Modd!

She went modd!

Relax, relax, relax...

He called me out, he got something to show me,
so I'll let him have it.

You're in my house, baby.

Laura:

remember a sequence.

Vanessa:

you know, you can't...

...you know, your world is fine,

but you also have to learn

about other people's worlds as well, you know.

You gotta be multi, you know,

everything in you.

I think the idea behind the whole collaboration
is that everyone learns from everybody.

Yeah, that's what he's into.

Flizzo:

I didn't fucking push you!

It's amazing you get here.
