So see it then.
I'd rather it be you.
- A very pretty car.
- It does not interest me!

You could take this car!
You can have whatever you want!
Everything I want.
When is girl

Must collect setbacks
and transform little bit
to the point of making a victory!
Why everything seems he
more beautiful when it is you?

You know Alice Bleeker?
And then?
The firm wants his friend btir
50 houses this modle it.
This is a great project!
And they say that someone will
speak Roger Sanford,
so that the finance company.
I was asked to live there.
For a month!
You would have done better
take the car!
You can not make dinner
in a car.
If you keep the house,
you leave in police car!
I have done nothing illegal.
If you do not call
your imagination

Julie, the easy chair!
Is not it wonderful?
I'll put flowers everywhere,
buttercup!
He loves them so much!
But how amneras you here?
Do not worry.
He comes. You'll see.
The saleswoman that frquente
Roger Sanford
is not happy with all this.
And if a guy is good in mlait ...
Where did you learn that?
My sister in law is a living
of beauty. You can hear everything.
Women are so talkative.
I believe you again!
It is unfortunate.
There was another man
it's crazy.
The one here dciderait quickly.
When you see it,
ask him.
I bet she does not want

Sanford as a millionaire.
It must pinch another.
Really? We know you?
I do not know.
But I bet I'm right.
How are not you married?
I have 4 kids.
Besides, you know,
since you treat!
Marriage means nothing to you?
You sold me
rowing machine.
You will not sell me anything else.
Dr. Brown! What a surprise
meet you here!
I did not know you djeuniez here!
Rarely.
But today, as an exception.
This lady's gonna be love
and a back seat.
It was here that occurred
premiere our meeting.
Should the commorer

Give me my flat on Friday.
I have my habits, like you.

That means:

"Flat Friday"?
What will you eat?
Give me coca-cola.
It happened many things
since I saw you.
You're a celebrity now.
People make such a fuss!
They amplify all.
In ralit, there is nothing.
Mr. Sanford knows what to do
to me
but nothing has yet been decided.
Really?
Mr. Sanford grabbed me
and kissed in the street.
I was berlue!

Here's what caus
these commrages.
Marriage is something serious.
We must think.
We can reconsider
when it encounters another!
Yes. By a curious coincidence,
my hairdresser told me about this morning!
The dbitante tobacco galement.
And where have I heard yet?
Ah, yes, my masseur, Hester,
Athletic Club.
He would not have said it better,
if he had rehearsed
his speech with you.
I take your addition.
"THE RESPONSABILITS

PARENTS:

"TO THEIR CHILDREN"
Confrence
by Dr. Madison Brown
Finally ... I would remind you
that every child
has its personnalit,
just like his father and his mother.

And I might add:

more often!
The coax is also constantly
worse than to dominate.
You and deprive
his initiative.
And when he is sick, parents
show too much indulgence.
Yet the wisdom of a mother
dpasse whole science of doctors.
And I leave the final judgment
expert in your hands!
I speak on behalf of all,
expressing our gratitude
for this night if intressante
and so suggestive.
Mrs. Willoughby,

and you, ladies,
thank you for your attention.
Maybe one of you
she has a question ask me?
If it is not too complicated,
I tcherai to go answer it.
No questions? I must've
lighter than I was hoping!
Dr. Brown, on behalf of the Club
Lakeside Moms ...
I have a small question
ask you, Dr. Brown.
The babies the healthiest
rsultent they do not
the happiest of marriages?
Yes, I do.
Anyone else?
Wait! I'm not finished!
There would he no
more happy marriages
if men did not
as their "libert"?
If they consented,
they find love!
Someone who
make them happy!
I do not know what you mean.
You know very well!
It does not matter discut.
It is concerned perfectly!
This is troitement li.
Where did the parents come
if all men drobaint
to live in apartments
poussireux full of ttes of lans,
of punching balls ...
instead of accepting
the responsabilite to start a family?
He is not here
advice to heart briss
but a confrence mdicale!
But you sollicit
questions!
If I understand correctly,

you protest
against the man's privilege
to choose his mate!
In your opinion, man must wait
wisely
decide a woman to marry him!
It is this, Doctor!
Decide that man can do
sign the woman who like it?
While reciproque
is not allowed!

She can say:

"Where did you come
those beautiful eyes? "
Who decide this?
Men! Obviously!
Dear Madam, you forget
modesty and propriety!
If we wait your requests
there would be no marriage,
no children,
and you would not be here!
And if you tiez,
you would be out of work!
Maybe it is Very funny
but your point of view
is not proved by the facts!
Really? I would like
all women here presents
who admit having conquered
their husbands without their suspecting,
please stand up!
This is the worst deployment
extravagance that I have ever seen!
If you representez
the mother modern
that Heaven come to the aid
the generation coming!
Do not be too
boilevers, Doctor.
There are some women that sicles
must deployer their tricks.
But we never felt it

to notify people!
Who was he again?
And Mrs. Willoughby?
She annul. Others also
with vague prtextes.
Where do you come from?
You can not wreathe
and expect
in what they are delighted!
I emport,
as happens everyone.
And I did not enguirlandes!
A doctor can not lose patience
without losing its ... patients!
Very funny!
I have a nurse humorist.
This is yet another round of the Sims!
I've heard so much about the joys
Marital that I have the nauseous!
The marriage, however, made
proven.
Do not support them, you will also ...
"Love stronger than anything ..."
and other bullshit!
I'm a monster, because
I mean my wife choose!
I find it nice.
Nice, indeed!
It becomes an obsession!
Wherever I go, I meet!
"Hello, doctor, what a surprise!"
"The shrimp curry!
What luck! "
Even the barber,
I made the lesson.
I'm quiet
as Turkish baths ... And again!
Let false beards
and leave the city!
This joke is not
funny either.
I'll put it good order ...
and now!
Wait.

She moved out.
Here is his new number.
Tell me, Mary ...
Eve how she conquered Adam
without the help of another woman?
Are you, doctor. I did not say anything.
Be gentle ...
It creases easily, I think.
Long ago? Do you?
I have something important
tell you.
Could we have dinner together?
Chez Pierre, if it suits you.
Do not bother.
Finally, if you prfrez.
What address?
Fine. I'll be there.
It was him!
It is dinner tonight!
I would pari 25 dollars
You owe me that you do not see him again.
My intervention did think about it
the question of clibat.
He has something important
tell me!
Probably against Roger Sanford.
Lt is not difficult!
I must take a shower.
I'm so nervous.
I must be calm!
You can get for very well.
I do not know where to start!
Will you help me?
I want to dive
in a bath of soft music.
Must pousseter.
And there are so many buy!
Turtle soup , buttercups,
steak with mushrooms and salad.
Martini with an onion.
He wants like that.
So it must be like that.
We dnerons on the gaming table
before a good fire.

A home can make dinner
give a man clibat.
My eye! Accounts you pretty
all those little embellishments
dress as your sticky,
when you serve the soup,
caress purely coincidental
your hair on her cheek!
I do not want to give you ideas.
If you see that I oublies ...
I start my cake
the cream banana!
Did you noticed that?
Is to move
cocktails, etc..
We will take
like a trap!
Here's a word
not speak to him!
It's Martini
but with a little onion!
This is how I like it.
I guessed right, is not it?
Yes. You have the knack
to guess what we love!
Some people like that.
Sit down in the chair.
Obviously, the need
a fire does not feel,
but it's been so "at home"!
It is charming, Anabel!
You have taken much trouble.
Me? I never
been this happy!
Tell me about yourself.
The little things
you did say person.
I came ...
A moment.
This is for you.
It will not be necessary.
Do not give as tea and
biscuits, a little lemonade.
Yes, and it sits.

Here it is. But this is nothing.
Excuse me. That's what it is
than being a doctor.
You do not belong!
Being a doctor,
This line of work is the most beautiful in the world!
I do not see them intrt

I!
But just as soon as the press talks

people are
the craziest things!
I even asked my opinion
policy.
Who understands something?
Once a plumber fell
in a well. He stayed there three days.
When we went back,
they wanted the mayor lire!
I hope you enjoy my menu.
In any case, it smells good!
I am not yet
good cook.

Here's the menu:

Turtle soup ,
barnaise steak,
asparagus salad
and banana cake.
Potatoes and the cream !
What would it
if you were blue ribbon!
Oh, Mom taught me
few things.
She taught you many things!
Including one on
which I speak to you.
Again this is for you.
We are not therefore leave
not alone!
Yes, Mrs. Willoughby.
Yes, I'm happy
our rconciliation.

Pink pills in water sucre.
And the cuillere remde

Alternating with the other cure.
No. In orange juice.
How can she remember?
Who cares! Us,
it is water sucre!
I rarely do, but
Mrs. Willoughby was so nervous ...
and so it will not have the time
to worry for his daughter.
It's very clever!
I know about you
something that will surprise you.
I doubt it! Say a little?
Malgr everything you prtendez,
You love children
much as me!
They have the future, is not it?
What happens to us
in childhood
Can it really
affect our lives?
Certainly.
And I bet qu'tant the cradle,
you tried to move your
ring finger the little neighbor!
Because I told you about
my project with Roger Sanford?
As we speak,
What's new?
We see that you're
attard in clibat.
You know nothing about women.
A young nice girl intentionne
may reconsider
if she meets the man
suits him!
I could go
home and marry Jo.
We can not force anyone
marry.
He must wait!

Sure.

This requires second thought!

Oh, yes, certainly!

And what would she

Enough insolence! Out,
if I throw you out!
As a doctor,
I rprove violence.
But since you insist!

You must be mistaken!
To see you, I prsume
qu'Anabel is not here.
The old Jo! Maybe it

Dr. Brown!
I reconnatrais Anywhere!
And you're Mr. Sanford,

It's nice you

because I'll remove Anabel!
The old Jo you breath!
That, it is not trivial!
So she took
my advice. Congratulations Jo!
Excuse me ...

- This is the old Jo!
- From Granville!
And then?
Anabel you never
Jo talked, huh?
The wedding will take place on Sunday.
You should have seen the joy of ours,
this new!
Sanford, we are out of the race!
The best has won, it seems!
If Anabel returned,
I know what it means.
It is very simple, sir.
Anabel and I we love
since childhood.
And I continue to expect.
But I doubt that's realistic.
So when she phoned,
my heart almost clattered!
Darling! How are you?
You make Jo
the happiest of men!
Our wedding will be the most beautiful
Greenville has seen that!
If you had seen
the joy of your parents
and mine, when they knew!
Roger, I'm sorry for dinner.
You were wonderful.
I do not hustle,
like the others.
But you had many women,
you find
Probably another!
This dinner is the most tonnant
I've seen!
But I offer you my best wishes.
I knew you would take
good things.
For you too, Jo.
Good luck and goodbye!
I think the best won.
Dr. Brown, I wonder
what you are doing here.

We said all
what we say!
Yes, Anabel, I think.
I just wanted
that nothing happens to you fcheux.
Jo is a girl tonnante,
and you're a lucky guy!
I think you're the man
remarkable qu'Anabel dcrit me.
And God knows
if she told me about you!
Soon I'll be ready, Jo.
I finished my suitcases.
I want to talk for a moment.
Our train leaves in 25 minutes.
It will not be long.
I came here to viter
Anabel an error.
It does not commit another!
I do not understand very well, doctor.
I told him conseill
back to you
but now I doubt.
This is me to worry about!
But you Anabel she
all told each?
How so?
I know what it implies.
What does he not?
He means
I have pursued everywhere!
Because it is such
I did have him rsister!
Here they claire
diffremment situation.
I'm telling you, Anabel ...
It goes something
I do not understand.
I was in love with him.
And then what? Since it is finished!
Hurry! The train leaves in 25 minutes.
A moment.
I'm 15 years expected.
I can wait a few minutes.

I reach a conclusion
trrs embarrassing:
a man should give
the clibat.

In other words:

I want each you to stay!
I wonder ...
I have only dsir ...
you to be happy.
Then?
A Jo to decide.
It is always better!
Tell me. What should I do?
At the bottom of myself,

As regards Jo
I want to tell you something.
He is so brave boy, so sweet.
What will it become?
Do not worry. These things here
eventually settle.
With time,

he will find another!
I guess.
Or another role play
as good as the "old Jo!"
Because it is one of my habits
you do not discover!
I listen to mission
the "mountain" radio
and accent Harry Proctor
of those we do not forget!
You're the most wonderful
men!
In the words

of a great man:

"Never before has a girl
has done so much for so little! "
You're appuye the bell?
From the inside?
I thought, just in ...
I'm not late?
I came about
your wedding.
If you want
high crmonie ...
