I'm a lizard.
That's so childish.
I think it's fun.
Text home.
You're going to the clinic.
Shut up.
Myung-hee!
I'm sorry.
You OK, Eun-kyung?
Sorry.
We'll go over there.
She's cold and heartless.
Who doesn't know
she's a bookworm?
Does she have to study
at lunch time too?
Forget it.
I should have learned fencing
or something like you, right?
You tire too easily.
You should practice more.
- OK
- Go on!
- Aren't you tired?
- I'm OK.
Take it easy.
You did good today.
Thank you.
Hello, there.
Choi Sang-kyung!
How many days has it been?
Come on, coach
The contest is only
a few days away.
You won't get into college

at this rate.
Coach, I was kind of...
sick...
If you keep this up
I won't write you a recommendation
Got that?
You know, coach...
if you keep getting upset
I'll come out.
- You'll get more wrinkles
- You stay there. I'll go.
You're the one who's
giving me wrinkles.
I'd be a young man
if it wasn't for you!
Sang-kyung and I have
grown apart we used to be close.
Now it's uncomfortable.
Don't let it get to you.
Some people are bound
to get hurt.
You're right.
So it's not my fault?
No.
Hug me.
I like it here.
You too?
Hey!
This is too hot and heavy
for a public place.
You stay out of it.
You're sure about that?
Yeah!
Then I'm telling mom
you're making out.
Hey.
- Ga-yun!
- Boo!
I'm in trouble.
- Come on, Ga-yun.
- I'm going to my mom!
Come here!
Don't!
- Hey.

- Mom! Dad!
- Dad! Dad!
- Ga-yun!
- What do you want?
- Ga-in...
- An MP3 player?
- Cut that out.

What's gotten into you?

She's So pretty

Funny ha ha.

What's with you today?

Go to your room.

- Why?
 - I got you new clothes.
- Why?

It's your aunt Jee-sun's
wedding tomorrow.

All right!

- Yippee!
- Me too!
- What about the fruit?
- Later.

his brother and his wife.

The road is covered
with blood.

The crime scene
is horrendous,

- Honey...
 - The police said
the two brothers were
known to be close.
- The police believe this
was not premeditated.

- It's good to see you.
- You look so pretty.
- Hello.
- How have you been?
- Congratulations.
- Thank you.

Congratulations.

- Where's aunt Jee-sun?
- In there.
- You should get married soon, too.
- Yeah!

- Auntie!
- Hey, Ga-in!
- See you later.
- Okay.

Someone gave you
an incredible makeover.
Must have taken
a long time.

- Since there wasn't much to begin with.
- Hey!
- Congratulations.
- Thank you.

She's getting married
without any problems.
I hope nothing
goes wrong.

Did uncle come up
from Gangwondo?

He hasn't come out in 30 years.
Not after what happened.

- Aunt Jung-sun.
- Hey.
- Aunt Jee-sun looks Beautiful.
- I know

When are you getting married?
Not anytime soon.

That's my sweetie.

This is my boyfriend.

- Nice to meet you.
- Nice to meet you too.
- Hi.
- Been behaving?

Jee-sun!

Jee-sun! What's wrong?

He pushed her!

Wake up.

Open your eyes, Jee-sun!

Surgery in Operation: KIM Jee-sun

- Honey...
 - Don't even think that.
- It was just an accident.

But...

It won't come to us. It can't.

Sweetie.

She should be OK.
She's stable now
Jee-sun! It's me, your mom.
Jee-sun!
- Are you all right?
- Jee-sun!
- Please step back.
- Open your eyes.
Jee-sun!
- We're going to go.
- Go on home.
Take care of her.
I'll stay a little longer.
Don't disturb her.
And don't ask her questions
All right.
Don't worry.
Hey! No smooching
in the hospital, ok?
Ga-yun, she's so...
You heard my sister.
You should behave...
- She'll be ok, right?
- She'll be fine. Don't worry.
Die! Die!
Die! Die!
Auntie!
Auntie! No, don't!
No, don't!
- Are you all right?
- Ga-in...
- Hey, wake up!
- Wake up!
- Hey!
- Doctor!
Jee-sun...
I can't write a report
if you keep quiet.
This is frustrating.
Your daughter showed
no signs at all?
Detective.
Jung-sun isn't the one
who killed her.

What do you mean?
There are several witnesses.
You won't believe this, but...
Many family members
died for no reason.
It's like a curse
There's something, all right.
Listen to this.
A son killed his mother
for scolding him,
A father who raped and
impregnated his daughter,
A man who buried his
brother over an inheritance,
These are cases that
happened this month.
Jee-sun's case is not
even that serious.
The whole world seems cursed.
Ga-in...
Choi Sang-kyung!
- What's up, coach?
- What's up?
You should know you
shouldn't pulling back!
If I'm going to avoid
losing points.
I have to do that Sometimes.
You call yourself a man?
You're no match for Ga-in.
I'll work on it.
You're next.
- Ga-in.
- Mom!
It's all right.
- Mom.
- You're sweating...
Mom... I had a dream...
No! Don't say anything.
It's all right...
It's all right...
Attention!
No need, Eun-kyung.
Thanks.

- What a show-off

- I know.

Kim Mi-joo, Na Hyang-shin,

Lee Sori, get up!

Yes.

You in the top 3.

For the number of times

being late for school.

I'll do my best.

Excuse me, I need your help.

What is it?

We're shooting a video

to promote our school.

- Is Kim Ga-in this class?

- Yes

Could you send her downstairs?

Kim Ga-in!

She went to the nurse's

office 'cuz she felt sick.

She did?

It has to be Ga-in...

Eun-kyung has the best

grades in school.

We're not showing

grades on the video.

Ga-in's good at fencing

and in other areas.

I'll let you know

if we have no choice.

She can't get the job even with his help.

- I know.

Yeah. Thanks for the food.

Who's there?

Who's there?

Surprise!

Can't you knock?

This isn't your room,

you know.

Heon-joong was here?

Want some?

No thanks.

Did you know you're

getting filmed later?

Me?

Not interested?
Can't be bothered.
You do it.
Eun-kyung really wanted
the job actually.
You should have seen
her face...
when she didn't get it.
It was priceless.
I'm taking off.
She didn't mean it
like that.
Feeling better?
Yeah.
Die.
Huh?
I said 'Die'.
Eun-kyung.
Die!
- Die!
- Eun-kyung!
Eun-kyung...
Are you OK?
Die!
Die!
Better now?
Yeah, I'm fine.
You think they're all accidents?
What?
The things happening around you,
and the things that are
going to happen.
Don't trust anyone.
Your friends... Your family...
Not even yourself.
Then you just might live.
Ga-in. Mom's upset.
OK.
I'm home!
Where have you been?
Your phone was off.
And you didn't go to practice.
- I was at a friend's...
- Which friend?

What's with all the questions? Geez!

What's wrong with you?

You should have come
straight home!

That's enough, honey.

Ga-in.

Whatever happens...

I'll watch over you...

Good morning, Sir.

Eun-kyung transferred
to another school today.

Huh? What happened?

I think he resents you.

So what!

What's with you?

Everything's a mess and
you talk nonsense!

What?

Forget it.

Sir...

Sir...

She had the best grades
and made me look good.

I don't get any respect now?

Sir...

Sir...

Why should she have to
leave and not you?

It's your fault.

With you gone,
she'll come back.

You just have to go.

Sir!

Let her go.

What did you mean
don't trust anyone?

Am I going to die?

Then what's going to
happen to me?

Don't trust anyone.

Not even yourself.

Then I'll live?

Maybe...

Hey, Ga-in!

- You OK?

- Yeah.

Your teacher is whacko.

I don't know what the hell's
going on.

Put this on your scratches.

And you...

It's not coming out.

Go home and rest.

I'll tell the coach.

I don't know if this is
such a good idea.

I want to hear exactly
what happened that day.

She hasn't said a word
since the incident.

We'd really appreciate it
if you get her to talk.

Aunt...

I almost died twice.

I'm so scared.

Please help me.

You're home?

Go in. Been waiting long?

A few months ago,

You can sleep easy tonight.

What do you like so much
about Jee-sun?

Pretty much everything.

Come on, say something!

Say something!

I love you.

You expect me to believe that?

What about my sister?

You were just playing with her?

No... I'm marrying her.

You're crazy.

I'm marrying her anyway.

- I'm tired.

- Really?

Hey, look at here.

I'm gonna take pictures. Look.

When I saw her looking so happy,
I suddenly wished

she would die.

Sis...

Hub...

where's my hubby?

I don't remember anything after that.

I really didn't believe it...

when people said she would die.

I never thought I would...

do it myself.

How could I...

Be careful, Ga-in.

There's something... around us...

Hello?

Surprised? I'm outside your house.

Come on out.

What's up?

I was worried about you and...

Coach asked me to give

you the recommendation.

You have to submit it by tomorrow.

- Yeah?

- Yeah.

Coach is driving me nuts.

He said he'd kill me

if I don't check on you.

Then I'll come out.

Give me a minute.

Sang-kyung!

You have to go.

What's wrong?

Sang-kyung.

Die!

Die!

You have to go.

What is wrong with you!

Die!

Mom...

Mom...

Mom.

Where have you been?

I told you not to go outside!

Why don't you listen?

Mom.

What do you take me for?

- Mom, it's me.
- Die! Die!
Honey!
- What's wrong with you!
- Snap out of it!
I have to kill her.
Come to your senses!
Die!
You feel OK?
Yeah. Where's mom?
At your grandparents'.
Grannie's a little sick.
And Ga-yun?
Still fast asleep.
- Let's eat.
- Yeah.
Come downstairs.
Ga-in.
Going somewhere?
I can't stay home like this.
Do you know how
dangerous it is outside?
What about inside?
It's safe here?
Mom just tried to kill me!
Who knows,
when you'll change too?
I won't.
I think I have to die
for it to all end.
Ga-in.
I'll call you.
If you're serious, there's a place
you need to go to.
You have to go right now?
I can take time off in a few days.
I'll come with you.
There's no one there
so I should be safe.
Ga-in.
Don't worry. I won't die.
I'll be back.
You OK?
You must be... Ga-in.

Yes.
We were newlyweds.
We were so happy.
Hello.
Hwang Dae-yong.
Did you know your wife
is seeing someone else?
You're the one who sent that letter?
Stop calling here.
Who was that?
Nobody, mother.
Who was that young man
at the crosswalk with your wife?
Who? I have no idea.
That's strange.
I was sure it was her.
- Have some fruit.
- OK.
The fruit is very good this year.
Let's see.
Honey, have some.
Yes.
I didn't think anything
of it even then.
I felt bad about my wife
doing so much housework.
So I took her to a tailor
to get her new clothes.
You're mean.
Who was that man with
your wife at the crosswalk?
You're bad!
I was sure it was her.
- It's disgusting.
- Fight?
I got out of prison
and started looking for the caller.
Then... he called again.
Hello.
Hwang Dae-yong.
What do you want from me?
It's all your fault!
And you had nothing to do with it?
You didn't doubt her at all?

You never wanted to kill her?
Was it really my fault?
I...
couldn't say it was.
Because I was the one
who actually killed her.
I still wonder sometimes
whether she was really
seeing someone else Or not?
Who was the man that called?
Why did I... suddenly remember what
my mother had said?
Torturing myself for years
thinking of questions with no answers
is more like a curse.
SON MURDERS MOTHER
FATHER KILLS AND

BURIES DAUGHTER:

The reason I hold on to
all this material is because somehow
I'm still looking for
someone to blame.
It starts with petty jealousy.
People start killing
each other for days.
I look around and find
I'm the only one left.
Must I to die to put an end to it?
What do I do now?
I couldn't say it was...
because I was the one
who actually killed her.
I saw her look so happy
and suddenly I wanted her dead.
You OK?
You know,
I don't think this is because of
the curse.
Then why did they all
try to kill you?
Maybe...
you first gave them
a reason to do it.

You don't have to say anything.

I guess I should go back.

Ga-in,

I want to end it quietly...

- Mom, go inside.

- It's okay.

Mom.

Ga-in.

Mom.

I'm so sorry...

No, it's not your fault.

I know.

Don't cry.

It's OK, Mom. Don't cry.

- Dad.

- Yeah.

Do you sometimes

wish I was gone?

What do you mean?

I do sometimes...

wish that someone would disappear

or die.

I think that's when it strikes.

Ga-in.

Ga-yun.

Are you worried about me?

Don't worry. I won't die.

Want to get something

good to eat after school?

Yeah.

Why did she come?

What are you staring at?

Really?

Hard to believe, huh?

It must have been

really hard for you.

- I'm sorry.

- It's all right.

Ga-in.

See ya.

Myung-hee.

- I knew Heon-joong before you did.

- Myung-hee.

Myung-hee.

You have to go.
Myung-hee.
See ya.
Help me, Myung-hee...
Ga-in, what's wrong?
Ga-in, Ga-in!
The caller cannot be reached.
Heon?
You woke up earlier
than I expected.
Don't trust anyone.
Your friends... your family.
Not even yourself.
Mom! Mom!
Mom! Mom!
Dad... Dad...
Dad... Dad...
I sent them to a nice place.
Why! Why!
You think you're an
innocent victim?
Curses are created
in the present.
Don't you get it?
Where are we going?
Please help me.
You go first.
You should have listened to me.
Please!
Ga-in, let's go.
- Honey, don't do this...
- Let go!
Let's die together.
No!
I think he's alive!
- He's alive!
- Oxygen mask!
Someone is always
bound to get hurt.
Now it's your turn.
Mom!
Where is everybody?
Ga-yun, run!
Mom...

Ga-yun.

Something's wrong with her.

Ga-yun, it wasn't me...

- Why did you...

- It wasn't me.

Ga-yun, it wasn't me...

Ga-yun... Just run!

Come here, Ga-yun.

Run, Ga-yun!

- Let go!

- Sis!

No!

No!

Let go!

You think I... loved you?

I just got close enough
to kill you like this.

Ga-yun.

Mom!

- Dad!

- Ga-yun... Let's go.

Ga-yun... Let's go.

- No!

- Ga-yun... Come on!

A couple and a man
died in a fire last night.

He man is suspected as
the arsonist and killer.

Police say he approached
the older daughter
in order to get revenge.

His plans were carefully laid out,
but he ended up losing his life.

Sis...

Die!

You OK?

Ga-yun.

Mom and dad?

It's just us two now.

Sis...

Sis... this.

Ga-yun.

Ga-yun.

It's all your fault.

It's all your fault.
You have to go!
You have to go!
Die!
- Ga-yun.
- Die!
Ga-yun.
Die!
Die!
Why did you...?
What's wrong with you?
Sis.
I told you.
Don't trust anyone.
Your friends... your family.
Not even yourself.
No... No...
It wasn't me.
No...
It wasn't me.
Then... I killed her?
Don't you get it?
I only put the knife
in your hand.
You're the one who stabbed.
I'm OK.
What are you staring at,
you fucking bastard.
You piece of shit.
You think you can get away with it?
Why you fucker...
'Il show you who's boss
Lick up your spit!
Sir?
I said, lick it up you bastard.
Lap it up.
Lick it, fucker!
Go on. Lick it clean
The show's over!
Get back to class!
I'll see you, fucker,
after class.
This early morning...
bastard.

Wanna kill him, right?

Want some help?
