There exists an unique power to earth
among all the planets of the universe, that is the gravity.
There is yet another location on the earth
which has the similar gravitational force.
That is Krishna Nagar.
Many youngsters from various
places come here with a madness.
That madness is film.
Some are mad to become director,
some are mad to become heroes,
some more want to become producers.
This madness is also called passion here.
They even starve to reach what they
dream of, sleep on the footpath.
But they do not leave this place and their madness.
Many say that a bit of luck too is
needed along with bundles of talent here.
He too is one among those
many came here to try their luck.
He coming from Nandigama has taken a oath not to
return to village unless he takes a Nandi award as a director.
He is into the search of a producer to do such
film presenting him with that Nandi award.
Let us watch what happens.
What is the story you have?
Sir, this is a new story sir
No,
no! I do not want new story.
I want a waste story.
Okay! Like a Dirty Picture.
Ooolalla ooolalla Ooolalla ooolalla.
What a big hit it was.
It had shaken the nation,
need such a story.
What is that look?
Okay! How many heroines are in our story?
Only one heroine sir
You mean, heroines will item songs?
No item songs in this sir.
Then?
A film with a bit of classical touch.
What touch?
Classical touch

Who wants classical touch man?
What I want is skin touch.
Am I Edida Nageswara Rao or what to do films like
Sankarabharanam and Sagara Sangamam? Jantarmantar creations,
It is okay, is any skin touch in our film?
What does that mean sir?
The same what Imran Hashmi does
in Hindi man! Ten minutes of kisses
What Oh? That is why all those
films there are silver jubilees.
Is it sir?
He will catch the lips of heroine like pickle
pieces like this. Will not leave though she refuses.
Put four such pieces in our script also.
I will see why the film will not become a hit.
That is hero and heroine
are from good families sir.
Hey, Have you not come from good family?
Am I not?
As per the story here,
hero should not put lip kiss sir.
Then make me put
What are you thinking?
Sir
It would be good,
would be a variety,
special appearance.
Poor guy, he says some good story,
why can you not listen once sir?
Thanks,
You will not keep saucer with cup but give advices.
You bloody! Get away,
all fools are ready to give advices.
Not just the walls in his office,
even his films are blue
Poor guy, why did you beat the
office boy like that sir?
He is not the office boy man. Had come like
you to tell the story and has settled here like this.
Okay, what is the name of your film?
Vanish
Look boy, Your story should not just be
liked by me. I should be liked by all these.
Who do you think these are?

Vegetable sellers Dish washers,
Dry cleaners, Cookers at our house.
To tell in one word, they are our wellwishers.
This house is our audience from ten years.
It should be liked by all these.
Is this kid too an audience madam?
He is the main. If he cries in the middle of your
story, it is like I did not like the story.
You can return back to your house. Tell now boy!
Wait, wait boy, later go to Vizag, there is a close friend
of mine by name Vasantha there, should tell her also.
While coming back, there is Vaisali cousin
of Vasantha at Vijayawada.
She has great cinema knowledge.
If all these like the story, then
Is it okay then madam.
No, not so fast! There is my
cousin Ammaji in America.
She is our overseas distributor.
She too should like it.
Should go to America and narrate.
What about the expenses for Visa
and others to fly to America?
All those should be borne by you boy.
Do not think me as a lady producer
and does not know anything.
Will you not lose crores once the
film becomes a huge hit?
To be said to so many people,
it should not be a film story
What story then, boy?
Harikatha, will go learn and come back girl!
Whom should I tell the story sir?
To us bro! He will keep 20, he will put 40,
Film should run hundred days in Gokul,
else will take your life, okay?
Come on, start!
Heroine like Samantha,
once the film opens
Where would she be?
She will be at the city center sir
Hey, not in the story man!
Where in city will the girl be?
Our guy is a big fan to her.

No idea where she stays sir!
Without knowing, from where did
you bring her to city center.
Okay, do you at least have the phone number?
No idea sir.
Hey! Do not know house nor
phone number. Will she come?
Are you fooling us all, you idiot?
No, not that sir! Once we start the film
Bloody, when asked to narrate,
you are like telling us stories.
You get off!
Where do they come from, man?
I don't follow the trend, I will set the trend.
Hello..
What happened man?
Routine! Getting worried. Thinking
to go back to village man!
Not needed! Yesterday night, at the party in
friend house I came across a guy.
He is from software but has a good itch of cinema.
He said to produce a film if he gets the right story.
His name is,
not able to recollect man!
Hey, who is he? Please try to recollect
His visiting card is on the book in our room, man.
visiting card..
Mr Sarat!
I am not cunning type like Rao
Gopal Rao from Donga Mogudu,
violent type like Rao Gopal Rao from Mutyala Muggu.
If the deal is not closed,
I will fold and put you in the dickey.
Sorry,
that was necessary.
People will not listen now a days
if you are like Sankara Sastry,
should be like Sankar Goud in Dhee.
Where were we right now? Yes!
All of you should aggressively promote our
new software in the market like a new film.
Any doubts?
What is your doubt?
Sir, Why do you always speak cinema language?

Every human will have a weakness.
Cinema is my weakness.
Someday, want to produce a film,
Take a Nandi award for the same and
dedicate that to my father is my ambition.
True!
Hello
Sir, morning sir!
My name is Sreenu sir!
I have a good story with me sir.
If that is done as a film, Nandi award is guaranteed sir.
Give one chance sir.
Take out the film only if you like the story sir.
Sir! Please sir.
Hello, sir, sir sir
Hello, sir, sir sir
How can you say Nandi award is guaranteed?
You will tell it once you listen to the story sir.
Good!
I like your confidence very much.
Thank you sir.
Come to the office tomorrow
morning, by 10 o'clock.
Suji
Yes sir
Do not disturb me if anybody calls me
No calls another two hours
Shall I not give even if anyone calls.
Do one thing!
Narendra Modi, Manmohn Singh, Obama!
Give me the phone only when these call.
Yes Sir
Brainless fellows.
Dad! Even you should listen to
this story along with me.
This is for you.
Bloody, bloody! Idiot, nobody has time sense.
Oh, sorry dad!
Have made you wait.
Sir, sir sir! Morning sir.
Who are you?
You had asked me to come by 10 in
the morning to listen to my story sir
Idiot, idiot! Do you not have time sense?

Half day is wasted just by thinking
to listen to your story.
Understood now, how much time would be
wasted if I have to do a film with you. Go!
Sir, sir sir! Nice story sir, listen
once sir, please sir!
Get lost.
murthy go..
Sir, sir! Will pray to you sir. Sir, please sir.
I am trying for so many years now sir.
Sir, sir give me one chance sir.
Listen to my story sir, please sir.
Have already said that
I will not listen, get up!
Sir, listen to one scene sir.
If you do not like, drive over me sir.
Sir, sir please sir.
You do not know about me.
I am of Mahesh Babu type in Pokiri.
You do not unnecessarily commit.
I am telling the truth sir.
If you do not like, drive over me sir.
I see, ok. Ok, Murthy!
Get into the vehicle.
Okay sir.
Start it.
Okay sir.
Do it man
Be ready in gear
Yes sir
Suppose I do not like,
you will be crushed
Okay Sir.
Tell
Night effect in the opening sir
Madam,
Madam,
Madam,
Madam,
Madam,
Madam,
Madam,
Madam,
Madam,
Madam,

Come sir,
this room sir.
Marsha
Sir.
Call to the clues team.
Okay sir.
What is your name?
Venkatesh Sir
Venkatesh come here.
From how many days are you working here?
Two years sir.
Hey! What are you doing here?
Do you not have any work, go.
You look very dangerous, you know?
Why did you kill man?
What is it, me killing sir?
It was me who called you sir.
You doubt me.
That is why we got doubt.
No one would kill unnecessarily man.
They kill for some use.
Now, cigarette smoking is very dangerous.
But still we smoke.
We know that would be
caught if we murder.
You also know tha would be
punished when caught.
Still you do.
Look! Duty starts from doubting.
Tell man!
Really I do not know anything sir.
Promise on my mother sir.
I do not know anything sir.
Bloody! It looks frustrated if
a man cries, idiot
Like that owners of the house returned after one month
from America after locking that door sir.
Morning sir
Morning
Morning
Come sir! I am seeing for you sir
You have seen, right! Tell
Sir, in the night as
cries, shouts and some sounds are being heard in our flat

and by knowing this adjacent flat people
are vacating and leaving sir.

Daily my wife cries over me, none from
the adjacent flat have vacated, why?

Enough, be quiet.

No one is coming into our flat
saying that devil is here

That is why we came in from America here.

We got Baba also along with us.

He is Kedarnath Baba staying in Himalayas.

He comes out only once in an year.

Very powerful, okay.

Here, he comes

Salutes Baba!

Salutes babaji

Salutes babaji

Babaji, this is our flat.

Recently, one new devil is come in.

No advance and no rent.

No one is getting in due to that. You should
do something and send it out.

Sarat.

Baba,

There is soul captured in this building.

It is waiting for someone to come.

It is shouting for something it wants.

Struggling and is saying not to leave.

It is not so easy to send it out.

This is not a normal soul.

A dreaded soul avenging for death.

oh God! What to do now?

Weapons or tricks cannot do anything to this soul.

I will capture it with my holy books. I will arrest it.

You stay here.

Okay Baba!

Jai kedarnath.

Hey man! Have you seen that,

how would that be?

Will it be like this?

You..

Om

Heem

Mukti Vimukti

Om

Heem
Om
Heem,
Om
Heem,
Mrityum mrityum samamiham
Mukti Vimukti
Ugraveera, maha veera..
Come, come out! Come out!
come out! Come out!
Come, come
Om Heem, Om Heem,
Om Heem, Om Heem,
What is it Baba, the lemon in
your hands is shaking so?
Not shaking son, it is requesting.
You can now live in peace.
Anyone can be here.
Jai kedaranath.
Have we come so far for just this small lemon?
Enough of it, keep quiet! Not for the
lemon, but for the devil in that
At the same time, it would have been better
if even you were put into some nut.
Stop it!
All of us would have been dead if he had not come.
Let us move.
Kedarnath baba who so had captured
the devil died very badly
Mind blowing!
You mean to say that devil has
escaped from that lemon?
Looking at what Kedarnath baba
said this does not look like a suicide.
Did anyone kill that girl? Means, on
whom did the soul have the revenge?
Tell man, what happened tell
Instead of you losing your balance so, you would
understand if you calmly listen to the rest of the story sir.
Not just your take off, but
I liked even you. Come on
Thank you sir
get up.
Come on start.

After that girl committing suicide so,
we start the story in Vijayawada after 3 months sir.
We should not start the story
but lunch now man.
No problem sir. I will eat after my narration.
Yes! I like this
Thank you sir
A director should have that hunger.
Zeal would be born from that hunger.
Creativity is born from that zeal.
I like your confidence.
Thank you sir
Tell, what happens next?
As said now, we open the hero in
night effect at Vijayawada sir.
His name is Srinivas.
Okay.
Surprise is that even the hero in the story too has
a hope to become a director just like me sir.
With the same hope he started to Hyderabad.
One minute, one minute!
Whom are you thinking for the hero?
Ravi Teja would be good sir.
What would he take?
He will take anything other than advises sir
Not that man! Remuneration?
Oh, that! It seems he maintains
remuneration as per the relation sir.
Here, I am saying you right now. My budget
for the entire film is 5 crores.
Sir, 5 crores with Raviteja
I cannot put more than this for one Nandi man!
Shall we do one thing sir?
Shall we go with a small hero?
Tell who is it man? I should think
while listening, right?
In the 5 crores of budget.
We shall do one thing sir. For the present imagine me.
That is only for listening to the story sir.
Later, we will keep a hero coming in our budget sir.
This sounds good.
Continue.
After three months sir, night effect sir.
When we open in Vijayawada

Sir, sit in that window seat
Sir, what is your seat number sir?

Rents in Hyderabad will bash you up man!
It is okay, why did you drop in at
Hyderabad so suddenly?
To meet Dil Raju sir.
Dil Raju?
Need to narrate him the story.
Great story man! A hero like Brindavanam,
Heroine like Kotha Bangaru lokam
and villain like Dil
Oh I see.
A problem like Bhadra.
Overall a story like Parugu man
You mean Dil Raju had taken so many
films without knowledge?
If you would have met earlier, he would have
combined all and taken a single film, man
Do not play jokes, my
story will surely be liked.
leave it man. If your luck is good, you
may become super director like Sukumar.
Who knows?
Excuse me! Will we get any
flat in this area for rent?
There will be a poster on that side wall.
There will be a number in that poster.
If you call that number from this phone,
you have the chance to get a house.

Why should we call from only this phone?
We can call even from our cell phone, right?
You can, but he will not lift.
Because, this is noted.
I will show the house.
You do not search, sure

There is a northeast flat. That has perfect

vaasthu. Owner has a sentiment of MS.
There is a rule to give it for rent to those having these letters.
But, the owner stays in America.

Must have fallen with air. That is all!

Lucky to get such flat right man!

Said you no sir. You have not stamped the tail of fox but the mother of it, my rent.

What just this sir?

There is a beautiful kitchen, come.

Sir

What? Why do you shout as

if there is a devil inside?

Sir, all the important items are put in that room.

That room should not be opened sir.

Need to shout so much for that

or what? We died due to fear.

Not just that sir, there are two more bedrooms inside,

my rent. I will show you come, move sir.

That is a bedroom, this is a bedroom,

what is this?

What happened man?

Graveyard man!

Hey, this my rent fellow is seen to link us this house

beside graveyard to us on the name of MS sentiment, man.

Just the graveyard no? Why do you fear as

stepped in and got the call.
I got the job in Wipro.
Tell as many you want but in the graveyard
I already said you sir, this is the vastu giving
proper ties to even those living in hunger sir, my rent.
Sir, many apartments in Hyderabad are above graveyards. .
Ours is better, it is just adjacent
You tell as many you want man.
I am not staying in this house.
How fresh we feel while entering into a new house, the
same freshness would be felt when we listen to a new story.
It is not important from where you came.
It is only important how good is the story you came with.
Our office doors will always be open for good stories
What do you say now man?
It is like he is talking about me man
This what is luck sir, my rent.
Suppose, if some problem arises tomorrow
Sir, I will start if my commission is given

We came here for rent in 202
202? Sorry!
Venkatesh! Why are all closing
doors on face by saying came new to 202?
Not just this apartment sir, all
apartments in Hyderabad are the same sir.
After a few days, they will understand you and your talent.
Those who did not give water today will cry in tears for you sir.
Is it so?
You see for yourself sir.
Okay sir! When are you meeting Dil Raju sir?
Yes! Today
Here, three cigarettes with this.

I will erect 10 such shops once I become a hero.

Okay brother!

Hey Rajesh!

Dil Raju sir is not there it seems. He is gone out to some place. To come back, he would take a week.

What is our position now man?

Became like the flood victims losing shelter.

No idea man, all the money we got is looted.

I do not know how to go back to village.

We should have got doubts when he said to do a film with two of us as heroes.

-5 lakhs loss for each, my dad will not even let me come home.

Your dad may not let you into home, but

my dad will not even let me into dreams also

Yes man! I have a doubt. How did

they believe when said as a hero?

Look man Shankar! If our story was taken as a film, it would be super hit.

There is action,

over action, emotion, slow motion, comedy

Parody, all will be there.

Like Abbas Masthan we are the director for this film.

After getting one hit, we can put heroes for

ourselves and take out cinema, what do you say?

No mistake. Many directors are doing this in Tamil Nadu.

Suppose, if we say our story to Dil Raju,

he will tie us in office and throw advance.

But, who should we paint these seven days?

Sir Sweet, Sir take sweet sir.

Seethamma Vakaitlo Siri

come here.

Are you feeling to put flowers in ears

by putting this sweet in hands?

Where are you going?

That is to meet Dil Raju and narrate story

Sir is not in city, is gone to Ooty,

Come and meet after a week.

Why sir, why do you lie? I had just seen in TV.

Sir, sir, I have a super hit film story with me sir.

I will arrange to put special thanks to security on screen.

That is recorded program and not live

Promise on my mother, man. Go now.
We got the goat
Tell as many man! This flat vastu is
adding to your luck but not me
What happened man?
I went to him with so many hopes and he is gone to Ooty.
As per your calculation, he should have waited for me.
You are great man, have not said he
would come home in search of you.
Look, there comes in Dil Raju
Yes, what do you want?
talent, We came knowing it is here for rent.
Who is Seenu in you?
Himself, who are you?
We are the creative team of Dil Raju. He sent us,
Arudra
Atreya
Do not panic, these are screen names.
Oh! What are your original names?
You have no work with those,
use these for the time being
Come in, come in
Thanks
Take it.
Do you agree now man?
This is not vastu man, it is wonder.
Go..
kay, Have you given your address in office
saying that you have a new story
Yes sir! I gave it in the morning.
Okay, I was said that sir is in Ooty.
Sir is in Ooty. But, will be in touch
with us minute to minute.
He came in touch immediately after you gave your details. He asked
to travel for a week with you and calculate how talented are you?
He asked to measure your creativity.
He asked to know the depth as a director.
Our guy is a great creator sir
Creator or generator, we need to finalise here

It is okay! What about one week accommodation,expenditure?

Sir, sir! We will take care about that entire sir. You take care of our guy sir.

You keep quiet man! They are number one in identifying the talent.

You do not need to tell.

Let us first have breakfast. I am very hungry

Okay, okay sir! I will go to office and come back.

My guy will take care being with you.

I will be back right now sir

Bye sir! Move man.

Take this money and get what they want.

What do you say now man?

Will not leave this flat even if I die man.

Here are the chips sir, moong dal

What man, you do not drink?

I do not drink sir

Why?

I have fixed to drink at once for the hundred days function of my film.

Oh very good! You have planned future well.

A Director should have vision sir

Correct

Yes sir. What do you both do in the office of Dil Raju sir?

Ghostwriters

Ghosts, hey

Ghostwriters does not mean ghosts

Then?

You tell.

He says hey Siddhu come here, we shall play caroms.

I think of playing.

You think to make me win.

You catch my hand and ask to hit the white, hit the black and if you play the whole game of mine, what do I play dad?

Sir,this is the dialogue of Bommarillu.

Abburu Ravi is written.

He is the writer and this guy is the ghost.

Why do you not say man?

Hey! If I start chopping, should keep house full board outside the hell.

Sir,this is the dialogue from Dookudu.

Kona Venkat has written, right?
He is a writer, this one is the ghost.
Understood sir. Talent is yours and title is theirs.
You caught it right sir.

Have you heard Arudra?
You too heard it Atreya?
If you both have heard it, then I too heard it sir.
What, what is this man?

Crying is not from here sir. It is from the graveyard beside.
Graveyard?

Have L spoken a bit more?

No! How expert am L in preparing coffee, the same are you in having it is what L understood.

You really prepared the coffee very well.

Thank you madam! Many have said this before.

But, sounds special when you are saying it.

Ha! Have you worked in coffee work shop before?

Have you understood so?

I want to become the number one director.

Really?

You would surely become. L know. L know. L know.

Thank you. Thank you. Thank you.

As you said thrice, I too have said thrice.

Oh, devil, devil

It is not devil bro, me!

Are you not enough to be frightened?

You are like father to the devil, you idiot!

Where is this girl?

What, girl? What uncle, have you got a girl after making us sleep in the night or what?

Not that sir

What is this man? We thought of travelling together and you have got into a separate compartment.

Not compartment sir, climbed a bus.

Co-passenger in the bus L climbed while coming to Hyderabad from Vijayawada

She is very good girl named Anjali.

Stays in a hostel nearby. Came to say hello to me.

Should have woken us up when the girl came. We too have met her.

Hey, say to Dil Raju man!

Sir, why all this? Already L said about you.

Introduction next time

Hi boys

Sir, my guy is coming, do not say this to him.

His character is a bit bad.

He is of play boy type.

How is the new job man?

Too good man! Good friendly team

What sir, have you studied my friend?

Is he a book to completed so fast or what?

He is a library.
We thought of going to climax today and study maximum.
Like we want to watch the movie of
your friend and give a review.
As per that we sit in a restaurant and give rating.
We will take decisions having dinner.
Super! Why do you still think man? Start
Look library! Something new is launched in Chutneys today.
We need to study that also.
Take all.
What is this travel sir, getting too costly?
Hey man! Thinking of the path
cannot reach the destination.
What do you say sir?
Correct.
If you think of expenses on the way,
you cannot even cross the door.
Why do you think, start?
Devil has taken the beer and biryani we kept out
do you not know to move aside when a car comes
It was good as break was applied in the last
minute. Else, you would have been squeezed.
Can you not hear the sound when horn is blown?
Are your ears not hearing?
Where is the car sir?
Can you not even see the car?
Are eyes gone blind?
Hey, what are you talking, do not speak in madness?
You stay sir, I will speak.

What about you? I will not apply
break next time, will dash you
Better, be careful.

Okay

Sir, sir sir. Festival is ahead, will
buy a quarter if you give us money sir.

What quarter man? There is a full in the dickey.

Venkatesh, take it silently.

Thought your guy was mad, but is more clever than you man.

What exactly happened to him?

Nothing sir.

Last month he bought one new car
and entered ring road in wrong route.

A truck had come fast and crashed going away silently.

Except seat and steering nothing else was left.

Surprisingly, there was not even a small scratch to him.

From then on, this is the situation.

You could have said him that there was no car, right?

In the beginning I was frustrated and said him that.

He bit and pulled out my muscle sir.

Why did he bite like that?

He is a man or man eater..

Okay, Who are you?

Yes sir. We are close friends.
Geethanjali is a very good girl.

I was in my village at that time
After knowing about suicide, my parents

have said not to go towards that flat.
Any love affairs to her
Nothing like that, but there was a boy friend to her
Who is he madam?

two used to speak long in phone.
Geetanjali was very serious in his matter.

neighbor thinking it as my house sir.

automatically I am going to that house sir.

I cannot understand that sir.

Do one thing. Sleep in the adjacent house for a week.

From the next time, you will automatically go to your house.

Superb idea sir.

Why did you take blood for this sir?

You should not put questions after the problem is solved

Just pay and leave, that is all. Get out!

Next, get out L say!

It is eating away all the food we get sir.

Again, it rings the bell at 11 and will make

me prepare the coffee and sip it sir.

Yes, she loves coffee

Either a devil drinking blood or a devil eating food,

it is an exit for it if this Saithan Rajenters.

but you are hitting and making us say.

you thought so. Thought I would convince and make you say?

Madhu, Look man, your uncle

hitting us like bulls and making us say that devil
is not there. Is this not injustice?

What is this uncle? Though I said friends,
you treat like all others?

If you do so, I will not marry Jyothi.

Do not get angry son in law. In
medicine should be wild sometimes.

Not normal wild, he hit and pressed my neck.

What is this biting?

Hey! It is not you I have hit and bit man,
it was the devil inside you.

Where is devil inside us sir? It is in the flat.

You do not believe when we say.

Understood! Then I will personally come to your flats, move!

Is this the girl who comes daily as devil and frighten you?

Yes sir.

Get out.. useless fellows.

Care..

Hot! Come I am waiting for you. Come on!

What girl, what? Think I fear seeing you?

I have no such fears. You

feared those making kids.

Hey, I am saying with respect. Do not

test the patience of this Saithan Raj.

I do not alright!

Take, take, this is the paradise biryani. It would be very tasty,

eat. Means do not eat heavily, Cholesterol.

You will die with heart attack.

Where would you go with heart attack?

You are already gone ones,

where will you have hearts? Eat, eat well, eat.

Eat, eat well, eat.

Eat, eat well, eat.

Maybe, you must be thinking there is no one behind me.

I am not any normal one. You do not know about me.

Gone..

Better I am going.

Hi

Have you come?

Yes, it is all right?

Do you know before that I come.

Who are you in real? You look very cute.

Cute?

They are all waiting outside for you.

Waiting?

That is, they asked to take you in and wait.

Oh! Let us go.

Come.

Come..

I feel a bit head ache uncle. Please prepare coffee uncle!

You too get headaches?

What, uncle?

Nothing baby! I am saying that I know how to prepare coffee.

Prepare then

Sit

I got BP and dying here and you want me to give you coffee?

Where did these guys die?

Whom are you calling uncle?

Who means, to your aunt, calling your aunt baby!
What uncle, why are you frightened so much?
Fear means, no fear baby! There is graveyard
adjacent right, that is why fear.
Do you fear so much with devils,
How she is asking ?
what uncle?
Nothing baby? We are humans, right?
Generally we fear for devils.
Where is she ?
I have not gone uncle, come.
Thank you uncle!
Okay!
I will on tv for time pass ?
Ok.
Good girl.
you too put this well uncle.
Thank you
Dare devil Saithan Raj sir! We heard that
you handle devils well. Is it true sir?
Not handling, I will manhandle.
If it is seen, will catch the hairs
hit right and left and throw it aside.
Really, how sir?
Dont ask them ?
Have you really hit devils uncle?
No, no! Nothing baby! No, no!
Why will I hit devils baby?
Just thought some money would come for practice,
else, what for me with devils baby? Do I have
any property issues or fights with devils?
To say in one word devils are like God for me baby!
I love devils.
Yes! You said well uncle. See you.
I fear.
Where is my phone.
Aa, put in kitchen.
Not closing the eyes opened. Not opening the mouth closed.
This is the situation from morning sir.
Uncle! Uncle, what happened uncle?
Is the devil really there or not, tell sir?
Our future is based on your report sir
He would have seen devil confirmedly sir.
That is why he must have become like this. No doubt!

Would have seen!

We shall vacate the flat immediately man.

Okay then. Today, I will bunk office and stay with you in the flat.

If what you said is true, we will immediately vacate the flat. Okay?

Okay, let us move

You go and have a look, we will guard outside

It is to prove to you. I already know

that there is no devil. You come.

Sir, come sir. This is last and final.

Come man, Srinu come

Come, we all along with you will see

Come man

We will not come

Come.

Hey, there is..

May have gone out, if the kids

were there I would have made

them pour urine in buckets.

Enjoy and enjoy that day.

Ramji, Ramji, Ramji, Ramji!

Where did these idiots go without coming home?

Will they starve me even today by putting

the roadside biryani or what?

Is there any rule that devils will eat biryani only?

No dedication and respect over the devils at all.

Should now and then change the menu and bring

Taj chicken pulav from Ulavacharu

or Goat kidneys from Shahbad, right?

Bloody conjuice fellows!

By putting dust in this mouth you will die badly man,

Ok cool saptagiri cool.

Hey, fruits..

Ramji, Ramji, Ramji, Ramji,

What man? Came shaking your hands, no biryani brought?

Please Don't hit me.

Sir, please do not hit wherever you feel sir. By mistake, if it is hit at unwanted places, wire will be cut and power would be gone sir.

What going man? Daily with a base voice, you eat our bread, fruits and biryani, you idiot?

no alternative for the food, right sir?

Like a bull you tie bells and show us Sankarabharanam, Sankarabharanam film, you idiot?

no mistake to watch a hit film how many evertimes, right sir?

You frighten even us, ghostwriters? You!

Should frighten you to have food no sir?
We would have vacated the flat by getting
feared with this bloody performance, you bloody?
sir, sir! L used to stay in a single room
earthen adjacent graveyard sir.
Poor girl, when the lady in this flat committed suicide
and died, all were fearing to come into this flat sir.
L found free accommodation for
three months. By then, some bloody broker
had come and offered youths for
cheap and you came down here.
My accommodation is gone.
Now, L need something to live, right sir?
I thought you would someday go away if L frighten you.
But, you encouraged me saying a food devil.
From then L got stomach full of
food and stayed back here, that is all!
Hey, if you want food, you should look for
some work, but what is this man?
Look at him and his Amruthanjan
dialogues. L am bored listening to them.
You could try something new, right brother?
What man, you show talent on the tenants?
Wow! You said great brother. Thank you.
You, don't do the overaction.
Sir, L am ready to work hard.
Are you ready to encourage?
Hey stop man! Will you at least believe
now that there is no devil and nothing?
This food devil may be false, but do you know,
Anjali is coming daily as a devil?
Yes, we have seen.
Hey! Stop it, stop. What is that you are speaking
sir? Is it about the girl in this house?
What are you talking sir? How can she
be a devil, she is like a goddess.
She used to feed me stomach full every
now and then. She used to give money for my expenses.
Do you say that girl is devil?
Audra
Athreya
What, has your coffee devil come?
You go and open the door please.
What, fearing for just that bell sound?

You said do not have work and asked for work, right?
Your work starts right now, go and open the door.
Thank you, thank you.
Devil
hello, I am not devil..
Devils should not lie madam.
I have no relation with them.
They are strong like buffaloes. You
sip and drink their blood. Their flesh
Please leave me madam! I am an innocent
not knowing anything. Orphan!
Hey, bloody! Shut up. Who are you? Get out
Salute to you mother. Will see you madam
Do not come! Please leave us. Please!
We shall vacate the room if you want.
Please..
Stop your tension. I am not a devil.
If you are not devil
You are surely devil.
Who is that in the photo?
Who is that committed suicide?
My sister.
What, sister?
Name of my sister is Geethanjali.
My name is Ushanjali.
We are twins. Kuchipudi is our village.
My father is music maestro Vempati Viswanatham.
My sister is an expert in music.
Hey you.
As our mother expired when we were
six years of age, father grew up
Sister used to follow the Telugu traditions without fail.
To say the truth, sister was like my mother.
All used to praise saying will girls be so in present days?
Looking that father was proud.
Sister too was well educated.
She completed computer science
and was into job at Hyderabad.
She was soft and I was quiet opposite to her.
As I got a seat in MS, left father and
sister for the first time and went to US.
After some time knowing that sister has committed
suicide and left us all came back again to village.
Village people have spread rumors on sister with

the same mouth they have praised.
They said that sister had a boyfriend, he raped her and has become pregnant. They said stories that she committed suicide due to that. Father listening to all these was into pain and is now in bed. Thus L started to Hyderabad to find out the truth. You were known to me then in the bus. With the thought that I would get some clue, L came to your apartment. You unexpectedly met me again. With the reason of coffee, L used to keep all of you busy and was searching for clues in the house. But, L did not find any clues. With that I enquired in the police station of this area. Anjali madam! L met a friend of your sister. She said that your sister had a boyfriend and his name is Madhu. L met Madhu. You met? Where did you meet? L am the father of Madhu. I took the permission of Jailor. Who wrote all those sir? That? I will tell later about them. He is the boyfriend of my sister, Madhu Nandan. To know why he is here, you need to know what happened in real. Are you the morning light touching my heart
Are you the star not seen with the eyes of this earth
Some first rain touching my lips
May have changed as love with your eye signs
Are you the jasmine of my heart or blessing of temple of beloved
Or the full moon light not seen by the skies came down to earth
Are you the morning light touching my heart
Are you the star not seen with the eyes of this earth
Like the kajal touching your eyes,
like song at the end of your lips
Shall I change as the bells to your tender feet
Is this the dream shown by early
morning or Manmadha is this magic net
Your straight words did some magic, Am I not yours now
Temptation or happiness or is it the
meaning of my thoughts in me
Transform like my shadow flowing in
your eye and take me for this life
Blind folds with eyes looks glamour in hearts
How will the dreams behind my heart reach you

This is the love not knowing any story, Age that came with love
Wanted the hug of your look like this why not cross and come now
I will fall on your chest becoming yours,
let me breath in your love
Close to you changing like waiting
you coming in my heart and let it flow like Geethanjali
Bye.

Hey! Why do you not spend at least today with me?

Birthday is mine and is party of others?

Is this justified in any way?

Sorry Madhu! How will I know that even the
birthday of my boss comes on the same day?

I am meeting him even for the first time today.

Else I would have skipped it. Sorry! Do one thing.

GO and wait in the flat. I will just meet him and come back.

You do not need to give me so much explanation.

Even if you say get lost, I feel it like I love you.

I love you Madhu

Means you are saying me get lost, right?

Okay, bye!

Wow, really I love you man. Okay bye!

Hi! Has sir come?

He might be at any moment

Our circulars are ready, right?

Yes! All is ready.

There, sir has come.

Wow, fantastic! Fantastic,
beautiful!

Happy birthday sir!

Thank you, thank you!

Anjali has organized all this sir.

Who is Anjali?

She, sir!

Anjali, sir!

Happy Birthday sir!

Fantastic

fantastic.

Sir

Really, yes! Crackers,

very nice, very nice

Thank you sir

Welcome

Hi sir! Happy birthday sir

Thank you, Thank you
Many many happy returns of the day sir
Happy birthday sir
Happy birthday sir
but okay
What is this Anjali?
Very bad, very bad, very bad.
What happened sir? Is any mistake taken place from me?
not a mistake, a sin!
Poor people, all these have shopped
for days and got ready for hours,
but you just came in a simple saree telling
the definition to beauty and dominated all
Is this not sin?
Oh That is it? I thought something else and was tensed
But, I like to be so sir.
I too like ladies being , like this.
Sorry
Really yaa! But I have not married as
I did not find anyone like you.
Will you marry me?
Sir
You heard it right. Will you marry me?
I am not joking, I am serious.
I will announce right nowhere, Right now!
No sir! I loved a guy named Madhu.
I want to inform my father and marry him sir.
Even his family knows all about this.
my bad luck! My bad luck!
Think once again. I have many companies like this. UK, US!
Think you become the boss for the company
you are working with, how would it be?
No sir! I like to be happy with what I have.
I feel happy when I get what I want.
That will not be said happiness sir,
it will be said selfishness. Sorry sir!
One minute!
Will you not give birthday gift?
Sorry sir! I thought of giving you that surprise as gift.
I will bring that tomorrow to office and give it.
If the birthday is today, gift needs
to be also given today, right?
If you give me what I want as birthday gift,
I will gift you back with a blank cheque.

Write how much ever you want.
What sir? L did not understand.
What gift do L have with me that L can give you?
You
Sir
come on!
You can give. l will treat you as gift tonight.
Let us go together after the party.
One minute sir!
Live it anjali..
Inthis society that type of idiots so many.
Take it easy.
How he thought a cheap about me ?
He is a cheap fellow, so he talk like that.
Geetha you resign the job.
And live the city also..
Ok.
Go to bangalore.
Get the good jobs for profiles of us.
Then what about me ?
Who are you ?
Why you are coming this place ?
Generally i dont want to easily, once
i want that no compromise for that.
You rejected me.
Birthday,
same day,
Cake for them, Shock for someone else,
Sir please, please leave her
l too am saying that. Leave Anjali.
Madhu, Madhu, Madhu
L came to know how rejection would be for the first time,
just because of you. L knew how a slap is
because of you for the first time in life.
Please, blood is going, call the ambulance please.
lf you would have shown at least 10%
of the love you show on him,
both these violence and ambulance
would have not been required.
Madhu, Madhu, Madhu
Come! Show at least now, come!
Madhu, Madhu, Madhu
Madhu, Madhu, Madhu
Leave me please

Madhu, Madhu, Madhu

Madhu,

please.

Are you thinking me bad? What?

Take this cheque and give.

Ask them to encash it.

Ask them not to waste time on the
name of courts and cases.

No one would wontomly do mistakes.

Some encourage and make them do.

Sir,

look sir.

What shall we do now?

One more love psycho in city. A software employee by
name Madhu is become close to a girl named Geethanjali.

He tried to bend her. As she did not
agree he raped her and killed her.

Police informed to have kept Nirbhaya case on him.

Court is ordered to shift him to Chanchalguda jail.

Ramesh Rao like that has used his political
power and money power and made Madhu as the victim.

He made court and people believe that this is the truth.

Madhu is being hanged soon under Nirbhaya case.

Madhu!

All these are my friends.

He fears even for injection.

But now they are saying to hang him

What was the sin done by my sister?

Is it not being like all.

Is to follow Telugu traditions, culture,
manners and all that bull Shit?

Once humans used to fear moving amongst animals.

But now, humans are fearing to move amongst humans.

All our ancient mythology books always
said how a girl should be and how she should not be,
should bow her head when she goes out
and rise it only after coming home.

But why do they not tell all these to boys?

If even he was said to bend his
head when a girl comes across,
all these crimes would not have taken place.

Parents who observe secretly
when a girl speaks on cellphone,
have they ever observe what a boy is doing sitting

night long in front of the computer closing the door?
What belief does not exist in the case of girls?
If 10% of the concentration put on girls is put on boys,
so many crimes would not have happened with girls.
Many girls like my sister would have not been sacrificed.
Nirbhaya ruling does not mean to feed the rapists
like buffalos for years together and hang them.
If they are shot immediately after they commit the crime
on the mid road, then all the idiots will come into senses.
My sister is dead. My father is in bed with bad state.
One more innocent guy is being punished. The
one reasonable for all this is happily enjoying.
Is it fair?
Yes madam, We should not leave him like that.
but we know his money, power and
influence. What can we do?
how if we leave him so bro? We should do him something.
this is not a film to plan a revenge.
if this was a film,
he was a villain,
if we were the writers for that,
what plan would we do to prove Madhu in jail
as innocent? What sketches would we make?
What finishing would we give to that Ramesh Rao?
We shall use our creativity for that.
Correct bro! Let us use the passion and creativity
and see to that the criminal is punished.
Okay bro! I have an idea. I need all your help for that.
we are ready.
I too am ready man
Anjali Madam! Yours is the key role. Are you ready?
I too am ready.
Namaste sir.
you? Why did you come?
Where is my son in law?
Madhu is not come sir.
As you have not helped us, he is angry with you.
angry? Angry even before marriage?
What exactly do you need now man?
Madam.
why have you directly brought home the devil?
Why have you caught me like this man?
I am not devil, uncle!
Did that bloody fellow do such thing?

Yes sir

He will not get a normal death.

that is in your hands sir.

What, do you want me to murder?

No, not needed sir. Like how we

believed Anjali madam as devil,

it is enough if he believes so.

Yes sir! He does not know that these are twins.

Thus, we can threaten him and get the truth out sir.

Tell me what to do man?

Nothing sir. You would have seen

many caught by devil in your service.

I have seen.

If you teach and give training to Anjali

about that language and body language

understood, I will take care about the rest.

I will make Anjali as a devil.

You go and arrange for the revenge.

That is, it is not that sir.

Go away man

Oh man, come. Else he would again bite us.

What is this.

Shall we start?

Okay

Do you know the difference between human and devil?

yes! They do not have life and we have.

That is it, right uncle?

This matter will be said by even a kid doing urine in bed.

Not that, language, body language.

Let us first focus on the body language. Okay!

Right uncle!

Uncle, uncle, uncle! Do not me uncle,

it would be depressing. Call me Raj.

It would be inspiring.

Okay Raj

Call once again

Okay Raj

Body language of devils would be very different.

When they come front and look it would be crossed.

Come on, show!

What is this, like a confused Kathak dancer?

Not like that. I will tell. See me and practice. Okay?

Okay raj.

Bend the head like this.

Lift the eyes like this.

If you look with that he will fear and die
like an idiot struck with jaundice.

Wow! L, myself am frightened Raj.

Practice this

Do like this. Did it right?

Okay.

Now we will come into
language.

Basically if we make the voice base,
fear will automatically be born.

how Raj?

It would not do if you say how Raj.

Tell How Raj in base, tell.

Saying.

How Raj

Saying how Raj is not like base. It is like hollow voice
Sorry raj, I will practice.

Now, we need to mix language and
body language, both.

Okay Raj!

Body language!

Bend the head so like this. Okay body language

Yes, yes

Next language.gh

How Raj ,How Raj

Wow! Super Raj!

Stop praising and practice

How Raj,

How Raj,

How Raj,

Good,

very good, finally you have changed your mind.

Thought there will not be any difference between me
and the dead body in the mortuary sir.

Thus, went back to the apartment and
continued friend ship with the same devil sir.

very good!

Now I like you.

Tell, tell! What did that devil tell?

Gave an unexpected twist sir. I was
shocked and called you immediately sir.

What did it tell?

It seem her boss had raped her sir.

With that the girl is cut her throat and died sir.
Cleverly that bastard had involved
boyfriend of the girl sir.
Bastard
Poor guy that innocent guy is being hanged up sooner sir.
That devil saying so many,
has it not said who that boss was?
Said, it would tell tonight sir. Yes!
Our climax too is this sir
I will also come tonight, then.
That is what, even I need sir
I was saying it would be good if you are
beside me as the producer, sir.
Is anyone else there, who know about this story?
No sir! No one else knows about the devil other than me,
that devil and now you know sir.
Good! Do not tell anyone.
Story will go out.
it is fine sir. I will start now.
We shall meet tonight. Okay sir?
We shall put the end to our story.
Okay sir.
Not to the story man, I will put you, the end!
Mother you have killed many demons.
You punished many culprits.
Why did you leave this guy then?
If you would have punished even this guy, many
innocent like my sister would have not been had to sacrifice.
Bless that the trial we are attempting
becomes successful, mother!
Faster the fate draws the line
Heart wants only revenge
Faster the fate draws the line
Heart wants only revenge
World should see your real shape,
let the eyes get red
In the darkness masks dreaded
thing should fear with your entry
Come like this as the Goddess creating demolition
Climb hills, forests and tiger, you come
This earth and sky should shiver
show that horrible death
World should see your real shape, let the eyes get red
Here, there, wherever he hides catch and get here

Spilling his blood red spread on sides dash with swords
To hunt the animals in human shape
come you are the lioness on force
Come as the death of fat filled rascal,
worlds would bow the head to you
Death rope of Yamata transformed into weapon in your hands
Those thunders falling like the words of your mouth
Light the fire of anger upside and
the criminals should fear from now on
Times should stop when you step like the Goddess of power
You should flow like the river and the story
request the end write with blood Your real shape
World should see your real shape, let the eyes get red
In your heart that bared bowing head
bring the fire to cut the heads
Come like Kali writing the end
come tying the hanging rope
Life born along with you fighting for you as a sword today
Your goal becomes a boon
in the war and event the fate today
accompanies you as the army Hurts as proofs,
anger is become full like this
Centuries should see like that Give some
punishment that enthrals even hell
World should see your real shape,
let the eyes get red
Come uncle come..
What son in law! Is your anger down?
Ha ha! You came uncle, it is like down, come.
Okay! Have you done all as L said.
Yes! We used the whole technology sir.
It is now late to trap him sir.
If he comes, we should get the truth and send him to jail sir.
What we want is to send him to jail man.
Have you made everything ready?
Have you got the address of that girl?
We are trying that sir. We are not getting. She will come sir.
What try ?
you gave the training correctly, right sir?
You are asking me, who gave the training idiot?
What L meant was, Aaa, aaa!
Don't underestimate me ?
I will kill you.
If you see her performance, you will vomit blood and die man.

Madam has come.
Hello what ?
have you got any time sense?
What is this late? Have you at least got the dress sense?
I asked you to come in white saree, right?
You came in black saree, what is this?
Why do you say so sir? Which saree
does it matter to collect proofs sir?
Show the demo once.
Sorry sir.
Kill you.
Useless fellows.
Show the demo once
Devils will not show demos man.
They will directly send up.
She is involving sir.
yes.
She is involving
it is just like devil talking right man?
Madam! You maintain the same.
We will put all his sins in pen drive and give.
fantastic sir! What training
have you given, great sir.
Why I will feel tens ?
Show how you block him when
he sees you and gets frightened.
See..
