You know what
My first memory?

I feel special,
The first time defequei,
I cheered,
When we are drawing in crayon,
It was like a Picasso,
Golden Seals for everyone,
C + in Physical Education?
exemplary frequency?
Hey, here's 100 bucks,
When we got a new phase
in the game, we won the Olympics,
For children of my generation,
Strike three means one thing,
Take your base,
Care, world, here we go,

LAPUMiA
Here it is, Closer, closer,
That,
Look at this,
You are so cute together,
Beautiful,
So, Jillian, Will told us
to start working
Johnson & Johnson,
This is fantastic!
Thanks,
Yes, I'm excited to get started,
Sales Analyst
It seems incredible,
Junior Sales Analyst,
But the "Junior" is only until Christmas,
And Will finally getting paid
in LA Weekly,
Very good, you two,
I know, I told you,
We are a power couple,
Will, here is a
little help to get started,
Thanks Dad, Thank you mom,

Will, I told you
which was my first job?
Tomato was stacking boxes
in a warehouse?
Exact,
It should be about 40 degrees
inside that warehouse,
- You know what made me endure?
- Air conditioning?
Air conditioning,
There was an office that had
loud air conditioning,
It was the warehouse supervisor,
And I told myself there:
I do not know how I'll do,
but I am able to that office,
That guy does not enfa-tou, Dad?
It was an aneurysm,
The point is that I worked
to be responsible for the entire network
of supplies from North America,
I am proof that there is nothing
you can not achieve,
Exactly,
And that's why I say
this bid LA Weekly
It is only a stepping stone for me
because it will dominate
the network editing them,
I have videos, live blog,
interactive content,
I am creating my brand,
Brand?
You spent the money
on a TV?
This is one of the largest TVs
available in the market today,
Seventy inches,
What?
You want to know why we are not
living together? Example A,
Hey, J it?
It was his sister at graduation?
- No,

- Are you sure?
I saw, like, hugging their parents
and giving to your dad a , , ,
I mean, can you give me
her phone?
That's iPerseguidor?
It is iProcurador,
if you can take care of your things,
What is iPerseguidor?
The iProcurador?
It's just an application
I'm developing,
Imagine you have someone who wants to find
but do not want to be found,
Like, there's a girl,
and called her a million times
and she never returns your calls?
My application allows you
send a text message
and receive the exact
person's location,
then there is no place to hide,
sister Jillian,
no where,
No, I will not give you her number,
I will find your sister,
You will end in iCadeia,
iEstuprado being,
And I will give account
iPerseguidor the IP,
You even have a job,
I have a business degree,
Unlike you,
I have marketing skills,
Unlike you, I have a job,
I have nine interviews this week,
Today is Morgan Stanley , , ,
And Great Pacific,
I love you all, Stay safe,
- Good luck, man,
- Good luck,
Excuse me, ma'am?
Would you like to join me?

What you mean?
I say that we do not have a job for you,
We decreased,
Yes, but I'm perfect
for employment,

ready to launch,
"Where to find
Best Steak Machaca "
"As Pedaling in Rio LA"
"Why is Ultimate
More complex than chess, "
You're not alone, I had to dispense
eight people last week,
Why did not you tell me?
Honestly, with everything going on here,
I just , , , forgot,
Good,
You forgot?
I spent two summers
free inside
to have the job you expected
after graduating and you forgot?
I already told to all
on this job,
I told friends and family
and my parents about this job,
and you forgot?
Well, you know what, Brian?

You can not do that, man!
I deserve to be treated
better than this,
And I think you owe me
a little more than "forgotten,"
Will , , ,
I do not owe you anything,
System administrator? Do not,
Nuclear Piping Technician,
You do not have much experience
with pipe, so , , ,
I'm very, Charles,
Ask your mother,
Burn, Burn sick,
Administrator Assistance Unemployment,
Yes, do it, It will be ironic,
Is not it ironic if all the time,
You know what's all the time?
Blow in the bag and deaths,
Do not play dirty, man,
Dude, honestly I have no idea
about what it means,
Well, better find out soon,
The lease expires Friday,
I know,
I just need something to ensure the light
until I find the dream job,
I do not think can
monetizing masturbation,
Very good,
There's something in the hospital industry,
You have no
specialization in the medical field,
Have a gun in the drawer,
but probably will not need,
Okay, good night, boy,
There are black people on this boat!
I'm sorry,
You're the newbie?

Cheryl is one of my
best girls,
- Work hard?
- She is right,
Where to meet?
I met her on my last tour,
That was , , , when?
Borders,
The Borders Bookstore?
Listen, man,
the business went bankrupt, beauty?
All were out of work,
I had to get out of there fast,
So why Skeezy D?
Men who hire prostitutes
They are not paying for sex, Will,
They are paying for danger,
they are paying
to feel alive,
Hey, motherfucker, better pay
my bitch who owes,
They are paying for a certain
joie de vivre,
Joie de vivre?
It's French,
I am not resisting arrest!
I am not resisting arrest,
I'm not!
Bitch had a deal!
I was renting rooms
for prostitutes?
Skeezy said they were here , , ,
No, this is not the kind of
establishment I have here,
Read the warning there, boy,
Says banned prostitution,
This certainly includes prostitutes,
You are fired,
Sorry, officer, I just need to be

more cautious with whom I contract,

- Do it,

- Yes, I will,

I'll get a job,

I follow methods,

I remain positive,

and in the meantime,

I can do all the tasks

for which I never had time,

This is not school, Will,
Please, I need to be strengthened,
Thirty years a company,
An employee sees it,

How do you think we do this number?

- Well, I , , ,
- It's a rhetorical question,
While all are out there

So what we think?
I think it makes him younger,
Yes, so far, I thought Tom

This is a firm
professional insertion, Mr Davis,
no MTV,
Yes, no one will hire this guy
because of his personality,
It needs to look professional,
Everyone always liked
the old curriculum, so , , ,
It seems that you mistook this video
as an opportunity to express
yourself, Mr Davis,
From now on, you will follow
the protocol to the letter,
Yes, I found the protocol
a bit limiter,
I wrote the protocol, Mr Davis,
And while I have you here,
there are some problems of conduct
that apparently need explanation,
you keep
a professional look,
This means a suit and a tie,
No tennis,
No khakis,
It does not mean that
rag poorly washed calling shirt,
Got it,

Understood?

Understood?

AND,,,

While I was out, I received
several of your emails "for All"

They were unsuitable,

offensive,

and above all,

some bland,

No one wants a slipper

birthday to you, Mr Davis,

And finally,

I looked

on your Facebook page

and I came across this sordid image,

I was there for the buffet,

You are an employee

this company, Mr Davis,

Your behavior must match

exactly with the firm's standards

Executive Insert Wilheimer,

Understood?

- Understood,

- Understood?

Understood,

Hi, Pearl, Roger Davis,

Mr, Gentry is?

He's not? It's all right,

Do you know if he has already made a

Regional Distribution Manager,

Scanner Division and Disk Copy?

Hi, Will, How's work?

- Good,

Father, what have you done with your beard?
Well, I lost two jobs in a week
for people in their 30s,
Cammy then volunteered to

Dye Crow Gothic, what do you think?
IT IS,
Cammy, you have helped
he posts on Twitter?
Rog does not need any help,

Well, my supervisor came back and she
is a walk in total bag,
I mean, she's teasing
my emails, my Facebook,
I dress in front of everyone,
It was humiliating,
Wait, that's not how you dress
at work, is it?
Father, I am the face of the video,
Who cares how I dress?
Look, stop a bit, okay?
Take a second,
Your customers pay
\$ 30,000 for their services,
They care about how you dress,
You need to fit
in their standards, not the opposite,
And the fact that you can not
understand is that is intriguing,
What's up with you?
What's wrong with me is that I sent
hundreds of resumes

and I got only three interviews,
What's wrong with me is that I do not want
you hear whimpering
his boss makes him act
professionally,
That's what's wrong with me,
Okay, Dad, Excuse me
to say how I feel,
I did not know why
I have a job, and you do not,
you do not listen to me,
I'm listening, but all I hear
is spoiled brat claim!
Right,
You look like Billy Mays,

They are Prada,
It costs \$ 779,
I know, I just , , ,
Just wanted
They take me seriously at work,
All you are serious,
- You take?
- Yes, they take,
In the second year,
we are training
Ultimate Frisbee in the lounge,
Ethan comes in and says
there is a problem
I need to solve
on the floor below,
So I go down the stairs
and I see this
small person pajamas
and slippers, and she is very brave,
I was trying to study,
The moment I saw you, I knew
you were someone to take seriously,

What will respect
to work, Will?

Hey, mate,
For your information, we leave
pornography home, get used to,
The week started bad,
My compensation is over,
the mortgage won,
I exhausted my savings,
and then, on Tuesday,
finally I got
an interview with Xerox,
So I went there
and trashed,
I mean, it was the kind of interview
with which you dream,
I mean, I was so good to remember
crying in the elevator, and I knew
that would send me to the Gentry,
I finally knew
would know the decision maker,
And since then,
anything,

Zero,
I need the bathroom key,
Excuse me,
Oh, Cammy,
How do I get to James Gentry?
I sent e-mail, text message,
Twitter,
I called his house,
I spoke to his wife,
- You called his house?
- Well, the conversation was quick,
Dinner time,
He was accompanied
But I think I spent a good impression,
Maybe you should focus
more than one type of employment,
I'm so perfect for this job,
I just need to stay on
the guy who can
pull the trigger and hire me,
It's time for ABC!
One way or another, have to
get to the decision maker,
Yes,
James Gentry, get ready to
know Roger Davis,
Hello,
Hey man,
Listen to the latest tweet from my father,
"It ends today, ABC means:
Now I seek Confusion "
"Roger Davis, symbol
better than James Gentry "
What does that mean?
I do not know, man, but it sounded threatening,
Yes, definitely it did not sound good,
Yes, that's bad, look, Luke,
we have to find my father,
Okay, here I go,
In Thursday with Spring,
in front of 101, large gray building,

ROGER DAVIS:

We always won trophies,
Trophies mean nothing
unless they deserve,
They are just pieces of plastic,

My childhood bedroom is
filled to the ceiling trophies
and I have not won anything in my life!
You would have to have
born already comatose
to do as little
I as in life,
- Excuse,
- Listen, stop, stop,
Listen to me, Listen, boys,
Listen to me,
I lost five years of my life
practically living
dyed in a sofa sperm,
I smoked marijuana \$ 200 per week
I used the same pair of socks
for so long
the fabric stocking
It has become literally
one with the skin of my little finger,
It's because?
Because?
Because when I was growing up,
They gave me trophies for losing,
See what I mean?
No trophies, Sam,
Kwan, no trophies,
- No trophies!
- No trophies,
No trophies! No trophies!
