Fatherland

By Robert Harris

It has been 20 years since the
second World War ended ...
with the failure of the
Allied invasion of Normandy.
A triumphant Hitler declared victory
over Europe and the British Empire.
the United States withdrew from the conflict ...
listening to words
the like Charles Lindberg ...
who opposed a war
against Germany.
In the east, only Russians alone
remained in a guerrilla war.
U.S. efforts were directed
to revenge episode Pearl Harbor
That summer of 1945 led
to victory over Japan.
Then, General
Eisenhower disappeared
from Europe and the
United States ...
in a humiliating withdrawal.
In 1947, King Edward and Queen Wallis
came to the British throne.
Winston Churchill, barely
survived the Normandy ...
died in exile in Canada
in May 1953.
years after the war.
country after country ancient Europe
became part of the vast
Nazi German Empire ...
Fhrer architect, Albert Speer ...
He built a Monument
millenary Reich.
German capital, Berlin.
It became the headquarters of the Nazis.
SS troops turned
into a police force for times of peace.
patrolling for
keeping peace and order on the streets.
In the late 50s ...
Hitler was able to put
a girl civilized, great Reich

But there were still news
strictly controlled.
the 60's started the war with the USSR
and tensions have accumulated.
Hitler desperately need
to resolve the situation with the United States ...
to forge an alliance against Russia ...
... led by Joseph Stalin
aged 85 years.
Hitler hoped that this will cause
the final of the 1960 election ...
by choosing new
President of the United States.
I think a veteran like Fhrer
Joseph Kennedy presidential candidate ...
... will be hard to beat.
Now, in 1964
for the first time after 20 years.
Germany's borders close
to the United States.
The press was invited to the world ...
... to attend celebrations of 20
April when the Fhrer reaches 75.
There are rumors that President Kennedy
will participate to a meeting of the US-German.
an alliance with America to guarantee
Germany invulnerability.
But other rumors circulating
could jeopardize plans Hitler.
It tells of horrible things
events in Germany during the war.
Nazi official version that Jews
and other minorities have been relocated to the east ...
.. would not be true.
are also rumors that the Great Reich
terrible things happening yet.
TV, radio and press are controlled
the powerful ministry of information.
No one can afford the new Berlin
embarrassing to ask questions.

See? Same woman.

-E Anna von Hagen, an actress.

She waits for an American.

-Okay.

Yeah?

-Anna von Hagen?

Who is

-I sent Herr Luther.

You're from the American Embassy

-Yes.

So gone are all right?

-Yes, they are all fine.

Where is Franz,

why not here?

He's still at the embassy, ??

for final details.

They sent me to take hrtille.

I said that if

someone asks them, to destroy them.

Yes, I know, but embassy wants before

the issuance of travel documents.

Franz said he wanted to send

von Ribbentrop, a postcard from New York ...

One rude.

I love myself just as I have loved

I decided that for the good of the party

and Fhrer ...

it will continue to remain married

and we will meet in secret.

It was a sacrifice, but he would not make such sacrifices ...

We'll send a car

for you in two hours.

America.

Franz says he still has Hebrew in America.

Did nothing with them?

All may change now ...

... if you have a president

who thinks Fhrer, huh.

It was a real problem for me

to make a career in Hollywood.

Why?

-Jews.

They controlled all studies,

you keep away from Broadway.
But audiences loved me,
then the war started.
Berlin was beautiful before the war,
the only thing that I wished were Jews.
I'm career in front, but I want
to America, to the Hebrew mind.
What do not you do something
with the Jews, as we did?
What did you do?
I put in cattle cars
and I sent in the East ... always in the east.
You mean in Ukraine
in relocation camps?
Yeah, but relocated ... air.
-Excuse me?
-Smoke were made.
They burned bodies after they gassed,
had ... but nobody has to know.
In the beginning was spent,
one bullet each.
The children needed a bullet,
as men and women.
But I needed to bring war
of these 6 million bullets.
So ...
Yes, 6-7 million Hebrew ...
... and no bullets ...
... for Gypsies
fools and cripples.
So all Evri were killed?
There was no leakage?
Honey, I doubt that after the war have
stayed enough to live on an acre.
Heydrick was a brilliant man.
A genuine genius
after Fuhrer himself.
Oh no, Stuckart was a genius in his own way.
He had a ministry to preserve
correspondence with American Jews ...
... demanding to know
what happened to their relatives.
a postcard every year, saying:
"We take good care of us"

??The war in Russia
could not control, is not it?
People bother asking questions
you do not get answers.
Children will Saxons live life ...
The war is over
Jews no longer ...
passed ...
... in smoke.
And after two generations ...
and will remember who to ask?
Well, now I have to go.
You said that the car will come in two hours?
Yes.
I'll be ready, I'll wait.
I'll see.
Charlie.
Charlie, waiting.
What happened?
Charlie.
What did he say?
Killed all the Jews.
That was the secret of Luther.
-I relocated.
I've given each
each a piece of land.
Look at these pictures, Xavier.
They're fakes.
fakes.
-That must be.
So Luther, Stuckart and Bhlér
forgery were killed?
You want this to be true?
Thought it was a good story?
But it's true.
Look at them!
You agree to go
before on my way?
I got here
We can not go back.
You know.
-I raised during the war.
What does "need to remove bases
Judaism biological forever"?

What does "final solution"?

I do not know

This is the train.

"A train one day, 60 people
in wagons, 60 wagons per train"
... are 25,000 people a week.

What happened at Auschwitz and Belzen?

-I can not believe it.

What is Zyklon-B

I do not know Charlie.

It was a gas, a lethal gas.

A gas?

They took belonged to them
and gave them his troops gift.
jewelry, pens, watches.

After the war, I thought
what everybody believes.

I had no reason to doubt.

I'm a loyal son of my country.

I served killers life.

How can I say this to my son?

They met at Wannsee
to plan the final solution.

Do not kill an entire nation.

Luther and others were killed
because they were the last link in Wannsee.

It was the last obstacle to oblivion.

Hitler wanted dead for
Kennedy meeting.

If the government knew it would be yours,
reuniunea Kennedy was held Hitler?

I do not know.

I have to give these documents
your ambassador immediately.

How Kennedy is here, we will do nothing.

Do it quickly, and then leave.

How do I tell my son

killers that I served for life?

How do you explain that a nation
glorious way to survive ...

Is Germany?

You must come with me Xavier.

I can not, it is my country.

-No, not anymore.

I can not leave her son.
-Take it and he
I'm not leaving without you.
Seriously, come to the park tonight.
I'll find a way to transmit
Kennedy this promise.
Sons of the country ...
It's time to renew your commitment
The Fuhrer and Reich girl ...
With teva moments before Air Force One
having him on board Kennedy
landed at the airport
international Tempelhof.
... the relaxed and distinction
President Kennedy was greeted by ...
Hello?
-Clara, I'm Xavier.
Can we talk alone?
-What?
In my apartment.
Why not live here?
I'd rather not talk
the girl with Pili is urgent.
Well, come.
-Thank you.
Dad.
-Good son.
Shut the door.
What are you doing here?
Mom just left.
I wanted to talk to you alone, without a mother.
Come here son, are you okay?
I'm fine.
Open your mouth.
Show me your tongue, it's good.
You remember we talked about America?
Want to join me there?
When?
-Now, right now.
And what about mom?
-Just me and you Pili.
I'll explain later.
We stay long?
-Yeah, pretty much.

Okay Dad.

Okay?

Yes.

I'm sorry, you have credentials.

I'm from the press.

-You can not enter.

But why?

-Because I do not have accreditation.

Maybe I fell.

-I'm sorry.

I was accredited, you must
be on the list, Charlie McGuire.

Charlie McGuire, the name does not appear on the list.

-Yes, but you know who I am.

Well, belongs to the group.

Okay? Thank you.

... in an hour or so
we expect the Fhrer ...

Elliot need to talk.

-Hi Charlie, sit down. How are you?

Listen no time.

Look at this.

Help me, you're the only one who can
to convey this president.

Let go.

You changed your mind?

We fly to New York,
we'll find a place to live.

You can even live
in a boat when, will you?

Yes.

Okay, now
tell me that worry you.

You know

You're sick.

I'll, why talk?

Gestapo said.

-Gestapo?

What do you mean?

-They will help you.

Who told you?

-I called.

They lied.

I lied.

Listen son, you're a man.
Now, you must learn
to think for yourself.
Stay here, do not move.
bastard.
Come on Charlie, you must go.
Forgive us.
Charlie, come too.
-Please leave us.
Mr. President ... Mr. Ambassador,
Mr. Ambassador, what should I do ...
Mr. Ambassador, why must you do this.
Mr. Ambassador, stop the machine.
You have to see these pictures.
You know the president.
Mr. Ambassador, look at these pictures.
Mr. Ambassador.
To tell the president.
Attention, attention.
Because of the Bolshevik threats
bomb festivities were canceled.
President Kennedy returns
right in America ...
And send the best
thoughts German people.
Come on, hurry up, please.
My son, listen.
It was not your fault.
Do not believe.
sure you will grow wings ...
-Dad
-Where are you?
-Grow ...
Dad.
Your-own wings ...
Dad ...
I wondered why she did not leave
you have the opportunity.
But she and my father were the first
where did these terrible images.
the first to know ...
and in this way the bound
between them and the victims.
So it remains to

the Gestapo came to pick it up.
Everything has changed.
Without the American alliance
Hitler's Reich collapsed.
Of course, some say
that this did not happen.
They are seeking ...
I can not see.
hard years have passed since then.
But my father would be
proud to know ...
that not all live in the house blind.
You think I can keep?
For a while.
Could it be forever?
Yes, you can.
Maybe all I want
to follow the path of our fathers.
I would be proud to follow in my father's ...

OUR CHILDREN:

OUR FUTURE:
