# Dulha Mil Gaya

By Mudassar Aziz

This is Trinidad..  
the West Indies..  
and it definitely is  
miles away from India.  
But three things are present  
everywhere in the world..  
air, water and  
Indians!  
I don't live here but..  
..probably the most  
beautiful girl in the world  
and also the most  
difficult lives here.  
And I am madly in love with her!  
Lotus.. Lotus..  
I've been screaming for so long..  
Will someone tell me  
where Lotus is?  
There you are Lotus!  
What kind of a person are you?  
Excuse me!  
You know very well what  
kind of a person I am!  
shut up, Lotus!  
I meant what kind of butler!  
Are the arrangements  
for the shoot done?  
What do you think, Miss Jasmine  
Kelson, personal assistant..  
These aren't your  
wedding arrangements!  
How dare you talk to  
me like that?-You..  
You never complete a  
single task but..  
get away by pampering shimmer!  
Benson.. Come here..  
Oh Benson come.  
Come here..Benson..  
Come right here!  
Tell me,  
who takes better care of  
this house, Jasmine or Lotus?  
This is just like a woman!

They cry when they  
realize they are losing!  
That's so mean!  
I don't know Hindi man..  
Why do you guys do  
this to me all the time?  
Come here..  
I shall talk to shimmer today..  
I can't take it anymore!  
shimmer!  
Oh God!  
I don't have the print outs yet!  
I haven't packed  
the AIO Vera juice!  
- Oh.. quick lovey. - Quick.  
- Hurry up, or we will  
never get there on time.. - OK  
Benson, get the car..  
stop screaming and hurry up!  
- Jesus.  
What are you doing on the floor?  
Hurry up or we will be late!  
Listen, I hope you were..  
Where did it go? It was here..  
Here's your phone..  
Thank you.  
- You're welcome.  
Hello..  
shimmer Canhai..  
..in 44 minutes..  
shimmer in 44 minutes..  
What? shimmer ready?  
Crap!  
Move!!  
Move. - Yes.  
Move it!  
What are you doing?  
'shimmer.'  
Come!  
'O shimmer.'  
And they are considering Tom  
Cruise to play opposite you..  
Isn't he too short..  
Quiet true.

- shimmer!  
Welcome to our shoot.  
Oh.. thank you..  
Hi shimmer..  
Everything is purple  
as you'd said..  
..tables, chairs,  
the set, the flowers..  
I can see that.. I can, I can.  
I even thought of  
wearing a purple shirt..  
Uhh.. make it white..  
My coffee..  
- Ready in a white cup.  
Oh how I love you Lotus.. white!  
shimmer.. it's difficult  
to make it white..  
shimmer listen, shimmer..  
Making it white is impossible!  
The whole set! Impossible!  
- Ridiculous.  
'sizzle.'  
It's a pleasure..  
- Thank you.  
- Thank you. - Pleasure..  
Oh Jigar.. you did it again.  
It was fantastic!  
Thanks shimmer..  
I was a little nervous.. as always.  
Jigar, When will you  
teach me to dance?  
I will.. I will!  
I keep telling you..  
you should have your  
own dance academy..  
I still don't get it  
why you want to be a DJ!  
Why doesn't anyone support  
me to become a DJ, shimmer?  
DJ'ing is my passion..  
- Have you ever heard me  
spin the tracks? - No..  
- You won't understand. - Hmmm..  
It happens.. happens with the best.

Even Einstein was misunderstood.  
- Isn't that right?  
- Einstein was a DJ?  
No.. a butler!  
shut up both of you..  
Did you hear about the  
party the other night?  
No..-You should've been there..  
It was simply rocking.  
It was slated to end at midnight,  
but due to my music ..  
Due to my music, it  
continued till early morning..  
- Are you listening? -  
You can ask Tanvi..  
Oh that reminds me.. how  
is that girlfriend of yours?  
The last time we met, she was  
angry.. so I guess she is fine..  
Oh that was a good one,  
Jigar.. Can I drop you somewhere?  
No.. fine.. thanks.  
- Are you sure? - Yeah..  
Alright then.. I'm off..  
bye see you.  
Oh I love Mickey.  
- Lotus.. - Jasmine..  
- shimmer.. - Come..  
Tanvi.. hello..  
Where have you been?  
Trying to call you for so long..  
What's wrong?  
Is everything alright?  
Yes, of course,  
everything is alright.  
The party where you  
were playing music..  
It was supposed to  
go on all night..  
But due to your music,  
everybody left in less than an hour!  
Jigar, you have until september..  
Dad will send me off to Tobago.  
Hold on..

- If you lose this job too..  
Hello.. Tanvi.. Tanvi..  
Tomorrow your friend  
Donsai is hosting a party..  
What's the occasion?  
It's his girlfriend's birthday.  
Whatever the excuse..  
It's Donsai's party  
and I must attend.  
shimmer.. I don't understand  
how you can like Donsai..  
I haven't come across anyone as  
confused as him..all my life!  
His parents named him Tej Dhanraj  
but he calls himself Donsai..  
Donsai ..meaning Money!  
You know, he didn't  
choose Donsai as his name..  
- Donsai!  
He lives life on his terms..  
Just as I do.  
Every girl knows that  
Donsai will never marry but..  
In spite of that..  
They all try their luck!  
Donsai!  
Donsai! I am here!  
He lets the girls to  
get close to him..  
And I think that's very  
generous of him, don't you?  
Yeah baby.. come on..  
'Donsai.'  
'Donsai.'  
shimmer, praise him all you want!  
But right now Donsai is  
about to break someone's heart!  
Donsai..  
Hmm..  
Donsai..  
- Hmm..  
Why are you hosting  
this party for me?  
If I knew you'd be so happy on

your birthday, so excited..  
I'd organize a grander party!  
- Donsai.. - Hmm..  
It's not my birthday tomorrow.  
Come on..  
shyIa, you can't get me  
wrong on that!  
I remember very well,  
last week you said..  
important day in your life..  
Yes, I did because..  
kissed for the first time!  
- Kiss? - Yes.. kiss!  
'Donsai.'  
But she says  
'Happy Birthday' on the cake!  
What?  
I .. it's OK,  
I'll order another one!  
Cake? You're unbelievable!  
What? I will just get  
one more.. I mean it's..  
- What I heard about  
you is true! - What?  
This relationship means nothing  
to you, you'll never love anyone!  
shyIa!  
- 'Donsai.'  
Tell me, what can you  
guarantee in this relationship?  
Guarantee? Do I have one?  
I learnt Hindi for you.  
And I organized a party for you!  
'Donsai.'  
- shyIa..  
what is it that I can guarantee?  
- Marriage! - Marriage!  
Marriage isn't  
something that I will ever do.  
Well then fine.. this  
relationship is over.  
shyIa..  
Tomorrow's party is only for you.  
Can we not break up day after?

What? You son of a..

'Donsai.'

HeIIo.. your order ma'am.

A shot of vodka,

a shot of Bacardi..

A drop of grenadine,

tripIe sec pineappIe juice

and a dash of sprite.

That'II be aII.

CertainIy.

What was it this time?

Beach chair.

- No!

Hmmm..

If I hadn't ducked,

I'd be missing an eye.

You know shimmer..

PeopIe often say, 'why get

married and ruin your own Iife.'

- Correct! - I Iive by

a different phiIosophy.

I mean why shouId I get married and

ruin another person's Iife.. huh?

You are very Ioved for that my dear.

You know, I cancelIed

three appointments..

..to be here at this party.

But Iook at this pIace.

It's just so very dead.

- They are mourning

my break up! - Oh..

They're sad!

Very sad, very sad..

but never mind that..

Let's ceIebrate this break up,

what say?

Let me hear the rhythm..

That's right..

A heart that's singIe,

a heart that's singIe..

a heart that's singIe,

On Iife's highway..

A heart that's singIe,

a heart that's singIe,

a heart that's single,  
Yeah that's my way..  
'That's right.'

Why stay in someone's heart,  
When you have a home to live in..  
You are your best companion,  
To live life to the fullest..  
Besides love after-all,  
There are other problems  
by the way..  
There are other  
problems by the way yeah..  
'One more time.'

A heart that's single, a  
heart that's single..  
a heart that's single,  
On life's highway..  
A heart that's single,  
a heart that's single,  
a heart that's single,  
Yeah that's my way..  
'Listen.'

'Get it.'

The world has a lot to say,  
It always will..  
What it won't understand, is what  
it will try explaining you..  
There you go all staring at me,  
you're losing your heart already..  
No no that don't impress me,  
Move over, move over..  
My vagabond heart,  
has a tale to tell..  
Lend me your ears guys,  
I wanna sing it to you..  
'Oh yeah.'

A heart that's single,  
a heart that's single..  
a heart that's single,  
On life's highway..  
A heart that's single,  
a heart that's single,  
a heart that's single,  
Yeah that's my way..

'Here we go again.'  
'O onIy baby.'  
'O onIy baby.'  
I know you want me to be yours,  
Doesn't everybody..  
But I got no pIan  
Iike those, Move O' O..  
A moment Iived up,  
Is aII that Iife is..  
The moment Iost, Was  
never yours to be..  
Ladies we couId be together,  
But nothing ever Iasts forever..  
Do I see you run for cover,  
Come on over, come on over..  
A bond is a bond, When  
it desires no bondage..  
A heart that does not beat to  
dreams, Rather not beat at aII..  
'strange, baby.'  
A heart that's singIe, a  
heart that's singIe..  
a heart that's singIe,  
On Iife's highway..  
A heart that's singIe,  
a heart that's singIe,  
a heart that's singIe,  
Yeah that's my way..  
Why stay in someone's heart,  
When you have a home to Iive in..  
You are your best companion,  
To Iive Iife to the fuIIest..  
Besides Iove after-aII,  
There are other problIems  
by the way..  
There are other  
problIems by the way yeah..  
A heart that's singIe,  
a heart that's singIe..  
a heart that's singIe,  
Yeah that's my way..  
A heart that's singIe,  
a heart that's singIe..  
..a heart that's singIe..

A heart that's single,  
a heart that's single..  
..a heart that's single..  
A heart that's single,  
a heart that's single..  
..a heart that's single..  
Yeah.. yeah.. yeah  
I'm off to Miami..  
for three months.  
To see PRG?  
For a shoot..  
The contract is for  
the entire summer..  
But obviously I'll meet Pawan.  
- Bye bye Donsai.. - Bye..  
Bay  
- Bye.. Do I know them?  
Do I know them?  
I doubt it!  
A heart that's single,  
a heart that's single ..  
Love you, mom..  
- Good night,  
Hussainbhai - Good morning..Baba.  
sir, phone..  
Hello?  
Hello Dhanraj House?  
No.. Buckingham Palace!  
Hussainbhai..  
I want to speak with Donsai..  
Mr. Vakil here.  
I know but he is asleep now.  
Asleep? How can he be asleep now?  
That I can ask him  
after he wakes up!  
Hussainbhai.. please wake him up.  
Wake him up?  
Are you down with something?  
Get yourself checked..  
Hello.. hello.. Hussainbhai..  
I told you he won't make it.  
Of course.. he is asleep.  
When Donsai finds out about the  
gift his dad left behind for him..

That's when he will realize!  
I guess I'll have to go.  
- Good afternoon. -  
Good morning, Valentine.  
Donsai!  
Why is it that you  
never smile Mr. Vakil?  
Is it the gas problem?  
Should I call the doctor?  
Do you even know what  
day it is today, Donsai?  
Yes, today is a beautiful day.  
Because today you  
will tell me that..  
This fortune belongs to me..  
right?  
What?  
Mr. Tej Dhanraj..  
..according to the instructions of  
Mr. Suraj Ratan Dhanraj, this will..  
..was given to me by the Trustees  
of the Dhanraj Group of companies.  
And according to this will..  
Tej Ratan Dhanraj, that's you..  
are to inherit his  
empire and bank balances..  
Which add up to five  
billion dollars..  
If you fulfill clause 7 A.  
Then why don't you read clause 7 A!  
Clause 7 A..  
according to this clause..  
Mr. Suraj Ratan Dhanraj had a friend  
living in Ratta Kheda, Punjab..  
..the late Gagandeep Kapoor has a  
daughter, Samarpreet Kaur Kapoor.  
You must marry her.  
I must.. what?  
Lawfully marry her.  
Nonsense! show me that..  
I want to read it.  
You can't read it. stay away Donsai.  
You baldhead lawyer!  
That's a fake will.

It's not fake.  
I won't get married.  
If you don't marry, clause 9B  
and 11 A will come into effect.  
To hell with 9B and 11 A!  
Ok  
What does it say?  
Hold on.. 9B says that..  
.. if you don't marry her or  
divorce her within ten years..  
Then this property  
will be donated to..  
..the Association of Welfare  
for sea Turtles and sea Crabs!  
Five billion dollars to  
look after turtles and crabs?  
I won't let that happen.  
I will burn down the association..  
I will commit suicide..  
I will kill you!  
Wait! There is also clause 11 A.  
According to 11 A,  
if you don't get married..  
The amount you've spent this year  
will be treated as a loan and..  
You have to return  
it to the company..  
In a month!  
That's very unfair!  
I have helped Dhanraj  
Enterprises bring in revenue..  
Alright! Alright.. not a lot but..  
I have earned something..  
How much did I spend this year?  
Ten million dollars!  
- Ten million dollars?  
Who is so stupid to spend ten  
million dollars in one year..  
You!  
Come on Mr Vakil..  
- You are a lawyer, a very  
intelligent one.. - Yes..  
- I need your help.- OK  
You need to find a way out..

I am begging you.  
Wait, wait, wait..  
there is more, there is more.  
Well, that's wonderful!  
Now what does dad want?  
Three kids in the  
first year of marriage?  
No, but to get married..  
You only have 14 days!  
I hope you are joking.  
I am not joking,  
your time starts now.  
Listen..  
There is one way out..  
I am listening.  
There is one place in the world  
where your dad made a mistake..  
And you can maintain both your  
bachelorhood and the bank balance..  
Any other way?  
- Not at all!  
And we don't have time to waste.  
But remember Donsai..  
Once you do this..  
..you can't get married again  
for at least ten years.  
Is that clear?  
Don't worry about that Mr. Vakil..  
I never ever wish to get married.  
Good. Then get packing.  
I have posted your  
photographs to Punjab.  
What?  
I hate lawyers.  
But you will always need them.  
Good job.  
- As usual.  
Come on. Let's go to the fair!  
Dance. Dance.  
'Wonderful.'  
OK everyone..get ready..  
Lord help us.  
Praise the Lord.  
Well played aunt.

Don't give me that -weII pIayed!  
We were about to win..  
Why didn't you bIow the whistIe?  
- Aunt, the ribbon wasn't  
on your side. - Oh reaIIy!  
An inch here or  
there wouIdn't matter..  
Too smart.. fair and IoveIy..  
It's not fair and IoveIy,  
aunt. Fair and square!  
I know that. I am smart.  
- Let's go? - Yes..  
HoId on.. Iet me wear the  
sungIasses.. Iet us went.  
My brave girI is back!  
UncIe..  
- My dear..  
- Here are your medicines.  
Forget those. Look at the medicine  
I have received from West Indies.  
What is it? What is it?  
It's the photograph  
of suraj Ratan's son.  
Oh.. Iet me see..  
show me, show me..  
- Aunt! - sit.. everybody sit.  
Here.. Tej Ratan Dhanraj.  
He is very handsome..  
just Iike Feroz Khan.  
Take a Iook.. what do you say?  
Wait.. Iet me ask her.  
WouId be great  
if he had a moustache!  
' 'Punjabi!'  
PeopIe, peopIe, more peopIe  
What is the popuIation  
of this pIace?  
Why? You want to  
start a restaurant?  
These days the  
restaurant business is down..  
Twenty miIIion.  
- Twenty miIIion?  
Twenty miIIion.. two crores.

That's more than the  
population of the West Indies.  
No, no, no.. -But.. but how does  
the government take the census?  
- I mean.. it must be confusing.  
- What's so confusing?  
There are twenty million people.  
You can either count all  
twenty million once..  
Or count one person  
twenty million times..  
One and the same thing!  
- One and the same thing!  
- One and the same thing!  
They are here, come on sammo soon.  
WeIcome, pIease come in.  
Everything is fine  
but why the hurry?  
she is our everything and..  
We want to ceIebrate her  
wedding in a grand manner.  
Yes, yes..  
But it wouId take a month.  
A month! One month.  
A fIy.. not my fauIt.  
Not my mistake.  
A month, very good.  
Of course it wiII take a month.  
You are right,  
but there is a probIem.  
We are Ieaving tomorrow.  
Tomorrow? -Yes tomorrow.  
Tej's father, Mr. Dhanraj..  
WeII he wanted to take  
over some companies..  
And he wanted them to be in  
the name of samarpreet Dhanraj..  
And the deaIs take pIace next week.  
I toId Tej..  
we are going to Punjab..  
The wedding, the arrangements,  
getting everything ready..  
It wouId take a Iot  
of time.. but no..

Tej wanted to honor his  
dad's wish to the dot.  
I don't know of any other person  
who respects his dad so much!  
But what's the problem,  
there is no problem.  
We will complete the  
paperwork tomorrow..  
And then we shall leave.  
After we have taken  
over the companies..  
We will be back..  
Then we can celebrate and  
take samarpreet along with us..  
Right?  
- Yeah..right! - Right!  
so simple.  
Can I have another paratha?  
Mr. Kapoor..  
Of course..  
- It's terrific, you should  
try this. - sammo dear..  
Come here..  
This is our dear..  
samarpreet Kaur.  
- Hello! - she has done her BA!  
she stood first in  
the whole universe..  
Actually she topped the university.  
sammo dear,  
give them the buttermilk,  
Talk English!  
Can I offer you some buttermilk?  
- Uh.. no thanks! - No?  
- But I need to use  
the washroom..- sorry?

Iatrines are outside the house.  
How.. how hygienic!  
Our viIIage is aIso deveIoping..  
ReaIIy?  
Yes..  
Just three months ago the first

I hope you aren't bored.  
Bored?  
You must be joking!

You came aII the way here to

I admire that.  
You must Iove him a Iot..  
sorry?  
Yes.. I do Iove my dad.. a Iot..  
That is why even  
though he passed away..  
I'm trying to fuIfiII  
his responsibiIities'..  
.. just as he wouId have Iiked to.  
I hope the Lord gives me strength..  
to fuIfiII each wish  
without any difficuIty.  
Even I Iove my father very much..  
And I didn't reaIize how his  
wish turned into my dream.  
He passed away when I was IittIe  
But you know.. he aIways said..  
If you have a dream..  
beIieve in it!  
That's so strange..

My dad also said  
something to that effect..  
How far away is the latrine?  
Here it is..  
This?  
Yes..  
Wow..  
It's, it's amazing.  
so you go ahead, I mean go back..  
I will find my way back.  
Gurnaam, bring more parathas.

- You enjoy I coming..  
- Oh Lord, please help me..  
Yes, my dear..  
Uncle, he is in a hurry  
to get married because..  
He wants to fulfill  
his father's wishes..  
I got that..  
I accept..  
Are you sure?  
- Listen.. dear.. - Uncle  
My father chose him for me..  
And if I am destined

PRG didn't let you come back?  
Oh no sweetheart  
I met this really  
interesting family in Miami  
- Really? - May I?  
- sure - Thank you.  
- Cut the pace Cliff!

- Listen to him!

Alright!

We met this interesting family

Indian family

They showed us their beach house

Very nice people.

Really?

In fact, they mentioned that..

..they had similar

beach houses in India

somewhere in Punjab

They were trying to fool you

Punjab is landlocked

That's interesting

when did you go to Punjab?

Me?

When did I go to Punjab

I was just thinking that

there can't be beach houses

But but why not

Of course it is

possible possible, isn't it?

Never mind that

Tell me about yourself.

so what have you been

up to while I was away

Not much, shimmer

You know life's not the

same without you in Trinidad.

Oh so true so true!

Heard about the marriage.

What?

Breathe darling.

I wasn't talking about you.

I was talking about Roger.

Roger? Who?

- The one who got married.

- Correct!

I'm lost shimmer

Roger? Marriage?

It feels as if you are

uneasy with what I said

- What happened? -

I'm not uneasy shimmer

I am OK  
I guess it's hot I need a drink  
And the funny thing is you  
are drinking something Donsai  
Anyway, Donsai I'll see you  
take care  
I will. you too.  
Be good.  
- Jasmine - shimmer  
Come!  
Why is it so dark in here? Lotus?  
What is Lotus doing?  
- what's happening? - shimmer  
Is someone crying?  
Oh yes! this must be  
Love in the summer  
she is crying again..  
I hope Lotus hasn't done anything  
What can he do. he is just Lotus!  
Lotus Lotus  
Lotus  
- Lotus!!  
Lotus  
Lotus  
- Lotus!!  
Oh God.  
What's he saying?  
Don't ask don't ask don't ask me..  
Lotus come with me quick!  
- You are back!  
- Oh my God oh my God! - Oh no.  
Listen  
what are you doing?  
Nothing.  
- What is this?  
Oh this my Aunt says  
If someone helps you, then you  
should give something in return  
so I thought I'd cook for you  
Don't know why Aunty is crying!  
she called me Aunty!  
Don't ever call him that  
Lotus darling  
Lotus darling Lotus now that

she has prepared this meal  
I want you to  
immediately serve it to me  
Right away!

- It's not fair!

All these years, only  
I have cooked for you  
and now you want me to  
serve what she has cooked  
I resign!

This is quite delicious!

Does this have oil?

No Just ghee

What?

Ghee!

OK Never mind that!

I met your husband

What's your next step?

What have you thought?

What can I do?

I'll return to Punjab.

That's a wonderful idea.

In fact go back and

tell everyone everything!

They will hear it

and die of sorrow

And then you will

die due to loneliness

In fact it's perfect!

A family that cries together

dies together.

- Right shimmer!

Wrong!

Donsai won't even know about it.

His life will go on

Is this what you want?

But what can I do?

You can die but

you won't try anything

Are you serious?

- But what can I

- What can you do!

what can you do!

If I were in your shoes

I'd put him in prison.  
I'd go to the press and expose him.  
File a case against him  
I would have done something!  
And you think..  
this won't hurt my Uncle and Aunt?  
Forget it  
Look  
I don't know what we ought to do  
But I know one thing for sure  
You are being or not being  
there in Donsai's life..  
..should be your decision  
Not his.  
He has to come back into your life..  
and when that happens..  
You can decide  
if you want him or not.  
What do I have to do?  
Much better!  
'shimmer.. shimmer..'  
First of all, call your family  
Tell them that you are with Donsai  
and that he..  
what is this?  
Dad  
Whatever! He is  
preparing this for you got it?  
But how can I lie to them?  
I ..  
I'll handle this shimmer.  
Yes  
- I'll take care of  
it. - Yes take her away!  
Oh God, what a girl.  
shimmer  
Is he alright?  
shimmer  
Hmm  
What are you thinking about?  
I guess behind  
every success story..  
..is an unfulfilled dream  
The world wants to

identify with the success  
But not with the unfulfilled dream.  
Everybody loves shimmer,  
the supermodel  
But nobody liked the girl who..  
..found herself all  
alone when she was fourteen  
I see that fourteen year  
old girl in samarpreet  
And trust me,  
it's not a good feeling to be her!  
Perhaps that is why  
I want to be with shimmer..  
..who does not have anyone  
And I also want to..  
teach that idiot Donsai a lesson!  
'shimmer.'

I'm glad you are shimmer  
Nobody else could  
have done a better job!  
Last night I thought so much  
that it gave me a migraine!  
and then I decided  
that if Donsai is to be  
brought back into your life  
There's only one way to do it  
He has to fall in love with  
You!  
But that would be as difficult as  
Benson speaking Hindi!  
so  
we have to transform you so that  
Donsai just can't  
take his eyes off you!  
What do you mean?  
A new stride!  
New hair do!  
A new look!  
Totally amazing!  
Mesmerizing!  
What's the Arabic word for it?  
'Mashallah!'  
Exactly mashallah!  
so Lotus, let the magic begin.

'All of 18 with seductive  
eyes and gorgeous moves..'  
You're just way too beautiful,  
God help!  
One look at your eyes  
anybody would throw away his  
heart and lay down his life..  
Lost in these tresses, deceived,  
he could kiss life goodbye..  
But my love  
lend me your ears..  
The game of love is hardly easy..  
It's so difficult  
to find a groom..  
But my love  
lend me your ears..  
The game of love is hardly easy..  
It's so difficult  
to find a groom..  
Lotus!!  
Men!  
All men say..  
that women's brains  
are in their knees  
Do you know where  
a man's brain is?  
Neither the eyes, nor the heart,  
nor by the way of emotions..  
The battle of love  
is won by the brain..  
Neither the eyes, nor the heart,

we're talking about.  
He'll chop me into tiny pieces  
and feed the fish in the Caribbean.  
And if Tanvi finds  
out she'll leave me.  
We still have a lot to do,  
sweetheart.  
Trust me..  
..your husband will be  
back with you in no time.  
OK, don't do it..  
..and why would you.  
Why would you care about someone.  
I was a fool to think that..

This is somehow my duty.  
Give it to me.  
That I should help a  
woman win her right.  
Help a wife get husband back.  
samara is Donsai's wife?  
They aren't married  
But I don't think anyone in  
this world loves someone..  
..as much as PRG loves shimmer.  
PRG?  
Pawan Raj Gandhi.  
And shimmer doesn't love him?  
she does.  
shimmer also loves him a lot.  
But not as much as  
she loves her freedom.  
Her career.  
It's PRG's dream to marry shimmer.  
But she never even mentions him..  
..and why not?  
Because he isn't shimmer's dream.  
Relationships can be tricky.  
They get complicated  
and we have to sort them.  
Excuse me!  
You are right, shimmer you are.  
If I don't do this.  
How can I face God.. how can I !!  
I .. I will do it.  
I'll do it.  
I'll do it. I'll do it.  
Come on, Jigar baby! Go  
out on a date with samara.  
Do it. do it!  
When we were expecting it  
the least.  
Then came the beast.  
- ''Donsai!''  
Donsai!  
That's so funny..  
beast.. Donsai hi..  
Hello shimmer  
- What a pleasant surprise!

- HeIIo Jasmine - I mean..  
..why aren't you at sunday schooI?  
ActuaIIy, I was on  
my way there but..  
Then.  
I thought, I shouId ask samara.  
Oh, what a noble thought!  
Isn't it wonderfuI?  
Right, Bozo?  
We.. we have a probIem, Donsai.  
samara Ieft for sunday schooI.  
A few minutes ago, with Jigar.  
The..  
- DJ!  
That's right! With the DJ.  
Oh!  
I know, I know, it's terrible.  
It's so unfair to you.  
My heart goes out to him..  
terrible.  
- I'II take your - Oh no, no, no.  
sit down, sit.. Donsai.  
sit.  
I think..  
You shouId go to sunday schooI.  
I mean, to figure out..  
..what's between her and the DJ  
Right, Bozo?  
You saw that?  
Even I'm coming aLong with you..  
You're going to need  
someone by your side  
At Ieast tonight, after aII..  
What are friends for, Donsai?  
Yeah, I guess you're right!  
Oh he thinks I'm right, I am right.  
I'II be ready in a few minutes.  
Give me the damn phone.  
Give it to me.  
I'II be right back!  
'Come on baby, Iove me.'  
What do you think they're up to.  
Hi!  
- Hey.

Oh they're here.. they're here.  
I hope he isn't  
carrying anything with him.  
A gun..  
..or a bazooka.  
shut up.  
smiIe smiIe.  
Not Iike that, you idiot!  
Louder, even Iouder  
soon they..  
There they are!  
surprise!  
That was briIIiant  
I am pIeased Jigar. - ReaIIy?  
Jacket.  
We've hit buIIis eye.  
- Where is he off to?  
- I think he is coming towards me.  
- Oh shut up!  
- He is going to towards the stage.  
What?  
Your eyes stare at me as if  
Your eyes stare at me as if  
There exists a bond we share  
Yes, I am your Iove, your wait  
Listen to your heart  
If onIy you knew, I'd Iay down  
my Iife sweetheart  
Just for you on the path  
you tread  
If I heId you, you'd know  
it's your Iove I desire  
My heart is the  
destination of your Iove  
He is Looking in this direction.  
Jigar do something  
No  
It's me who stays in your smiIe,  
It's me you hide  
beneath your eye-Iashes  
I'm in every move,  
I'm the answer to your questions  
I'm not mereIy a  
spectator in the crowds

If onLy you knew,  
I'd Iay down my Iife sweetheart  
so imagine.  
Just for you on the path you tread  
If I heId you, you'd know  
it's your Iove I desire  
My heart is the  
destination of your Iove  
If onLy you knew,  
I'd Iay down my Iife sweetheart,  
Just for you on the  
path you tread  
If I heId you, you'd  
know its your Iove I desire  
My heart is the  
destination of your Iove  
so samara Capore..  
..dance with me?  
Donsai, wait. Go.  
I'd Iay down my Iife sweetheart.  
Just for you on the path  
you tread.. What was it?  
But it went weII, reaIIy weII.  
Anyway.. now.. forget it..  
Destination of Iove!!!  
You said you weren't  
going to sunday schooI  
Were you there?  
You didn't teII me.  
What did you see?  
Listen, whatever  
you saw isn't true.  
How does it matter,  
if it were true or not.  
Does it even matter.  
That every time we've met  
in the past three years.  
aII I do is scoId you.  
- You think I Iove doing it?  
No.. not at aII Tanvi.  
That's why I am trying.  
By going out with shimmer?  
ExactIy.  
You don't get it.

All I know is that..  
I love you.  
More than anything in the  
world and I always will.  
Whether we can be together or not.  
I promise you Tanvi.  
We will be together  
and nothing can stop us.  
There's a DJ working at your club  
Why is it so difficult to get..  
Lotus.  
Jasmine.  
Jasmine. Lotus.  
somebody.. don't touch that..  
That's expensive.  
'I like.'

What's going on?  
shimmer today is Karva chauth.  
Karva What?  
Karva chauth, shimmer, Karva chauth.  
- What?  
All the ladies fast  
for their husbands'  
And would be husbands' long lives.  
How exciting shimmer! How exciting!  
Why are you so excited?  
And how does that affect me?  
My home has been  
showcased in People magazines.  
Right?  
- Orange with yellow is horrendous.  
Horrendous!  
Who is responsible for this?  
- I am.  
This is..  
Well actually..  
I'm fasting for you know.  
so I thought you  
should do it for PRG.  
Oh my God.. never!  
And how do you.  
- Know about PRG? -  
Don't look at me, shimmer.  
It's just for a day, shimmer.

ExactIy my point!  
If it were for an hour,  
I couId have thought about it  
But a whoIe day!  
No.. no way!  
And you need to taIk to me.  
- ActuaIIy shimmer.  
The folkIore is that if  
you observe the Karva Chauth.  
You wiII be bIessed with the  
same souI mate in every Iife.  
In that even you  
shouIdn't be fasting!  
Get her something to eat right now!  
- And I mean it, get some food.  
Quick! - Jasmine pIease teII her.  
shimmer.  
- shimmer.  
stop shimmering me, every body!  
I'm a modeI darIing.  
I foIIow a diet pIan.  
I have to keep  
eating at reguIar hours.  
- What are You doing? - shimmer.  
I can't do this no no.  
- shimmer, samara has  
bought a saree for you.  
Why?  
shimmer I'd Iike to see  
how you look in a saree.  
But do you have to  
stay hungry for that!  
You have to wear it!  
- No.  
ActuaIIy on Karva Chauth..  
..onIy those who abstain  
from food can wear the saree.  
- Hmm reaIIy? Is that right?  
- PLease  
No.. not reaIIy but shimmer.  
ExactIy, no, no there is no but!  
- stop shimmering me. - shimmer  
- No! - Just once shimmer, pIease!  
AIright.

OK.

This will be decided by the  
one who decides everything else!  
shimmer should  
observe the Karva Chauth.  
say yes Bozo.

Yeah!

In fact I have it aII pIanned.

We are going on

a cruise this weekend.

sounds good?

- Yes, it sounds good.

- It sounds great.

- Come on now Iet's pIan dinner!

Oh that's a great idea.  
Let's all go for this dinner  
And just for the record  
I am never never  
doing this Karva Chauth  
thing again!  
- Yeah Never never. - OK?  
That's my man!  
Where are you off to?  
I need to change  
If I don't take this saree off  
It will come off on its own.  
so don't take it off  
You are so naughty!  
I'll see you in a minute!  
Lovey!  
so samarpreet  
how are you?  
What's the matter?  
Nothing at all  
Just that I heard my full  
name after such a long time  
Well I will always call you that.  
such a beautiful name samarpreet.  
Brings back memories of Punjab.  
Are you from Punjab too?  
Yes but I went there  
just once when I was a kid.  
You and shimmer make a cute couple.  
Yeah I make her look good! Yeah.  
- shimmer is just shimmer - Yeah?  
she's just perfect  
Everything is planned so perfectly  
Looks after every tiny detail  
Just the tiny details  
Jasmine!  
Jigar, isn't answering his phone.  
shimmer, it's his birthday today.  
You are telling me now?  
Hello  
Hey Tanvi where is the birthday boy?  
shimmer shimmer listen I  
Tanvi, what's wrong?  
Is everything alright?

shimmer Dad is sending  
me off to Tobago today.  
Mr. sam has fired Jigar.  
What?  
But why?  
I don't know what Jigar  
was helping you out with  
I just don't know  
But Donsai spoke with Mr. sam  
I don't know Donsai got him sacked.  
And now Mr. sam says that  
Jigar will never get a job.  
Please - Hurry up Tanvi.  
We gotta go.  
Listen I got to go  
Dad is calling me,  
- shimmer, please please I beg  
- Tanvi listen to me  
- Please help Jigar.  
- That's not right. No no  
- Hello hello  
- Are you okay? Hey shimmer!  
- Oh my God! - What happened?  
Oh my God! I did  
something terrible Pawan.  
- What's wrong? - It's my fault  
- What happened? - You  
- you know Jigar  
- Yeah! - Donsai got him sacked from  
the nightclub And it's all my fault  
He was afraid something  
might happen. And now Tanvi  
- is being sent off to  
Tobago - sweetheart sweetheart  
And it's all because of me! Dam it!  
Everything will be fine  
take it easy. Go go like this  
- Yeah! - I'll try and  
call Jigar! - One second!  
- I'll try and call him! - Jasmine  
Where can we find Jigar?  
Go talk to him!  
Why didn't you call me?  
Why didn't you call me, Jigar?

I was out of credit!  
Listen! Don't be smart with me! OK?  
You didn't think of informing me?  
Wha what were you thinking?  
- I thought.. - Oh shut up!  
Who said you could  
think for yourself?  
Idiot!  
- You could've told me!  
- And how would that help?  
shimmer No one has the  
guts to take on Donsai  
- Really? - No one can  
Nobody that I know of!  
Excuse me!  
Can I be of any help?  
I am sorry we are closed.  
We don't have a DJ tonight.  
I know I know Mr. sam  
I just want a beer.  
I am sorry.  
Come on big man  
One beer and I'm out.  
I've heard your club  
is very popular.  
Are you an Indian?  
Why?  
Do I look Japanese?  
Nice place  
it really is a good club.  
so?  
And you are the only owner?  
Why?  
You want to buy it?  
Actually yes!  
Who are you, boss?  
Pawan Raj Gandhi!  
PRG for short! Cheers!  
sorry PRG!  
Nice!  
You've sorted my retirement!  
Now it doesn't  
matter what Donsai does.  
- Yeah? - Really!

One one One more thing sam!  
I'm not yet done with the beer  
And technically this club  
belongs to someone else so  
May I take this back?  
- What a thought!  
- What a thought! - Yeah.  
- And - Bye bye  
- sweetheart! - What fun!  
sir  
sir this favor is  
Too expensive to repay? Now what?  
- OK It's your  
birthday today - Yes, sir.  
Consider this a gift  
from the both of us.  
- What do you say?  
- What a lovely idea, Jigs!  
sir sir You are the King!  
- You are the King, thank you,  
sir. - Oh excuse me, Jigar  
I'm not Tanvi! Listen..  
sorry, sir.  
Anyways, your very own  
nightclub Your dream  
Go get your dreams, boy!  
No the world can wait!  
Go get your girl, Boy!  
Come on Don't wait here Go go go.  
Remember No Love No Life!!!  
Really?  
Yes, really!  
Champagne?  
sure!  
Bring it on!  
Even I have a reason to celebrate.  
Because I am finally sure  
that you are so despicable.  
Baba I'll be back  
so despicable that for a bet..  
..You ruined someone's life and..  
..are smiling shamelessly.  
Brilliant!  
You live in an illusion, Donsai

That you are irresistibile.  
You keep proclaiming to the world  
that you will never marry  
Have you ever thought  
who would even marry you?  
What do you have?  
A decent face  
A lot of wealth  
And the ability to rock a bed?  
And were you trying to  
show me the size of your ego?  
Only because I dumped you  
and went along with Jigar?  
Every girl would do what I did!  
Because girls look for  
a heart which is large.  
Any other size doesn't matter.  
Your parents would be the  
most hurt by your actions.  
But you are so unfortunate  
That you can't even  
seek their forgiveness!  
Just one more thing  
I want to tell you  
Next time you look in the mirror,  
don't look for your reflection  
Trying finding your self respect!  
And as far as  
I'm concerned, Donsai  
You can take all  
this Donsainess of yours  
And shove it up you know where!  
What are you looking at Baba?  
Looking in the mirror, Hussainbhai  
Trying to find my self respect.  
The way she spoke  
Is just like how mom  
You know something  
When you were thirteen years old  
You went through  
your mother's diary  
And began to argue  
with your father.  
I remember that, Hussainbhai

But then I didn't understand  
what mom had written in the diary.  
Well it's being repeated again.  
I know very well that..  
..because of your  
parents' fragile relationship..  
..You don't let  
anyone get close to you.  
And the situation is similar to  
the one when you were thirteen  
But you never realized it.  
I suppose that girl  
opened your eyes.  
If you are in love  
you should accept it.  
How do you make my life this easy?  
Because after having lived  
my own life for 24 years  
I've been living your  
life for the other 24.  
Hussainbhai  
she will never love Donsai.  
Probably  
but she will definitely love Tej.  
Lotus, behave yourself  
and don't shout, Lotus  
It's cold..  
- No! - It's quite cold.  
so what do you say?  
He won't come.  
He will.  
I know Donsai very well  
he won't come.  
I believe in love he will come.  
- He won't. - He will.  
Actually, I want him to come  
so that I can break his head.  
But he won't come.  
He will how about a bet?  
You will lose he won't come.  
You've lost! He is already here.  
- Really? - Really!  
- Oh my God! - There he is.  
- Hi. - Hi Donsai how are you?

- Great  
- Good to see you man,  
wonderfuI how are you?  
shimmer was just teIIing me that  
Donsai wiII definiteIy  
make it. Isn't it, shimmer?  
- shimmer, can I see samara?  
- Yeah!  
she doesn't want to meet you!  
she may not want to meet him  
But he wants to meet don't you?  
Yes, of course.  
I said she doesn't  
want to meet you.  
Let him meet her  
she wiII understand  
Donsai's magic has  
never Iet him down  
Am I right?  
Yes.  
see that's it!  
I give a fIying monkey  
about Donsai's  
What was it magic? Yuck!  
- shimmer I - Wait don't taIk  
Iet me do the taIking  
Let them meet he is Donsai  
Not some Bonsai! Right?  
- Pawan, I am  
warning you, Pawan - Yeah!  
- You are warning me - Yes!  
I am warning you  
- You are warning me  
she wiII meet  
neither Donsai nor Bonsai!  
- so yes, I am warning you.  
- It's just not done.  
What are you warning me for?  
You know  
- Where did he go?  
You know you know  
But you shouIdn't have  
caIIed him a monkey.  
Oh? I caIIed him a fIying monkey

Right, then it's OK. Yeah.

samara

samara

- Oh darling I was - shut up, Lotus!

I've come to say I'm sorry!

Do you know what an apology is?

Yes, I know

And I also know that

an apology isn't enough

But

samara..

the way I thought

I mean, I thought

that what I thought then

But now I think that what I thought

What the heck am I saying!

- I mean - Donsai, I am sorry.

- But you won't win the bet. - Bet?

- No no - so quit trying!

I mean, I don't want to win the bet

I mean, I wanted to

But now

Now you want to marry me?

Huh?

samara

samara

You are unbelievable!

'I want to meet samara samara ''

I've been waiting for that

question for seven years now

And she asked you in

seven minutes flat!

And you are standing

here scratching your head.

Like a monkey!

PRG..

Let me explain

No, no there's no need to explain.

You are doing it right.

Listen to me

No dude you are completely right

Please, listen to me.

- You're right we are all wrong!

Let me explain it to you. - You

scratch your head like a monkey.  
You are right.  
- Come on PRG  
You are right . We are wrong!!!  
Good morning!  
Tea?  
No thanks, I'm having coffee.  
Do you always wake up this early?  
No usually I sleep till late.  
But when I am with shimmer,  
I wake up early.  
so that before she wakes up,  
I can finish work.  
As it is, I get very  
little time with her.  
- I can't believe people  
like you exist! - Of course  
I just look like an  
alien But I am of this world!  
seriously!  
You love shimmer way too much!  
she doesn't love me as much  
I try to maintain the balance.  
Now I should get back to work  
Before Madam wakes up.  
samarpreet..  
very soon Tej will  
also love you as much!  
Don't think so much  
Just gift her the  
diary and tell her tell her  
but remember You are just Tej. Tej  
No Donsai, just Tej.  
But a diary  
Who gifts a diary?  
No It's my mom's diary.  
Mom is with me.  
Everything will be fine.  
It will be OK All OK  
No problem No problem.  
No problem.  
Oh my baby!  
- How I miss you, Bozo.. - Everyone  
from Prince salim to Bill Clinton..

- has faced problems when in love..  
How can you say, he is in love?  
Just look at him.  
Looks like an unaddressed envelope.  
Don't know where it's going  
or where it's coming from..  
He looks like a lifafa.. really!  
What is.. Lotus..Lotus..  
What is a lifafa?  
Probably some French word,  
shimmer..-Yes.  
- Lifafa, lifafa, something  
very far! - Oh shut up, Lotus!  
- Yeah, I think he's right!  
- Oh whatever!  
Lifafa or no lifafa..  
Till he doesn't agree that  
he has lost the bet..  
I won't..  
- Bozo!! - Oh my God!  
- Don't leave me! - Move it!  
'I admire you.'  
'I admire you.'  
He's drowning..  
Bozo..  
Pawan..  
Pawan..  
Oh come on.. Pawan.  
sweetheart!  
This is true love!  
True lover.  
'O sweetheart.'  
some lose it to money,  
some lose it to fame;  
And others lose it  
in Lord's worship..  
Then why is the world  
making a deal of it;  
If I lost it to a  
trouble that is called woman..  
Hey yo, all you guys,  
let's do it right!  
Fire burning is the law tonight..  
Jaiwa is what the

Iadies gonna get tonight..  
Love is the game, you  
are on the Iosing side!  
In the game of Iove,  
going round and round.. Like this.  
My heart sinks, oh  
my baby, oh my baby..  
The moves of the babes, heIp!  
The moves of the babes..  
-Let's take it from the top!  
The moves of the babes,  
heIp! The moves of the babes..  
The moves of danger, heIp!  
The moves of deceit..  
The worId knows what  
my heart has to say..  
The moves of the winds that  
traveI through their hair..  
'Bring it to me.'  
'Bring it to me.'  
'Bring it to me.'  
What mereIy is styIe to them  
can cost us our Iives..  
Their atrocities are known to aII..  
The instant your heart  
sIips in their ways..  
Be sure to crash Iand..  
Lost and Iurking,  
entangIed in their tresses we are..  
save our souIs God! - Let's do it.  
The moves of the babes,  
heIp! The moves of the babes..  
The moves of danger, heIp!  
The moves of deceit..  
In the game of Iove,  
going round and round..  
My heart sinks, oh  
my baby, oh my baby..  
Oh my baby.  
We sifted the desert sand  
and risked our Iives..  
And set our hearts on fire  
to Iight their path..  
We gave up the worId,

and were called lunatics..  
We spent eons convincing them and  
watched all grapes turn to raisins..  
Of killer eyes and days & nights,  
of deceptions and of styles, help!  
The moves of the babes..  
The moves of the babes,  
help! The moves of the babes..  
Give this to shimmer.  
- 'Break it down!'  
If it's us you wish to  
sue; Quit complaining..  
get down on your knees  
and pay your respects..  
We judge you in just a look,  
yet we say little;  
Our hearts are not meant  
for those who give up easy..  
Of inviting arms  
& slippery paths..  
of flower-beds  
& beautiful sins, help!  
The moves of the babes..  
The moves of the babes,  
help! The moves of the babes..  
The moves of danger, help!  
The moves of deceit..  
Alright you people.  
From the top.  
Turn on the heat now..  
I'm knocking on your door  
and I'm mad about you..  
If it's mad that your heart is  
then why worry about the outcome?  
But there's just you  
in my mad heart..  
If you're such a  
mad-hatter then what do you fear?  
I'll lose my heart in  
a wave of passion..  
Next you'll say it's  
gone already..  
Don't light up my fire..  
somebody explain

something to him..  
Be mine lest the world  
calls you a deceiver..  
Alright! Let's hear who  
should win my heart..  
Me my beloved, its me who should..  
The moves of the babes,  
help! The moves of the babes..  
The moves of danger, help!  
The moves of deceit..  
The world knows  
what my heart to say..  
The moves of the winds that  
travel through their hair..  
The moves of the babes,  
help! The moves of the babes..  
The moves of danger, help!  
The moves of danger..  
The moves of deceit, help!  
The moves of deceit..  
PRG!  
World's greatest man..  
Hi..  
Hello.  
One..  
dog!  
A toy dog..  
of plastic!  
Fell into the sea and you..  
jumped in!  
splash!  
- Oh c'mon!  
I understand.. I understand,  
you had to find it.  
After all..  
it is shimmer's..  
shimmer's dog!  
But were your servants on  
a holiday that you jumped?  
You should have thought about  
the effect of you actions on others!  
Bloody 'The moves of the babes'  
You ruined my prospects out here.  
Do you know everyone?

This..  
sorry..  
This..  
This diary..  
My mother's diary..  
I wanted to give it  
to the girl who..  
You!  
PRG..  
you saved the toy Bozo and..  
My prospects drowned  
in the Caribbean!  
But it's OK,  
it's..It's OK..  
Because..  
I ..  
Tej Dhanraj..  
Can also jump into  
the sea for a girl..  
I can!  
- And her name is..  
Oh God..  
Oh my God! he..  
He fell!  
- Excuse me girls..  
Where are you going now?  
It's my day to save  
everything from drowning!  
- Oh you poor thing..  
- I'll be back..  
- Poor thing.. - Donsai..  
- Lifeguard! - Oh my God!  
Crap.. crap.. crap!  
Crap.. crap.. crap!  
No.. no, no.. no  
samara.. samara..samara..  
Ouch.  
When is that.. - Very soon.  
samara..  
Hi shimmer..  
I know in the last two days..  
I have embarrassed you  
And myself too.  
But after all these years..

I finally figured myself!  
You know something..  
Every time I see you  
I feel like I know you..  
Perhaps I've met you before..  
I don't know why but..  
I just don't know..  
You probably think I am  
mad!  
No Donsai..  
I know you are mad!  
I wish we could go out,  
at least once..  
I've lost the bet..  
remember?  
Consolation prize?  
Alright..  
I'll come..  
Alright then!  
We must leave now.  
Or are you going to  
jump once again?  
No? That's good!  
Come on then.. Let us go!  
- Thank you. - Bye  
- Tomorrow night..  
my yacht.. - Bye bye!  
Yes!  
Be careful with the  
suitcases darling.  
Don't drop them in the sea.. OK?  
Quiet, quiet.. Lotus.. - sorry.  
It's such a fascinating thing!  
You are late!  
You are handsome!  
You are forgiven!  
sweetheart, I had to attend a  
conference in Tobago tomorrow..  
Oh don't worry about it!  
Work is work!  
I totally understand..  
Just a minute..  
Lotus..  
Lotus..

Oh dammit! Where  
does he keep going away?  
But I cancelled the conference..  
- Mark! - Yes sir,  
Let's go to Tobago..  
see you.  
Hussainbhai!!  
Hussainbhai!  
Didn't you say that if you love  
someone, you should accept it?  
Well, I did!  
Now, it doesn't matter  
what she asks for..  
I want to give her everything.  
Commitment.. Marriage..  
whatever she wants!  
How many times will you marry, Baba?  
Mr. Vakil was here..  
Remember the relationship  
you bought?  
The next installment is due.  
Amazing!  
What a deal!  
If only your father  
were alive today..  
But remember Donsai..  
Once you do this,  
you can't get married again..  
..for at least ten years.  
he is in a hurry to  
get married because..  
He wants to fulfill  
his father's wishes..  
- But remember Donsai. After this..  
Heartiest congratulations..  
You cannot marry.  
Okay fine, I will..  
Hello!  
Hello..  
I'd like to speak with shimmer.  
Who is this?  
Barrack Obama!  
What?  
samarpreet, it's me, Pawan.

Oh.. Pawan..  
How are you?  
I'm fine, how are you?  
I'm finally meeting him today.  
Wow! That.. hey..  
that's great news!  
I am sure shimmer is happy.  
Where is my sweetheart?  
Just a minute..  
shimmer..  
Rubbish! What is this?  
- shimmer.  
Yes.. what is it?  
PRG!  
Tell him I'll call back!  
Let me see the other scarves.  
Not that one, this one.  
Oh this is an awful print!  
Hello..  
she is busy, right?  
Can't talk.  
No.. she said that..  
All the best, samarpreet.  
You are going to meet  
your soulmate.  
Not everyone is fortunate  
enough to experience this.  
And listen..  
If you can, tell shimmer to call me.  
I'll be at the airport for an hour.  
And God bless you again sweetheart.  
You don't know  
anything about it Lotus..  
- style is style.  
- you know.  
- Your sense of style is zero.  
- I think it's just perfect.  
No.. No.. shut up, Lotus.  
I am trying to work it out.  
That's it!  
What are you doing?  
What is she doing?  
What are you doing, shimmer?  
You're getting me all decked up!

Trying to make me look beautiful!  
Girls don't look beautiful  
because of these things.  
They look beautiful..  
when they have love.  
True love!  
Look at Tanvi.  
see how gorgeous she looks!  
I suppose I am not  
blessed with such love..  
But you..  
You choose not to be beautiful  
because of your selfish reasons.  
And because of this  
super successful career  
You are testing the man..  
who loves you.  
Who adores you!  
After five.. seven or ten years..  
Your career won't exist.  
But have you thought  
what life will be..  
if you don't have  
Pawan in your life..  
What will you do then?  
How will you share your loneliness?  
By decorating this mansion?  
Or by talking to Bozo?  
You always said, Indian girls end  
their careers by getting married..  
You are wrong, shimmer!  
Indian girls fulfill relationships.  
Nothing is as successful as taking  
care of a hundred million families!  
I'm younger than you  
and I said a lot!  
But I only said what  
they all wish to tell you..  
Everyone who loves you  
will want to say this.  
Because just like  
them even I know..  
That there exists another shimmer,  
apart from the one the world knows..

The one who sobs when she  
hears about samarpreet..  
And the one who loves Pawan a lot!  
Go to him shimmer.  
Please go and stop him.  
And for once, say 'Yes'!  
say 'Yes' to your relationship!  
say yes, shimmer.  
say yes, shimmer.  
say yes..  
Well.. don't just stand there..  
Take me to Tobago!  
- Take her to Tobago! - Troubling  
me - Of course, I'll take you..  
I know the fastest way to Tobago.  
Oh shimmer! This is so exciting!  
This is so exciting darling!  
sush!  
Let's go.. Jigar..  
samara?  
You go ahead shimmer..  
I'll take samara.  
'Come.'  
'Come.'  
'Come.'  
'Come.'  
Careful Jigs!  
- 'Come.'  
Move.. what is going on?  
'Come, my beloved.'  
'Come, my beloved.'  
Thank you for coming!  
Are you alright?  
No..Well  
samara, I ..  
I am married.  
I married samarpreet..  
Her name is samarpreet.  
I've been spoken of at  
every instant in the story..  
so does it matter that it took  
me a while to make an entry!!  
Marry me!

AbsoIuteIy!  
But then..  
what about Bozo?  
You are so.. oh my God!  
This is shimmer, coming to  
propose Looking so stupid!  
No, not at aII.  
You never Iooked as beautifuI.  
Yeah reaIIy..  
Come on; Iet me  
take a Iook at you.  
Get up. Come on..  
Wow!  
Ya..  
I Iove you.  
I Iove you too.  
I just wish that..  
the one who brought us together..  
Wins her Iove too.  
- she wiII, right? - Of course!  
It's strange..  
I'm teIIing you that I Iove you..  
by saying I am married.  
I wanted to have a  
reIationship with you..  
But it made me reaIize  
about every other reIationship.  
so what wiII you do now, Tej?  
I wiII fuIfiII my responsibiIities.  
My responsibiIity  
towards samarpreet..  
With her UncIe..  
her Aunt.  
With everyone!  
I wiII seek forgiveness.  
This is my mother's diary..  
WiII you keep it with you?  
I'd reaIIy Iike it  
Can you show me the way  
to the washroom pIease?  
What?  
Washroom?  
Yeah, sure..  
It's inside..

it's a bit of a walk.  
so let's walk.  
so..  
you love your dad a lot?  
Yes..  
Good.  
Even I love my father very much.  
He passed away when I was little..  
but you know..  
he always said..  
If you have a dream, believe in it!  
What?  
What?  
- The washroom is on this yacht,  
isn't it? - You..  
Yes..  
Alright.. amazing..  
You wait here..  
I will find my way back..  
But you know.. he always said..  
If you have a dream, believe in it!  
How far away is the latrine?  
so you go ahead,  
I will find my way back.  
You want to use the latrine?  
- Tej! - Yes..  
Do I still need to call  
the washroom a latrine?  
samara?  
Donsai?  
samarpreet!  
Tej!  
I love you, Tanvi!  
I love you, Jigar!  
'The bride is not speaking.'  
Today is his birthday.  
- Birthday?  
'she isn't opening the veil.'  
'The bride is not speaking.'  
'she isn't opening the veil.'  
'There is a chaos from  
Amritsar to America.'  
'Found the groom.'

'Come, my beloved.'  
You are right. - sorry. sorry.  
Remember.. - Cut it.  
'The bride is not speaking.'  
'she isn't opening the veil.'
