Escape From Planet Earth

By Bob Barlen

- Escape from Planet Earth -
Planet Gnarlch adorable baby rescue
Scorche what you're there?
Scorch Come on, answer me,
You do not make something bad, right?
Gary, We have a problem.
Scorch's brother. as usual he is always in trouble.
how he can be entangled with the problem?
for that, we will go back to the beginning of the story time.
Silent, Scorch, what are you doing.
do not wake Gnarlach.
Hey, it's me. Gary Supernova.
I as Mission Control.
means in charge of this mission.
Scorche find another way.
Open your mouth and we take pictures.
and it is Gnarlach.
scary and slimy
and really very smelly
download to Youtube. Gary is a very bad place as in akedemik BASA
Mmmh. thank you.
I dipogram at the Academy tongue. Gary and I used to smoke. James silent.
by the way my name bing. James bing
okay. Scorch take the baby and get out.
Bingo, spacecraft are identified.
right now. process with extreme caution.
No. I process it with style.
not the style anymore.
Scorch. ssssstttt
Two star system with a black hole binary with a twist.
a smooth landing
Now, the process carefully.
Scorcha baby in front of you.
understand.
No.
bad news. we are late, they memakanya baby.
This was terrible.
Scorche. they are behind you.
Hai. friends.
Oh. Uncle Scorche.
we're here to rescue you.
Hey Gary, let Scorchce to silence
Scorche. silent.
Gary. You should see them,

So sweet and beautiful
You will wake all the neighbors
and they are not good neighbors.
Scorhce
Excuse me.
ok. this again.
SCORCHE
Gary we have a problem.
of course. we are always problematic.
you are never troubled
listen to me. You say there are 12 Gnarlach.
No, I said 12,000 Gnarlach.
oh no, I still remember it.
- They all 12,000 Gnarlach down there.
- Understand
- 12,000 Gnarlach was eating her baby.
- Understand.
- 12,000 Gnarlach Gnarlach enemy.
- Understand.
I do not remember you saying there are 12,000
What do you think?
ok, rescuers were waiting.
Peroses to memprogrammnya ...
You saw him.
that's what I'm talking about.
Scorcha who controlled her baby
oh dear.
car waiting.
Gnarlach to go.
I took the baby.
That's all right. Do not, do not cry. Gary.
I understand.
Understand.
Planet Baab.
Supernova landed on the head of my father.
This is not where you host.
Very funny father.
I'm serious. These panels are very expensive. to control?
Very precise. incredible.
what I could get back pessawatnya?
- No.
- Dad. You never let me do anything.
Ok. but be careful.
yes, yes I know.

Sorry, dad.

ok, let's play. I sat on your hands

- A bad game.

Hi Gerry. Can you control it, so I went to a party, well please.

the truth is, for the help of a remote.

now look at me land the plane.

I want you to love

Cool.

how you do it.

- Gary. what? oh it is very shocking.

why do you always call me with a big head.

We received signal help from an unknown place
of the universe.

Persiapkan Scorch for the next mission.

- Understand, but we go where.

Go to the Dark Planet.

Are you crazy?

I'll tell you.

This planet is called Planet of Darkness because it never
someone coming. like going into a black hole.

and out in an hour.

waow he went to the Dark Planet.

stay here and do not touch anything

and do not anyone go to the Dark Planet.

we will go to the Dark Planet.

Scorch.

- Scorch answer one question.

- Do not ask. just take the picture.

Excuse me Scorch Supernova

Yes. beautiful woman in the front row.

waah dear, welcome back.

- Gabby. we're live

- Oh yeah right, hi.

- Tell about your mission.

- Dark Planet.

very heroic, not even one came back to life.

I'm sorry, excuse me.

Someone came.

Do you have time to prepare?

- No, we have not been able to.

Garry Supernova. saudarakukusayang

Actually, I'm older than him.

- He works in the gadget nerds.

the truth is, I work in pengandali mission.

We use a matrix ...
it is very boring edition reports.
except you dear
BNF is for Gabby Babblebrock.
Reports from the main office BASA life.
I'm going to marry that girl. and I'm sorry
.. now hear,
we can not tell about the Dark planet.
We had to postpone this mission.
-Ku. want to, but ... I'm in Pangil for Cola ad in the Dark Planet.
Mengancarkan with evenly
This 100% sugar. this is good for the kids.
I will take a picture of me with a box of cereal.
when?
Schorchios? No prizes each in the box.
wah was very good, for the whole day.
Stop it.
We have to discuss this.
Someone out there need my help ..
And I will help them.
Okay, but you're gone now ...
I can not help you out there.
Gary, you're right.
There is no point to go hunting.
Why do not you collect all paper
and talk about this?
you took colleagues.
it would make it a little busy. Let preheat plane.
Peter, download information on the Dark Planet.
search for files, search for files. The Dark Planet.
A remote planet
which is located 400 light-years away
through the annular molecular clouds.
Strange and frightening environment.
The known world
where there is an evolution going on.
Earth.
begins with smart, interesting creatures.
But with
quickly overrun by an aggressive ugly creature.
very creepy.
very disgusting.
s'perti you saw their animal intelligence.
They have

dividing the world into what they
call state. Border between
countries often war
The winner of the war will be temporary retreat
The Losers successful people.
here also they are sending their leaders to
meet each other. they make money,
soup, pen marks, something which they call the thread.
and this guy named Cowel.
creepy. He had a strange accent.
and he was very, very rich.
and wearing sunglasses indoors. I love it.
Darkness on the Planet ..
To make contact the first time.
and they never returned.
Uncle Scorch.
Heii, Kipper.
Scorch very great uncles out there. thank you friend.
Does your father know you're here?
- I have to wait
in his office.
But, in the mission control room is very boring.
Yes, it's just ...
I want to be astronauts like you.
Please join me. at this time.
- I'll be happy.
but ... You know what, if
I got a problem,
you saved me.
Yes, sir. young adventurer is devotion.
A young adventurer, huh?
What have we got here?
- An alarm chain. Ready for training missions?
We are surrounded by a bunch of slimy creatures, creatures
green and they joined us. What are you doing? Throw.
Take it. cool.
terrific.
The Scorch dear.
they shoot.
Kipper, this all terserahmu. hurray
Wait a minute.
What are you doing?
Astronauts practice.
- Kipper does not have to play with this.

He will not even need to see.
Sorry Berry
back to my office. Scorch bye uncle.
Scorch - We have the crazy situation here.
Of course I'm angry.
why the plane lit?
you told me to go up so that you go to the Dark Planet.
true.
We went right to delay the launch?
- T minus 30 minutes.
It was too risky to send
Scorch to go there.
Garry silent I warn
- I worked at the controls of space missions.
no people
who cares about it.
- No. - Not true
No.
and why am I here?
he would not see why Garry.
he had done it 100 times.
we have do it 100 times.
We are a team. I
brain, and you are his muscles.
You always say.
It is to feel,
my little brother.
Scorch, do not
call me that.
- You ingn mengandalikan life.
because you entered in mission control.
I did this untuku you.
that's what you do.
you sit here and
typing keys and I
out there risking my neck.
oh yes. I
will see you will
do it without me.
wherever and whenever
My little sister.
- If you want to do ... This macho stunt.
You can take me out.
What, wait. you're out

but you can not get out. you're fired. You can not fire me. because of me out.

hi ma'am. haisayang let Beryl let's play.

you come home very quickly. Scorch fired.

what? he can not fire you.

it's true what I said

so, I'm out.

so, you're out after Scorch fire.

Which side are you on?

I think they should be shut down ... you're in a room. How long until you think?

I hope that he remains stalled.

What are you doing dad?

I only worked for the old rocket boots.

cool. Can I help you. You can follow your father's footsteps.

That makes this father-son time official.

This use for what?

Garry, why is there an old rocket shoes in the shower?

This is news BBN. we directly when Scorch Supernova is doing investigation of the mysterious. in the dark planet. Darkness brought by Planet Cola.

- Planet Darkness Cola. Now we proceed with Supernova. What looks good.

oh, let's go back to the ministry in the Dark Planet.

This is a Scorch Supernova, landing Darkness on the Planet. I'm here because strain'm listening tolong.Dan

I'm looking for helpless victims.

I switched the camera to fly.

Wish me luck. and a great hero.

I would be very cool Uncle Scorch s'perti one day.

Yup. the children.

Garry. This all fathers want to hear.

My son. want to be like my brother ..

- Take it easy. He's very enthusiastic. What can charred more than you give him?

I dedicate this to my niece. planet chicken. I menambil Planet for me, great.

It can be difficult to match.

- There are forms of life in that light. came from there.

Do not, do not do it. do not go into the light.

I went to the light.
It was so beautiful.
Victims. About
to save.
Hello, we have
you call for assistance.
And it will save you.
I Scorch Supernova.
Strangely, on the planet
I think we shook hands.
But we also can do it though.
It was embarrassing.
you're like a swing.
I also loved it.
But my arm. tired.
What is it?
No.
Wait.
Look at me.
Now is not dead.
No.
We get closer.
- Scorch.
We have blue.
I just wanted to swing.
Jackson is down.
What is the Alien in 7-Eleven?
Aliens, using a weapon against us.
Inflating.
- I Scorch, dear
Go there.
Who's next?
Look at him go.
- Scorch is really in trouble.
Aiming for the space.
Look out
Time to leave.
That's not good.
Gary, find another way out.
Welcome to Earth.
Bring and tie.
The Pig Tibet aeronautics
administration has confirmed ...
That all communication with the

Scorch Supernova lost.
We can only assume that our greatest heroes ...
Dead.
Sorry, this can not be.
No ...
- You hope it will happen.
Your father said probably not.
Or do you?
- We have to go looking for it.
Wait, Kip.
Come on, recording.
Hi, Gary.
I think you have resigned?
This is important.
Scorch arrested.
We have it under control.
- CALL ENDED
Father, he told me. bahwaku. must come
saved.
We could have saved her.
We are family.
We have to save him.
-Ku. tries.
you did not call.
Go to you room.
Tipper?
I know you want to save him ...
And it was very brave.
Although Danku uncle. sometimes against ...
We are still brothers.
And I will make all necessary efforts
to take her home. Promise.
I love you, buddy.
Come on, a hug.
Lost chicken.
- What?
The rescue capsule.
- We must be first.
What are you doing?
- We use the flying shoes.
Are you crazy?
They are not ready to fly.
I worked there for fifteen years.
This is not aeronautics.

- It's just flying shoes.
Gary, wait.
This is very dangerous.
You're not the fly switch jobs.
Sorry.
Are you driving?
No.
here you're really really good.
On the side.
Sorry, Barry.
We came, Tipper.
Where is he?
No, Tipper. No.
Chicken, from up here.
- Go ahead.
Launch of sixty seconds.
Chicken, here.
- Gary.
Watch out.
Bad idea.
Mom and Dad, are you located?
- No, this is not a game.
It stuck.
Gary, do something.
- I'm delaying the launch.
Twelve.
Elf.
- You chose to end the launch.
Say to confirm "yes."
- Yes.
You said Banana. Is this true?
No.
- Do not carry out the termination?
No, I mean yes.
- Does that mean yes or no?
No.
- Did you say yes?
Yes.
- Did you say yes?
Sorry, I. thought you said yes to
the end of the launch.
The launch has ended.
It was cramped.
- You scared.

Sorry. I have promised Uncle Scorch
I will save it.
Never do that.
No, chickens are correct.
Scorch is my brother.
I had to go rescue.
Wait, what are you doing?
- Launching active again.
Father.
- I love you.
Father.
I need your help.
Gary is in the capsule.
- We will contact you as soon as possible.
No, you have someone driving behind him.
I have to do anything.
You give orders here no more.
Gary would not survive alone.
- Please bring my dad back.
Do not worry, we are doing everything possible.
What dapatku. do to help?
you want to stay at home mom, so staying at home ...
And let me do my job ..
take to land.
Put your seat belts
I think this movie will be in 3D?
That's it.
That's better.
In Area 48, Area 49
In Area 50
Landing gear down
Landing. destroyed
Go gently.
There can be moved from all
Everything everywhere.
Do not panic.
Remember your training.
It is safest to wait in the capsule.
Self Destruct is enabled.
- Self-destruct?
We are a rescue capsule.
Who does not. Destruct
This However, Gary
Ridiculous.

- Twenty-nine ...
Twenty-eight. Twenty-seven.
Did you plan it? Panic?
Sixteen.
Fifteen.
Come on, when you're exhausted.
Water Landing. Monster Attack.
- Nine.
Ridiculous trapped in the capsule.
- BREAKING GLASS
Six. Five.
I panicked.
- Three.
Two.
A.
We will.
Technology incredible coat.
Opens.
- Yes, sir.
Blutonium.
Ten thousand times more powerful than a nuclear bomb.
How does it hit there?
You're up.
Let me go.
Bring him.
You're listening to Far Out
C Dot FM. We were on the phone.
With Rake.
I work at 7-Eleven in Area 51.
It finally happened.
- You have an appointment with a girl.
What? No. Contact.
I memkaung out the window and there was a blue man.
It was great.
- Listen ...
If what you say is true,
they are here for only one reason:
Abduction.
We need to make a good impression.
We need peace agreement.
It's okay, little man.
Welcome to earth, blue boyfriend.
In an effort to avoid the slavery ...
I offer you the most delicious case

refresher for mankind.

He loved it.

- Of course he likes.

Where is your faith?

Relax.

This is great.

It's called 'ijshoofdpijn.

If you stay with us you have to learn to breathe.

Take him away.

Let me go.

- Small blue friend.

Let me out.

WELCOME TO PLANET EARTH

Hi, are of another world.

Welcome to planet earth.

You are a guest of the U.S. government.

If you communicate with the inhabitants of the earth ...

good "people" mu

Observe the following etiquette .

Hand giving is good.

Lethal Radius bad

spray ..

Nature of modern culture ...

also contains the following

Humans eat meat ..

Under investigation

kidnapping ..

Communism. Naked .

If you or someone you know, is

responsible ...

to build the pyramids,

then we know that

If you have been in the bermuda triangle

and you have someone to take home ...

bring them right back

Finally, if you're a

Foreign residents please register at immigration counters at level 316

We hope this has on our planet ... that informative display

and encourage you to not go to war with us

Enjoy you stay here in Area 51

Come see your head.

Brain and accessories.

Stupid. Simple. Stupid.

Average.

Slim. Genius.
We had a real genius.
Shanker will want to meet you.

GENIE:

Here are a genius, sir.
So you're a genius.
Are you examining me.,
the cut and my eating?
Relax.
I am a big fan of your work.
Scorh, what have you done with my brother?
We also discussed.
It's still you design?
- How do you know?
I'm impressed.
Danku. an expert
thing alien technology.
I could be the one who thought you could use
. .
I have a program vrijlatings' work and.
you work Danku. release you.
You will ensure bahwaku.
The final project will run smoothly.
I did not do anything sampaiku. see Scorh.
You can whine until you have a blue face.
But I have to say it here.

CALL SIGN:

- Everybody get out now.
Run.
- We're not finished yet. Where's my brother?
CALL SIGN.
Hello, Shanky Panky.
- Hello, dear
You look beautiful.
-. Always said that you
Because it's true.
- Are you menambil prize.?
Gave me. it?
- Do you like it?
That's all right.
- What is it?
There. This is great.

I expected more.
It was a monster. There is more to come.
I promise.
I collected enough so we can rule out
universe together.
Fast, dear
Relax.
Put me down gently.
Is there anyone?
You can not do this.
I know my rights ..
Hello, roommates.
Are you finished with the toilet.
I Thurman.
Nice to meet you.
You're all covered with slime.
- You're really dehydrated.
Not now.
- I come from Zedelbrock 475.
Ever hear.
- You must have heard Zedelbrock 473?
That's two more planets.
- That makes sense.
We have to install our.
Take the bottom bunk.
I had to go here.
Not bisaku. call again?
Phone?
A big screen TV?
Egyptian cotton sheets?
This is Area 51.
Silent.
I do not get to sleep.
I understand. Close your eyes.
you only have one eye.
are you making fun of my eyes.?
Relax.
Consider the program.
Stick with the program.
I apologize for ledakanku ..
I called Io.
And I'm working on anger issues.
He seems nice.
- Yes, a big girl.

I Doc.

- You're a doctor.

Radio talk show therapist.

The same without all of the recommendations
training and qualifications.

Do you have a name, little boy blue?

I am looking for my brother ..

Did you see it?

Does he look like you?

- He looks like me

Except that he was very muscular,
and beautiful jaw and teeth are perfect.

You're so ugly sister?

-Ku. would not say that.

It's not a question.

Scorh can cope with us here. He
ship. He could take us home.

There is only one way out here.

Find cool things from

Shanker and let you go.

How it works in Area 51.

He's intelligent alien bait in
universe and he does not care.

Please Thurman well.

He was a professor.

Fourth hand found the touch-screen technology
from.

Or Io.

She was a librarian.

He was so angry at the things to look for
people that they find the search engines.

And most importantly ...

Me.

After my radio show. became famous,

I found on social networks.

I menambil five million friend requests.

This funding Shanker place.

He wiped the technology and sell it to the world.

He deals with everyone.

With Apple, Facebook ...

People google.

Do you think the things that can make?

I do not think so.

Who invented the Internet?

Mobiles?

Computer Animation?

We've done that.

Thank you I love the history of technology.

But, have you seen my brother?

Attention, Aliens, immediately report to the cafeteria

. Remember floating in the hallway

is strictly prohibited

What is it?

There is only one creature in the universe

who snored so loudly.

Scorh, wake up.

What ...

Having the whole salad is needed to sleep.

Gary, what are you doing here?

- I'm here to rescue you.

you saved me.?

I'm still dreaming.

Ex boss.

I was fired by you?

I resigned. During the mission

first you without you will end up in jail.

There is no window. Prison

.

You have to make an appointment.

Attention, Aliens, lunch is served in the cafeteria

now

Watch Joe

very sloppy

The launch.

station computer will tell us where papa.

Find rescue capsule 13.

self destruction to 29.00 pm

Zelfvernietinging?

- Turn the camera back inward.

Rescue capsule damage.

It was ridiculous.

Father.

Mission control can only destroy the ship.

Someone here should be

task.

Down.

Silent.

That's it.

Its fast and go charging.

Got it, boss.

Blutonium many who can blow up the entire galaxy.

Cool.

- Not cool.

We have to tell someone.

- What do you say to someone?

Lena.

- Racing.

Go, chicken.

Let me go.

I'm giving you a chance to go home, dear

Who do you have to fight.

The little rat has escaped.

It does not matter. He's just a kid.

Tie him and took him.

And then Gary?

Gary, a coward who never came back.

Thank you.

Give me. some rocks.

Hello, boys. 'M Not sure if you're a guy or a woman

.

It does not matter.

This is Grey.

No one knows what Shanker know about them ...

But they are common.

So they do not interfere.

Give me two portions of everything,
and a portion of it.

Some things you can not learn.

What's this?

- We had a lot of fun Alien.

Squid. Flour balls.

Frozen dumplings.

And if you're looking for something more beautiful ...

We have a fresh puree.

I'm not hungry.

Alien.

After you.

I've seen a lot of movies prison break.

To solve you just

but a nuisance.

A shovel and some cardboard figures
ourselves.

Not as simple as that.
Do not be reckless.
Whispered about the escape plan you.
- That's your problem.
Always walk to dawdle and you never take action.
Mengapaku. heroic brother.
You owe me quite a hero.
Without you nothing.
Great word geek and a mama's boy.
No, they are normal words.
You're just too stupid to understand it.
Glad to be a hero like me. be
and not a coward like you.
Take that back.
- Fun, Gary.
Nice.
Very mature.
It was very precise.
- Against Food.
The food in the cafeteria attack.
Stop, go back.
Come here, little mouse.
All tables are served.
Well, it's lucky.
Wait, before someone gets hurt.
That was enough.
Bulls Eye.
Now you've done it.
- Watch out, the food fight.
Man, where did you conduct?
You're the one who speaks your mouth full
. .
Do you have to do now?
- Burt's birthday.
Come on.
It's the police.
- Grab him.
Ride.
Hello, dear
Remain in situ.
How dare you hit a captain?
All right.
- Scorch, behind you.
Nice.

- Thank you.
Guess who?
Let's get out of here.
Get up.
I'm king of the world.
you missed.
I said, "Do not throw food",
but they still do it.
I'll clean this up.
Report to the Peace Shield.
In running.
This is the Peace Shield.
- This is the pistol asteroid.
There is nothing better than a big gun, right?
The shot did not you die, if you ask me.
But Americans. They make the king of everything.
Did you make this?
- It took nearly a decade.
Now we wait for the final stretch.
Power.
Then we can go back to our mother planet.
Or the sun.
Do you live in the sun?
The weather is always delicious.
Even if you're not working.
- Yes, it is on the ground.
All for the fans.
- That's a lot of names.
Where are all the people?
- Shanker there for many years to build.
He may let them go.
- Let go of me.
It was never going to succeed.
It's the best.
This has been successful.
Who's going to stop. now
Scorh and Gary go?
Time to put the garbage.
No, Tipper.
- Scorh I, dear
Come back.
Let her go.
I was Scorh, dear
Monster.

- I wish I had a camera.
What a picture perfect family.
Do not do anything stupid.
Soldiers Area 51.
The last part of the puzzle has arrived.
This is a blutoniumreaktor.
How he menambilnya?
Someone smuggled things with
in the suit ..
What's the problem?
- Do you know how strong it is?
ready to take the final exam.
- You heard the man. Come on.
My old friend Helicom.
Will not earlier than 50 years.
Who will miss him?
Ready to shoot Aliens off
Target required
bye.
It works, we go home.
Large.
This is not good.
Do something cheerful.
It's time to party.
take involved.
There are many things to blow Blutonium
this planet.
We went 'Garyen'
or we are doing something about it?
Are you crazy?
- Put that down now.
You're going to lose.
James, Cameraman, take Alien.
I Scorch, dear
Stop him.
I walked in on you.
What do you think of me.?
No, reaktorku ..
Get him out of here.
- No, stop.
Gary, stay out of it.
- Bring him here.
Do you have him in there, Gary?
If you can not make the reactor compared

nobody went home.
Ever.
He was very angry.
Even angrier than when he cried.
precious blue fool you.
Do you know what are you doing?
I've saved millions of innocent Aliens.
That hero did.
You evil plans fail.
That guy did.
And crumbs stuck in my face,
what do some crumbs.
This is great, Gary.
Do it with me. what will you. I was never going to help.
I thought you would say that.
Scorch, no.
Would you like to say something?
Yes, friends, and fellow Aliens,
sent me. a reacher.
Do not think of me. as a hero.
Pikirkanku. as a brave boy
possessed courage.
Do you practice this?
Tell Gabby that I love him.
Tell my fans. bahwaku. love them.
If someone asks,
said bahwaku. love them.
I love you, little brother.
Goodbye, cruel galaxy.
- No.
It's time for a joke.
Tell people in my boat. suitable ...
What's his name again? Never mind.
Tell her I love her.
And to the people of the Planet of Darkness
said bahwaku. love them.
Let it begin.
I am an engineer BASA,
I could make the Bluttonium.
Gary did not help him.
We did the right thing.
No.
No, Scorch.
Let him go.

If you make a shield Perdamaianku ..
And one more thing.
If you tell anyone about this, then
I freeze all of you.
Go there, Alien.
you have the courage to run after the action here.
Where's your brother?
- Shanker lost.
Why did he let you go?
- He thought I could make it.
Can you fix it?
- Of course, I'm an engineer BASA.
Lucky.
- Tapiku. not of thinking. should do.
What are you saying?
I made it and we go home, right?
- Exactly. What's wrong with that?
Then Shanker
menambil the most powerful weapon in the universe.
So he has
toys to the little planet to shoot. So what?
You've seen what it can do.
If you now increase planet?
Do not be nervous.
It happens all the time with smart people.
You think too much and that catch you.
Shanker really trust you?
We have a choice anymore.
- What options do we have
We refuse to make it.
- So what? A silent protest?
Come on, man.
- Are we here forever?
I do not know what to do.
Let me sit down to think.
You mean sit still and do nothing.
We will try to make.
Are you coming or not?
We do not need you.
Come on, Thurman.
Cut the red wire.
No, the green wire.
- Calm I have to concentrate.
I puzzle my third eye ..

I could not do it.
That's it.
Over and out?
Blutonium away from them.
My husband ..
Thurman, you're fired.
Are you sure you know what you're doing?
I Galactic Engineers exam.
Do you know what that means?
- That you do not have friends at school?
That if there is a galaxy full of nerds,
I was their king.
Now this.
We're going home.
It's time to pay. My ticket.
Gary, is this normal?
- Thurman, not so nervous.
grab your stuff.
We are ready to go.
I would menambil brother back.
This is the beginning for you, sir.
Let him behind me ..
I'm here for my sister.
- Gary, finally a team player.
I got what you asked for.
I have made reactor.
And just in time.
Imagine how powerful it would be
with all the Blutonium.
What?
- You call yourself smart.
It was fun.
I can laugh all day.
Let it go.
menambil you what you want.
I am now able to release
to you in pursuing later.
Chase?
We come in peace.
There are come in peace.
I was six when my dad. taken away.
Think about it. With so many stars in the
there must be intelligent life.
Dapatkahku. see, Dad?

- Kids So.
What is it?
A UFO.
Do not forget to refuel?
- That's what you're gonna do it? Ku. have snacks.
you would not believe.
Siniku. 've been waiting for my whole life.
No.
Before you go to your sister,
I want to show you something.
Do not ask, do not tell.
- Not the hair, stupid.
I see you've met my fiance.
- Fiance?
We met on the Internet.
The whole family are you bothering my business ..
Time to say goodbye, Gary.
He's using you.
He's using us all.
He's just jealous because he can not menambil you.
How can you do this?
- You think I really fell in love with an alien?
If they reach the planet you with
Blutoniumku., My. blow it up.
This is just the beginning.
I vaguely plague distant alien planet to planet.
If you destroy any planet with life,
remains no more about the stars in the sky.
My star looked more days.
Let me out.
Congratulations, you're free.
No.
This you can not do.
Please tell me. out.
I do not know if you can hear me, but ...
I'm sorry.
My plan. menambil is for you to get out of here.
Not that I would freeze next to you.
I let you down.
I let my family. dropped.
Save
This world is not without a hero who does not.
I've tried it, brother.
I'm sorry.

Is that Gary's wife?
How he menambil it?
I knew.
Is he always so ...
Chicken, ku. say to save himself.
You should not have come back.
I can not leave you, Mom.
A junior adventurers never let the rear fan.
Chicken, this is not a game.
- I know.
I'm not a kid anymore.
Mengapaku. come to rescue you.
And you're very brave.
Now we're both stuck here.
That's because I'm not finished with you
to save.
You have to disclose your address.
- Mom, you need to calm down.
Carefully.
I do not believe we
Almighty and keeping the king.
This is embarrassing.
Children?
All or nothing at all.
Open the door.
Come on.
Chicken, be careful.
Consider yourself 'gescorched.
Come on.
We do not have much time.
I had to stop the boat.
Hide your mission to control and perform
door behind you.
Understood.
It's everything you're not criminals.
And the stress you get older.
- Do not 'let the mute button?
It's locked.
Government asteroids we think that the biggest threat to the Earth.
But some of us know better.
The biggest threat to the Earth ...
Global warming.
- Aliens.
We will remove their planet

before them with us.
Our first target:
planet Baab.
This is the planet where Gary lived. Establish Target
: Planet Target
Baab obtained
Excuse me, Mr. ..
Sorry to interrupt.
I want to know when you send us home.
Can anyone be so stupid?
The only place you're going is the freezer.
I hope there are no more excesses.
No.
System overload.
- Why not?
Gary?
It's a trap.
Turn it off.
system overload. Evacuation
Get out of here.
Everyone now.
Grease him.
you have to go.
We are free.
- I share you paid.
Freeze aliens.
Io, standing.
And program it?
- Forget the program.
Here, take it. That's what you take
if you argue with Doc.
We have to get out of here.
Scorch.
Scorch, come on.
Gary?
Nice to meet you.
Are you okay?
Of course, no one can stop
Scorch Supernova.
I was a bit difficult situations.
- It will be fine.
Gary, I am overweight.
save yourself.
I'm not going to.

I'm not serious. Help me
Get me out of here.
Do not worry,
they look scary, but they do not do anything.
What happened?
Maybe I was thinking of something else?
oh. dear
I do not think so.
Io.
You saved us.
We can not just leave you here?
The Aliens, We have to stick together.
Hello, talking mice.
- Why are you so rude?
Gary, I could kiss you brain.
Creating stable Blutonium is brilliant.
I taught him everything.
He was still frozen.
Take the leg.
I closed mucus.
I could not move.
They went to the elevator.
Keep them on.
Let them,
because they are easy targets.
Alpha team, they came up with the way you were.
- Roger that, sir.
Set bevriezers freezing.
Well, Gary, what plans
as we reached the top?
Let me think.
- Thinking that fast.
Here we go.
Kindjes, come play outside.
Where did they go?
- Do not know.
They go.
Right now.
Freeze them.
- Seize them.
I can not believe you chose me to die.
Look at this, Gary,
it does not freeze.
Did you see it?

I am a man.
Come on, we gotta go.
- My lips stuck.
A simple key sequence. I just need the main connection
but release.
Apakahku. learned nothing?
Well done, brother.
Scorch, where the ship?
Follow me ..
It's this way.
This way actually.
I saw al We can not state
, We find in all the wrong places.
He's using you.
What's wrong with Sion,
It is a good kid, but ...
- Shut up. Shanker take.
What do you want?
I'm busy.
What happened?
What happened to your hair?
That blue
idiots have ruined everything.
There is destroyed.
- It's all your fault.
If you have this damage,
it is done by us.
No, I'll make it up to you.
Turned, Lena.
- Kira? What are you doing here?
Let's go home.
- You will like it if you see me ..
No, of course not.
- How could I be so stupid?
He makes use of ..
It's never too late to do the right thing.
You like Gary.
So innocent, so naive.
Please, help me ..
It does not have to go.
You think you can stop me., yes?
Housewife carrying solution.
You have betrayed your people,
you betray your friends ...

And you're not fit to wear the uniform.
Do you think like a girl
it will not save?
Computer, set the course for the planet Baab.
Come on,
existing ships.
I have to stay away from the burritos that.
I have hid their spaceships.
Come.
Sorry.
- Dropping you ever?
Hammer, come see.
Believe it not.
Large.
I al
hundred to go.
Scorch, what is it?
- Hey, how's it going?
My brother has a
closed vessel and lost.
Close the door.
- No.
Not a problem. False alarm?
- Yes.
Tornado.
There it is.
Hi honey, I'm home.
There it is.
- Wait, do you kidnap us?
We really do not.
- They come in peace.
Large.
Fly, girlfriend.
We're going home.
Gary, great, catching the bad guys,
on airplanes ...
Maybe we still have a family.
Is not crazy,
but I'm going to miss this place.
I hate this planet.
- We've got company.
Brace yourself.
Great, Gary.
I do not think you had it in you.

Do not panic.
I mean, no one else.
I will do it for us all.
I'm not very good at flying.
Jikaku. merasaku not. try
deep breaths through the nose.
Be careful with your warning shot.
Shanker want to live them.
Brace yourself.
No.
What happened?
- It is damaged, the wheel does not work anymore.
I've seen in a movie.
It does not look good.
Mayday, this is the Supernova 9
we will go down.
me. repeat, we're going down
It Supernova 9
we're going down
Dad, it's me.
- Where's Mom? We're in trouble.
I'm here alone, Dad.
- This is serious. We will fall.
No, not that you're gone.
Chicken, what are you doing?
Supernova 9, you menambil
the help of remote control.
Chicken, this is just like
controlled aircraft control you.
It's not the same.
- A little to the left.
Too much to the left.
It's every man for himself.
Chicken, we hit the rock.
Move up.
Turn the machine off they go, then they should state
. .
We will not succeed.
- I menambilnya, believe me.
We succeeded.
So long, suckers.
Mission Control, which
either flown.
I said, he could do that.

- Well done, Tipper.
Uncle Scorch?
- Every person on board.
Hey, say hello to my son.
- Nice to meet you.
Dad, there's something behind you.
Gary, I'm not done with you.
- It Shanker.
I made a few adjustments.
- Do you like them?
What happened?
Why do not you move?
We're stuck.
You should see us go.
It does not work, we burn.
We need to change the light.
Yes, Gary, how do we do it?
Remove from the source.
- Do you want to go there?
Think, Gary.
you ask me. to jump
no chance to survive.
I ask you.
He succeeded.
- Come on, Gary.
take your hands off my brother.
What are you doing?
- We are a team. Do not you remember?
Second.
Please.
please
No, not the hair ..
Come on.
This is it.
- We are a good team.
I always looked up to you.
you looking at me?
- I'm serious.
Great lady, a great kid.
I hope that one day also have.
You may already be a good father.
Gary?
- Yes, my brother?
Sorry I got you fired.

- Sebenarnyaku. resigned.

What?

Gary?

you?

Thank you.

Not a problem.

- Can you talk?

Sometimes.

- From time to time.

Why did you save us?

I thought you worked for that crazy?

First we felt bad because we had kidnapped his father.

He reveals that he is a

idiot with megalomania.

And destroy any intelligent life in the universe.

Who would have thought?

- What are you gonna do with him?

We can not say.

- It will give you nightmares.

This is to allow you time.

I said,

we come in peace.

Unconscious with the first blow?

Feels good, does not it?

Yes, it feels great.

It was nice.

I would go, but it looks

like you have everything under control.

This little guy is great.

Can we make it?

Put me.

- Let's go home.

Good to go home.

Mission Control, brings us inside.

Listen, Supernova 9.

Hello, baby.

- Kira, how ...

It was my wife ..

How did you manage that?

I think you're a little ...

What does that mean?

It is always said to pad each person

Would not know.

expecting the unexpected when akubekerja with Scorch

Nothing could have
ready to cooperate with my family. to save our planet me.
. =. = Ku. believe that life can still be
is very unpredictable at times
Them back.
Great guys.
I love the planet Baab.
No more heroic okay?
- I never go home again.
Father.
Kipper.
Tipper, that's good.
- We are proud of you, son.
you are great.
Just like your uncle.
you're still going to have a great astronaut.
Maybe normal like me ..
Thank you, uncle Scorch.
But I prefer Mission Control,
like my father.
Creating space.
BNN come through.
How nice to see you.
Gabby Babblebrock, BNN.
How does it feel to be the biggest hero in the universe?
You have to ask him yourself.
Put your hands up to my brother, Gary
Supernova.
I'm older than him.
Gart, we are still in the team?
There will be someone to take care of you, my brother.
That's my sister., Scorch.
He's in trouble
Again
72 hours later, he was in
The most daunting mission in life ..
Scorch, right?
I was too scared to move.
- You can do it.
It will not work, Gary.
- Do not tell me, I'll stay with you.
Companion?
- Your witness.
Are you, Scorch Supernova, will you marry

Gabby sah'mu Babblebrock to be the wife?

Are you crying now?

- No, there's something in my eye ..

We never broke up, kid.

And you, Gabby Babblebrock, will you marry

Scorch Supernova sah'mu to be husband?

And, with the power given to me

On foreign, general arrangements for the wedding ...

Now I certify you as husband and wife.

you can kiss the bride wanita'nya.

Come we will celebrate

Good work

- Thank you.

No, you're fine.

I can not believe you made it.

It's nice to meet you.

Here we are

Come on, Gary.

- It's a shame.

you need to travel to beat ... enemy aliens in millions of light years
to find that the biggest story ...

== only here, on the planet itself.

With your own brother, your own family

I love you guys.
