# First Kid

By Tim Kelleher

Come on, boy.  
Let's go to work, boy.  
We're late, man.  
We're late.  
Oh, just great.  
There's Wilkes.  
- Give me the keys!  
- Why?  
Just give me the keys, man.  
Just hit the possum  
next time.  
We're federal agents.  
Hey, you guys can't  
park right here.  
It's OK. We're with  
the government.  
Oh, yeah?  
Is that right?  
Well, I'm with  
mall security.  
Now, you federal boys might  
call the shots out there,  
but when  
you're in this mall,  
you're under  
my jurisdiction,  
and that car's parked  
in a fire zone!  
That's right, sir.  
You're absolutely right.  
- What's your name?  
- Hill.  
Officer Hill,  
how you doing, sir?  
I'm fine.  
I'm agent Simms with  
the secret service agency.  
We have a major operation  
going on here...  
...and we'll need your help.  
I see you're a sharp man.  
Can we count on you?  
Yes, sir,  
you can count on me.

Now, I need you  
to watch this car.  
Guard it with your life.  
Can you do that?  
Yes, sir, I can.  
What's so important  
about this car?  
If I told you that,  
I'd have to... you know.  
Oh, yeah, I get it.  
I understand.  
Take good care of.  
No problem.  
I gotta make you an honorary  
secret service agent.  
Yes, sir.  
Grab my shoulders.  
Grab your shoulders.  
Frisk me.  
Frisk you.  
Turn around.  
Give me a bump.  
There you go.  
Thank you very much.  
- Yes, sir.  
- Guard the car.  
Just guard the car.  
Why don't you just  
shoot him next time?  
Let's go. We're late.  
Hey, I still  
have milk left.  
Leave it.  
We're late... as usual.  
I'm not taking the fall...  
...for you this time.  
Let's go.  
Move it.  
Good morning.  
Luke, honey,  
you're 10 minutes late.  
We were supposed

**to leave at 9:**

Woods, why didn't  
you say something?  
Agent Woods, you're supposed  
to remind him of the time.  
He's-- he's a child.  
He can't keep  
his own schedule.  
I--I did. I--  
Let's go. OK?  
- Let's go.  
- OK.  
Don't worry about it.  
Just follow my lead.  
I think I found it!  
- What?  
- Bark.  
- How you doing, sir?  
- Fine.  
Major Simms,  
secret service.  
Agent Dash,  
secret service.  
Got a little bomb threat  
here with the doughnuts.  
Could we check out  
those bear claws?  
Yes, sir.  
No! Do you want  
to blow us all up?  
No.  
Be careful.  
Get that big bear claw.  
Don't use your hands,  
man!  
Use that tong!  
Where you from?  
Now, hurry up.  
Might be on a timer.  
And get those little  
peanut clusters.  
Could be a peanut bomb.  
And get the little  
candy sprinkles.  
They love to use that.

The enemy is real hip  
to the candy thing.  
Sir, can we check  
a frosty long john, please?  
I don't think so,  
agent Dash!  
Could you put those in  
a box for the bomb squad?  
Yes, sir.  
Freeze! I'll be  
back in a minute.  
Don't you move,  
don't you breathe.  
Any kind of pressure  
could set this off.  
I don't want  
any incidents today.  
You are in high school now  
and I expect you to act like it.  
Then don't dress me  
in these dorky clothes.  
You're not dressed  
in dorky clothes.  
You're in nice clothes.  
You look very handsome.  
You should consider  
yourself lucky.  
I should consider  
myself dorky.  
My man? My man?  
Hand me the box.  
Thank you for  
watching it for us.  
Your country thanks you, OK?  
- Yes, sir.  
- Cool.  
Dash, how many times  
do I have to tell you  
we can't have  
doughnuts on duty!  
Sir, this is agent Dash.  
I think you remember him  
from this morning.  
- Roger?

- Yes, sir?

Tell Cliff

I can't hold his dog  
when he goes  
to the bathroom.

I just can't.

I have my own job to do.

OK.

You keep this up  
and you're going to be  
on field duty forever.  
If Morton had seen that,  
you'd be laying your badge  
on the counter right now.

I mean it.

Come on, sir,

I'm just joking.

You're always just joking...

and jokers don't

protect the president.

They stay in the field.

That's not fair, sir.

You know when it comes  
to my job I'm serious.

I'm out there,

taking care of business.

I've proven myself.

I know you have, Sammy,  
but it's not about that.

It's about

the little things.

The doughnuts,

the fake dog poop

at the inaugural.

- Not funny, sir.

- That was not funny.

The right attitude!

From now on,

if I could get crown,

I have

the right attitude, OK?

I'll buy more little

brown ugly clip-on ties.

I will do

whatever it takes.  
I'm going by the book  
from now on.  
They'll call me  
Sammy "by the book" Simms.  
Sir, here's that  
explosive coffee,  
2 sugars.  
Package is  
approaching the mall, sir,  
and it has arrived.  
OK, caravan's here.  
Get out there.  
Yes, sir.  
Leave the doughnuts!  
OK, sir.  
Put the bear claw back.  
Thank you very much.  
Mom, look at  
all these cameras!  
I'm not going in there.  
Of course you are.  
We do this every year.  
I'm not going in there.  
Do you want me  
to call your father?  
Why not? At least  
I'd get to talk to him.  
Look, I know this is hard,  
but you are going  
to get out of the car  
and when you do,  
you are going  
to be the happiest kid  
that ever went  
back-to-school shopping.  
OK, sweetheart?  
OK. All right.  
That's great. Come on.  
Open the door.  
Mom, can I try  
one of these?  
No. We have  
a schedule to keep.

We were late leaving,  
remember?  
Mom, it'll just  
take a minute.  
Be a good boy. Don't  
embarrass your mommy.  
OK...  
Dead people wear this stuff.  
Did you hear that?  
Kids don't like dress clothes.  
What can I say?  
Mom, I said I didn't  
want to shop here.  
Luke...  
Big smile now.  
Get rid of the cameras.  
Let's go.  
What are you doing?  
Why do we have  
to shop here?  
Because America shops here.  
Your father runs America  
so we shop here.  
You don't shop here.  
Never mind where I shop.  
Would you help me  
with this, please?  
Mrs. Davenport,  
how do you find time  
to shop with  
your busy schedule?  
You heard your mother.  
Put these on.  
It's a balancing act  
for all working mothers.  
And when you get  
right down to it,  
that's what I am.  
Get your butt in  
the dressing room.  
What are you doing?  
You're hurting me!  
What do you think  
you're doing?

Don't ever touch him  
that way again.  
He wouldn't move.  
You told me to put him  
in the dressing--  
that is not what I meant  
and you know it.

Get in the dressing  
room, please.

What?

I don't want him  
guarding my son anymore.  
You get me an agent  
who can deal with a child.  
You picking that up, Brian?  
Unbelievable.

Thank you.

Simms! Simms!

You've been in  
the service 5 years.  
2 meritorious service awards.

Why is your earpiece  
not in your ear?

Oh, sir, the high  
frequencies bother me,  
so I take it out  
from time to time  
just to relieve  
the pressure.

It seems there's always  
something with you, Simms.

"My bulletproof vest  
causes chafing"?

It's a family thing, sir.  
More like a rash.

"My photo I.D.  
makes me look fat."

Sir, I've lost a lot  
of weight since then.  
I've been working out--  
Sit down.

- It's--

- Shut up.

Listen, I understand

you did a good job  
in the field today.  
But even so,  
you've got a file  
full of borderline  
regulation infractions,  
which is why what  
I'm about to do  
is against my better judgment.  
This afternoon you'll be  
assigned a new detail.  
Effective at 1700 hours,  
you'll be full-time  
in crown...  
Yes!  
As the personal agent  
to the first kid...  
No.  
Code name "Prince", also  
known as Luke Davenport.  
I am so flattered,  
you just don't know.  
That's-- that's  
a nice job.  
It's just that I don't  
want to be a baby-sitter.  
I was thinking more about  
guarding Eagle himself.  
Wait. Does he think  
I'm asking him?  
This is not a request.  
You wouldn't even be here  
if it wasn't for  
the D-sac here.  
I'm gonna be  
watching you, Simms,  
and the second you screw up,  
you're gonna be working  
credit card fraud  
in east Cleveland!  
Do you hear me...  
...or am I yelling at  
too high a frequency?  
No, sir. I've got

my earpiece in.  
Get outta here.  
Yes, sir.  
I appreciate your  
confidence in me, sir.  
Don't say "sir".  
Just go.  
Yes--no.  
And lose that tie!  
Looks like you robbed  
a dead clown.  
Thanks, sir.  
It's the first time  
I got in trouble  
before I did anything.  
Hey, you wanted  
to guard Eagle, right?  
Now, this is the start.  
You do a good job  
with Prince  
and this is  
the admission ticket.  
Hey, that's no problem.  
He's just a kid.  
How bad can it be?  
What did that mean, sir?  
Why you laughin'?  
What--what are you  
doing, kid?  
Leave the snake in there.  
Leave the snake  
in the cage.  
No, leave--the snake  
is happy in the cage.  
He doesn't want to be  
out the cage!  
They want to be  
in the jungle.  
I've seen this on  
Wild Kingdom.  
So... you like snakes.  
No, I don't like snakes.  
Meet Poison.  
Want to hold her?

Don't play games!  
I swear--I swear--  
Excuse me, Mr. president.  
Sir, ma'am.  
Take him!  
What is going on here?  
I was just telling him--  
I'll be doggone  
if he wasn't right.  
This is much heavier  
than I thought.  
It's not 15 pounds.  
I was wrong.  
Luke, we need  
to talk about  
your behaviour  
this morning.  
Hey, I was just--  
it wasn't my fault.  
I was just  
trying on clothes!  
Will you give us  
a second?  
In fact, take this snake  
and put him back  
where he belongs,  
will you, please?  
- Sir--  
- Here, take him.  
I'll take him.  
Luke, I face an election  
in 2 months.  
This is nasty!  
I cannot sustain another  
incident like this.  
The timing is very bad,  
you understand?  
Where's your head?  
Don't you bite me!  
Yeah, sure.  
Good boy.  
I thought so.  
Thanks.  
He bit me!

I'm bleeding!  
You walked Brandy yet?  
No.  
Don't bite me again!  
Luke, we talked  
earlier today  
about responsibilities.  
You want the dog,  
you have to walk it.  
Fine.  
Breathe--  
Luke! Help!  
Come on, hon.  
Snake--Luke--  
Luke, wait--Luke!  
Help--Luke, wait!  
Luke, help me!  
Come on, Brandy,  
let's go.  
Come here, come here.  
Simms! Simms!  
Hey, I have an idea.  
Why don't you  
walk the dog?  
I have a better idea.  
No!  
Why not?  
It's not in my  
job description, OK?  
Well, if I walk the dog,  
you have to come, right?  
Yes, I do.  
Well, let's just  
cut out the middle man.  
I'm not paid to walk  
the dog, OK?  
Come on, Brandy.  
I'm paid to walk the weasel.  
Snake skin!  
Luke! Luke!  
Did you see the kid  
come out here?  
Yes, sir.  
Then why didn't

you stop him?  
He lives here.  
I'm not gonna say it.  
Luke!  
Got a perimeter breach.  
Bring up sector 47.  
Yes, sir. 47 coming up.  
Oh, just great.  
OK, it's official.  
I don't like this kid.  
Freeze!  
Luke?  
Luke, there you are!  
Hey. I found him.  
This boy can hide!  
I tell you, man,  
if there was an international  
hide-and-seek team,  
he'd be the captain.  
This--oh, so everybody  
wants to play.  
That is so messed up.  
Why didn't anybody tell me?  
OK, duck... duck...  
Duck... look at you,  
trying to be so serious.  
Duck... goose. Go ahead!  
Go ahead!  
Well, if y'all  
don't want to play,  
why'd you come out here?  
What?  
What's everybody  
doing out here?  
We're responding to  
a perimeter breach.  
What are you guys  
doing out here?  
Playing hide-and-go-seek.  
Right, Luke?  
Is that right, Luke?  
Come on, tell him  
what we're doing.  
Tell him, Luke.

I'll find you!  
Only 6 hours on the job and  
already an escape attempt?  
That's one, Simms.  
False alarm! False alarm!  
Let's lose these lights!  
And lose that tie!  
Yeah, why don't  
you make me?  
"That's one, Simms."  
"Know what's next? Two."  
"Know what's  
after that? Three."  
Oh, just great.  
Like I'm not out here.  
Forget me.  
Welcome, you have mail.  
All right!  
Mongoose 12.  
"Hi, Viper. Cool screen name.  
How old are you?"  
13 1/2,  
21 if you're an older girl.  
"Where are you from?"  
"Arlington.  
We should meet sometime."  
Cool.  
"Me, too. School sucks.  
Let's talk again."  
It's bedtime!  
You online?  
Yeah, I was.  
Who you talking to?  
None of your business.  
You don't tell anybody  
who you really are, do you?  
No. Do I look like  
an idiot to you?  
Online, I'm just  
like anybody else.  
You know, normal,  
like any other kid?  
You ought to  
try that here.

What?!

I said go to bed.

Just be careful out there  
in cyberspace, all right?

Be careful what  
you tell people.

Thanks!

Hey, you can go now.

Oh, and by the way, stop  
telling me what to do.

You're not my dad.

Lucky for me.

What?!

Nice PJs. Bet they have  
feet on them, don't they?

How you doing?

What do you need?

Give me a Harvey  
Wallbanger.

Make it a Harvey Oswald.

What's the difference?

Harvey Oswald's got 3 shots.

Last one, Woods.

Hey, I want you to know

I'm sorry about what  
happened in the mall.

No hard feelings?

Hard feelings?

Are you serious?

You didn't

take my job, Simms.

I got no problem  
with you.

I just got a  
6-month paid vacation  
courtesy of the service.

I lied to the shrink.

It was a living hell,  
anyway.

Never been so happy to be  
off a detail in my life.

I'll be back.

- See you.

- All right.

Does he always  
drink like that?  
No. He had a bad day.  
He lost his job.  
Fired? He just told me  
he lied to psychiatry.  
No. He failed his  
fitness for duty exam.  
Oh, man.  
But, hey, thanks  
for the good word.  
I really appreciate it.  
Don't mention it.  
Don't go making me  
look bad  
and don't blow your shot  
at Eagle like Woods did.  
Hey, I'm not  
gonna do that.  
That's the reason  
I joined the agency.  
See you later, Sammy.  
You got a second?  
Sure.  
I been thinking  
about something.  
Remember the time you got  
shot protecting Reagan?  
Oh, yeah. You don't  
forget being shot.  
Hurts really bad.  
How much time between  
seeing the shooter  
and jumping for Ronnie?  
Did I think before I jumped  
in front of that bullet?  
Is that what you mean?  
Yeah.  
Nope. It's the job.  
They elect him,  
we protect him.  
You don't have  
time to think.  
You hesitate to protect,

he's dead, end of story.  
But you don't have  
anything to worry about.  
Nobody wants  
to shoot that kid.  
Spank him, maybe,  
but not shoot him.  
No, you're gonna be fine.  
OK. See you tomorrow.  
Thank you, sir.  
Unlock the door.  
Unlock--unlock the door!  
Unlock the door!  
Unlock the do--  
I'd like to welcome you all  
to Georgetown academy.  
I'm Ms. Lawrence,  
your teacher,  
and this is science 101.  
I see that some of you recognize  
one of our classmates.  
For those of you  
who don't know,  
this is Luke Davenport.  
And because of Luke's  
special circumstances,  
his friend will also  
be joining us all year.  
This is... Mr. Swims?  
No, no. Simms.  
Mr. Simms. Let's make them  
feel welcome.  
Yes, Robert?  
Yes. How many times has  
Mr. Simms been left back?  
Very clever, Mr. MacArthur.  
I hope to see  
some of that cleverness  
put to good use this year.  
Let's not pick on Mr. Simms.  
Let's take a look  
at the syllabus  
and see what we'll  
be studying this year.

Hey, your mom and dad  
are waiting downstairs,  
and I'm not taking  
the fall like Woods.  
We're late.  
Now, let's go.  
What's that?  
My--my homework.  
Is that all right  
with you?  
Let's welcome our friend  
in the White House,  
the President  
of the United States,  
Paul Davenport!  
Sir, sorry I'm late.  
I had some milk.  
I'm lactose intolerant--  
Shut up, Simms.  
What is that?  
- What, sir?  
- That!  
Very funny, sir.  
This is a black tie affair.  
I know, sir  
and I got it covered.  
I'm black  
and I'm wearing a tie.  
- Don't go there.  
- Sorry, sir.  
Can I ask you a question?  
No, but you're gonna.  
Is the agency  
jealous of my style?  
We are.  
I'm serious! I mean,  
why can't my clothes  
fit my personality?  
Bright, bold, colourful?  
I'm a good agent.  
I think it's time for  
the agency to change, sir.  
You're right.  
Change into this.

Thanks for  
your support, sir.  
Sir, I got to  
check something.  
What?  
Trust me.  
I'll put that on.  
I gotta check  
something out, sir.  
...Linda and me back to the  
White House for 4 more years.  
No! Not the snake!  
I hate snakes!  
That's it! I quit!  
I got it! Hey!  
Don't you kick me!  
I'll have you arrested  
for stinky feet!  
I got gum in my afro!  
That's it. It's official.  
I'm gonna kill this kid.  
He's dead.  
It's the snake.  
Don't you bite me!  
Gotcha! Lady, shh!  
Please...  
Don't... scream.  
- What's going on?  
- Poison, sir.  
- Poison!  
- Poison!  
Code 3!  
Get the paramedics!  
Lunch has been poisoned!  
No!  
No! Oh, he's licking me!  
He's licking me with  
the little licky tongue!  
Wait a minute!  
He's trying to bite me!  
Oh! Grab it!  
Hey, that's my head!  
Want a cabbage head?  
Take this cabbage head!

How about some bean dip,  
mister?

I got something for you!

I got something for you!

Sir, I've taken care  
of the situation.

I told you

he's such a dork.

Hey, turn around!

Yeah, turn around!

Simms, can you  
give me some space?

No problem.

This better?

Do you want me to tell  
Morton about that tie?

OK, then back off.

You're suffocating me.

Fine.

I'd like to suffocate you.

It's a dream I have.

Hey, guys, check this out.

Come on, Rob.

Go get him.

Watch this.

Hey, want to come  
eat with us?

No, thanks.

Why not?

You think you're  
better than everyone?

Not everyone.

Did you hear what  
he just said to me?

You don't ever  
say that to Rob.

All right, Mr. Luke.

Let's see how you do  
on your own.

I don't think you're  
better than... anyone.

Whatever.

Hey, we just want  
to know how it feels

to be the biggest butt  
in the world!

'Cause we saw it all over  
the news the other night.  
Yeah. I'm sure it looked  
just like your face.

Hey!

Oh, we're not so cool without  
our baby-sitter now, are we?

He's not my baby-sitter.

I knew it.

He's a wuss!

Hit him!

Come on, let's go!

Just like his dad,  
the draft dodger, right?

"First kid"?

Come on! Come on!

He slaps like my sister.

You know,

as a matter of fact,

I think my sister slaps  
a little bit harder.

- Shut up!

- Get out of here!

Hey, where you going?

First wuss, I'm over here.

Come on, you dork!

Let's go!

Come on! Hit me!

Come on, slap me!

You can do it.

Dash, get these  
photographers out of here.

Let's go. Come on.

Hit me!

Come on!

Get out of the way!

Hey, what are you doing?

Put me down!

The show's over!

Everybody back off!

Are you all right?

You OK, Luke?

Man, that's what you get!

Oh, I bet that hurts.

Can you take him  
to get cleaned up?

Come on, let's go.

I hope you don't  
need stitches.

Mr. Simms!

Can I talk to you  
for a minute?

Me?

If you're not going  
to protect him,  
then I suggest you recommend  
someone who will.

Excuse me?

Where were you while  
he got beat up?

That's none of your  
business, all right?

And the kid asked  
for some space.

Well, I suggest  
you give him less space.

Don't tell me  
how to do my job, OK?

And I won't tell you  
how to teach

your little boring  
science class.

Luke is in  
a tough situation.

He's got a high profile,  
he's in a new school,  
he needs your support.

I know how this kid  
operates, you don't.

The last thing  
he needs is support.

And what is it  
he needs?

He just got it.

You know, you need  
to learn how to box.

Why? That's what you're  
supposed to be for.  
Wrong. My job  
is to protect you  
from psychos,  
wackos, kidnappers--  
not 14-year-old boys wearing  
blue blazers, all right?  
But you know what?  
That's unfortunate for you,  
because as much trash  
as you talk,  
you need to learn how  
to defend yourself.  
I didn't ask you  
for your advice,  
so just take me home.  
Know what?  
All I got to do is  
keep him out of trouble  
till I get bumped  
to Eagle. That's all.  
...not counting the half  
million we had in Bosnia.  
Paul, hello.  
I'm terribly sorry.  
Honey...  
You know the joint chiefs.  
Hello, generals,  
admirals.  
Linda, I am in  
the middle of a meeting  
with the joint chiefs  
of staff.  
Can't this wait?  
Yes, it can wait,  
if you want to see it  
on the news tonight.  
He was in a fight, Paul.  
Guys, could you give us  
a few seconds?  
- Yes, sir.  
- Yes, sir.  
I guess that nuclear treaty

can wait.  
Sit down over there.  
Sit.  
All right,  
what happened?  
Well, that's what  
I'd like to know.  
We're looking into it.  
We may be making  
some changes.  
Well, now, let's  
hold up on that.  
I'm sure Simms would've  
stopped it if he could have.  
Now, how did  
this incident begin?  
Well, sir,  
one of the boys--  
It was just something stupid.  
Now, look, Luke,  
your mother and I  
are going to be out on  
the campaign trail for a while  
and while we're gone,  
I really need you to be  
on your best behaviour.  
Now I hate to do this  
but while we're gone,  
you're grounded.  
How long are you  
gonna be gone?  
About a month.  
What?! I have to stay  
in the house  
while you guys go  
travel all over?  
This sucks!  
You guys have all the fun!  
Watch your language.  
Linda?  
I think he just needs  
some time to cool off.  
Luke!  
Brandy, you seen Luke?

I'm not in the mood  
for games, Luke.  
Where are you?  
I heard about this.  
They told me  
this was closed off.  
I can't believe this kid  
got this thing open.  
Luke?  
What is this place?  
You OK?  
What are you doing  
down here?  
What's the difference?  
Nobody cares.  
If you hadn't come, no one  
would even know I was gone.  
That's not true.  
Now, your mother and  
father would have.  
Sooner or later  
they would have known.  
Trust me, it would  
have been later.  
I'm here. I care.  
Yeah, so?  
It's your job.  
You don't even like it.  
"I just gotta keep him  
out of trouble  
till I get bumped  
to Eagle."  
Did--did I get  
that right?  
I should've  
never said that.  
I was angry with you.  
You make me look  
stupid at my job.  
You throw a snake on me,  
you sneak out  
the white house.  
But I should never  
have said it. I'm sorry.

Come on, Luke, you got  
a pretty good life here.  
You're the First Kid.  
Why would you  
want to run away?  
I can't go out.  
I never see my parents.  
I don't have any friends.  
I've never kissed a girl.  
That would do it.  
I understand.  
That would make me  
run away myself.  
I'm sure you didn't  
have to live like this  
when you were a kid.  
You were lucky.  
Oh, I see.  
You're the only one  
who has some problems  
in life.  
Let me tell you  
about myself.  
When I was your age,  
I lost my father in Vietnam.  
My mother had  
to work 2 or 3 jobs  
just to take care of me,  
so I was always  
by myself.  
You're the lucky one.  
You got both your parents.  
Yeah. I see them  
every night on the news.  
No. That's your Booty  
you've been seeing  
on the news.  
Did you laugh?  
Did--did I see a laugh?  
There's hope, people.  
There's hope for this man.  
See, it's not that bad.  
Say we go upstairs,  
go in the kitchen,

get something to eat  
and talk like two men.  
The kitchen's closed.  
I'm double-o Simms.  
I can get to any kitchen.  
How come you had trouble with  
those guys at your table today?  
They only want to be friends  
with me because of my dad.  
How do you figure that?  
'Cause everyone does.  
So how do you know when  
somebody likes you for you?  
I guess I don't.  
- Simms?  
- Yeah?  
You know that kid  
that hit me today?  
Yeah, vaguely  
I remember that incident.  
What took you so long  
to get there?  
Oh, man. You know, I usually  
wear a size 36 underwear,  
but somebody gave me  
some 34s in the store,  
so I had a little  
wedgie thing going on,  
so I'm standing  
like this and...  
I'm sorry, OK?  
It'll never happen again.  
I promise you that,  
'cause I'm your partner--  
double-o Simms,  
all right?  
I need an insurance policy.  
A tracking device.  
Illegal?  
No, no.  
The word is "covert".  
You want the subject  
to know or not?  
Not.

Well, here's  
the best stuff I got,  
and all of it is "covert",  
so don't arrest me, Sam.  
So take one, my brother.  
Let's see what you got.  
Yeah, OK. Wait a minute.  
See, this is cool.  
This is the kind of stuff  
I'm talking about.  
The agency doesn't even  
have this stuff yet.  
That's 'cause they don't  
have me no more.  
You're the best, man.  
I want you to know that.  
Now, Mr. genius,  
where's the transmitter?  
If I told you that,  
I'd have to kill you.  
Now, here's  
the tracking unit.  
Works off the global  
positioning satellite system.  
Now, I modified it,  
of course.  
I like this.  
Sam, don't forget  
to recharge it, OK?  
Cool.  
Can--can I charge this  
with my ATM card?  
My dad works for  
the government, too.  
"Does he?"  
Cool.  
Say, Luke, dinner time.  
It's all PG-rated stuff  
on there, right?  
This the only guy  
you chat with online?  
Yeah, I guess.  
He's just my online pal.  
You know, another kid.

And he doesn't know  
who you are, right?  
Yes, Simms.  
I just had to check, man.  
Make sure you're listening.  
Look, I got you something.  
No, no, no.  
Stand up and lean over.  
I want to put it on you.  
Spent all that money,  
I want to see how it looks.  
Come here. Had to get  
a night job to pay for that.  
Well, what's it for?  
Because I like you.  
Yeah, thanks.  
Thanks a lot.  
All right!  
What's up, my man?  
How you doing?  
Oh, hey, mongoose 12,  
what's up with this?  
Little cat online,  
I need you to check him out.  
OK, we're really  
backed up down here.  
Is this really a priority?  
No, man, but I really  
need the help.  
All right, I'll get  
to it when I can.  
- Thanks, man.  
- Yeah.  
Luke! Luke!  
Are you busy tonight?  
No, no. Not that busy.  
A bunch of us are  
going to the movies.  
Do you want to come?  
I guess I can't.  
- Oh.  
- Thanks, anyway.  
OK. I guess  
I'll see you Monday.

Bye.

B-bye!

Want to see a movie?

Man, we get any movie  
playing in any theatre, right?

Take it back to the crown,

watch it in the private  
screening room,

no lines, no big-head family  
sitting in front of you  
if you can't see the screen.

Sound good?

Yeah. It'll be  
a barrel of laughs.

Luke! Luke!

I didn't say you could  
come in here! OK? Leave!

What's going on, man?

What's this?

I see what's happening.

I had one of these.

You gonna run away, huh?

Wait a minute,  
wait a minute.

No peanut butter  
and jelly?

Man can't live without  
peanut butter and jelly.

Look, I don't  
blame you, man.

Must be tough  
living in a fishbowl.

I know one thing-- running  
away is not the answer.

When I was 13, I didn't  
want to hear that, either.

So what are we gonna do?

You know,

I'm gonna regret this.

I am. Simms, you're  
gonna regret this.

I know this.

I'm gonna lose my job.

Then I'm gonna be

running away  
'cause I'm not gonna  
have a place to live,  
I can't pay rent  
but I'm gonna do this.  
Know why? 'Cause  
I care about you.  
I hope you know how much  
trouble I could get in.  
One day when you're old,  
you'll go, "Simms,  
you were the man."  
I'm willing  
to take you out...  
Under two conditions--  
first of all, you got to  
make the pinky promise--  
it's the deepest  
promise two men can make.  
No. The pinky.  
Look, there you go.  
You gotta get out  
more often, kid.  
First of all, you got to  
promise not to tell anybody  
about what we're doing, OK?  
Number 2--  
you have to promise  
not to ever run away  
while we're out there.  
All right?  
Yeah. I promise.  
All right.  
So where  
are we gonna go?  
Want to see  
what's happening?  
We'll hang out with  
some other kids,  
see what you've  
been missing.  
Got one problem, though.  
Now, I know how to  
get us out of here.

I just don't know how  
to make 'em believe  
that we're still here.

I do.

Luke!

I'm sleeping.

Get out the bed--

wait a minute.

What's going on here?

Luke!

- Leave me alone.

- I'm in here!

I knew it was gonna happen.

Your brain's been sucked  
into the computer, man!

"Parent guard 2."

Oh, I get it. Luke!

I said go away!

Luke!

I'm not hungry.

Very nice.

Where'd you get this?

I picked it up off  
the kid Internet.

So, how you gonna  
get me out of here?

Don't worry.

It's in the bag.

This is really stupid.

You look stupid.

It's OK. It's all right.

Hey, guys.

Hey, Dash! I forgot--  
didn't I ask you  
to do something?

No, sir.

- Are you sure?

- Yes, sir.

Then go get the car.

Well, where's Luke?

Leave me alone.

He was sleeping until  
you just woke him up.

Well, who's that?

This is-- this is  
his friend Reggie.  
Hi, Luke's friend Reggie.  
I said go away.  
They had a little argument.  
It's OK, man.  
Could you go get  
the car, please?  
His mother just called.  
I got to get the boy home.  
He has a medical problem.  
Whatever you do,  
don't say anything.  
OK...  
I'm sorry.  
Get in here!  
So you're a friend  
of Luke's, huh?  
I didn't think  
he had any friends.  
Hey, did you fill  
the car with gas?  
Yes, sir.  
OK.  
Do you... like Luke?  
What do you think?  
He's a pompous brat--  
Hey, hey! You never discuss  
the protectee with a stranger.  
Now, you know that.  
That's code.  
Reggie knows  
Luke's a pain the butt.  
Everyone who's ever  
met Luke knows that.  
Is that right?  
Am I a pain in the butt?  
Yes... you are  
a pain in the butt.  
I told you to keep  
your mouth shut.  
We are going back  
right now!  
Wait, wait, wait.

Look, we're already out here.  
Why don't we just  
keep on going?  
Are you crazy?  
Go where?!  
To a federal penitentiary?  
Look, I just want  
the kid to go out  
and hang out with some  
regular kids for a while,  
then we go on back.  
Simms, this is  
unauthorized, unknown,  
and felonious removal  
of the protectee  
from federally  
secured grounds!  
You're gonna get me fired!  
Noreen will not marry  
a guy who is fired!  
That's a personal problem.  
Don't mix it in with  
our job, all right?  
It's a little joke.  
Just a little joke.  
Look, the kid's  
gonna hang out,  
have a little fun,  
then we'll go on back.  
Now, what could be  
wrong with that?  
There's about 37 things  
wrong with that.  
Unauthorized removal--  
no, you will not  
list them all.  
I will smack you  
if you list them all!  
Look, the kid  
was gonna run away,  
so by keeping  
the kid with us,  
we're doing our job  
and protecting him.

In essence, we're going  
a step above our job.  
We're doing a great thing  
for our country  
and Noreen would love that.  
Yeah.

I'm relieving you  
of seniority of post  
pursuant to section 13  
of the federal agency code.

Relax, Luke.

Everything's fine.

We're going back  
right now.

Fine.

I'd hate to be you  
when Luke tells  
the president  
it was your idea.

It was not my idea  
and Luke would never lie!

Luke?

"We didn't want to go, dad.

Dash made us go.

It was Dash's idea."

You guys suck.

We suck. Did you  
hear that, Luke?

We suck.

We suck.

All right! We suck!

Let's make a sucky  
left turn here.

I learned how to box  
here when I was a kid.

It was great.

Oh, when you get inside,  
just blend in.

Can I help you, sir?

Don't you recognize me?

Sammy.

Sammy Simms.

Hey, fellas, listen up!

I want you to meet

Sammy Simms!

Fought Willie Fox for  
the Golden Gloves title

- In 19...

- 77.

Right!

So you do remember me.

As I recall, you caught him  
with a hard right in the first.

That's right.

And in the second,  
he spanked you like  
a 4-year-old at K-Mart.

Excuse me.

What happened  
in the third round?

All right, all right,  
we had our laugh.

Now, settle down,  
settle down.

I want to tell you  
something about this man.

This man had  
a lot of heart.

He went back  
into that ring,  
and he took Willie Fox out  
and went home with the gold.

- Right!

- The gold.

All right, what you  
standing around for?

Go on back to work.

All right, men!

So, Sammy,  
where you been?

Sorry I haven't come by  
the gym in a while,  
it's just that, you know,  
I'm married to my job.

Looks like you're  
married to a white girl.

Oh, no, no.

This is Reggie.

He's not my son.  
Well, this is my job.  
Well, I mean,  
I work for him.  
Not for him,  
I work for his parents.  
- I'm his...  
- Nanny.  
Hey... here's the deal.  
Your old locker's  
still back there.  
Anything I can do for you,  
you let me know, Sammy.  
Thanks, man.  
I appreciate that.  
- Yeah.  
- Cool.  
"Nanny." Let's go.  
All right, Reggie,  
let's see what you got.  
Don't worry about it.  
It's your first day at the gym.  
You got nothing to lose.  
Just give me that right hand.  
Get your right hand,  
give me some power, right?  
Just like Rocky, all right?  
Don't worry about it.  
Just show me what you got.  
Eye of the tiger.  
There you go.  
Take somebody out.  
You're the man.  
They got your woman--  
I've got the power  
We're gonna try to hit  
the bag this time.  
OK? Thank you.  
I've got the power  
Hit the bag.  
Mind if I help?  
All right.  
It's your gym.  
All right, little man,

punch the bag.  
OK.  
Go on, go on.  
He's trying to tell  
you something.  
Use this hand.  
Protect your right face.  
Put your hand up there.  
Don't let anybody hit your face.  
All right,  
there you go.  
There you go!  
Hang in there.  
All right,  
there you go.  
Boom, there it is.  
Rob. Take that, Rob.  
OK, OK, just a little  
motivation there, brother.  
Take it easy on  
your hands, all right?  
We'll hit the jump rope  
in a little bit, OK?  
Cool.  
Thanks a lot, man.  
Come on now,  
let me see what you got.  
No. I'm just working  
with the kid, all right?  
Come on, Willie Fox, right?  
- Sammy Simms?  
- I don't know.  
Golden glove champ?  
Come on, man,  
let's see what you got.  
It's been a long-- these bags  
are so much bigger now, man.  
Man, just like this?  
Don't hold it too tight.  
I don't want to hurt myself.  
Did you see that?  
Let's go.  
Come on, let's go.  
You did a good

thing tonight.  
You owe me.  
Good night, I.D.  
Good night, sir.  
Chief!  
Hey, chief.  
What's up? How you doin'?  
Dash! Go, Dash!  
Dash! That's the best  
partner I ever had.  
How you doing, sir?  
Burning the midnight oil.  
Beautiful night,  
though, right?  
I was just  
up at your room,  
and you told me  
you were sleeping.  
I did?  
Yeah, yeah, yeah.  
I did.  
Well, what are you  
doing out here?  
Well, sir...  
He was sleepwalking.  
- Walking the dog--  
- He was--  
sleepwalking the dog.  
I didn't want to mention it  
till I talked to his parents,  
but obviously the boy's  
asleep when he walks--  
Speak of the devil!  
Brandy, here you go.  
Here, Brandy. There you go.  
See, the dog walks  
in the sleep with him.  
Hey, good girl!  
They walk in their sleep--  
it's amazing.  
Did you ever see  
the Oprah show  
where the kid's walking--  
I got the tape.

I'll get it to you.  
The kid's kinda tired.  
I need to get him to bed.  
Yeah, get inside.  
Get to bed, Lucas.  
Oh oh oh oh  
oh, that's OK-k-k-k-k  
he-ey-ey, he-ey-ey  
hey-ey-ey,  
he-ey-ey-ey  
hey-ey-ey-ee-ey  
ey-ey  
he-ey-ey, he-ey-ey  
hey-ey-ey,  
he-ey-ey-ey  
hey-ey-ey-ee-ey  
ey-ey  
my back  
is against the wall  
it's more real,  
I'm runnin' from pain  
and I know just who,  
who to call on  
when I need relief  
oh, hey, hey-ey-ey-ey  
to help me fight  
the pressure  
the pressure  
the pressure  
the pressures  
of the world  
I need relief  
the pressure  
the pressure  
I need relief  
the pressure  
the pressures  
of the world  
I need relief  
the pressure  
the pressure  
the pressure  
of the world,  
I need relief

the pressure  
I need relief  
the pressure  
of the world  
playing on the tension  
and the weakness of addiction  
I need relief  
that lure your mind  
you can fight it  
fight it  
you can win  
for your deliverance  
just by your  
having grace  
you have to fight  
the pressure  
oh, hey-ey-ey  
the pressures  
of the world  
I need relief  
the pressure  
oh, the pressure  
the pressure  
the pressure  
the pressures  
of the world  
oh, the pressure  
the pressure  
whoa-oa-oh-oh  
the pressure  
of the world  
take this burden off  
the pressure  
the pressure  
oh, the pressures  
of the world  
oh-oh-oh  
oh, the pressure  
the pressure  
take this burden off  
I need relief  
the pressure  
oh-oh-oh-oh,  
oh-oh-oh-oh

the pressures  
the pressure,  
the pressure  
pressures of the world  
I need relief  
the pressure  
I need relief  
the pressure  
I need relief  
I need--I need  
pressures  
of this whole big world  
I'm so glad that  
I soon will be gone  
lift the pressures  
off me  
we all have  
our burdens to carry  
I know when  
mine gets too big  
he's always there  
to bear the load  
he gives me strength  
and comfort  
any time  
I need relief  
from the pressures  
of the world  
I get relief  
I need relief  
from somebody  
pressures of the world  
he-ey-ey-ey  
oh-oh-oh  
pressures of the world  
ah-ah-ah-ah  
ah-ah-ah-ah  
oh-oh-oh-oh  
What are you doing?  
I'm doing my job.  
I'm trying to keep you alive.  
I'm testin' the food.  
Why do you always  
test my cookies?

I think I need  
some milk.  
Hi.  
Hi!  
So...  
What did you do  
this weekend?  
Not much.  
How 'bout you?  
Not much.  
Hello.  
Hu-hi.  
Hey.  
Wait up!  
Still giving him his space?  
Hey, I'm within  
agency regulations  
on this one,  
all right?  
I was kidding.  
I didn't know  
you were a kidder.  
Is there really  
a water slide  
on air force one?  
We didn't get off  
to a good start, did we?  
No, we didn't.  
It must be tough  
being in my class every day...  
My... boring science class.  
Who said your class  
was boring?  
You said that.  
I must have  
been involved  
in a lot of  
physical activity,  
because  
I would never say  
your class was boring.  
I think I have  
perfect attendance  
in your class,

if you check  
the records.  
No tardies. Well,  
almost one time  
when you slammed  
the door in my face,  
but I could have  
made it.  
Sorry.  
Puppy love.  
Yeah, they're  
kinda nervous.  
- Nervous.  
- Yeah.  
Well...  
Bye.  
Aw, man, you missed a dump!  
But it's her birthday,  
and she asked me to go!  
Look, I don't know  
what to say, man.  
I'm sorry. I mean,  
I'm sitting here,  
I'm almost crying.  
But we go boxing--  
I can go as Reggie!  
You can go  
as Michael Jordan,  
but you ain't going.  
Hey, I just wanna see  
who she skates with.  
No! N-o! No!  
Come on, please, Simms.  
You know what's gonna  
happen if I let you go?  
Morton's gonna call me in...  
He's gonna  
chew my butt off.  
You know what that's like?  
I'm gonna sit there.  
My butt's gonna get smaller  
and smaller and smaller.  
By the time I stand up,  
my back'll be on my thighs,

'cause I won't  
have no butt.  
I can't sit in chairs.  
I'll slide off on the floor.  
Do you want that to happen  
to me? Of course not.  
I can't let you go, man.  
It sure would be a shame  
if I accidentally  
told my dad  
about you taking me  
boxing.  
Be a shame if I threw you  
out that window also.  
Sorry.  
Your mom and dad  
are on the phone.  
No, no, no, no.  
I don't like that look.  
No, no, wait. What's  
that look supposed to be,  
like, oh, you gonna  
do something?  
When you pick that phone up,  
you better think twice.  
Don't rat on me.  
Hi, dad!  
Yeah, great.  
What have I been  
doing lately?  
Are you happy? I'm happy.  
Everybody's happy.  
Everybody's skating.  
It's a wonderful day.  
All right? You find her,  
you see who she's with,  
and we're outta here, OK?  
She sits in the top  
of the greenest tree  
she sends out an aroma  
of undefined love  
drifts on down  
in a mist from above  
she's just a girl

she's just a girl,  
a girl you want...  
What?!

There she is.  
She's just a girl...  
Can we go now?  
There she is!  
Hide-- hide!  
Oh, yeah, I'm hiding.  
They can't see me now.  
You can hear her calling  
everywhere you turn  
you know you're headed...  
You have to stay  
away from me.

No! Just take care of this  
little teenage jealousy thing  
you got goin' on,  
and we're outta here,  
all right?  
But she'll recognize you!  
Then she'll know it's me  
and it'll ruin everything.  
Well, fine!  
Let me know how I  
stay in here with you  
without her  
recognizing me  
and I'll go along  
with the plan, OK?  
What?  
Oh, no, no, no, no.  
Nice outfit!  
Evan!  
Don't you even  
think about it--  
Come on!  
Oh, great. Just great.  
I haven't been skating  
since I was 12 years old.  
And back then  
I had a pizza face.  
Now I got a big  
giant pizza face.

Luke!  
Reggie!  
Reggie!  
Let's ride. Reggie!  
You don't answer,  
I'm goin' home.  
Hey! Over here.  
Over here!  
Coming. Steady!  
Over here!  
On your left.  
No, no,  
your other left!  
Easy, that's the floor.  
Easy...Easy...  
Help me.  
Help me!  
Stop messing around!  
My eye!  
You just gouged my eye!  
Don't help me.  
Stop. Don't help!  
Let go! Don't help!  
Just get back.  
Check on her.  
I'm ready to go home.  
I'm ready to go home.  
There she is!  
Come on, let's go!  
Reggie! Reggie!  
Reggie!  
Don't leave me!  
Wait, wait.  
I can do this.  
I can do this. Wait.  
Loser job for the poor guy.  
I know that voice.  
Where is he?  
Hey--hey!  
1, 2...  
I will shoot  
both of you!  
Hey--  
Stop!

This ain't fun.  
Katie, you know  
that guy in chemistry  
with the really bad acne?  
Well, he's going out  
with Wanda.  
Great party, Katie.  
You're so popular.  
Yeah, but didn't you  
invite Luke Davenport?  
Yeah. I guess  
he couldn't make it.  
Couples...  
Couples only.  
If you're not holding hands,  
sit down.  
Hand-holding mandatory.  
I'll...  
Skate with you.  
From now until  
the moment...  
This is...  
a pretty cool song, huh?  
Yeah. Do you have  
the CD?  
Yeah, of course.  
Have you seen  
Luke Davenport around here?  
Do I care?  
And promise you now  
until forever  
Luke? Hold up.  
Luke--  
Just sit right there.  
Just sit there.  
All right.  
OK. Came up with  
my part of the deal.  
Now, let's go, OK?  
Let's just go.  
They're having cake  
after this.  
No, we're not having cake!  
I have a headache

this big!  
We're not having cake.  
We're going home.  
I just wanna see  
who she sits next to.  
What--  
do I look like  
an idiot to you?  
Don't you answer that.  
Don't you even smile.  
I been poked in the eye,  
I been punched  
in the stomach,  
I been kicked  
in the meatballs,  
and we are going home  
now--right now!  
Not yet.  
You think I'm playing?  
I'm a secret service agent!  
Oh, my God.  
That was totally  
bizarre...  
How you doing?  
Hi.  
God...  
If you want her  
to be my girlfriend,  
just give me a sign.  
I'm not playing.  
I'm going home.  
Good-bye!  
Yeah!  
Come on!  
Hey--hey, I'll get sick!  
Let me go--don't let me go!  
Oh, no, Mr. wizard!  
I wanna go home!  
Look out!  
He's coming!  
Move the cake! No!  
Hey, look at my cake!  
Thanks a lot, Rob,  
you jerk!

You ruined my birthday!  
Thanks.  
I know I ca--well...  
There's this... dance  
at school this weekend,  
and...  
I was just wondering  
if maybe...  
I could go and maybe...  
I think you can  
go to that.  
Really?  
- Sure.  
- Yeah.  
Anybody... special...  
that you might be  
hoping  
that you could kind of  
sort of run across  
at the dance  
at the school?  
I don't know.  
Maybe--no. Yeah.  
No. No. No, not really.  
What about agent Simms?  
How's he workin' out?  
Oh, he's great.  
He's cool and he's fun.  
He's, you know...  
He's great?  
Really?  
What have the two of you  
been doing together?  
Oh, we do a lot of thin--  
you know, stuff.  
Stuff?  
- You know. Stuff.  
- Stuff.  
I don't know.  
I'll look for it, Bill.  
Could you  
check again for me, Paul?  
That saxophone really  
means a lot to me.

I could swear  
I left it in the closet.  
Bill, we'll look for it.  
I'll call ya back.  
I gotta go.  
Oh, oh!  
Check under the bed.  
Yup. Bye-bye.  
- Best to Hillary.  
- Thank you.  
Simms.  
Come on in.  
I wanted to thank you.  
Luke's really  
doing great.  
What do you do  
together, anyway?  
Stuff.  
Stuff. Yeah, that's  
what he said, too.  
Stuff. Well,  
whatever stuff you do,  
it's got to be  
good stuff,  
'cause it's working,  
so... thanks a lot.  
Thank you, sir.  
You're welcome.  
It was a pleasure,  
congressman.  
Thank you very much.  
Nice seeing you.  
- How you doing?  
- Hi.  
Hey! Do you know  
who you are?  
Yes. I know who I--  
Oh! Oh!  
Sonny Bono.  
Oh, I love you,  
man.  
Babe is  
my favorite song.  
I got you,

babe--  
You always sitting  
there, rock--  
That was  
a long time ago.  
I don't sing anymore.  
I'm a congressman.  
You're great!  
You're great!  
Thank you very much.  
I'm on my way to see  
the president  
of the United States.  
I'll see you, now.  
Thank you very--  
Good-bye.  
Got you, babe  
I--I don't sing  
anymore.  
President  
of the United States.  
I'll see you later.  
There he is...  
The president  
of the United States.  
It's Sonny Bono!  
Sonny Bono!  
Did you see that,  
man?  
I can't believe  
you did that.  
Hey, they said  
I could go to the dance!  
- Really?  
- Really?  
Yes, really!  
Cool, man.  
All you gotta do now  
is ask Katie out.  
I'll just--  
I'll just see her there.  
How come  
you can't ask her?  
I don't know.

I just can't.  
Testing.  
Can you hear me?  
Don't be nervous.  
It'll be all right,  
'cause I'm with you,  
all right?  
Cool, man.  
Don't hyperventilate.  
Look at me. This is  
what we're gonna do.  
Go over there.  
I want you to  
be calm, be cool.  
Keep away from  
her right side.  
Don't let her see  
the ear piece.  
Remember now...  
Be cool.  
Go get 'em, Luke.  
I'm right here  
with you.  
He's doin' good.  
But he's not doing  
anything yet, sir.  
He's just walking.  
You're lookin' good.  
Lookin' good.  
Go ahead, boy.  
What's he doing?  
Don't just stand there.  
Say hello.  
Hello!  
Great. Make  
the girl go deaf.  
They love that.  
We're in big trouble.  
We're in big trouble.  
What?  
You're losin' him.  
All right. Just...  
Just... how are you?  
Fine, I--

No, not... not to me.  
Ask her how she's doing.  
How are you?  
Fine.  
Doing OK.  
Hang in there.  
Now ask her  
about the party.  
How was your party?  
It was fun.  
Until the boys  
beat up the mascot.  
This is  
very important, Luke.  
Tell her  
you want the names  
of all the boys  
involved--  
no, we--  
what?  
We--I mean...  
No!  
They beat up the mascot?  
Did you want  
something, Luke?  
I wanted to say...  
Say hi. Hi!  
Hi.  
OK.  
Ask her if she's  
going to the dance.  
You're not going  
to the dance tomorrow,  
are you?  
I don't know.  
Nobody's asked me yet.  
Nobody I wanna go with,  
anyway.  
Oh, yes!  
Yes! Yes!  
Yes!  
Now ask her...  
No, no, no. Tell her  
that you're not going

to the dance  
with anybody either.  
I don't have  
anyone to go with,  
either.  
Have you asked anyone?  
Oh, she is coy.  
These kids, they watch  
too many videos.  
They're growing up  
too fast!  
Don't worry.  
Lucky for you,  
you're in expert hands.  
I'll get you through this.  
Ask her who she wants  
to go to the dance with.  
Who do you want  
to go to the dance with?  
Luke, if you want  
to ask me, just ask me.  
Just ask her.  
Do you want to go  
to the dance with me?  
OK.  
Yes!  
Yes!  
OK.  
See-- see ya there.  
Bye.  
She said yes!  
My life  
is in a serious mess  
my baby's gone,  
there's heavy mental stress  
I never knew love,  
but I know it now  
I wanna give her  
my heart  
but how? How?  
Thank you guys  
for watching.  
Yes, yeah, I--  
I definitely

have to say I'm...  
Definitely the most powerful  
kid in the universe.  
Just a kiss  
just a kiss  
whoo!  
whoo!  
What's wrong with you?  
I'm not going  
to the dance.  
Say what?  
Mr. "My mama said  
I can go to the dance!  
Really!  
I'm goin' to the dance!"  
What happened?  
I...  
I--who?  
I can't dance.  
I said  
I can't dance.  
Man, what do you mean  
you don't know  
how to dance?  
You just need to get in touch  
with your inner dance self.  
Do you watch videos?  
Well, show me something,  
Something you've seen  
in the video.  
Just imitate that.  
You can do it--  
you have to believe  
in yourself, Luke.  
You can dance!  
Say it to yourself.  
"I can dance." Try it.  
All right.  
Yeah  
What are you doing?  
Simms!  
You were supposed  
to catch me.  
Man, you're watching

way too much MTV.  
Get up here.  
Man, you're gonna  
scare somebody  
doing that at the dance.  
The main thing is to be smooth  
even if you can't dance.  
Be smooth, find a beat,  
and go to the middle  
of the dance floor  
so nobody can see what you're  
doing from the waist down.  
If you couldn't see me,  
I'd be doing this.  
I ain't doin' nothing,  
but it looks good.  
OK? Here we go.  
Find your beat,  
just like you're boxing.  
OK, side to side.  
It's a very basic move,  
but it looks good.  
You got your side-to-side move.  
Bite your lip.  
It looks like you're doing a lot  
more than what you're doin'.  
What do you think?  
What is it called?  
Little pelvic thrust.  
Try this.  
Oh, they like that, man.  
They won't say nothin'  
but they'll smile.  
There you go, man.  
All right! There it is!  
Bite that lip now!  
This is cool!  
Do the pelvis!  
Do the pelvic move!  
Yeah.  
Only one.  
Just one per song.  
Yeah. Sorry.  
Point at people

like you know 'em.  
What's up? What's up?  
There you go. Yeah!  
Just--just don't  
jump around, now.  
Yeah, this is cool.  
This is good.  
All right, man. See,  
you're a dancing fool, man!  
Look at that! Talking about  
you can't dance.  
You got it!  
There you go.  
Side to side.  
Do you wanna go  
to the land of funk?  
funk  
funk  
to the land of funk  
to the land  
of funk  
to the land of funk  
to the land of funk  
to the land  
of funk  
to the land of funk  
funk  
funk  
funk  
I don't know, chief.  
Well, sir?  
Get the bomb squad.  
Now this move's so funky,  
hey, what do you think?  
what is it called,  
it's called a lakeside stank  
Hey, how you doin', sir?  
Practicing dance steps here.  
Guys, I have bad news.  
The trip to the dance  
has been cancelled.  
- Why?  
- Why?  
There's a possible code 4

until further notice.  
But my dad said  
I could go.  
I'm not grounded  
anymore!  
I'm sorry. I can't allow  
you off the grounds.  
That's just great!  
Hey, hey!  
Hold it. Now hold it, hold it.  
Why not, sir?  
There's an abandoned duffle bag  
on the sidewalk  
outside the main entrance.  
Oh, come on. That happens,  
what, 50 times a day.  
Probably belongs  
to a tourist.  
The bomb squad  
is investigating it.  
You have to let this boy  
go to the dance, sir.  
Simms... I don't  
make the rules  
and I don't break  
the rules.  
I'm sorry, Luke.  
There'll be other dances.  
Put this on.  
We're goin' to the dance.  
Up in my Chrysler  
it's as big as a whale  
and it's about to set sail  
I got me a car  
it seats about  
20-something  
come on, and bring  
your jukebox money  
the love shack  
is a little old place  
where we can  
get together  
love shack baby  
love shack bay-bee

love shack  
lo-lo-love shack...  
over there.  
Lo-lo-love shack  
love shack  
lo-lo-love shack  
love shack  
lo-lo-love shack  
I didn't think  
you'd make it.  
Neither did I.  
Lo-lo-love shack  
love shack...  
come on. Let's dance.  
Dork.  
Look at him!  
What do you call  
that move?  
Oh. Tying my shoe.  
Just tying my shoe.  
The kids are dancing.  
Somebody stepped on my foot.  
Oh.  
Surprised to see you here  
at the school dance.  
Why's that?  
I just thought you'd have  
something more important  
on your agenda  
than a school dance.  
Really?  
What about you,  
Mr. Simms?  
Oh, I'm...Working.  
Undercover.  
Me, too.  
I'm chaperoning.  
Undercover.  
We have something  
in common.  
Excuse me. Would you like  
to do some undercover work?  
Yeah.  
Help the president's son out?

Could be dangerous.  
They read you  
Cinderella  
you hoped  
it would come true  
that one day  
your prince charming  
would come rescue you  
you like romantic movies  
you never will forget  
the way you felt when Romeo  
kissed Juliet  
ow!  
Sorry.  
All this time  
that you--  
I can love you  
like that  
I would make you  
my world  
move heaven and earth  
if you were my girl  
I will give you  
my heart  
be all that you need  
show you you're everything  
that's precious to me  
if you give me a chance--  
Chief.  
Go away.  
I'm not hungry.  
Leave me alone.  
I said I'm not--  
leave me alone--  
go away--not--  
Get the closets.  
Wanna get that?  
I'm not touching it.  
I ain't touching that  
either.  
It's all clear.  
Let's go.  
Put the snake  
back in the cage.

Goin' on  
yeah, yeah, yeah  
goin' on  
buh-buh-buh, baby  
you and me  
got it goin' on  
yeah, yeah,  
yeah, yeah  
high five  
we got it  
going on  
you and me,  
you and me  
yeah, yeah,  
yeah, yeah  
you and me  
got it goin' on  
got it goin' on and on  
Where'd you learn  
how to dance like that?  
Simms.  
You got a problem?  
Yeah, I do.  
Stand back, Katie.  
Come on, Luke,  
don't.  
Hey, hey,  
hey, hey, hey!  
Come on, hit me!  
Hit me again!  
Go clean your face off.  
Go on now.  
I'm gonna get you!  
What did I teach you  
about fighting?  
Everything.  
That's right, man.  
Great.  
Guess I gotta go.  
Call me, OK?  
Soon as I can.  
You're both finished.  
Sir, agent dash had  
nothing to do with this.

Yes, I did.  
Will you just shut up? Sir,  
I'm his superior officer,  
and I told him to keep  
his mouth shut.  
Fine. You're  
still finished.  
Badge and firearm now!  
Fine.  
Now get outta here.  
Sir, can I say  
something?  
No!  
Well, I'm gonna say it  
anyway. I was right.  
You can't keep that kid  
locked up in his room.  
He's not a convict, Morton!  
He's just a kid!  
I haven't got time  
for this.  
There are 2 uniforms  
who will escort you  
off the grounds.  
Can I at least tell Luke  
goodbye before I go?  
No! You will not  
contact him  
until the investigation  
is over!  
I'll tell him  
you said goodbye.  
Now, get out.  
I see you're still buying  
ties at the swap meet.  
Get out!  
Get him outta here!  
Sorry about this, Luke,  
but you left us  
no choice.  
What is this?  
You are confined  
to quarters  
until your parents

are back in town.  
Where's Simms?  
Simms is no longer  
with the agency.  
Well, did he leave me  
a note, anything?  
Luke, did any of  
your other agents  
say goodbye?  
Just get out of here!  
Leave!  
This isn't your room.  
Get outta here!  
I'm house arrested.  
Like a tracker or something.  
"If you could get it off,  
would you go?"  
OK, let's do it.  
Come on, Brandy. Come on.  
Here's the pitch.  
There's a fly ball...  
Oh, yeah.  
Come on, Brandy.  
OK, Brandy. Come on.  
Go get the ball! Go!  
Luke, your mom and dad  
are on the phone.  
Luke!  
He's gone.  
Let's go.  
Right.  
Who taught him how to escape?  
Who taught him disguises?  
You did, Simms!  
We wouldn't be here right now  
if it wasn't for you!  
He's not  
a prisoner here.  
We found her by  
the reflecting pool...  
Wearing this.  
No Luke.  
No Luke.  
You taught him well,

Simms.

Now, I'm gonna ask you  
one more time...

Has he tried to contact you  
in any way?

How many times do I  
have to tell you--no!

I wanna find Luke  
just as bad as you do.

That's why I'm here!

That's why you're here?

I spoke to his girlfriend  
Katie Warren.

He called her  
and said he was OK.

Said he'd stop by  
her house tonight.

Address?

I've got it.

But he said he was meeting  
another friend first.

Didn't say where.

OK. Let's go.

No, no, no. Where do you  
think you're going?

I'm going to help.

No. You've helped  
enough already.

You're a civilian.

Help Mr. Simms  
find his way out!

Come on, let's go.

Let's move it!

Get out of the way.

Hey, Simms,

I almost forgot.

Here's that stuff you wanted,  
that Internet stuff.

This is great.

Can I try this one?

Sure. It's \$10.

Down there.

Time to die.

Dude, what? You look

like you lost your job.  
The kid is missing.  
I need your help, Harold.  
You forgot  
to recharge it, right?  
Gimme, gimme, gimme.  
Simms.  
What?  
He's in the mall.  
OK!  
Eddie!  
Yeah.  
Call the secret service  
and tell them to get  
down here for a code 5.  
Prince is here.  
They'll know what  
that means. Go!  
I don't know.  
Signal's weak. There's  
some kind of interference.  
Go down to the second floor.  
I'll check this way.  
OK.  
Go ahead!  
Behind you.  
Close, but no cigar.  
That was close.  
Game over.  
You're dead.  
Gig's up, kid.  
Let's go.  
Why'd they send you?  
Entire agency's  
looking for you.  
You really,  
really, really  
blew it this time, Luke.  
Hey!  
Hey, I'm supposed to  
meet somebody here.  
Need my bag.  
Leave it.  
I got it!

All right.  
Coming through,  
coming through.  
Coming through.  
Coming through.  
Out of the way!  
Go.  
Watch your back!  
Watch your back!  
Excuse me.  
Let me go.  
Coming through,  
coming through.  
Out of the way!  
Excuse me...  
Excuse me.  
Hey, come on!  
Look out!  
Out of the way!  
Out of the way! Watch it!  
Get out of the way!  
Hey, how you doing, man?  
I met you once with Simms.  
What's up?  
Hey, who is he?  
Shut up!  
Excuse me, excuse me.  
Shut up!  
Simms!  
How you doing, woods?  
Man, I'm glad I found you.  
Why don't we just take the kid  
back to my car--we'll be OK.  
Take a hike,  
Simms.  
You're not with  
the service anymore.  
I just want to make sure  
the kid's OK, all right?  
Kid's fine!  
I can handle it.  
I'll tell Morton  
you were a good guy.  
Stand aside.

Simms--Simms,  
you gotta help me.  
Please help me.  
Stand aside.  
Woods, come on, man.  
He's just a kid, man.  
He's only 13 years old,  
all right?  
21 if you're  
an older girl, right?  
You're mongoose 12.  
Simms,  
he's mongoose 12.  
Just let him go.  
Back off, Simms!  
All right, all right!  
Back off, Simms!  
I'm back!  
Back off, Simms!  
I don't got  
a problem with you!  
You hurt this kid,  
you'll have problems  
with me, all right?  
You'll have problems  
with everybody.  
So why don't you  
just let the kid go?  
Shut up!  
I spent so much time  
with this kid  
I lost my wife!  
I lost my job!  
He even got me fired!  
Come on, you can't blame  
the kid for that.  
He didn't do anything.  
You know that.  
He thought he wasn't  
safe with me.  
Well, he's not safe  
without me.  
And I'm proving it  
right now!

I'm the one who  
lured him out of crown,  
and when I take him back,  
I'm gonna be a hero!  
So back off, Simms!  
I'm taking him  
out of here!  
Can't let you do that, man.  
Don't push me!  
Don't push me!  
Back off!  
Back off!  
All right.  
Yo, look around.  
Calm down.  
Mall full of people, man.  
They're shopping, huh?  
Got women, got children.  
You don't want  
to shoot anybody.  
Would you just calm down?  
You don't want  
to shoot anybody.  
Yeah...I do.  
No!  
All right!  
Feel like I'm working  
at the post office.  
Luke, you OK?  
Damn.  
Luke!  
He's out.  
How you doing, champ?  
Good, I guess.  
All right.  
Thanks. Thanks for  
coming after me.  
Hey,  
it's my job, man.  
You OK?  
All right.  
I'll be right back--  
take care of something.  
Simms!

Woods!

Sam!

Simms! Simms!

Are you all right?

I'll be all right if you  
quit pushing me like that.

Easy...

Sam, you OK?

Yeah, man.

Hey, what you doing  
outside the car?

Sorry, sir, I just couldn't  
wait in the car any longer.

It's just a joke,  
man.

All right, guys.

Luke, go!

...so much.

Thank you, Simms.

...and the kids  
loved it.

Wilkes,

Ms. Lawrence.

Yes, sir.

Simms,

I've got great news.

The davenports  
asked me

to reassign you.

As of 1700 hours  
tomorrow,

you're officially  
on Eagle detail.

I'm sorry.

Thank you, sir.

I really  
appreciate that.

But I'm sorry--

I can't.

Sam!

This is what you've  
always wanted.

You've earned it.

This is the best job

in the agency,  
and you're  
taking it.  
What, and miss  
biology 102 next year?  
I don't think so.  
Besides, I thought  
I wanted to guard Eagle.  
I found what I want.  
I'm happy where I am.  
I mean, I've already taken  
a bullet for the kid.  
It can't get any worse.  
Look, out there  
playing a little hockey.  
No!  
You all right?  
You OK?  
Can I see the puck?  
What are you  
gonna do with it?  
Leave it to me.  
What?  
Time-out.  
Yeah, like I  
did it on purpose.  
You're supposed to  
protect the kid.  
Dad.  
Protect me, dad.  
Come on. Hey, Sam!  
Come on,  
give me the high five  
we got it goin' on  
Hey, dad!  
You and me  
on the wild ride  
ride  
we got it goin' on  
got it goin' on  
we're goin' to your dreams  
'cause I'm  
coming through for you  
we're both

in this together  
you don't have to be  
a hero  
but if you're  
striking zero  
we're gonna  
make it better  
I will always  
be your friend  
you and me,  
we're in this till the end  
so come on,  
give me the high five  
we got it goin' on  
got it goin' on  
you and me  
on a wild ride  
we got it goin' on  
got it goin' on  
whenever you get lonely,  
feeling bluer than blue  
I'm gonna  
get you through it  
yes, I will  
and when I feel  
discouraged  
you help me  
find my courage  
I don't know  
how you do it  
doesn't matter  
how it's been--no  
'cause you and me--  
this time we're gonna win  
so come on,  
give me the high five  
we got it goin' on  
got it goin' on  
you and me  
on a wild ride  
ride  
we got it goin' on  
got it goin' on  
yo, they say

that there's a hero  
in every one of us  
all you have to do  
is teach yourself  
to trust  
a brave man to the rescue  
a legend to us all  
when David fought goliath  
you know, the big guy  
took the fall  
courage  
is the backbone  
of this heroic creed  
you can always count on  
that strength  
in times of need  
a hero or a heroine  
in every boy and girl  
shining like a star  
champion of the world  
come on,  
give me the high five  
high five  
we got it goin' on  
got it goin' on  
you and me  
on the wild ride  
we got it goin' on  
you can count on me  
in a time of need  
got it goin' on  
I'll be your friend  
till the end  
we got it goin' on  
got it goin' on, on  
buena vista television  
captioning performed by  
the national captioning  
institute, inc.  
Come on,  
give me the high five  
we got it goin' on  
got it goin' on  
you and me

on a wild ride  
we got it goin' on  
got it goin' on, on  
yeah, yeah, yeah  
goin' on  
b-b-b-b-baby  
you and me  
got it goin' on  
yeah  
high five  
got it goin' on  
you and me,  
you and me  
yeah, yeah, yeah  
you and me  
got it goin' on  
got it goin' on and on  
yeah  
yeah  
yeah
