar
- Yes, sir
1789

01:
That's why your drink is effective
1790

01:
Sir, sir, what's wrong?
1791

01:
Ghanta Singh
- Yes
1792

01:

I have been trying to call
Kabir for so long...

1793

01:

...but he isn't answering

1794

01:

Where is he?

1795

01:

Upstairs, in his room

1796

01:

He is on a waterbed

- Waterbed?

1797

01:

Yes

1798

01:

If I would have been in your place...

1799

01:

...then I would've never gone upstairs

1800

01:

Fine, I won't go as well

- No, no, no

1801

01:

I am in my place, you are in your place...

1802

01:

...but sir is in a wrong place

1803

01:

What?

1804

01:

Kabir

1805

01:

Oh Jesus, Kamini

1806

01:

Save me

1807

01:

This is so embarrassing

1808

01:

Wait

1809

01:

Witch

1810

01:

I never imagined you will fall so low

1811

01:

You will cheat me

1812

01:

Kamini, I told you once

1813

01:

I didn't do anything

with that girl and that's it
1814

01:
And talk to me with damn respect
1815

01:
I am the man of this house
1816

01:
If you are the man of the house...
1817

01:
...you will do anything you please
1818

01:
Remember one thing, Kabir
1819

01:
If you cheat me, I will kill you
1820

01:
I will kill you
1821

01:
Oh Jesus!
- Come here
1822

01:
Kabir, save me
1823

01:
Save me
- What is happening?
1824

01:

What happened?

- Look at them

1825

01:

Barbara Hori, you witch

1826

01:

Tell me what you did with this Fakir

1827

01:

I will tell you

1828

01:

- Whatever happened last night between us...

- Nothing happened

1829

01:

No need to hide

1830

01:

I have confessed to my husband...

1831

01:

...that he is a mouse

1832

01:

And you...you are my tiger

1833

01:

Sister! Not a confidante or a companion

1834

01:

I want to be your partner
1835

01:
Kabir, I never imagined
that you will cheat me
1836

01:
Kamini Kamini, listen to me
1837

01:
Thank God you are here, Kiya
1838

01:
Try to explain to Kamini
1839

01:
She thinks I am a cheater
1840

01:
Kamini, brother isn't a cheater
1841

01:
He is also a murderer
1842

01:
And he has murdered
none other than my husband, Tukya
1843

01:
He also killed poor Dodo and Jojo
1844

01:
How could you, brother, how could you?
1845

01:

Kiya, listen to...

1846

01:

That's why I am here to curse you...

1847

01:

Don't you dare give anything more to sir?

1848

01:

Sir has already had enough

1849

01:

Shut up!

- Shut up!

1850

01:

Sorry, sir

1851

01:

Just like you snatched my love...

1852

01:

...similarly you will lose your love as well

1853

01:

No, he has already lost his love

1854

01:

We are out of your life, Kabir

1855

01:

Out of your life

1856

01:

Forever

1857

01:

Kiya, Kamini

1858

01:

Rascal, even we are out of your life

1859

01:

You tried to pick on my wife

1860

01:

You forget about that one billion

1861

01:

Rascal, sister-in-law should be
honored and not wooed

1862

01:

Understand

1863

01:

Brother, let's go

1864

01:

I feel like meeting you

1865

01:

Sir, she is singing

1866

01:

Now you play, play

1867

01:

Dirty man

1868

01:

I hate you, you stupid man

1869

01:

Sir, you lost almost everything
in a single day

1870

01:

Sir, those four are responsible for it
- What?

1871

01:

The stars, sir

1872

01:

Sir, emotions went down the drain

1873

01:

Let's save the profession now

1874

01:

Okay

1875

01:

But how will we get 1000 crores
in two days

1876

01:

Sir, there is one guy

1877

01:

Who?

1878

01:

Kabir, the number one beggar
in all of Macau

1879

01:

Before I give you 1000 crores,
I have one condition

1880

01:

Call yourself Gandul

1881

01:

Sir, let's go from here

1882

01:

I cannot tolerate your humiliation

1883

01:

What's the worst that can happen, sir?

1884

01:

You will be ruined

1885

01:

You will be bankrupt

1886

01:

Your state will be pitiful

- Johnny Bonzela

1887

01:

I am a 'Gandul'

1888

01:

Done I will give you 1000 crores

1889

01:

But remember one thing

1890

01:

This guy lost my money,

he lost his life

1891

01:

You lose my money

You will lose your life

1892

01:

'Kabir, you will surely lose your life'

1893

01:

'Because we are going

to get that 1000 crores'

1894

01:

But how will I get those 1000 crores

1895

01:

It's simple

1896

01:

I will drop a pill in the fish tank...

1897

01:
...which will make the water dirty
1898

01:
After that you come there as cleaners...
1899

01:
...and clean everything
along with the fish tank
1900

01:
Ladies and gentlemen Here

1909

01:

1910

01:

1911

01:

1912

01:

So many...were breathless
1913

01:

having a bad stomach

1920

01:

Call the cleaners

1921

01:

1922

01:

These crazy boys have seen...

1923

01:

I created the night with my tresses

1924

01:

And the moon with my face

1925

01:

Some are after me while some are in front

1926

01:

Some above me while some are below

1927

01:

few bubbles when they clean the tank

1936

02:

Don't worry

1937

02:

You can ask everyone here

1938

02:

I am every lover's passion

1939

02:

For everyone...

I am Love's definition

1940

02:

Some see me, some touch me

1941

02:

Those who touch me, start swaying

1942

02:

Everyone asks where you hail from

1943

02:

1984

02:

Now watch as we do another foolish thing

1985

02:

1988

02:

I want Kabir alive so that I can kill him

1998

02:

What will be my share?
- Shut up, Manav
1999

02:

Now we will be ahead...
2000

02:

2001

02:

Wow, Adi, you are so smart
2002

02:

Adi

2003

02:

What is happening?

2004

02:

2005

02:

Oh no, that's us

- Yes

2006

02:

And those who stole

your money, public's money...

2007

02:

2009

02:

Oh shit

2010

02:

2014

02:
There are no cameras here
yet someone filmed us
2015

02:
Adi, you are not so smart
- Shut up
2016

02:
But who did this?
2017

02:
Kabir

Kiya
- These rascals did this
2019

02:
Fools, you think you duped us
2020

02:
But we...duped you instead
- Us?
2021

02:
Yes, Double Dhamaal
2022

02:

That means you three

2023

02:

Of course, Tukiye
2024

02:

What did you think?
2025

02:

You didn't break the difference between us...
2026

02:

...and separated a brother and sister
2027

02:

And, Boman, you
2028

02:

This boy's hot
2029

02:

Make me your partner
2030

02:

And what did you think?
2031

02:

- You can ruin us posing as
Ghanta Singh - No
2032

02:

Good shot, Kabir

2033

02:

- What?

- Balls to me

2034

02:

First we duped you of 250 crores

2035

02:

And now 1000 crores

2036

02:

But just a minute

2037

02:

We have those 1000 crores

2038

02:

And we will never tell you
where we have hidden it

2039

02:

What now? What now?

What now?

2040

02:

Who will tell us now

2041

02:

2042

02:

Oh no

2043

02:

Mausim bhai, you are alive

2044

02:

No matter how ill one
wishes for me...

2045

02:

...but my fate's already
decided by Kabir boss

2046

02:

Kabir boss?

2047

02:

The one that brought you
to India from Macau

2048

02:

Are us

2049

02:

The one that kept an eye
on your every move, every planning

2050

02:

Are us

2051

02:

The 1000 crores that
you hid in Rodex dockyard

2052

02:

The one that transferred it to
Kabir Naik's Swiss account
2053

02:

2057

02:
You were supporting them all the time
2058

02:
On that note I remembered
2059

02:
When someone's going
through a bad phase
2060

02:
He doesn't need a watch
2061

02:
Leave the watch, rascal
2062

02:
We have lost the money,
at least leave the watch

2063

02:

But, Kabir, why us?

2064

02:

It was your fault

2065

02:

I warned you so many times...

2066

02:

...that don't come to my home,
don't come to my home

2067

02:

I will make you pay

2068

02:

But you...

2069

02:

Kabir Kabir Kabir Kabir

2070

02:

Now you are paying for it

2071

2073

02:

Yes, you invited your own death

2074

02:

He must be on his way

2075

02:

And after this,

we will show him your film...

2076

02:

...in this red lounge

2077

02:

And then he will make

small pieces of your body

2078

02:

Al-pachino, Robert deniro

2079

02:

Bun par laat marino, bun phatino
